

1 AMAZING GRACE

Key F

Amazing grace! How sweet the sound,
That saved a wretch like me!
I once was lost, but now I'm found,
Was blind, but now I see!

'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils and snares,
I have already come;
'Tis grace hath brought me safe thus far,
And grace will lead me home.

When we've been there ten thousand years,
Bright shining as the sun;
We've no less days to sing God's praise
Than when we first begun.

2 JESUS I LOVE YOU SO

Key A

I know a man who's like no other man,
He died to save this world from sin,
And I'll dedicate my life to serving Him,
He died so I could live.

CHORUS

Jesus, I love you so,
And I want you to know,
What you've done for me is not in vain,
And I will stake my claim,
On Your Holy name.
Oh, how I love, I love you so.

When I think of how you took my place,
I marvel at the wonders of your grace,
Your sacrifice for me I can't replace,
Oh, what a gift you gave to me.

3 HE GIVETH MORE GRACE

Key C

He giveth more grace when the burdens grow greater.
He sendeth more strength when the labours increase.
To added afflictions He addeth His mercies,
To multiplied trials He multiplies peace.

CHORUS

His love has no limit,
His grace has no measure,
His power has no boundary known unto man,
For out of His infinite riches in Jesus,
He giveth and giveth and giveth more grace.

When we have exhausted our store of endurance,
When our strength has failed,
And the day is done.
When we've reached the end of our hoarded resources,
Our Father's full giving has only begun.

4 HE CAME TO ME

Key A

He came to me, He came to me,
When I could not come to where He was
He came to me;
That's why He died on Calvary,
When I could not come to where He was,
He came to me.

5 HE COULD HAVE CALLED

Key A

He could have called ten thousand angels
To destroy the world and set Him free;
He could have called ten thousand angels,
But He died alone for you and me.

I care not today what the morrow
may bring,
If shadow or sunshine or rain,
The Lord I know ruleth o'er
everything,
And all of my worry is vain.

CHORUS

Living by faith, in Jesus above,
Trusting, confiding In His great
love;
From all harm safe in His
sheltering arm,
I'm living by faith and feel no
alarm.

Though tempest may blow and the
storm clouds arise,
Obscuring the brightness of life,
I'm never alarmed at the overcast
skies,
The Master looks on at the strife.

I know that He safely will carry me
through,
No matter what evils betide,
Why should I then care, though the
tempest may blow,
If Jesus walks close to my side.

Our Lord will return to this earth
some sweet day,
Our troubles will then all be o'er,
The Master so gently will lead us
away,
Beyond that blest heavenly shore.

Hallelujah, Jesus is alive,
Death has lost its victory,
And the grave has been denied;
And Jesus is forever,
He's alive, He's alive.
He's the Alpha and Omega,
The First and Last is He;
The curse of sin is broken,
We have perfect liberty,
The Lamb of God has risen;
He's alive, He's alive,
Hallelujah, Jesus is alive.

Of all the good things that have
come his way,
It is no wonder you can hear Job
say,
"The Lord giveth and taketh away,
I'll still give Him thanks;"
But when the table was all turned
around,
And Job's world came crashing
down;
His faith in God caused Job to say,
"I'll still give Him thanks."

CHORUS

In everything give Him }
thanks, }
Give Him thanks, }2x
In the good times praise His name,
In the bad times do the same,
In everything give the King of
Kings, All the thanks.

When trouble comes and there's
no one around,
Satan, he tries to tell me that my
God let me down;
Through every dark hour the best
thing I've found,
It was to give God the thanks.
For He has never, never, never
failed me yet,
So why should I start now to worry
or fret;
In everything I will never forget,
To give God the thanks.

I'll be standing in the gap for you,
Just remember someone
somewhere
Is praying for you,
Calling out your name,
Praying for your strength,
I'll be standing in the gap for you.

We have come into His house
 To magnify His name and worship
 Him,
 We have come into His house
 To magnify His name and worship
 Him,
 We have come into His house
 To magnify His name and worship
 Christ the Lord,
 Worship Him, Christ the Lord.

So forget about yourself,
 Concentrate on Him and worship
 Him;
 So forget about yourself,
 Concentrate on Him and worship
 Him;
 So forget about yourself,
 Concentrate on Him and worship
 Christ the Lord,
 Worship Him, Christ the Lord.

Let us lift up holy hands,
 Magnify His Name and worship
 Him;
 Let us lift up holy hands,
 Magnify His Name and worship
 Him;
 Let us lift up holy hands,
 Magnify His Name and worship
 Christ the Lord;
 Worship Him, Christ the Lord.

Jesus, I'll never forget
 What you've done for me,
 Jesus, I'll never forget
 How you set me free,
 Jesus, I'll never forget
 How you brought me out,
 Jesus I'll never forget, no never.

When peace like a river
 attendeth my way,
 When sorrows, like sea billows
 roll;
 Whatever my lot,
 Thou hast taught me to say,
 "It is well, it is well with my soul."

CHORUS

It is well with my soul,
 It is well, it is well with my soul.

Tho' Satan should buffet,
 Tho' trials should come,
 Let this blest assurance control:
 That Christ hath regarded
 My helpless estate,
 And hath shed His own blood for
 my soul.

My sin, oh, the bliss of this glorious
 thought,
 My sin not in part, but the whole
 Is nailed to the cross,
 And I bear it no more;
 Praise the Lord, praise the Lord,
 O my soul.

And Lord, haste the day
 When my faith shall be sight.
 The clouds be rolled back as a
 scroll.
 The trump shall resound,
 And the Lord shall descend,
 Even so, it is well with my soul.

But Lord, 'tis for Thee,
 For Thy coming we wait,
 The sky, not the grave, is our goal;
 Oh, the Shout of the Angel!
 Oh, the Voice of the Lord!
 Blessed hope! Blessed rest of my
 soul!

Touching Jesus is all that matters,
 And your life will never be the
 same.
 There is only one way to touch Him,
 Just believe when you call on His
 Name.

14**JUST A CLOSER
WALK**

Key C

I am weak but Thou art strong,
 Jesus keep me from all wrong;
 I'll be satisfied as long,
 As I walk, let me walk
 Close to Thee.

CHORUS

Just a closer walk with Thee,
 Grant it, Jesus, is my plea;
 Daily walking close to Thee,
 Let it be, dear Lord, let it be.

Thru this world of toil and snares,
 If I falter, Lord, who cares?
 Who with me my burden shares?
 None but Thee, dear Lord,
 None but Thee.

When my feeble life is o'er,
 Time for me will be no more;
 Guide me gently, safely o'er
 To Thy kingdom shore,
 To Thy shore.

15**JESUS LOVES ME**

Key C

Jesus loves me! This I know,
 For the Bible tells me so;
 Little ones to Him belong,
 They are weak but He is strong.

CHORUS

Yes, Jesus loves me,
 Yes, Jesus loves me,
 Yes, Jesus loves me,
 The Bible tells me so.

Jesus loves me! He who died,
 Heaven's gates to open wide;
 He will wash away my sin,
 Let His little child come in.

Jesus loves me! Loves me still.
 Though I'm very weak and ill;
 From His shining throne on high,
 Comes to watch me where I lie.

16**FAITH OF OUR
FATHERS**

Key F

Faith of our fathers! Living still,
 In spite of dungeon, fire and
 sword;
 O how our hearts beat high with
 joy,
 Whene'er we hear that glorious
 Word!

CHORUS

Faith of our fathers, holy faith!
 We will be true to thee till death!

Our fathers, chained in prisons
 dark,
 Were still in heart and conscience
 free;
 How sweet would be their
 children's fate,
 If they like them, could die for thee!

Faith of our fathers! We will love
 Both friend and foe in all our strife;
 And preach thee too as love
 knows how,
 By kindly words and virtuous life!

17**I NEED THEE EVERY
HOUR**

Key G

I need Thee every hour,
 Most gracious Lord;
 No tender voice like Thine
 Can peace afford.

CHORUS

I need Thee, O I need Thee;
 Ev'ry hour I need Thee!
 O bless me now, my Saviour,
 I come to Thee!

I need Thee every hour,
 Stay Thou nearby;
 Temptations lose their pow'r
 When Thou art nigh.

I need Thee every hour,
 In joy or pain;
 Come quickly and abide,
 Or life is vain.

I need Thee every hour,
 Most Holy One;
 O make me Thine indeed,
 Thou blessed Son.

18

**GOD LEADS US
ALONG**

Key C

In shady, green pastures, so rich
and so sweet,
God leads His dear children along;
Where the water's cool flow bathes
the weary one's feet,
God leads His dear children along.

CHORUS

Some through the waters, some
through the flood,
Some through the fire, but all
through the blood;
Some through great sorrow, but
God gives a song,
In the night season and all the day
long.

Sometimes on the mount where
the sun shines so bright,
God leads His dear children along;
Sometimes in the valley in the
darkest of night,
God leads His dear children along.

Tho' sorrows befall us, and Satan
oppose,
God leads His dear children along;
Through grace we can conquer,
defeat all our foes,
God leads His dear children along.

Away from the mire, and away
from the clay,
God leads His dear children along;
Away up in glory, eternity's days,
God leads His dear children along.

19

AS THE MOUNTAINS

Key Bm

As the mountains are around }
Jerusalem; }
The Lord is all around His people}2x

CHORUS

From this time forth forevermore,
The Lord is all around His people.
From this time forth it shall always
be, The Lord is
all around His people.

As Mt. Zion in the midst of }
Jerusalem }
We shall not be moved.}2x }2x

20

**HAVE I DONE MY
BEST**

Key F

I wonder, have I giv'n my best to
Jesus,
Who died upon the cruel tree?
To think of His great sacrifice at
Calvary,
I know my Lord expects the best
from me.

CHORUS

How many are the lost that I
have lifted?
How many are the chained I've
helped to free?
I wonder, have I done my best
for Jesus,
When He has done so much for me?

The hours that I have wasted are
so many,
The hours I've spent for Christ so
few.
Because of all my lack of love for
Jesus,
I wonder if His heart is breaking
too.

I wonder, have I cared enough
for others,
Or have I let them die alone?
I might have helped a wanderer
to the Saviour;
The seed of precious Life I might
have sown.

No longer will I stay within the
valley,
I'll climb to mountain heights
above
The world is dying now for want
of someone
To tell them of the Saviour's
matchless love.

21

REMEMBER ME

Key G

Remember me, Almighty One,
Remember me, Almighty One.
Speak now to me, Almighty One,
Speak now to me, Almighty One.

22**WHEN I SEE THE BLOOD**

Key A

Christ our Redeemer died on the cross,
 Died for the sinner, paid all His due;
 Sprinkle your soul with the blood of the Lamb,
 And I will pass, will pass over you.

CHORUS

When I see the blood,
 When I see the blood,
 When I see the blood,
 I will pass, I will pass over you.

Chiefest of sinners, Jesus will save;
 All He has promised, that will He do;
 Wash in the fountain opened for sin,
 And I will pass, will pass over you.

Judgement is coming, all will be there,
 Each one receiving justly his due;
 Hide in the saving, sin-cleansing blood,
 And I will pass, will pass over you.

Oh, great compassion! O boundless love!
 O loving kindness, faithful and true!
 Find peace and shelter under the blood,
 And I will pass, will pass over you.

23**KNOW YE NOT**

Key D

Know ye not, know ye not }
 Ye are the temple? }3x
 Ye are the temple of the Holy Ghost.

Filled with grace, filled with }
 power, filled with glory. }3x
 Ye are the temple of the Holy Ghost.

24**WHAT A FRIEND**

Key D

What a friend we have in Jesus,
 All our sins and griefs to bear!
 What a privilege to carry
 Everything to God in prayer!
 O what peace we often forfeit,
 O what needless pain we bear,
 All because we do not carry
 Everything to God in prayer!

Have we trials and temptations?
 Is there trouble anywhere?
 We should never be discouraged,
 Take it to the Lord in prayer.
 Can we find a friend so faithful?
 Who will all our sorrows share?
 Jesus knows our every weakness,
 Take it to the Lord in prayer.

Are we weak and heavy laden?
 Cumbered with a load of care?
 Precious Saviour, still our refuge,
 Take it to the Lord in prayer.
 Do thy friends despise, forsake thee?
 Take it to the Lord in prayer;
 In His arms He'll take and shield thee,
 Thou wilt find a solace there.

25**LET ME WALK WITH YOU**

Key D

I've been on the mountain with Jesus,
 And I've been in this valley so low;
 But never one time has He failed me,
 To Him with my troubles I go.

CHORUS

Let me walk with You Jesus,
 Don't ever leave me alone,
 For without You I could never,
 No never make heaven my home.

You found me when I was so lonely,
 You found me when I was so blue,
 You found me when no one would love me,
 And no one knew just what to do.

Thou, my everlasting portion,
More than friend or life to me,
All along my pilgrim journey,
Saviour let me walk with Thee.
Close to Thee, close to Thee,
Close to Thee, close to Thee;
All along my pilgrim journey,
Saviour let me walk with Thee.

Not for ease or worldly pleasure,
Nor for fame my prayer shall be;
Gladly will I toil and suffer,
Only let me walk with Thee.
Close to Thee, close to Thee,
Close to Thee, close to Thee;
Gladly will I toil and suffer,
Only let me walk with Thee.

Lead me through the vale of
shadows,
Bear me o'er life's fitful sea;
Then the gate of life eternal,
May I enter, Lord, with Thee.
Close to Thee, close to Thee,
Close to Thee, close to Thee;
Then the gate of life eternal
May I enter, Lord, with Thee.

Oh Lord, please use me,
And don't refuse me,
For surely there's a work that I
must do,
Though it makes me ever so humble,
Help my poor heart to crumble,
And though the cost be great,
I'll work for you.

You're the Lily of my Valley,
You're my Bright and Morning Star,
You're the Fairest of Ten
Thousand to my soul,
You're the Beautiful Rose of
Sharon,
You're my all and all in all,
And most of all,
You're my soon coming King.

On a hill far away stood an old
rugged cross,
The emblem of suffering and
shame,
And I love that old cross where
the dearest and best,
For a world of lost sinners was
slain.

CHORUS

So I'll cherish the old rugged
cross,
Till my trophies at last I lay down;
I will cling to the old rugged
cross,
And exchange it some day for a
crown.

Oh, that old rugged cross, so
despised by the world,
Has a wondrous attraction for
me;
For the dear Lamb of God left
His glory above,
To bear it to dark Calvary.

In the old rugged cross, stained
with blood so divine,
A wondrous beauty I see.
For 'twas on that old cross
Jesus suffered and died,
To pardon and sanctify me.

To the old rugged cross I will ever
be true,
Its shame and reproach gladly
bear;
Then He'll call me some day to my
home far away,
Where His glory forever I'll share.

I just came to praise the Lord,
I just came to praise the Lord,
I just came to praise His holy
name,
I just came to praise the Lord.

Jesus, keep me near the cross,
There's a precious fountain,
Free to all, a healing stream,
Flows from Calvary's mountain.

CHORUS

In the cross, in the cross,
Be my glory ever,
Till my raptured soul shall find
Rest beyond the river.

Near the cross, a trembling soul,
Love and mercy found me;
There the Bright and Morning Star
Sheds its beams around me.

Near the cross! O Lamb of God,
Bring its scenes before me;
Help me walk from day to day,
With its shadows over me.

Near the cross I'll watch and wait,
Hoping, trusting, ever,
Till I reach the golden strand,
Just beyond the river.

The Blood that Jesus shed for me,
Way back on Calvary;
The Blood that gives me strength
from day to day,
It shall never lose its power.

CHORUS

It reaches to the highest
mountain,
And it flows to the lowest valley;
The Blood that gives me strength
from day to day,
It shall never lose its power.

It soothes my doubts and calms
my fears,
And it dries all my tears;
The Blood that gives me strength
from day to day,
It shall never lose its power.

I have heard of a land on the far
away strand,
'Tis a beautiful home of the soul;
Built by Jesus on high, there we
never shall die,
'Tis a land where we'll never grow old.

CHORUS

Never grow old, never grow old,
In a land where we'll never grow
old;
Never grow old, never grow old,
In a land where we'll never grow old.

In that beautiful home where we'll
nevermore roam,
We shall be in the sweet by and by;
Happy praise to the King, through
eternity sing,
'Tis a land where we never shall die.

When our work here is done and
the life - crown is won,
And our troubles and trials are o'er,
All our sorrows will end, and our
voices will blend,
With the loved ones who've gone
on before.

Surely goodness and mercy
Shall follow me,
All the days,
All the days of my life.
Surely goodness and mercy
Shall follow me all the days,
All the days of my life.
And I shall dwell in the House of
the Lord forever,
And I shall feast at the table
spread for you and me,
Surely goodness and mercy
Shall follow me all the days,
All the days of my life.

34**PASS ME NOT O
GENTLE SAVIOUR**

Key F

Pass me not, O gentle Saviour,
Hear my humble cry;
While on others Thou art calling,
Do not pass me by.

CHORUS

Saviour, Saviour,
Hear my humble cry;
While on others Thou art calling,
Do not pass me by.

Let me at Thy throne of mercy
Find a sweet relief;
Kneeling there in deep contrition,
Help my unbelief.

Trusting only in Thy merit,
Would I seek Thy face;
Heal my wounded, broken spirit,
Save me by Thy grace.

Thou the Spring of all my comfort,
More than life to me,
Whom have I on earth beside Thee?
Whom in heaven but Thee?

35**BLEST BE THE TIE
THAT BINDS**

Key F

Blest be the tie that binds,
Our hearts in Christian love;
The fellowship of kindred minds
Is like to that above.

Before our Father's throne,
We pour our ardent prayers;
Our fears, our hopes, our aims
are one,
Our comforts and our cares.

We share our mutual woes,
Our mutual burdens bear;
And often for each other flows
The sympathizing tear.

When we asunder part,
It gives us inward pain;
But we shall still be joined in
heart,
And hope to meet again.

36**JESUS BREAKS
EVERY FETTER**

Key F

I am now on the altar, }3x
Which was made for me.

CHORUS

Jesus breaks every fetter, }3x
For He sets me free!
(I will ever, ever praise Him.)
(I will give God the glory.....)
(I will shout Hallelujah)

I will never doubt my Saviour, }3x
For He cleanses me.

I will rest on His promise, }3x
Which is given to me.

On the other side of Jordan,
In the sweet fields of Eden
Where the Tree of Life is blooming,
There is rest for me.

37**FRIENDSHIP WITH
JESUS**

Key C

A friend of Jesus, O, what bliss,
That one so vile as I
Should ever have a friend like this
To lead me to the sky.

CHORUS

Friendship with Jesus,
Fellowship divine,
O what blessed, sweet communion,
Jesus is a friend of mine.

A friend when other friendships cease,
A friend when others fail,
A friend who gives me joy and peace,
A friend when foes assail.

A friend when sickness lays me low,
A friend when death draws near,
A friend as thru the vale I go,
A friend to help and cheer.

A friend when life's short race is o'er,
A friend when earth is past,
A friend to meet on Heaven's shore,
A friend when home at last.

The great Physician now is near,
The sympathizing Jesus,
He speaks the drooping heart to cheer,
Oh, hear the voice of Jesus.

CHORUS

Sweetest note in seraph song,
Sweetest name on mortal tongue;
Sweetest carol ever sung,
Jesus, blessed Jesus.

Your many sins are all forgiven,
Oh, hear the voice of Jesus;
Go on your way in peace to heaven,
And wear a crown with Jesus.

All glory to the dying Lamb!
I now believe in Jesus;
I love the blessed Saviour's name,
I love the name of Jesus.

His name dispels my guilt and fear,
No other name but Jesus;
O how my soul delights to hear
The charming name of Jesus.

I hear the Saviour say,
"Thy strength indeed is small,
Child of weakness, watch and pray,
Find in me thine all in all."

CHORUS

Jesus paid it all,
All to Him I owe;
Sin had left a crimson stain;
He washed it white as snow.

Lord, now indeed I find,
Thy power and Thine alone,
Can change the leper's spots,
And melt the heart of stone.

Since nothing good have I
Whereby Thy grace to claim,
I'll wash my garments white,
In the blood of Calvary's Lamb.

On the Cross crucified, in great
sorrow He died;
The Giver of life was He.
Yet my Lord was despised and
rejected of men,
This Jesus of Calvary.

CHORUS

He was wounded for our
transgressions,
He was bruised for our iniquities;
Surely He bore our sorrows,
And by His stripes we are healed.

Price for healing was paid,
As those cruel stripes were made,
Within Pilate's judgement hall,
Now His suffering affords perfect
healing for all,
This wonderful Healer's mine.

Came the leper to Christ, saying
"Surely I know,
That Thou, Lord, can'st make me
whole."
When His great faith was seen,
Jesus said, "Yes I will!"
And touched him and made him
clean.

He has healed my sick soul,
Made me every whit whole,
And He'll do the same for you.
He's the same yesterday and
today and forever,
This Healer of men today.

Come my brother come;
Come my sister too,
Come run into the storehouse,
A double portion awaits you;
Bring your earthen vessels
Refill them again and again,
All other barns are empty,
Only Joseph's barn has grain.

I just came to love the Lord,
I just came to love the Lord,
I just came to love His holy name,
I just came to praise the Lord.

Nearer my God to Thee,
Nearer to Thee;
Even though it be a cross
That raiseth me;
Still all my song shall be,
Nearer, my God, to Thee,}2x
Nearer, to Thee.

Though like a wanderer,
The sun gone down,
Darkness be over me,
My rest a stone;
Yet in my dreams I'd be
Nearer, my God, to Thee,}2x
Nearer, to Thee.

There let the way appear,
Steps unto heaven;
All that Thou sendest me,
In mercy given;
Angels to beckon me
Nearer, my God, to Thee,}2x
Nearer, to Thee.

Then with my waking thoughts,
Bright with thy praise,
Out of my stony griefs
Bethel I'll raise;
So by my woes to be
Nearer, my God, to Thee,}2x
Nearer, to Thee.

Or if on joyful wing,
Cleaving the sky,
Sun, moon, and stars forgot,
Upward I fly;
Still all my song shall be
Nearer, my God to Thee,}2x
Nearer, to Thee.

I am so needy, Lord,
So needy of you,
I am so needy, Lord,
To be more like you;
Shear all my rights away
In this world of sin,
I am so needy, Lord, make me
pure within.

Fear not, little flock, from the cross
to the throne,
From death into life He went for
His own;
All power in earth, all power above,
Is given to Him for the flock of His
love.

CHORUS

Only believe, only believe,
All things are possible, only believe;
Only believe, only believe,
All things are possible, only believe.
(Lord, I believe ...)
(Lord, I receive ...)
(Jesus is here)

Fear not, little flock, He goeth ahead,
Your Shepherd selecteth the path
you must tread;
The waters of Marah He'll sweeten
for thee,
He drank all the bitter in
Gethsemane.

Fear not, little flock, whatever your
lot,
He enters all rooms, "the doors
being shut;"
He never forsakes, He never is gone,
So count on His presence in
darkness and dawn.

I will rejoice and praise }
the name of Jesus; }
To praise you brings }
joy to my soul. }2x
I will rejoice because your blood
has purchased my salvation,
I will rejoice because Your Spirit
dwells in me,
I will rejoice because my name has
been written down in heaven,
I will rejoice because I'll reign with
You throughout eternity.

Rock of Ages, cleft for me,
 Let me hide myself in Thee;
 Let the water and the blood,
 From Thy wounded side which
 flowed
 Be of sin the double cure,
 Save from wrath and make me
 pure.

Could my tears forever flow,
 Could my zeal no languor know,
 These for sin could not atone,
 Thou must save, and Thou alone.
 In my hand no price I bring,
 Simply to Thy cross I cling.

While I draw this fleeting breath,
 When my eyes shall close in death,
 When I rise to worlds unknown,
 And behold Thee on Thy throne,
 Rock of Ages, cleft for me,
 Let me hide myself in Thee.

Just as I am, without one plea,
 But that Thy blood was shed for me,
 And that Thou bid'st me come to
 Thee,
 O Lamb of God, I come! I come!

Just as I am, and waiting not
 To rid my soul of one dark blot,
 To Thee, whose blood can cleanse
 each spot,
 O Lamb of God, I come! I come!

Just as I am, Thou wilt receive,
 Wilt welcome, pardon, cleanse,
 relieve;
 Because Thy promise I believe,
 O Lamb of God, I come! I come!

Just as I am, Thy love unknown
 Hath broken every barrier down;
 Now to be Thine, yea, Thine alone,
 O Lamb of God, I come! I come!

Time's clock is striking the hour,
 Jesus will soon descend,
 Clothed in the garments of
 power,
 The reign of sin to end.
 Then will this anthem be ringing
 Like to a mighty flood,
 Then 'round the throne we'll be
 singing,
 Glory and praise to God.

CHORUS

Glory, glory to God!
 Thus will the ransomed sing;
 Glory, glory to God,
 The everlasting King!
 Praise Him, alleluia!
 To that eternal sphere
 We are waiting for our
 translating;
 The time is near.

In those bright mansions supernal,
 Death cannot enter there;
 Ages on ages eternal
 His likeness we shall bear.
 There will the once broken hearted
 Rest in the spirit know;
 Sorrow forever departed,
 Gladness shall overflow.

Sighing forever is ended,
 Foes shall oppress no more;
 Voices in worship are blended
 To Him whom all adore.
 Bathed in the light soft and tender,
 Sealed for eternity,
 Praise to the Lamb we will render
 Worthy of praise is He.

Beautiful, wonderful story!
 Jesus Himself the light;
 There in the kingdom of glory
 Never shall fall the night.
 Now I am singing of heaven,
 While here I wage the strife;
 Then will the victors be given
 Crowns of eternal life.

49**IS YOUR ALL ON THE ALTAR**

Key D

You have longed for sweet peace,
 And for faith to increase;
 And have earnestly, fervently prayed:
 But you cannot have rest,
 Or be perfectly blest
 Until all on the altar is laid.

CHORUS

Is your all on the altar of sacrifice laid?
 Your heart, does the Spirit control?
 You can only be blest
 And have peace and sweet rest;
 As you yield Him your body and soul.

Would you walk with the Lord,
 In the light of His Word,
 And have peace and contentment always?
 You must do His sweet will,
 To be free from all ill;
 On the altar your all you must lay.

Oh, we never can know
 What the Lord will bestow
 Of the blessings for which we have prayed;
 Till our body and soul
 He doth fully control;
 And our all on the altar is laid.

Who can tell all the love
 He will send from above,
 And how happy our hearts will be made,
 Of the fellowship sweet we shall share at His feet;
 When our all on the altar is laid?

50**LORD I NEED YOU RIGHT NOW**

Key F

Lord, I need you right now,
 Oh Lord, I need you right now,
 I want all of my life in your keeping somehow,
 Oh Lord, I need you right now.

51**GOD WILL TAKE CARE**

Key G

Be not dismayed what e'er betide;
 God will take care of you.
 Beneath His wings of love abide,
 God will take care of you.

CHORUS

God will take care of you,
 Through every day,
 O'er all the way,
 He will take care of you,
 God will take care of you.

Through days of toil when heart doth fail,
 God will take care of you.
 When dangers fierce your path assail,
 God will take care of you.

All you may need He will provide.
 God will take care of you.
 Nothing you ask will be denied,
 God will take care of you.

No matter what may be the test,
 God will take care of you.
 Lean, weary one, upon His breast,
 God will take care of you.

52**VICTORY IS MINE**

Key F

Victory is mine,
 Victory is mine,
 Victory today is mine.
 I told Satan, "Get thee behind,"
 Victory today is mine.

When I rose this morning,
 I didn't have any doubt;
 I knew that the Lord would bring me out,
 So I got down on my knees,
 And said "Lord if you please,"
 I got up praising and shouting the victory.

Joy is mine...Peace is mine...

I am Thine, O Lord, I have heard
Thy voice,
And it told Thy love to me;
But I long to rise in the arms of
faith,
And be closer drawn to Thee.

CHORUS

Draw me nearer, nearer, blessed
Lord,
To the cross where Thou hast
died;
Draw me nearer, nearer, blessed
Lord,
To Thy precious, bleeding side.

Consecrate me now to Thy
service, Lord,
By the power of grace divine;
Let my soul look up with a
steadfast hope,
And my will be lost in Thine.

Oh, the pure delight of a single hour
That before Thy throne I spend,
When I kneel in prayer and with
Thee, my God,
I commune as friend with friend.

There are depths of love that I
cannot know,
Till I cross the narrow sea,
There are heights of joy that I may
not reach,
Till I rest in peace with Thee.

Give thanks with a grateful heart, }
Give thanks to the Holy One, }
Give thanks for He has given }
Jesus Christ His son. }2x

And now let the weak say I am
strong,
Let the poor say I am rich,
Because of what the Lord has
done for us.

And now let the weak say I am
strong,
Let the poor say I am rich,
Because of what the Lord has
done for us, give thanks.

On the day of Pentecost,
A mighty rushing wind
Flew into the upper room
And baptized all within.

CHORUS

Greater is He that is in me, }3x
Than He that is in the world.

Satan, like a roaring lion,
Roaming to and fro,
Seeking whom he may devour,
The Bible tells me so.

Many souls have been his prey,
To fall in some weak hour,
But God has promised us today,
Overcoming power.

With a power greater than
Any earthly foe,
And I'm so glad I've got it too,
I'm gonna let the whole world know.

It is all over me and it's keeping
me alive,
Keeping me alive, keeping me
alive.
It is all over me and it's keeping
me alive,
Jesus is keeping me alive.

The Devil doesn't like it but it's
keeping me alive, keeping me
alive,
Keeping me alive,
The Devil doesn't like it but it's
keeping me alive,
Jesus is keeping me alive.

It's the Holy Ghost and Fire and
it's keeping me alive, keeping me
alive,
Keeping me alive.
It's the Holy Ghost and fire and it's
keeping me alive,
Jesus is keeping me alive.

Teach me, Lord, to wait down on
my knees,
Till in Your own good time you
answer my pleas;
Teach me not to rely on what
others do,
But to wait in prayer for an answer
from you.

CHORUS

They that wait upon the Lord, shall
renew their strength,
They shall mount up with wings as
an eagle,
They shall run and not be weary,
they shall walk and not faint;
Teach me, Lord, teach me, Lord,
to wait.

Teach me, Lord, to wait while
hearts are aflame,
Help me humble my pride and call
on Your Name;
Keep my faith renewed, keep my
eyes on Thee,
Help me be on this earth what you
want me to be.

It's my desire to live for Jesus;
It's my desire to live for Him;
Tho' often I've failed Him and
brought Him much shame,
It's my desire to live for Him.

CHORUS

If you could see
Where Jesus brought me from
To where I am today,
Then you would know the reason
why I love Him so.
Now you can take the world's
wealth and riches,
I don't need earth's fame,
It's my desire to live for Him!

It's my desire to help someone
today,
Someone who have failed to see
the way;
I, too, was lost so long,
But I found my way back to God;
It's my desire to live for Him.

Sweet hour of prayer, sweet hour
of prayer,
That calls me from a world of care,
And bids me at my Father's throne,
Make all my wants and wishes
known;
In seasons of distress and grief,
My soul has often found relief,
And oft escaped the tempter's snare,
By thy return, sweet hour of prayer.

Sweet hour of prayer, sweet hour
of prayer,
The joy I feel, the bliss I share,
Of those whose anxious spirits burn
With strong desires for thy return!
With such I hasten to the place
Where God, my Saviour, shows
His face,
And gladly take my station there,
And wait for thee, sweet hour of
prayer.

Sweet hour of prayer, sweet hour
of prayer,
Thy wings shall my petition bear
To Him whose truth and
faithfulness
Engage the waiting soul to bless;
And since He bids me seek His face,
Believe His Word and trust His
grace,
I'll cast on Him my every care,
And wait for thee, sweet hour of
prayer.

I love the thrill that I feel }
When I get together with }
God's wonderful people. }2x
What a sight just to see
All the happy faces,
Praising God in Heavenly Places.
What a thrill that I feel
When I get together with
God's wonderful people.

Search me, O God, and know my heart today;
 Try me, O Saviour, know my thoughts, I pray;
 See if there be some wicked way in me;
 Cleanse me from every sin, and set me free.

I praise Thee Lord, for cleansing me from sin;
 Fulfil Thy Word, and make me pure within;
 Fill me with fire, where once I burned with shame;
 Grant my desire to magnify Thy Name.

Lord, take my life, and make it wholly Thine;
 Fill my poor heart with Thy great love divine;
 Take all my will, my passion, self and pride;
 I now surrender; Lord, in me abide.

O Holy Ghost, revival comes from Thee;
 Send a revival, start the work in me;
 Thy Word declares Thou wilt supply our need;
 For blessing now, O Lord, I humbly plead.

Pour out Your Spirit in this place,
 Pour out Your Spirit in this place
 That we might see your power,
 And we might know your grace.
 Pour out Your spirit in this place,
 Pour out Your spirit in this place.

Cleanse us, keep us, renew us by your blood,
 Have your way within us,
 And fill us with Your Love.
 Pour out Your Spirit in this place,
 Pour out Your spirit in this place.

Noah had drifted
 On the floods many days,
 He searched for land
 In various ways;
 Troubles he had some,
 But not from above,
 God gave him His sign
 On the wings of a dove.

CHORUS

On the wings of a snow-white dove,
 God sends down His pure sweet love,
 A sign from above,
 On the wings of a dove.

Jesus, our Saviour
 Came to earth one day;
 He was born in a stable,
 In a manger of hay;
 Though here rejected,
 But not from above,
 God gave us His sign
 On the wings of a dove.

Though I have suffered
 In many a way,
 I cried for healing
 Both night and day;
 Faith wasn't forgotten
 By the Father above,
 He gave me His sign
 On the wings of a dove.

Jesus, Jesus, Jesus,
 There's just something about that Name.
 Master, Saviour, Jesus,
 Like the fragrance after the rain.
 Jesus, Jesus, Jesus,
 Let all heaven and earth proclaim;
 Kings and kingdoms will all pass away,
 But there's something about that Name.

When I survey the wondrous cross
On which the Prince of glory died,
My richest gain I count but loss,
And pour contempt on all my pride.

Forbid it, Lord, that I should boast,
Save in the death of Christ, my God;
All the vain things that charm me
most,
I sacrifice them to His blood.

See, from His head, His hands,
His feet,
Sorrow and love flow mingled
down;
Did e'er such love and sorrow meet?
Or thorns compose so rich a crown?

Were the whole realm of nature
mine,
That were a present far too small;
Love so amazing, so divine,
Demands my soul, my life, my all!

I will bless the Lord at all times,
His praise will continue in my
mouth;
I will make my boast in the Lord,
So let the humble and the afflicted
hear and be glad.

CHORUS

Magnify the Lord with me,
Let us exalt His name together,
O come and magnify the Lord with
me,
Let us exalt His name together.

Taste and see that the Lord is
good,
And blessed is the man who trusts
in Him,
Oh worship the Lord, you His saints,
There is no want to those who truly
worship Him.

All to Jesus I surrender,
All to Him I freely give;
I will ever love and trust Him,
In His presence daily live.

CHORUS

I surrender all,
I surrender all,
All to Thee, my blessed Saviour,
I surrender all.

All to Jesus I surrender,
Humbly at His feet I bow,
Worldly pleasures all forsaken,
Take me, Jesus, take me now.

All to Jesus I surrender,
Make me, Saviour, wholly Thine;
Let me feel the Holy Spirit,
Truly know that Thou art mine.

All to Jesus I surrender,
Lord, I give myself to Thee;
Fill me with Thy love and power,
Let Thy blessing fall on me.

All to Jesus I surrender,
Now I feel the sacred flame;
Oh, the joy of full salvation!
Glory, glory to His name!

I will enter His gates with
thanksgiving in my heart,
I will enter His courts with praise;
I will say this is the day that the
Lord hath made,
I will rejoice for He hath made me
glad.

He hath made me glad,
He hath made me glad,
I will rejoice for He hath made me
glad;
He hath made me glad,
He hath made me glad,
I will rejoice for He hath made me
glad.

He left His splendour of heaven,
Knowing His destiny
Was the lonely hill of Golgotha,
There to lay down His life for me.

CHORUS

If that isn't love, the ocean is dry,
There're no stars in the sky,
And the sparrows can't fly,
If that isn't love, then heaven's a myth;
There's no feeling like this,
If that isn't love.

Even in death He remembered,
The thief hanging by His side,
Then He spoke with love and compassion,
Then took him to paradise.

Amazing grace shall always be my
song of praise.

For it was grace that bought my
liberty.

I do not know just how He came to
love me so;

He looked beyond my faults and
saw my needs.

CHORUS

I shall forever lift my eyes to
Calvary;
To view the Cross where Jesus
died for me,
How marvellous! The grace, that
caught my fallen soul;
He looked beyond my faults and
saw my needs.

It was God's grace that brought
me out of darkness,
And to the light where I can clearly
see,
I'll shout it from the mountains and
the valleys;
He looked beyond my faults and
saw my needs.

Where He may lead me I will go,
For I have learned to trust Him
so,
And I remember 'twas for me,
That He was slain on Calvary.

CHORUS

Jesus shall lead me night and day,
Jesus shall lead me all the way,
He is the truest Friend to me,
For I remember Calvary.

O I delight in His command,
Love to be led by His dear hand;
His divine will is sweet to me,
Hallowed by blood-stained
Calvary.

Onward I go no doubt nor fear,
Happy with Christ my Saviour
near;
Trusting that I someday shall see,
Jesus my Friend of Calvary.

I've been redeemed }
By the blood of the Lamb. }3x
Safe and sanctified I am
All my sins are under the blood,
I've been redeemed.

If you have love }
And you want more }3x
Shout Hallelujah Praise the Lord!
All my sins are under the blood
I've been redeemed.

And that's not all, }
There's more besides, }3x
I've been to the river and I've been
baptized.
All my sins are under the blood,
I've been redeemed.

You can talk about me }
Any how you please, }3x
I'll talk about you down on my
knees.
All my sins are under the blood
I've been redeemed.

When Jacob met the Lord
Upon that lonely night,
And wrestled there alone
Until the morning light;
He won a princely title
To gird him for the right;
I want that kind of blessing.

CHORUS

I want, I want that kind of
blessing,
That saves and keeps, and
satisfies the soul;
I want, I want that full salvation
'Til billows of heaven o'er me roll.

When Israel at last came
Into Canaan's land,
The Lord His riches gave
So full on every hand;
They drove their foes before
them
And dwelt a happy band,
I want that kind of blessing.

This is the day of grace,
The Comforter is here,
We are a chosen race,
Our God is drawing near.
He's waiting to be gracious
The prayer of faith to hear,
And then He'll send the blessing.

I like the old time singing,
shouting,
I like the old time way.
I like the old time singing,
shouting, preaching, praying,
I like the old time way.

I will sing of my Redeemer all
along the way,
Amen, amen, amen, amen,
I will sing of my redeemer all along
the way,
For there's joy, joy in my soul.

Marching on in the light of God,
Marching on, I am marching on;
Up the path that the Master trod,
Marching, marching on.

CHORUS

A robe of white, a crown of gold,
A harp, a home, a mansion fair,
A victor's palm, a joy untold,
Are mine when I get there.

Marching on thro' the hosts of sin,
Marching on, I am marching on;
Victory's mine, while I've Christ
within,
Marching, marching on.

Marching on while the sceptics
sneer,
Marching on, I am marching on;
Perfect love casteth out all fear,
Marching, marching on.

Marching on with the flag unfurled,
Marching on, I am marching on;
Preaching Christ to the dying world,
Marching, marching on.

Lord, Lord, Lord, }
You've surely been good to me } 3x
You have done what this world
could not do.

You saved my soul when I was }
lost }
You've surely been good to me; } 3x
You have done what this world
could not do.

You filled me with the Holy Ghost, }
You've surely been good to me; } 3x
You have done what this world
could not do.

You healed my body when }
I was sick, }
You've surely been good to me; } 3x
You have done what this world
could not do.

More about Jesus would I know,
More of His grace to others show;
More of His saving fullness see,
More of His love who died for me.

CHORUS

More, more about Jesus,
More, more about Jesus,
More of His saving fullness see,
More of His love who died for me.

More about Jesus, let me learn,
More of His holy will discern,
Spirit of God my teacher be,
Showing the things of Christ to me.

More about Jesus in His Word,
Holding communion with my Lord,
Hearing His voice in every line,
Making each faithful saying mine.

More about Jesus on His throne,
Riches in glory all His own,
More of His Kingdom's sure
increase,
More of His coming Prince of
Peace.

Feeling so much better talking
about this good old Way,
Feeling so much better talking
about the Lord.
Let's go on, let's go on, talking
about this good old Way,
Let's go on, let's go on, talking
about the Lord.

The devil, he don't like it, talking
about this good old Way,
The devil, he don't like it, talking
about the Lord;
So, let's go on, let's go on, talking
about this good old Way,
Let's go on, let's go on, talking
about the Lord.

To God be the glory,
Great things He hath done,
So loved He the world that He
gave us His Son,
Who yielded His Life an atonement
for sin,
And opened the Life Gate that all
may go in.

CHORUS

Praise the Lord, praise the Lord,
Let the earth hear His voice;
Praise the Lord, praise the Lord,
Let the people rejoice;
Oh, come to the Father,
Thro' Jesus the Son,
And give Him the glory,
Great things He hath done.

Oh, perfect redemption,
The purchase of blood,
To every believer the promise of
God;
The vilest offender who truly
believes,
That moment from Jesus a pardon
receives.

Great things He hath taught us,
Great things He hath done,
And great our rejoicing thro' Jesus
the Son,
But purer, and higher, and greater
will be,
Our wonder, our transport when
Jesus we see.

Oh yes, oh yes, I'm a child of the
King,
His royal blood
Now flows through my veins,
And I who was wretched and vile,
Now can see;
Praise God, praise God,
I'm a child of the King.

Deeper, deeper in the love of
Jesus
Daily let me go;
Higher, higher in the school of
wisdom,
More of grace to know.

CHORUS

O deeper yet, I pray,
And higher every day,
And wiser blessed Lord,
In Thy precious Holy Word.

Deeper, deeper! blessed Holy
Spirit,
Take me deeper still,
Till my life is wholly lost in Jesus,
And His perfect will.

Deeper, deeper! tho' it cost hard
trials,
Deeper let me go!
Rooted in the holy love of Jesus,
Let me fruitful grow.

Deeper, higher! every day in
Jesus,
Till all conflict past,
Finds me conqueror and in His
own image,
Perfected at last.

I always will love you,
I always will care;
I never will leave you,
I will always be there.

CHORUS

And my love will carry you
Higher than the strongest bird
can fly;
Further than the longest river can
flow,
My love for you I want you to
know.

I always will want you,
I always will be;
I never will fail you,
I am all you need.

Stand up, stand up for Jesus,
Ye soldiers of the cross,
Lift high His royal banner
It must not suffer loss.
From victory unto victory,
His army shall He lead,
Till every foe is vanquished,
And Christ is Lord indeed.

Stand up, stand up for Jesus,
The trumpet call obey.
Forth to the mighty conflict,
In this His glorious day.
"Ye that are men now serve Him"
Against unnumbered foes,
Let courage rise with danger,
And strength to strength oppose.

Stand up, stand up for Jesus,
Stand in His strength alone;
The arm of flesh will fail you;
Ye dare not trust your own;
Put on the gospel armour,
And watching unto prayer,
Where duty calls or danger,
Be never wanting there.

As we gather may Your Spirit
move amongst us,
As we gather may we glorify your
name;
Knowing well as our hearts begin
to worship,
We'll be blessed because we
praise your name;
We'll be blessed because we
came.

The steadfast love of the Lord
never ceases,
His mercies never come to an
end;
They are new every morning,
New every morning;
Great is thy faithfulness, oh Lord,
Great is thy faithfulness.

My Jesus, I love Thee,
I know Thou art mine,
For Thee all the follies of sin I
resign;
My gracious Redeemer, my
Saviour art Thou;
If ever I loved Thee,
My Jesus, 'tis now.

I love Thee, because Thou has
first loved me,
And purchased my pardon on
Calvary's tree;
I love Thee for wearing the
thorns on Thy brow;
If ever I loved Thee,
My Jesus, 'tis now.

I'll love Thee in life,
I will love Thee in death,
And praise Thee as long as Thou
lendest me breath;
And say when the death dew lies
cold on my brow,
If ever I loved Thee,
My Jesus, 'tis now.

In mansions of glory and endless
delight,
I'll ever adore Thee in heaven so
bright;
I'll sing with the glittering crown
on my brow,
If ever I loved Thee,
My Jesus, 'tis now.

The Holy Ghost power is }
moving just like a magnet }2x
It's moving here, it's moving there,
It's moving just about everywhere,
The Holy Ghost power is moving
just like a magnet.

The message of the hour is }
moving just like a magnet, }2x
It's moving here, it's moving there,
It's moving just about everywhere,
The message of the hour is
moving just like a magnet.

My Father is omnipotent,
And that you can't deny,
A God of might and miracles,
'Tis written in the sky.

CHORUS

It took a miracle to put the stars in
place,
It took a miracle to hang the world
in space,
But when He saved my soul,
Cleansed and made me whole,
It took a miracle of love and grace.

Though here His glory has been
shown;
We still can't fully see
The wonders of His might, His
throne;
'Twill take eternity.

The Bible tells us of His power
And wisdom all way through;
And every little bird and flower
Are testimonies too.

When I look into your holiness,
When I gaze into your loveliness,
When all things that surround me
become shadowed in the light of
you.

When I find the joy that reaches
your heart,
And my will becomes enthroned in
your love
When all things that surround me
become shadowed in the light of
you.

CHORUS

I'll worship You, I'll worship you,
The reason I live is to worship you.
I'll worship You, I'll worship you,
The reason I live is to worship you.

89**BRING YOUR
VESSELS**

Key D

Are you looking for the fullness
of the blessing of the Lord
In your heart and life today?
Claim the promise of your
Father, come according to His
word,
In the blessed old time way.

CHORUS

He will fill your heart today to
over flowing,
As the Lord commandeth you,
"Bring your vessels, not a few;"
He will fill your heart today to
overflowing,
With the Holy Ghost and power.

Bring your empty earthen vessels,
clean thro' Jesus precious blood,
Come, ye needy one and all;
And in human consecration wait
before the throne of God,
Till the Holy ghost shall fall.

Like the cruse of oil unfailing is His
grace forever more,
And His love unchanging still;
And according to His promise with
the Holy Ghost and power,
He will every vessel fill.

90**GOD'S NOT DEAD**

Key F

God's not dead, He is alive.}3x
I feel Him in my hands,
I feel Him in my feet,
I feel Him in my heart,
I feel Him all over me.

91**IN THE MIDST OF IT
ALL**

Key A

In the midst of it all,
In the midst of it all,
I've found hope
That would never let me fall.
Jesus heard my call
And in me stood tall,
Now in Him I stand complete
In the midst of it all.

92**JACOB'S LADER**

Key D

We are climbing Jacob's ladder,
We are climbing Jacob's ladder,
We are climbing Jacob's ladder,
Soldiers of the Cross.

Rise, shine, give God the glory,
Rise, shine, give God the glory,
Rise, shine, give God the glory,
Soldiers of the cross.

Every rung goes higher and higher,
Every rung goes higher and higher,
Every rung goes higher and higher,
Soldiers of the Cross.

If you love Him, why not serve Him?
If you love Him, why not serve Him?
If you love Him, why not serve Him?
Soldiers of the Cross.

93**ROOM AT THE
CROSS**

Key G

The cross upon which Jesus died
Is a shelter in which we can hide,
And its grace so free is sufficient
for me,
And deep is its fountain; as wide
as the sea.

CHORUS

There's room at the cross for you,
There's room at the cross for you,
Though millions have come,
there's still room for one,
Yes there's room at the cross for
you.

Though millions have found Him a
friend
And have turned from the sins they
have sinned,
The Saviour still waits to open the
gates,
And welcome a sinner before it's
too late.

The hand of my Saviour is strong
And the love of my Saviour is long,
Through sunshine or rain, through
loss or in gain,
The blood flows from Calv'ry to
cleanse every stain.

When my way grows drear
Precious Lord linger near,
When my life is almost gone;
Hear my cry, hear my call,
Hold my hand lest I fall,
Take my hand, precious Lord,
Lead me home.

CHORUS

Precious Lord take my hand,
Lead me on let me stand,
I am tired, I am weak, I am worn.
Through the storm, through the night,
Lead me on to the Light;
Take my hand, precious Lord,
Lead me home.

When my work here is done,
And my life crown is won,
Let me see by the Light Thou has shown
That fair city so bright,
Where the Lamb is the light,
Take my hand, precious Lord,
Lead me home.

Hear my cry oh God,
Don't turn your face away from me.
Here's my heart oh God,
May your love and mercy wash over me.
Take your truth and let it be
A river of love that flows through me,
Take these eyes and let them see
The power to heal our land,
Heal our land.

We place you on the highest place,
For you are the Great High Priest;
We place you high above all else,
And we come to you
And worship at your feet.

Waiting on the Lord, for the promise given;
Waiting on the Lord, to send from Heaven;
Waiting on the Lord, by our faith receiving;
Waiting in the upper room.

CHORUS

The power! The power!
Gives victory over sin, and purity within;
The power! The power!
The power they had at Pentecost.

Waiting on the Lord, giving all to Jesus;
Waiting on the Lord, till from sin He frees us;
Waiting on the Lord, for the heavenly breezes;
Waiting in the upper room.

Waiting on the Lord, longing to mount higher;
Waiting on the Lord, having great desire;
Waiting on the Lord, for the heavenly fire;
Waiting in the upper room.

What a mighty God we serve! }2x
What a mighty, what a mighty,
What a mighty God we serve!

Let us sing and praise the Lord.}2x
Let us sing, let us sing,
Let us sing and praise the Lord.

Let us go and preach the Word.}2x
Let us go, let us go,
Let us go and preach the Word.

99**'TIS SO SWEET TO TRUST**

Key G

'Tis so sweet to trust in Jesus,
Just to take Him at His word;
Just to rest upon His promise;
Just to know, "Thus saith the Lord."

CHORUS

Jesus, Jesus, how I trust Him!
How I've proved Him o'er and o'er!
Jesus, Jesus, precious Jesus!
O for grace to trust Him more!

O how sweet to trust in Jesus,
Just to trust His cleansing blood;
Just in simple faith to plunge me,
'Neath the healing, cleansing
flood!

Yes, 'tis sweet to trust in Jesus,
Just from sin and self to cease;
Just from Jesus simply taking,
Life and rest, and joy and peace.

I'm so glad I learned to trust Thee,
Precious Jesus, Saviour, Friend;
And I know that Thou art with me,
Wilt be with me to the end.

100**LORD I'M GONNA LOVE YOU**

Key C

My soul follows hard after Thee,
Early in the morning will I rise up
and seek Thee,
And because Thou has been my
help,
Under the shadows of Thy wings
I will rejoice.

Lord, gonna love you,
Love You Lord.
Lord, gonna love you,
Love You Lord.

Lord I'm gonna love you
With all that is in my heart,

Lord, I'm gonna follow you,
{Follow You}.....
Lord, I'm gonna worship,
{Worship You}.....

101**IF I CAN HELP SOMEBODY**

Key C

If I can help somebody as I pass
along,
If I can help somebody with a
word or song,
If I can show somebody he is
travelling wrong,
Then my living shall not be in
vain.

CHORUS

Then my living shall not be in
vain,
Then my living shall not be in
vain,
If I can help somebody as I pass
along
Then my living shall not be in
vain.

If I can do my duty as a Christian
ought,
If I can bring back beauty
To a world of wrath,
If I can spread God's message
As the Master taught,
Then my living shall not be in
vain.

102**SWEET HOLY SPIRIT**

Key C

There's a sweet, sweet Spirit in
this place, And I know that it's the
Spirit of the Lord;
There are sweet expressions on
each face,
And I know they feel the presence
of the Lord.

Sweet Holy Spirit,
Sweet Heavenly Dove,
Stay right here with us,
Filling us with Your Love;
And for each blessing,
We lift our hands in praise;
Without a doubt we know
That we have been revived
When we shall leave this place.

103**WE ARE FREE**

Key C

We are free to praise you,
We are free to praise you,
We are free to praise You, Lord.
We are free to love you...
We are free to serve you...

Oh the judgement day is coming,
What an awful day 'twill be,
Christ forever is my refuge,
Rock of ages cleft for me.

CHORUS

Oh, my loving brother,
When the world's on fire,
Don't you want God's bosom
To be your pillow?
Hide me over in the Rock of ages;
Rock of ages cleft for me.

At the sounding of the trumpet,
At the dawning of the day,
Worldly pleasures with their
treasures
Shall forever pass away.

Poor lost sinners will be crying
For the home they'll never see,
But the ransomed will be singing
Rock of ages, cleft for me.

Don't you know it's time to praise
the Lord
In the sanctuary of His Holy Spirit?
So set your mind on Him
And let your praise begin,
And the glory of the Lord will fill
this place.
Praise the Lord, {Praise the Lord.}
Praise the Lord, {Praise the Lord.}

He lives within the praises of His
people,
He loves to hear you call upon His
name,
So set your mind on Him
And let your praise begin,
And the glory of the Lord will fill
this place.
Praise the Lord, {Praise the Lord.}
Praise the Lord, {Praise the Lord.}

I've believed the true report,
Hallelujah to the Lamb!
I have passed the outer court,
O glory be to God!
I am all on Jesus' side,
On the altar sanctified,
To the world and sin I've died,
Hallelujah to the Lamb!

CHORUS

Hallelujah! Hallelujah!
I have passed the riven veil,
Where the glories never fail,
Hallelujah! Hallelujah!
I am living in the presence of the
King.

I'm a king and priest to God,
Hallelujah to the Lamb!
By the cleansing of the blood,
O glory be to God!
By the Spirit's power and light,
I am living day and night,
In the holiest place so bright,
Hallelujah to the Lamb!

I have passed the outer veil,
Hallelujah to the Lamb!
Which did once God's light conceal,
O glory be to God!
But the blood has brought me in,
To God's holiness so clean,
Where there's death to self and sin,
Hallelujah to the Lamb!

I'm within the holiest pale,
Hallelujah to the Lamb!
I have passed the inner veil,
O glory be to God
I am sanctified to God,
By the power of the blood,
Now the Lord is my abode,
Hallelujah to the Lamb!

