AIRFLY POLICY

What Are Delta Bereavement Fares and How Can You Request Them?

Delta bereavement fares help eligible SkyMiles members arrange urgent travel following the death or imminent death of an immediate family member. This policy offers additional booking flexibility, helping families reach important destinations such as New York, Atlanta, or Los Angeles during difficult times.

What Are Delta Bereavement Fares?

- Special fare options for eligible emergency family travel.
- Fare prices depend on availability and itinerary.
- Offer additional flexibility for unexpected travel changes.
- Lower promotional fares may sometimes be available.

Who Is Eligible for Bereavement Fares?

1

Available to eligible Delta SkyMiles members.

2

Covers spouses, parents, children, and siblings.

3

Also includes grandparents, grandchildren, aunts, and uncles.

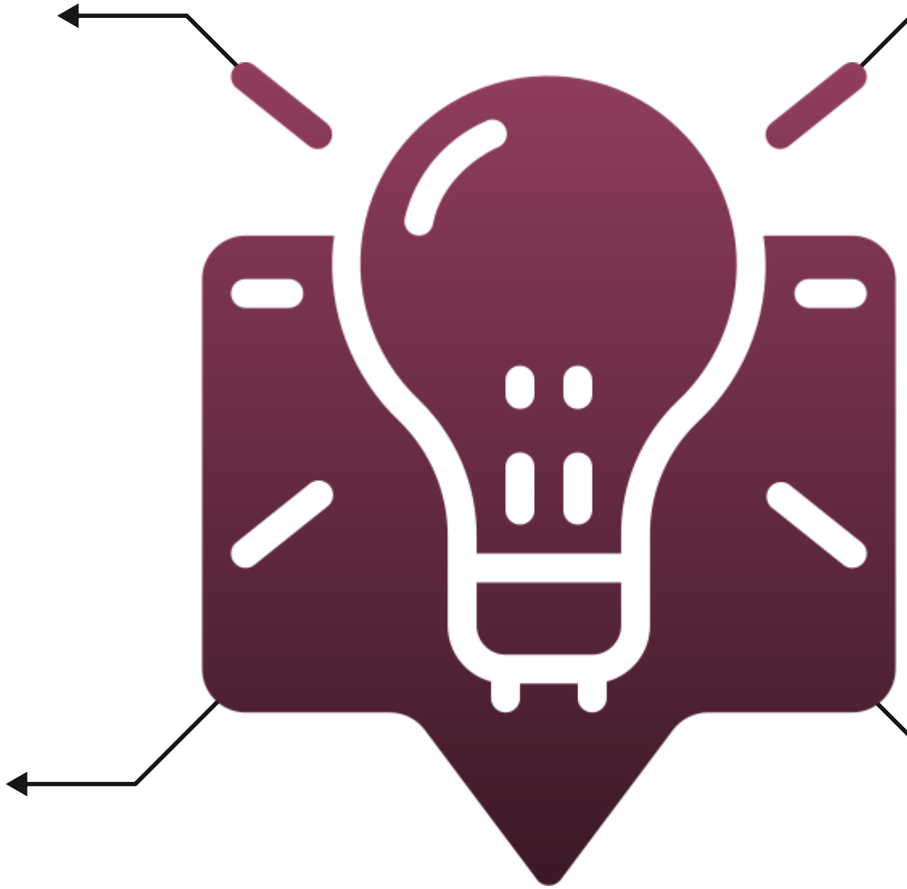
4

Certain in-law, stepfamily, and domestic partner relationships qualify.

When Can You Request These Fares?

Travel must be connected to a death or qualifying imminent death.

Tickets must be purchased with travel starting within seven days of the death or imminent death.



International travel may have additional restrictions.

Fare availability is not guaranteed.

How to Request Delta Bereavement Fares?

To request delta airlines bereavement fares, contact Delta through its Help Center using the Message Us option or call 888-212-0809. Explain your emergency, provide the required family information, and ask a representative to check eligible flights and available fares.