I can, I will, I do believe;
I can, I will, I do believe;
I can, I will, I do believe;
That Jesus heals me now.

O! To be like Thee, blessed
 Redeemer,
 This is my constant longing and
 prayer;
 Gladly I'll forfeit all of earth's
 treasures,
 Jesus, Thy perfect likeness to
 wear.

CHORUS

O! To be like Thee, O! To be like
 Thee
 Blessed Redeemer, pure as Thou
 art;
 Come in Thy sweetness,
 Come in Thy fullness;
 Stamp Thine own image deep on
 my heart.

O! To be like Thee, full of
 compassion,
 Loving, forgiving, tender and kind,
 Helping the helpless, cheering the
 fainting,
 Seeking the wandering sinner to
 find.

O! To be like Thee, lowly in spirit,
 Holy and harmless, patient and
 brave;
 Meekly enduring cruel
 reproaches,
 Willing to suffer, others to save.

O! To be like Thee, Lord, I am
 coming,
 Now to receive the anointing
 divine,
 All that I am and have I am
 bringing,
 Lord, from this moment all shall
 be Thine.

O! To be like Thee, while I am
 pleading,
 Pour out Thy Spirit, fill with Thy
 love.
 Make me a temple meet for Thy
 dwelling,
 Fit me for life and Heaven above.

Let the dew of Heaven fall upon
 my thirsty soul,
 Let the dew of Heaven fall on
 me.
 Blessed Holy Spirit come and
 take complete control,
 Let the dew of heaven fall on me.

O spread the tidings 'round,
 wherever man is found,
 Wherever human hearts and
 human woes abound;
 Let every Christian tongue
 Proclaim the joyful sound;
 The Comforter has come!

CHORUS

The Comforter has come!}2x
 The Holy Ghost from Heaven,
 The Father's promise given;
 O spread the tidings 'round,
 Wherever man is found
 The Comforter has come!

The long, long night is past,
 The morning breaks at last,
 And hushed the dreadful wail
 and fury of the blast,
 As o'er the golden hills
 The day advances fast!
 The Comforter has come!

Lo, the great King of Kings,
 With healing in His wings,
 To every captive soul,
 A full deliverance brings;
 And thro' the vacant cells,
 The song of triumph rings;
 The Comforter has come!

O boundless love divine!
 How shall this tongue of mine
 To wondering mortals tell,
 The matchless grace divine;
 That I, a child of hell,
 Should in His image shine!
 The Comforter has come!

111 KEEP ME TRUE

Key C

Keep me true, Lord Jesus, }
Keep me true, }2x
There's a race that I must run,
There are victories to be won,
Give me power every hour to be true.
I'll be true...

112 TAKE MY LIFE LET IT BE

Key D

Take my life and let it be,
Consecrated, Lord, to Thee.
Take my moments and my days,
Let them flow in ceaseless praise.

Take my hands and let them move,
At the impulse of Thy love.
Take my feet and they will be,
Swift and beautiful for Thee.

Take my voice and let me sing,
Always only for my King.
Take my lips and let them be,
Filled with messages from Thee.

Take my silver and my gold,
Not a mite will I withhold.
Take my intellect and use,
Every power as Thou shalt choose.

Take my will and make it Thine,
It shall be no longer mine.
Take my heart, it is Thine own,
It shall be Thy royal throne.

Take my love my Lord I pour,
At Thy feet its treasure store.
Take myself and I will be,
Ever, only, all for Thee.

113 SALVATION AND GLORY

Key F

Salvation, Honour and Glory; }
And power belongs to our God}2x

His name is Jesus, }
Oh my Jesus, }
Jesus Christ our Lord. }2x

Alleluia, Alleluia, Alleluia! }2x

114 THE KING OF LOVE

Key F

The King of love my Shepherd is,
Whose goodness faileth never;
I nothing lack if I am His,
And He is mine forever.

Where streams of living waters flow.

My ransomed soul He leadeth,
And where the verdant pastures grow,
With food celestial feedeth.

Perverse and foolish oft I strayed,
But yet in love He sought me,
And on His shoulder gently laid,
And home rejoicing brought me.

In death's dark vale I'll fear no ill,
With Thee dear Lord beside me;
Thy rod and staff my comfort still,
Thy Cross before to guide me.

And so thro' all the length of days,
Thy goodness faileth never;
Good Shepherd may I sing Thy praise,
Within Thy house forever.

115 HE'S CHANGING ME

Key D

From glory to glory He's changing me
Changing me, changing me
His likeness and image too perfect in me
The love of God shown to the world
or He's changing, changing me
From earthly things into heavenly
His likeness and image too perfect in me
The love of God shown to the world

116 WE HAVE OVERCOME

Key F

We have overcome,
We have overcome,
By the words of our mouth,
By the Blood of the Lamb,
We have overcome.

"Worthy is the Lamb," the hosts of
heaven sing,
As before the throne they make
His praises ring;
"Worthy is the Lamb," the book to
open wide,
"Worthy is the Lamb who once
was crucified."

CHORUS

Oh, this bleeding Lamb }
Oh, this bleeding Lamb }
Oh, this dying Lamb, }
He was found worthy, }2x

Worthy is the Lamb who shed His
precious blood
To restore a world to happiness
and God,
"When no eye could pity and no
arm could save,"
Jesus, for our ransom Himself
freely gave.

Worthy is the Lamb, the bleeding
sacrifice,
Who for Adam's race paid such a
fearful price,
Worthy is the Lamb, the Paschal
Lamb of God.
For the world received
"Redemption thro' His blood."

"Worthy is the Lamb," let men and
angels sing,
"Worthy is the Lamb," let
hallelujahs ring;
And when life is past, upon the
golden shore,
"Worthy is the Lamb," we'll shout
forever more.

When upon life's billows you are
tempest tossed,
When you are discouraged,
thinking all is lost,
Count your many blessings,
Name them one by one,
And it will surprise you what the
Lord hath done.

CHORUS

Count your blessings,
Name them one by one;
Count your blessings,
See what God hath done;
Count your blessings,
Name them one by one;
Count your many blessings,
See what God hath done.

Are you ever burdened with a load
of care?
Does the cross seem heavy you
are called to bear?
Count your many blessings, every
doubt will fly,
And you will be singing as the
days go by.

When you look at others with their
lands and gold,
Think that Christ has promised you
His wealth untold;
Count your many blessings,
Money cannot buy
Your reward in Heaven, nor your
home on high.

So, amid the conflict, whether
great or small,
Do not be discouraged, God is
over all;
Count your many blessings,
angels will attend,
Help and comfort give you to your
journey's end.

119 TRUST AND OBEY

Key F

When we walk with the Lord
In the Light of His Word,
What a glory He sheds on our way!
While we do His good will,
He abides with us still,
And with all who will trust and obey.

CHORUS

Trust and obey, for there's no
other way
To be happy in Jesus;
But to trust and obey.

Not a shadow can rise,
Not a cloud in the skies,
But His smile quickly drives it away;
Not a doubt or a fear,
Not a sigh nor a tear,
Can abide while we trust and obey.

Not a burden we bear,
Not a sorrow we share,
But our toil He doth richly repay;
Not a grief nor a loss,
Not a frown or a cross,
But is blest if we trust and obey.

But we never can prove
The delights of His love,
Until all on the altar we lay;
For the favour He shows,
And the joy He bestows,
Are for them who will trust and obey.

Then in fellowship sweet
We will sit at His feet,
Or we'll walk by His side in the way;
What He says we will do,
Where He sends we will go,
Never fear only trust and obey.

**120 FATHER LET THE
FIRE FALL**

Key F

Father let the Fire fall,
Father let the Fire fall,
Let the Fire fall,
Let the Fire fall,
Let the Pentecostal Fire fall.

121 ONLY TRUST HIM

Key G

Come, every soul by sin
oppressed,
There's mercy with the Lord,
And He will surely give you rest,
By trusting in His Word.

CHORUS

Only trust Him, only trust Him,
Only trust Him now;
He will save you, He will save you
He will save you now.

For Jesus shed His precious blood,
Rich blessings to bestow;
Plunge now into the crimson flood
That washes white as snow.

Yes, Jesus is the Truth the Way,
That leads you into rest;
Believe in Him without delay,
And you are fully blest.

Come, then and join this holy
band,
And on to glory go,
To dwell in that celestial land,
Where joys immortal flow.

122 I KNOW THAT JESUS

Key F

I know that Jesus is coming in the
morning,
I know that Jesus is coming back
for me,
I know, I know, I know He's
coming in the morning.
I know, I know, I know He's
coming back for me.

**123 SING GLORY
HALLELUJAH**

Key G

Sing glory hallelujah!
I love my Saviour,
For He is willing,
And He is able
To break the fetters
And chains upon us,
And give us the victory
Every time we pray.

Break Thou the bread of life,
Dear Lord, to me,
As Thou didst break the loaves
Beside the sea;
Beyond the sacred page,
I seek Thee, Lord;
My spirit pants for Thee,
O Living Word!

Bless Thou the truth, dear Lord,
To me, to me,
As Thou didst bless the bread by
Galilee;
Then shall all bondage cease,
All fetters fall,
And I shall find my peace,
My All in All.

Teach me to live, dear Lord,
Only for Thee,
As Thy disciples lived in Galilee;
Then all my struggles o'er,
Then, victory won,
I shall behold Thee, Lord,
The living One.

125 NO OTHER NAME

His name is exalted far above the
earth,
His name is high above the
heavens;
His name is exalted far above the
earth,
Give Honour and Glory and Praise
unto His name.

No other name than the name of
Jesus,
No other name than the name of
the Lord,
No other name than the name of
Jesus,
Is worthy of Honour,
Is worthy of Glory,
Is worthy of Power and of Praise.

My hope is built on nothing less
Than Jesus' blood and
righteousness;
I dare not trust the sweetest frame,
But wholly lean on Jesus' name.

CHORUS

On Christ, the solid Rock, I stand;
All other ground is sinking sand,
All other ground is sinking sand.

When darkness seems to hide His
face,
I rest on His unchanging grace;
In every high and stormy gale,
My anchor holds within the veil.

His oath, His covenant, His blood,
Support me in the whelming flood;
When all around my soul gives way,
He then is all my hope and stay.

When He shall come with trumpet
sound,
Oh, may I then in Him be found;
Dressed in His righteousness alone,
Faultless to stand before the throne.

127 I EXALT THEE

For Thou, oh Lord, art high above
all the earth,
Thou art exalted high above all
Gods;
Thou, oh Lord, art high above all
the earth,
Thou art exalted high above all
Gods.

CHORUS

I exalt Thee, I exalt Thee,
I exalt Thee Oh Lord!
I lift my hands to you,
I sing a song for you,
I exalt Thee oh Lord!

The first one to die for this Holy
Ghost plan,
Was John the Baptist, but he died
like a man;
Then came the Lord Jesus, they
crucified Him,
He taught that the Spirit would
save men from sin.

CHORUS

It's dripping with blood, yes,
It's dripping with blood,
This Holy Ghost Gospel is dripping
with blood,
The blood of disciples who died for
the Truth,
This Holy Ghost Gospel is dripping
with blood.

There was Peter and Paul, and
John the divine,
They gave up their lives so this
Gospel could shine;
They mingled their blood, like the
prophets of old,
So the true Word of God could
honest be told.

Then they stoned Stephen, he
preached against sin,
He made them so angry, they
dashed his head in;
But he died in the Spirit, and gave
up the ghost,
And went to join others, in that
life-giving host.

There're souls under the altar,
crying, "How long?"
For the Lord to punish those
who've done wrong;
But there's going to be more
who'll give their life's blood
For this Holy Ghost Gospel and its
crimson flood.

The fight is on, the trumpet sound
is ringing out,
The cry "To arms" is heard afar
and near;
The Lord of hosts is marching on
to victory,
The triumph of the right will soon
appear.

CHORUS

The fight is on, O Christian
soldiers,
And face to face in stern array,
With armour gleaming and colours
streaming,
The right and wrong engage today;
The fight is on, but be not weary,
Be strong and in His might hold
fast;
If God be for us, His banner o'er
us,
We'll sing the victor's song at last.

The fight is on, arouse ye soldiers
brave and true,
Jehovah leads, and victory will
assure;
Go buckle on the armour God has
given you,
And in His strength unto the end
endure.

The Lord is leading on to certain
victory,
The bow of promise spans the
eastern sky;
His glorious name in every land
shall honoured be,
The morn will break, the dawn of
peace is nigh.

He who keepeth Israel
Never slumbers nor sleeps,
Slumbers nor sleeps,
Slumbers nor sleeps.
He who keepeth Israel
Never slumbers nor sleeps,
Slumbers nor sleeps.

Onward, Christian soldiers!
 Marching as to war,
 With the cross of Jesus
 Going on before;
 Christ, the royal Master,
 Leads against the foe;
 Forward into battle,
 See, His banners go!

CHORUS

Onward, Christian soldiers!
 Marching as to war,
 With the cross of Jesus
 Going on before.

Like a mighty army
 Moves the Church of God;
 Brothers, we are treading
 Where the saints have trod;
 We are not divided,
 All one body we,
 One in hope and doctrine,
 One in charity.

Crowns and thrones may perish,
 Kingdoms rise and wane;
 But the Church of Jesus
 Constant will remain;
 Gates of hell can never
 'Gainst that Church prevail;
 We have Christ's own promise,
 Which can never fail.

At the sign of triumph,
 Satan's host doth flee;
 Oh, then, Christian soldiers,
 On to victory!
 Hell's foundations quiver
 At the shout of praise;
 Brothers, lift your voices,
 Loud your anthems raise!

Onward, then, ye people!
 Join our happy throng;
 Blend with ours your voices
 In the triumph song;
 Glory, laud, and honour,
 Unto Christ the King;
 This through countless ages
 Men and angels sing.

Down at the cross where my
 Saviour died,
 Down where for cleansing from
 sin I cried;
 There to my heart was the blood
 applied;
 Glory to His name.

CHORUS

Glory to His name!
 Glory to His name!
 There to my heart was the blood
 applied,
 Glory to his name!

I am so wondrously saved from
 sin,
 Jesus so sweetly abides within,
 There at the cross where He
 took me in;
 Glory to His name!

Oh, precious fountain that saves
 from sin!
 I am so glad I have entered in;
 There Jesus saves me and
 keeps me clean;
 Glory to His name.

Come, to this fountain so rich
 and sweet;
 Cast thy poor soul at the
 Saviour's feet;
 Plunge in today, and be made
 complete;
 Glory to His name.

Burn, burn Holy Spirit,
 Burn in me,
 Set my heart on fire!
 Fill me with the Holy Ghost,
 And God's full desire.
 Make me like the Christ of old,
 Healing and raising the dead;
 Give me the power that Jesus
 had
 Thru the blood that was shed.

134**THERE IS POWER IN
THE BLOOD**

Key F

Would you be free from your
burden of sin?
There's power in the blood, power
in the blood;
Would you o'er evil a victory win?
There's wonderful power in the
blood.

CHORUS

There is power, power, wonder
working power
In the blood of the Lamb,
There is power, power, wonder-
working power,
In the precious blood of the Lamb.

Would you be free from your
passion and pride?
There's power in the blood, power
in the blood;
Come for a cleansing to Calvary's
tide,
There's wonderful power in the
blood.

Would you be whiter, much whiter
than snow?
There's power in the blood, power
in the blood;
Sin's stains are lost in its life-giving
flow,
There's wonderful power in the
blood.

Would you do service for Jesus
your King?
There's power in the blood, power
in the blood;
Would you live daily, His praises to
sing?
There's wonderful power in the
blood.

135**LEAD ME LORD**

Key C

Lead me Lord, I will follow,
Lead me Lord, I will go,
You have called me,
I have answered,
Lead me Lord, I will go.

136**THY LOVING
KINDNESS**

Key C

Thy loving kindness
Is better than life,
Thy loving kindness
Is better than life,
My lips shall praise Thee,
Thus will I bless Thee,
I will lift up my hands
In Thy Name.

I will lift up my hands
In Thy Name,
I will lift up my hands
In Thy Name.
My lips shall praise Thee,
Thus will I bless Thee,
I will lift up my hands
In Thy Name.

137**OVER AND OVER**

Key F

Over and over, He moulds me and
makes me,
Into His image He fashions this
clay;
A vessel of honour I am today,
And it's all because Jesus
Didn't throw this clay away.

138**HAVE FAITH IN GOD**

Key F

Have faith in God,
Have faith in God,
Have faith in God,
For the answer,
Have faith in God.

139**FAITH IN GOD**

Key F

Faith in God can move a mighty
mountain,
Faith can calm the troubled sea;
Faith can make the desert like a
fountain,
Faith can bring the victory.

I was sinking deep in sin,
 Far from the peaceful shore,
 Very deeply stained within,
 Sinking to rise no more;
 But the Master of the sea
 Heard my despairing cry,
 From the waters lifted me,
 Now safe am I.

CHORUS

Love lifted me! Love lifted me!
 When nothing else could help, love
 lifted me.
 Love lifted me! Love lifted me!
 When nothing else could help, love
 lifted me.

All my heart to Him I give,
 Ever to Him I'll cling,
 In His blessed presence live,
 Ever His praises sing.
 Love so mighty and so true
 Merits my soul's best songs;
 Faithful, loving service too,
 To Him belongs.

Souls in danger, look above,
 Jesus completely saves;
 He will lift you by His love
 Out of the angry waves.
 He's the Master of the sea,
 Billows His will obey;
 He your Saviour wants to be;
 Be saved today.

We bring the sacrifice of praise
 Into the house of the Lord,
 We bring the sacrifice of praise
 Into the house of the Lord,
 And we offer up to you
 The sacrifices of thanksgiving,
 And we offer up to you
 The sacrifices of praise.

There are people almost
 everywhere,
 Whose hearts are all aflame
 With the fire that fell at Pentecost,
 Which cleansed and made them
 clean;
 It is burning now within my heart,
 All glory to His name!
 I'm so glad that I can say I'm one
 of them.

CHORUS

One of them, one of them,
 I am glad that I can say I'm one of
 them;
 One of them, one of them,
 I'm so glad that I can say I'm one
 of them.

Though these people may not
 learned be,
 Nor boast of worldly fame,
 They have all received their
 Pentecost,
 Baptized in Jesus' name;
 And are telling now, both far and
 wide,
 His power is yet the same,
 I'm so glad that I can say I'm one
 of them.

They were gathered in the upper
 room,
 All praying in His name,
 They were baptized with the Holy
 Ghost,
 And pow'r for service came;
 Now what He did for them that day
 He'll do for you the same,
 I'm so glad that I can say I'm one
 of them.

Come, my brother, seek this
 blessing
 That will cleanse your heart from
 sin,
 That will start the joy-bells ringing
 And will keep the soul aflame;
 It is burning now within my heart,
 All glory to His name,
 I'm so glad that I can say I'm one
 of them.

Have you been baptized into the
Body?

Baptized with the Holy Ghost;
There is but one way to enter in it,
Just as they did on Pentecost.

CHORUS

Are you in the Church triumphant?
Are you in the Saviour's Bride?
Come and be baptized into the
Body,
And forevermore abide.

There is but one Church, Bride or
Body,
And into it we're all baptized;
By the one, true, promised Holy
Spirit;
Though by the world we're all
despised.

Every creed has claimed to be the
Body,
But the "plumb line" proved untrue
All their dreams, for God has so
determined
To bring His Son's true Bride to
view.

Many thought that they were in the
Body,
'Till the Holy Ghost had come;
When the Word of God was
opened to them,
They entered in, and yet there's
room.

Those who died before the Holy
Spirit
Came upon us from on high,
May, by faith with saints of old
departed,
Arise to meet Him in the sky.

When the Bridegroom comes,
Will you be ready?
And your vessel all filled and
bright?
You will be among the foolish
virgins
If you do not walk in the light.

I know not why God's wondrous
grace

To me He hath made known,
Nor why, unworthy, Christ in love
Redeemed me for His own.

CHORUS

But "I know whom I have believed,
And am persuaded that He is able
To keep that which I've committed
Unto Him against that day."

I know not how this saving faith
To me He did impart,
Nor how believing in His Word
Wrought peace within my heart.

I know not how the Spirit moves
Convincing men of sin,
Revealing Jesus through the Word,
Creating faith in Him.

I know not what of good or ill
May be reserved for me,
Of weary ways or golden days,
Before His face I see.

I know not when my Lord may come,
At night or noonday fair,
Nor if I'll walk the vale with Him,
Or "meet Him in the air."

His Name is Wonderful;
His Name is Wonderful;
His Name is Wonderful, Jesus my
Lord.
He is the Mighty King,
Master of everything,
His Name is Wonderful, Jesus my
Lord.
He's the great Shepherd,
The Rock of all ages,
Almighty God is He.
Bow down before Him,
Love and adore Him,
His Name is Wonderful, Jesus my
Lord.

146

**WHEN HE REACHED
DOWN**

Key A

Once my soul was astray from the
heavenly way,
And was wretched and vile as
could be;
But my Saviour above, gave me
peace, joy and love,
When He reached down His hand
for me, for me.

CHORUS

When He reached down His hand
for me,
When He reached down His hand
for me;
I was lost and undone, without
God or His Son,
When He reached down His hand
for me, for me.

I was nearing despair, when He
came to me there,
And He showed me that I could be
free;

Then He lifted my feet, gave me
glory complete,
When He reached down His hand
for me, for me.

How my heart doth rejoice since I
made Him my choice,
From the tempest to Him now I
flee;

Now I lean on His arm, I'm secure
from all harm,
Since He reached down His hand
for me, for me.

Since the Lord gave me peace,
Heavenly joys never cease;
Lord, I give all my life unto Thee;
Guide my feet, hold my hand,
grant with Thee I may stand,
For you reached down Your hand
for me, for me.

THE LIVING GOD

Key D

The living God is in our midst right
now
What grace it is to bow before His
throne
In prayer and supplication, how we
lift our hands to Him
In praise and adoration of His
precious Holy name

148

**PEACE IN THE
VALLEY**

Key C

Well, I'm tired and so weary, but I
must go along;
Till the Lord comes and calls me
away, oh, yes;
Well the morning is bright, and the
Lamb is the Light;
And the night, night is as fair as
the day, oh, yes.

CHORUS

There will be peace in the valley
for me some day;
There will be peace in the valley
for me, oh, Lord, I pray;
There'll be no sadness, no sorrow,
no trouble I'll see;
There will be peace in the valley
for me.

There the flow'rs will be looming,
And the grass will be green;
And the skies will be clear and
serene, oh, yes;
Well the sun ever beams, in this
valley of dreams;
And no clouds there will ever be
seen, oh, yes.

Well, the bear will be gentle, and
the wolf will be tame;
And the Lion shall lay down by the
Lamb, oh, yes;
Well the beast from the wild, shall
be led by a little child;
And I'll be changed, changed from
this creature that I am, oh, yes.

149

**ONE THING I
DESIRED**

Key D

One thing have I desired of the Lord,
That will I seek after;
That I may dwell in the House of
the Lord all the days of my life
To behold the beauty, the beauty }
of the Lord; }
To inquire in His temple, }
The temple of the Lord. }2x

O Lord my God! When I in
awesome wonder,
Consider all the worlds Thy hands
have made;
I see the stars, I hear the rolling
thunder,
Thy power throughout the universe
displayed.

CHORUS

Then sings my soul, my Saviour
God to Thee;
How great Thou art, how great
Thou art!
Then sings my soul, my Saviour
God to Thee;
How great Thou art, how great
Thou art!

When through the woods and
forest glades I wander
And hear the birds sing sweetly in
the trees;
When I look down from lofty
mountain grandeur
And hear the brook and feel the
gentle breeze.

And when I think that God, His
Son not sparing,
Sent Him to die, I scarce can take
it in;
That on the cross, my burden
gladly bearing,
He bled and died to take away my
sin.

When Christ shall come with shout
of acclamation
And take me home, what joy shall
fill my heart!
Then I shall bow in humble
adoration
And there proclaim, my God, how
great Thou art!

My soul in sad exile
Was out on life's sea,
So burdened with sin and distressed,
Till I heard a sweet voice saying,
"Make Me your choice;"
And I entered the "Haven of Rest!"

CHORUS

I've anchored my soul in the haven
of rest,
I'll sail the wild seas no more;
The tempest may sweep o'er the
wild, stormy deep,
In Jesus I'm safe evermore.

I yielded myself to His tender
embrace,
And faith taking hold of the Word,
My fetters fell off, and I anchored
my soul;
The Haven of Rest is my Lord.

The song of my soul,
Since the Lord made me whole,
Has been the old story, so blest,
Of Jesus, who'll save whosoever
will have
A home in the "Haven of Rest!"

How precious the thought that we
all may recline,
Like John, the beloved and blest,
On Jesus' strong arm,
Where no tempest can harm,
Secure in the "Haven of Rest!"

O come to the Saviour,
He patiently waits,
To save by His power divine;
Come, anchor your soul in the
haven of rest
And say, "My Beloved is mine."

He is Lord, He is Lord;
He has risen from the dead and
He is Lord,
Every knee shall bow, every
tongue confess,
That Jesus Christ is Lord.

153 SUCH LOVE

Key F

That God should love a sinner
such as I,
Should yearn to change my sorrow
into bliss,
Nor rest till He had planned to
bring me nigh,
How wonderful is love like this!

CHORUS

Such love, such wondrous love,
Such love, such wondrous love,
That God should love a sinner
such as I,
How wonderful is love like this!

That Christ should join so freely in
the scheme,
Although it meant His death on
Calvary,
Did ever human tongue find nobler
theme,
Than love divine that ransomed
me?

That for a willful outcast such as I,
The Father planned, the Saviour
bled and died;
Redemption for a worthless slave
to buy,
Who long had law and grace
defied.

And now He takes me to His
heart, a son,
He asks me not to fill a servant's
place;
The "far-off country" wand'rings
all are done,
Wide open are His arms of
grace.

**154 I LOVE HIM TOO
MUCH**

Key E

I love Him too much to fail Him now,
I love Him too much to break my
vow,
For I promised the Lord,
That I would make it somehow,
And now I love Him too much,
To fail Him now.

**155 BLESSED
ASSURANCE**

Key C

Blessed assurance, Jesus is mine!
Oh, what a foretaste of glory divine
Heir of salvation, purchased of God
Born of His Spirit, washed in His
Blood.

CHORUS

This is my story, this is my song,
Praising my Saviour all the day long;
This is my story, this is my song,
Praising my Saviour all the day long.

Perfect submission, perfect delight,
Visions of rapture now burst on my
sight;
Angels descending, bring from above
Echoes of mercy, whispers of love.

Perfect submission, all is at rest,
I in my Saviour am happy and blest;
Watching and waiting, looking above
Filled with His goodness, lost in
His love.

156 HE TOUCHED ME

Key D

Shackled by a heavy burden
'Neath a load of guilt and shame,
Then the hand of Jesus touched me,
And now I am no longer the same.

CHORUS

He touched me, Oh He touched me
And oh, the joy that floods my soul!
Something happened and now I
know,
He touched me and made me whole.

Since I met this blessed Saviour,
Since He cleansed and made me
whole,
I shall never cease to praise Him,
I'll shout it while eternity rolls.

157**MY FAITH LOOKS UP
TO THEE**

Key C

My faith looks up to Thee,
Thou Lamb of Calvary,
Saviour divine,
Now hear me while I pray,
Take all my sin away,
O let me from this day
Be wholly Thine!

May Thy rich grace impart
Strength to my fainting heart,
My zeal inspire;
As Thou hast died for me,
O may my love to Thee,
Pure, warm, and changeless be,
A living fire!

While life's dark maze I tread,
And griefs around me spread,
Be Thou my Guide;
Bid darkness turn to day,
Wipe sorrow's tears away,
Nor let me ever stray
From Thee aside.

158**CREATE IN ME**

Key G

Create in me a clean heart, }
Oh God, }
And renew a right spirit }
within me; }2x
Cast me not away from Thy
presence, Oh God,
Take not Thy Holy Spirit from
me;
Restore unto me the joy of Thy
salvation,
And renew a right spirit within
me.

159**WHY WORRY**

Key G

Why worry, when you can pray?
Trust the Saviour, He'll show the
way;
Don't be like doubting Thomas,
Rest fully on His promise,
Why worry, worry, worry, worry
When you can pray?

160**THE LOVE OF GOD**

Key C

The love of God is greater far
Than tongue or pen can ever tell;
It goes beyond the highest star,
And reaches to the lowest hell.
The guilty pair, bowed down with
care,
God gave His Son to win;
His erring child He reconciled,
And pardoned from his sin.

CHORUS

O, love of God, how rich and pure!
How measureless and strong;
It shall forevermore endure,
The saints and angels song.

When hoary times shall pass away,
And earthly thrones and kingdoms
fall;
When men who here refuse to pray,
On rocks and hill and mountains call;
God's love, so sure, shall still
endure,
All measureless and strong;
Redeeming grace to Adam's race,
The saints' and angels' song.

Could we with ink the ocean fill,
And were the skies of parchment
made;
Were every stalk on earth a quill,
And every man a scribe by trade;
To write the love of God above
Would drain the ocean dry;
Nor could the scroll contain the
whole,
Though stretched from sky to sky.

161**WE ARE THE SONS
OF GOD**

Key D

We are the sons of God,
We are the sons of God,
We have washed our robes
In the blood of Jesus,
We are the sons of God.

'Tis almost time for the Lord to come,
I hear the people say;
The stars of heaven are growing dim:
It must be the breaking of the day.

CHORUS

O, it must be the breaking }
of the day, }2x
The night is almost gone,
The day is coming on:
O, it must be the breaking of the day.

The signs foretold in the sun and
moon,
In earth and sea and sky,
Aloud proclaim to mortal men,
That the coming of the Master
draweth nigh.

It must be time for the waiting church
To cast her pride away,
With girded loins and burning lamps
To look for the breaking of the day.

There must be those in the field of
sin,
Far from the fold astray,
Who once were happy in Jesus' love,
And looking for the breaking of the
day.

Go quickly out in the streets and
lanes,
And in the broad highway,
And call the maimed, the halt and
blind,
To be ready for the breaking of the
day.

Let's just praise the Lord, }
Praise the Lord, }
Let's just lift our hands }
towards heaven and praise }
the Lord. }2x

Beyond the sunset, O blissful
morning,
When with our Saviour heaven is
begun.
Earth's toiling ended, O glorious
dawning;
Beyond the sunset, when day is
done.

Beyond the sunset no clouds will
gather,
No storms will threaten, no fears
annoy.
O day of gladness, O day unending;
Beyond the sunset, eternal joy.

Beyond the sunset, a hand will
guide me
To God, the Father, whom I adore;
His glorious presence, His words
of welcome,
Will be my portion on that fair shore.

Beyond the sunset, O glad reunion,
With our dear loved ones who've
gone before.
In that fair homeland we'll know no
parting.
Beyond the sunset forevermore.

Majesty, worship His Majesty;
Unto Jesus be all glory, power and
praise,
Majesty, Kingdom authority
Flows from His throne unto His
own,
His anthem raise.

So exalt, lift up on high the name
of Jesus;
Magnify, come glorify Christ Jesus
the King,
Majesty, worship His Majesty,
Jesus who died, now glorified,
King of all Kings.

There is a fountain filled with blood,
 Drawn from Immanuel's veins,
 And sinners, plunged beneath that flood,
 Lose all their guilty stains.}3x
 And sinners, plunged beneath that flood,
 Lose all their guilty stains.

The dying thief rejoiced to see
 That fountain in his day;
 And there may I, though vile as he,
 Wash all my sins away.
 Wash all my sins away.
 Wash all my sins away.
 And there may I, though vile as he,
 Wash all my sins away.

Thou dying Lamb, Thy precious blood
 Shall never lose its power,
 Till all the ransomed Church of God
 Be saved, to sin no more.
 Be saved, to sin no more.
 Be saved, to sin no more.
 Till all the ransomed Church of God
 Be saved, to sin no more.

E'er since by faith I saw the stream
 Thy flowing wounds supply,
 Redeeming love has been my
 theme,
 And shall be till I die,
 And shall be till I die,
 And shall be till I die;
 Redeeming love has been my
 theme,
 And shall be till I die.

Then in a nobler, sweeter song,
 I'll sing Thy power to save,
 When this poor lisping,
 stammering tongue
 Lies silent in the grave.
 Lies silent in the grave.
 Lies silent in the grave.
 When this poor lisping,
 stammering tongue
 Lies silent in the grave.

Down from His glory, ever living
 story,
 My God and Saviour came, and
 Jesus was His Name.
 Born in a manger, to His own a
 stranger,
 A Man of sorrows, tears and
 agony.

CHORUS

O how I love Him! How I adore Him!
 My breath, my sunshine, my all in all!
 The great Creator became my
 Saviour,
 And all God's fullness dwelleth in
 Him.

What condescension, bringing us
 redemption;
 That in the dead of night, not one
 faint hope in sight;
 God, gracious, tender, laid aside
 His splendour,
 Stooping to woo, to win to save my
 soul.

Without reluctance, flesh and
 blood His substance,
 He took the form of man, revealed
 the hidden plan.
 O glorious mystery, Sacrifice of
 Calvary,
 And now I know Thou wert the
 great "I AM."

Think about His Love,
 Think about His Goodness,
 Think about His Grace
 That has brought us through;
 For as high as the Heavens above;
 So great is the measure of our
 Father's Love;
 Great is the measure of our
 Father's Love.

169 SPEAK, LORD

Key F

Hear the Lord of harvest sweetly
calling,
"Who will go and work for Me
today?
Who will bring to Me the lost and
dying?
Who will point them to the narrow
way?"

CHORUS

Speak, my Lord, speak, my Lord,
Speak, and I'll be quick to answer
Thee;
Speak, my Lord, speak, my Lord,
Speak, and I will answer,
"Lord send me."

When the coal of fire touched the
prophet,
Making him as pure as pure can be,
When the voice of God,
Said "Who'll go for us?"
Then He answered, "Here I am,
send me."

Millions now in sin and shame are
dying;
Listen to their sad and bitter cry;
Hasten, brother, hasten to the
rescue;
Quickly answer, "Master, here am
I."

Soon the time for reaping will be
over;
Soon we'll gather for the harvest
home;
May the Lord of harvest smile
upon us,
May we hear His blessed, "Child,
well done."

170 JUST ANY DAY NOW

Key D

Just any day now, my Lord is
coming,
He'll be returning for you and me,
O, I've been watching and I've
been waiting,
Just any day now, His face I'll see.

171 GREAT IS THY FAITHFULNESS

Key C

"Great is Thy faithfulness," O
God my Father,
There is no shadow of turning
with Thee;
Thou changest not,
Thy compassions, they fail not;
As Thou hast been Thou forever
will be.

CHORUS

"Great is Thy faithfulness! Great
is Thy faithfulness!"
Morning by morning new mercies
I see;
All I have needed Thy hand hath
provided;
"Great is Thy faithfulness," Lord,
unto me!

Summer and winter, and
springtime and harvest,
Sun, moon and stars in their
courses above,
Join with all nature in manifold
witness,
To thy great faithfulness, mercy
and love.

Pardon for sin and a peace that
endureth,
Thy own dear presence to cheer
and to guide;
Strength for today and bright
hope for tomorrow,
Blessings all mine, with ten
thousand beside!

172 IT'S A LOVELY, LOVELY NAME

Key F

It's a lovely, lovely name,
The Name of Jesus;
It's a lovely, lovely name,
The Name I love;
It's a lovely, lovely name,
The Name of Jesus;
It's a lovely, lovely, lovely, lovely
name.

Jesus is my Saviour, I shall not
be moved;
In His love and favour, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

CHORUS

I shall not be, I shall not be
moved, }2x
Just like a tree that's planted by
the waters,
I shall not be moved.

In my Christ abiding, I shall not
be moved;
In his love I'm hiding, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

If I trust Him ever, I shall not be
moved;
He will fail me never, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

On His word I'm feeding, I shall
not be moved;
He's the One that's leading, I
shall not be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

Glory Hallelujah, I shall not be
moved;
Anchored in Jehovah, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

In His love abiding, I shall not be
moved;
And in Him confiding, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.
Though all hell assail me, I shall
not be moved;
Jesus will not fail me, I shall not
be moved;

Just like a tree that's planted by
the waters,
I shall not be moved.

Though the tempest rages, I
shall not be moved;
On the Rock of Ages, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

O happy day, that fixed my
choice
On Thee, my Saviour and my
God!
Well may this glowing heart
rejoice,
And tell its raptures all abroad.

CHORUS

Happy day, happy day,
When Jesus washed my sins
away!
He taught me how to watch and
pray,
And live rejoicing every day.
Happy day, happy day,
When Jesus washed my sins
away!

O happy bond, that seals my vows
To Him who merits all my love!
Let cheerful anthems fill His
house,
While to that sacred shrine I
move.

'Tis done; the great transaction's
done!
I am my Lord's and He is mine;
He drew me, and I followed on,
Charmed to confess the voice
divine.

Mine, mine, mine, Jesus is mine,
Mine, mine, mine, Jesus is mine,
Jesus is my Saviour, day by day,
Mine, mine, mine, Jesus is mine.

We're floating down the stream of time,
We have not long to stay;
The stormy clouds of darkness
Will turn to brightest day.
Then let us all take courage,
For we're not left alone;
The lifeboat soon is coming
To gather the Jewels home.

CHORUS

Then cheer, my brother, cheer,
Our trials will soon be o'er,
Our loved ones we shall meet,
shall meet,
Upon the golden shore.
We're pilgrims and we're strangers
here,
We're seeking a city to come,
The lifeboat soon is coming,
To gather the Jewels home.

Sometimes the Devil tempts me,
And says it's all in vain
To try to live a Christian life
And walk in Jesus' name;
But then we hear the Master say,
"I'll lend you a helping hand,
And if you'll only trust Me,
I'll guide you to that land."

The lifeboat soon is coming,
By eyes of faith I see
As she sweeps through the waters
To rescue you and me,
And land us safely in the port
With friends we love so dear.
"Get ready," cries the Captain;
"Oh, look, she's almost here."

Oh, now's the time to get on board,
While she is passing by;
But if you stand and wait too long,
You shall forever die;
The fare is paid for one and all,
The Captain bids you come,
And get on board the lifeboat,
She'll carry you safely home.

Marvelous grace of our loving Lord,
Grace that exceeds our sin and
our guilt.
Yonder on Calvary's mount
outpoured,
There where the Blood of the
Lamb was spilt.

CHORUS

Grace, grace, God's grace,
Grace that will pardon and cleanse
within;
Grace, grace, God's grace,
Grace that is greater than all our
sin.

Sin and despair like the sea waves
cold,
Threaten the soul with infinite loss;
Grace that is greater, yes, grace
untold,
Points to the Refuge, the Mighty
Cross.

Dark is the stain that we cannot
hide,
What can avail to wash it away?
Look! there is flowing a crimson
tide;
Whiter than snow you may be
today.

Marvelous, infinite, matchless grace,
Freely bestowed on all who believe;
You that are longing to see His face,
Will you this moment His grace
receive?

Surely the presence of the Lord is
in this place,
I can feel His mighty power and
His grace;
I can hear the rush of Angels'
wings,
I see glory on each face;
Surely the presence of the Lord is
in this place.

One sat alone beside the highway
 begging,
 His eyes were blind, the light he
 could not see;
 He clutched his rags and shivered
 in the shadows,
 Then Jesus came and bade his
 darkness flee.

CHORUS

When Jesus comes the tempter's
 power is broken;
 When Jesus comes the tears are
 wiped away.
 He takes the gloom and fills the life
 with glory,
 For all is changed when Jesus
 comes to stay.

From home and friends the evil
 spirits drove him,
 Among the tombs he dwelt in
 misery;
 He cut himself as demon pow'rs
 possessed him,
 Then Jesus came and set the
 captive free.

"Unclean! unclean!" the leper cried
 in torment,
 The deaf, the dumb, in
 helplessness stood near;
 The fever raged, disease had
 gripped its victim,
 Then Jesus came and cast out
 every fear.

So men today have found the
 Saviour able,
 They could not conquer passion,
 lust and sin;
 Their broken hearts had left them
 sad and lonely,
 Then Jesus came and dwelt
 Himself within.

Of times the day seems long, our
 trials hard to bear;
 We're tempted to complain, to
 murmur and despair;
 But Christ will soon appear, to
 catch His bride away,
 All tears forever over, in God's
 eternal day.

CHORUS

It will be worth it all, when we see
 Jesus;
 Life's trials will seem so small,
 when we see Christ;
 One glimpse of His dear face, all
 sorrow will erase,
 So bravely run the race till we see
 Christ.

Sometimes the sky looks dark,
 with not a ray of light;
 We're tossed and driven on, no
 human help in sight;
 But there is One in heaven, who
 knows our deepest care,
 Let Jesus solve your problem, just
 go to Him in prayer.

Life's day will soon be over, all
 storms forever past;
 We'll cross the great divide, to
 glory safe at last;
 We'll share the joys of heaven, a
 harp, a home, a crown;
 The tempter will be banished, we'll
 lay our burden down.

Come by here Lord, }
 Come by here; }3x
 Oh Lord, come by here.

Someone's praying Lord
 Someone's crying Lord
 Someone's calling Lord
 Someone's hurting Lord

182 REDEEMED

Key G

Redeemed, how I love to proclaim it!
Redeemed by the blood of the Lamb;
Redeemed through His infinite
mercy,
His child, and forever, I am.

CHORUS

Redeemed, redeemed,
Redeemed by the blood of the
Lamb;
Redeemed, redeemed,
His child, and forever, I am.

Redeemed and so happy in Jesus,
No language my rapture can tell;
I know that the light of His presence
With me doth continually dwell.

I think of my blessed Redeemer,
I think of Him all the day long;
I sing, for I cannot be silent;
His love is the theme of my song.

I know I shall see in His beauty
The King in whose law I delight;
Who lovingly guardeth my
footsteps,
And giveth me songs in the night.

183 YOU ARE THE WORDS

Key D

You are the words of the music,
You are the song that I sing,
You are the melody,
You are the harmony,
Praises to You I will sing;
You are the Mighty God,
You are the Lord of Lords,
You are the King of all Kings;
Now I return to You
The song that You gave to me,
You are the song that I sing.

184 I'VE ANCHORED IN JESUS

Key F

Upon life's boundless ocean
Where mighty billows roll
I've fixed my hope in Jesus,
Blest anchor of my soul;
When trials fierce assail me
As storms are gath'ring o'er
I rest upon His mercy and trust
Him more.

CHORUS

I've anchored in Jesus,
The storms of life I'll brave;
I've anchored in Jesus,
I fear no wind or wave;
I've anchored in Jesus,
For He hath pow'r to save,
I've anchored in the Rock of Ages.

He keeps my soul from evil
And gives me blessed peace;
His voice has stilled the waters
And bid their tumult cease.
My pilot and deliverer
To Him I all confide,
For always when I need Him
He's at my side.

He is my Friend and Saviour
In Him my anchor's cast,
He drives away my sorrows
And shields me from the blast;
By faith I'm looking upward
Beyond life's troubled sea,
There I behold a haven
Prepared for me.

185 BY HIS WORD

Key D

By His Word, I have no fear in
me;
By His Word, death cannot
swallow me;
By His Word, I have prosperity;
By His Word, sickness can't
dwell in me;
By His Word, I walk in victory;
By His Word, I've been set free.

By His Name
By His Love

186 GREAT IS THE LORD

Key G

There is a Name I love to hear,
It falls like music on my ear,
It's the Name of Jesus Christ the
Lord;
He came from the Father in
Heaven above,
He died on the cross just to show
us His love;
Jesus, yes, Jesus is His Name.

CHORUS

Great is the Lord! Great is the Lord!
Great is the Father, great is the Son,
Great is the Holy Ghost, and these
three are One;
Jesus, yes, Jesus is His Name.

He is the dear Saviour of men,
He gave His own life just to free us
from sin,
It's the Name of Jesus Christ the
Lord;
The wonderful Counselor, the Man
from Galilee,
He calmed the angry waters
and He walked on the sea;
Jesus, yes, Jesus is His Name.

187 LET THERE BE JOY

Key G

We are Your people O God:
Washed by the blood of the
Lamb,
Clothed in Your righteousness,
And in Your favour we stand.
We love exalting Your name,
Lifting up holy hands,
Praise to our mighty God,
Jehovah the Great I am.

CHORUS

Let there be joy in the house of
the Lord,
Let there be praise to the God of
our salvation,
Let there be singing and
shouting, Dancing and
celebration,
Children of Zion rejoice!

**188 TURN YOUR EYES
UPON JESUS**

Key F

O soul, are you weary and troubled?
No light in the darkness you see?
There's light for a look at the
Saviour,
And life more abundant and free!

CHORUS

Turn your eyes upon Jesus,
Look full in His wonderful face;
And the things of earth will grow
strangely dim
In the light of His glory and grace.

Through death into life everlasting
He passed, and we follow Him
there;
Over us sin no more hath dominion,
For more than conquerors we are!

His Word shall not fail you, He
promised;
Believe Him, and all will be well;
Then go to a world that is dying,
His perfect salvation to tell!

**189 KEEP ON THE FIRING
LINE**

Key F

If you're in the battle for the Lord
and the righteous,
Keep on the firing line.
If you'll win the victory surely you
must fight,
Keep on the firing line.
There are many dangers that we
all must face,
But if you die in fighting there is no
disgrace,
A coward in His service will have
no place,
So keep on the firing line.

You must fight, be brave
Against all evil,
Never run or even lag behind,
If you would win;
For God and the righteous,
Keep on the firing line.

190 HIGHER GROUND

Key F

I'm pressing on the upward way,
New heights I'm gaining every day;
Still praying as I'm onward bound,
"Lord plant my feet on higher
ground."

CHORUS

Lord, lift me up and let me stand,
By faith, on heaven's tableland,
A higher plane than I have found;
Lord, plant my feet on higher ground.

My heart has no desire to stay
Where doubts arise and fears
dismay;
Tho' some may dwell where these
abound,
My prayer, my aim, is higher ground.

I want to scale the utmost height,
And catch a gleam of glory bright;
But still I'll pray till heav'n I've found,
"Lord, lead me on to higher ground."

**191 WE'LL WORK TILL
JESUS...**

Key D

O land of rest, for thee I sigh!
When will the moment come
When I shall lay my armour by,
And dwell in peace at home?

CHORUS

We'll work till Jesus comes,
We'll work till Jesus comes,
We'll work till Jesus comes,
And we'll be gathered home!

To Jesus Christ I fled for rest;
He bade me cease to roam;
And lean for succour on His breast
Till He conduct me home.

I sought at once my Saviour's side,
No more my steps shall roam;
With Him I'll brave death's chilling
tide
And reach my heavenly home.

192 AT CALVARY

Key G

Years I spent in vanity and pride,
Caring not my Lord was
crucified,
Knowing not it was for me He
died On Calvary.

CHORUS

Mercy there was great, and
grace was free;
Pardon there was multiplied to
me;
There my burdened soul found
liberty, at Calvary.

By God's Word at last my sin I
learned;
Then I trembled at the law I'd
spurned,
Till my guilty soul imploring
turned To Calvary.

Now I've given to Jesus everything,
Now I gladly own Him as my King,
Now my raptured soul can only sing
Of Calvary.

Oh, the love that drew salvation's
plan!
Oh, the grace that brought it down
to man!
Oh, the mighty gulf that God did
span at Calvary.

193 GOT ANY RIVERS

Key G

Got any rivers you think are
uncrossable?
Got any mountains you can't
tunnel through?
God specializes in things thought
impossible.
And He will do what no other
power can do.

**194 THE WONDER OF IT
ALL**

Key C

The wonder of it all,
The wonder of it all,
Just to know that Jesus loves me,
The wonder of it all,
The wonder of it all,
Just to know that Jesus loves me.

195 GOD BE WITH YOU

Key D

Key Bb

God be with you till we meet again!
By His counsels guide, uphold you,
With His sheep securely fold you;
God be with you till we meet again!

CHORUS

Till we meet ! till we meet!
Till we meet at Jesus feet;
Till we meet! till we meet!
God be with you till we meet again!

God be with you till we meet again!
'Neath His wings securely hide you,
Daily manna still provide you;
God be with you till we meet again!

God be with you till we meet again.
When life's perils thick confound you;
Put His arms unfailing round you;
God be with you till we meet again!

God be with you till we meet again!
Keep love's banner floating o'er you,
Smite death's threat'ning wave
before you;

God be with you till we meet again!

196 LET THE LORD LEAD / ATAWALE

Key C

Let the Lord lead
Let Jesus take control
Leave it all to Him
Let Jesus take control

Atawale, Atawale tu
Mwachie Yesu Atawale
Atawale

Is your sickness supressing you
(Ugonjwa wako ukikulemea)

Does your burdens seem so heavy
(Mizigo yako ikikulemea)

197 FIRE, FIRE, FIRE

Key F

Fire, Fire, Fire, }
Fire, fall on me }2x
As on the day of Pentecost,
Fire fall on me,
As on the day of Pentecost,
Fire fall on me.

198 LILY OF THE VALLEY

Lily of the valley,
Let Your sweet aroma fill my life.
Rose of Sharon show me
How to grow in beauty in God's
sight.
Fairest of ten thousand,
Make me a reflection of Your
light.
Daystar shine down on me,
Let Your light shine thru me in
the night.

CHORUS

Lead me Lord, I'll follow
Everywhere You open up the door.
Let me know Your wisdom,
Show me things I've never seen
before.

Lord, I want to be a witness,
You can take what's wrong and
make it right.

Daystar shine down on me,
Let Your Light shine thru me in the
night.

Lord I see a world that's dying,
Wounded by the master of deceit.
Groping in the darkness,
Haunted by the years of past
defeat;
But then I see You standing near
me,
Shining with compassion in Your
eyes.
Jesus shine down on me,
Let Your light shine thru me in the
night.

199 BEHOLD I LIVE

Key F

John was in the Spirit
On the Lord's Day,
He heard a voice from Heaven
And this is what It said,
"I'm Alpha and Omega,
The Beginning and the End,
Behold, I live forevermore;
Behold, I live, Behold, I live, }
Behold I live forevermore. }2x

In these days of trials so near the end,
When Christ from Glory doth now descend,
Men's hearts are failing and filled with fear,
We know the end time is surely here.

CHORUS

So just be faithful, believe His Word;
Stay with the Message that you have heard;
List' to His prophet, his Message heed;
Walk in the Light where His star doth lead.

In every church age a star did shine,
To help God's people a Truth to find;
In this last church age a star shines bright,
So friend receive it, walk in the Light.

Do not be fearful or filled with dread,
Your prophet sleepeth, he is not dead;
The Bride is waiting now for that Voice,
And in this hope we can now rejoice.

His Word of promise He gave the Bride,
From his White Charger the prophet cried,
"Yet one more time shall I ride this Trail."
THUS SAITH THE LORD can never fail.

We remember Thee, oh Lord,
We remember Thee,
Every time we break the bread,
{Every time we drink this cup}
We remember Thee.

While walking on this earth,
We are nothing in ourselves,
Yet God's chosen to use us
In His mighty hand;
For the Master's plan requires
human instruments;
But they must not ever glorify themselves.

CHORUS

All the glory must be to the Lord,
Only He is worthy of our praise.
No one on earth should give glory to himself;
For all the glory must be to the Lord.

Are we ready to obey Him
When He urges us to go?
Are we willing to be nothing but servants of the cross?
In the times of trial and hardship,
Or when shining from the top,
Are we willing to lay down our lives for Him?

You're my praise,
You're my praise,
You're the song my heart keeps singing,
You're my praise.
You're the reason why I'm living,
The very breath of life to me,
You're my praise.
You're my praise.

Jesus, be the Lord of all,
Jesus, be the Lord of all,
Jesus, be the Lord of all,
The Kingdoms of my heart.

Jesus, I surrender all,
Jesus, I surrender all,
Jesus, I surrender all,
The kingdoms of my heart.

205 I'M UNDESERVING

Key C

I don't deserve to come to You Lord,
 With my troubles and selfish pleas.
 I know I have failed You in so
 many ways,
 But never have You failed
 To meet all my needs;
 I am the least in Your kingdom,
 I know,
 But Lord don't forsake me now;
 All of Your mercies
 I could never afford,
 I'm undeserving of Your Love,
 But love me, Lord.

CHORUS

For nobody here really knows me,
 And no one here understands my
 fears,
 And when I'm in trouble and I'm all
 alone,
 Lord, only You can dry my tears.
 O, if You should leave me,
 Then where could I go
 To find rest for my weary soul?
 And because I'm so unworthy,
 I love You even though
 I'm undeserving of Your Love
 But love me Lord.

I don't deserve the blood that You
 shed,
 When You died on the cross in my
 stead,
 And to think that each drop of
 blood that fell from Your brow,
 Would reach down a drop a time
 To cleanse my soul now;
 I don't deserve the place that You
 prepared
 For my life when this world is o'er,
 But take my love forever,
 Your presence I adore,
 I'm undeserving of Your Love,
 But love me Lord.

206 HE BROUGHT ME OUT

Key C

My heart was distressed 'neath
 Jehovah's dread frown,
 And low in the pit where my sins
 dragged me down;
 I cried to the Lord from the deep
 miry clay,
 Who tenderly brought me out to
 golden day.

CHORUS

He brought me out of the miry clay,
 He set my feet on the Rock to stay;
 He puts a song in my soul today,
 A song of praise, hallelujah!

He placed me upon the strong
 Rock by His side,
 My steps were established and
 here I'll abide;
 No danger of falling while here I
 remain,
 But stand by His grace until the
 crown I gain.

He gave me a song, 'twas a new
 song of praise,
 By day and by night its sweet
 notes I will raise;
 My heart's overflowing, I'm happy
 and free,
 I'll praise my Redeemer, who has
 rescued me.

I'll sing of His wonderful mercy to
 me,
 I'll praise Him till all men His
 goodness shall see;
 I'll sing of salvation at home and
 abroad,
 Till many shall hear the truth and
 trust in God.

207 WON'T IT BE A TIME

Key F

Won't it be a time, }
 When we get over yonder! }3x
 Oh, Oh, won't it be a time!
 Sing and shout, dance about, }
 When we get over yonder, }3x
 Oh, Oh, won't it be a time!

CHORUS

We've been made more than
conquerors,
Overcomers in this life.
We've been made victorious,
Through the blood of Jesus Christ.

When trouble comes knocking at
your door,
Don't be afraid it's not like before
Don't you give in,
Don't let it bring you down,
You don't have to worry
anymore;
Jesus said there'll be tribulations,
But He said, "I have overcome."
Brothers and sisters, well now's
the time to stand,
Don't you know the battles all are
won.

Hold on, we're getting stronger
everyday,
There's no reason for you to go
astray,
Don't be leaning to your
understanding,
Lean on Him and we'll all say.....

CHORUS

Jesus, You're the centre of my
joy,
All that's good and perfect
comes from You,
You're the heart of my
contentment, Hope for all I do;
Jesus, You're the centre of my
joy.

Up the mountain, }
Down in the valley, }
Jerusalem is my home. }2x
Home, home, home sweet home,
Jerusalem is my home.

Let there be fellowship, true
fellowship,
In the homes of the people,
In the house of the Lord,
Family and church alike,
May we all be knitted so tight;
That we'll serve one another,
As Ye first served us.

Grant us relationship,
True spiritual relationship,
That we might walk together
In the love of the Lord.
Not just "How do you do?"
But "I really love you so."
That all men will know we are
The disciples of Christ.

BRIDGE

We confess our need of healing,
Lord, so often we've been
dealing
With our strife and many
problems
In our own way;
So we're in a broken up state,
Got to find a way to prostrate,
Help us oh Lord.

BRIDGE

For we love each other,
Don't we?
And we need each other,
Don't we?
And we are a family,
Aren't we
Under our Lord?
So Father, You would want to free
us,
And would want to really see us,
In one accord.

Ten thousand years
We'll just be started;
Ten thousand years
We'll have just begun;
When the battle's over,
And the victory's won,
Ten thousand years,
And we've just begun.

213**SOMETHING
HOLDING ME**

Key F

The trials of this world were getting closer,
 The pull I felt was more than I could bear,
 And I was on the verge of just giving over:
 The strength within myself just wasn't there.

CHORUS

Something keeps holding me,
 Everyday I see,
 He's helping me faithfully
 To overcome my trials;
 He's guiding me constantly,
 Giving me victory,
 He's a reality;
 Something keeps holding me.

Satan laid before me his temptation
 Of his desire to steal away my faith,
 But I have found in time the revelation,
 The strength I need to keep me by His grace.

214**THE TOMB NOW IS
EMPTY**

Key C

The tomb now is empty,
 The stone's been rolled away,
 And Christ is alive in my heart,
 And death which is conquered,
 In me, has no part,
 For Christ is alive in my heart.

215**LET MY LIFE**

Key C

Lord of light create in me
 A reflection of yourself
 So that you can freely work
 And truly shine through me
 Shine through me

CHORUS

Let my life be a picture of You;
 Let my life be a picture of You;
 Let it be a letter written by Your hand
 For the world to read, and to see,
 and to feel, and to know You live,
 Live in me.

Holy Spirit grant in me
 The fruit of love
 Joy, patience, self-control
 The life of Christ in me
 Christ in me

216**SHOWERS OF
BLESSINGS**

Key F

There shall be showers of blessing
 This is the promise of love;
 There shall be seasons refreshing,
 Sent from the Saviour above.

CHORUS

Showers of blessing,
 Showers of blessing we need;
 Mercy-drops round us are falling
 But for the showers we plead.

There shall be showers of blessing
 Precious reviving again;
 Over the hills and the valleys
 Sound of abundance of rain.

There shall be showers of blessing
 Send them upon us, O Lord;
 Grant to us now a refreshing,
 Come, and now honour Thy Word.

There shall be showers of blessing
 Oh, that today they might fall,
 Now as to God we're confessing,
 Now as on Jesus we call!

217**COME HOLY SPIRIT**

Key D

Come Holy Spirit, I need You,
 Come Sweet Spirit, I pray;
 Come in Thy strength and
 Thy power, O Lord,
 Come in Thy own gentle way.

218**HERE WE ARE**

Key C

Here we are in Your presence,
 Lifting holy hands to You;
 Here we are praising Jesus
 For the things He's brought us
 through.

219 THE LIGHTHOUSE

Key F

There's a lighthouse on the
hillside,
That overlooks life's sea;
When I'm tossed it sends out a
light,
That I might see;
And the light that shines in
darkness now,
Will safely lead me o'er;
If it was not for that lighthouse
My ship would sail no more.

CHORUS

I thank God for the Lighthouse,
I owe my life to Him;
For Jesus is the Lighthouse,
And from the rocks of sin
He has shone His Light around
me,
That I might clearly see;
If it was not for that Lighthouse
Tell me where would this ship be

Everybody that lives around us,
Says tear that old lighthouse
down,
The big ships don't sail this way
anymore,
There's no use of it standing round
But then my mind goes back to
that stormy night,
When just in time, I saw the Light,
Yes, the Light from that old
Lighthouse
That stands up there on the hill.

220 IN HIS PRESENCE

Key C

In His presence there's fullness of
joy,
At His right hand there're
pleasures forevermore;
O what fellowship divine,
I am His and He is mine;
In the presence of the Lord
There's fullness of joy.

**221 MY WONDERFUL
LORD**

Key F

I have found a deep peace that I
never had known,
And a joy this world could not
afford,
Since I yielded control of my body
and soul,
To my wonderful, wonderful Lord.

CHORUS

My wonderful Lord, my wonderful
Lord,
By angels and seraphs in Heaven
adored;
I bow at Thy shrine, my Saviour
divine,
My wonderful, wonderful Lord.

I desire that my life shall be
ordered by Thee,
That my will be in perfect accord;
With Thine own sovereign will Thy
desires to fulfil,
My wonderful, wonderful Lord.

All the talents I have, I have laid at
Thy feet,
Thy approval shall be my reward;
Be my store great or small,
I surrender it all,
To my wonderful, wonderful Lord.

Thou art fairer to me than the
fairest of earth,
Thou omnipotent, life-giving Word;
O Thou Ancient of Days,
Thou art worthy all praise,
My wonderful, wonderful Lord!

222 AIN'T GOD GOOD

Key F

Isn't God good
To give us so many blessings,
Undeserving, that's what we are;
We ought to thank Him
Love and praise Him,
A little more today,
A whole lot more tomorrow.

223**I'VE RECOGNIZED
THE VOICE**

Key C

I will turn my back to sin,
 Let Your love pull me in,
 Knowing wisdom begins with
 fear.
 Turn my trembling to fervor,
 As I learn daily to serve;
 For I've recognized the voice that
 draws me near.

CHORUS

I have recognized the voice,
 I have understood the call;
 I have seen the beauty of the One
 I fear.
 It is He who calls my name,
 And His mercy I will claim;
 I have recognized the voice that
 draws me near.

I draw near only thro' grace,
 I can now look on His face,
 Holy, holy is the One who meets
 me here.
 I know only that I must,
 Now by faith begin to trust;
 For I've recognized the voice that
 draws me near.

224**OH HOW HE LOVES
ME**

Key F

Oh, how He loves you and me,
 Oh, how He loves you and me,
 He gave His life,
 What more could He give?
 Oh, how He loves you,
 Oh, how He loves me,
 Oh, how He loves you and me.

225**GOD IS MOVING**

Key D

God is moving, God is moving,
 He is moving all over the earth.
 Signs and wonders are where
 God's moving;
 He is moving all over the earth.

226**IT'S A NAME ABOVE
ALL**

Key C

It's a name above all names,
 And we will declare it,
 We will declare it,
 It's a name above all names,
 And we will shout it to a dying
 world.

"Who will declare My name?
 Who will shout My name
 In the middle of the nations,
 Who will take the shield of faith,
 And the sword of My mouth
 And declare My name to a dying
 world?"

"He who hath declared Me thus
 far
 Will walk in even greater power,
 For the sands of time are running
 out,
 Yet My name will be declared in
 this final hour."

"I am Jehovah, I Am that I Am!
 And My trumpet shall soon sound
 out.
 I formed the world with just a
 whisper,
 But this generation, this
 generation,
 This generation heard Me shout."

227**RISE AND BE
HEALED**

Key F

Rise and be healed
 In the name of Jesus;
 Let faith arise in your soul!
 Rise and be healed
 In the name of Jesus,
 He will cleanse you and make
 you whole!

228**LET GO AND LET
GOD**

Key D

Let go and let God have His
 wonderful way,
 Let go and let God have His way;
 Your sorrow will vanish,
 Your night turn to day,
 Let go and let God have His way.

229 WE ARE A LINK

Key C

CHORUS

We are a link in a strong chain
 Reaching round the world,
 Reaching round the world.
 We are a torch lifted high, flaming
 bright,
 Shining round the world,
 Shining round the world.

We are conquering the mountains,
 Taking back the land,
 Marching our vessels into war;
 We are binding up the wounded,
 They will live to fight again;
 Advancing from the ocean
 Back to the shore.

We must carefully plan our
 strategy,
 Confusing the enemy,
 We're doing it all through unity,
 unity, unity.

230 WHEN ALL GET TO HEAVEN

Key A

Sing the wondrous love of Jesus,
 Sing His mercy and His grace;
 In the mansions, bright and
 blessed,
 He'll prepare for us a place.

CHORUS

When we all get to heaven,
 What a day of rejoicing that will
 be!
 When we all see Jesus,
 We'll sing and shout the victory.

While we walk the pilgrim pathway,
 Clouds will overspread the sky;
 But when travelling days are over,
 Not a shadow, not a sigh.

Let us then be true and faithful,
 Trusting, serving, every day;
 Just one glimpse of Him in glory
 Will the toils of life repay.

Onward to the prize before us!
 Soon His beauty we'll behold;
 Soon the pearly gates will open,
 We shall tread the streets of gold.

231 I WAS ON HIS MIND

Key C

There's no one great amongst us,
 We're nothing on our own,
 We make mistakes, and often slip,
 Just common flesh and bone;
 But someday, I'll prove just why I
 say,
 I'm of a special kind,
 For while He was on the Cross
 I was on His mind.

CHORUS

For, He knew me,
 Yet, He loved me,
 He whose glory makes the
 heavens shine.
 I am so unworthy of such mercy,
 Yet, while He was on the Cross
 I was on His mind.

The look of love was on His face,
 The thorns were on His head,
 Blood was on His scarlet robe,
 Stained in crimson red;
 Though His eye was on the crowd
 that day
 He looked ahead in time,
 And while He was on the cross
 I was on His mind.

232 MY TENT NO MORE PITCHED

Key F

My tent is no more pitched
 Down there in Egypt's land,
 You'll see me no more there,
 I live in another land.
 Hallelujah, hallelujah, hallelujah,
 hallelujah.

233 IT IS THROUGH GRACE

Key F

It is through Grace, through Grace,
 Through Grace we serve the Lord;
 It is through Grace, through Grace,
 Through Grace we serve the Lord.
 It is through Grace, it is through
 Grace we serve the Lord,
 It is through Grace, it is through
 Grace we serve the Lord.
 (We come from far, from far, from
 far to serve the Lord.....)

234 COME MORNING

Key C

God's children so long have been waiting,
 They're longing for heaven's bright shore
 Where troubles are left far behind us,
 And burdens are carried no more.

CHORUS

Come morning I'll walk by the river,
 I'll rest 'neath the evergreen tree;
 I'll carry my cross till the midnight
 Come morning there's glory for me.

Sometimes I'm despised and rejected,
 And I question, "Oh Father, how long?"
 Then I take one more look at Mt. Calvary
 And it gives me the strength to go on.

235 VICTORY, VICTORY, VICTORY

Key F

Victory, victory, victory,
 Victory is mine,
 Deep down in my soul,
 Jesus made me whole;
 Victory, victory, victory,
 Victory is mine, Victory is mine.

236 THAT SOUNDS LIKE HOME

Key D

That sounds like home to me,
 Like where I want to be;
 There'll be no tears
 To dim our eyes again;
 The hills will echo with the story,
 As we sing of His grace and glory;
 Where the saints of God will be,
 That sounds like home to me.

237 FARTHER ALONG

Key D

Tempted and tried we're oft made to wonder
 Why it should be thus all the day long,
 While there are others living about us,
 Never molested though in the wrong.

CHORUS

Farther along we'll know all about it,
 Farther along we'll understand why;
 Cheer up, my brother, live in the sunshine,
 We'll understand it all by and by.

When death has come and taken our loved ones,
 It leaves our home so lonely and drear;
 Then do we wonder why others prosper,
 Living so wicked year after year.

Faithful till death said our loving Master,
 A few more days to labour and wait
 Toils of the road will then seem as nothing,
 As we sweep through the beautiful gate.

When we see Jesus coming in glory,
 When He comes from His home in the sky;
 Then we shall meet Him in that bright mansion,
 We'll understand it all by and by.

238 THE LOVE OF JESUS

Key D

The love of Jesus is so wonderful,}
 Oh, wonderful love. }3x
 It's so high, you can't get over it,
 So low, you can't get under it,
 So wide, you can't get around it,
 Oh wonderful love.

The God of this evil age,
Has blinded their eyes today,
A people who walk their
own way
Not according to God's Word.
They're denying the things
He's done,
Rejecting His only Son,
And accepting the creeds of
man;
Oh, this is the evening time.

CHORUS

This is the evening time,
It's later than you think;
The Bride is preparing now,
For her Lord to meet.
All things are ready now,
The combine is here.
He that hath an ear to hear,
The evening time is here.

Gross darkness throughout the
land,
And people can't understand,
God's prophet has warned the land
Proclaiming the Word to men;
So if you'll be saved today,
Just follow that way He gave,
That's accepting the Word of God
Oh, this is the evening time.

Seven thunders they don't believe,
How else could the Seals be
revealed
To give the Bride rapturing faith,
Sleeping saints and our Lord to
meet.
If you want to be raptured today,
Follow Ephesians 4:11's way,
It's the anointed Word today,
Oh, this is the evening time.

God is able, God is able
To deliver from the fire;
He will rescue
Those who serve Him,
When the flames are burning
higher.

I've just come into a valley,
One like I've never been before,
I keep searching for a way out,
Seems like padlocks are on the
door.
Oh! there must be another sunrise,
Another sunset that I'll see,
God will make this trial a blessing,
Just be patient, you will see.

CHORUS

God will make this trial a blessing,
Though it sends me to my knees;
Though my tears flow like a river
Yet in Him there's sweet relief;
There's no need to get discouraged,
There's no need to talk defeat;
God will make this trial a blessing,
And the whole wide world will see.

I was not the first one to come into
this place,
You see every child of God this
test he must face,
It is here that God will mould you,
And make you what you ought to be.
God will make this trial a blessing,
Just be patient you will see.

I'm standing on the mountain,
Looking back I can see
When I was in my lowest valley,
His strong hand was leading me.
Oh, it's good to see the sunrise,
And to taste sweet victory!
God has made this trial a blessing,
Oh, the love He has for me.

You are worthy to be praised,
Lord Almighty,
And I worship You,
You are worthy to be praised;
Lord, I love You, and I worship
You,
You are worthy to be praised,
You are worthy, worthy,
Worthy to be praised.

243 JESUS NEVER FAILS

Key F

So many have tested Him
Throughout the course of time,
So many still reach out to Him
With broken hearts and minds,
And every one of them will say,
Without exception that they find:
Jesus never fails.

Even in the days of old
He brought His people through,
Then He came and He showed
His love,
And died for me and you.
Jesus rose again and He proved
That His story has been true,
That Jesus never fails.

CHORUS

Jesus never fails, Jesus never
fails,
You might as well get thee
behind me, Satan,
You cannot prevail
Because Jesus never fails.

Sometimes in my life comes
trouble,
At times so hard to bear;
I know I could not make it
Without my Saviour being there;
It's so encouraging just to know,
However deep we're in despair:
That Jesus never fails.

244 BIND US TOGETHER

Key D

Bind us together Lord, bind us
together
With cords that cannot be
broken,
Bind us together Lord, bind us
together Lord,
Bind us together with love.

There is only one God,
There is only one King,
There is only one body,
That is why I sing.

245 THROUGH IT ALL

Key F

I've had many tears and sorrows,
I've had questions for tomorrow,
Many times I didn't know right
from wrong;
But in every situation,
God gave me blessed
consolation,
That my trials only come to make
me strong.

CHORUS

Through it all, through it all,
I've learned to trust in Jesus,
I've learned to trust in God;
Through it all, through it all,
I've learned to depend upon His
Word.

I've been to lots of places,
And I've seen millions of faces,
But there were times I felt so all
alone;
But in my lonely hours,
Those precious lonely hours,
Jesus let me know that I am His
own.

So I thank God for the
mountains,
And I thank Him for the valleys,
And I thank Him for the storms
He brought me through;
For if I never had a problem,
How could I know that my God
would solve them;
How could I know what faith in
God can do.

246 IT'S THE LIFE

Key A

It's the life behind the Name,
That makes the demons tremble;
It's the life behind the Name,
That makes the proud heart
humble;
It was God who devised a plan,
That in all things like a man,
He would live, so He could give,
Give us the life behind the Name.

I was down as low as one could go,
I had no strength of my own;
Everything I worked for all my life,
Everything I loved was gone;
The lowest valley of my life.
I was flat on my face,
But then the great hand of Jesus
Reached down and picked me up,
Oh yes! I know grace.

CHORUS

Do you know grace,
Amazing grace?
Have you heard how sweet the
sound?
There are many dangers, toils and
snares,
We've already come,
Look where you came from
And where you are,
And I'll ask you, "Do you know
grace?"

When it comes time for Him to
take His Bride,
To that evergreen shore,
And He chooses you and I
To live in that land forever more;
When we've been there ten
thousand years,
And you see me in that place,
Oh! you could ask me this
question again,
I'll say, "Yes! I remember grace."

Only by grace can we enter,
Only by grace can we stand,
Not by our human endeavor;
But by the blood of the Lamb.
Into Your presence You called us,
You called us to come;
Into Your presence You draw us,
And now by Your grace we
come, }2x

Lord, if You mark our }
transgression, who would stand? }
Thanks to Your grace we are }
cleansed }
By the blood of the Lamb. }2x

Do you know what it is
Not to have one guilty feeling,
Not to wonder where you're going
when you die;
Not condemned of the past,
Not afraid of what tomorrow holds
in store
And know the reason why?
Yes, that's just how it is
When you go down in the water
'Cause by faith you believe in what
you heard,
It's no impossible dream,
You can start over clean
When you're washed by the water
of the Word.

CHORUS

Are you washed by }
the water, }
Washed by the water }
of the Word? }2x

It's like being born again
With a whole new life to live,
Never having to look back to what
you've been,
'Cause according to the Lord
You've just started your existence,
And where He's concerned there
never was no sin;
For when God looks your way
He no longer sees a sinner
But a saint who's been washed
white as snow;
Not by any thing we've done
But by the blood of God's own Son.
Are you washed by the water of
the Word?

If that same Spirit that raised }
Christ from the dead }
Dwell in you, dwell in you, }2x

It shall quicken your mortal }
body, }
If that Spirit dwell in you. }2x

From the dust of the earth,
My God formed this body,
His breath made me a living
soul;
And then the light of His Word
Struck the germ deep inside me,
That is why, that is why I love
Him so.

CHORUS

For I was made in His likeness,
Created in His image,
For I was born to serve the Lord;
And I can't deny Him,
I will always walk beside Him,
For I was born to serve the Lord.

My hands, they were made to
serve His people,
My eyes, they were made to
read God's Word;
My feet, they were made to walk
in His pathway;
And my body is the temple of the
Lord.

Whom He foreknew, He did
predestinate,
To be conformed into His image,
Whom He foreknew, it's them He
also called.
Whom He called, He did justify;
Whom He justified, He has
glorified,
And I'm waiting for the
translation
to meet my Lord.

All over the world the Spirit is
moving,
All over the world as the prophet
said it would be;
All over the world there's a mighty
revelation
Of the coming of the Lord as the
waters cover the sea.

Deep down in my heart.....

How can I say thanks
For the things You have done for me,
Things so undeserved,
Yet You gave to prove Your love
for me;
The voices of a million angels
Could not express my gratitude;
All that I am and ever hope to be
I owe it all to Thee.

CHORUS

To God be the glory, }3x
For the things He has done;
With His blood He has saved me,
With His power He has raised me;
To God be the glory,
For the things He has done.

Just let me live my life,
Let it be pleasing Lord unto Thee;
And should I gain any praise,
Let it go to Calvary.

Working daily for Your cause,
There's so little time to pause
And seek Ye prayerfully.
Good intentions somehow fail,
Empty promises prevail;
Oh Lord, am I too busy for You to
quiet me?

CHORUS

Quiet me,
Let peaceful waters flow,
Learn to be still my soul.
Let me hear
Jesus walking near,
Touch me Lord, and quiet me.

There're so many songs unsung,
And dreams not yet begun,
For there's so much to do
In so little time;
Yet there is nothing that can
replace
All the times I seek Your face;
Oh Lord, I want Your perfect will
For this life of mine.

255 MY SINS ARE GONE

Key C

You ask me why I'm happy,
So I'll just tell you why;
Because my sins are gone,
And when I meet the scoffers,
Who ask me where they are,
I say, "my sins are gone."

CHORUS

They're underneath the Blood,
On the Cross of Calvary;
As far removed as darkness is
from dawn,
In the sea of God's forgetfulness,
That's good enough for me,
Praise God, my sins are gone.

'Twas at the old-time altar,
Where God came in my heart,
And now my sins are gone,
The Lord took full possession,
The devil did depart,
I'm glad my sins are gone.

When Satan comes to tempt me,
And tries to make me doubt,
I say, "my sins are gone,
You got me into trouble,
But Jesus got me out,"
I'm glad my sins are gone.

I'm living now for Jesus,
I'm happy night and day
Because my sins are gone,
My soul is filled with music,
With all my heart I say,
"I know my sins are gone."

**256 LET HIM BREATHE
ON ME**

Key D

Let Him breathe on me,
Let Him breathe on me,
Let the breath of God
Now breathe on me;
Let Him breathe on me,
Let Him breathe on me,
Let the breath of God
Now breathe on me.

257 HE SET ME FREE

Key G

Once like a bird in prison I dwelt,
No freedom from my sorrow I felt,
Then Jesus came and listened to
me;
And glory to God, He set me free.

CHORUS

He set me free, yes, He set me free;
He broke the bonds of prison for
me;

I'm glory bound my Jesus to see,
For glory to God He set me free.

Now I am climbing higher each
day,
Darkness of night has drifted
away,
My feet are planted on higher
ground,
And glory to God I'm homeward
bound.

Good-bye to sin and things that
confound,
Naught of this world shall turn
me around,
Daily I'm working, I'm praying
too,
And glory to God, I'm going
through.

**258 WHAT A MIGHTY
GOD**

Key F

What a mighty God we serve,
What a mighty God we serve,
Angels bow before Him,
Heaven and earth adore Him,
What a mighty God we serve.

259 HE WAS THERE

Key A

He was there all the time,
He was there all the time,
Waiting patiently in love,
He was there all the time.

I would love to tell you what I think
of Jesus,
Since I've found in Him a friend so
kind and true.

I would tell you how He changed
my life completely,
He did something that no other
friend can do.

CHORUS

No one ever cared for me like Jesus,
There's no other friend so kind as
He,
No one else could take the sin and
darkness from me,
Oh how much He cares for me.

Every day He comes to me with
new assurance,
More and more I understand His
words of Life.

I would never know just why He
came to save me,
Till someday soon I'll see His
blessed face above.

Beloved let us love one another;
For love is of God,
And everyone that loveth is borned
of God and knoweth God.

He that loveth not knoweth not
God, for God is love;
Beloved let us love one another
with Jesus' love.

Seek ye first the kingdom of God,
And its righteousness,
And all these things shall be added
unto you. Hal -le-lu, Hallelujah!

Man shall not live by bread alone,
But by every Word
That proceeds from the mouth of
God. Hallelujah!

I'm not trying to find just some new
frame of mind,
That will change my old point of
view.

For I've been through it all;
Deep inside nothing's changed,
I'm not new;
I'm not seeking a gift or emotional
lift.

But one thing I'm longing to do,
Is to lift up my cup and let You fill it
up with just You!

CHORUS

More of You, more of You,
I've had all, {I cry Lord} but what I
need, just more of You.
Of things I've had my fill
And yet I hunger still;
Empty and bare, Lord, hear my
prayer for more of You.

I have searched all around
In the husks that abound,
But I find no nourishment there;
Now my strength's almost gone
and I feel the pull of despair;
Yet my thirst drives me on,
and I stumble along,
Over ground so barren and dry,
For the spring's just ahead,
Living water! Lord, fill me, I cry.

Hold on, (all you got to do is) }
Hold on, }
There is no failure in God. }2x

Just pray, (all you got to do is) }
Just pray, }
He won't fail, He won't fail, }
He won't fail. }2x

Look up, (all you got to do is) }
Look up, }
There is no failure in God. }2x

Standing on the promises of
Christ my King,
Through eternal ages let His
praises ring;
Glory in the highest I will shout
and sing,
Standing on the promises of God

CHORUS

Standing, standing,
Standing on the promises of God
my Saviour;
Standing, standing,
I'm standing on the promises of
God.

Standing on the promises that
cannot fail,
When the howling storms of
doubt and fear assail.
By the living Word of God I shall
prevail,
Standing on the promises of
God.

Standing on the promises I now
can see
Perfect, present cleansing in the
blood for me;
Standing in the liberty where
Christ makes free,
Standing on the promises of
God.

Standing on the promises of Christ
the Lord,
Bound to Him eternally by love's
strong cord,
Overcoming daily with the Spirit's
sword,
Standing on the promises of God.

Standing on the promises I cannot
fall,
Listening every moment to the
Spirit's call,
Resting in my Saviour as my all in
all,
Standing on the promises of God.

We're looking for His coming, in
the clouds of heaven,
Coming back to earth to catch
away His own;
Then may we all be ready, when
midnight cry is given,
To go and reign with Christ on His
throne.

CHORUS

Gladly may we herald the message of
His blessed appearing,
Soon He's coming in glory, tell to
one and all;
Then awake, ye saints of the Lord,
why slumber when the end is
nearing,
But get ready for the final call.

We're longing for the glory that
awaits the faithful,
Who shall overcome, and every
conflict win;
Press ever bravely onward,
The prize is life eternal
To all who win the fight over sin.

We're praying for the advent of our
blessed Saviour,
Who has promised life to all who
trust His grace;
His coming now is pending, the
message being given,
And soon we'll see our Lord face
to face.

We see the signs appearing of His
blessed coming,
Lo, behold the fig leaves now
becoming green;
The gospel of His kingdom has
gone to every nation;
That we are near the end can be
seen.

Oh Lord, I've heard Your Word
that has called me,
And now I can't turn away;
I'm compelled by the truth that I
hear,
Just to walk with You my Lord,
This is my prayer.

And I know that in myself I am not
worthy Lord,
Of the place that You've prepared
for me;
But I love You, and I really want to
serve You,
So each day of my life
I will live for You.

CHORUS

Empty me, dear Lord,
Of all my self and pride;
Empty me, dear Lord,
Remove secret sins inside;
Empty me, Oh, my loving Lord,
Until I'm just like a little child,
So Your will could be done in my
life.

Sometimes from within,
Lord, how I groan and cry,
How I hunger and I thirst for Thee;
But I would not be satisfied,
Until I be filled with You,
Empty me, so that I can be filled
with You.

CHORUS

Empty me, dear Lord of unbelief
inside,
Lord let me never pretend,
Remove fears and doubts within;
Empty me, oh my loving God,
Until I'm just like a little child,
So Your will could be done in my
life.

There's a voice calling me,
From an old rugged tree,
And it whispers draw closer to
Me,
Leave this world far behind,
There are new heights to climb,
And a new place in Me you will
find.

CHORUS

And whatever it takes,
To draw closer to You Lord,
That's what I'll be willing to do,
And whatever it takes,
For my will to break,
That's what I'll be willing to do.
I'll trade sunshine for rain,
Comfort for pain,
That's what I'll be willing to do;
And whatever it takes,
For my will to break,
That's what I'll be willing to do.

Take the dearest thing to me,
If that's how it must be,
To draw me closer to Thee;
Let the disappointments come,
Lonely days without the sun,
If in sorrow, more like You I'll
become.

Take my houses, take my lands,
Take my dreams and my plans,
For I'm placing my whole life in
Your hands,
And if You'll call me today to a
land far away,
Then I'll go and Your will obey.

So glad I'm Yours, Lord,
So glad I'm Yours,
So glad Your mercy
Has followed me;
So glad You've found me
And set me free,
So glad I'm Yours, Lord,
So glad I'm Yours.

Hear my cry, O God,
Attend unto my prayer;
From the end of the earth,
Will I cry unto Thee;
For when my heart is
overwhelmed,
Lord, You lead me to that rock
That is higher than I.

Thou hast been O Lord,
A shelter for me;
And a strong tower from the
enemy;
For when my heart is
overwhelmed,
Lord, You lead me to that rock,
That is higher than I.

I will sing O Lord,
Praises unto Thee.
For Your joy is my strength,
And Your love it comforts me;
For when my heart is
overwhelmed,
Lord, You lead me to that rock
That is higher than I.

Oh there's a hand that covers the
mountain,
And that furnished all the galaxies,
And that same hand that holds the
world in space,
Is the same hand that's holding me.

CHORUS

And He'll never let go of my hand
Till I stand in heaven's fair land,
Till I'm safe forever more,
On that happy golden shore,
No, He'll never let go of my hand.

He's been faithful when cold winds
were blowing,
And He's been true when storms
have assailed;
But His holy love that amazes me
Is that He loves me, even when I
fail.

We find many people who can't
understand
Why we are so happy and free;
We've crossed over Jordan to
Canaan's fair land
And this is like Heaven to me.

CHORUS

Oh, this is like Heaven to me,
(Praise God!)
Yes, this is like Heaven to me;
I've crossed over Jordan to
Canaan's fair land
And this is like Heaven to me.

Oh, when I get happy, I sing and I
shout,
The devil don't believe it, I see:
But I'm filled with the Spirit, there
isn't a doubt,
And that's what's the matter with
me.

O perfect love all human thought
transcending,
Lowly we kneel in prayer before
Thy throne,
That theirs may be
The love which knows no ending,
Whom Thou forever more
Dost join in one.

O perfect life be Thou their full
assurance,
Of tender charity and steadfast
faith,
Of patient hope and quiet, brave
endurance,
With childlike trust that fears no
pain nor death.

Grant them the joy which brightens
earthly sorrow,
Grant them the peace which calms
all earthly strife;
And to life's day the glorious
unknown morrow,
That dawns upon eternal love and
life.

Make a joyful noise unto the Lord
 (The Lord,) all ye lands,
 Serve the Lord with gladness,
 Come before His presence with
 singing;
 Know ye that the Lord He is God,
 It is He who hath made us
 And not we ourselves,
 We are His people and the sheep
 of His pasture.

CHORUS

Praise God! }
 Hallelujah, glory hallelujah! }4x

Enter into His gates with
 thanksgiving,
 And into His courts with praise,
 Be thankful unto Him,
 And bless, bless His name;
 For the Lord He is good,
 His mercy is everlasting,
 And His truth, His truth endureth to
 all generations.

Bless the Lord }
 Oh my soul! }
 And all that is within me }
 Bless His Holy name. }2x

He has done great things,
 He has done great things,
 He has done great things,
 Bless His holy name.

I will bless the Lord
 With all my soul,
 And all that is within me
 Bless His holy name.

From the rising of the sun }
 Until the going down of the }
 same, }
 The name of the Lord }
 Is to be praised. }2x

When the hosts of Israel, led by
 God,
 Round the walls of Jericho softly
 trod;
 Trusting in the Lord, they felt the
 conqueror's tread,
 By faith they saw the victory
 ahead.

CHORUS

Victory ahead! Victory ahead,
 Through the blood of Jesus,
 Victory ahead;
 Trusting in the Lord, I hear the
 conqueror's tread,
 By faith I see the victory ahead.

David, with a shepherd's sling
 and five stones,
 Met the giant on the field all
 alone;
 Trusting in the Lord, he knew
 what God had said,
 By faith he saw the victory ahead.

Daniel prayed unto the Lord thrice
 each day,
 Then unto the lion's den led the way;
 Trusting in the Lord, he did not fear
 or dread,
 By faith he saw the victory ahead.

Often with the carnal mind I was
 tried,
 Asking for deliverance oft I cried;
 Trusting in the Lord, I reckoned I
 was dead,
 By faith I saw the victory ahead.

When like those who've gone
 before to that land,
 By death's river cold and dark I
 shall stand;
 Trusting in the Lord, I will not fear
 or dread,
 By faith I see the victory ahead.

Our God reigns,
 Our God reigns, {praise the Lord}
 Our God reigns, our God reigns.

Blessed be the name of my Rock,
Who trains my hands for war;
Causes me to walk in His
Overcoming power forevermore;
Blessed be the name of my Rock,
Blessed be the name of my Shield;
Blessed be the Lamb who has
opened the scrolls,
And loosed the Seven Seals.

Proclaim His Word to every land,
Let my people prepare for war;
Wake up the mighty men,
Let all your men become mighty
men of war;

Come, be a people great and strong,
The like of which has never been;
Pick up your sword, pick up your
shield,
Become mighty men;
Let the weak say, 'I am strong,'
Let the faint say, 'I am renewed,'
Blow the trumpet in Zion;
For I am coming soon!

The day of the Lord is at hand,
And His camp is very great,
For strong is the One who
performs His Word,
And by His Word all the earth shall
quake;
My people will become of strength,
With swift feet they shall run,
They shall leap the mountain like a
flame of fire,
Like a chariot in the sun.

The army of the Lord is great,
The army of the Lord of Lords;
The faith of their hearts, this shall
be their strength;
And His Word shall be their sword.

Michael, I'm on Your side,
Michael, I'm on Your side;
You have come on this earth
To fight for your Bride,
Michael, I'm on Your side.

I have heard how Christians long
ago
Were brought before a tyrant's
throne;
They were told that he would
spare their lives
If they would renounce the name
of Christ;
But one by one they chose to die,
The Son of God they would not
deny;
Like a great angelic choir sing,
I can almost hear their voices ring.

CHORUS

I pledge allegiance to the Lamb,
With all my strength, with all I am,
I will seek to honour His command;
I pledge allegiance to the Lamb.

Now the years have come,
And the years have gone,
But the cause of Jesus still goes on
Now the time has come to count
the cost,
To reject this world,
To embrace the Cross;
And one by one, let us give our
lives,
For the One who died to give us
life;
Till the Trumpet sounds on that
final day
Let us proudly stand and boldly say.

BRIDGE

To the Lamb of God,
Who bore my pain,
Who took my place,
Who wore my shame,
I will seek to honour His command;
I pledge allegiance to the Lamb.

Sometimes hallelujah!
Sometimes praise the Lord!
Sometimes gently singing,
Our hearts in one accord.

281 MANIFESTING TIME

Key D

The voice of my Beloved,
Behold He quickly comes,
Sweeping over the mountains,
Over the hills He runs.
I long to hear His voice,
I long to hear Him say,
"Arise my love, my fair one come
away."

CHORUS

It's manifesting time,
The fruits are on the vine,
And the Lovely One
Is coming in plain view;
O, to cap God's chosen Bride,
Redemption draweth nigh;
He's that lovely One,
He's coming in plain view.

The grapes are yours and mine,
Little foxes spoil the vine,
For the vineyard blossoms forth
her harvest time;
Keep your eyes on things above,
Don't look at me or you,
See that lovely One, He's coming
in plain view.

In the cleft of the Rock,
In the secret place so high,
Till the daybreak and the
shadows
flee away,
Oh, in that mountain place,
A sweet smell's coming through;
He's that lovely One -
He's coming in plain view.

282 WHEREVER I AM

Key F

Wherever I am, I'll praise Him,
Whenever I can, I'll praise Him,
For His love surrounds me like the
sea,
I'll praise the Name of Jesus,
Lift up the Name of Jesus,
For the Name of Jesus lifted me.

283 VICTORY IN JESUS

Key F

I heard an old, old story,
How a Saviour came from glory,
How He gave His life on Calvary
To save a wretch like me;
I heard about His groaning,
Of His precious blood's atoning,
Then I repented of my sins
And won the victory.

CHORUS

O victory in Jesus,
My Saviour, forever,
He sought me and bought me
With His redeeming blood;
He loved me ere I knew Him
And all my love is due Him,
He plunged me to victory,
Beneath the cleansing flood.

I heard about His healing,
Of His cleansing power revealing,
How He made the lame to walk
again
And caused the blind to see;
And then I cried, "Dear Jesus,
Come and heal my broken spirit,"
And somehow Jesus came and
brought
To me the victory.

I heard about a mansion
He has built for me in glory,
And I heard about the streets of
gold
Beyond the crystal sea;
About the angels singing,
And the old redemption story,
And some sweet day I'll sing up
there
The song of victory.

284 I AM BLESSED

Key F

I am blessed, I am blessed,
Every day that I live I am
blessed;
When I wake up in the morning,
When I lay my head to rest
I am blessed, I am blessed.

285 HAD IT NOT BEEN

Key F

Just suppose God searched
through heaven,
And couldn't find one worthy to be
The supreme sacrifice that was
needed,
To buy eternal life for you and me.

CHORUS

Had it not been for a place called
Mt. Calvary,
Had it not been for the old rugged
Cross,
Had it not been for a Man called
Jesus,
Then forever, my soul would be
lost.

I'm so glad He was willing to drink
that bitter cup,
Although He prayed, "Father let it
pass from me,"
I'm so glad He didn't call Heaven's
angels,
To take the nails from His hands
that set me free.

I'm so glad He has promised a
Second Cycle,
And I'm so glad He's now riding
this trail again,
I'm so glad He revealed those
Seven Thunders
To give His Bride the power in His
New Name.

CHORUS

Had it not been for a place called
Mt. Sunset
Had it not been for those Seven
Seals
Had it not been for that Seventh
Angel,
Then forever, our souls would be
lost.

286 I LOVE YOU LORD

Key F

I love You Lord, and I lift my
voice,
To worship You, O my soul, rejoice,
Take joy my King in what You hear,
Let it be a sweet, sweet sound
In Your ear.

287 A BRAND NEW TOUCH

Key D

CHORUS

Lord, You know I need a brand
new touch,
My strength from yesterday is
gone;
But if You'll give me, Lord,
another touch,
I'll have the strength to carry on.

I tho't the sun had come to stay,
But all too soon it went away,
And in its place the storm clouds
came,
And with the clouds there came
the rain;
It rained so hard and oh, so long,
But midst the storm I felt a calm;
It was Your touch that brought
me through it all,
Without Your help I'd surely fall.

Yesterday has come and gone,
And now a new day's coming on,
I do not know what it may bring,
My heart may cry instead of sing;
But it matters not what comes my
way, Lord,
If You'll just touch me new each
day;
Your loving touch drives all my
fears away,
Close by Your side I want to stay.

BRIDGE

Lord, You know how weak I
really am,
Even better than myself;
But with Your help I know I really
can,
Make it thro' the darkest night,
And everything's gonna be all
right.

288 INTO MY HEART

Key D

Into my heart, into my heart,
Come into my heart, Lord Jesus
Come in today,
Come in to stay,
Come into my heart, Lord Jesus.

There's a great day coming, a
great day coming,
There's a great day coming by and
by,
When the saints and the sinners
shall be parted right and left,
Are you ready for that day to come?

CHORUS

Are you ready? Are you ready?
Are you ready for the judgement
day?
Are you ready? Are you ready
for the judgement day?

There's a bright day coming, a
bright day coming,
There's a bright day coming by
and by,
But its brightness shall only come
to them that love the Lord,
Are you ready for that day to come?

There's a sad day coming, a sad
day coming,
There's a sad day coming by and
by,
When the sinner shall hear his
doom,
"Depart, I know ye not,"
Are you ready for that day to
come?

God is God, and He always
will be God;
God is God, and He always
will be God.
He's the God in the fiery furnace,
He's the God in the lion's den;
He's the God of the whole creation,
He's the God in the hearts of men.

Am I a soldier of the cross,
A follower of the Lamb,
And shall I fear to own His cause,
Or blush to speak His Name?

CHORUS

And when the battle's over, we
shall wear a crown!
Yes, we shall wear a crown! Yes,
we shall wear a crown!
And when the battle's over, we
shall wear a crown
In the new Jerusalem.
Wear a crown, wear a crown,
Wear a bright and shining crown;
And when the battle's over, we
shall wear a crown
In the new Jerusalem.

Must I be carried to the skies
On flowery beds of ease,
While others fought to win the prize,
And sailed through bloody seas?

Are there no foes for me to face?
Must I not stem the flood?
Is this vile world a friend to grace
To help me on to God?

Sure I must fight if I would reign,
Increase my courage, Lord;
I'll bear the toil, endure the pain,
Supported by Thy Word.

I am one of the few, one of the
few,
And by faith in God's Word I can
claim it;
Though the way may seem long,
Though the opposition strong,
For the Bride there's a way
provided;
If you plan to go through,
Just to hope would not do,
But you've got to be firmly decided
To follow the Lord by obeying His
Word,
And believe that "I'm one of the
few."

293 GO TELL THEM I AM

Key F

I would that all be saved
 And live an abundant life,
 And know what it's like to be so
 free,
 Free from sin and strife.

CHORUS

Oh, but how, how will they know Me
 But by My word?

Oh and how, how will you tell them,
 Unless you go and do the things
 you've heard?

I would that all be fed
 And all be clothed,
 And everyone would be so
 blessed,
 And all would be made whole.

I would that all men would prosper
 And walk in My divine health,
 But don't you know their soul's
 Got to grow first of all,
 Or never will they touch my wealth.

Some of you are called to be
 missionaries,
 Others are called to remain;
 Beautiful are all the feet of those
 who carry
 To the world, My Word and My
 Name.

BRIDGE

You've got to lay hands on the sick
 And they'll recover,
 It's written in my Word
 And you know it's true;
 You've got to raise up the dead in
 Jesus Name,
 And I'll be right there walking in
 you.
 Go tell them I AM, Go tell them I
 AM...

294 HE IS ABLE

Key G

He's able, He's able
 I know my God is able;
 I know my God is able to carry me
 through.

295 THE END TIME

Key D

I look and see earth's sorrowing
 picture,
 The hoarding mobs for selfish
 gain;
 Their toil of hand for ease and
 comfort,
 Can they not see, their doom is
 sealed, it's all in vain.

CHORUS

The end is here, it's now at hand,
 The Bride is gathering; the world is
 failing;
 Israel's awakening; nations are
 breaking;
 Our prophet taught us, we believe
 the end is here.

Sirs, this is the time! our prophet
 spoke of,
 The Angel came with a Shout,
 The mountain shook as His Voice
 cried out,
 "Time is no more." loud and clear
 the Shout went forth.

Have you considered the end-time
 Message?

Have you considered Malachi 4?
 Revelation 10:7, and St.Luke17
 Proclaim this Message now, and
 then forevermore.

296 FATHER IN HEAVEN

Key C

Father in heaven how we love You,
 We lift Your name above the earth,
 May Your kingdom be established
 in our praises
 And Your people declare
 Your mighty Word.

Blessed be the Lord God Almighty,
 Who was and is and is to come.
 Blessed be the Lord God Almighty,
 Who reigns forever more.

297 IT'S THE ANOINTING

Key F

The Spirit of the Lord is upon me,
 For He hath anointed me
 To bring good tidings to the meek;
 To bind the broken-hearted,
 To proclaim liberty to the captives,
 And the opening of the prisons to them that are bound.

CHORUS

It's the anointing that makes the difference,
 Once you've known It
 You'll never be the same;
 You can't live without It
 Once it rests upon you;
 It will teach you how to walk in Jesus' name.

In My name, you will cast out demons;
 In My name, you will speak with new tongues;
 You shall lay your hand upon the sick,
 And they will recover;
 All these signs shall follow you in My name.

298 HE IS OUR PEACE

Key D

He is our peace who has }
 broken down every wall, }
 He is our peace, }
 He is our peace. }2x

Cast all your cares on Him, }
 For He careth for you. }
 He is our peace, }
 He is our peace. }2x

299 SWEEP OVER MY SOUL

Key F

Sweep over my soul, sweep over my soul,
 Sweet Spirit, sweep over my soul;
 My rest is complete while I sit at Your feet;
 Sweet Spirit, sweep over my soul.

300 JESUS THE LIGHT

Key D

All ye saints of light proclaim,
 Jesus, the light of the world;
 Life and mercy in His name,
 Jesus, the light of the world.

CHORUS

We'll walk in the light, beautiful light,
 Come where the dewdrops of mercy are bright;
 Shine all around us by day and by night,
 Jesus, the light of the world.

Hear the Saviour's earnest call,
 Jesus, the light of the world;
 Send the Gospel truth to all,
 Jesus, the light of the world.

Why not seek Him then today,
 Jesus, the light of the world;
 Go with truth the narrow way,
 Jesus, the light of the world.

Come, confess Him as your King,
 Jesus, the light of the world;
 Then the bells of heaven will ring,
 Jesus, the light of the world.

301 I WORSHIP YOU

Key D

I worship You, oh Mighty God,
 There is none like You.
 I worship You, oh Prince of Peace,
 That is what I want to do.
 I give You praise,
 For You are my righteousness,
 I worship You, oh Mighty God,
 There is none like You.

302 OUR GOD IS SO GOOD

Key D

Our God is so good. }8x
 He sent us His prophet, }
 Our God is good. }2x

303**TAKE ME, SEPARATE ME**

Key F

Lord, how I long to be lost in Your
precious arms,
And feel contentment sweep over
my soul;
To hear You speak peace to the
waters of my troubled mind,
I would rest in the strength there I
find.

CHORUS

Take me, separate me
From the things of this life,
Where I only see heartache and
strife;
Hide me, uphold me on eagles'
wings,
I know You'll never ever let me go.

Down deep in my soul,
There's a calling, a longing for
home,
'Cause I'm so tired of this world
below;
I know that somewhere, beyond
the curtain of time,
Lies a body, a new body that's
mine.

304**HE PAID A DEBT**

Key C

He paid a debt He did not owe,
I owed a debt I could not pay,
I needed someone to wash my
sins away;
And now I sing a brand new
song,
Amazing Grace!
Christ Jesus paid the debt that I
could never pay.

305**SOMEONE IS PRAYING**

Key D

Someone is praying for you,
Someone is praying for you,
So when it seems you're all alone,
And your heart would break in two,
Remember someone is praying for
you.

306**LORD PREPARE ME**

Key E

It is You Lord who came and
saved
The heart and soul of every man;
It is You Lord who knows my
weakness,
Give me strength which I don't
have.

CHORUS

Lord, prepare me to be a
sanctuary,
Pure and holy, tried and true;
With thanksgiving, I'll be a living
sanctuary for You.

Lead me on Lord, from temptation,
Purify me from within;
Fill my heart with Your Holy Spirit,
Take away all my sins.

307**HIS NAME BE GLORIFIED**

Key D

His name be glorified,}2x
His name, His name,
His name be glorified.

Jesus we glorify,}2x
Jesus, Jesus,
Jesus, we glorify.

We've got to tell them }
Jesus saves, }2x
Tell them, tell them,
Tell them Jesus saves.

Stand up, Stand up,
Stand up for Him today.
Spread the gospel,
His name proclaim;
Stand up for Him today.

308**MY JESUS KNOWS**

Key F

My Jesus knows just what I need,
O yes, He knows just what I need;
He satisfies, my every need
supplies,
Yes, He knows just what I need.

309 WHERE COULD I GO

Key F

Living below in this old sinful world,
 Hardly a comfort can afford;
 Striving alone to face temptations
 sore,
 Where could I go but to the Lord?

CHORUS

Where could I go, O where could I
 go,
 Seeking a refuge for my soul?
 Needing a friend to help me in the
 end,
 Where could I go but to the Lord?

Neighbors are kind, I love them
 every one,
 We get along in sweet accord;
 But when my soul needs manna
 from above,
 Where could I go but to the Lord?

Life here is grand with friends I
 love so dear,
 Comfort I get from God's own
 word;
 Yet when I face the chilling hand of
 death,
 Where could I go but to the Lord?

310 NEVER THE SAME AGAIN

Key F

Never the same again,
 I won't be the same again,
 From the moment I met Jesus
 New life for me began,
 I won't be the same,
 No, never the same again.

311 NOW UNTO THE KING

Key F

Now unto the King Eternal,
 Immortal, Invisible,
 The only wise God,
 Be honour and glory, forever and
 ever,
 Amen, amen, amen, amen,
 amen.

312 WHAT A FELLOWSHIP

Key F

What a fellowship, what a joy
 divine,
 Leaning on the everlasting arms;
 What a blessedness, what a peace
 is mine,
 Leaning on the everlasting arms.

CHORUS

Leaning, leaning,
 Safe and secure from all alarms;
 Leaning, leaning,
 Leaning on the everlasting arms.

Oh, how sweet to walk in this
 pilgrim way,
 Leaning on the everlasting arms;
 Oh, how bright the path grows
 from
 day to day
 Leaning on the everlasting arms.

What have I to dread,
 What have I to fear,
 Leaning on the everlasting arms;
 I have blessed peace with my
 Lord so near,
 Leaning on the everlasting arms.

313 LEARNING TO LEAN

Key F

Learning to lean, learning to
 lean,
 Learning to lean on Jesus,
 Gaining more power,
 Than I'd ever dreamed,
 Learning to lean on Jesus.

314 SOON AND VERY SOON

Key F

Soon and very soon, }
 We are going to see the King, }3x
 Hallelujah, hallelujah, we are
 going to see the King.

No more crying there, }
 We are going to see the King, }3x
 Hallelujah, hallelujah, we are
 going to see the King.

315**BROKEN AND
SPILLED OUT**

Key F

One day a plain village woman,
 Driven by love for her Lord,
 Recklessly poured out her
 valuable essence
 Disregarding the scorn;
 And once it was broken and spilled
 out,
 A fragrance filled all the room,
 Like a prisoner released from his
 shackles,
 Like a spirit set free from the tomb.

CHORUS

Broken and spilled out
 Just for love of You Jesus,
 My most precious treasure
 Lavished on Thee;
 Broken and spilled out,
 And poured at Thy feet,
 In sweet abandon,
 Let me be used up
 And be wasted on Thee.

Lord, You were God's precious
 treasure,
 His all and His own perfect Son,
 Sent here to show me
 The love of the Father,
 Just for the love it was done;
 And though You were perfect and
 holy,
 You gave of Yourself willingly;
 You spared no expense for my
 pardon,
 You were used up and wasted for
 me.

CHORUS

Broken and spilled out
 Just for the love of me Jesus,
 God's most precious treasure
 Lavished on me;
 Broken and spilled out,
 Poured out at my feet,
 In sweet abandon,
 Lord, You were used up
 And wasted on me.

316**THIS IS THE DAY**

Key C

This is the day, this is the day
 That the Lord has made,
 That the Lord has made,
 We will rejoice, we will rejoice
 And be glad in it, and be glad in it.

This is the day that the Lord has
 made,
 We will rejoice and be glad in it,
 This is the day, this is the day
 That the Lord has made.

317**WORTHY, WORTHY**

Key F

Worthy, worthy,
 Worthy is the Lamb that was slain.
 Worthy, worthy,
 Worthy is the Lamb that was slain.

Praise Him, praise Him,
 Praise the Lamb that was slain.
 Praise Him, praise Him,
 Praise the Lamb that was slain.

{Love Him.....}
 {Serve Him...}

318**HEAVENLY FATHER**

Key G

Heavenly Father, I appreciate You,
 Heavenly Father, I appreciate You,
 I love You, adore You
 I bow down before You,
 Heavenly Father, I appreciate You.

Holy Spirit, what a comfort You are,
 Holy Spirit, what a comfort You are,
 You lead me, You guide me,
 You dwell right inside me,
 Holy Spirit, what a comfort You
 are.

319 DRAW ME DEEPER

Key D

Draw me from fear into
faithfulness,
Lead me along Your way;
Draw me from sin into Your
holiness,
That I might be a living praise.

CHORUS

Draw me deeper, deeper
Into Your Word of truth,
Deeper and deeper
To prove my love for You,
Deeper, deeper to the place where
You are;
Draw me deeper, and deeper,
That I may know Your heart.

Draw me from hate into charity,
From restlessness into Your
peace;
Draw me from anger into
gentleness,
Till every storm in my life shall
cease.

320 YOU ARE MY KING

Key C

My days are filled with laughter,
My heart has known Your peace,
I've travelled far
Still there is more to go;
But in my heart there's a longing,
To look upon Your face,
Where You are, is where I want to
be.

CHORUS

You are my King, You are the
Lamb,
Lion of Judah, Seed of Abraham;
The Holy One, God's only Son;
You are the King of whose I am.

Every road I've travelled down,
You have walked before me
You've made the Light to shine
around me;
And I'm looking for the day,
When I'll bow before You,
And lay my crown at Your feet.

**321 I FEEL LIKE
TRAVELLING ON**

Key D

My heavenly home is bright and
fair,
I feel like travelling on,
Nor pain, nor death, can enter
there,
I feel like travelling on.

CHORUS

Yes, I feel like travelling on,
I feel like travelling on;
My heavenly home is bright and
fair,
I feel like travelling on.

Its glittering towers the sun
outshine,
I feel like travelling on,
That heavenly mansion shall be
mine,
I feel like travelling on.

Let others seek a home below,
I feel like travelling on;
Which flames devour, or waves
o'erflow,
I feel like travelling on.

The Lord has been so good to me,
I feel like travelling on;
Until that blessed home I see,
I feel like travelling on.

**322 LONGING FOR
JESUS**

Key A

Longing, longing for Jesus,
I have a longing in my heart for
Him;
Just to be near Him,
To feel His presence,
I have a longing in my heart for
Him.

**323 LORD, I'M COMING
TO THEE**

Key F

Lord, I'm coming now to Thee,
Lay Thy nail-scarred hand on
me,
Let Thy healing virtue flow
And I shall be made whole.

324**BLESSINGS IN THE CITY**

Key C

And it shall be if you will listen
 To the voice of the Lord,
 Faithful to obey all His
 commandments,
 That He will set you high above all
 other nations,
 And all of His blessings shall
 overtake you.

CHORUS

There will be blessings in the city,
 Blessings in the country,
 Plenty of children and plenty to
 feed them.

There will be plenty sheep and cattle,
 Plenty food and bread,
 Blessings when you're coming in,
 Blessings when you're going out.

Bring all your tithes into the
 storehouse,
 Store up food, food in the temple,
 Put me to the test, saith the Lord,
 And I will open all the windows,
 The windows of Heaven,
 And pour out My blessings to
 overflowing.

325**JESUS SIGNED MY PARDON**

Key D

Jesus signed my pardon,
 This I surely know,
 He took my place on Calvary,
 Now I don't have to go;
 All my life I give Him,
 He gave His for me
 When He signed my pardon
 There at Calvary.

326**I WILL EXTOL THEE**

Key G

I will extol Thee, O Lord, O my
 King,
 And I will praise Your name
 forever and ever;
 Everyday I will bless You and
 praise Your holy name,
 Great is the Lord and greatly to be
 praised.

327**HE ABIDES**

Key G

I'm rejoicing night and day,
 As I walk the pilgrim way,
 For the hand of God
 In all my life I see,
 And the reason of my bliss,
 Yes, the secret all is this:
 That the Comforter abides with me.

CHORUS

He abides, He abides,
 Hallelujah, He abides with me!
 I'm rejoicing night and day,
 As I walk the narrow way,
 For the Comforter abides with me.

Once my heart was full of sin,
 Once I had no peace within,
 Till I heard how Jesus died upon
 the tree;
 Then I fell down at His feet,
 And there came a peace so sweet,
 Now the Comforter abides with me!

He is with me everywhere,
 And He knows my every care,
 I'm as happy as a bird and just as free;
 For the Spirit has control,
 Jesus satisfies my soul,
 Since the Comforter abides with me!

There's no thirsting for the things
 of the world, they've taken wings;
 Long ago I gave them up, and instantly
 All my night was turned to day,
 All my burdens rolled away,
 Now the Comforter abides with me!

328**GIVE ME WATER FROM THE WELL**

Key D

Living water flowing from above
 Through the Spirit of never ending
 love, And I'm the first to declare
 my longing thirst for the water
 that comes from above

CHORUS

Give me water from the well
 That never runs dry,
 Give me water from the well
 That gives me hope when I die;
 Give me water from the well
 That never runs dry,
 And I will thirst no more.

Living water leads me to my God
 Now refreshing and cleansing to
 my soul, truly I'm alive and I know I
 can't survive without it, the pure
 waters flow

329 BRING THEM IN

Key F

Hark! 'tis the Shepherd's voice I hear,
 Out in the desert dark and drear,
 Calling the sheep who've gone astray,
 Far from the Shepherd's fold away.

CHORUS

Bring them in, bring them in,
 Bring them in from the fields of sin;
 Bring them in, bring them in,
 Bring the wand'ring ones to Jesus.

Who'll go and help this Shepherd kind,
 Help Him the wand'ring ones to find?
 Who'll bring the lost ones to the fold,
 Where they'll be sheltered from the cold?

Out in the desert hear their cry,
 Out on the mountains wild and high;
 Hark! 'tis the Master speaks to thee,
 Go find My sheep where'er they be.

330 MY JESUS, SWEET JESUS

Key F

My Jesus, sweet Jesus, what a wonder You are,
 You are brighter than the morning star,
 You are fairer, much fairer than the lily that grows by the way,
 And Your love is more precious than gold.

331 TO BE LIKE JESUS

Key F

To be like Jesus, to be like Jesus,
 On earth I long to be like Him;
 All thru life's journey from earth to glory,
 I only ask to be like Him.

332 BOUND FOR PROMISE LAND

Key D

On Jordan's stormy banks I stand,
 And cast a wishful eye
 Toward Canaan's fair and happy land,
 Where my possessions lie.

CHORUS

I am bound for the promised land,
 I am bound for the promised land;
 O who will come and go with me?
 I am bound for the promised land.

O'er all those wide extended plains
 Shines one eternal day;
 There God the Son forever reigns,
 And scatters night away.

No chilling winds, nor poisonous breath,
 Can reach that healthful shore;
 Sickness and sorrow, pain and death,
 Are feared and felt no more.

When shall I reach that happy place,
 And be forever blest!
 When shall I see my Father's face,
 And in His bosom rest?

333 REDEMPTION COMETH

Key A

Redemption cometh, praise the Lord!
 What a wonderful freedom,
 Glory to His name!
 I'm out of my bondage and into God's freedom,
 By the blood of Jesus, Praise the Lord!

334 O LORD YOUR TENDERNESS

Key C

O Lord, Your tenderness, melting all my bitterness,
 O Lord, I receive Your love;
 O Lord, Your loveliness, changing my unworthiness,
 O Lord, I receive Your love. }2x

335**SING THE BRIDE A
SONG**

Key C

To the world the Bride has never
looked so defeated,
While waiting for the promise of
the rapture, it seems so long;
I know she's struggling through
this world,
Trying to make heaven her
home,
So Lord, let me sing Your bride a
song.

CHORUS

Let this song be something about
this message,
Like Christ the Mystery of God
Revealed or the Seven Seals,
Desperation, The Token or
Leadership or The Future Home,
Lord, let me sing Your bride a
song.

Well, I've always wanted to do
something special for Jesus,
But what could I offer Him
That He doesn't already own?
Well I know what I do for Him
Will be for His people,
So, Lord, let me sing Your bride a
song.

336**I SHALL KNOW HIM**

Key D

Standing somewhere in the
shadows you'll find Jesus,
He's the One who always cares
and understands;
Standing somewhere in the
shadows you will find Him,
And you'll know Him by the nail-
prints in His hand.

CHORUS

I shall know Him, I shall know Him,
As redeemed by His side I shall
stand;
I shall know Him, I shall know Him
By the prints of the nails in His
hands.

337**FILL ME NOW**

Key F

Hover o'er me, Holy Spirit,
Bathe my trembling heart and brow;
Fill me with Thy hallowed
presence,
Come, O come and fill me now.

CHORUS

Fill me now, fill me now,
Jesus, come and fill me now;
Fill me with Thy hallowed
presence,
Come, O come and fill me now.

Thou can't fill me, gracious Spirit,
Though I cannot tell Thee how;
But I need Thee, greatly need
Thee,
Come, O come and fill me now.

I am weakness, full of weakness,
At Thy sacred feet I bow;
Blest, divine, eternal Spirit,
Fill with pow'r, and fill me now.

Cleanse and comfort, bless and
save me,
Bathe, O bathe my heart and brow;
Thou art comforting and saving,
Thou art sweetly filling now.

338**O GLORY TO GOD**

Key A

O glory to God, He lifted me up,
He lifted me up I know;
He reached down His hand
And lifted me up,
And that's why I love Him so.

339**GONE! STONE BEEN
ROLLED**

Key D

Gone! The stone's been rolled
back,
Gone! The tomb is empty,
Gone! To sit at the Father's right
hand, {Hallelujah}
Gone! Over death triumphant,
Gone! Sin is defeated,
Gone! To live forever more.

340**TOUCH YOUR
PEOPLE**

Key F

We need wisdom, we need power,
And true love for each other,
We have had so many big but
empty worlds,
So we come before Your face,
Asking for Your grace,
Bring Your people to a state of
fruitful life;
Restore Your church again.

CHORUS

Touch Your people once again,
With Your precious Holy hand, we
pray,
Let Your Kingdom shine upon this
earth,
Thru a living glorious church;
Not for temporary needs, but to
restore authority and power,
Let Your mighty rushing wind blow
in,
Touch Your people once again.

Lord You see Your tired servants,
And Your broken wounded soldiers,
Oh, how much we need Your
precious healing hands;
We need the power of the cross,
It's the only source for us,
When we stand up facing final
battle cry;
Restore Your church again.

341**COME AND GO WITH
ME**

Key D

Come and go with me to my
Father's house,
To my Father's house, to my
Father's House.
Come and go with me to my
Father's house,
Where there's peace, peace,
peace.

342**WONDERFUL!
WONDERFUL!**

Key F

Wonderful! wonderful! Jesus is to
me,
Counselor, Prince of Peace,
Mighty God is He,
Saving me, keeping me from all
sin and shame,
Wonderful is my Redeemer,
praise His name.

343**WHERE THERE'S A
DEEP**

Key C

We see the tree in the winter,
The green leaves are turned
brown and red,
The life that was there has gone
back to the ground,
It looks like the tree is dead.
There is a promise of springtime,
That life will be made anew;
It speaks of the resurrection
morning,
It shows that God's Word is true,

CHORUS

Where there's a deep, deep
calling,
There's a deep, deep to respond
Where there's a hope for a city,
There's a land beyond the sun,
Where there's a yearning,
burning, to leave this world we
have known,
There is a King returning, coming
to take us home.

Each one must come to his winter,
And God all His children has
saved,
That though they may lay us
beneath the cold ground,
The life that was there is not
dead,
We have a promise of
springtime,
That life would be made anew,
We'll meet at the resurrection
morning,
We'll sail beyond the blue.

God's seed had to die and be
buried,
In Luther it started to sprout,
The work had begun, drawn forth
by the sun,
The message of faith brought it
out,
Then came the stalk by John
Wesley,
The Holy Ghost made the wheat
grow,
Then the chaff and the wheat
separated,
God's seventh angel Word made
it so.

344 THE OLD ACCOUNT

Key G

There was a time on earth,
When in the book of heaven
An old account was standing for
sins yet unforgiven;
My name was at the top and many
things below,
I went unto the keeper and settled
long ago.

CHORUS

Long ago, (down on my knees)
Long ago (I settled it all)
Yes, the old account was settled
Long ago; (Hallelujah!)
And the record's clear today,
For He washed my sins away,
When the old account was settled
long ago.

The old account was large,
And growing everyday,
For I was always sinning,
And never tried to pay;
But when I looked ahead
And saw such pain and woe,
I said that I would settle,
I settled long ago.

When at the judgement bar,
I stand before my King,
And He the book will open,
He cannot find a thing;
Then will my heart be glad,
While tears of joy will flow
Because I had it settled and
settled long ago.

When in that happy home,
My Saviour's home above,
I'll sing redemption's story,
And praise Him for His love;
I'll not forget that book,
With pages white as snow,
Because I came and settled,
And settled long ago.

Oh sinner, seek the Lord,
Repent of all your sin,
For thus He hath commanded,
If you would enter in;
And then if you should live
A hundred years below,
Up there you'll not regret it,
You settled long ago.

345 SINCE I'VE BEEN REDEEMED

Key C

I have a song I love to sing,
Since I have been redeemed,
Of my Redeemer, Saviour, King,
Since I have been redeemed.

CHORUS

Since I have been redeemed,
Since I have been redeemed
I will glory in His name;
Since I have been redeemed,
I will glory in my Saviour's name

I have a Christ that satisfies,
Since I have been redeemed,
To do His will my highest prize,
Since I have been redeemed.

I have a witness bright and clear,
Since I have been redeemed,
Dispelling every doubt and fear,
Since I have been redeemed.

I have a home prepared for me,
Since I have been redeemed,
Where I shall dwell eternally,
Since I have been redeemed.

346 IT SHALL FLOW LIKE A RIVER

Key A

It shall flow like a river, It shall fall
like the rain,
It shall rise as the dew in the
morning o'er the plain;
For the knowledge of the Lord
shall fill all the earth
When the Spirit of the Lord shall
fall.

347 LET THE BEAUTY OF JESUS

Key A

Let the beauty of Jesus be seen in
me,
All His wonderful passion and
purity;
O Thou Spirit divine, all my nature
refine,
Till the beauty of Jesus be seen in
me.

348**BATTLE HYMN OF
REPUBLIC**

Key G

Mine eyes have seen the glory of
the coming of the Lord;
He is trampling out the vintage
where the grapes of wrath are
stored;
He hath loosed the fateful lightning
of His terrible swift sword;
His truth is marching on.

CHORUS

Glory! glory, hallelujah!
Glory! glory, hallelujah!
Glory! glory, hallelujah!
His Truth is marching on.

I have seen Him in the watchfires
of a hundred circling camps;
They have builded Him an altar
in the evening dews and damp;
I can read His righteous
sentence by the dim and flaring
lamps;
His day is marching on.

He has sounded forth the
trumpet that shall never sound
retreat;
He is sifting out the hearts of
men before His judgement seat;
O, be swift, my soul to answer
Him! be jubilant my feet!
Our God is marching on.

In the beauty of the lilies Christ
was born across the sea,
With a glory in His bosom that
transfigures you and me;
As He died to make men holy,
Let us die to make men free;
While God is marching on.

349**TAKE UP YOUR
CROSS**

Key F

Take up your cross, and follow
Jesus,
Take up your cross every day;
Don't be ashamed, to say that you
know Him,
Count the cost, take up your cross
And follow Him.

350**I COULD NEVER OUT
LOVE**

Key F

There've been times when giving,
And loving brought pain,
And I promised I would never,
Let it happen again;
But I found out, that loving,
Was well worth the risk,
And that even in losing I'll win.

CHORUS

I want to live, the way
He wants me to live;
I want to give,
Until there's just no more to give;
I want to love, love,
Till there's just no more love;
I could never, ever out love my
Lord.

Jesus showed us that only
Through dying we live,
And He gave, when it seemed
There was no more to give,
Jesus loved when loving
Brought heartache and loss;
And He forgave from the old
rugged Cross.

351**UNTIL YOU KNOW**

Key A

Until you know the loving hand
That reaches down to fallen man,
And picks him up above the plane
Where he has trod;
Until you know just how it feels
To know that God is really real,
You know nothing
Until you know the love of God.

352**MERCY REWROTE
MY LIFE**

Key F

Mercy rewrote my life,
Mercy rewrote my life,
I could have fallen, my soul cast
down,
But mercy rewrote my life.

353 NO NEVER ALONE

Key A

I've seen the lightning flashing,
 And heard the thunder roll;
 I've felt sin's breakers dashing,
 Trying to conquer my soul;
 I've heard the voice of my
 Saviour,
 Telling me still to fight on;
 He promised never to leave me,
 Never to leave me alone.

CHORUS

No, never alone! No, never alone!
 He promised never to leave me,
 Never to leave me alone;
 No, never alone! No, never alone!
 He promised never to leave me,
 Never to leave me alone.

The world's fierce winds are
 blowing,
 Temptations sharp and keen;
 I feel a peace in knowing
 My Saviour stands between;
 He stands to shield me from
 danger,
 When earthly friends are gone;
 He promised never to leave me,
 Never to leave me alone.

When in affliction's valley,
 I'm treading the road of care;
 My Saviour helps me to carry
 My cross when heavy to bear;
 My feet, entangled with briars,
 Ready to cast me down,
 My Saviour whispers His promise,
 "I never will leave thee alone."

He died for me on the mountain,
 For me they pierced His side;
 For me He opened the fountain,
 The crimson, cleansing tide;
 For me He's waiting in glory,
 Seated upon His throne;
 He promised never to leave me,
 Never to leave me alone.

354 WE'LL TALK IT OVER

Key C

Tho' shadows deepen and my
 heart bleeds,
 I will not question the way He leads;
 This side of heaven we know in part,
 I will not question a broken heart.

CHORUS

We'll talk it over in the by and by,
 We'll talk it over, my Lord and I,
 I'll ask the reasons, He'll tell me why,
 When we talk it over in the by and
 by.

I'll trust His leading; He'll never fail,
 Tho' darkest tunnels or misty vale;
 Obey His bidding and faithful be,
 Tho' only one step ahead I see.

I'll hide my heartache behind a
 smile,
 And wait for reasons till after while;
 And 'tho He try me I know I'll find,
 That all my burdens are silver lined.

**355 MORE THAN
ENOUGH**

Key C

Jehovah Jireh, my Provider,
 You are more than enough for me.
 Jehovah Rapha, You're my Healer,
 By Your stripes I've been set free.
 Jehovah Shammah You are with me,
 You supply all my needs;
 You are more than enough,
 You are more than enough,
 You are more than enough for me.

Jehovah Nissi, You are my
 victory, You are more than
 enough for me.
 Jehovah Tsidkenu, my
 righteousness,
 All You are I now can be.
 Jehovah Ra-ah, You're my shepherd,
 Shalom, You are my peace.
 You are more than enough, so much
 more than enough, You are more
 than enough for me.

356 I AM THE LORD

Key D

I am the Lord that healeth thee,
 I am the Lord, your Healer,
 I sent my word to heal your
 diseases,
 I am the Lord your Healer.

357 HAVE THINE OWN WAY

Key C

Have Thine own way, Lord!
Have Thine own way!
Thou art the Potter;
I am the clay.
Mould me and make me
After Thy will,
While I am waiting,
Yielded and still.

Have Thine own way Lord!
Have Thine own way!
Search me and try me,
Master, today!
Whiter than snow, Lord,
Wash me just now,
As in Thy presence
Humbly I bow.

Have Thine own way, Lord!
Have Thine own way!
Wounded and weary,
Help me I pray!
Power, all power,
Surely is Thine!
Touch me and heal me,
Saviour divine!

Have Thine own way, Lord!
Have Thine own way!
Hold o'er my being absolute sway!
Fill with Thy Spirit till all shall see,
Christ only, always,
Living in me!

358 I WAS GLAD

Key C

I was glad when they said unto me,
I was glad when they said unto me,
I was glad when they said unto me,
Let us go in the house of the Lord.

So glad, { so glad }
So glad, { so glad }
So glad, { so glad }
So glad.

359 HALLELUJAH

Key F

Hallelujah, hallelujah, hallelujah,
Hallelujah, hallelujah, hallelujah,
Hallelujah, hallelujah,

Lord we love You.....

Thank You Jesus.....

360 JESUS IN ME

Key D

William Branham is the prophet
To this seventh age;
He revealed every mystery,
And to God we give our praise.
With the saints he is waiting
For us to understand,
The seven thunders mystery,
The stature of a perfect man.

CHORUS

Jesus in me, Jesus in me,
Seven thunders within this life of
mine,
From Paul to William Branham,
From Faith to Perfect love,
These lively stones are reaching
out to God.

There is no one like my Jesus,
No person can compare,
He satisfies me fully,
There's no reason for despair;
And when battles in this life
Get me down all so low,
He fills my lamp with living oil
When in prayer to Him I go.

His grace is all sufficient
For this failing flesh of mine,
Every answer to the Bible,
It has been there all the time;
And even though I fail Him daily,
Perfection dwells within,
Those seven thundering voices
Will bring Jesus back again.

The foundation of the pyramid
Is Faith preached by Paul,
Irenaeus fought for Virtue,
That pyramid grew tall.
Do you see where we are
standing?
Just one more step and then
Those seven thundering voices
Will bring Jesus back again.

361 PRAISE THE LAMB

Key F

Hallelujah, praise the Lamb!
Hallelujah, praise the Lamb!
My heart sings His praise again,
Hallelujah praise the Lamb!

Oh, how well I remember in the
old-fashioned days,
When some old-fashioned
people had some old-fashioned
ways;
In the old-fashioned meetings, as
they tarried there,
In the old-fashioned manner,
How God answered their prayer.

CHORUS

'Twas an old-fashioned meeting, in
an old-fashioned place,
Where some old-fashioned people
had some old-fashioned grace:
As an old-fashioned sinner I began
to pray,
And God heard me, and saved me
in the old-fashioned way.

There was singing, such singing of
those old-fashioned airs!
There was power, such power in
those old-fashioned prayers,
An old-fashioned conviction made
the sinner pray,
And the Lord heard and saved
him,
In the old-fashioned way.

Well, they say it is better, "Things
have changed don't you know,"
And the people in general, seem to
think it is so;
And they call me old-fashioned
when I dare to say,
That I like it far better in the
old-fashioned way.

If the Lord never changes, as the
fashions of men,
If He's always the same, why,
He is old-fashioned then!
As an old-fashioned sinner saved
thro' old time grace,
Oh, I'm sure He will take me to an
old-fashioned place.

In times of trouble and inward
struggle
When it seems the end of the way,
Taking His direction,
I'm longing for perfection,
I only need to feel His hand in mine.

CHORUS

Dear Jesus, I'm in Your pavilion,
There I'll find the strength
I need to carry on,
In the secret of Your presence,
Beholding Your beauty, oh Lord.

In God's Word I'm reading, how
my life is leading,
Onward to that beautiful shore.
I'll greet the saints at heaven's door,
With a love I've never felt before,
What joy is waiting there for me.

CHORUS

But until then, I'll stay
In Your pavilion,
There I'll find the strength
I need to carry on;
In the secret of Your presence,
Beholding Your beauty oh Lord.

Therefore the redeemed of	}
the Lord shall return,	}
And come with singing, unto	}
Zion,	}
And everlasting joy shall be	}
upon their heads;	}2x
They shall obtain gladness and	
joy,	
And sorrow and mourning shall	
flee away.	

Therefore the redeemed of the
Lord shall return,
And come with singing unto Zion,
And everlasting joy shall be upon
their heads.

I've found a friend in Jesus, He's
everything to me.
He's the fairest of ten thousand to
my soul;
The Lily of the Valley, in Him alone
I see
All I need to cleanse and make me
fully whole.
In sorrow He's my comfort, in
trouble He's my stay,
He tells me every care on Him to
roll. Hallelujah!
He's The Lily of the Valley, the
Bright and Morning Star,
He's the fairest of ten thousand to
my soul.

He all my grief has taken, and all
my sorrows borne;
In temptation He's my strong and
mighty tower;
I have all for Him forsaken, and all
my idols torn
From my heart, and now He keeps
me by His power.
Though all the world forsake me,
and Satan tempt me sore,
Through Jesus I shall safely reach
the goal. Hallelujah!
He's the Lily of the Valley, the
Bright and Morning Star,
He's the fairest of ten thousand to
my soul.

He'll never, never leave me, nor
yet forsake me here,
While I live by faith and do His
blessed will;
A wall of fire about me, I've nothing
now to fear;
With His manna He my hungry
soul shall fill.
Then sweeping up to glory, we'll
see His blessed face,
Where rivers of delight shall ever
roll. Hallelujah!
He's the Lily of the Valley, the
Bright and Morning Star,
He's the fairest of ten thousand to
my soul.

There was a thirsty woman,
Who was drawing from a well,
Her life was ruined and wasted,
Her soul was bound for hell.
Then she met the Master,
Who told of her great sin,
He said, "If you drink this water,
You'll never thirst again."

CHORUS

There is a river
That flows from deep within.
There is a fountain
That frees the soul from sin.
Come to these waters;
There is a vast supply.
There is a river,
That never shall run dry.

There came a sound from Heaven
As a rushing, mighty wind,
It filled their hearts with singing,
And gave them peace within.
The prophet gave the promise,
The Spirit will descend,
And from your inner being,
A river with no end.

Oh, Magnify the Lord! }
For He is worthy }
To be praised. }2x

CHORUS

Hosanna! Blessed be }
the Rock! }
Blessed be the Rock }
of my Salvation. }2x

Glory, glory to His Name, }
He lives and reigns forevermore }2x

Jehovah Jireh is His Name. }
For He provideth all my needs. }2x

Softly and tenderly Jesus is calling,
Calling for you and for me,
See on the portals He's waiting
and watching,
Watching for you and for me.

CHORUS

Come home, come home,
Ye who are weary, come home;
Earnestly, tenderly, Jesus is calling,
Calling, Oh sinner, come home!

Why should we tarry when Jesus
is pleading,
Pleading for you and for me?
Why should we linger and heed
not His mercies,
Mercies for you and for me?

Time is now fleeting, the moments
are passing,
Passing from you and from me;
Shadows are gathering, death's
night is coming,
Coming for you and for me.

Oh! for the wonderful love He has
promised,
Promised for you and for me;
Though we have sinned,
He has mercy and pardon,
Pardon for you and for me.

Into Your court we come,
Deep in our hearts we long to be
Near to the throne of Your glory;
As we draw near to You,
Know that we're here to do Your will,
God, how we long to be near to you.

May our prayers be like incense
Raising up to Your throne,
May our songs be a fragrance unto
You,

May our lives be a pleasing
offering in all that we do,
Oh! God how we long to be }
near to You. }2x

What can wash away my sin?
Nothing but the blood of Jesus;
What can make me whole again?
Nothing but the blood of Jesus.

CHORUS

Oh, precious is the flow
That makes me white as snow;
No other fount I know,
Nothing but the blood of Jesus.

For my cleansing this I see,
Nothing but the blood of Jesus;
For my pardon this my plea,
Nothing but the blood of Jesus.

Nothing can for sin atone,
Nothing but the blood of Jesus;
Naught of good that I have done,
Nothing but the blood of Jesus.

This is all my hope and peace,
Nothing but the blood of Jesus;
This is all my righteousness,
Nothing but the blood of Jesus.

Now by this I'll overcome,
Nothing but the blood of Jesus;
Now by this I'll reach my home,
Nothing but the blood of Jesus.

Glory! Glory! Thus I sing,
Nothing but the blood of Jesus;
All my praise for this I bring,
Nothing but the blood of Jesus.

A little more oil in my lamp, keep
me burning;
A little more oil in my lamp, I
pray.
A little more oil in my lamp, keep
me burning,
Keep me burning 'til the break of
day.

Sing Hosannah! Sing hosannah!
Sing Hosannah to the King of
Kings!
Sing Hosannah! Sing hosannah!
Sing Hosannah to the King.

372 BEULAH LAND

Key F

I've reached the land of corn and wine,
And all its riches freely mine:
Here shines undimmed one
blissful day,
For all my night has passed away.

CHORUS

O Beulah land, sweet Beulah land,
As on thy highest mount I stand,
I look away across the sea,
Where mansions are prepared for me,
And view the shining glory-shore,
My Heaven, my home
forevermore!

My Saviour comes and walks with me,
And sweet communion here have we;
He gently leads me by His hand,
For this is Heaven's borderland.

A sweet perfume upon the breeze,
Is borne from ever-vernal trees
And flow'rs, that never-fading grow,
Where streams of life forever flow.

The zephyrs seem to float to me,
Sweet sounds of Heaven's melody,
As angels with the white-robed throng,
Join in the sweet Redemption song.

373 FAITH IN JEHOVAH

Key D

Faith in the Father, and faith in the Son,
Faith in the Holy Ghost,
These three are One;
Demons will tremble, and sinners awake;
Faith in Jehovah makes anything shake.

374 HE IS ABLE TO DELIVER

Key A

'Tis the grandest theme thro' the
ages rung;
'Tis the grandest theme for a
mortal tongue;
'Tis the grandest theme that the
world ev'r sung,
"Our God is able to deliver thee."

CHORUS

He is able to deliver thee, He is
able to deliver thee;
Tho' by sin oppressed, go to Him
for rest;
"Our God is able to deliver thee."
A-MEN.

'Tis the grandest theme in the
earth or main;
'Tis the grandest theme for a
mortal strain;
'Tis the grandest theme, tell the
world again,
"Our God is able to deliver thee."

'Tis the grandest theme, let the
tidings roll,
To the guilty heart, to the sinful
soul;
Look to God in faith, He will make
thee whole,
"Our God is able to deliver thee."

375 REACH OUT TOUCH THE LORD

Key F

Reach out and touch the Lord
As He goes by,
You'll find He's not too busy
To hear your heart's cry;
He is passing by this moment,
Your needs to supply,
Reach out and touch the Lord
As He goes by.

376 SHUT IN WITH GOD

Key A

Shut in with God in a secret place,
There in the Spirit beholding His
face,
Gaining new power to run in the
race,
I love to be shut in with God.

Well I watched a hand today
Reach out to a loved one,
And it nearly broke my heart to say
good-bye
When I heard my brother say that
He was leaving,
I've been waiting, oh so long, for
God's chariot to take me home
Where the grass is greener on the
other side,
Where the grass is greener on the
other side.

CHORUS

Where the roses never ever die,
God's river never runs dry,
Children play forever on the hills of
freedom;
No more war, no more pain,
No more parting ever again,
The grass is greener on the other
side,
Where the grass is greener on the
other side.

Oh, this earth with all of its beauty
holds so little,
And if I could leave today, I'll be
satisfied.
Well I hope that you won't think
that I'm ungrateful,
But my heart is set on glory,
And my mind is fixed on glory,
Where the grass is greener on the
other side,
Where the grass is greener on the
other side.

We are travelling on the right
road
We are travelling on the right
road,
There is one way to the city of God
We are travelling on the right
road.

In my moments of fears,
Through many pains, many tears,
There's a God who was faithful to
me;
When my strength was all gone,
When my heart had no song,
Even then God was faithful to me;
Every word He has promised is
true,
What I thought was impossible
I've seen my God do.

CHORUS

He's been faithful, faithful to me.
Looking back, His love and mercy I
see.
Though in my heart, I have
questioned,
Even failed to believe;
Yet He's been faithful, faithful to
me.

When my heart looked away,
The many times I could not pray,
Still my God, He was faithful to me;
The days I've spent so selfishly
Reaching out for what pleased me,
Even then God was faithful to me;
Every time I come back to Him,
He is waiting with open arms,
And I see once again.

It won't be long, soon we'll be
leaving here,
It won't be long, we'll be going
home.

Count the years as months,
Count the months as weeks,
Count the weeks as days,
Any day now, it won't be long,
We'll be going home.

We shall be like Him, }3x
In the twinkling of an eye,
In a moment of time,
We'll be going home.

381 NO OTHER BLOOD

Key D

So many years, so many Lambs
were offered up,
But all the blood that was spilt
Could never fill that bitter cup,
Till one spotless Lamb in the
form of man,
Gave His life on Calvary,
His was the only blood that could
ever set me free.

CHORUS

For His blood was not just blood
Of another spotless lamb,
But His blood was precious blood,
For it was to claim back man.
With His blood, He healed my
body
And set my spirit free,
I'm so glad for His precious blood
That still flows from Calvary.

No other blood could heal my
broken body,
No other blood could save my
sin-sick soul,
No other blood can conquer
death
And win the victory,
No other blood, than the blood
He shed for me.

382 JEHOVAH HIDE ME

Key F

I am under the Rock,
The Rock is higher than I,
Jehovah hide me,
I am under the Rock.
Go tell my enemy,
I am under the Rock,
Jehovah hide me,
I am under the Rock.

383 OH, THE BLOOD OF JESUS

Key F

Oh, the blood of Jesus,
Oh, the blood of Jesus;
Oh, the blood of Jesus,
That washes white as snow.

384 HE DROPPED THE CHARGES

Key G

I was guilty of all the charges,
doomed in disgrace,
But Jesus with His special love
saved me by His grace;
He pleaded and He pleaded, He
pleaded my case,
Jesus dropped the charges, Jesus
dropped the charges,
Now I'm saved through grace and
faith.

I was guilty for so long,
Lived in sin too long,
But Jesus with His special love,
Reached down with His arm so
strong;
He picked me up and turned me
around,
Gave me a brand new song,
Jesus dropped the charges,
Now to Him I belong.

We may remember and remember,
All of the things we've done,
But Jesus with His special love,
Forgave us of every one;
He put me on the right road,
Lifted my heavy load,
Jesus dropped the charges,
Now I'm free down in my soul.

CHORUS

He dropped the charges,
Jesus dropped the charges,
Although I was wrong,
He dropped the charges,
Jesus dropped the charges,
Showed me right from wrong,
He dropped the charges,
Jesus dropped the charges,
Cast them all away.

At Calvary I heard Him say,
At Calvary I heard Him say,
At Calvary I heard Him say,
Case dismissed, case dismissed,
Saved by grace.

This world may try to satisfy that
longing in your soul,
You may search the whole world
o'er
But you'll be just as before,
You'll never find true satisfaction,
Not until you've found the Lord,
For only Jesus can satisfy your
soul.

CHORUS

Only Jesus can satisfy your soul,
And only He can change your life
And make you whole.
He'll give peace you never knew,
Sweet love and joy and heaven too,
For only Jesus can satisfy your soul.

You may have the fame and fortune,
All the wealth you could obtain,
Yet if you have not Christ within,
Your living here would be in vain,
For there'll come a time when
death shall call you,
Riches cannot help you then,
So come to Jesus, for only He can
satisfy.

There is peace and contentment in
the Father's house today;
Lots of food on His table and no
one is turned away;
There is singing and laughter as
the hours pass by,
But a hush calms the singing as
the Father sadly cries:

CHORUS

My house is full, but my field is
empty;
Who will go and work for me today?
It seems my children all want to
stay around my table,
But no one wants to work in my
field.}2x

Push away from the table, look out
through the window pane;
Just beyond the house of plenty
lies a field of golden grain;
And it's white unto harvest, but the
reapers where are they?
In the house, oh, can't the children
hear the Father sadly say:

Oh, I know you may be weary,
And at times it can get rough,
You may not have all you want
But you always have enough;
And when it seems you're at the
end,
Just remember what I say,
I've never seen the righteous
forsaken
Nor his seed begging for bread.

Oh, I know it seems so hopeless,
And you don't know what to pray,
You've done all you know you
could
And it seems there's just no way;
And when your darkest hour would
come,
Just remember what I say,
I've never seen the righteous
forsaken
Nor his seed begging for bread.

CHORUS

I've never seen God's people
With a need that He could not
meet,
I know that He cares for His own
And His promises He'll keep.

So just hold on a little longer,
The answer's soon to come,
The endless waiting almost over,
The victory's almost won,
And when again you feel this joy
Just remember what I say;
I've never seen the righteous
forsaken
Nor his seed begging for bread.

Thou art worthy, Thou art worthy,
Thou art worthy O Lord.
To receive glory, glory and honour,
Glory and honour and power;
For Thou hast created, hast all
things created,
Thou has created all things,
And for Thy pleasure they are
created
Thou art worthy O Lord.

Lord, I didn't come here
To ask you for anything,
Lord, I just want to say, "Thank
You Lord."
You answered a million prayers,
oh God
That I forgot to thank you for,
Lord, I just want to say, "Thank
You Lord."

CHORUS

For maybe tomorrow
I'll have troubles and sorrows,
And a thousand tears may fall,
But until I face tomorrow's test
I'll have no special favours to ask
Lord, I just want to say, "Thank You
Lord."

You've been so good,
And you've been so kind,
I'm so grateful Lord,
I'm so grateful Father,
You kept us in our right minds.
Many times we didn't know what to
do,
But you always brought us through,
We come today Lord,
We come today Father,
Just to say, "Thank You Lord."

You gave us eyes to see,
When we were bound, you set us
free,
We can't forget Lord,
All of the things that You have
done.
Lord, we travelled by land
And we travelled by air,
I know you kept us Lord,
You kept us from harm, hurt and
danger.

I've been changed, I've been reborn,
All my life has been rearranged;
What a difference it makes when
the Lord has His way;
All my life, Praise God, has been
changed.

See all the wounded,
Hear all their desperate cries for
help,
Pleading for shelter and for peace.
Our comrades are suffering,
Come let us meet them and their
need
Don't let a wounded soldier die.

CHORUS

Come let us pour the oil,
Come let us bind their hurt,
Let's cover them with a blanket of
His love;
Come let us break the bread,
Come let us give them rest,
Let's minister healing to them;
Don't let another wounded
soldier die.

Obedying their orders,
They fought on the front lines for
our King,
Capturing the enemy's
stronghold;
But, weakened from battle,
Satan crept in to steal their lives;
Don't let the wounded soldiers
die.

Once my heart and soul were
fettered
By the binding chains of sin,
But the great Emancipator
Set me free to worship Him.

CHORUS

Glory, glory, hallelujah,
Blessed be His holy name!
He's the great emancipator,
That's the song of the redeemed!

Like a lost lamb I was drifting,
O, so helpless and alone,
But the seeking Shepherd found
me,
Led me to my Father's home.

393 HE'LL DO IT AGAIN

Key A

You may feel down and feel like
God has somehow forgotten
That you are faced with
circumstances you can't get
through;
Right now it seems that there's
no way out and you're going
under,
But, God's proven time and time
again,
He'll take care of you.

CHORUS

And He'll do it again,
He'll do it again,
If you just take a look,
At where you are now,
And where you have been.
For hasn't He always come
through for you,
He's the same now as then.
You may not know how,
You may not know when,
But He'll do it again.

My God knows the pain
You're going through and He
knows how you're hurting,
You see, He knows just how
your heart has been broken in
two.
But He's the God of the stars
and of the sun and of the sea
And He is your Father.
He can calm the storm and find a
way
To take care of you.

BRIDGE

He's still God
And He will not fail you;
He's still God
And He cannot change.
Know that He's God
And He's fighting for you,
Just like Moses,
Just like Daniel,
Just like Shadrack, Meshack,
Abednego.

394 A GLORIOUS CHURCH

Key D

Do you hear them coming brother,
Thronging up the steps of light,
Clad in glorious, shining garments,
Blood washed, garments pure and
white?

CHORUS

'Tis a glorious church without spot
or wrinkle,
Washed in the blood of the Lamb;
'Tis a glorious church without spot
or wrinkle,
Washed in the blood of the Lamb.

Do you hear the stirring anthems,
Filling all the earth and sky,
'Tis a grand victorious army,
Lift its banner up on high!

Never fear the clouds of sorrow,
Never fear the storms of sin,
We shall triumph on the morrow,
Even now our joys begin.

Wave the banner, shout His
praises,
For our victory is nigh;
We shall join our conquering
Saviour,
We shall reign with Him on high.

395 MAKE MY LIFE TO BE

Key G

Make my life to be like a melody,
Ever sounding out the message of
the Cross.
Saviour, let me be like a melody,
Ever sounding out the message of
the Cross.

With Jesus in your heart, no
discord can arise,
He can make the saddest heart to
harmonize.
Saviour, let me be like a melody
Ever sounding out the message of
the Cross.

396 RISE AGAIN

Key E

Go ahead, drive the nails in my hand,
Laugh at me, where you stand,
Go ahead, and say it isn't me,
The day will come, when you will see.

CHORUS

'Cause I'll rise again,
Ain't no power on earth
can tie me down;
Yes, I'll rise again,
Death can't keep me
in the ground.

Go ahead, and mock my name,
My love for you is still the same;
Go ahead, and bury me,
But very soon, I will be free.

Go ahead, and say I'm dead and gone,
But you will see that you were wrong;
Go ahead, try to hide the Son,
But all will see, that I'm the One.

397 HE IS MY EVERYTHING

Key D

He is my everything,
He is my all.
He is my everything,
Both great and small;
He gave Himself for me,
Made everything new;
He is my everything,
None other will do.

Some folks may ask me,
Some folks may say,
Who is this Jesus you talk
about each day?
May I never complain or murmur
Lord;
He is my everything, He is my all.

398 JESUS MORE THAN EVER

Key D

He healed the blind man;
Walked on the water,
And He raised up Jairus
daughter.
He fed the hungry, cleansed the leper;
But we need Jesus now more
than ever.

CHORUS

Jesus now more than ever,
We are sailing in stormy
weather;
And all His children should get
together,
For we need Jesus now more
than ever.

He touched the lame man and
he started walking;
He touched the dumb man
and he started talking;
He put their lives all back
together,
But we need Jesus now more
than ever.

In the book of Revelation,
We read about the persecution;
We are heading in that direction,
And only Jesus' blood would give
protection.

399 TRUST IN THE LORD

Key D

Trust in the Lord
With all thine heart;
And lean not to thine own
understanding;
But in all thy ways
Acknowledge Him and
He shall direct thy path.

Trust Him, trust Him,
And thou shall find good favour,
and good understanding;
Trust Him, trust Him,
And He shall direct thy path.

400 BECAUSE HE LIVES

Key F

God sent His Son, we called Him
Jesus,
He came to love, heal and
forgive,
He bled and died to buy my
pardon,
An empty grave is there to prove
that my Saviour lives.

CHORUS

Because He lives, I can face
tomorrow,
Because He lives, all fears are
gone,
Because I know He holds the
future,
And life is worthwhile living just
because He lives.

And then one day I'll cross that
river,
I'll fight life's final war with Him,
And then as death gives way to
victory,
I'll see the light of glory for I
know He reigns.

And then in our day, God sent
His prophet,
Just as He promised that He
would send
To prepare a bride for this end
time message,
And Christ in me is there to
prove that His word still lives.

401 I AM THE WAY, THE TRUTH...

Key C

I am the Way, the Truth and the
Life
That's what Jesus said,
I am the Way, the Truth and the
Life
That's what Jesus said.
Without the Way there is no
going,
Without the Truth there is no
knowing,
Without the Life there is no living;
I am the Way, the Truth and the
Life
That's what Jesus said.

402 HE RESTORETH MY SOUL

Key G

When I'm low in spirit,
I cry, "Lord lift me up, I want to
go higher with thee."
But the Lord knows I can't live on
the mountain,
So He picked out a valley for me.

CHORUS

He leads me beside still waters,
Somewhere in the valley below;
He draws me aside to be tested
and tried,
But in the valley, He restoreth my
soul.

It's dark like a dungeon and the
sun seldom shines,
And I question, "Lord, why must
this be?"
But He tells me there's strength
in my sorrow,
And there's victory in trials for
me.

403 CAUSE ME TO COME

Key F

Cause me to come to Thy river }
Oh Lord; }3x
Cause me to come, cause me to
drink, cause me to live.

Cause me to drink at Thy river }
Oh Lord; }3x
Cause me to come, cause me to
drink, cause me to live.

Cause me to live at Thy river }
Oh Lord }3x
Cause me to come, cause me to
drink, cause me to live.

Cause me to live in Thy }
presence, oh Lord }3x
Cause me to come, cause me to
drink, cause me to live.

404**A SUPERNATURAL
PLACE**

Key D

Lazarus heard a voice though
dead in the tomb,
And Samuel heard the same,
though yet a boy;
We read of Moses and Paul who
were changed in their ways,
They heard the voice of God from
a supernatural place.

CHORUS

Into a supernatural place,
Hearing God's voice, seeing His
face,
Heavenly words of light have
shone on the bride,
Oh, what a reflection of glory and
grace!
What a reflection of glory and
grace.

In the dark of night, God sent a
light,
To quicken us by the rising of the
Son;
Our gloom is passed away,
We are looking at the day
Thru eyes that see a supernatural
place.

405**GLORIFY HIS NAME**

Key G

I came to glorify His Name,
I came to glorify His Name,
I came to glorify the Name of the
Lord,
I came to glorify His Name.

406**HE'S STILL
WORKING ON ME**

Key D

He's still working on me
To make me what I ought to be.
It took Him just a week to make
the Moon and the Stars, the Sun,
the Earth and Jupiter and Mars.
How loving and patient He must
be,
He's still working on me.

407**HEADING FOR
GLORY**

Key D

Sometimes I feel lonely on these
shores where I wait,
In this world that you died for
there's so much evil and hate.
But my cross gets so heavy and my
friends, they are so few,
But your arms are my shelter and
my eyes are on You.

CHORUS

Heading for glory on a ship coming
in,
You know, gone will be our
heartaches we've had now and
then.
Oh, He is coming for His children,
A crown of life they will wear.
Heading for glory on a ship coming
in.

Well you know, soon this battle on
this earth, it shall end.
And we long for that country where
we'll be free from all sin,
Oh, it seems that I can hear
shouting and it's coming, it is so
near,
Well it can't be much longer,
Soon that ship will be here.

408**IN THE NAME OF
JESUS**

Key C

In the Name of Jesus, in the Name
of Jesus,
We have the victory,
In the Name of Jesus, in the Name
of Jesus,
Satan will have to flee.
When we come in the Name of
Jesus,
Tell me who can stand before,
In the precious Name of Jesus,
We shall have the victory.

409 GLORY TO GOD...

Key C

We are never, never weary of
the grand old song;
Glory to God, hallelujah!
We can sing it loud as ever,
With our faith more strong:
Glory to God, hallelujah!

CHORUS

O, the children of the Lord have
a right to shout and sing,
For the way is growing bright and
our souls are on the wing;
We are going by and by to the
palace of a King!
Glory to God, hallelujah!

We are lost amid the rapture of
redeeming love;
Glory to God, hallelujah!
We are rising on its pinions to
the hills above:
Glory to God, hallelujah!

We are going to a palace that is
built of gold;
Glory to God, hallelujah!
Where the King in all His
splendour we shall soon behold:
Glory to God, hallelujah!

There we'll shout redeeming
mercy in a glad, new song;
Glory to God, hallelujah!
There we'll sing the praise of
Jesus with the blood-washed
throng:
Glory to God, hallelujah!

410 OH WHAT A JOY

Key F

Oh, what a joy, O what a joy,
O what a joy in my soul,
It's Jesus on the inside reflecting
on the outside,
O what a joy in my soul.

O what a love.....
O what a peace.....

411 WE ARE WELL ABLE

Key A

'Twas the Lord of host that led us
out of Egypt's land:
And He led us through the Red
Sea by His mighty hand,
Never halting in the wilderness.
But His command
Gave us assurance we were
able to possess the land.

CHORUS

We are able to go up and take the
country,
And possess the land from Jordan
to the sea;
And tho giants tall be there our
way to hinder,
God will surely give the victory.

When the spies brought back the
message, this is what they said;
"Against giants and walled cities,
we cannot be led."
But a Caleb and Joshua said,
"They'll be as bread:
We are able to go up and possess
the land-ahead."

When we crossed the river Jordan,
in the land we found;
Wine and oil, and milk and honey,
richest fruits abound;
Sparkling fountains, and the
showers come upon the ground;
We were able, Hallelujah! let
God's praise resound.

There's no thirsting for old Egypt,
since we're in this way,
And we care not what the critics or
the ten spies say;
For the land abounds in plenty,
and we're here to stay.
Won't you come and join us,
brother, enter in today?

412 THANK YOU LORD

Key F

Thank you Lord, for saving my soul,
Thank you Lord, for making me
whole,
Thank you Lord for giving to me
Thy great salvation so rich and free.

413 I AM COMING, LORD

Key D

I hear Thy welcome voice
That calls me, Lord, to Thee
For cleansing in Thy precious blood
That flowed on Calvary.

CHORUS

I am coming, Lord!
Coming now to Thee!
Wash me, cleanse me in the blood
That flowed on Calvary!

Tho' coming weak and vile,
Thou dost my strength assure;
Thou dost my vileness fully
cleanse,
Till spotless all and pure.

'Tis Jesus calls me on
To perfect faith and love,
To perfect hope, and peace, and
trust,
For earth and heaven above.

414 OLD-TIME POWER

Key D

They were in an upper chamber,
They were all with one accord,
When the Holy Ghost descended
As was promised by our Lord.

CHORUS

O Lord, send the power just now,
O Lord, send the power just now;
O Lord, send the power just now
And baptize every one.

Yes, this power from heaven
descended
With the sound of rushing wind;
Tongues of fire came down upon
them,
As the Lord said He would send.

Yes, this "old-time" power was
given
To our fathers who were true;
This is promised to believers,
And we all may have it too.

415 VICTORY

Key G

Hallelujah, what a thought!
Jesus full salvation brought,
Victory, victory,
Let the powers of sin assail,
Heaven's grace can never fail,
Victory, victory.

CHORUS

Victory, {victory,} Yes victory,
{Yes victory,}
Hallelujah! I am free,
Jesus gives me victory,
Glory, glory, Hallelujah!
He is all in all to me.

I am trusting in the Lord,
I am standing on His word,
Victory, victory.
I have peace and joy within,
Since my life is free from sin,
Victory, victory.

Shout your freedom everywhere,
His eternal peace declare,
Victory, victory.
Let us sing it here below,
In the face of every foe,
Victory, victory.

We will sing it on that shore
When this fleeting life is o'er,
Victory, victory.
Sing it here, ye ransomed throng,
Start the everlasting song:
Victory, victory.

416 I AM DETERMINED

Key D

I am determined, I've made up my
mind
I'll serve the Lord.
I'll leave this world and its
treasures behind,
I'll serve the Lord.
I'll follow wherever He leadeth;
I'll pasture wherever He feedeth.
I am determined, I've made up my
mind,
I'll serve the Lord.

417**BLESSED BE THE
NAME**

Key G

All praise to him who reigns
above
In majesty supreme;
Who gave his Son for man to
die,
That he might man redeem.

CHORUS

Blessed be the name, blessed
be the name,
Blessed be the name of the Lord;
Blessed be the name, blessed
be the name,
Blessed be the name of the Lord.

(Jesus is the Name...)
(Magnify His Name...)

His name above all names shall
stand,
Exalted more and more,
At God the Father's own right hand,
Where angel hosts adore.

Redeemer, Saviour, Friend of
man
Once ruined by the fall;
Thou hast devised salvation's
plan,
For Thou hast died for all.

His name shall be the Counsellor,
The mighty Prince of Peace,
Of all earth's kingdoms Conqueror,
Whose reign shall never cease.

418**THANK YOU LORD**

Key F

Thank you Lord,
Thank you Lord,
Thank you Lord,
I just want to thank you,
I just want to thank you,
I just want to thank you, Lord.

Praise you Lord,
Praise you Lord,
Praise you Lord,
I just want to praise you,
I just want to praise you,
I just want to praise you, Lord.

419**WHITER THAN SNOW**

Key D

Blessed be the Fountain of blood,
To a world of sinners revealed;
Blessed be the dear Son of God;
Only by His stripes we are healed.
Though I've wandered far from
His fold,
Bringing to my heart pain and woe,
Wash me in the blood of the Lamb,
And I shall be whiter than snow.

CHORUS

Whiter than the snow!
Whiter than the snow!
Wash me in the blood of the Lamb,
And I shall be whiter than snow.

Father, I have wandered from
Thee,
Often has my heart gone astray;
Crimson do my sins seem to me
Water cannot wash them away.
Jesus, to that Fountain of Thine,
Leaning on Thy promise, I go;
Cleanse me by Thy washing
divine,
And I shall be whiter than snow.

420**IT'S COMING DOWN,
DOWN**

Key F

It's coming down, down, down,
It's coming down,
And the Glory of the Lord is
coming down.
When the saints begin to pray,
For the Lord to have His way,
And the Glory of the Lord is
coming down.

421**IN THE BLOOD OF
CHRIST**

Key C

In the blood of Christ my Lord,
In the blood of Christ my Lord,
In the blood of Christ my Lord,
We have the victory.
We have the victory!
We have the victory!
We have the victory!
In the blood of Christ my Lord.

422**ARE YOU WASHED
IN THE BLOOD**

Key G

Have you been to Jesus for the
cleansing pow'r?
Are you washed in the blood of
the Lamb?
Are you fully trusting in His grace
this hour?
Are you washed in the blood of
the Lamb?

CHORUS

Are you washed in the blood,
In the soul-cleansing blood of the
Lamb?
Are your garments spotless?
Are they white as snow?
Are you washed in the blood of the
Lamb?

Are you walking daily by the
Saviour's side?
Are you washed in the blood of the
Lamb?
Do you rest each moment in the
Crucified?
Are you washed in the blood of the
Lamb?

When the Bridegroom cometh, will
your robes be white,
Pure and white in the blood of the
Lamb?

Will your soul be ready for the
mansions bright
And be washed in the blood of the
Lamb?

Lay aside the garments that are
stained with sin,
And be washed in the blood of the
Lamb.

There's a fountain flowing for the
soul unclean,
Oh, be washed in the blood of the
Lamb.

423**ANOINTING FALL ON
ME**

Key C

Anointing, fall on me,
Anointing, fall on me.
Let the power of the Holy Ghost
Fall on me,
Anointing, fall on me.

424**LEAVE IT THERE**

Key G

If the world from you withhold of its
silver and its gold,
And you have to get along with
meagre fare,
Just remember, in His Word, how
He feeds the little bird;
Take your burden to the Lord and
leave it there.

CHORUS

Leave it there, leave it there,
Take your burden to the Lord and
leave it there;
If you trust and never doubt, He
will surely bring you out;
Take your burden to the Lord and
leave it there.

If your body suffers pain and your
health you can't regain,
And your soul is almost sinking in
despair,
Jesus knows the pain you feel,
He can save and He can heal;
Take your burden to the Lord and
leave it there.

When your enemies assail and
your heart begins to fail,
Don't forget that God in heaven
answers prayer;
He will make a way for you and will
lead you safely through;
Take your burden to the Lord and
leave it there.

When your youthful days are gone
and old age is stealing on,
And your body bends beneath the
weight of care;
He will never leave you then, He'll
go with you to the end;
Take your burden to the Lord and
leave it there.

425**SHINE ON ME**

Key F

Shine on me, Lord, shine on me,
Let the Light from the Lighthouse
shine on me;
Shine on me, Lord, shine on me,
Let the Light from the Lighthouse
shine on me.

"All things are ready," come to the feast!
 Come, for the table now is spread;
 Ye famishing, ye weary, come,
 And thou shall be richly fed.

CHORUS

Hear the invitation,
 Come, "whosoever will;"
 Praise God for full salvation
 For "whosoever will."

"All things are ready," come to the feast!

Come, for the door is open wide;
 A place of honour is reserved
 For you at the Master's side.

"All things are ready," come to the feast!

Come, while He waits to welcome thee;
 Delay not while this day is thine,
 Tomorrow may never be.

"All things are ready," come to the feast!

Leave every care and worldly strife;
 Come, feast upon the love of God,
 And drink everlasting life.

The joy of the Lord is my strength,
 The joy of the Lord is my strength,
 The joy of the Lord is my strength,
 The joy of the Lord is my strength.

He gives me living water and I thirst no more,
 He gives me living water and I thirst no more,
 He gives me living water and I thirst no more,
 The joy of the Lord is my strength.

The word of the Lord
 Is my strength.....

I just feel like something good is about to happen,
 I just feel like something good is on its way;
 He has promised that He'll open all of heaven,
 And brother this could be that very day,
 When God's people humble themselves and call on Jesus;
 And they look to heaven expecting as they pray,
 I just feel like something good is about to happen;
 And brother this could be this very day.

I have learnt in all that happens just to praise Him,
 For I know He's working all things for my good,
 Every tear I shed is worth the investment,
 For I know He will see me through,
 He said He would;
 He had promised eye or ear could hardly fathom,
 All the things He has in store for those who pray,
 I just feel like something good is about to happen and brother this could be the very day.

Yes, I've noticed all the bad news in the papers,
 And it seems like things are getting bleaker every day,
 But for the child of God it makes no difference,
 Things are gonna get better any way,
 I have never been thrilled about tomorrow,
 Sunshine always bursting through the cloud of gray,
 I just feel like something good is about to happen,
 And brother this could be the very day.

Years of time have come and gone
 Since I first heard it told,
 How my Jesus would come to earth again,
 If back then it seemed so real,
 Then I just can't help but feel
 How much closer
 His coming is today.

CHORUS

Signs of the times are everywhere,
 And there's a brand new feeling in the air,
 Keep your eyes upon the Eastern skies,
 Lift up your head,
 Redemption draweth nigh.

Wars and strife on every hand,
 And violence fills our land,
 Still some people doubt
 That He would come again,
 But the word of God is true
 He redeemed you chosen few,
 Don't lose hope,
 Soon Christ Jesus will descend.

I love you! I love you! I love You Lord today!
 Because you cared for me,
 In such a special way.
 Yes, I'll praise you; I'll lift You up,
 And I'll magnify Your Name!
 That's why my heart is filled with praise.

My heart, my heart,
 My soul belongs to you,
 You paid the price for me,
 Way back on Calvary.
 Yes, I'll praise you; I'll lift You up,
 And I'll magnify Your Name!
 That's why my heart is filled with praise.

My heart can sing when I pause to remember,
 A heartache here is but a stepping stone
 Along the trail that's winding always upward,
 This troubled world is not my final home.

CHORUS

But until then, my heart will go on singing,
 Until then, with joy I'll carry on.
 Until the day mine eyes behold the city,
 Until the day God calls me home.

The things of earth will dim and lose their value,
 If we recall, they're borrowed for awhile
 And things of earth that cause the heart to tremble
 Remembered there, will only bring a smile.

This weary world with all its toil and struggle,
 May take its toll of misery and strife,
 The soul of man is like a waiting eagle
 When it's released, it's destined for the sky.

The blood prevails,
 The blood of the bleeding Lamb,
 Has power to save,
 Just like the olden days,
 The blood prevails,
 No matter what the devil says,
 Thank God the blood prevails.

Praise God for the cleansing blood,
 Praise God for the cleansing blood,
 Praise God for the cleansing blood,
 That washes white as snow.

433**I SEE A CRIMSON
STREAM**

Key F

On Calvary's hill of sorrow
Where sin's demands were paid,
And rays of hope for tomorrow
Across our path were laid.

CHORUS

I see a crimson stream of blood,
It flows from Calvary,
Its waves which reach the throne
of God,
Are sweeping over me.

Today no condemnation
Abides to turn away
My soul from His salvation,
He's in my heart to stay.

When gloom and sadness whisper
You've sinned, no use to pray;
I look away to Jesus,
And He tells me to say:

And when we reach the portal
Where life forever reigns,
The ransomed host's grand final
Will be this glad refrain.

434**HE IS ALL I NEED**

Key A

He is all I need, He is all I need,
Jesus is all I need.
He is all I need, He is all I need,
Jesus is all I need.

I'll take Him now....

I'll worship Him...

435**HE'S THE LORD OF
GLORY**

Key F

He's the Lord of glory,
He is the great I AM,
The Alpha and Omega,
The Beginning and the End;
His name is Wonderful,
The Prince of Peace is He,
The Everlasting Father,
Throughout Eternity.

436**READY TO LEAVE**

Key G

Some folks are building homes
down here and planning ahead,
So busy with their fortunes,
They forget what Jesus said,
About the wars and earthquakes,
And the fig tree budding leaves,
But there's a group of people
getting ready to leave.

CHORUS

Ready to leave in the twinkling of
an eye,
Making investments in the bank
up in the sky,
Happy preparations, not a
reason to grieve.
Are you in that number getting
ready to leave?

Sinner, what's the reason for
your needless delay?
While you're hesitating Christ
could come just any day.
Heed the Saviour calling, make
your way to Calvary,
And get in that number getting
ready to leave.

437**I KNOW IT WAS THE
BLOOD**

Key F

I Know it was the blood, I know it
was the blood,
I know it was the blood for me;
One day when I was lost, He
died upon the cross,
I know it was the blood for me.

438**JESUS IS ALIVE**

Key F

Jesus is alive,
He has the power over you and I,
He has the power over death
and the grave,
Jesus is alive.

Oh, how sweet the glorious
message,
Simple faith may claim;
Yesterday, today, forever,
Jesus is the same.
Still He loves to save the sinful,
Heal the sick and lame;
Cheer the mourner, still the
tempest;
Glory to His name.

CHORUS

Yesterday, today, forever,
Jesus is the same;
All may change, but Jesus never!
Glory to His name.
Glory to His name,
Glory to His name;
All may change, but Jesus never!
Glory to His name.

He who was the friend of
sinners,
Seeks thee, lost one, now;
Sinner, come, and at His
footstool penitently bow.
He who said, "I'll not condemn
thee,
Go and sin no more;"
Speaks to thee that word of
pardon,
As in days of yore.

Of on earth He healed the
sufferer
By His mighty hand;
Still our sicknesses and sorrows
Go at His command.
He who gave His healing virtue,
To a woman's touch;
To the faith that claims His
fullness,
Still will give as much.

He who pardoned erring Peter,
Never need'st thou fear;
He that came to faithless
Thomas,
All thy doubt will clear.
He who let the loved disciple
On His bosom rest,
Bids thee still, with love as
tender,
Lean upon His breast.

He who 'mid the raging billows,
Walked upon the sea;

Still can hush our wildest
tempest,
As on Galilee.
He who wept and prayed in
anguish,
In Gethsemane,
Drinks with us each cup of
trembling,
In our agony.

As of old He walked to Emmaus,
With them to abide;
So through all life's way He
walketh,
Ever near our side.
Soon again we shall behold Him,
Hasten, Lord, the day!
But 'twill still be "this same
Jesus,"
As He went away.

It's the old-time Holy Spirit,
And the devil won't go near it,
That's the reason people fear it;
But it's good enough for me.

CHORUS

Give me that old-time religion,
Give me that old-time religion,
Give me that old-time religion,
It's good enough for me.

It will make you stop your lying;
It will save you when you're dying,
It will start the devil flying;
And it's good enough for me.

It's so good I want no other,
For it makes me love my brother;
And it brings things from under cover,
And it's good enough for me.

(It was good in the fiery furnace...)
(It was good for Paul and Silas...)
(It was good for Bro. Branham...)

Bring back those happy, those
happy days,
When the Holy Spirit fell in every
place,
And the love of God showed on
every face,
Bring back those happy days.

442 GOD RICH IN MERCY

Key D

This world was lost and so
undone,
Just look at what sin has done,
Believing the lie Satan told to
Eve that day,
Throwing this world in total
despair,
East of Eden no longer to bear,
And they can see driven from
God,
What sin has done.

CHORUS

God, rich in mercy, God, rich in
mercy,
Sent us His Son,
We were undone,
God, rich in mercy.
God, rich in grace, God, rich in
love,
Sent us the best from Heaven
above,
Saying to all men today,
God's rich in mercy, God's rich in
mercy.

A prophet God sent to restore
His Word,
As it's recorded in Malachi 4,
Behold! I will send to you Elijah
before that day,
What sin destroyed, I will restore,
Proving to men God keeps His
word,
Now they can see what I've
revealed,
I'm rich in mercy, I'm rich in
mercy.

**443 SPIRIT OF THE
LIVING GOD**

Key D

Spirit of the living God, fall fresh on
me;
Spirit of the living God, fall fresh on
me;
Break me! Melt me! Mould me! Fill
me!
Spirit of the living God, fall fresh on
me.

444 WHO AM I?

Key A

When I think of how He came so
far from glory,
Came to dwell amongst the lowly
such as I,
To suffer shame and such
disgrace,
On Mt. Calvary take my place,
Then I ask myself the question,
Who am I?

CHORUS

Who am I that a king would
bleed and die for?
Who am I that He would pray
"not my will but thine Lord?"
The answer I may never know,
Why He ever loved me so,
But to an old rugged cross to go,
Who am I?

When I'm reminded of His Word,
'I'll leave thee never,
Just be true, I'll give to you a life
forever,'
I wonder what I could have done,
To deserve God's only Son
To fight my battles till they're
won,
Who am I?

445 WHO I AM?

Key A

O glorious victory, that day He set
me free,
And made my heart, His very
throne;
My life is no longer mine,
I'm a prisoner of love divine;
And now I live to praise His Name.

CHORUS

Who I am Lord? Who I am?
I can see now who I am,
A part of my Saviour, a part of His
Word,
It's a revelation, of who I am.

On Calvary He died, to redeem His
lost Bride;
The King of kings became my
Saviour.
This is God's great mystery,
Of love expressed to me,
That Christ and I might be made
one.

446**IT IS TRULY
WONDERFUL**

Key A

He pardoned my transgressions,
He sanctified my soul,
He honours my confessions,
Since by His blood I'm whole.

CHORUS

It is truly wonderful what the Lord
has done!
It is truly wonderful! it is truly
wonderful!
It is truly wonderful what the Lord
has done!
Glory to His name.

He keeps me every moment,
By trusting in His grace,
'Tis thro' His blest atonement,
That I may see His face.

He brings me through afflictions,
He leaves me not alone;
He's with me in temptation,
He keeps me for His own.

He prospers and protects me,
His blessings ever flow;
He fills me with His glory,
He makes me white as snow.

He keeps me firm and faithful,
His love I do enjoy,
For this I shall be grateful,
And live in His employ.

There's not a single blessing,
Which we receive on earth,
That does not come from
heaven,
The source of our new birth.

447**LET'S TALK ABOUT
JESUS**

Key F

Let's talk about Jesus,

The great El Shaddai the strength-
giver.
The mighty Conqueror, strong in
battle,
He is Jehovah the God that
healeth thee.

He's your Provider, Jehovah Jireh,
God of salvation, God of Messiah,
The Son He sent to you and
testified of Him,
He is Jehovah, the God that
healeth thee.

CHORUS

Sing hallelujah, sing hallelujah!
Sing hallelujah, sing hallelujah!
He is Jehovah, Lord God Almighty,
He is Jehovah, the God that
healeth thee.....

449**I LOVE HIM BETTER**

Key F

I love Him better everyday,
I love Him better everyday,
Close by His side, I will abide.
I love Him better everyday.

450 HONEY IN THE ROCK

Key D

O my brother, do you know the
Saviour,
Who is wondrous, kind and true?
He's the "Rock of your salvation!"
There's Honey in the Rock for you.

CHORUS

Oh, there's Honey in the Rock, my
brother,
There's Honey in the Rock for you;
Leave your sins for the blood to
cover,
There's Honey in the Rock for you.

Have you "tasted that the Lord is
gracious?"
Do you walk in the way that's new?
Have you drunk from the living
Fountain?
There's Honey in the Rock for you.

Do you pray unto God the Father,
"What wilt Thou have me to do?"
Never fear He will surely answer;
There's Honey in the Rock for you.

Then go out through the streets
and byways,
Preach the Word to the many or
few;
Say to every fallen brother,
There's Honey in the Rock for you.

451 THIS IS THE JUBILEE

Key Dm

This is the year of jubilee,
When the lame shall walk,
And the blind shall see,
And the Lord will set the captive
free,
This is the year of jubilee

Jerusalem, Jerusalem,
Jerusalem, Jerusalem,
Jerusalem, Jerusalem,
Jerusalem, Jerusalem.

Shalom, Shalom!
Shalom, Shalom!
Shalom, Shalom!
Jerusalem, Jerusalem.

**452 WHERE HE LEADS
ME**

Key D

I can hear my Saviour calling,
I can hear my Saviour calling,
I can hear my Saviour calling,
"Take thy cross, and follow,
follow Me."

CHORUS

Where He leads me I will follow,
Where He leads me I will follow,
Where He leads me I will follow,
I'll go with Him, with Him all the
way.

I'll go with Him through the garden,
I'll go with Him through the garden,
I'll go with Him through the garden,
I'll go with Him, with Him all the way.

I'll go with Him through the
judgement,
I'll go with Him through the
judgement,
I'll go with Him through the
judgement,
I'll go with Him, with Him all the way.

He will give me grace and glory,
He will give me grace and glory,
He will give me grace and glory,
And go with me, with me all the way.

**453 I LOVE THE FAMILY
OF GOD**

Key F

I love the family of God,
So closely knitted into one,
They've taken me into their
hearts,
And I'm so glad to be a part of
this great family.

454 THIS IS THE YEAR

Key Ebm

This is the year, this is the year,
This is the year of jubilee;
So lift your hands and praise the
Lord,
We are free, We are free. We
are free.

455**I WON'T CROSS
ALONE**

Key C

When I come to the river at ending
of day,
When the last winds of sorrow
have blown;
There'll be somebody waiting to
show me the way,
I won't have to cross Jordan alone.

CHORUS

I won't have to cross Jordan alone,
Jesus died all my sins to atone;
When the darkness I see, He'll be
waiting for me,
I won't have to cross Jordan alone.

Often times I'm forsaken, and
weary and sad,
When it seems that my friends
have all gone,
There is one thought that cheers
me and makes my heart glad,
I won't have to cross Jordan alone.

Though the billows of sorrow and
trouble may sweep,
Christ the Saviour will care for His
own;
Till the end of the journey, my soul
He will keep,
I won't have to cross Jordan alone.

456**YOU MY DWELLING
PLACE**

Key C

You are my dwelling place,
The tower of my strength,
And at Your throne of grace I
humbly bow.
My affections I pour out,
My eyes release their tears,
As I behold the beauty of You
Lord.
How I long to see Your face,
Yes, I long to see Your face,
You are my dwelling place,
With You my heart will stay.

457**LIFT HIM HIGHER**

Key F

Lift Him higher, lift Jesus higher,
'Til He speaks from eternity,
He said, if I, if I be lifted up from
the earth,
I will draw all men unto me.

458**THE UNVEILED
CHRIST**

Key C

Once our blessed Christ of
beauty,
Was veiled off from human view;
But through suffering, death and
sorrow,
He has rent the veil in two.

CHORUS

O behold the man of sorrows,
O behold Him in plain view,
Lo! He is the mighty conqueror,
Since He rent the veil in two,
Lo! He is the mighty conqueror,
Since He rent the veil in two,

Yes, He is with God, the Father,
Interceding there for you;
For He is the mighty conqueror,
Since He rent the veil in two.

Holy angels bow before Him,
Men of earth give praises due,
For He is the well beloved,
Since He rent the veil in two.

Throughout time and endless
ages,
Heights and depths of love so
true,
He alone can be the giver,
Since He rent the veil in two.

459**GOD IS SO GOOD**

Key F

God is so good,
God is so good,
God is so good,
He's so good to me.

{He answers prayer....}
{I love Him so.....}

460**EVERY PROMISE IS
MINE**

Key F

Every promise in the Book is mine,
Every chapter, every verse, every
line,
I am trusting in His grace divine,
Every promise in the Book is mine.

461 WE ARE FREE

Key F

Through the seven ages of the church,
Like servants unto man,
Enslaved by vain traditions,
And a world of self-made plans,
Would we ever be made free,
Be granted liberty,
Or be forced to serve the
systems round about us?
But the Bible tells about
A seventh year release,
Where the masters free their
servants
If they choose to be set free,
And at the dawning of the day
They could go in their way
Or take the mark of bondage
ever to be a slave.

BRIDGE

Freedom or bondage,
What would you choose today?
A free man forever,
Or a servant to the grave?
You can have a life anew,
I know God will see you through,
He is calling a bride unto Himself.

CHORUS

And we are free,
From the chains of any man,
We are free,
And freely we can stand
Before the world and its religions,
And boldly testify, that we are
bought with a price.
His blood has our sacrifice,
That makes us free for the
marriage unto Him.
We are free,
Purged and born again,
So rejoice that in our day, the price
for freedom has been paid.
Who the Son has set free
Is free indeed.

Our name is something different
now,
Our life is not our own,
We're united with Jesus Christ,
And Jesus Christ alone,
And there's no man can take His
place,
There's no church we'll have to face,

Because the voice of God is
speaking now through us.

And we are free
Like the eagles in the sky
We are free,
So spread your wings and fly,
Don't look back, don't turn around,
To Christ we're Heaven bound,
Who the Son has set free is free
indeed.

Don't look back, don't turn around
To Christ we're Heaven bound,
Who the Son has set free
Is free indeed.
Who the Son has set free
Is free indeed.

462 I JUST WANT TO BE

Key F

CHORUS

I just want to be where You are;
Dwelling daily in Your presence.
I don't want to worship from afar;
Draw me near to where You are.

I just want to be where You are;
In Your dwelling place forever.
Take me to the place where You
are;
For I just want to be with You.

I want to be where You are;
Dwelling in Your presence,
Feasting at Your table,
And surrounded by Your glory.
In Your presence,
That's where I always want to be.
I just want to be,
I just want to be with You.

BRIDGE

Oh My God, You are my strength
and my song;
And when I'm in Your presence,
Though I'm weak,
You're always strong.

463 HALLELUJAH GLORIA A DIOS

Key F

Hallelujah, hallelujah, hallelujah,
Hallelujah, hallelujah, hallelujah,
Hallelujah, hallelujah, hallelujah,
Hallelujah, hallelujah, hallelujah,
Gloria a Dios.

464 SOLDIER

Key A

Soldier, standing on the battle line,
Finding comfort in my water and new wine;
And your armour still so shiny and so new,
But you're dirty, worn and tired
From the battles you've been through.

Soldier, keep your eyes straight ahead,
Help the wounded,
Though it hurts you leave the dead.
Keep your weapons and your spirit
At the ready all the time,
Be of courage and conviction
Hit the mark, toe the line.

CHORUS

And tonight when all the lights go out,
You lie down to rest,
Know that I'm proud of you,
I know you've done your best.
Let me give you peace,
Let me hold you for a while,
Yes, you are a mighty warrior,
But don't forget, don't forget,
You're still My child.

Soldier, standing on the battle line,
Finding comfort in my water and new wine,
Know I am with you when the world keeps a-charging in,
And I'll be with you,
I'll see you through to the very end.

Soldier, keep my flag flying high,
Don't let it fall in battle,
Or be stolen in the night,
And above all else dear soldier,
Don't you lose your battle cry,
'Cause My army's fighting with you,
And I am standing by your side.

465 WE ARE THE ONES

Key E

O, who should remember to let God abide,
And to always trust Him and keep Him in the light?
Tell me who should work hard in the vineyard every day?
We that know Him are the ones,
We are the ones.

Tell me who should remember to kneel down and pray
For the ones who have stumbled and fallen by the way?
Who should go to them with kind words to say?
We that know Him are the ones,
We are the ones.

CHORUS

We are the ones,
We are the ones,
We that know Him are the ones,
We are the ones.

Tell me who should stand up together
And work hard in one accord,
Who should ask for strength
And more power from the Lord?
Tell me who should have love in their hearts for every one?
We that know Him are the ones,
We are the ones.

466 PRAISE THE LORD

Key D

Praise the Lord,
He can work through those who praise Him,
Praise the Lord,
For our God inhabits praise.
Praise the Lord,
For the chains that seem to bind you,
Serve only to remind you,
That they'll drop powerless behind you
When you praise Him.

467**LET DEATH ANGEL
PASS**

Key F

The Lord spoke to Moses,
And told him what to say
To the children of Israel
In Goshen that day
“Slay the lamb, take the blood,
Strike the post of the door,
For I'll pass through Egypt this
night,
And smite all the first born.”

CHORUS

Let the death angel pass,
God's Bride's safe at last,
In the token He gave
That we should be saved.
Oh hallelujah, and glory to God!
The Blood's been applied the
Spirit abides,
Let the death angel pass.

The sweet Holy Spirit,
Is the token today,
And those who are under it,
God said would be saved,
Outside of the token,
The lost would be found,
So if you want your loved ones
saved,
You better get them in now.

468**THERE'S NEVER
BEEN A DAY**

Key F

There's never been a day like
this day to me.
There's never been a day like
this day I see.
There's never been a light that
shined so bright.
As this day, this glorious day.

Christ is revealing Himself unto
me,
He opened mine eyes and now I
can see,
His Word is becoming a reality in
this day, this glorious day.

469**JOEL'S ARMY**

Key A

Morning stars together sing,
Sons of God now shout for joy,
Arise and shine thy Lord and
King
Comes full redemption now to
bring.

Have you considered my little
Bride?
Oft to deceive her you have tried.
No fairer one from east to west,
Ordained to stand the great
word test.

Joel's army comes in view,
Stalwart men and women true;
In perfect steps they are God's
best,
Invincible through the great Word
test.

The Son of righteousness shall
shine,
With healing in His wings He'll rise,
Shake this old world with one more
ride;
Then take His Bride into the skies.

The Lion of Judah has prevailed,
Almighty God in flesh was veiled.
He comes forth now to conquer all.
The kingdoms of this world shall fall.

Oh, Bridegroom come, our hearts
do pine,
Upon Thy bosom to recline.
My lovely Bride you are My own,
Come sit with Me upon My throne.

470**GOING INTO
ENEMY'S CAMP**

Key F

I'm going into the enemy's camp,
To take back what he took from me,
I'm going into the enemy's camp,
To declare my victory.
I'll put him }
Under my feet, }
Under my feet, }
Under my feet, }
Under my feet. }2x

The City was Jerusalem;
The time was long ago;
The people called Him Jesus,
The crime was the love He
showed.

And I'm the one to blame;
I caused all the pain.
He gave Himself the day He
wore my crown.

He brought me love that only He
could give;
I brought Him cause to cry.
And though He taught me how to
live,
I taught Him how to die.
And I'm the one to blame,
I caused all the pain.
He gave Himself the day He
wore my crown.

CHORUS

He could have called His Holy
Father and said,
"Take me away, please, take
me away."
He could have said,
"I'm not guilty and
I'm not gonna stay,
I'm not gonna pay."

But He walked right through the
gate;
And then on up the hill.
And as He fell beneath the
weight
He cried, "Father not my will."
Still I'm the one to blame,
I caused all the pain.
He gave Himself the day He
wore my crown.

Holy, Holy Thou art Lord,
Thou art worthy to be praised,
Thou art worthy to be
worshipped,
Holy, Holy, Thou art Lord;
Holy, Holy. Thou art Lord.

MONOLOGUE

*And God remembered Abraham
And said, "I shall return
according to the time of life,
And Sarah shall have a
visitation;"*
*And after she judged Him
faithful,*
*He proved that He could be
trusted,*
*She received strength to
conceive seed.*

You said in your Father's house
are many mansions,
If it was not so You would have
told me;
So You've gone to prepare a place
for me,
That where You are, there I'm also
going to be.

CHORUS

So I'm judging You faithful! }2x
Faithful who promised.
When You left these shores two
thousand years ago,
(taken up in a cloud),
There stood two angels saying,
"Men and brethren
why stand ye here gazing?
For this same Jesus which is taken
up from you
Shall so return in like manner,"
And I know that's true.

You said whatsoever I stand
praying,
Go away believing;
For what-so-ever you ask the
Father in My Name
He will give it to you, for my God is
forever the same.

BRIDGE

You said no gates will ever stand
before me,
And that old devil will be powerless
before me,
For in Your Name sin will have no
dominion over me,
And I believe, yes, I believe
That's the way, yes, that's the way
it's going to be.

474**HOLD TO GOD'S
HAND**

Key F

Time is filled with swift transition,
Naught of earth unmoved can
stand,
Build your hopes on things
eternal,
Hold to God's unchanging hand!

CHORUS

Hold to God's unchanging hand!
Hold to God's unchanging hand!
Build your hopes on things
eternal,
Hold to God's unchanging hand!

Trust in Him who will not leave
you,
Whatsoever years may bring!
If by earthly friends forsaken,
Still more closely to Him cling!

Covet not this world's vain
riches,
That so rapidly decay,
Seek to gain the heavenly
treasures,
They will never pass away!

When your journey is completed,
If to God you have been true,
Fair and bright the home in glory,
Your enraptured soul will view!

475**ALL IS WELL**

Key F

All is well, all is well,
We have heard the message
Shalom! All is well.
There is a place of perfect rest,
Behind the inner veil.
So rest, little Bride rest,
For all is well.

476**IN HIS TIME**

Key D

In His time, in His time,
He makes all things beautiful
In His time,
Lord, please show me every day,
As You're teaching me Your
way,
That You do just what You say,
In Your time.

477**THIS WORLD IS NOT
MY HOME**

Key G

This world is not my home,
I'm just a' passing through.
My treasures are laid up,
Somewhere beyond the blue.
The angels beckon me,
From heaven's open door.
And I can't feel at home,
In this world anymore.

CHORUS

O Lord, You know,
I have no friend like You,
If heaven's not my home,
Then Lord what will I do?
The angels beckon me,
From heaven's open door,
And I can't feel at home
In this world anymore.

They're all expecting me,
And that's one thing I know;
I fixed it up with Jesus,
Many years ago.
I know He'll see me through,
Tho' I am weak and poor,
And I can't feel at home,
In this world anymore.

Just over in the glory land,
We'll live eternally;
The saints on every hand
Are shouting "victory".
The songs of sweetest praise
Drift back from heaven's shore,
And I can't feel at home
In this world anymore.

478**LET THE CHURCH**

Key F

Let the Church be the Church,
Let the people rejoice,
For we've settled the question,
And we've made our choice.
Let the anthems ring out,
Songs of victory swell,
For the Church triumphant
Is alive and well.

479**ROBES OF
RIGHTEOUSNESS***Ulric Andrews 1985*

Key F

My soul becomes sorrowful as
I foresee an evil day
Lord what must I say
Shall this cup pass away
But here am I in your footsteps
Lord your son
To this end was I born,
So let Thy will be done

CHORUS

I will greatly rejoice in the Lord
My soul shall be joyful in my God
For He has clothed me
With His garments of salvation
He has covered me
With His robes of righteousness

I'm forsaken and rejected
And I'm judged by evil men
Shall I protest in defense,
or in anger be tense
When I stand in disgrace
May Lord I behold your dear face
And may this vision I share
Till I see the glory of your name

When I'm pressed out, seem
defeated
In the eyes of wicked men
Shall you deliver me and my full
inheritance
When you strike me I will speak
And command creation again
Then the faces of my accusers
Will be greatly ashamed

480**FOREVER YOU WILL
BE**

Key F

All heaven declares the glory of
the risen Lord,
Who can compare with the beauty
of the Lord?

CHORUS

Forever You will be,
The Lamb who died for me,
And I'll gladly bend my knees,
To worship You alone.

I will proclaim the glory of the
risen Lamb
Who once was slain to reconcile
man to God.

481**THE HEAVENS DO
RULE***Arlene James 1991*

Key E

Oh, the depth of the knowledge
And the wisdom of the Lord!
His judgements are
unsearchable,
And His ways past finding out;
Who hath directed His Spirit?
And whose counsel did He take?
For by Him and through Him
Are all things on earth made.

CHORUS

And we know that all things work
together for our good,
The footsteps of the righteous are
ordered by the Lord;
Even though things don't work out
The way we think they should,
Yet we know in all things,
That the heavens surely rule.

Which of us by taking thought
could add to ourselves?
Why do we yet so many times
resist His will?
We've got to realize salvation is
wholly of the Lord;
Just stand still and consider
All the wondrous works of God.

There is nothing that happens
without a real intent,
Our experiences were ordained,
Our trials have been sent
That we might manifest the purpose
Unto which we have been called,
So in perfect confidence
We can submit to Him our all.

482**HE SIGNED THE
DEED**

Key F

He signed the deed with His
atoning blood,
He ever lives to make His promise
sure.
Though all the hosts of hell march
in;
To make a second claim,
They all march out at the mention
of His name.

For twenty-three years we have
been looking
For God to send the revival
amongst us;
Wednesday the 3rd of June we
received our inheritance claim;
Now we know the New Name
And we are not hollering again,
and again, and again
And again.

CHORUS

Thank You Lord for sending }
the rain, (Hallelujah) }2x
We thank you again and again,
And again and again and again,
We thank You.

All false branches must be cut
off,
For the tree must be pruned and
cleaned,
For it's the Holy Spirit that is
planting the life within us
Because He knows that we are
the Bride, are the Bride, are the
Bride, are the Bride.

Many families, they were
attached to this Word
But they were under man's
teaching;
When our shepherd waved the
wave-sheaf over them,
Then they realized they are not
shuck, but they are seed, they
are seed, they are seed, they are
seed.

I love Him, I love Him,
Because He first loved me,
And purchased my salvation on
Calvary's tree.

A people that once sat in
darkness saw a marvelous light,
The light of God's revealed Word
flashed across our hearts
And we have been made whole.
Now we walk in the light as He is
in the light,
Having fellowship one with the
other,
God's blood that cleanses and
His love that conquers.

CHORUS

There's a man here that can turn
on the light,
There's a man here that can turn
on the light,
So If you're in darkness, cannot
find your way,
There's a man here that can
show you the way.

In the beginning was the Word
and the Word was with God,
And the Word was made flesh
and dwelt among us,
The light of God's revealed Word
Face to face we see now,
Almighty God unveiled before us,
The Lamb that was slain, who
took the Book
And showed us our names.

King Theophany Jesus that is
walking in and amongst us,
God En Morphe for the final turn
at the west.
So when you look, what do you
see now?
It depends on what you're
looking for,
We are a people that have been
set free,
Living epistles that can show you
the door.

486**PAST THE CURTAIN
OF TIME**

Key D

There's a curtain that's drawn
between earth and Heaven,
And just beyond lies a beautiful
clime
Where the evils of this life no
longer can touch me;
Lord, let me look past the curtain
of time.

CHORUS

Lord, let me look past the curtain
of sorrows and fear,
Let me view that sunny bright
clime;
It would strengthen my faith and
would banish all fear;
Lord, let me look past the curtain
of time.

I'm helpless, alone, and I want to
see Jesus,
And hear the sweet harbor bells
chime,
Where my friends and dear loved
ones are waiting for me;
Lord, let me look past the curtain
of time.

I'm so homesick and blue, and I
want to see Jesus,
I would like to hear those sweet
harbor bells chime;
It would brighten my path and
would vanish my fear;
Lord, let me look past the curtain
of time.

487**HE IS HERE
HALLELUJAH**

Key C

He is here, hallelujah!
He is here, amen!
He is here, holy, holy!
I will bless His name again;
He is here, listen closely,
Hear Him calling out your name;
He is here, you can touch Him,
You will never be the same.

488**A GIFT OF GRACE**

Sharon James 1981

Key C

A Gift of Grace was all it took
To redeem me again back to His
own;
I've been redeemed, He saved my
soul,
My Saviour paid the price,
Now I'm no more my own.

CHORUS

So seek on Saints,
Seek till you're filled with power;
Seek on saints
Till His Spirit in you is endowed,
It's been revealed,
This is the final hour;
And soon His Bride, His Chosen
One
Will go on home.

Unmerited the favour that He
granted me
To bring me home today, His very
Own;
'Twas love, 'twas Grace
That stooped so low to conquer
me;
My Sovereign Lord gave
Sovereign Grace
To redeem me.

And now I'm home, His robe's
wrapped around me;
This land is mine, this Promise is
for me.
Amazing grace, amazing love
Christ poured on me,
His Word went with a promise,
One day we shall meet.

489**I WILL PRAISE THE
LORD**

Key D

I will praise the Lord,
I will praise the Lord,
No matter what tomorrow brings,
What it has in store,
I will praise the Lord.

Praise ye the Lord all ye people!
 Praise Him for His goodness,
 His majesty and power;
 For His merciful kindness is
 great towards us,
 And His righteousness endureth
 forever.

CHORUS

He's the Lord of creation,
 He's the Rock of our salvation,
 He paid the price for our
 redemption,
 And He is worthy, (so worthy)
 He is our comfort in times of
 sorrow,
 Our strength to face tomorrow,
 Our refuge in times of trouble,
 And He alone is worthy to be
 praised.

Give thanks unto Him and serve
 Him,
 For He forgiveth all thy sins,
 And healeth all thy diseases,
 Who redeemeth you from a life
 of destruction,
 And crowneth you with loving
 kindness and tender mercies.

BRIDGE

We have so much to praise and
 thank Him for,
 Our lives are testimonies
 And so many great things He
 has done.
 Forget not His love and His
 promises,
 For He has promised a new
 Heaven,
 A new Earth and a new Body.
 Praise Him, praise Him,
 For He alone is worthy to be
 praised,
 Praise Him, praise Him,
 For He alone is worthy to be
 praised,

So all you got to do is praise
 Him, praise Him.
 For He alone is worthy to be
 praised,
 Praise Him, praise Him.
 For He alone is worthy to be
 praised,
 For He alone is worthy to be
 praised.

Let me walk, blessed Lord, in the
 way Thou hast gone,
 Leading straight to the land
 above;
 Giving cheer everywhere, to the
 sad and the lone,
 Fill my way every day with love.

CHORUS

Fill my way every day with love,
 As I walk with the heavenly
 Dove;
 Let me go all the while, with a
 song and a smile,
 Fill my way every day with love.

Keep me close to the side of my
 Saviour and Guide,
 Let me never in darkness rove;
 Keep my path free from wrath,
 and my soul satisfied,
 Fill my way every day with love.

Soon the race will be o'er and I'll
 travel no more,
 But abide in my home above;
 Let me sing, blessed king,
 All the way to the shore
 Fill my way every day with love.

Peace! peace! wonderful peace,
 Coming down from the Father
 above;
 Sweep over my spirit forever, I
 pray,
 In the fathomless billows of love.

493 PARENTAL CARE*Anthony Glaude 1987*

Key C

You loved me when I was so
unlovable
You died for me when I wasn't
worth dying for
You taught me real Godliness; is
with contentment
And that my trials only come to
bring me patience

Truly your ways is not like our
ways
And your thoughts like our
thoughts
Yet you chip and you mold me to
Bring me into your image

CHORUS

Truly your love is not parental care
for a baby
But your love truly is elective love
You may cause me to suffer like
Job
Or to be delivered unto to death
like Paul
But yet in the midst of the all
you're just
Proving how much you really,
really, really Love me

You taught me when I'm weak,
that I'm strong
And the only way up is down
In order to live in your presence, I
must die
Your love is simply amazing who
could deny

BRIDGE

Whosoever the Lord loveth, He
chasteneth
And if we are without chastisement
We are not of His.
Now no chastisement for the
present
Seemeth joyous but then it brings
forth
the peaceable fruits of
righteousness

494 WE ARE STANDING

Key C

When I walked through the door
I felt His presence
And I know this is the place
Where love abounds;
And this is the temple, Jehovah
God abides,
And we are standing in His
presence
On Holy ground.

CHORUS

We are standing on holy ground
And I know that there are Angels
all around;
Let us praise Jesus now,
For we are standing in His
presence
On Holy ground.

In His presence,
There is joy beyond all measure;
At His feet, peace of mind can still
be found,
So if you have a need,
I know He has the answer,
So reach out and touch Him,
For we are standing on holy
ground.

**495 THIS IS HOLY
GROUND**

Key C

This is holy ground, }
We're standing on holy ground, }
For the Lord is here; }
And where He is, is holy. }2x

These are holy hands,
We're lifting up holy hands,
For the Lord is here
And where He is, is holy.
These are holy hands,
We're lifting up holy hands,
For the Lord is here
And where He is, is holy.

CHORUS

Arise, possess your inheritance,
For this is the year of jubilee,
Arise, be not entangled with the
yoke of bondage.
Understand the liberty by which
Christ set you free.

Entangled with heavy chains of
captivity,
Bruised and battered by sin,
Condemned and sentenced to a
life of bondage,
O God, there was no peace
within.
Then a sound was heard,
It was like the abundance of rain,
Saying "Rejoice, you have
received the atonement,
Accept the pardoning word which
was provided for you,
Because you're not of the
bondwoman,
You're of the free."

Aren't you tired of living
underprivileged?
Saints, don't you, don't you hear
that sound?
Saying freedom to the captives,
Restoration to the blind,
Setting free those who are
bruised.
Saints, empty your vessels,
Let Him fill them with oil,
You are free, you are free, you
are free.
So when the creditor comes to
take away your land,
Show him your account
Settled long ago by Calvary's
Lamb,
And say, "I am free, I am free, I
am free."

Now I can tell the world that I'm
free,
I have heard the trumpet sound
Jubilee; Freedom from all
burdens and sin,
The Comforter has given me
peace within.
///And whom the Son has set
free, is free indeed.///

CHORUS

I'm going home in the morning,
I'm going home, it won't be long,
I'm going home, it won't be long.

Can't afford to get my line
tangled in these kind of times,
So I'm looking nine times before
I make one step,
Don't want to be caught
In an unconscious state of mind,
For I want to leave this earth
In the twinkling of an eye.

I'm going to slip from time into
eternity,
I'm going to become one with my
Theophany,
Going to live in that mansion
God has prepared for me,
I'm going to leave this pest-house
for eternity.

We're going to be reunited with our
loved ones
Who have gone on before to
another dimension;
Soon we'll see Him face to face,
The One who lives inside our
hearts;
Who saved us by His amazing
grace,
We'll be with Him never to depart.

Could it be between six or nine?
Whatever the time
I want to be ready to meet my
Bridegroom.

This is the year of Jubilee,
This is the year of Jubilee,
When all the captives are set free
Come ye halt, ye blind, ye lame,
Leap and shout for joy again,
This is the year of Jubilee.....

499 I'LL FLY AWAY

Key G

Some glad morning when this life is over,
I'll fly away,
To a home on God's celestial shore
I'll fly away.

CHORUS

I'll fly away, O, glory! I'll fly away
When I die, hallelujah! by and by,
I'll fly away.

When the shadows of this life have grown,
I'll fly away;
Like a bird from prison bars has flown,
I'll fly away.

Just a few more weary days and then,
I'll fly away;
To a land where joys shall never end,
I'll fly away.

500 PART OF HIS BRIDE

Key G

He leads me through troubled waters,
He holds my hands through darkest sky;
He comforts me when my heart is laden down with grief,
He's coming back to take me away as His bride.

CHORUS

For I'm His bride, I'm His only loved one,
I'm His chosen, His fair one, His dove;
For I was predestined,
In His grace, I now abide.
What an honour, oh, how marvelous,
what a privilege,
Thank You Jesus, I'm part of Your bride.

Before the world, He knew me in glory,
Before the sun, I lived and reigned with Him;
Now my soul longs to see Him,
On the clouds that He rides,
Coming back to rapture me as His bride.

501 WHEN THE REDEEMED

Key F

I am thinking of the rapture in our blessed home on high,
When the redeemed are gathering in
How we'll raise the heavenly anthem in that city in the sky,
When the redeemed are gathering in.

CHORUS

When the redeemed are gathering in,
Washed like the snow, and free from all sin;
How we will shout and how we will sing,
When the redeemed are gathering in.

There will be a great procession over on the streets of gold,
When the redeemed are gathering in;
O what music, O what singing, o'er the city will be rolled,
When the redeemed are gathering in.

Saints will sing redemption's story with their voices clear and strong,
When the redeemed are gathering in;
Then the angels all will listen,
For they cannot join that song,
When the redeemed are gathering in.

Then the Saviour will give orders to prepare the banquet board,
When the redeemed are gathering in;
And we'll hear His invitation, "Come, ye blessed of the Lord,"
When the redeemed are gathering in.

502 HOLY SPIRIT

Key A

Holy Spirit, Thou art welcome in this place,
Holy Spirit, Thou art welcome in this place,
Omnipotent Father of mercy and Grace
Thou art welcome in this place.

503 WE ARE LIKE SHIPS

Ulric Andrews

Key C

CHORUS

We are like ships sailing across
life's troubled sea,
But with our compass set on the
North Star
We'll reach the shores of
Eternity,
We are like ships sailing across
life's troubled sea,
But with our compass set on the
North Star
We'll reach the shores of
Eternity.

Contrary winds of doctrine blew
against us on the way,
But we set our eye on the Captain,
Listened to what He had to say.
Many ships were tossed to and fro
ad were driven off their course,
But we are thankful to our Captain,
We aren't shipwrecked, we aren't lost.
He said, "Peace be still." }
To see the glory of the Lord you }
must stand still. }2x

We are sailing through many
rough waters,
Using our paddles skillfully,
Now we are faced with
treacherous conditions,
We need the Master of the sea
To say "Peace be still."
To see your troubles end, you
must stand still;
He'll say, "Peace be still."
To see the glory of the Lord you
must stand still.

Upon the distant shore, there's a
land that's shining bright;
Soon we'll reach that golden shore
And be welcomed by the Prince of
Light.
He'll say, "Peace be still,
My light has led you to do My
perfect will."
He'll say, "Peace be still,"
And when we see Him face to face
We must stand still.

504 THE BRIDGE TO HEAVEN

Ulric Andrews 1983

Key G

Left the splendour of His throne,
Came down to earth,
Had one purpose in His mind.
Tempted in all points as we are
Yet without sin,
Most worthy High Priest,
He's the Supreme Sacrifice.

CHORUS

He is the bridge from Earth to }
Heaven, }2x
We now live in God's presence
forever.

I'll always look to Calvary where
Redemption price was paid for me,
There on the cross, crucified with
Him.
There on the cross I was in Him,
There on the cross I paid for my sin,
And His glory, I now boldly enter
in.

Lift your eyes to Calvary, see
where He has set you free,
Loosed from the grips of sin and
shame.
Sin has no more dominion over
you,
You're ordained to do just what
you do,
He's that bridge to Heaven for me
and you.

To the splendour of His throne,
His Bride now leaves the Earth,
Quickening power now breaks the
hold of time;
Travelling faster than the speed of
light,
We'll be changed in the twinkling
of an eye,
And that bridge to Heaven will be
no more.

505 I'M GLAD HE SET ME FREE

Key A

I'm so glad Jesus set me free, }3x
Glory, hallelujah, Jesus set me free.
(I'm so glad Jesus lifted me...)
(I'm on my way to Heaven,
shouting victory...)

506 ALLELUJAH*Ulric Andrews 1990*

Key C

We are the children of God,
 Chosen vessels unto Him;
 Our angels behold the Father's
 face
 We are special unto Him.
 We should never be ashamed
 To testify of our love for Him,
 For we are privileged
 To be the children of the KING of
 KINGS!

CHORUS

Al-le-lu-jah! }
 Glory and praise to the }
 Saviour; }
 Al-le-lu-jah! }
 Let's worship our King }
 together. }2x

We must dwell in unity
 So we're showing our love to Him,
 Having a blameless testimony
 A life that's holy and free from sin;
 We should be an example
 To the lost who know not the way:
 We're not children of the night but
 of the day,
 So let us show them the way.

With the joy of the Lord
 And the strength of our youth,
 Let's be zealous to do God's will;
 Fleeing youthful lusts and
 pressing to be
 Empty vessels that God can fill.
 We should never lean to our own
 understanding,
 Casting our reasoning down,
 So we'll be better able to love
 and serve Him.

507 WE'LL GIVE THE GLORY

Key A

We'll give the glory to Jesus
 And tell of His love,
 And tell of His love,
 We'll give the glory to Jesus,
 And tell of His wonderful love.

508 THIRST*Anthony Glaude 1985*

KeyEm

As we set our faces towards
 Jerusalem,
 Knowing that very soon the
 squeeze will come,
 As the day draws nearer, as the
 day draws closer,
 There's such a painful desire to be
 like our Saviour.

CHORUS

Oh Jesus, my Lord Jesus, }
 Only You, only You }
 Can quench this thirst }
 in my soul. }2x

Many nights I can't sleep, everyday
 my soul groans in me,
 Waiting for the redemption of this
 body;
 No matter what the world may say,
 No matter what the world may do,
 It's a fact that I can't rest until I'm
 perfect.

Before the Masterpiece could
 speak it must be smitten
 By the determinate counsel of our
 God,
 What shall I say then, 'Father take
 this cup from me?'
 But nevertheless not my will but
 Thine be done.

Signs of the time quickly
 approaching,
 We can see the whole creation is
 groaning;
 But, for this purpose came we into
 this world;
 To fulfil what is written of us.

509 MORE THAN EVER BEFORE

Key C

More than ever before,
 Lord, I love You,
 More than ever before,
 Lord, I need You,
 More than ever before,
 I want to serve You;
 I love You now,
 More than ever before.

I want to present the life of Christ,
It's my aim today,
For in His image I want to stand
So blameless on that day;
And though this world may criticize,
It will never understand,
That I can't rest until I be
A perfect man.

CHORUS

What are you going to present to
the Lord
At the end of your journey?
He's not going to be touched by
anything
Save His testimony.
What are you going to present to the
Lord?
I hope it makes you sigh and cry,
Don't be found in that position
Where you would be wondering why.

Though the world may offer its
pleasure and peace,
And its luxurious life of ease,
But it simply cannot continue on
For man's just like a breeze;
A moment here and a moment gone,
Like a flower he fades away,
But I just want to stay right on
To that perfect day.

Take rest my soul, in no other arms
Save Jesus own today
For He has opened my eyes to see
That judgement is on its way;
And though ten thousand fall at my
side
I will never be tossed aside;
For in the shadow of that mighty
rock is where I'll abide.

Lord take Thy Word, Thy precious
Word,
And anoint it to my soul;
Perfect what is lacking in my faith
And make thy servant whole.

For I just want to hear You say,
"Receive thy crown my beloved son
You have overcome, well done!"

I'm a pilgrim and a stranger
Wand'ring through this world of sin,
On my way to that fair city,
When the Saints go marching in.

CHORUS

When the saints go marching in, }2x
Lord, I want to be in that number
When the saints go marching in.

Oh, I know I'll see my Saviour
If my life is free from sin,
Heaven's doors will open for me
When the Saints go marching in.

When we gather 'round the Throne
And the gates are closed within,
I'll be shouting "Glory, Glory"
When the Saints go marching in.

I'm waiting for the chariot
To swing low and I'll step in,
On the clouds I'll ride to Heaven
When the Saints go marching in.

Have you ever been so distressed
When you see your circumstances
look so gloomy,
And the tears begin to cover your
eyes?
Remember Jesus will take care of
you.

CHORUS

He's the Rock of all the ages,
He's the light in the darkest night,
A comfort when there's no one left
to care;
So you don't look at your
circumstances,
They will only bring you down,
Remember Jesus will take care of
you.

When you feel so weak and can't
go on;
And the devil, he tempts you so sore;
But if you only call upon Jesus,
He will answer,
For He knows that you're weak on
your own.

513 MANY WATERS*Anthony Glaude 1987*

Key G

There are so many people
in the world today
Don't really know what
true love is;
Many have searched the
whole wide world
And still can't seem
to find it.
Love is patient, love is kind,
True love can never be broken;
Love beareth all things,
Love suffers long.
Love is God and God is love,
Who is our King;
But how can you know true love
Without knowing Him?

CHORUS

Many waters cannot }
quench love, }
Neither can the floods }
drown it, }3x
Whosoever God joins
together,
Let no man put asunder.

Therefore shall a man leave
father and mother
And cleave unto his wife,
Then they shall be no more twain
But they shall be one.
Then he'll love his bride as Christ
the church,
Who giveth Himself for it;
For no man yet hateth his flesh,
But loveth and cherisheth it.
Love is God and God is love,
Who is our King;
So how can you know true love
Without knowing Him?

514 WE ARE CHILDREN

Key F

We are children of the Father,
We are joint-heirs with the Son,
We are people of His Kingdom,
We are family, we are one.

515 RUN WITH THE MESSAGE*Arlene James 1992*

Key D

There are people all over the
world,
To whom this Message must be
told;
All those honest in heart,
In this light they have a part.

CHORUS

You've got to run, run, run, run,
Run with the Message of
Malachi 4,
You've got to tell it like you've
never told it before;
Let him that readeth run,
Let him that heareth run,
For this Message is the coming
of the Lord.

Always ready to give a reason,
Be instant in and out of season,
Willing to take this blessed hope
To a lost and dying world.

Seeing we have this ministry,
Let's not faint but earnestly
Seek to build the kingdom of
God,
For the glory of the Lord.

516 HEAVEN IS SWEETER

Key F

Heaven's sounding sweeter all
the time,
Seems like lately I can't get it off
my mind,
Someday I'm going to leave this
world behind.
Heaven's sounding sweeter all
the time.

517 HIS WORD IS WORKING

Key D

His Word is working mightily in me
His Word is working mightily in me
No matter what the circumstance;
Nor how I feel or see
His Word is working mightily in me.

Eileen Rogers 1981

Key D

The King desires a drink of water,
 (Christ's Mighty Gentile Warriors)
 Between His rejection and His
 Power,
 (Christ's Mighty Gentile Warriors)
 Noble Mighty men of valour,
 (Christ's Mighty Gentile Warriors)
 Are cutting through to get a drink of
 water.

CHORUS

Mighty Gentile Warriors }
 of the end-time, }2x
 Valiant Mighty Gentiles of the end-
 time
 Bringing a clean fresh drink for the
 King.

Michael's Mighty marching army
 (Christ's Mighty Gentile Warriors)
 Making haste with a quick short
 message
 (Christ's Mighty Gentile Warriors)
 Cutting through the enemy
 (Christ's Mighty Gentile Warriors)
 From victory unto victory
 A noble, bold and fearless warrior
 (Christ's Mighty Gentile Warriors)
 Influenced by the King's desire
 (Christ's Mighty Gentile Warriors)
 Grabbed his sword to fetch the water
 (Christ's Mighty Gentile Warriors)
 Cut through Guyana and Africa

We have hit the well of water
 (Christ's Mighty Gentile Warriors)
 Springing out from the Seven
 Thunders
 (Christ's Mighty Gentile Warriors)
 From genuine hearts in harvest time
 (Christ's Mighty Gentile Warriors)
 We have the Oil and we have the
 Wine

Our foes are filled with fear and
 trembling,
 (Christ's Mighty Gentile Warriors)
 As the Super-Church comes
 marching,
 (Christ's Mighty Gentile Warriors)
 They have heard how we overcame
 (Christ's Mighty Gentile Warriors)
 Theologians and false anointed
 ones.

Jubilee trumpet has sounded
 (Christ's Mighty Gentile Warriors)
 Underneath the Easter Seal
 (Christ's Mighty Gentile Warriors)
 Demon powers have been broken
 (Christ's Mighty Gentile Warriors)
 We feel so good, we are free! free!
 free!

Shouting, jumping, singing, praising
 (Christ's Mighty Gentile Warriors)
 In the revival of the Just
 (Christ's Mighty Gentile Warriors)
 The mighty Conqueror is leading
 (Christ's Mighty Gentile Warriors)
 We'll soon possess our inheritance
 The Bride of Christ is marching over,
 (Christ's Mighty Gentile Warriors)
 To the New Jerusalem,
 (Christ's Mighty Gentile Warriors)
 Led by King Theophany
 (Christ's Mighty Gentile Warriors)
 To dwell with Him in His Holy City.

Key D

CHORUS

Be strong in the Lord, Be
 empowered,
 Through your union with Him
 Draw all your strength,
 Put on the armour that God supplies,
 That you, you may be able to stand.

We're not wrestling with flesh and
 blood,
 Contending with physical things,
 But we're standing in faith,
 Against the rulers of this world;
 Empowered by His spirit,
 In the authority of His name.

Having shod your feet
 With the Good News of peace,
 Girding your loins with His truth,
 The breastplate of righteousness
 And the helmet of salvation;
 The shield of faith and the sword of
 the Spirit.

Now standing complete in His
 image,
 Refusing to be shaken from your
 place,
 Praying at all times in the Spirit of
 the Lord,
 Interceding on behalf of all the
 saints.

Key F

We've come this far by faith,
 Leaning on the Lord.
 Trusting in His holy Word;
 For now we have a perfect faith
 Oh, Oh, Oh, we can't turn back,
 We've come this far by faith.
 Just remember the good things He
 has done,
 Things that seemed so impossible,
 We praise Him for the victories we
 have won!

521 ONE LOVE

Ulric Andrews

Key F

CHORUS

One love, one love, one love, one love.

There was a time in the history of man
When he commanded the creation
And he and his Maker had one love;
And then one day the deceiver came,
And man lost the power of the Name,
For he had broken the bond of one love;
It then took the blood of a spotless lamb
To be an atonement for fallen man
It was God's substitute for his sin and shame;
It was a part of God's great mystery
To redeem you and me again,
Back to} chorus

Then one day the real Lamb came,
He came in the Father's Name
To be a ransom for one love.
When on the cross my Saviour died,
The power of death He had defied,
To give us the token of one love.
He then changed our destiny;
He could now come and live in you and me,
Making us creatures now bound for eternity;
Brothers and sisters can't you see,
He died to set you and I free again!
Back to} chorus

The Holy Ghost the Lord did send,
He fell upon some redeemed men,
They had the token and one love.
They baptized in Jesus Name;
And of His doctrine they weren't ashamed,
For they were believers in one love.
But then as the ages rolled away
From this doctrine evil men did stray;

And the serpent began to ride this trail again.
Beware of the creeds of wicked men,
Designed to bring us back to bondage again;
But we want} chorus

In the end time the Son of man came,
He came in His Father's Name
To give us the token of one love.
Seven Thunders sounded in our souls,
Our Lord had gathered us from this wicked world
To be united in one love;
Then we will speak and command creation again,
Sons and daughters in the Father's Name,
Having power and wrapped up in His love;
The trumpet shall sound
And we'll take our flight to the skies
To be in glory where we'll be with our Father again,

We'll walk in the Light,
We'll walk in the Light,

Walk, walk, walk, in the Light,
Walk, walk, walk, in the Light,
Walk, walk, walk, in the Light,
Walk in the Light of God.

523 BE IDENTIFIED

Ulric Andrews 1985

Key G

What does it profit a man to follow
The vain traditions of misguided
men,
Who try to establish a
righteousness of their own;
A propitiation for their sins?

BRIDGE

O tell me,
What do you think of the blood of
Jesus
That was shed for you?
Is it sufficient to pardon you from
sin
(Is it sufficient to purge your
conscience from sin.)
(Is it sufficient to give you
dominion over sin.)
Set you free, putting peace within?

CHORUS

Just be identified with your
sacrifice
To be really justified, look to the
place where Jesus died;
Be identified, really justified,
Look to the place where Jesus
died.

What can a man do to be justified?
What does it take for an angry God
to be pacified?
If you trust in your power, or
struggle with all your might,
Yet your righteousness is like filthy
rags in God's sight.

What a work of grace that a man
could clearly see
The Lamb with seven horns and
seven eyes,
When darkness covers the earth
and death begins to strike
In the place where the blood has
not been applied!

BRIDGE

What do you think of the opening
of those Seals,
God's provided way for you?

Is it sufficient? Then, don't add or
take away;
It's God's provided way to save
you in this day.

What a work of power the blood has
done for you and me,
Lifting us from a life of sin, turning
our bodies heavenly.
And when Satan tries to convict you
in the courts of memory,
Hear the Lamb return the verdict:
"Not guilty, not guilty!"
("Not guilty, you are free!")

524 BEULAH LAND

Key D

I'm kind of homesick for a country
To which I've never been before;
No sad good-byes would there be
spoken,
And time wouldn't matter any
more.

CHORUS

Beulah Land, I'm longing for you!
And someday on thee I'll stand,
There my home shall be eternal,
Beulah Land, sweet Beulah Land.

I'm looking now across that river
To where pain is going to end
inside,
Now just a few more days to
labour;
Then I shall take my heavenly
flight.

525 HONOUR THE LORD

Anthony Weekes 2006

Key C

PROVERBS 3:9

Honour the Lord
With all thy substance,
And the first fruits of all thine
increase;
So shall thy barns be filled with
plenty,
And thy presses shall burst out with
new wine.

When you bring it }
In the House of the Lord, }
Bring it, in the House of the Lord, }
And I will pour out my blessings }
upon you. }2x

526 COME WHAT MAY

Ulric Andrews

Key F

He didn't say that it was going to
be easy;
Every promise my Lord has made
We've got to fight to claim.
For as many as He called,
He gave the power to overcome;
And every devil that stands before
us
Must be on the run!
So why should I ever think it
strange
When fiery trials should come my
way?
For He said that if I do suffer for
His Name,
With Him I shall reign.

CHORUS

Come what may, with Your Word I
will stay,
Come what may, I'll press through
anyway;
Come what may, Lord have Your
way.

I'll consider Him
Who for the joy that was set before
Him,
The cross He endured;
And that same life now dwelleth
within me
Victory I'm assured.
For He did say, He'll never leave
me nor forsake me,
And as a seed of Abraham
I'll possess the gates of my
enemies!
Why should I ever think it strange
When fiery trials should come my
way?
For He said that if I do suffer for
His Name
With Him I shall reign.

As I journey along,
May Lord I ever be, courageous
and strong;
For inch by inch I'll possess the
land

For I'm a journeyman,
By striving lawfully,
Knowing Thou savourest
reverence and humility;
Let the fullness of that meal offering
Be displayed in me!
I should never ever think it
strange
When fiery trials should come my
way,
For You said that if I do suffer for
Your Name,
With You I shall reign.

When I am down on the ground,
May I press through like a lily
In spite of the muck all around;
Rejoicing in the glory wherein You
have clothed me.
When I am up in the air
And the strong winds blow,
May I ever know that You are
there;
But if I be like a wounded dove,
May I press through with Your
message of Love.
For I no longer ever think it
strange
When fiery trials should come my
way;
For I know that if I do suffer for
Your Name
Lord, with You I shall reign.

527 IT'S JUBILEE TIME AGAIN

M. Scott, R. Brown 1996

Key F

It's Jubilee time again,
The outpouring of the Latter rain,
When you hear the Trumpet,
Shout and worship Him.

Keep on rejoicing, rejoicing,
It's Jubilee time again,
Rejoicing, rejoicing,
The anointing breaks every chain

Keep on rejoicing, rejoicing.
You are pardoned from your sin,
Rejoicing, rejoicing,
The anointing breaks every chain

We are living in these last days,
In a harassing and a thirsty age.
God sent Elijah His prophet
again
That He might come and bring
the rain.

CHORUS

Let the rain come down,
Let the thunder roll,
Filling me up, let me overflow
Till I can take no more;
Filling me up, let me overflow
Till I can take no more.

When you are a seed of God,
You've got to be planted in the
Word to die;
Your body might decay here in the
earth,
But it will spring to life with eternal
growth.

In these last days we are living in,
We know that the life which is in us
will spring again,
As small as a mustard seed,
saints, it will grow;
As big and wide with branches
flowing on the other side!

I want the former and the latter
rain to reign in you;
I want the former and the latter
rain to reign in me;
I want the former and the latter
rain to reign in you;
I want the former and the latter
rain to reign in me.

I want the rain to come and give
me Faith,
I want the rain to come and give
me Virtue,
Let the rain come and give me
Knowledge,
I want the rain to give me
Temperance,
Let the rain come and give me
Patience,

I want the rain to give me
Godliness,
Let the rain come and give me
Brotherly Kindness,
And Charity that the Super-
anointing power could be seen in
me.

Let the rain come down.}4x

529**GOD IN SIMPLICITY**

Vin Dayal 1981

Key D

It's God in simplicity,
Now revealed in humility,
King of Kings and Lord of Lords;
His name is called the Word of
God,
It's God in simplicity.

The Seven Thunder mystery,
How He formed Himself in me;
Now I know I'm part of Him;
Soon He'll come and take me
home,
It's God in simplicity.

Christ is the mystery,
Now revealed in you and me,
King of Kings and Lord of Lords;
His name is called the Word of
God;
Christ is the mystery.

530**JESUS YOUR NAME**

Key D

Jesus Your name is Power.
Jesus Your name is Might.
Jesus Your name will break every
stronghold,
Jesus Your name is Life.

Jesus Your name is Healing.
Jesus Your name gives Sight.
Jesus Your name will free every
captive,
Jesus Your name is Life.

Jesus Your name is Holy.
Jesus Your name is Light.
Jesus Your name is above every
other,
Jesus Your name is Life.

531 SHE STEPS A LADY*Ulric Andrews*

Key D

She steps a lady all clothed in
white,
Surrounded by a rainbow-colored
light;
The sweetest smile she wears
across her face,
As she beholds the One in whom
she has found grace.

CHORUS

And what joy now fills her lover's
heart!
As He beholds His lovely Bride at
last;
And with joy will the angels sing,
What adoration from the Seraphim!

Objections considered, all
hollering will cease,
All other women will have to hold
their peace;
He whispered to us in a language
unknown,
And now the beauty of His Bride
will be shown.

Oh, the mystery that the two have
now become one,
And the victory of all ages is finally
won;
Flesh of His flesh, bone of His
bone, we are the same,
United we stand under that special
name.

The Lamb takes His wife by the
hand
And leads her unto the promised
land,
Humble woman, He has chosen
for His own,
Will sit with Him as Queen upon
His Throne.

532 GIVE ME MY MOUNTAIN*Wrenrick Bishop 1981*

Key D

Give me my mountain, Amen,
Give me my mountain, Amen,
Give me my mountain;
The prophet had promised
Give me my mountain, Amen.

533 HIS MISSING RIB*Arlene James 1987*

Key D

It was some thousand years ago
In the beautiful garden of Eden;
When God made man and placed
him
Over the earth to have dominion,
But He saw man was alone,
He had no one to share his throne.

So God put man into a sleep
And took from his side,
One of his ribs close to his heart
With which He formed his bride.
His missing rib has been restored,
His missing rib was in bride form.

This bride has come all dressed in
white,
A veil she has put on.
She's come to stand at the side of
him
Whom she was taken from.
His missing rib has been restored,
His missing rib is in bride form.

534 WE ARE GOING OUT*Arlene James 1991*

Key D

A prophet like unto Moses came to
us in this day,
Vindicated with signs and wonders,
He came to show us the way;
But now he's left us, gone on to glory,
And God has Joshua on the scene;
So be thou strong and of good
courage,
As He was with Moses,
So He'll be with thee.

CHORUS

For we are the children going
Out of Egypt's land,
We are the children marching
Into the promised land;
We are the children crossing over.
The Ark is going before us,
We are the children going out
In this Third Exodus.

Oh children, let's all be ready,
Heed to all that God commands;
Let us obey all His instructions
To enter into the promised land
He is the captain of our salvation,
Defeated all our enemies.
Do not be fearful, just be
courageous;
He is the leader as we march to
Victory.

I beheld in the courts of Heaven
Where great treason was opposed:
Michael fought the great red Dragon
Who wanted to take control.
Kicked out of Heaven with the third
of the stars,
Like lightning they fell to the earth,
They mingled the seed of men,
And by deceit, they gained control,
Until...

CHORUS

The Ancient of days did come,
With experience, maturity and
wisdom;
The Ancient of days did come,
Restoring full dominion.
The Ancient of days did come
With experience, maturity and
wisdom,
The Ancient of days did come
And we must overcome.

I beheld this same dragon on the
earth was a dreadful beast:
He plundered and devoured,
having kings to bow at his feet.
But, I beheld till the Prince of Princes
came,
Great Michael, en morphe
As the bloody Lamb that was slain,
He brought to us the victory.
He is...

I beheld this beast was wounded
But his deadly wound was healed:
He cast down the truth, exalted a lie,
Having the whole world to be
deceived.
I beheld till a Mighty Angel came
With an open book in His hand,
He gave me skill and wisdom to
understand
God's great mystery plan.

MONOLOGUE

***I stood in the ranks of a great
army,
They were the saints of the most
high God;
We fought the dragon and
overcame
By Michael's two-edged sword.***

There is a land of milk and honey,
There is a land where we won't
need money,
There is a land shining with jasper;
There we shall see our blessed
Saviour.

CHORUS

And that's the reason,
We shout '**hallelujah!**'
Praising the King ,across the river;
That shining river,
Where the saints will gather;
There we shall see our blessed
Messiah.

Elijah has come, he has done his
work already,
As John has said,
"The bride has made ready;"
And now we are waiting
For the coming of Jesus,
What a blessed day
When the Lamb shall take us.

Our hopes are bright,
Our lamps are burning,
And day by day our hearts are
yearning,
This is the evening;
He will come in the morning,
Then we shall wait until that
morning.

Welcome, welcome, welcome,
Holy Ghost we welcome Thee;
Come with power this very hour,
Holy Ghost we welcome Thee.

When I think about what God
has done, back there on Calvary;
Even Seven Angels coming in a
Cloud

Bringing back redemption for me
Opening up the Lamb's book of
Life and all the hidden mysteries,
And I know that we have eaten
the Book,

What a people we should be!
And when I see another corn of
wheat coming to a mature stage,
And this is the day of redemption
And the price has been paid;
Yet I see the things You've
promised missing in my life,
Oh how I want to lose my life,
So your Life could be }
wrapped up in mine. }2x

CHORUS

For I'm tired living underprivileged
When I see what God has done;
I'm tired living as a servant
When it's time for manifested
sons.

Lord, You gave revival and
And you promised the Third Pull
too;
For the greater works we }
have to do. }2x

There are souls under the altar,
They are crying out 'how long
Lord?'

Sleeping saints, they are anxiously
Awaiting on the resurrection.
In my heart there is a cry
To go back to that place,
No more darkly in a mirror
But seeing face to face.
The whole creation is groaning,
Waiting on that sweet release;
The lion wants to lay down with the
lamb
For a thousand years of peace;
And I want to see the One

Who has been with us all the time;
But still I want to lose my life
So His Life could be wrapped }
up in mine. }2x

A new day has dawned
And I just can't go on this way,
Just saying that I'm a Christian,
Walking with my Bible everyday,
The Prophet said the true church
would write another Book of Acts,
And if I don't come back to that
place
Then I have missed the mark.
But between revivals the locks
have grown,
There is a possibility;
The meal has been placed upon
the sticks
To be baked into reality,
Faith to use the power
Is growing greater all the time.
So like Samson: Just once more
Lord,
Like Esther: If I perish I perish Lord,
Like Jonah: to do Your bidding Lord,
Like Joseph: to be a prisoner;
For the greater works we }
have to do. }2x

Flow through me, Holy Spirit,
Flow through me;
Flow through me, Holy Spirit,
Flow through me;
As I lift my hands to worship,
And to magnify Thy Name;
Flow through me, Holy Spirit,
Flow through me.

We are going over Jordan.}3x
And the ark is going before us.}3x
And the waters now are parting.}3x

541 SHE IS MY BRIDE

Ulric Andrews 1987

Key F

Come, see what I've found
In the dust of the ground;
A pearl of great price,
A jewel for my crown.
The gentle look in her eyes,
Motherhood she won't despise,
Such a jewel is rare to find.
She's like an Easter flower
That the Rock of ages did
shelter;
Her beauty, her character is
undefiled.

CHORUS

And she is my bride,
She is my virtuous wife;
She is my bride
Today and forever.

I've suffered much pain
Before I could take my claim,
But she was chosen long ago to
bear my name.
We shared years of intimacy,
She was the great mystery in
me;
She is flesh of my flesh
And bone of my bone.

MONOLOGUE

***I believe, "blessed is the man
who can find a virtuous wife,"
for we live in a time when the
daughters of men are fair. But
what is beauty without
character anyway?... Just
vanity..... So sons of God, turn
your eyes away from that wild
stare. Look for the virtues of
sacred motherhood..... a meek
and quiet spirit which is
precious in the sight of the
Lord And such virtues you
can only find in the daughters
of God who, like Leah and
Rachel, will build the house of
Israel, raising sons and
daughters of God.... would
worship the Lord and bless
His Holy Name..... When
you've found such a woman,
then you can truly say.....***

CHORUS

My love will keep her all the way,
At my side she'll always stay,
For we're united by my promises;
I'll keep my word.
She'll never be alone
Together we'll share our future
home,
My queen will sit with me upon
my throne.

542 BEHOLD THE LAMB

Arlene James 1994

Key E

About two thousand years ago
When John was on the earth
Sent by God to pave the way
For the Saviour of this world
And as he introduced the
Messiah
To the people there
When he saw Jesus coming unto
Him
This is what He said

CHORUS

"Behold the Lamb
Who taketh away the sin of this
world!"
Behold the Lamb
Has taken away, has taken away
my sin.

Israel suffered serpent stings
When they provoked the Lord,
God's mercy caused the brazen
serpent
To be lifted up
And as for healing
it was lifted in the wilderness
So Jesus Christ was lifted
So we could look and live

In the beginning was the Word,
Then taking fleshly form
Was manifested through
Jesus Christ
And lifted on the cross
And through the opening of
those Seven Seals
We see so plain
Just for our redemption
He's lifted up again

543 SAIL ON*Anthony Glaude 1987*

Key F

Morning cometh and also the
 night,
 Gross darkness upon the earth;
 Many are wandering to and fro
 And knowledge has increased.
 But make sure your anchor holds
 my friend,
 And keep your eyes upon the
 North Star
 'Cause He promised never to
 leave us;
 He's the author and the finisher.

CHORUS

Sail on, sail on, sail on, sail on,
 Land ahoy!
 Sail on, sail on, sail on, sail on.

A royal priesthood we are,
 A peculiar people,
 A holy generation
 That comes from every nation.
 And the captain of the Lord's
 host is on our side,
 With a flaming sword in His hand
 To protect us as we go by.

We've been travelling six
 thousand years,
 Going back to Eden.
 Soon it wouldn't be long,
 We'll soon see our Promised
 Land.
 Standing fast in the liberty
 Wherein Christ has made us
 free,
 Holding our confession to the
 end;
 Lady Liberty.

We're sailing through rugged,
 jagged seas
 With thunders, lightning and
 blasts;
 Pressing through with all our might
 To see God's Word come to pass.
 If we perish, we perish,
 But we're going to see our King,
 Laying our lives on the line,
 Knowing that we are nothing.

544 GOD'S EAGLES*Anthony Glaude 1985*

Key F

I lived in a world of sin and
 shame
 That only caused me grief and
 pain,
 And I tried so hard to be free,
 Searching for my true identity,
 Didn't know I came from eternity,
 Until God came and revealed it
 to me.

CHORUS

On the wings of a }
 snow-white Dove, }
 God sent His pure }
 sweet love, }
 On the wings of a }
 snow-white Dove }
 To take His eagle }
 home. }2x

I knew somehow I was born to fly
 Way up in the sky,
 But somehow I couldn't set my
 wings free;
 But since that day I heard His
 voice
 And made Him my heavenly
 choice,
 By His grace I can say I've been
 set free.

Now behold what manner of love
 The Father hath bestowed upon
 us,
 That we might be called the Sons
 of God!
 Wherever He bids us we will go,
 Wherever He leads we will follow,
 'Cause who the Son has set free is
 free indeed.

545 WE ARE HERE TO PRAISE

Key C

We are here to praise You,
 To lift our hands and sing.
 We are here to give You,
 The best that we can bring;
 Bringing You our love,
 Rising from our hearts,
 Everything within us cries,
 "I love You Lord."

I have heard but now I see,
 God's promise to you and me.
 All these years through thick and thin,
 We have laboured to enter in.
 Then God's silence was broken
 through and I can see me and
 you

CHORUS

Singing Victory,
 Victory and Glory for all eternity,
 It's the promise of God to us.
 Victory and Glory, for all eternity,
 Hallelujah!
 Victory and Glory, for all eternity,
 We'll sing it forever,
 Victory and glory for all eternity.

The Thunders came, the Seals
 revealed,
 Couldn't understand all, but yet
 we believed.
 Many thought we were off on a
 limb;
 But they didn't know we were
 worshipping Him.
 Wednesday the third of June at
 Cocoyea God decided to display
 Himself.

Now we are climbing higher each
 day,
 Conquering all devils who stand
 in our way,
 This Bride is ready to make her
 stand
 For the kingdom of God is at
 hand,
 For it becometh unto us to
 fulfil all righteousness

This Bride's revival is here to
 stay,
 We must press harder to keep it
 that way.
 Through prayer, obedience and
 sincerity,
 We'll all inherit eternity;
 JVHU, I Jesus, is here to prove
 that this Bride won't fail

This Message bought us back to
 oneness with our God,
 With Seven Seals opening up
 His Holy Word.
 Seven Mysteries thundering out
 and unfolding;
 Rapturing Faith for Rapturing
 Grace now revealing.

CHORUS

The Adoption, full Redemption,
 All authority and power
 Is restored unto the Bride in this
 great hour.

I was troubled and confused in
 Laodicea,
 No satisfaction for this deep and
 inward hunger,
 Clouds of darkness hovered o'er
 me trying to blind me,
 The Light broke through, the
 shadows flew, and now I can
 see.

I have heard about the inspired
 declaration,
 Made by ambassadors for Christ
 from South in Trinidad,
 The move is on for the chosen
 ones by election;
 The local Bride is gathering in for
 the adoption.

Seven Voices thundered out in
 this hour,
 Revealing Faith to Brotherly
 Kindness for the Rapture,
 Anointing hearts and lives with
 overcoming power;
 Fear and bondage, skepticism
 could not linger.

We are quickened by this
 blessed revelation,
 Changing from glory unto glory
 for Redemption,
 Perfect Love uniting hearts for
 translation,
 Perfect Faith conquering death
 for resurrection.

548**LET GOD HOLD
YOUR HAND***Elizabeth Bishop 1994*

Key C#

When you feel that your life is
almost gone,
And the burdens they are just too
much to bear,
When you think that my God has left
you in your most trying hour,
Just remember He'll be there to
hold your hand.

CHORUS

So just let God hold your hand,
He never failed and He will not fail,
He'll always be there,
So when you think that you're so
alone,
My Jesus, He will help you stand,
So just let go and let God hold
your hand.

Every word that He has promised
is true,
He has kept me only by His saving
grace,
So when the pressures of this world
engulf you like a mighty sea,
He'll be there, He will be there to
hold your hand.

CHORUS

Take my hand precious Lord, lead
me home.

549**JESUS, NAME
ABOVE ALL NAMES**

Key C

Jesus, name above all names,
Wonderful Saviour,
Glorious Lord,
Immanuel, God is with us,
Blessed Redeemer, Living Word.

550**IMMANUEL,
IMMANUEL**

Key C

Immanuel, Immanuel
His name is called Immanuel,
He's God with us,
Revealed in us,
His name is called Immanuel.

551**MY LORD
DELIVERED ME***Ulric Andrews 1983*

Key D

There was a time when
I was deep in sin,
No place in my heart
For the Lord to enter in;
Stumbling in darkness,
The way I could not find,
There was a deep in my soul,
I knew I was blind,
Until His light did shine.

CHORUS

My Lord delivered me with His
mighty hand,
My Lord delivered me from the
sinking sand.
My Lord delivered me, that is
why I sing,
My Lord delivered me, I could
never stop praising Him.

Now I am a warrior with a battle
to fight,
I'm not afraid for the Lord my
Captain is in sight,
He'll point the Silver Sword and
I'll obey His Word,
But the foolish man, he can't
understand,
I'm His thought made flesh by
predestination.

So here we are so great with
child,
Resting on that Seventh Peak,
Waiting orders from on high
To exercise the Third Pull,
our inheritance;
But the wicked man cannot
understand,
There cannot be any
impersonation.

Love one another my brothers,
Let's run this race,
Endure to the end,
For we know we'll see His face.
Grow in grace my sisters,
Let's fulfil all righteousness,
For we are flesh of His flesh and
bone of His bone
We'll sit with Him in His throne.

552 HOLDING MY PALM

Selwyn Boyd 1981

Key G

When I see all Israel in their
homeland,
When I see all prodigals come
home;
Then, this evil world,
Clothed with darkness in their soul,
Very soon to hear from our
Redeemer;
The Word-Bride, we are sealed and
ready,
For the holy new Jerusalem;
I am rejoicing and singing, Shalom!
Holding my palm in my hand.

CHORUS

Yes, I am holding my palm in my
hand,}2x
Where the eagles are gathered
Worshipping the Lamb,
I am holding my palm in my hand.

I'm not boasting about much
revelation,
I'm not boasting about much
inspiration;
But when I look in
And miss Elijah from the scene;
I believe and fear, for I know who is
here;
About two hundred pounds
Of olive skinned complexion,
Pouring out His fullness unto man;
Like John, I shout, Hallelujah!
Holding my palm in my hand.

And when I hear God's Holy Word
revealing,
All the mysteries of Christ the Son of
Man;
I recognize my day and what the
Spirit says,
"Come out of Laodicea;"
For the white horse rider will take the
hindmost,
So come into the Royal Holy Ghost;
And the Spirit and the Bride say,
"Come, come, come,"
Holding my palm in my hand.

And when I feel that hot Shekinah
glory,
Drawing me deeper into love's veil;
And I feel those flames of light
Changing my robes to white,
To a place where I could never fail;
For it was by predestination,
He came to dwell in me, His chosen
one;

Then let the winds, and the waves,
and Satan storm,
I am holding my palm in my hand.

Now when I see us gathered in Abel
country
Reviewing forty years of history
And we see how we have come
All the battles that we have won
We are God's mighty marching army
Seven compound redemptive names
of our great Jehovah
He has been revealing unto us
We are led by the Dove onto perfect
love
And we are holding our palms in our
hands

553 WE ARE YOUR PEOPLE

Arlene James 1996

Key D

Oh Lord, we are Your people
Chosen by Your grace;
You took us from the heathen
To be a super race;
And as children of the great King
of Kings
We have all reason to shout and
sing;
You've given us joy, joy, joy.}2x

If You should mark iniquity,
Which of us could stand?
How could we get through this life
Without Your guiding hand?
So Lord, we ask You, forgive our
failures
And deliver us from all temptation;
And make us strong, strong,
strong.}2x

We know we're not deserving
Of all Your graciousness;
We know we fail You daily
And sometimes misbehave,
But Lord, we love You, we want to
serve You,
Yes Lord, we need You and we
believe You
Will help us overcome.}2x

Oh yes, You have redeemed us
By Your precious blood;
Your power brought deliverance
When Satan came in like a flood;
And Lord we see You strong in
battle,
Yes Lord, we see You breaking
the shackles
And giving us Joy, Joy, Joy.}2x

The hour of shaking is now at hand
 When many builders would realize
 They have built on sinking sand.
 For the stone that the builders refused
 They have rejected, the
 Revelation of the Son of Man.
 But unto you He's been a
 treasure,
 And an anchor to your soul,
 All the evils of this world
 We'll overcome.

CHORUS

For more than conquerors we are
 Through the power of Jesus' Name
 Priests and Kings He has made us
 And forever we shall reign

Many pressures came from
 outside and within,
 And temptations did rise to take a
 look
 Unto the other side;
 But by the grace of God we
 resisted sin
 And the devils were surprised,
 We knew by the Word of the Lord
 We were tested and tried;
 But unto you who look above
 Through the window of perfect love,
 God has sent to us His sign
 On the wings of a Dove.

As the new ministry becomes a
 reality,
 Now men will see with the eye
 The works of God expressed
 through His little Bride,
 Every knee must bow, every
 tongue confess,
 Men's folly be made manifest,
 The foolish man won't be able to
 stand;
 But unto the wise who
 understands
 Great exploits are now at hand,
 For Michael's feet are on the sea
 and on the land.

We can see the signs of the times
 are all around,
 Unclean spirits like frogs coming out
 of the Dragon's mouth,
 False prophets are lying and the
 truth they are denying;
 But we have received our
 message of grace,
 On the wings of a Snow-White
 dove.

CHORUS

Lo! in her mouth
 Is an olive leaf,
 That speaks about redemption,
 That speaks about His grace.
 Lo! in her mouth
 Is an olive leaf;
 It speaks about eternal life
 And fellowship with God.

Economic and social pressures are
 everywhere,
 Many have been caught unawares;
 The hour of temptation has come
 upon everyone,
 But unto us His little Bride, His
 voice whispers 'Shalom!'

He said, "Fear not my child, all
 your troubles are over,
 Your enemy has been destroyed.
 Your great enemy has been
 conquered;"
 Fear none of these things that
 shall tear this world apart,
 For the Dove is cooing in our hearts
 Who are shut up in the ark.

He reconciled me from the pits of
 the miry clay,
 He brought me in His arms to stay,
 And I'll praise Him for that day.
 He reconciled me from the pits of
 the miry clay,
 Whenever Satan comes my way,
 I'll remind Him of that day.

557 GREATER WORKS

Ulric Andrews 1983

Key C

CHORUS

Greater works than these shall you do,
For it's a promise for me and you.
Greater works than these shall you do,
For it's a promise for me and you.

For we are partakers, Lord, of
Your holiness,
And we are now clothed in Your righteousness;
And we are Your children walking in this Evening Light,
And in Your Bride You'll be glorified.

For the God of Peace shall bruise Satan under our feet,
The army of the living God, he shall not defeat;
So let us praise God for this mighty privilege
To be a part of this apostolic heritage.

So brothers and sisters let's keep on abiding in His Word;
Don't look to the things of this world and get your vision blurred;
For we've been drawn to that holy place
Where Our Lord has placed His name;
Having blessed assurance He'll glorify it again.

For the cup of the iniquity of this world is almost full,
And here we are upon Mt. Zion awaiting that final pull;
May God grant us the faith to use that two-edged sword,
For every day Your elect cries,
"Just once more Lord."

Greater works than these shall you do,

For it's a promise for me and you.

BRIDGE

Unconditional promise for me and you,
Unfailing promise for me and you,
Holy Ghost promise for me and you,
Seven Thunders promise for me and you,
Oh, what a mighty promise for me and you.

558 VESSELS OF HONOUR

Anthony Glaude 1984

Key F

We are troubled on every side
Yet not distressed,
Perplexed but not in despair;
Persecuted but not forsaken,
Even in trials we are not forgotten.

That's why in all these things,
We are more than conquerors
Pressing the upward way;
And we bear in our bodies
The dying of our Lord everyday,
everyday.

CHORUS

'Cause we are vessels of honour }
Set aside unto the Master's use, }
And they whom He foreknew, }
Them He did choose. }2x

Our Lord was tempted on every side,
Yet without sin,
That we could reign with Him;
Proven to be the true Saviour,
Lord and King and Blessed Redeemer.

Now we are given a sacred trust
To fulfil His word
In this hour of destruction.
Surely goodness and mercy
Will be with us despite the condition.

Deep calleth unto deep,
In the night time I scarcely sleep.
Why art thou disquieted in me
my soul?
I've found hope in the Lord of
glory;
He has revealed my life's
mystery,
Shown me that I was in His
thoughts from times of old

CHORUS

It's the rising of the sun,
When the children of God on the
earth are born;
This Evening Light from above,
It's nothing less than God's
elective love.

I see Mary, she's walking slowly,
Along the narrow road that's
dusty,
When the child is born your
sorrows will be gone;
"Esther, Esther, touch that
sceptre,
With the King you have found
favour;"
Anything you do, do it in that
name

Samson's locks are now a little
longer,
Faith muscles are becoming
stronger,
Between the pillars the Lord will
strike His Masterpiece;
Now the Headstone is drawing
nearer,
Dynamics are worked in greater
measure;
Pulsations of faith will soon
create: "Let there be."

Seven Thunders activating the
countdown,
The North Star leads the battle
stars to the showdown,
Two hundred million devils will
be on the run;
Joel's mighty army comes on
display,
The elements will tremble before
them on that day,
For strong is the Lord that
executeth His Word

CHORUS 2

It's the rising of the sun,
So be not faint when that
darkness comes
This Evening Light from above,
It's nothing less than God's
elective love.

Our hearts are burning with
expectation,
For the promised eternal vacation,
Reservations have already been
made;
Next attraction, coming soon,
Bridegroom and Bride leave for
honeymoon,
On the wings of Love she'll take
her flight thru' the skies.

Trials here are sometimes many,
And oft times my feet grow weary,
Till it seems I almost stumble
and fall.
But the tender hand that leads me,
Is the hand that keeps me steady;
Gives me faith, that I can make
it, after all

CHORUS

After all this life is over,
And our burdens have been lifted,
And we stand upon the mountain
top so tall;
Looking over in that city,
That our Saviour is preparing,
Gives me faith, that I can make it,
after all

By myself I cannot make it,
But I know He's there to help me,
He will hear my cry, if only I will call.
"Just keep trusting, and believing,"
Are the words I hear Him whisper;
Just a few more days to labour
after all

The Lord is my strength and }
my song. }2x

He has become my salvation, }2x
The Lord is my strength
And my song.

As I continue to possess this land,
 Lord let me hold fast this revelation,
 All along the way, Lord lead me
 all the time;
 For You know this path real good,
 It is a road You have already trod,
 And you overcame every
 temptation by Your own Word.

CHORUS

Lord anoint me more and more,
 With overcoming inspiration,
 Seven powerful thundering voices
 Shattering every strong temptation;
 Perfect faith and confidence,
 Lord my soul is longing for;
 Perfect strength in perfect
 weakness, Lord allow.

Lord, I know that this land is mine,
 For You have made me to
 understand
 Your counsel is immutable, You
 cannot lie;
 You have restored back all the
 Word,
 And Your promises are assured;
 Forward in faith to the objective as
 I journey along.

Alert and ever watchful, help me to
 be,
 As I walk this land with Thee,
 Ever spotless may this pure white
 raiment be;
 I've surrendered whole-heartedly,
 Looking for the change of immortality
 And I remember how You came
 and delivered me.

You are the same Jesus that
 calmed the sea,
 And You're dwelling now in me,
 Make me conscious more and
 more of my ability;
 Full obedience to Thy Word,
 Because of love for what You did,
 Exercising the faith of God that's
 locked up in me.

CHORUS

In the beginning, before the
 beginning,
 The great Elohim, had no origin,
 He had no father, no mother, the
 great Jehovah our God.

He had in His mind before the
 foundation,
 That He, the Lamb would be slain
 To redeem His creation;
 He knew we had fallen from our
 lofty heights to sin,
 So He had to come in flesh and
 die,
 To bring us back again to Eden.

He came with a Shout revealing
 His redemption,
 To call and claim His Bride
 From the powers of deception;
 So why should we doubt
 That His words are in our mouths,
 For He has ordained that we must
 prophesy again,
 To every nation.

We have crossed back the chasm
 to our lofty heights,
 By seven thundering voices, His
 great evening light;
 We'll be translated to His heavenly
 domain,
 We'll sit with Him as priests and
 kings;
 We will reign with Him
 Forever and ever and ever.

God can do it again
 And again and again;
 There's no reason to doubt
 God can do it again.
 Yesterday and the day before,
 He is always the same;
 There's no reason to doubt
 God can do it again.

565 KICK HIM DOWN*Ulric Andrews 1983*

Key C

CHORUS

Kick him down, kick him down }
 Have the devil on the run; }
 A son of God must not be }
 trodden down, }
 So kick that mamba down. }2x

Arise and shine, King Theophany
 has come,
 Let's hold to His unchanging hand.
 Praise the Lord, praise His name
 and be garrisoned by prayer;
 Don't let the devil shake your
 confidence
 Or in your heart put fear.
 Don't you hate your brother,
 That's the root of bitterness;
 We've got to walk in that way
 of holiness, of holiness.

Cover your face, cover your feet
 With reverence and humility,
 Let's go into action with God-given
 ability.
 Stand flatfooted in your trials,
 Though they may be sometimes
 mean;
 Always remember to call Jesus on
 the scene.
 Remember everyday to have the
 token on display,
 It's an act of love so follow that
 Dove,
 That snow-white Dove, that snow-
 white Dove.

Unconquered by tradition, in this
 day we stand,
 Like Joshua and Caleb, we're
 going to take that land;
 But brother it won't be easy,
 It's not a flowery bed of ease,
 Remember that old devil,
 Will bring on that terrible squeeze;
 Don't let him have you blue,
 Wondering what you're gonna do:
 For we're on that Seventh Peak,
 So we'll just speak;
 We'll just speak.

566 DRY BONE IN THE VALLEY*Ulric Andrews 1983*

KeyEm

I was a dry bone in the valley,
 When Jesus found me;
 A dry bone in the valley,
 When He put flesh upon me.

CHORUS

Said, "Son of Man, can these dry
 bones live?"
 And I answered, "Oh Lord, Thou
 knowest."

You have given us prophetic
 eyes,
 So we won't believe Satan's lies;
 Although the world thinks us
 absurd,
 We'll keep on holding to Your
 Word.

We are the flowers and You are
 life's essence,
 May Oh Lord, You have the pre-
 eminence;
 For that's the reason why You
 made us,
 To achieve Your greatest
 purpose.

Now I stand justified and do
 appreciate
 The out-pouring of Your wonderful
 grace;
 Sanctified from the bondage of sin,
 As the Holy Spirit now dwells
 within.

Now I'm no longer a dry bone in
 the valley,
 Since Jesus set me free;
 And now I'm growing in His Grace,
 And some day soon I'll see His
 face.

567 LET THE BOOK LIVE

Key D

Let the Book live in me dear Lord
 Show me myself within Thy
 Word
 Show me myself and show me
 my Saviour,
 And let the Book live in me.

When I wake up in the morning
 And think of the great things
 God has done for me,
 In my heart there's such rejoicing
 To think that a new day has
 dawned on me;
 For the glorious mysteries in God's
 Word,
 That He has allowed me to share:
 It's only an indication of His great
 love, and how much He cares.

CHORUS

I feel like p-r-a-l-s-l-n-g Him
 P-r-a-l-s-e Him
 I feel like p-r-a-l-s-l-n-g Him
 P-r-a-l-s-e Him

Like to Abraham, He came down
 In this day unto me.
 Showing me things that were and
 things that are, and things, things
 that are to be.
 What has been hidden from the
 eyes of the wise and the prudent,
 He has revealed unto His own;
 A message of preparation, to take
 us to our eternal home.

When I think that I'm one in a million
 Chosen by God to stand in this evil
 day,
 It fills my heart with love for the
 Heavenly Dove who has led me
 In God's provided way.
 I, who was dead in sins and
 trespasses, so wretched, so
 wretched and so vile,
 It took His Amazing Grace, to lift
 me to a place that He now calls me,
 Calls me His Bride.

When I see all hell extending her
 borders to swallow up humanity, I
 thank the One with the keys of
 death and hell,
 Who has opened the prison door
 for me.
 He has changed my course from
 the regions of the lost, that realm
 of insanity,
 By anointing my eyes with a
 Heavenly vision
 To behold and live eternally.

I just want the Dove
 To lead this eagle,
 I just want the Dove
 To lead this eagle home;
 For I know the Dove is here,
 He has come to lead God's
 eagles;
 And I know He will guide me,
 And keep me in His Word.

I just want to follow
 The way You will lead me,
 I just want to follow
 The way that You will go;
 For I know You will lead me
 In the footprints that You have
 left,
 And I know that You will guide
 me
 And keep me in this path.

I just love that Dove,
 For He is my Lord,
 I just love that Dove,
 For He has been my guide;
 He has brought me up seven
 steps
 To a perfect faith I've never
 known;
 Now He'll send me with His
 Word
 As He rides this trail again.

Let's take time to wait upon the
 Lord,
 Let's take time to listen to His
 voice;
 Unless the Lord builds the
 house,
 We labour in vain,
 Let's take time to wait upon the
 Lord.

The Message came in this last age
to prepare a Bride,
To walk with Him and talk with Him
and in His Word abide.
It's written in the Spoken Word,
and it's laying there,
To bring us into Rapturing Grace
and take us out of here.

CHORUS

Overcoming Power is what we
have today,
Overcoming Power to keep the
devil away;
Overcoming Power till we become
the Word.
That's when we'll leave this sinful
earth
And go and meet the Lord.

We have passed the seventh age,
The power has to come.
The scientists have gone to work,
They're sure to get the job done.
Our sins and weights to lay aside,
And we'll set everything right;
So when the inspiration falls we'll
just take off in flight.

Our Moses has already gone,
He has prepared the way,
He brought us to the Jordan,
And he was taken away;
But Joshua is preparing now to
sound out His command,
To gather all the saints of God to
enter the Promise Land.

This day will I begin to magnify
thee in the people's sight,
You and I were eye witnesses at
Mc.Allister Street that night;
Also in the Hospital we had
witnesses there;
By inspiration, "In seven days time,
You'll be walking out of here."

We've planted flags, we've placed
our stones,
We had testimonies there,
They will serve as memorials to drive
away all doubt and fears.
On June the 3rd that's when the
Lord rolled our reproach away,
Beyond a shadow of a doubt,
I, Jesus Christ, is here.

Like a hart pursued by his evil
foe,
He knows well to stay near that
brook
Where the living waters flow;
So panteth my soul after You,
the living Word,
I know well to stay near that river
where living waters flow.

CHORUS

Blessed are you
Who hunger and thirst after
righteousness,
Blessed are you
For you shall be filled;
Blessed are you
When men persecute you for My
name's sake, you see;
Blessed are you, blessed are
you, blessed are you.

Where there is a deep,
There is a deep to respond;
For unto this end were you born
To be a child of God,
A child of I AM,
Know that the great I AM now
dwelleth in you,
And soon through you, He'll
display
He's just as great today
As He was yesterday.

In the midst of the night,
We saw an amber-coloured
Light,
The Light of yellowish green
Is Jesus on the scene
Come to lead His elected genes;
Beyond the riven veil,
On peaceful waters the ship now
sails,
No more tossed to and fro
By stormy winds that blow,
He has anchored our soul

573**ANGEL SWEEP BACK WINGS***Wayne Cadogan 1981*

Key C

The Light has come to show
 where we are going,
 In bridal step along the way we
 are treading.
 The revealed Word has shown
 us our placing,
 A Super-race we are in the
 perfect rest of God.

CHORUS

Oh, that Angel with the swept-
 back wings,
 He's the One that means the
 most.
 He took us in the Inner Veil,
 To reveal Himself more privately.
 Here we are in perfect step,
 In the promises of God.
 Oh that Angel with the swept
 back wings,
 He's the One that means the
 most.

All honour and glory and praise to
 His Name,
 For He was found worthy to take
 the Book,
 And show us our names.
 Flesh of His flesh and bone of His
 bone,
 In harmony we stand,
 In God's provided place,
 In the Seventh Seal of God.

The Seven Spirits in Revelation,
 Is that notable Angel,
 Who brought back the keys
 To open the Third Pull.
 Came back shouting "Grace,
 Grace, Grace!
 For I, JESUS, am the Word of
 God,
 That is in your midst right now."

574**CAN'T YOU SEE WHY**

Key D

Can't you see why I'm happy?
 I've accepted the Word of the Lord.
 The revealed Word that was
 spoken
 By the prophet of Malachi: 4.

575**THE CHALLENGE***Arlene James 1991*

Key G

It's a challenge to accept,
 It's a faith to rise into,
 It's a way I can show the world
 That Jesus Christ is true;
 It's a life to live, a testimony
 blameless,
 Living for Christ, standing every
 test.

CHORUS

For I've got to prove
 I'm one in a million,
 I've got to show the power of the
 blood;
 I've got to prove I'm not like
 those
 from Satan's Eden,
 I've got to show that I'm a person
 that this world isn't worthy off.

True representative of Christ,
 In the field that you've been
 placed,
 The joy of your life with Him,
 Always a glowing on your face;
 Living humbly, following the ways
 He showed,
 A true witness of Christ in this day.

Who are the ones that's going to
 stand,
 And keep a testimony clean?
 In the midst of an unbelieving world,
 We'll keep looking to the unseen;
 To really know that we will
 overcome,
 And receive His promise to sit on
 His throne.

576**WE'RE TOGETHER AGAIN**

Key G

We're together again just praising
 the Lord.
 We're together again in one
 accord.
 Something good is going to
 happen,
 Something good is in store.
 We're together again, just praising
 the Lord.

God's church is led by the
mighty arm
Of the Great Five Star General,
To execute His redemption plan,
And to wind up the commission.
She is marching now in view,
She is Michael's chosen few;
The Chief Captain with the Silver
Sword,
He's pointing her to victory
ahead.

CHORUS

God's church is marching,
God's church is marching,
God's church is marching the
victor's march;
God's church is marching,
God's church is marching,
God's church is marching the
victor's march.

God's church has moved into a
sphere,
Where she can have what she
desires,
For the anointing is released to
her
To display authority and power.
To have the blind and deaf
restored,
The sick and dead raised by the
Word,
She's a mighty marching army,
She'll shake the world with her
ministry.

God's church is sounding the
jubilee
And setting the captive free;
She's conquering the enemy
From victory unto victory;
She is strong and courageous
In the revival of the just,
She's made her final turn at the
west,
And she is marching the victor's
march.

God's church is waving the
banner high,

For her victory day is nigh;
She's in position on the Seventh
Peak
For the super power now to
strike.
She'll be a witness to the total
lost
By manifesting the greater
works,
And the New Name that she
bears with pride,
Once again, it will be glorified.

God's church is singing the
victor's song,
As the battle rages on,
All things are under her dominion
She knows the battle is already
won.
Soon she'll march to her home
on high
For communion in the sky,
And those waiting mighty gentile
warriors;
Will rise and join in the victor's
march.

Oh, I'm quickened, changed,
translated
By the power of the Holy Ghost,
And I'm waiting for the outward
To be changed and taken off the
earth.
His power now is moving,
It's deep inside of me,
When I look into the mirror,
I know it's Him I see.

Abraham's blessings}
are mine; }4x

I'm blessed coming in, }
I'm blessed going out, }3x
Abraham's blessings are mine.

580**THE DEED THAT
CAME***Lawrence Granger 1978*

Key D

This is what we have been taught
By the prophet of God today.
All the things that Adam lost
Now are available unto us.
He identified the Cloud that came,
As the Deed to man again,
The Deed that came.

CHORUS

This is what it's all about,
Let us lift our voices together and
shout,
Hallelujah! to our God
Who has redeemed us by His blood,
The Deed that came.

This great mystery that was sealed
In our day has been made so real.
'Twas the abstract title deed,
The promise God made to
Abraham's seed.
Seven deaths and seven steps,
That the Christ may be formed in me,
The Deed that came.

This dominion that Adam lost,
In our day has been displayed;
By a simple, humble man;
One who stood true to God's great
plan.
And from flesh to Word he came,
Spoke a word and squirrels came,
The Deed that came.

I'm so glad it did not stay
In the prophet of God as some
people say,
It is here in the bride
One more time she will prophesy.
Around the world they can testify
As she moves in the Second Ride
The deed that came

581**SINGING I LOVE YOU
LORD**

Key C

In moments like these, I sing out a
song,
I sing out a love song to Jesus;
In moments like these I lift up my
hands,
I lift up my hands to you Lord.

Singing, I love You Lord,
Singing, I love You Lord,
Singing, I love You Lord,
I Love You Lord.

Singing, I'll praise You Lord

582**THE ORIGINAL LIFE***Elleen Rogers 1979*

Key A

God's attributes were manifested
to His Bride in this last day,
We have caught the revelation by
the last prophet's message;
And we know who we are and
what we are raised up for,
Praise the Lord for the Original Life.

CHORUS

The Original Life, the Original Seed,
The Original Word is what I believe,
The Son of Man is revealed;
The Seventh Seal is unveiled,
The Original Life, the Original Seed.

Our eyes of understanding, He has
opened up at last,
And sweet victory is ours who were
chained down in the past;
True Jubilee has sounded and we
have responded to our God,
Who's the Original Life.

We are the word made flesh today
This is what the scripture say
And our names are seen within,
Redeemed and perfect without sin;
Yes we are anointed and inspired
By our God, Who's the Original Life.

We are called unto adoption, full
authority and power,
Sleeping saints will wake and join
us for translation in this hour;
Gentiles' days soon be over,
Glory, Hallelujah!
To our God, who's the Original
Life.

583**IT'S ALL RIGHT**

Key F

Church it's all right, (Yes, it's all right)
Church it's all right, (Yes, it's all right)
As long as I have my God beside me,
It's all right,
As long as I have His hand to hold,
As long as He watches over my soul,
As long as I'm under His control,
Then it's all right.

584

ARISE AND BE DOING

Ulric Andrews 1989

Key Em

Oh, prisoners of Love, the Master
have need of thee
Who shall build the Lord's house,
A magnificent sanctuary?
But a people He has chosen to bear
His name,
Yesterday, today and forever,
His awesome power remains the
same

CHORUS

Arise, and be doing and the Lord be
with thee,
Who shall build the Lord's house,
A magnificent sanctuary?
Arise, and be doing and the Lord be
with thee,
We shall build the Lord's house,
A magnificent sanctuary

"Come forth My sons with wisdom
and skill,
My anointing is on thee,
Who shall lay any hindrance when
I've ordained the victory?
Take your hammer and My sword,
Be thou courageous and strong.
Only believe My Word and a
paradox I will perform."

"Take My yoke, My love slave,
For it's easy and My burden's light,"
Who shall serve the Lord thy God,
With all his soul and strength and
might?
But His people He has taken from
the depths of the miry clay,
Let every lively stone in His
building find its perfect place.

585

GOD CAN DO ANYTHING

Key F

God can do anything, anything,
anything,
God can do anything for you.
He's the Alpha, the Omega,
The beginning and the end.
God can do anything for you.

586

CHRIST REVEALED

Wrenrick Bishop 1976

Key F

The promise of the Lord is now at
hand,
And in the love of God, O there
she stands;
That Super-race the Lord has
spoken to,
"Thus saith the Lord, she's in plain
view."

Our beloved prophet cried to see
our day,
When the beloved Bride of God
will show the way,
Today, here stands the Bride
becoming Christ;
Passing every Bridal test into
perfect rest.

Elisha surely saw Elijah go,
And he got a double part of grace
to know;
So nothing will stand in God's
Bride's way,
For she saw Elijah go along the
way.

The mystery is God in our flesh,
And veiled behind our skins, that is
the test;
Stumbling the world with its
simpleness,
For we now see that we are the
Messiahettes.

The enemy is running on every
hand,
All heaven is amazed, God's
mystery grand;
Those seven thunders saying
"Christ is revealed,"
Now Jesus Christ and Bride united
stand.

I LOVE MY JESUS

Key F

I love my Jesus }
And Jesus loves me }
In Him, I am so happy. }2x

In Him, in Him, }
In Him I am so happy. }2x

Oh precious Lord, how we thank
Thee
For revealing to us Thy perfect
will,
So that we could receive the faith
of God.
Without a shadow of a doubt,
We know that the faith of our
fathers is living still,
For by infallible proofs,
You have displayed that faith
through us.

CHORUS

These divinely revealed mystery }
truths }
Have restored back the faith. }2x
You have made us in Your image
To reflect who You are.
These divinely revealed mystery
truths
Have restored back the faith.

Oh loving Lord You have made us
a promise
To fill us with Your love,
So that we can be united with the
Head-stone.
How we thank Thee
For these Seven Thundering Voices,
And for revealing to us,
That we are the manifested sons!

Oh adoring Bridegroom, we've
recognized You
As our Headship and Loving Lord,
The Revealed Word that has been
rejected.
How we thank Thee
That we could lift our hearts in
praises;
And for revealing to us,
We are Abraham's faith seed!

We are marching over to }
Jerusalem, }2x
Jerusalem, Jerusalem, Jerusalem,
Jerusalem.

There's a deep and inward hunger
Within my soul.
God has promised in His Word,
He'll make us whole.
Well it's time for it to happen,
That huge portion of heaven;
It will make and bring to pass,
That tremendous victory in the
love divine

CHORUS

For I'm tired of tramping on this
mountain,
I'm heading down to the Jordan,
Lo, before me I see a vision
breaking,
A Power that would bind that
mamba,
The third pull ministry
(A divine Love that will bring
the tremendous victory)
(A divine Love that will
conquer every enemy)
(A divine Love it's the Holy Ghost
in you and me)

Now's my time for consecration,
I must see a change in me,
I will enter my secret closet,
And close the door behind me.
I'll keep the feast of Unleavened
Bread
With truth and sincerity,
For I'm expecting Jehovah-Jireh,
My Lord, to meet with me

Lord, keep Thy Holy fire burning
Deep in my soul,
Change me from glory unto glory,
Till Thy image You behold.
Let's keep this Holy convocation,
Till we become a new creation,
For it's the message in you and me
Will bring to pass that tremendous
victory

Across the bridge, There'll be no
sorrow,
Across the bridge, There'll be no
pain;
The Son will shine, Across the river,
And we'll never be unhappy again

592 SHALOM*Wayne Cadogan 1982*

Key C

Oh Lord my God, Thy Word is a
Lamp unto my feet,
Showing us the way, how we must
strive along;
The Seventh Seal has brought an
open vision unto us,
Revealing Christ, the Way, the
Truth, the Door.

CHORUS

Then He says, "Peace, Peace,
Peace unto My lovely Bride,
Shalom, Shalom!" for a new day
has been broken;
From this sick and dying world
To God's life and immortality,
All we can hear from His Throne
Is "Good Morning! Good Morning!
To my Bride."

The dawning of a new day we can
feel over us now,
Seven steps He showed to God's
provided place;
King Theophany Jesus is here
amongst us now,
To show His bride how Rapturing
Grace will be.

Face to face we see now, no more
darkly in a mirror,
Anointed and commissioned to do
His perfect will;
Hear the Voice now calling, crying,
"Peace, Peace, Peace;"
Enter in now before the doors are
closed.

593 SOMETHING MORE

Key D

Something more than my
yesterday,
More than I had before;
Something more than wealth or
fame,
He gave me something worth
living for.

594 SPECIAL MOUNTAIN*Ulric Andrews*

Key C

I long to see Jesus,
Just a glimpse of Him cannot satisfy.
I just want to love Him,
Till all the fears in me completely
subside.

CHORUS

For there's just something special
about that mountain,
Though many valleys to cross
He's more than worth the pain,
There's just something special
about that mountain,
I'm just ready to fight
One more time again.

I long for deeper fellowship
With the One who has chosen me
to bear His name.
I just want to be faithful,
Just to love and serve Him again
and again.

I long for the fullness of Eternal Life
To share a glory that will never fade
away;
And I long for my precious new
body
Where no sickness or pain would
ever be again.

I long for full dominion,
It's my inheritance, a son of God I
am;
I long to go back to Eden,
It's my future home where I'll
always be.

CHORUS

For there's just something special
about that mountain,
Though many valleys to cross
He's more than worth the pain.
There's just something special
about that mountain,
I'm just ready to fight.
One more time again,
...Give me courage Lord,
...More of Your strength Lord,
...I'm more than able Lord.

Such a time like this,
If I perish, I perish Lord, but I must
stand.

Such a time like this,
I'll execute my Lord's command.

Such a time like this,
I'm determined to face my
responsibility.

Such a time like this,
Consecration I need for full
authority.

Oh Esther you were born a star }
to shine in the darkness, }
And for a sign, }
In such a time like this, }2x
Such a time like this, oh glorious
time,
Such a time like this.

Such a time like this,
The Philistines are gathered to
make sport again.
Such a time like this,
A warrior's perfected in travail and
pain,
Such a time like this,
The message must live Lord, and I
must die.

Such a time like this,
Quickly Lord, avenge Your elect's
cry.

Oh Samson, you were born an }
instrument of vengeance }
In My hand for such a time }
like this, }2x
Such a time like this, oh glorious
time,
Such a time like this.

Such a time like this,
Wherever You go Lord, I will go.
Such a time like this,
My love for You will all men know.
Such a time like this,
I've chosen the harder way with
Your despised few.
Such a time like this,
I cherish the grace I've found in
You.

Oh Ruth, you were born to reflect
my life, Oh virtuous wife,
In such a time like this.
You were born to reflect, my life,
oh virtuous wife,
In such a time like this.
Such a time like this,
Oh glorious time,
Such a time like this.

Such a time like this,
The world is deceived by the
powers of darkness.
Such a time like this,
Let's be clothed upon with God's
righteousness.
Such a time like this,
The mysteries of God are made
clear to you and me.
Such a time like this,
We have the spirit of prophecy.

596

THERE IS NOTHING

Arlene James 1999

Key E

There is no river, He cannot cross;
There is no mountain that's too tall,
That He cannot move;
There is no sickness, He cannot
heal;
There is nothing, no nothing,
He cannot do for me.

There is no valley, that is too deep;
There is no chain that's too strong,
That I cannot be free;
There is no storm He cannot calm;
There is nothing, no nothing,
He cannot do for me.

597

HE IS MORE THAN
ABLE

Key C

He is able, more than able,
To accomplish what concerns me
today.
He is able, more than able
To handle anything that comes my
way.
He is able, more than able
To do much more than I could ever
dream,
He is able, more than able
To make me what He wants me to
be.

598 LIVING EPISTLES*Ulric Andrews*

Key F

We are eyewitnesses of His
majesty,
We have seen the Lord fulfilling
His Word;
And we know we are God's
characters in this great
symphony,
As we act on the things
That we have seen and we have
heard.

CHORUS

How else can we live, forever
praising Him,
For we are living epistles read of
all men;
You are Almighty God in flesh
again,
That's who we are,
Living epistles read of all men,
You are to me,
Almighty God in flesh again.

We've been made a spectacle to
this world today,
The Life of Jesus being on display;
Our resurrected Christ.
Awaken Jesus to the scene again,
As He glorifies His Name once
again in His children.

Let's press on daily with the King's
Sword in our hand,
Defeating the enemy on every
hand;
Let's bring our King, our rejected
King,
A clean fresh drink,
By living worthy of this gospel
We worship Him.

We know that today the Word is in
the Bride
It's Jesus again on His second ride;
So ride on Thy Majesty to Thy
rightful place
On the throne of our hearts;
Of this kingdom, He rose us up to
be a part.

599 LET US DRAW NEAR*Arlene James 1996*

Key G

Are we weak and troubled or in
deep despair?
Is the avenger of the soul on our
trail?
Well, the Name of our Lord is a
Mighty tower
That the righteous can run into and
be safe.

CHORUS

Let us draw near with a true heart
In full assurance of faith;
That we find grace and strength to
help In time of need.

It took a perfect sacrifice before
We could ever attain to perfect
faith;
That's why Christ the perfect Lamb,
The atonement came,
And to the Holiest of Holies,
He cleared the way.

CHORUS

So let us draw near having our
hearts
Sprinkled by His blood,
For now we have free access
To the throne of God.

We were not made angels, we're
of mortal kind,
And we daily make mistakes for
we are weak,
But we have not a High Priest who
cannot be touched
With the feelings of our infirmities.

600 I DON'T KNOW WHAT I'D DO

Key C

I don't know what I'd do,
I don't know what I'd do,
I don't know what I'd do without
the Lord;
When I look around and see,
All that He has done for me,
I don't know what I'd do without
the Lord.

601 THE NIGHT VISION

Ulric Andrews

Key Am

I beheld in the night vision,
O'er the great sea of humanity,
Creeping things, detestable things
Rising and gathering around me
From my soul came a desperate cry,
'Lord hide me from this hell I see,
I want to live with You eternally!'

CHORUS

I cried, "Hide me Rock of ages,
Separate me from the evils of this life,
Cover me with Thy robe of purity,
Be Lord of my life."

Then I lifted my eyes towards Heaven,
Lo, a Mighty Angel came down;
One foot on land and one upon sea,
And His face shone like the sun;
When He spoke His voice was like thunder,
And a mystery was made clear;
For the Voice that thundered judgement
Whispered freedom in my ear.

I considered the voice of the Angel,
Whose sayings were faithful and true,
Saying, "I Jesus is the Word of God
That has come to redeem you;
Through the Angel in the pulpit,
Cause this man to understand
He would live and reign eternally."

CHORUS

I cried, "Thank Thee, Rock of ages,
You've separated me from the evils of this life,
You have covered me with Thy robe of purity,
You are Lord of my life."

I was lifted amidst a great multitude
In the air above the sea,
A new song they sang no man could learn,
Shouting praise for victory;

Saying, "Worthy is the Lamb,
Who has given us power to overcome,
We now live and we'll reign eternally."

I heard a great voice saying,
"Come up hither,
To the great supper of the Lamb
Prepared by God for those whom He foreknew
Before the world began,
Saying, "Enter the joys of the Lord
My beloved Bride,
Come sit with Me,
I just want you at My side."

602 FILL ME

Anthony Weekes 1988

Key F

Dear Lord, I know You called me,
And I'm baptized in Your Name;
Yet there is this promise You have made,
So Lord, I am asking you
To fulfil Your Word that You would fill me with the Holy Ghost.

CHORUS

I'm asking You to fill me with the Holy Spirit,
Fill me, fill me with Your love;
So Lord, it would not just be a part,
But a circumcision of my whole heart,
There'll be no difference in my standing and my state;
I'm asking You to fill me.

For me to live this Christian life
This old man must die
For Your Spirit to abide;
Lord, I don't want reformation,
But a Holy Ghost transfusion,
For You have said that I must be born again.

Lord, I see the challenge is rising,
And so many amongst us are falling,
Shows me Lord, I need another touch,
If You should come and live in me
I'll be having constant victory
By the faith that overcomes the world.

Arise thou mighty man of valour
and brave the fight,
Victory is in thy favour go in this
thy might,
The Midianites are running,
It's spiritual Armageddon;
Shout, "the Sword of the Lord and
of Gideon!"

Yes, the Spirit of Gideon is on me,
Yes, the Spirit of the Lord is
anointing me.

Dig deeper in those mysteries,
Let your seven locks grow long;
Oh anointing of Samson,
Let faith muscles become strong;
Lord, lead me to those pillars,
Let me cast those devils down,
Let me hear those Seven Thunders
sound;

For the Spirit of Samson is on me,
Yes, the Spirit of the Lord is
anointing me.

"Speak now my fair lady,
Touch the scepter in my hand;
Make known your desires
It's my pleasure to command."
"Lord, my people, they are dying,
They must have their liberty;
Let me go and set the captive free."
For the Spirit of Esther is on me;
Yes, the Spirit of the Lord is
anointing me.

"You have followed me this far,
What can I do for you?"

"Let a double portion of Your spirit
rest upon me too."

"You ask a hard thing but if you see
me go,
The power of the Lord you shall
know."

For the Spirit of Elisha is on me,
Yes, the Spirit of the Lord is
anointing me.

Arise, you moping eagles,

Cease hopping on the ground,
Can't you hear your brother
screaming?

There's virtue in that sound.
Arise and eat, be strengthened,
For this journey you must be strong,
You were born to set your eyes on
the Sun.

For the Spirit of the Eagle is on me,
Yes, the Spirit of the Lord is
anointing me.

"Arise, thou mighty men of valour
and brave the fight,
Victory is in thy favour go in this
thy might;"

The Midianites are running, it's
spiritual Armageddon,
Shout the Sword of the Lord }
and of Gideon. }8x

I have to sing to you
About the One who died for me,
Even though I've failed,
Yet His Love's still being
expressed to me;
In my time of trial and when the
enemy assails,
I draw back just for a little while
To consider Him.

CHORUS

Consider Him who for the joy
endured the cross,
Consider Him who died for all that
was lost;
Consider Him who there on
Calvary bore your pain,
I want you just for a little while
To consider Him.

I know that life is rough,
sometimes the trials hard to bear,
And your daily life is encumbered
with a load of care;
Then there are those times when
you can't seem to bear the strain,
I want you just for a little while
To consider Him.

605**SPEAK AND DON'T DOUBT***Wayne Cadogan 1981*

Key F

Speak and don't doubt,
Just believe in your heart,
Speak and don't doubt,
Till His Word comes to pass,
Whatever thing you desire in your
soul,
You just believe that my Lord, He will
perform.

CHORUS

Joshua spake to the sun,
And he said, "sun stand still."
It's all because he knew who he
was,
Bride let us speak His Word
Having known who we are;
Revelation 10: 8-11: that's who we
are.

We have arrived at that junction in
His Word,
We have arrived where something
must give way;
The faith of God that is locked up in
our hearts,
We'll speak this very Word;
We'll see His glory pass.

Our prophet spoke and he believed
the Word,
Our prophet spoke and squirrels did
appear;
God's redeemed Church has
reached up to that sphere,
Inside that little room where the
power cannot fail.

Enter in there where the Light went
in that room,
Enter in there where the Angel said
He'll meet you;
You'll come out whole, with your
crutches in your hand,
Leaping and praising God for there's
power in that room.

606**LET ME BE A SACRIFICE**

Key F

Let me be a sacrifice, holy and
acceptable,
Let me be a sacrifice, consumed in
Your praise,
Let me be a sacrifice, holy and
acceptable,
Let me be a sacrifice, worshipping
Your Name.

607**THAT'S WHY I CALL HIM LORD***Selwyn Boyd 1981*

Key G

I was taken from His side
When my Lord bled and died,
The earth shook, and all of nature's
pillars cried.
On that sad and mournful day,
The sun went down and hid away,
When by blood, Jehovah-God
purchased His Bride.

CHORUS

That's why I call Him Lord,
Lord Jesus Christ,
Yes, I call Him Lord Jesus Christ.
I'm a new creation,
I'm His flesh, I'm His spirit, I'm His
bones,
And I'll tell the world He's Lord,
And we two are one.

Several times I've let Him down,
But my slide made His love more
strong,
From His side flowed reconciling love,
Such a Love the world don't know;
Such a Love it could never show;
It took the Dove to bring it down from
up above.

For a sign, just to show the world
That my Gene was celestial,
From His side royal blood did flow
Oh, the serpent's head was crushed
well done,
Hallelujah to God's Holy One!
Who by His blood has brought me
back to my God.

In this time of the catching away,
Down here in this world His Bride
won't stay
She'll be taken up and all the
sleeping saints will wake
But before her change
She'll have perfect faith and the
Third Pull will be displayed
To show this world God's promise is
sure, He cannot fail

608**JESUS OH JESUS**

Key D

Jesus, oh Jesus,
Won't You move among us here and
free us.
Free us, oh free us To lay down our
lives in love and worship You.

609 THE SEVEN NAMES*Anthony Glaude 1987*

Key F

CHORUS

Jehovah Nissi, the Lord our banner;
 Jehovah Rapha, the Lord our healer;
 Jehovah Shalom, the Lord our
 peace;
 Jehovah Shammah, the Lord is
 present;
 Jehovah Raah, the Lord our
 shepherd;
 Jehovah Tsidkenu, the Lord our
 righteousness;
 Jehovah Shalom, the Lord our
 peace;
 Jehovah Jireh, He provideth all our
 needs.

Lord I want to take the time,
 Just to praise Your Holy Name,
 'Cause You've been, been so good
 to me;
 So from the rising of the sun,
 To the going down of the same,
 Lord Your Name alone is worthy to
 be praised.

You are the great I AM that I AM,
 The God that was, is, and is to
 come,
 Prophet, Priest and King,
 Eagle, Lamb and Lion,
 Son of Man, Son of God and Son of
 David.

You are the Rose of Sharon,
 You're the Lily of the valley,
 You're the Bright and Morning Star,
 That's who You are;
 The Mighty Conqueror that's been
 unconquered by traditions,
 The Lord God Jesus is His name.

610 JESUS I WANT TO PRAISE

Key D

Jesus, I just want to Praise You, }3x
 Praise You for being so good.

Jesus, I just want to serve You ...
 Jesus, I just want to thank You
 Jesus, I just want to love You

611 SUMMIT ON SEVENTH PEAK*Eileen Rogers 1985*

Key D

We have seen the Lord
 In the fulfilment of His Word.
 He promised through the prophet to
 return,
 To ride this trail again, to reveal His
 New Name;
 To teach His Bride to prophesy
 again.

CHORUS

Coming from the east, coming from
 the west,
 Coming from the north and from the
 south;
 All the rainbow trouts are gathered
 by the Shout;
 For adoption on the summit of the
 Seventh Peak.
 (To do the greater works on the
 Summit on the Summit of the
 Seventh Peak)

We are on Mount Zion, in the secret
 place,
 By the Sovereign Grace of our Lord;
 A City on a Hill whose glory can't be
 hid,
 We'll manifest the great and final
 pull.

A Rainbow-covenanted One,
 In the Joshua Commission
 Testifies "She has turned at the
 west,"
 With the authority for her ministry,
 And she shall speak from the
 Summit of the Seventh Peak.

We sing a brand new song,
 We are the blood-washed throng,
 We've seen our names beneath the
 Seventh Seal.
 He opened up to us all the mysteries,
 And there's light now on the Summit
 of the Seventh Peak.

All things are ready now
 Father let the fire fall
 Father glorify thy name,
 You did it once before
 In the life of Malachi 4
 Now Father glorify your name

612 HE'S ALIVE AND WELL

Key G

He's alive and well, living in me to
 tell the world,
 That He is the same;
 He's the same yesterday, today
 and forever,
 Jesus is alive and well.

The first pull contacted the flesh of
man,
But did not reach the soul;
The second discerned the honest
ones,
And the third went back for them;
He's promised a second ride }
And has returned to prove His }
Word; }
He's here with us who are }
honest in our hearts. }2x

CHORUS

He's going back for the honest in
heart,
Who'll lay down their lives,
Willingly sacrifice;
He's going back for the honest in
heart,
Going back for the honest in heart.

By faith, Rahab the harlot
Perished not with all the rest;
For she received the spies with
peace,
And she was blessed;
The token was applied and even }
though the walls fell down, }
The spies went back for her, }
(She was saved) }
For she was honest in her heart. }2x

On His way to Jerusalem
He picked up the ones and twos;
Blind man, Bartimaeus,
And little Zacchaeus too;
We've seen Himself repeated }
In His Bride as she moves on, }
He's seeking out all the }
honest in heart. }2x

Our Lord, so rich in mercy,
Even there upon the cross
Love burned deep within His heart,
To reach out for the lost;
The thief hanging at His side }
Humbly asked to be }
And in that hour He reached out }
for an honest one. }2x
Even, way down in South Africa,

As we've heard it testified,
How the Lord, He did work things
out,
For the sake of His little Bride;
He never forgets His own }
no matter what the condition, }
He kept His Word, }
He reached out for the honest }
one. }2x

The last message has come and
gone,
This Word has swept the face of
the whole earth,
And there are many who have
heard it;
But out of these there shines a
Bride,
The chosen ones, the precious
Seed of God,
She's the Rebecca for her Isaac;
And one of these days she will be
changed,
She'll slip from time into eternity.

While people laugh at us and
mock,
Our lives are being raptured up
with Him,
We know He has received us;
And we'll come forth in His image,
The chosen ones, the elected
Seed of God,
The ones who love and serve Him;
And one of these days we will be
changed,
We'll slip from time into eternity.

He will return just as He said,
To take His Bride away to be with
Him,
In His great Millennium;
His promise is true; He has
returned,
He never breaks or fails to keep
His Word;
Just let us all be ready,
For one of these days we'll all be
changed,
We'll slip from time into eternity.

Who are we children,
And what were we born to be?
Not just mortal creatures of time
But reflectors of eternity.
Why were we placed here
Amidst temptation sore?
It's to develop our character,
And prove we're worthy of the
Cross.

CHORUS

Come let us stand together }
on God's Word. }2x

We belong to a body, to a unit
so unique,
Every member is important,
From the head down to the feet.
Everyone is affected
When one goes out of place,
So let's take our places faithfully,
Let's strive to keep the faith.

We've got to recognize
The deposit of the Word,
That God has placed within us
To face this evil world;
The skills that we've been blessed
with,
And the natural ability,
Are like seeds and when planted
Will bring forth abundantly.

BRIDGE

For we were made overcomers
Through Jesus Christ;
And this is the victory,
That overcomes the world - even
our faith.

More than anything,
More than anything,
I love You Jesus, more than
anything;
More than worldly wealth,
More than life itself,
I love You Jesus,
More than anything.

Love went to the little fish
And gave it back its life;
Also went to Sis. Hattie Wright;
Salvation to her two boys.
It was Love that calmed the raging
bull,
Turned back the wild hornets;
It was Love in the prophet,
The first wave-sheaf offering.

CHORUS

It is Love, Love, Love, here today,
It is Love, Love, Love, here to stay,
He has caused our blind eyes to
see,
Given us faith and inward beauty,
Love in His Bride riding this trail
again.

Remember He cannot lie
And His Words are not in vain.
He promised through the prophet,
"I'll ride this trail again."
Many, many years have come and
gone,
Saints, what are we waiting on?
The truth's made plain, He's here,
Riding this trail again.

He went to Sis. Merle and stopped
the issue of blood;
In San Fernando Hospital there He
spoke the Word.
Caused Bro. Williams to make a
stand
Against the words of the physician,
Healed Bro. Wayne and his boy;
Yes, He's here riding this trail again.

He went to Mon Repos,
And set the captive free,
Through our precious brothers,
He delivered her.
Saints there are many, many,
more to say.
But the time is slipping away.
He's the former and the latter rain,
Yes, He's here riding this trail again.

The earth is like a woman
 Ravaged by men;
 Seeds of corruption
 Have been sown throughout her
 land;
 But the harvest time has come,
 The Master's sickle is in His hand;
 To pluck up and destroy
 All the evil works of men.

But tell me of a new civilization,
 Oh, tell me of my journey back to
 Eden;
 Oh, tell me of Boaz and redemption,
 Oh, tell me of a virtuous woman,
 God's Bride.

Like a woman in travail,
 The earth groans under iniquity;
 Science has ravished her virtues
 To produce lying vanities,
 Her birth pains are increasing,
 The signs are clear to see;
 Earthquakes in divers places,
 Volcanoes erupting suddenly;

Oh, tell me of a glorious resurrection,
 Oh, tell me the desert shall bloom
 like a rose;
 Oh, tell me of the wonderful
 Millennium,
 Oh tell me of glorious Mt. Zion,
 My future home.

Like a woman that's perverted,
 Sin has stripped her of her hair;
 Man has cut down all her forests;
 She's almost naked everywhere;
 She's polluted in her rivers,
 The land, the air and sea;
 She must burn with the holy fire of
 God
 To restore her purity.

But tell me what's under those
 Seven Trumpets,
 Oh, tell me of God's three-fold
 mystery;
 Oh, tell me of the greatest love story,
 Oh, tell me about of a Man called
 Jesus, Who died for me.

Oh, tell me, where will I go when the
 fire starts burning?

Oh, tell me about my Theophany;
 Oh, tell me of the great Wedding
 Supper,
 Oh, tell me of my Lord, who's yet a
 little higher, My eyes shall see.

Oh, tell me what's under those
 Seven Trumpets,
 Oh, tell me that the cycle has
 returned;
 Oh, tell me why it had to be little
 Shepherds,
 Oh, tell me of the Inside Life with
 Jesus, Who died for me.

Oh, tell me that my troubles are all
 gone,
 Oh, tell me that it's only six inches
 long;
 Oh, tell me of the Catalina
 Mountains,
 Oh, tell me the Seventh Dove has
 descended, To lead me home.

Oh tell me of Amos between Joel
 and Obadiah
 Oh tell me of the roaring of The
 Lion
 Oh tell me of the People
 Being made ready to leave this
 world.

619 LOVELIER BY FAR

Key D

He is fairer than the lily of the valley,
 He is brighter than the morning star,
 He is purer than the snow,
 Fresher than the breeze;
 Lovelier by far than all of these.

But He calms the storm,
 Covers the raging sea,
 He is the high and mighty One
 Who reigns throughout eternity,
 Creator of the universe,
 Supreme in majesty,
 He is and forever shall be.....

620 I SAW SATAN FALL

Ulric Andrews

KeyEb

CHORUS

I saw Satan fall like lightning,
Coming down from the sky;
How art thou fallen son of the
morning,
Who thought you could exalt
yourself so high?

You were the one who weakened
the nations,
Brought this world in so much sin;
Praise God your power has been
broken,
When our Lord, our mighty
conqueror entered in,
Freed us from sin;
Now I look unto redemption,
The abstract title deed has come;
Showing me that way unto
perfection,
For this wicked world of sin I'll
overcome.
I'll sit with my Father in His throne
I'll reign with Him one thousand
years,
Where there's no sickness, or
sadness;
Only joy, no more fears, no more
tears.

You were the one upon those
horses;
White and red, black and pale,
Praise God your power has been
broken,
Since those Seven Seals have
been unveiled,
You have failed;
Now I look unto redemption,
The abstract title deed has come
Showing me that way unto
perfection,
For this wicked world of sin I'll
overcome;
I'll sit with my Father in His throne,
I'll reign with Him one thousand
years,
Where there's no sickness, or
sadness;
Only joy, no more fears,
No more tears.

**621 HIS COVENANT
HE'LL KEEP**

Arlene James 1991

Key G

Why have we been distressed?
Oh, we've been troubled sore.
What is it that we've done?
Have we transgressed His law?
Let us search and test our ways:
See where we have wronged,
Let's forsake our own ways,
And He will make us strong.

CHORUS

For He hath cast down,
But he will lift up;
Though He hath broken,
Yet He will bind.
He hath wounded,
But He will heal;
With His people, His covenant
He'll keep.

Let us search and test our ways,
And see where we have
wronged;
Let us lift our hearts in praise,
And worship Him who's our God.

622 JEHOVAH JIREH

Key Em

Jehovah Jireh, my provider,
His grace is sufficient for me,
Jehovah Jireh, my Provider,
His grace is sufficient for me,
My God shall supply all my needs,
According to His riches in glory,
He gave His angels charge over
me,
Jehovah Jireh careth for me,
for me, for me,
Jehovah Jireh careth for me.

623 HE IS MY REASON

Key D

He is my reason for living,
He is the King of all Kings,
Jesus, my only possession,
Jesus, my everything.

624 GOD EN MORPHE

Margaret Walters 1980

Key G

Jehovah of the Old is Jesus of the New,
That's the mighty revelation,
That has come to me and you;
How Michael, The Archangel, is
the pillar of Fire too,
He was the Voice in the whirlwind
That spoke Alaska's doom;
He is the Amber Light, the Pillar of
Cloud,
Came down on the wings of a
snow-white Dove;
He's Jesus, The Lord of Lords.

He came back in this day
In the ringed-cloud mystery,
It was seen up in the skies,
And baffled the world wide;
But to His little Bride He said:
"It's I, you need not fear,
Just go back to the east
And I will meet you over there;"
He is The Angel of God with the
silver-sword,
The One that meant the most with
the swept-back wings;
He's Jesus the King of Kings.

He was seen in Revelation,
The Book of great symbols;
As The mighty Angel that came
down,
Was clothed in a cloud;
But, do you know He has promised
All the mysteries would be revealed?
The dying Lamb of Calvary was
the One that broke those Seals;
He is the Lion that prevailed,
The Lamb that was slain to take the
book from the hand of God;
He's Jesus called The Word of God.

Who is this Melchisedec who's
always changing form,
This mysterious One of the Bible
is hid to us no more;
His name is called the Word of God,
His vesture's dipped in blood;
He raised us as His standard

When the enemy comes like a flood;
He is the Supreme Judge, the
Angel of God,
The Man that stepped out of the
ball of fire,
The Amber Light, the Great I AM,
The God that came walking in the
days of Sodom;
He's Jesus, He's JVVHU.

625 I WANT TO RISE UP

Arlene James 1986

Key D

As I strive daily Lord to see Your
Word perfected,
Help me be so deeply sincere from
within;
For I know this is my time for
consecration,
And I must lay aside my every
weight and sin.

CHORUS

So I can rise up on the wings of faith
And soar the Heavens wide.
So I can live in heavenly places,
Far beyond the clouds and skies.
So I can see like the eagles,
The things God sees from up above,
Just to follow in the way of the
Dove.

Seeing Lord, You've given me a
path to follow,
And You showed me just what I
was called unto,
Lord, prepare me to be always in
Your service,
A true service unto You I want to
do.

626 MAKE ME MORE LIKE THEE

Key F

Make me more like Thee,
Jesus, make me more like Thee,
Give me Your heart that's filled
with love,
And make me more like Thee.

627 FOUNTAIN OPEN*Arlene James 1992*

Key E

For I will take you from the nations
 And bring you to your own land,
 And I'll be sanctified in you,
 Before the eyes of man.
 A new heart will I give you,
 And place My Spirit within,
 I'll sprinkle clean water on you,
 And save you from your sin.

CHORUS

There is a fountain opened
 In the House of David
 To you who would believe,
 And there are streams of Grace
 That's flowing down from Calvary,
 Come, now and receive.

And I will pour upon the house of
 My chosen one,
 The Spirit of Grace and of
 supplication.
 And in that day, what a day that
 will be,
 A fountain shall be opened up,
 And you shall be wholly clean.

BRIDGE

There is a fountain filled with
 blood,
 Drawn from Immanuel's vein;
 And tell me what can wash away
 my sin;
 Nothing but the blood of Jesus.
 O precious is the flow
 That makes me white as snow.
 And there's no other fount I
 know,
 Than the fountain opened
 In the House of David...

(continue singing chorus)**628 NOTHING IS TOO HARD**

Key F

Nothing is too hard for the Lord,
 Nothing is too hard for the Lord,
 Whatever you need, on Jesus you
 call
 Nothing is too hard for the Lord.

629 THE PEACE OF GOD*Anthony Glaude 1997*

Key G

There's a peace to know that you
 are saved
 And that all your sins are washed
 away;
 But then there's a peace that
 passeth all understanding,
 A peace that cannot easily be
 disturbed.

CHORUS

For it's good to know you're
 justified,
 Your sins are under the blood;
 It's good to know you cannot be
 lost
 Under no circumstance,
 But when the perils of this life
 Befall you everyday;
 There's peace with God,
 But most of all you need
 The peace of God.

The Father comes and shows you
 your standing,
 And that all you have ever done
 wrong
 He doesn't remember;
 But to face your everyday trials
 you need something
 That will give you settled peace
 And cause worrying to cease.

The Father comes and shows you
 your standing
 And that your sins were placed in the
 sea of His forgetfulness;
 But sight and time being your
 worst enemies,
 Breed fear and sometimes
 insecurity.

630 GOD IS MOVING ONE MORE

Key C

God is moving one more time
 God is moving one more time
 God is moving one more time
 In his bride
 All the promise you have heard
 That is recorded in his word
 God is moving one more time
 In his bride

631 A SONG OF PRAISE*Keith Sandy 1985*

Key F

I will extol Thee, oh Lord
For Thou hast lifted me up,
And hast not made my foes to
rejoice over me.
Oh Lord my God, I cried unto Thee,
And Thou hast healed me.
So in my prosperity I said
I shall never be moved.

CHORUS

For Oh Lord,
Thou hast brought up my soul
from the grave:
Thou has kept me alive and from sin;
That I shall not go down to the pit.
Sing unto the Lord, all ye precious
saints of His,
And give thanks at the
remembrance of His Holiness.

Hear Oh Lord and have mercy
upon me,
Lord be my helper,
Thou has turned for me my
mourning into dancing;
Thou hast put off my sackcloth,
And girded me with gladness;
To the end my glory may sing
praises to Thee.

What profit is there in my blood,
If I go down to the pit?
Shall the dust praise Thee?
Shall it declare Thy truth?
For your anger endureth but a
moment;
In Your favour there is life:
Weeping may endure for a night
but joy cometh in the morning.

632 IF YOU KNOW THE LORD

Key F

If you know the Lord is leading you,
What you gonna worry about?
If you know the Lord is keeping you,
Why not sing and shout?
Glory! Hallelujah! Praise His Name!
Every day is not the same.
If you know the Lord is leading you,
What you gonna worry about?

633 REDEMPTION BY BLOOD*Arlene James 1991*

Key F

I felt death's sting, I had sensed its
snares,
Its cruel pain brought bitter tears;
How could I escape when
judgement was sure?
Who could plead my cause?
And when God saw there was no one
He sent to die His only Son,
For only through blood His wrath
could have been appeased.
His justice was satisfied when
blood flowed from Calvary.

CHORUS

Redemption by blood,
Oh wretched man that I am,
Who shall deliver me
From the body of this death,
And who should set me free,
taking me out of this desert?
But I thank God through Jesus Christ,
And His death on Calvary,
It brought for me redemption by
blood.

I felt the chains bind my soul within,
Serving that slave master sin
By reason of my bondage I sighed
And God heard my cry,
Remembering His covenant
A prophet He did truly send
With the Word of truth
To break the strongholds within,
And totally deliver me from the
power of in-dwelling sin.

CHORUS

Redemption by power,
Oh wretched slave I was made,
Who shall deliver me from the
bonds of slavery?
And who shall set me free,
Taking me from my captivity?
But I thank God through Jesus
Christ,
And His death on Calvary,
It brought for me redemption by
power.
Redemption by blood, redemption
by power,
In completeness and joy
Redemption for me.

634 KING THEOPHANY*Lawrence Granger 1980*

Key A

In sixty-three the Angel came
With the Will and I saw my name,
Then I knew that I'm a part of
God's family;
So like Jacob I must fight
With the Angel day and night,
Till those seven rainbow lights in
me I see.

CHORUS

This mighty Angel that came to me,
Is Almighty God, King Theophany,
The Pillar of Fire that's now
perfecting me,
In that form He came to me all the
way from Eternity,
Oh, Hallelujah, I am sure of victory!

Those unclean spirits just like frogs
That came out of the dragon's mouth
Are deceiving all the kings on
earth today:

Religious men have been sealed
out
By the doctrine that came out;
Saying that Jesus Christ our Lord
is three indeed.

Seven Spirits of our God,
Seven Voices thundering out,
The Seven Virtues of our God into
my soul,
Supernatural devils are coming on,
The greatest contest now is on;
But by the Spirit's Sword I'll
overcome them all.

This Mighty Angel, He's the One,
That my heart is centered on,
He's the One that means the most in
all my life;

For He has promised in His Word
Speak and in my heart believe,
Whatsoever I ask,
He, this Mighty Angel will perform.

635 RIGHT WHERE I BELONG*Ulric Andrews*

Key C

Who am I anyway?
I'm just a little lump of clay,
And if my strength is to no avail,
Yet it doesn't mean that I have
failed,
For when I'm weak Lord, You're
made strong,
So there is nothing going wrong,
You've brought me to that place,
Right where I belong.

CHORUS

Right where I belong,
Your grace and Your love through
the years
Have brought me along,
Who am I, who am I?
That You've taken me from the pit,
To heavenly places with You I sit,
You've brought me to that place,
Right where I belong.

Who am I? Lord consider me,
I'm just a little lump of vanity,
Like a flower that blooms and
fades away,
Its mortal life withers every day.
But Lord, You've given me eternal
life:
You've even called me Your
virtuous wife;
You've brought me to a place,
Right where I belong.

Who am I? Lord let me die,
Just let Your Name be glorified,
At Your service Lord, here I
stand,
Your wish, oh Lord is my command;
For You died to set me free,
And You did it so willingly,
To bring me to this place,
Right where I belong.

636 HE CARETH FOR YOU

Key D

He careth for you,
He careth for you;
Through sunshine or shadow,
He careth for you.

637 THINGS THAT ARE TO BE*Anthony Glaude 1987*

Key F

What is this strange feeling I feel in the air?

I feel that there are Theophanies everywhere,
The Heavenly Host and the earthly host uniting,
There's going to be a rapture in the air,
What an atmosphere!

CHORUS

Things that are to be, }
What we feel in our hearts, }
What we see in our midst, }
Are things that are to be. }2x
Modern events being made clear
By vindicated prophecy,
Modern events being made clear
By vindicated prophecy,
Things that are to be.

The Capstone came shouting
'Grace, Grace, Grace!'
To cap off the Pyramid of our lives.
Here we stand in God's image
and likeness,
We are flesh of His flesh and bone
of His bone,
There's never been a people like this.

The Dove of Agape love flew into our hearts
Bringing comfort, peace, joy and love;
This mortal shall put on
immortality,
This corruptible shall be
incorruptible for all eternity.

638 ALIVE AND WELL

Key D

He's alive and well,
The stone's been rolled away;
He's alive and well,
He's no longer where He laid;
He's alive and well,
I can hear the angels say;
Let all the world rejoice,
He's alive.

639 LET GLORY FILL THIS PLACE*Ulric Andrews 1991*

Key G

The Most High God dwelleth not
In temples made of human hands,
But our hearts He has chosen
To be His dwelling place,
A people saved by His grace.

CHORUS

We are Your hands, Your feet,
With Your body You have built
this sanctuary.
Now let Your love and Your
peace;
Let Your presence sanctify and
make it holy.
Let Your glory Lord, fill this place,}3x
{Let Your weary find rest in this
sanctuary,}3x
You have made.

Beyond human reason, this
place You have chosen,
Another wilderness You have
transformed.
With Your prisoners of love,
And Your anointing from above;
Another paradox You have
performed.

Your beauty and character we
have seen in each other,
As we worked together in one
accord.
We've seen Your power on
display,
You've answered when we
prayed,
Through hard trials You made a
way.

Let every lively stone in this
building,
Shout the praise of God (Praise
the Lord.)
Let the door of each heart be open
To welcome in the Lord,
Let the pillars stand in position,
And support the house of God.
Let the priest cry Holy! Holy!
(Holy, Holy,)
Let us give thanks to the Lord.

We are living in a time of
investigation judgement,
The wrath of God has been
revealed from Heaven;
The world is heading for total
destruction,
Soon the righteous shall walk on
the ashes of wicked men.

CHORUS

For they with wicked hands have
crucified
The Most Holy One In a most cruel
way.
They have rejected the greatest light
That has ever shone since creation.

Men's hearts are failing, failing for
fear
Seeing that coming destruction is
drawing near,
They have sinned and sinned
away their day of grace;
Loving their religious works more
than the Revealed Word.

Now he that has ears to hear,
Let him hear what the Spirit is
saying;
The Token must be on display
So we won't be a castaway;
For this world has been indicted
and put on trial,
And have become souls in prison.

The move is on my Lord,
The move is on;
The move is on my Lord,
The move is on;
I can hear the rustle in the
mulberry trees,
And I know, I know, I know the
move is on.

Move on brother, move on sister,
This is the moving day,
Move a little closer,
Where the streams are flowing;
Move on, brother, move on.

Blessed is the man whom the Lord
will find
Doing His perfect will, all the time.
Though mortal strength faileth,
He's not weary yet,
His labours of love, the Lord will
never forget.

CHORUS

We will live right, everyday, }
'Cause Jesus can come now }
just any day. }2x

Blessed are your eyes, for the
things that they see,
Many prophets of old have
inquired diligently;
For no more darkly do we see but
face to face.
Lift your hands and praise the Lord
for amazing grace.

Blessed are your ears, for the
things that they hear;
Many uncertain sounds are
everywhere
For the gospel trumpet sounded
sweet jubilee.
Lift your hands and praise the Lord
Who has set you free.

Gird up your loins, ye mighty men
of war;
Full obedience to God's Word and
victory is sure;
For perfect faith is strong and
knows no defeat.
For the God of this world must
wriggle under our feet.

Punish with vengeance all
iniquity,
By confessing your faults with
sincerity.
You must say "Satan you have no
place in me!
Let the Royal Vesture be now put
on me."

643 THE GREAT EXODUS

Ulric Andrews

Key F#m

The Lord has called a great
Exodus in this evil day,
For He has promised in His Word
that a people
Must be changed and taken away;
Once again the Token is required
of every man,
As the death angel moves swiftly
throughout the land;
For the plagues of Egypt are
throughout the land,
Gross darkness on the people they
don't understand
We are living in the time of }
mercy and judgement. }2x

The mystery Cloud has shown the
Supreme Judge in our day,
He'll judge and make war with evil
Scientists
Who have despised His way;
They are corrupting and destroying
the earth with Satan's wisdom,
They've made it a time bomb
activated for sure destruction;
But rejoice you saints who sigh
and cry,
The Cloud has brought our
redemption nigh;
You shall leap over walls }
into a new dimension. }2x

Volcanic eruptions shall spew forth
lava from the centre of the earth,
A regeneration to a new
civilization, This earth shall give
birth;
But like Noah, we shall be lifted
above the judgements again,
When fire and hailstones fall from
the skies like rain;
For on the ashes of the wicked
shall the righteous stand,
The meek of the earth shall inherit
the land;

Oh rejoice ye citizens of new }
Jerusalem. }2x

Your tormentors and oppressors you
shall see them no more,
For the Holy Fire of God's wrath
shall make your exodus sure;
No more demons to disrupt and
pollute our atmosphere,
God will purge the earth;
The rivers of water shall be crystal
clear;
Edenic beauty shall cover the
earth again,
No more sickness, no more
sorrows, no more pain;
God and man, heaven and earth }
will be one again. }2x

644 THANKS, THANKS

Key F

Thank You Lord for the strength
you give
To simply carry on
Through those scolds and tests,
And the worst and best,
I'm never left alone.
You're always right beside me
To hear me when I pray.
Since I first began You've been my
dearest friend,
I give You all the praise.

CHORUS

Thanks, Thanks I give you thanks,
For all You've done.
I am so blessed,
My soul has found rest,
Oh Lord, I give You thanks.

I give You thanks this moment
And I will continually.
For each day I live Your grace
You give,
I am blessed abundantly,
And I won't forget that moment
When, in my life, You made such a
change.
Since the Spirit came I've not been
the same,
I want to give You praise.

645 LORD LIFT ME UP*Ulric Andrews*

Key F

Thy steadfast love oh Lord
Extends unto the heavens,
And Thy faithfulness unto the
clouds.
I feel the cold winds of judgement
blowing,
The Northerner is coming,
The Great White Eagle must
appear anytime now.

CHORUS

To lift me up on the seventh
mountain,
Bear me on Your eagle wings so
strong.
Lord lift me up on the seventh
mountain,
I feel in my heart it's the place
where I belong.

In my heart's a desperation,
An anointed expectation,
That a paradox must be performed;
For the deep in me is calling,
For that super anointing,
Where divine love and power just
take supreme control.

On my ash heap waiting for Your
divine promise,
Your response to my faith in Your
Word;
Still trusting in You my Saviour
My absolute forever;
That You'll finish the work in me
You have begun.

I'm looking beyond my afflictions
To a perfect restoration,
A new body Thou has prepared for
me;
I'm tired of this dimension,
Of its chaos and confusion,
A new heaven and a new earth I
long to see.

646 BACK TO EDEN*Margaret Walters 1979*

Key D

We're going back to Eden
To claim what was lost,
For the Book has been opened,
Our names It revealed;
There are footprints before us
That show us the way,
There's a Presence goes with us;
So we will not stray.

CHORUS

Oh beautiful Eden!
Sweet home of the blest,
That's prepared for the faithful,
Who hath the Thunders retained;
We'll sing of His praises,
Our Lord we shall see,
We will live in His glory;
And in His likeness we'll be.

All our signs and our seasons are
mile posted there,
So the demons of reasoning
Would give up in despair;
We have claims of assurance,
The Abstract Title Deed;
It's the land of our Fathers,
And we are true seeds.

We are nearing the end now,
Of our journey back home;
Let's keep pressing onwards ,
And let the Thunders roll;
We who once were afar off
Are being drawn nigh,
By the Word full of power
Victory is in sight.

**647 SWEETER AS THE
DAYS GO**

Key F

He gets sweeter as the days go
by,
He gets sweeter as the moments
fly,
His love is richer, fuller, deeper,
sweeter,
He gets sweeter, and sweeter and
sweeter as the days go by.

In these, the closing days of time,
What joy the glorious hope affords,
That soon - oh, wondrous truth
sublime!

He shall reign, King of kings and
Lord of Lords.

CHORUS

He's coming soon, He's coming
soon;
With joy we welcome His returning;
It may be morn, it may be night or
noon,
We know He's coming soon.

The signs around, in earth and air,
Or painted on the starlit sky,
God's faithful witnesses declare
That the coming of the Saviour
draweth nigh.

The dead in Christ who 'neath us
lie,
In countless numbers, all shall rise,
When through the portals of the
sky
He shall come to prepare our
Paradise.

And we who, living, yet remain,
Caught up, shall meet our faithful
Lord;
This hope we cherish not in vain,
But we comfort one another by this
word.

HIS BANNER OVER ME IS ...

His banner over me is love
His banner over me is love
He brought me in to His
banqueting house and His
banner over me is love
Is love, is love,
His banner over me is love
He brought me in to His
banqueting house and His
banner over me is love.

I can hear the sounds of His
coming everywhere,
In the headlines, resounded by the
score,

It may be another earthquake or
just another war,
But to every child of God it's
something more;

And when I hear the sound of
marching,

Hear the sound of battle cry,
Then I know my Lord is coming,
even now,
It may be nigh.

CHORUS

And I can hear the sounds of His
coming everywhere,
They're getting louder and louder
each day,
And they will crescendo unto that
last and final sound,
When the trumpet shall call me
away.

I can hear the sound of fig leaves
Rustling in the summer breeze,
As I see the Lord restore Jerusalem;
And I can hear a sound from
Heaven
As a mighty rushing wind,
As God pours His Spirit out upon
all men;
And when I hear revival sounds
Not just here but everywhere,
Then I know its almost over,
I can feel it in the air.

Something beautiful,
Something good;
All my confusion
He understood;
All I had to offer Him
Was brokenness and strife,
But He made something beautiful
of my life.

You have heard of little Moses in
the bulrush,
You have heard of fearless David
and his sling;
You have heard the story told of
dreaming Joseph,
And of Jonah and the whale you
often sing.

There are many, many others
through the Bible,
I should like to meet them all, I do
declare!

By and by the Lord will surely let
us meet them
At the meeting in the air.

CHORUS

There is going to be a meeting in
the air,
In the sweet, sweet by and by;
I am going to meet you, meet you
there

In that home beyond the sky;
Such singing you will hear, never
heard by mortal ear,
'Twill be glorious, I do declare!
And God's own Son will be the
leading One
At the meeting in the air.

Many things will there be missing,
in that meeting:
For the mourners bench will have
no place at all;
There will never be a sermon
preached to sinners,
For the sinner had refused to heed
the call.
There will be no mourning over
wayward loved ones,
There will be no lonely nights of
pleading prayer;
All our burdens and our anguish
will be lifted
At the meeting in the air.

There the doubters will be missing
altogether,
All the skeptics will be absent on
that day;
There will be no grumblers present
to disturb us,
And the Achans will be busy far
away.

There the saints will have His "seal
upon their foreheads,"
Dressed in raiment none but
ransomed ones can wear;
All who have the wedding
garments will be present
At the meeting in the air.

The land is laying barren,
Desolation every where,
The harvest that we longed for,
We looked, but it's not there,
The devil sows his evil seed,
Thwarts the Master's plan,
But tired and so weary,
God's servants work as fast they
can.

CHORUS

Send down the Holy Ghost revival,
Revive us.
Send the rain from heaven,
Flood our thirsty souls.
We need the Holy Ghost revival,
Revive us Lord,
Open up the heavens, take
control.

Now the skies seem brass above
us
As we look for the promised rain.
God's servants sow the seed of
precious truth,
Just to reap a golden grain;
But the Spirit's power is what we
need
To see the harvest come,
So, Lord send the Holy Spirit;
Come and glorify Your Son.

Sing ya ba hamba yo thina }

Sithi Hallelujah, sithi hallelujah,
sithi hallelujah, hallelujah, hallelujah}2x

There's a land that is fairer than day,
And by faith we can see it afar;
For the Father waits over the way,
To prepare us a dwelling place there.

CHORUS

In the sweet by and by,
We shall meet on that beautiful shore;
In the sweet by and by,
We shall meet on that beautiful shore.

We shall sing on that beautiful shore,
The melodious songs of the blest,
And our spirits shall sorrow no more,
Not a sigh for the blessing of rest.

To our bountiful Father above,
We will offer our tribute of praise,
For the glorious gift of His love,
And the blessings that hallow our days.

I see the Lord,
I see the Lord,
Exalted high upon the worship
Of the people of the Lord.

I see the Lord,
I see the Lord,
Mine eyes have seen the King,
The Lamb who left the throne,
Who reigns forevermore.

The train of His robe
Fills the temple,
A cloud of heavenly worshipers
surrounding His throne,
We join with them now crying Holy,
Holy, is the Lamb!
The Lamb alone!

I am watching for the coming of
the glad millennial day,
When our blessed Lord shall come
and catch His waiting Bride away;
Oh! my heart is filled with rapture as
I labour, watch and pray,
For our Lord is coming back to
earth again.

CHORUS

Oh! our Lord is coming back to
earth again,
Yes, our Lord is coming back to
earth again,
Satan will be bound a thousand
years, we'll have no tempter then,
After Jesus shall come back to
earth again.

Jesus' coming back will be the
answer to earth's sorrowing cry,
For the knowledge of the Lord shall
fill the earth and sea and sky;
God shall take away all sickness and
the sufferer's tears will dry,
When our Saviour shall come back
to earth again.

Yes, the ransomed of the Lord shall
come to Zion then with joy,
And in all His holy mountain nothing
hurts or shall destroy;
Perfect peace shall reign in every
heart, and love without alloy,
After Jesus shall come back to
earth again.

Then the sin and sorrow, pain and
death of this dark world shall cease,
In a glorious reign with Jesus of a
thousand years of peace;
All the earth is groaning, crying for
that day of sweet release,
For our Jesus to come back to
earth again.

Key F

When the trumpet of the Lord
shall sound,
And time shall be no more,
And the morning breaks eternal,
bright and fair;
When the saved of earth shall
gather over on the other shore,
And the roll is called up yonder,
I'll be there.

CHORUS

When the roll is called up yonder,
When the roll is called up yonder,
When the roll is called up yonder,
When the roll is called up yonder,
I'll be there.

On that bright and cloudless
morning when the dead in Christ
shall rise,
And the glory of His resurrection
share;
When His chosen ones shall
gather to their home beyond the
skies,
And the roll is called up yonder,
I'll be there.

Let us labour for the Master from
the dawn till setting sun,
Let us talk of all His wondrous
love and care;
Then when all of life is over,
And our work on earth is done,
And the roll is called up yonder,
I'll be there.

Key G

Pyramid mountain
All over the earth,
God's divine nature
In sinful earth;
People who possess the new birth
Will be pyramid mountains
All over the earth.

Key C

If I had a song to sing,
If I could tell the world one thing
From my Lord and my King,
What would I tell them?

As the seasons slip away,
I can almost hear him say,
"Won't you touch someone's heart
today?
Here's what to tell them."

CHORUS

"Tell them I'm coming soon,
Tell them I'm coming real soon,
Tell them in your song
It won't be very long,
Until I take them home,
Oh won't you tell them?
Tell them I love them
And I'm coming soon!"

All the signs have made it clear,
The time of the Lord is drawing near,
It's His gentle sweet voice that I
hear,
"I want you to tell them."

He that hath an ear, Let him hear
What the Spirit is saying,
Loud and clear,
Though many may say,
"I've heard it before!"
Tell them just once more.

Key F

All the failures that I have had
Are because of what I've tried to do
All the victories that I've achieved
Are because of what I've yielded
myself to
All the things that Adam lost
You have already bought it back for
me
And all that You ask of me
Is for You to come and live your life
in me

Have the pre-eminence }
that You desire }
In my life, in my life }2x
Work with my hands, speak with my
lips,
See with my eyes and walk in my
feet.

Have the pre-eminence that You
desire
In my life, in my life.

You never told me to do anything
But believe your word
For it's not by works least any man
should boast
But it's amazing grace
You called me and You chose me
To show forth Your victory and the
reason of Your death
That in the end I could show forth
Your praises

For we are Your workmanship
created by Your grace

All that God was He poured it into
Christ

All that Christ was He poured in into
His church

As the Father was in the Son
So is the Son in the Bride
Living, walking, praying, talking
It's Emmanuel, God and man
United again.

Well I don't know why but I can't
be shy
When I get around God's people;
I get so inspired my heart's on fire
I lose all control;
Well the Word of God is a
consuming fire
That's beating in my bosom;
And one of these days I'm gonna
shout and sing
In the presence of my King.

CHORUS

I'm gonna let the glory roll
When the roll is called in glory,
I'm gonna get beside myself
When I get beside the King, that
day.
I'm gonna have the time of my life
When the time of my life is over,
I'm gonna get carried away when I
get carried away.

I was walking around with a great
big frown,
I was bound by condemnation,
Till the Pillar of Fire flashed across
my path
And showed me my salvation;
Where there's God there's peace
and love
And happiness and gladness,
And I thank Jesus everyday
He took away my sadness.

Now the song I sung, it is nothing
I've done
But God that showed me mercy;
And I'll tell the story for the good
Lord's glory,
And to magnify His Name,
So now you've heard so let's stay
with the Word
And pray for revelation,
And through the power of the
Word for the hour
We'll overcome temptation.

We are often tossed and driven
on the restless sea of time,
Sombre skies and howling
tempests oft succeed a bright
sunshine;
In that land of perfect day, when
the mists have rolled away,
We will understand it better by
and by.

CHORUS

By and by when the morning
comes,
When all the saints of God are
gathered home,
We will tell the story how we
overcome,
For we'll understand it better by
and by.

We are often destitute of the things
that life demands,
Want of food and want of shelter,
thirsty hills and barren lands;
But we're trusting in the Lord, and
according to His Word,
We will understand it better by and
by.

Trials dark on every hand, and we
cannot understand,
All the ways that God would lead
us to that blessed Promised land;
But He guides us with His eye and
we'll follow till we die.
For we'll understand it better by
and by.

Temptations, hidden snares often
take us unawares,
And our hearts are made to bleed
for many a thoughtless word or
deed,
And we wonder why the test when
we try to do our best,
But we'll understand it better by
and by.

As I journey through the land,
singing as I go,
Pointing souls to Calvary, to the
crimson flow,
Many arrows pierce my soul from
without, within;
But my Lord leads me on, through
Him I must win.

CHORUS

Oh, I want to see Him, look upon
His face,
There to sing forever of His saving
grace;
On the streets of Glory let me lift
my voice;
Cares all past, home at last, ever
to rejoice.

When in service for my Lord, dark
may be the night,
But I'll cling more close to Him, He
will give me light;
Satan's snares may vex my soul,
turn my thoughts aside;
But my Lord goes ahead, leads
whate'er betide.

When in valleys low I look toward
the mountain height,
And behold my Saviour there,
leading in the fight,
With a tender hand outstretched
toward the valley low;
Guiding me, I can see, as I onward
go.

When before me billows rise from
the mighty deep,
Then my Lord directs my bark, He
doth safely keep,
And He leads me gently on
through this world below;
He's a real Friend to me, O I love
Him so.

I've a home prepared where the
saints abide,
Just over in the glory land;
And I long to be by my Saviour's
side,
Just over in the glory land.

CHORUS

Just over in the glory land,
I'll join the happy angel band,
Just over in the glory land;
Just over in the glory land,
There with the mighty host I'll
stand,
Just over in the glory land.

I am on my way to those mansions
fair,
Just over in the glory land;
There to sing God's praise and His
glory share,
Just over in the glory land.

What a joyful thought that my Lord
I'll see,
Just over in the glory land;
And with kindred saved, there
forever be,
Just over in the glory land.

With the blood-washed throng I will
shout and sing,
Just over in the glory land;
Glad hosannas to Christ, the Lord
and King,
Just over in the glory Land.

I don't know what you came for,
But I came to worship the Lord.
I don't know what you came for,
But I came to worship the Lord.
Hallelujah, Hallelujah, I came to
worship the Lord,
Hallelujah, Hallelujah I came to
worship the Lord.

Nations are breaking, Israel's
awaking,
The signs that the prophets
foretold;
The Gentile days numbered, with
horrors encumbered;
Eternity soon will unfold.

CHORUS

The day of redemption is near,
Men's hearts are failing for fear;
Be filled with the Spirit, your lamps
trimmed and clear,
Look up! your redemption is near.

The fig tree is growing;
Jerusalem's restoring
Her national life, long dethroned;
Today she is calling, her latter
rain's falling
"Return, O dispersed, to your own."

Heaven's powers are shaking, and
many are mistaking
God's meaning to be of the sky;
God's Church is the power that's
shaking this hour;
The day of redemption is nigh.

False prophets are lying, God's
Truth they're denying,
That Jesus the Christ is our God;
Though this generation spurns
God's revelation,
We'll walk where the apostles
have trod.

I'm so glad I'm a part of the family
of God,
I've been washed in the fountain,
Cleansed by His blood,
Joint heirs with Jesus,
As we travel this road;
For I'm part of the family,
The family of God.

A burning desire in me
To be more like Thee
Is growing stronger everyday;
I'm burdened in my soul,
Perfection is my goal,
To walk with You in perfect
harmony.

CHORUS

I want to go
where You want me to,
Send me Lord
to do the things You do,
My Lord, I want to go.
I want to feel
Your presence near,
Perfect love
Casting out all fears,
My Lord, I want to feel.

You've taken away my shame,
Given me a part of Your name,
Set Your Holy Seal upon me.
I'm thankful for Your grace,
You've made me a winner in life's
race;
Now I give myself to You
unreservedly.

I'm casting my reasoning down,
Listening for that certain sound,
That still small voice deep in my
soul;
To lead me where I should go,
Perfect will to daily know
That unto You my works be fulfilled.

Let Your anointing flow,
Keeping my light aglow
Amidst this world of darkness, sin
and shame;
Keep pouring Your latter rain,
Faith to use Your power again
That I may return to You from
whence I came.

CHORUS

I want to go to that place prepared
for me,
Oh, that mansion, my theophany,
My Lord, I want to go.
I want to feel greater realities,
Perfect love throughout eternity,
My Lord, I want to feel

670**WE'RE MARCHING
TO ZION**

Key F

Come, we that love the Lord,
And let our joys be known,
Join in a song with sweet accord,
Join in a song with sweet accord,
And thus surround the throne,
And thus surround the throne.

CHORUS

We're marching to Zion,
Beautiful, beautiful Zion;
We're marching upward to Zion,
The beautiful city of God.

Let those refuse to sing
Who never knew our God;
But children of the heavenly King,
But children of the heavenly King,
May speak their joys abroad,
May speak their joys abroad.

The hill of Zion yields
A thousand sacred sweets
Before we reach the heavenly fields,
Before we reach the heavenly fields,
Or walk the golden streets,
Or walk the golden streets.

Then let our songs abound,
And every tear be dry;
We're marching thru Immanuel's
ground,
We're marching thru Immanuel's
ground,
To fairer worlds on high,
To fairer worlds on high.

671**FROM GLORY TO
GLORY**

Key E

From glory to glory He's changing
me
Changing me, changing me
His likeness and image to perfect in
me
The love of God shown to the world

For He's changing, changing me
From earthly things into heavenly
His likeness and image to perfect in
me
The love of God shown to the world

672**I'M GONNA BE GONE**

Key F

I'm gonna be gone
In the twinkling of an eye,
I'm gonna be gone
I won't have time to say good-bye.
I'm gonna be gone,
Could be while I'm singing this
song,
I'm gonna be gone,
It won't be long,
I'm gonna be gone.

This old world is not getting better,
Every day it's getting worse,
So much fighting and confusion
Going on down here on earth,
But I don't let that bother me
Cause I'm not here to stay,
I know my Lord is coming soon
And I'll be called away.

It could be just any morning,
It could be at night or noon,
We don't know just when He's
coming,
But we know He's coming soon.
I can say we've some assurance
This old world is not my home,
One of these days you gonna look
for me,
Praise God I'm gonna be gone!

673**SWING LOW, SWEET
CHARIOT**

Key F

I looked over Jordan and what did
I see,
Coming for to carry me home;
A band of angels coming after me,
Coming for to carry me home.

CHORUS

Swing low, sweet chariot,
Coming for to carry me home;
Swing low, sweet chariot,
Coming for to carry me home.

If you get there before I do,
Coming for to carry me home;
Tell all my friends I'm a-coming too,
Coming for to carry me home.

I've come a long way,
I've had fears and doubts,
But in Your mind Lord,
You knew I couldn't live with them;
So You chose at this time,
To wave before me
The thing You knew would make me
Give up myself and my thoughts.
It could never have worked by my
own works,
But of faith that it might be by grace;
To the end the promise might be
sure to all the seed,
Unto us, of the faith of Abraham.

CHORUS

I'm now looking for the promise of
my new body,
As my earth quakes all my sin is
shaken off;
The Holy Fire from above puts sin
out of existence,
For Holiness cannot dwell }
in sinful earth. }2x

But while I am here living in this
world, I live by the faith of the Son of
God revealed in me;
To believe His word and claim
what's my own,
By promise it was freely given to me,
And when it seems that there's no
hope, believe in hope,
And consider not the things which
my eyes see;
But look into the Word of God
That shall not pass away,
And its righteousness which is by
faith.

I'm living in the day
When my desert is blossoming like a
rose, I'm living in the day,
When my thorns are unfolding to
leaves again,
True fellowship is being restored
It's the promise of the Lord;
I'm looking now for the promise of
my change,
I'm looking now for the promise of
my new body;
I'm looking now for the promise of
my change.

There is coming a day when no
heartaches shall come,
No more clouds in the sky, no more
tears to dim the eye;
All is peace forevermore on that
happy golden shore,
What a day, glorious day that will be.

CHORUS

What a day that will be when my
Jesus I shall see,
And I look upon His face, the One
who saved me by His grace;
When He takes me by the hand,
and leads me through the promised
Land,
What a day, glorious day that will be.

There'll be no sorrow there, no more
burdens to bear,
No more sickness, no pain, no more
parting over there;
And forever I will be with the One
who died for me,
What a day, glorious day that will be
.

When you finally make your
entrance to that city,
Oh, just to walk on that bright golden
avenue;
As you behold all its beauty and its
splendour,
Remember there's just one request
I beg of you.

CHORUS

Look for me,
For I will be there too.
I realize when you arrive,
There'll be so much to view;
After you've been there
Ten thousand years,
A million, maybe two,
Look for me;
For I will be there too.

As you go down your list of firsts,
There's no question,
You'll want to see your loved ones
waiting there for you;
And when you feel you've shared
your story with the last one
That wants to hear you tell just how
you've made it through.

677 I AM NOT ASHAMED

Key F

We're an anchor for those who are hurting
 Seems we're a harbor for those who are lost
 And sometimes its not always easy bearing Calvary's cross
 We've been ridiculed by those who don't know Him
 Sometimes we're mocked by those who don't believe
 Still I love standing up for my Jesus
 'Cause of all that He's done for me
 That's why I am not ashamed of the gospel
 The gospel of Jesus Christ
 No, I am not afraid to be counted
 But I'm willing to give my life
 See I'm ready to be
 All He wants me to be
 Give up the wrong for the right
 No, I am not ashamed of the gospel of Christ
 No, I am not ashamed of the gospel of Jesus Christ
 For every moment His hand has held mercy
 And for all the love that He's shown all my life
 A simple thanks doesn't say how I'm feeling
 I get tears in my eyes
 So as for me, I've made up my mind to keep on believing
 In the One who's been so faithful
 I'm not out to please this whole world around me
 I've got my mind on eternity
 I've got too much behind me
 To let this world blind me
 To some He's just a name
 But to me, He's my everything
 I am not ashamed of the gospel of Christ
 No, I am not ashamed of the gospel
 Oh, I am not ashamed of the gospel of Jesus Christ

678 COME AND FILL US NOW

Key F

We have come into thy presence Lord, come and fill us now.
 We have come into thy presence Lord, come and fill us now.
 With our hearts lifted up,
 We open our hearts to you Lord.
 With our hearts lifted up,
 We glorify your name.

679 I'VE GOT SOMETHING

Key G

I've got something that the world can't give,
 And the world can't take it away;
 I've got something that the world can't give,
 And it keeps me day by day,
 I've got something worth talking about,
 It makes me sing and it makes me shout;
 I've got something that the world can't give,
 And the world can't take it away.

680 THE RAPTURE

Anthony Glaude 1987

Key F

Sometimes it seems like nothing's going on,
 So it might seem to the natural mind;
 But don't you know my friend,
 Great things happen in silence;
 Have you ever heard the sun rise?
 Have you ever seen the flower grow?
 And in this half an hour silence,
 There are people becoming the Word.

CHORUS

Many are changing from }
 glory unto glory, }
 Hearts are being raptured }
 up into glory; }
 People walking holy unto }
 the Lord, }
 It won't be long and we'll }
 be gone. }2x

God's great mystery's been unfolding
 In such a silent way,
 He hid it from the wise and prudent,
 Revealed it to babes;
 Why don't you look in and see
 God in simplicity?
 Christ is unveiled before our eyes,
 Can't you see?

Let's search our lives my brothers,
 This is a treacherous hour;
 Search your lives my sisters,
 It's not easy to be left back in this hour.

There's a land beyond the river,
That we call the sweet forever,
And we only reach that shore by
faith's decree;
One by one we'll gain the portals,
There to dwell with the immortals,
When they ring the golden bells for
you and me.

CHORUS

Don't you hear the bells now
ringing?
Don't you hear the angels singing?
'Tis the glory hallelujah Jubilee.
In that far-off sweet forever,
Just beyond the shining river,
When they ring the golden bells for
you and me.

We shall know no sin or sorrow,
In the haven of tomorrow,
When our barque shall sail beyond
the silver sea;
We shall only know the blessing
Of our Father's sweet caressing,
When they ring the golden bells for
you and me.

When our days shall know their
number,
When in death we sweetly slumber,
When the King commands the
spirit to be free;
Nevermore with anguish laden,
We shall reach that lovely aiden,
When they ring the golden bells for
you and me.

Hold on my child,
Joy comes in the morning.
Weeping only lasts
For the night.

Hold on my child,
Joy comes in the morning,
The darkest hour
Means dawn is just in sight.

What a celebration on that day,
It can't be very far away;
Heaven's Bridegroom has
descended,
The ransomed bride of God ascends;
Heaven's bell will sweetly ring,
Choir of angels start to sing,
Pick up your trumpet Gabriel and
blow.

CHORUS

Here comes the bride to be ever at
His side,
Oh, what a spotless bride!
Oh, what a glorious sight!
Here come the chosen ones,
Here come the ransomed ones,
Angels step aside,
For here comes the bride;
Angels step aside,
For here comes the bride.

Some from every nation will be there,
Wearing spotless robes
So bright and fair.
All of Heaven will behold,
The bride is marching down the
streets of gold,
Getting ready now to go,
The very hour no one seems to know,
Pick up your trumpet Gabriel and
blow.

Bro. Branham saw them in preview
But now they are in plain view
All of heaven will behold
The bride is marching down the streets
of gold
Getting ready now to go
The very hour no one seems to know
Pick up your trumpet Gabriel and blow

We give you praise,)2x
Lord now and always;
We give you praise.
We give you praise,)2x
Lord now and always;
We give you praise.

We give you praise,(praise),
Praise (praise), praise (praise),
We give you praise;
With our hands lifted high,
And our voices to the skies;
We give you praise.

685**SEE YOU IN THE
RAPTURE**

Key C

If we never meet again
 On this earth, my precious friend;
 If to God you have been true,
 And we've lived above all sin,
 Then for us there'll be a greeting,
 For there's going to be a meeting,
 I'll see you in the rapture
 Some sweet day.

CHORUS

I'll see you in the rapture,
 See you in the rapture,
 See you at that meeting in the air;
 There with our blessed Saviour
 We'll live and reign forever,
 I'll see you in the rapture
 Some sweet day.

To my loved ones let me say
 That there'll surely come a day,
 When the Lord will come again;
 And He'll take his Bride away,
 Do get ready now to meet Him,
 And with hallelujahs greet Him,
 I'll see you in the rapture
 Some sweet day.

686**SHELTERED IN THE
ARMS**

Key F

I feel the touch of hands so warm
 and tender,
 They're leading me
 Through paths that I must trod;
 I'll have no fear for Jesus walks
 beside me,
 For I'm sheltered in the arms of God.

CHORUS

So let the storm rage high and dark
 clouds rise,
 They won't worry me;
 For, I'm sheltered safe within the
 arms of God.
 He walks with me and naught on
 earth can harm me
 For I'm sheltered in the arms of God.

Soon I shall hear the call from
 Heaven's portals,
 "Come home my child, it's the last
 step you have trod,"
 I will be changed and taken to God's
 New Heaven,
 For I'm sheltered in the arms of God.

687**I WILL PRAISE HIM**

Key C

When I saw the cleansing fountain
 Open wide for all my sin,
 I obeyed the Spirit's wooing
 When He said, "Wilt thou be
 clean?"

CHORUS

I will praise Him, I will praise Him,
 Praise the Lamb for sinners slain,
 Give Him glory all ye people,
 For His blood can wash away each
 stain.

Though the way seemed straight
 and narrow,
 All I claimed was swept away;
 My ambitions plans and wishes,
 At my feet in ashes lay.

Then God's fire upon the altar
 Of my heart was set aflame;
 I shall never cease to praise Him,
 Glory! glory to His Name.

Blessed be the name of Jesus!
 I'm so glad He took me in;
 He's forgiven my transgression,
 He has cleansed my heart from sin.

688**FOR I WAS BORN TO
BE**

Key F

For I was born to be
 Thy dwelling place,
 A home for the presence of the Lord;
 So let my life now be separated unto
 Thee;
 That I might be what I was born to
 be.

689**EL ELAH ELOHIM**

Key C

Lord we come to you in worship
 No matter what the circumstance
 No matter what the situation
 We will lift up holy hands

CHORUS

El, Ellah, Elohim
 How I love to worship you}2x

690 OUR TREASURES*Ulric Andrews*

Key F

Set your eyes on that mountain top;
 And To adoption let us rise.
 Look not to shallow ground,
 Worldly pleasures around;
 It's an Eden to despise.
 For our journey has almost come to
 the end
 We have passed two-thirds of the way
 Just a few more steps are all to go
 Then we would be taken away.

CHORUS

Our treasures lie just beyond that
 mountain,
 All the glories of the Lord there we
 shall share.
 Our treasures lie just beyond that
 mountain,
 Have no fear, have no fear,
 You will be there.

Jesus said it's a narrow rugged way,
 And few there be that find it,
 But broad is the way which leads to
 destruction
 Where millions travel along,
 But though our trials are tough and
 afflictions much,
 It's not worthy to be compared
 With the joys that the faithful
 servants of God
 Someday shall surely share.

Set your eyes on the White rock
 That Light is now shining on,
 Turn not your eyes away from God's
 message today,
 Till you shine with the light of the Son.
 For you've been made by God to be
 a reflection of Him,
 Let it be settled in your heart and mind
 That we are a Super Race ordained
 of Grace;
 And there's where happiness you
 will find.

Shoo those buzzards off your sacrifice
 When temptations come your way,
 Believe not the devil's lie,
 Though those vultures fly,
 Continue to watch and pray.
 For there's a path that the eye of the
 vulture,
 Has never, ever seen,
 Where you as an eagle can fly
 perfectly justified
 For you are a heavenly being.

**691 NEVER BEEN
HOMESICK**

Key F

There's a light in the window,
 The table's spread in splendour;
 Someone's, standing at the open
 door,
 I can see the crystal river,
 So I must be near forever;
 Lord, I've never been this
 homesick before.

CHORUS

See the bright Light shine,
 It's just about home time,
 I can see My Father standing at
 the door,
 This world's been a wilderness,
 I'm ready for deliverance,
 Lord, I've never been this
 homesick before.

I can see my family gather,
 Sweet faces all familiar,
 No one's old or feeble anymore,
 This lonesome heart is crying;
 Think I'll spread my wings for flying,
 Lord, I've never been this
 homesick before.

692 WE'RE GOING HOME*Faye Hunte 1982*

Key D

We're going home in the morning,
 Going home in the morning.
 For the trumpet shall sound
 And the dead in Christ shall rise
 For we're going home
 in the morning.

Shalom, Shalom!
 It is morning.....

Wake up, wake up!
 It is morning.....

For a long time I travelled
Down a long lonely road,
My heart was so heavy,
In sin I sank low.
Then I heard about Jesus,
What a wonderful hour,
I'm so glad that I found out
He would bring me out,
Thru His saving power.

CHORUS

Thank God I am free, free, free
from this world of sin.
Washed in the blood of Jesus,
I've been born again.
Hallelujah, I'm saved, saved,
saved
By His wonderful grace.
I'm so glad that I found out
He would bring me out and
show me the way.

Like a bird out of prison
that's taken his flight;
Like the blind man that God
gave back his sight.
Like a poor wretched beggar
That's found fortune and fame,
I'm so glad that I found out,
He would bring me out,
Thru His Holy name.

Hallelujah! He redeemed me,
I've been born again to win;
I thank God He justified me,
Of His fullness, have we all
received of Him.

I'm a new creation,
I'm a brand new man;
Old things are passed away,
I've been born again,
More than a conqueror;
That's who I am,
I'm a new creation;
I'm a brand new man.

Rapturing Faith
Is the hunger of my soul today.
Rapturing Grace,
To be changed and taken away.

CHORUS

The Trumpet shall sound and the
dead shall rise,
And our Lord will be waiting in the
skies.
Then we who remain, shall be
changed
In the twinkling of an eye.

Right now we are groaning,
The whole creation is moaning,
Waiting on our Lord
To claim what He has restored;
We are His purchased possession
By His Blood of redemption.
We are a new creation
Through His divine revelation.

I know it is hard,
But saints I know it ain't so bad,
There're many worse than me and
you,
And they don't even know what to
do.
But it's not so in our case,
For we have Rapturing Grace,
Jesus has gone to prepare a
place,
We are the winners in this race.

Glory, Glory, Glory!
Hallelujah to His name!
Yesterday, today and forever,
Our Jesus is the same.

He's everything
He's everything to me;
He's everything
He's everything to me;
He's my father, my mother,
my sister and my brother,
He's everything to me.

697 THE BRIDAL CALL*Carol Alexander 1998*

Key D

God has promised
a rapture in this day,
A Bride He's preparing to take
away;
But only His elected ones will go,
And we shall be with our blessed
Saviour forever more.

CHORUS

So we must get our lamps trimmed
and filled with oil,
Don't get your garments spotted
by the things of this world;
But only watch and pray to the
coming of that day,
When we shall see our blessed
Saviour face to face.

O sinner please harken to His call,
For this might be the last time you
hear His voice;
For this word you hear shall be
heard no more,
When the bridegroom comes to
take His bride away.

O Christian, don't get tied up with
this world,
Keep your garments snowy white to
the coming of the Lord;
For we don't have much time
again,
For He shall come and
He shall not tarry, tarry no more.

What a glorious day when the
trumpet of the Lord shall sound;
The sleeping saints
shall rise to meet the Lord,
And we who are alive and remain
Shall be caught up
to meet them in the air.

**698 JESUS, JESUS, LORD
TO ME**

Key D

Jesus, Jesus, Lord to me,
Master, Saviour, Prince of Peace;
Be the ruler of my heart today,
Jesus, Lord to me.

**699 I SHALL NOT DIE BUT
LIVE***Arlene James 1987*

Key E

Though I be in the midst of trials,
With my possession gone, my
body all in pain;
And the hurtful words the scoffers
whisper
Are enough to break me,
Yet my integrity will I retain.

CHORUS

I shall not die, but live,
Live and declare Thy works oh God,
Though my trials have been much,
I'm not given unto death.
And because I must declare
Your name,
I shall not die but live.

Though I be cast into prison,
Fleeing temptation,
standing for my Lord,
Yet the things
that God has shown me
Shall come to pass,
And His glory shall be my reward.

CHORUS

I shall not die but live,
Live and declare Thy works,
oh God.
Though my temptations
have been strong,
I'm not given unto death,
And because I must declare
Your name,
I shall not die but live.

Though I be in the midst of trouble,
Hear my cry Lord, save my soul,
For though I'm cast out of Thy
sight, Lord;
Yet raise me up;
For I must declare
Your name to a dying world.

CHORUS

I shall not die, but live,
Live and declare Thy works oh God,
Though my chastening has been
sore,
I'm not given unto death,
And because I must declare Your
name,
I shall not die but live.

Seven thunders in chapter 10 of
Revelation
Was prophesied and is now fulfilled
in this end time
The seventh angel heard the shout,
knew what it said and uttered it out
And all the mysteries that was
sealed up are now opened

CHORUS

Seven thunder people
Walking to perfection
Seven thunder people
Walking to adoption
We have seen our names within
And our lives are free from sin
Seven thunder people walking to
translation (walking to full
redemption)

Showers of revelation rained in 1980
And our eyes were made to see our
own prophecy
That we are a super race, an
invincible army
And our captain is our King
Theopany

Since brother Branham has come
and gone church, where are we?
Have you the token, its token time as
far as we see (Oh can't you see?)
We are now in the second fold
underneath the Seventh Seal
And all the Bride prophecies are
becoming history

Seven thunders uttered outside the
seven church ages
Revealing new things, releasing all
God's fullness
We know the whole counsel of God,
operating the spoken word
And proving this is that promise
since June the third

The Seventh Seal were never
spoken, it was a secret
It was hidden between the sixth and
seventh trumpet
A prophet saw it in the shout and
was commissioned to echo it out
And Spirit-spoken words came out of
his mouth
We the destined ones are crossing
over Jordan
Entering into the blessed third pull
land

Jesus has a table spread where
the saints of God are fed,
He invites His chosen people
"Come and dine;"
With His manna He doth feed and
supplies our every need;
O, 'tis sweet to sup with Jesus all
the time!

CHORUS

"Come and dine," the Master
calleth,
"Come and dine,"
You may feast at Jesus' table all
the time;
He who fed the multitude, turned
the water into wine,
To the hungry calleth now, "Come
and dine."

The disciples came to land, thus
obeying Christ's command,
For the Master called to them,
"Come and dine;"
There they found their hearts'
desire, bread and fish upon the fire;
Thus He satisfies the hungry every
time.

Soon the Lamb will take His bride
to be ever at His side,
All the host of heaven will
assembled be;
O, 'twill be a glorious sight, all the
saints in spotless white;
And with Jesus they will feast
eternally.

Up the hill with the load,
 Jesus walked up Calvary's road.
 No man took His life from Him,
 For you and me He willingly gave.
 In His mind, He held a vision,
 It was of the resurrection,
 Truly He paid death's price;
 Our victory's complete
 In the perfect sacrifice.

CHORUS

In death, in death,
 In death, there's victory.
 Self sacrifice means freedom,
 And this is the way for me.
 For the joy set before,
 There's a cross to endure.
 For real life, this I see,
 That in death there's victory.

Abraham held the promise,
 'In Isaac shall thy seed be called.'
 He died to his own thinking,
 When God told him sacrifice his boy.
 Obedient unto death he was faithful,
 Knowing resurrection was in the
 end.
 This he said: "The lad and I, we'll
 go worship,
 And come to you again."

By faith Jocebed placed Moses
 In the mouth of death on the river
 Nile,
 Pharaoh's daughter, finding him,
 To the house of death she took the
 child,
 There he lived with those who
 sought his life,
 And to the desert he had to flee,
 Where he died to his own thinking,
 To lead Israel to their victory.

Tell me now, Bride of Christ,
 We're not different, we must pay
 the price,
 As we lift up our cross,
 Though we suffer and our lives are
 lost;
 Yet we must die to ourselves and
 sin,
 Truly become a burnt-offering,
 But it's sure in the end,
 That we will rise again.

Precious Lord take my hand,
 Lead me on let me stand,
 I am tired, I am weak, I am worn.
 Through the storm, through the
 night,
 Lead me on to the Light;
 Take my hand, precious Lord,
 Lead me home.

CHORUS

There's a Message coming forth,
 Father, I pray, You'll let the Dove
 lead;
 As we listen now to the message of
 the Lord
 Father, I pray, Your way we'll follow.

Here I stand in need of You this day
 and this hour,
 How can I, how can I go on Lord if
 You don't go before?
 Here I am in this wilderness on my
 own,
 I'm depending on Your Message
 Lord, alone to take me home.

As the prophet stood that day being
 out on his own,
 Realizing that he could not find his
 way alone,
 He had to give up even though he
 tried
 To get out of the wilderness, he
 depended on the Guide.

Lead us on Lord, as we go through
 this trail;
 To reveal Your Word Lord, You have
 not failed;
 All those Messages You brought all
 along:
 'The Real Gift Of God,' 'Burnt
 Offering,'
 'On the Wings Of A Snow White
 Dove,' 'Revealed 'Supernova,'
 Told us 'Consecrate,'
 'Baptism Of Fire On The Eighth
 Day,' 'The Seals and Trumpets,'
 'Capstone Message Of Grace'
 And The 'Inside Life With Christ,'
 'Being Borne Away On Eagle's
 wings,' 'Restoration Revealed In The
 Four Stages,'
 'The Greatest Battle,' 'The Vials' and
 'Deliverance Is At Hand.'
 'Still Tied To My Absolute,'
 'My Compass and My North Star,'
 'Making Ready For a Paradox,'
 'Be Not Afraid, Only Believe.'

704 UNDEFINED

Arlene James 1999

Key G

It's a world of compromise,
Standards have lowered, making
lives
So devalued till all moral codes are
lost,
But in the midst of all the sin
We have virtues that's within
God wants displayed, no matter
what the cost.

CHORUS

Undefined - real pure lives,
Walking holy and upright;
Keep that flag flying high
By living clean and undefined.

And when we walk down the street,
All the people that we meet
Will see we can't be sold out cheap,
We're worth much more;
When the temptation's drawing
near
Let's turn and run from the evil
snare,
For our bodies are the temple of
the Lord.

BRIDGE

Seem like our specie's fast
becoming extinct,
Survival in earth's atmosphere
gets harder everyday,
But the same God who saved our
souls
Is more than able to keep us whole,
And present us before Christ
undefined.

705 SATAN IS DEFEATED

Gloria Watson 1996

Key C

Satan is defeated,
Praise the Lord, Hallelujah.

Prison doors are open,
Praise the Lord, Hallelujah.

Chains and shackles broken,
Praise the Lord, Hallelujah.

Praise the Lord, we are free,
We have been delivered.

706 JESUS IS ALL I HAVE

Arlene James 1998

Key D

From a world, a world of sin and
shame,
Jesus brought me out
And into the light I came;
Showed me truth so I'll not be
deceived,
His word I believe,
Now I live to lift His name.

CHORUS

For Jesus is all,
He's all that I have to live for,
And even though His way seem
hard sometimes
The end's eternal life,
So I live for Jesus Christ,
So I live for Jesus Christ.

I hold close the opportunity
That's been given me
To serve the Lord in my day;
Tell me what could be a greater
privilege than to serve God in this
age,
To walk in His provided way.

We can't live in a world of fantasy,
Of worldly thoughts and dreams,
They will fade away so fast;
But this truth, this word that sets
us free, is the only reality,
It is the only thing that always shall
last.

707 MY GOD DELIVERED ME

Gloria Watson 1996

Key D

My God, my God, delivered me,
Lifted my burden, set me free,
That's the reason why I sing,
Praises to the coming King.

708 JESUS BE THE RULER

Carol Alexander 1998

Key D

Jesus be the ruler of my life,
Let me be what you want me to be;
Jesus be the ruler of my life
So I can be a reflection of you.

The Kings of the earth and their armies
Are gathered in the valley of Meggido,
Where the grapes of God's wrath would
be trampled,
The vats of blood will overflow;
So be not partakers my brothers
In Beltshazzar's drunken feast,
For his subjects are all deformed
Into the image of the Beast;
But stand like Daniel with your garments
undefiled,
Knowing that Christ in you must be
glorified.

CHORUS

For behold the third woe cometh quickly,
It's an urgent cry,
Apply the token or die.
For behold the third woe cometh quickly,
It's an urgent cry,
Apply the token or die.

Ecological crisis is filling men's heart with
fear,
With the ozone layer being destroyed,
Divers earthquakes are everywhere;
But isn't it written in the scripture
The Heaven shall depart like a scroll
Thus saith the Lord
It's exactly what the prophets foretold;
But stand like Micaiah, stay with the
seventh seal vision
You just say what Elijah already did say.

Now demons in the atmosphere
Are pressing their way into the hearts of
men
Who are marked by God for their iniquity
In rejecting the prophet whom God has
sent.
The slaughtering angels are ready
To slay the young and the old,
So watch the cares of this life,
Remember Lot's wife
Who for vanity lost her soul;
Stand like Rahab with your token on
display,
For the destroying Angels are already on
their way.

The vials of God's wrath are fixing to be
poured out on sinful men
Who have rejected God's longsuffering,
the space of time to repent
He that is filthy will be filthy still, it'll be a
sad and bitter cry
As they call to the rocks and the
mountains to hide them from the wrath of
the lamb
But get ready for in the twinkling of an }
eye }
He that is holy rise to meet the Lord in }
the sky }2x

But stand like Daniel with your garments
undefiled;
Stand like Micaiah, stay with the seventh
seal vision;
Stand like Rahab with your token on
display;
For the destroying Angels are already on
their way.

Men's heart are failing for fear,
Divers earthquakes everywhere,
It's a sign my friend, we are living
in the end time.

The generation that sees the
budding of the fig tree
Shall be the last one in the end
time.

CHORUS

Maranatha, even now, come Lord
Jesus
And take your waiting bride away,
for we living in the end time;
Take your waiting bride away for we
are living in the end time.

The scientists call the signs UFOs,
But they simply do not know
They are investigation angels
coming down in the end time;
Modern events that you and I see
Are made clear by vindicated
prophecy,
It's a sign, my friend, that we are
living in the end time.

A true prophet this generation has
denied,
But His message was received by
God's little bride,
Hear His voice my friend,
We are living in the end time;
One like unto to the Son of Man in
a cloud showed His final sign,
Hear His voice, my friend, we are
living in the end time.

The Spirit and the bride say come,
For the day of mercy is almost done,
Hear His voice, my friend, we are
living in the end time;
He that is filthy will be filthy still,
So, my friend, be surrendered unto
God's will,
Hear His voice, my friend,
We are living in the end time.

Born to be a supersign in this great
and final age,
When the whole world is falling
apart again,
The prudent minds search for
solutions,
Which we know they cannot find,
We know the answers lie
Beyond this dimension of time.

CHORUS

I'm looking away to Jesus,
He's the only way, sweet Jesus,
I'm looking away,
I'm looking away to Him.

Born to live in a super sense,
Far beyond what man can perceive.
The Word of God is what our
hearts would only believe;
Looking to the unseen,
We see a brighter and better world,
So on the promises of God,
Is what we'd anchor our souls.

Born to overcome this wicked world
That Satan has deceived,
The promises of God is what we'd
only believe;
His Word has power to transform
By the renewing of your mind;
To see the judgements of God,
We're at the end of time.

Born to be a super race,
Abraham's royal seed.
Upon the bread of life is what we'd
always feed;
Looking for a city whose maker
and builder is God,
We know that soon we'll reign
With Jesus Christ our Lord.

Oh, what a blessing to be saved,
Oh, what a blessing that the Lord
has gave,
When I'm weak He makes me
strong;
Let me know that I'm not alone;
Oh, what a blessing to be saved.

A new day has dawned
And I know now what it brings,
But somehow I feel I'm almost
home;
Not turning back to yesterday
But pressing towards my calling in
Christ,
I can hear, yes I can hear my
theophany calling me.

CHORUS

And can't you hear your theophany
calling you?
It's a sign, it's almost home time,
And I'm just waiting for my
promised body change,
For soon I know, we'll be with Him
on high.

The whole earth is groaning and
travailing in pain,
But we as the bride have been
glorified in Him;
And saints, even though we may
suffer,
Stand and gird your loins,
For your perfection it draweth near.

CHORUS**BRIDGE**

My God knows overtime is drawing
near,
And very soon the dead in Christ
shall rise again;
There'll be no more sickness,
No more crying over there,
But for now, Christian Soldier,
Just keep on pressing.

I'm nearer home than I was
yesterday,
I'll walk with my Lord all along the
way,
Each step I take, each prayer I pray,
I'm nearer home than I was
yesterday.

715 CHANGING ROBES

Anthony Glaude 1997

Key G

Have faith don't worry now,
Everything is gonna be all right,
This mortal shall put on
immortality;
We'll no longer be earth-bound,
But we'll be heaven-bound,
We'll slip from time into eternity.
That's why....

CHORUS

I'm laying aside the old man,}
Putting on the new man, }
I'm changing robes }
For another dimension. }2x

I'm making all my wrongs right,
Got to have my lamp trimmed
And my fire burning bright;
You see I don't want no trouble
Down by the river,
I want to be ready to cross on
over.

I've heard the Bridegroom call,
And I've received my invitation;
This robe is so snowy white,
It fits me just right
Because it was furnished by the
Bridegroom;
Now there's set before me
An open door to the wedding
supper.

BRIDGE

The Shout was heard,
We're in the Voice now;
And very soon
The Trumpet shall sound!

Now I'm ascending into a higher
order,
Far above all principalities and
powers;
Far above corruption into
incurruption,
Far above mortal into immortality.

716 JESUS IS ALIVE

Key Ab

Jesus is alive, Jesus is alive,
Sin and death must go,
They are conquered foe,
For Jesus is alive.

717 ALL HAIL JESUS' NAME

Key F

All hail the power of Jesus' name!
Let angels prostrate fall;
Bring forth the royal diadem,
And crown Him Lord of all;
Bring forth the royal diadem,
And crown Him Lord of all.

Ye chosen seed of Israel's race,
Ye ransomed from the fall;
Hail Him who saves you by His
grace,
And crown Him Lord of all;
Hail Him who saves you by His
grace,
And crown Him Lord of all.

Sinners, whose love can ne'er forget
The wormwood and the gall,
Go, spread your trophies at His feet,
And crown Him Lord of all;
Go, spread your trophies at His feet,
And crown Him Lord of all.

Let every kindred, every tribe,
On this terrestrial ball,
To Him all majesty ascribe,
And crown Him Lord of all.
To Him all majesty ascribe,
And crown Him Lord of all.

O that with yonder sacred throng
We at His feet may fall;
We'll join the everlasting song,
And crown Him Lord of all;
We'll join the everlasting song,
And crown Him Lord of all.

718 ALL HAIL KING JESUS

Key C

All hail King Jesus; all hail
Immanuel!
King of Kings, Lord of Lords,
Bright Morning Star,
And throughout eternity,
I'm going to praise Him,
And forevermore, I will reign with
Him.

If any man be in Christ
 Then he has become a new
 creation,
 Old things are passed away,
 Behold everything has become
 new in Him;
 God no longer knows the things
 that brought you to this place
 before you came here,
 He only sees you holy now,
 faultless and blameless as you're
 standing there.

CHORUS

Praise Him, lift your hands and
 praise Him,
 Praise Him,
 Praise the Name of Jesus,
 Praise Him.

Through the blood of Jesus,
 His righteousness is like a robe
 upon you,
 His clothing, His covering,
 His garment of praise will now
 adorn you;
 We'll live and reign forever
 As Kings and Priest and sons
 He'll call His own;
 His blood is flowing in you now,
 Royalty has finally found a home
 in you.

I'm going up, I'm going up,
 I'm going up in the first
 resurrection;
 I'm going up, I'm going up,
 I'm going up to meet my Lord.

They'll be coming from the east,
 Coming from the west, coming
 from the north, coming from the
 south
 I'm going up, I'm going up,
 I'm going up to meet my Lord.

He didn't have to do it but He did
 He didn't have to do it but He
 did, yeah.
 He woke me up this morning and
 started me on my way,
 He didn't have to do it but He did.

He didn't have to save me, thank
 God He did,
 He didn't have to save me but
 He did, yeah.
 He woke me up this morning and
 started me on my way,
 He didn't have to save me but
 He did.

He didn't have to wake me, but
 He did,
 He didn't have to wake me I'm
 glad He did
 Don't you know He shook me
 until He woke and started me on
 my way,
 He didn't have to do it but He did.

The Lord has been so good to me,
 I can say the Lord has been so
 good to me, yeah.
 Don't you know He woke me up
 this morning and started me on
 my way,
 He didn't have to do it, but He did.

He's the lily of the valley,
 He's the bright and morning star;
 He's the fairest of ten thousand,
 Everybody ought to know.

Everybody ought to know,
 (Some people don't know)
 Everybody ought to know,
 (Some people don't know)
 Everybody ought to know,
 (Some people don't know)
 Who Jesus is.

The Lord has brought me
Through all my trials, and when I
failed Him
He didn't cast me away;
He stood right by me throughout
my troubles,
And when I was lost He didn't let
me go astray.

He took my sins, He saved my
soul;
He filled me up and made me
whole;
Jesus died on Calvary so the
whole wide world could see
It was a great thing that He did
for me.

CHORUS

It was a great thing that He did
for me,
It was a great thing when He set
me free;
Jesus died on Calvary so the
whole wide world could see,
It was a great thing that He did
for me.

He's been my doctor,
He's been my lawyer,
He's never left me, He's been my
friend;
He's been my comforter when I
was lonely,
And when I was lost Jesus took
me in.

He took my sins, He saved my soul;
He filled me up and made me
whole;
Jesus died on Calvary so the
whole wide world could see,
It was a great thing that He did
for me.

I believe God, I believe God!
It shall be done even as He said;
Trust and obey, look up and say,
I believe, I believe God.

I was sitting alone and wondering
About what I'm supposed to do,
I can't deny the times I've made
mistakes,

I can't hide from Him, He knew;
But I knew that deep within my
soul

I felt sorry, honest I do,
So I just cried and said, "Forgive
me Lord,
Forgive me again, will you."

So often I'm discouraged
When I count the times I fall,
'Cause he promised I'd be
victorious
When I know I'm not at all;
Then I heard an eagle scream,
Its voice quickened my soul,
He said, "you've not done it in the
first place, you're justified."

CHORUS

Justified, Justified,
You have not done it in the first
place, you're justified;
Justified, justified,
You have not done it in the first
place, you're justified.

He looked at your perfect picture
without blame, spot or wrinkle,
He didn't look at you from where
you are now,
He looked from eternity,
He said you're just trapped in
that body,
You bypassed your theophany;
You have not done it in the first
place, you're justified.

Jesus is a Rock in a weary land,
A weary land, a weary land;
Oh, Jesus is a Rock in a weary
land,
A shelter in the time of storm.

727 IF GOD IS FOR US

Key C

Beloved now we are the sons of
 God,
 Adopted by His blood we've
 been redeemed,
 We've been made joint heirs with
 Jesus
 And to reign as priests and
 kings,
 What do we say to these things?

CHORUS

If God is for us, tell me who can
 be against us?
 If God is in our side, how can we
 be denied?
 In all these things we are more
 than conquerors
 Through Jesus Christ our Lord,
 And nothing can separate us
 from the love of God

We are told that God is working
 everything for our good
 If we promise to love him and do
 his will
 And though the enemy tries to
 harm us
 And steal the song our hearts
 should sing
 What do we say to these things?

Things that are present or things
 to come
 It shall not separate us from
 God's love
 It is written 'for thy sake we are
 killed all day now'
 Tell me what do we say to these
 things?

BRIDGE

In joy and triumph or even in the
 times of trouble
 There's nothing can compare
 with the glory that's in stored
 Albeit for his sake we stand
 justified by faith
 And we'll be gloried in him
 forevermore

728 HOW MANY TIMES

Key F

How many times have I wounded
 His heart,
 How many times have I disobeyed;
 How many times have I fallen,
 How many times have I fallen,
 have I failed.

How many times has Jesus lifted
 me up,
 How many times has He my
 burden borne,
 How many times has He forgiven all
 my sins and when I reach those
 pearly gates,
 When I reach those pearly gates,
 When I reach those pearly gates,
 When I reach those pearly gates,
 When I reach those pearly gates
 He'll let me in.

729 HALLELUJAH

Key F

I took Your love as a desperate
 measure,
 Seeking shelter from a lost and
 lonely world;
 You gave Your love
 Beyond great measure,
 That I may know Lord,
 The way, the truth, the life.

CHORUS

Hallelujah! Praise the Saviour,
 Christ has come to show us the
 way;
 Hallelujah! Praise the Saviour,
 Christ has come to show us the
 way.

I give You praise, I give You glory,
 I lift You up Lord, for all the world
 to see.
 I am not alone
 Now that You've found me,
 Because of You Lord, my life is
 now complete.

730 WHO WILL STAND

Credence 1993

Key F

Great is the calling of our day
For reapers to work for the Lord,
The harvest is ripe but the
labourers are few,
And the Lord is calling on you;
Let's trim our lamps, be on fire
for our Lord
For there's much work to be done,
The kingdom of God is at hand
And I will glorify my Lord.

CHORUS

Who will stand for the Lord?}2x
My lamp needs trimming my
bowl has need of oil;
Who will stand for the Lord?

Your servant Lord, Nehemiah,
He laboured to rebuild the wall,
Sanbalat and Tobiah are trying
to hinder Your cause,
Hear the prayers of the saints, oh
God,
To see the Lord's true worship
restored;
The hornets have gone before us,
And the gospel must be preached.

Surely the land we've trodden
under-foot
Will be our inheritance,
Be not afraid of giants no, no, no,
When we serve the Living God;
So who's this uncircumcised
philistine from whom should such
a man as I flee?
Just as my strength was then, So
now is my strength for war.

731 HEAVEN CAME DOWN

Key D

Heaven came down and glory
filled my soul
When on the cross Jesus made
me whole;
My sins were washed away and
my night turned today,
Heaven came down and glory
filled my soul.

732 FEELING AT HOME

Key C

Feeling at home in the presence
of Jesus,
Hearing Him call me His own,
I'm feeling at home.}2x
Putting my feet right under His
table,
Knowing I'm never alone,
I'm feeling at home,
I'm feeling at home.

CHORUS

You could not have told me,
That I'll find what I've found,
Contentment and peace from
above;
Feeling at home in the presence
of Jesus,
Laying way back in His love.

Warming myself by the fire of His
Spirit,
Camping right close to His throne,
I'm feeling at home.}2x
Feeling accepted and loved and
forgiven,
I'm part of this warm family,
I'm feeling at home,
I'm feeling at home.

733 LORD I LIFT YOUR NAME

Key C

Lord I lift Your name on high,
Lord I love to sing Your praises;
I'm so glad You're in my life,
I'm so glad You came to save me.

CHORUS

You came from heaven to earth
to show the way;
From the earth to the cross, my
debt to pay,
From the cross to the grave,
From the grave to the sky;
Lord I lift Your name on high.

734 WASTED OPPORTUNITIES

Anthony Glaude 1995

Key F

To think that men lived in a day
When the word of God was made
flesh and dwelt on the earth;
But when the promise of the Holy
Ghost was given,
Only a few were prepared to
receive it in their souls;
There were others, a great multitude,
But the precious seed that was
sown, from their hearts Satan stole.

CHORUS

There are so many wasted
opportunities,
Life has a way to get you relaxed
and set you on your ease;
There are so many wasted
opportunities,
People going after temporary needs
which are only lying vanities.

History always repeats itself, this
we all know,
For as it was, so shall it be,
The Bible tells us so.
The greatest event started with a
shout,
But the veil was upon the hearts
of many so they could not rejoice;
For the form of flesh God took to
reveal Deity many could not receive,
So they stumbled at simplicity.

There was promised a second
ride to catch away God's bride,
We were told to learn our A,B,C's,
And live humble and right in
God's sight;
But as was promised the Lord
did come as a thief in the night,
But only who have ears to hear
and eyes to see saw Him en
morphe.

735 OUR GOD IS AWESOME

Key Em

Our God is an awesome God,
He reigns from heaven above
With wisdom, power and love,
Our God is an a
awesome God.

736 EL SHADDAI

Anthony Glaude 1995

Key C

In the Bible long ago there's a
story that we all should know,
Of Abraham, Sarah, Ishmael and
Hagar,
And the promise God gave by
word to Abraham which he had
heard;
But tried to bring it forth in his
own way.

BRIDGE

But, oh Breasted One we nurse
from you,
You are the One to see us through;
No more would we walk in our
own way,
So we lift our hands and give you
praise.

CHORUS

El Shaddai, El Shaddai, }
All that's left for me now is }
just to nurse from You. }2x

By taking heed to what his wife
did say,
What a mistake he did make, the
path of reasoning he did take;
Produced a wild man till this day,
Contrary to God's great plan of
redemption He has made
towards man.

MONOLOGUE

*For then one day the Lord did
come and changed his name
from Abram to Abraham.
He revealed the breast to him,
To give him strength to walk
again,
When He said "I am the
Almighty; walk before Me and
be thou perfect, and I'll give
you strength, (which is His
Dunamis)
To overcome the tempest."*

737 BE THOU STRONG

Carol Alexander 1996

Key D

The battle is almost over,
The victory is almost won;
The Captain of hosts is here to
lead the way, and these are the
words we hear Him say.

CHORUS

Be thou strong and be thou
courageous,
Be not afraid of the enemy around,
For I'm the One that will fight for
you;
Be thou strong and be thou
courageous,
For the victory is yours to be won.

Be strong in the Lord and the
power of His might,
Believe His word and don't doubt;
For by His word you shall
conquer your enemy,
And by His word you have
victory.

There is no enemy that could
stand before you,
As long as I am with you;
Be not afraid nor be dismayed,
For I will not fail nor forsake you.

BRIDGE

For every place that the sole of
your feet shall tread upon,
That have I given in your hand,
in your hand.

738 JESUS ON THE INSIDE

Key C

Jesus on the inside, working on
the outside,
Oh, what a change in my life!
Jesus on the inside, working on
the outside,
Oh, what a change in my life!
Jesus on the inside, working on
the outside,
Oh, what a change in my life!
Oh, what a change in my life!

739 IN TIMES LIKE THESE

Key F

In times like these you need a
saviour,
In times like these you need an
anchor,
Be very sure, be very sure,
Your anchor holds and grips the
solid rock.

CHORUS

This rock is Jesus, yes, He's the
One,
This rock is Jesus, the only One;
Be very sure, be very sure,
Your anchor holds and grips the
solid rock.

In times like these you need the
Bible,
In times like these, O, be not idle;
Be very sure, be very sure,
Your anchor holds and grips the
solid rock.

In times like these I have a Saviour,
In times like these I have an anchor;
I'm very sure, I'm very sure,
My anchor holds and grips the solid
rock.

740 I CAN BE GLAD

Key F

I can be glad for my hope is in
the Lord,
For He gives me confidence that
the world does not know;
He's the Lord of all creation and
whatever the situation
I'm glad, for my hope's in the Lord.

741 I'M GOING THROUGH

Key F

I'm going through, yes, I'm going
through,
I'll pay the price whatever others
do,
I'll take the way of the Lord's
despised few,
I'm going through, Jesus, I'm
going through.

742 BIRTH PAINS*Anthony Glaude 1986*

Key F

Oh God, You're my God, early
will I seek Thee,
My soul thirsteth for Thee;
My flesh longeth for Thee in a
dry and thirsty land
Where no water is,
but I know I'll find Thee;
For all of my life
There's been this deep and
inward hunger
To see my Saviour,
And if I don't see You, Lord,
I just don't know what I will do,
For You're the only one to see
me through.

CHORUS

Oh, I'm travailing in birth
And pain to be delivered,
Travailing in birth and pain to be
delivered;
Oh, I'm travailing in birth
And pain to be delivered,
To manifest the living Christ,
Oh, I'm travailing in birth
And pain to be delivered.

To see Thy power and Thy glory,
So as I have seen Thee in the
sanctuary;
Thy loving-kindness is better
than life,
My lips shall praise Thee all of
my life;
You've put this deep within me
So that I will thirst for Thee,
You've placed this desire within
my soul;
My soul followeth hard after Thee,
Thy right hand upholdeth me.

There appeared a great wonder
in Heaven,
A woman clothed with the sun
Standing on the moon,
And upon her head a crown of
twelve stars,
And before her stood a dragon;
But when the enemy
comes in like a flood
My God will always lift a
standard,
For no weapon formed against me
shall ever prosper,
And every tongue that rises
I will condemn forever.

743 IT'S ME, IT'S ME

Key C

I am waiting for that moment,
I am waiting for that day,
I am waiting for the fullness
To burst this flesh away,

CHORUS

Before me lay
The mirror of the word,
One time it showed a dark
reflection,
It drew me closer from face to
face,
It's me, It's me, that's the
revelation

Lord You made to me a promise
That You'll live Your life in me;
Tho the vision seems to tarry,
Lord I'll wait till it manifests in
me.

It's for me, the great outpouring
Before the rapture of the bride;
It's been worked in a small
measure,
It will take me to the sky.

**744 FAITH IS THE
VICTORY**

Key C

Faith is the victory,
Faith is the victory,
Oh glorious victory
That overcomes the world.

745 SMILE AWHILE

Key F

Smile awhile
and give your face a rest,
Raise your hand
to the one you love the best,
Then turn around to the one
next to you
and greet them with a smile.

746 HOLD ON*Kim Allert 1996*

Key F

CHORUS

Hold on, saints, hold on,
 Keep on walking in the footsteps of
 the Lord;
 Hold on, saints, be strong,
 Walk in confidence and faith,
 God will take us to that city where
 we belong.

Though the world is against us we
 could never be deceived,
 If we are walking in the footsteps of
 the Lord;
 And like Joshua and Caleb keep on
 claiming your mountain,
 And never compromise the word of
 God;
 And although your bodies might get
 weaker every day,
 Never let your testimonies
 ever be taken away.
 Just hold on.....

We know just what the devil's gonna
 do before he realizes,
 God uncovers his every scheme to
 show us his ways;
 How he tries to enter our minds to
 deceive us with lust and lies
 But we are justified and we are
 sanctified,
 And there'll be no compromise;
 God is saying to His bride, "Speak
 the word!"
 So keep on your armour, you're
 heading towards the third pull.
 Just hold on.....

The world will try to crucify the word
 that is growing in us,
 Those who are walking in the
 footsteps of the Lord;
 But those who place values on the
 word could never be shaken,
 And would never compromise the
 word of God;
 We have seen so many fall from the
 word,
 So let's keep our eyes on the prize
 and turn away from the world.
 Just hold on.....

747 COMFORT OF MY SOUL*Carol Alexander 1997*

Key C

When I remembered the time I
 was so low in sin,
 Dear Jesus You came and
 showed me your grace;
 Now no one can ever take me
 from your hand,
 And now I could never be the
 same
 For now I live only for you by
 your grace.

CHORUS

For Jesus is all I have to live for,
 Jesus is my truest friend that I
 could ever lean on,
 He can be trusted and his word
 can never fail,
 He is the comfort of my soul.}2x

Sometimes I get weary and can't
 go on,
 Dear Jesus you are there to
 make me strong,
 And though I be tempted, you
 are my shield;
 Oh Lord, you have showed me
 such love,
 All I have I surrender to you.

748 CHILDREN OF GOD

Key C

Children of God,
 Sing about God,
 Hallelujah

Children of God,
 Sing about God,
 Hallelujah

Hallelujah, hallelujah, hallelujah,
 Hallelujah, hallelujah, hallelujah,
 Hallelujah.

A lonely manger, a humble God
The King of heaven came down
to fallen earth;
Despised, rejected,
Disdained by men,
Oh, this child was born
To save men from their sins.

An undefiled and a spotless Lamb,
He gave himself up
as the final sacrifice,
But on the third day
rose from the grave
Fulfilling that which
all the scriptures have said;

And now He lives
to give us of His life,
And now He reigns
to lift us up on high.

CHORUS

Look what He's made out of nothing,
Look what He's formed out of clay,
Look what He gave to a world
that was dying,
Look what He's done through His
grace!
Think back to the night when He
found you,
Consider the love that He gave
Remember the love and the
peace that He's shown you,
Look what He's done through His
grace!
Oh, look what He's done through
His grace!

A broken vessel, a wayward heart,
Not a likely place
for His kingdom to start,
The great Redeemer,
Saviour of men
Oh, my Father came down and
brought me home again.

And now I live
to thank him for His faith,
And here I stand singing of His grace.
You don't have to look very far
To find evidence of amazing grace,
You don't have to search very far
To see what God can do,
For He's remained so faithful,
For He's remained so true.

My life is no longer mine
I'm bought with a price
So therefore I must glorify Him at
the cross
Bought not with corruptible things
As silver or gold
But by the precious blood of the
lamb
That redeemed my soul
And now I'm in Him and He in me
With His bride He'll reign for all
eternity
That's why....

CHORUS

I'm learning to be a prisoner of }
love divine }2x
As I walk in his bloody footprints
In the sands of time
I'm learning to be a prisoner of
love divine

My body is the temple of the
Holy Ghost
And He's my comforter and
teacher of the cross
Now I'm laying aside every
weight
That easily beset me
And looking to the author of my
destiny
And the finisher of my faith
I know he will mould me
Till my faith is perfected

For if we be dead with Him
We shall also live with Him
If we suffer with Him
We shall also reign
So therefore endure hardness as
a good soldier
And be not entangled with the affairs
Of this life
That you may please him who
hath chosen you
To be a good soldier

751 IT WAS YEARS AGO

Key C

It was years ago since I first
heard it told
How He's coming back to take
His children home,
No it won't be long, we'll be
going home,
I want to go.

There'll be mansions there far
beyond compare,
They talk of streets of gold
Where we'll never grow old,
No it won't be long,
We'll be going home,
I want to go.

CHORUS

I want to go where the storms
clouds never rise,
I want to go where the flowers
never die;
Don't you want to go where we'll
never say goodbye
There'll be no loneliness,
No more tears to dim the eye.

The crystal river flows,
From the great white throne;
Saints would laugh and sing,
Joyful praises ring,
No it won't be long, we'll be
going home,
I want to go.

CHORUS

I want to be there when the final
roll is called,
I want to see the saints of old
who've join the ransomed throng,
Don't you want to go where we'll
never say goodbye,
There'll be no loneliness, no
more tears to dim the eyes.

There'll be mansions there far
beyond compare,
They talk of streets of gold
Where we'll never grow old;
We'll see him on His throne, He'll
say welcome home,
I want to go.

752 IN YOUR PRESENCE

Key C

I want to go where the rivers
cannot overflow me,
Where my feet are on the rock;
I want to hide where the blazing
fire cannot burn me,
In your presence, oh God.

CHORUS

In your presence,
that's where I am strong,
In your presence, oh Lord, my God;
In your presence,
that's where I belong,
Seeking your face,
Touching your grace,
In the cleft of the rock,
In your presence, oh God.

I want to hide where the flood of
evil cannot reach me,
Where I'm covered by the blood;
I want to be where the schemes
of darkness cannot touch me,
In your presence, oh God.

753 YES LORD, YES LORD

Key F

I'll say yes, Lord, yes;
To your will and to your word,
I'll say yes, Lord, yes,
I will trust you and obey,
When your spirit speaks to me,
With my whole heart I'll agree
And my answer will be,
Yes, Lord, yes.

Yes Lord, yes Lord,
From the bottom of my heart to
depths of my soul;
Yes Lord, completely yes,
My soul say yes.

754 SUPERNOVA

Ulric Andrews 1987

Key C

I was stumbling around in
amnesia,
Not knowing the purpose for
which I was born,
By destiny, I heard the words of
Elijah,
I knew my Saviour's voice and I
was born;
Born again, my heart has been
turned back,
Faith of my Father is now in my soul.

CHORUS

And now I know...
I was born to be a supernova,
A shining star in this hour;
I was born to be a Supernova
I was born to be a supernova,
Reflecting God's light and His power.

As a child Satan sought me to
devour,
But my life was always protected
by an unseen power;
Greater was He that's in me than
the white horse rider,
As my eagle wings of faith grew
stronger and stronger;
Now I'm risen far above the
powers of deception,
I have mounted the heavenly
currents by revelation.

From darkness I've been lifted to
heavenly places,
Amazing grace has taken me
from unrighteousness;
Born a star, I do delight in His glory,
But what of my people who yet
stumble in iniquity;
Now in position, set in my course,
I'll reflect a light beam in their way,
Oh, let the risen Son turn their
darkness into day.

Queen Esther, your light is
becoming brighter,
Not many days now, you'll
display the King's power;
Rise and shine, oh let your light
shine in this hour,
Let this wicked world be shaken
by a supernova.

BRIDGE

Oh twinkle, twinkle little star, }
How you just glow in humility; }
Now your light will explode in full }
power and authority. }2x

755 A PURE HEART

Key F

A pure heart,
That's what I long for,
A heart that follows hard after
thee,
A pure heart,
That's what I long for;
A heart that follows hard after
thee,
A heart that hides Your word
So that sin would not come in;
A heart that's undivided,
One You rule and reign;
A heart that beats compassion
And that pleases You my Lord;
A sweet aroma of worship,
That rises to Your throne.

756 I'M DETERMINED TO LIVE

Key Bm

I'm determine to live for Jesus,
Yes I am;
I'm determine to live for Jesus,
Yes I am;
Through hard trials, tribulations,
persecutions, I'm determined;
I'm determined to live for Jesus,
Yes I am.

This is the age Malachi 4:5 is fulfilled,
 God sent a prophet in this time,
 for this age;
 Despised and rejected by
 denomination,
 Yet God had a people on the
 earth to hear his voice;
 Out there I was in Egypt land, God
 called me out by his command,
 The way he did with Abraham.

CHORUS

We're going back to the faith,
 The faith of our forefathers,
 We're going back to the faith where
 we'll die for eternal life;
 We're going back to the faith,
 into the Garden of Eden,
 Where we know we were
 predestinated before the
 foundation of the world to walk
 by faith.

This is the age of Laodicea,
 where men and women fight for
 their rights, for their rights
 False doctrine and creeds feel
 welcome in this world,
 For this is the age Satan sits on
 his throne, on his throne;
 This is the age where Jezebel and
 her harlots celebrate,
 Where many are drunken from
 her wine;
 And this is the age where the
 mysteries go back to the East,
 Saints this is the end of the
 Gentiles' time, make sure you
 don't get left behind.

BRIDGE

We're going back to the faith,
 The faith of our forefathers,

We're going back to the faith,
 Where we'll die for eternal life;
 We're going back to the faith,
 Into the garden of Eden,
 We're going back to the faith,
 We're going back, we're going back,

We're going back to the faith of
 Abraham and Sarah,
 We're going back to the faith,
 Yes we are climbing Jacob's ladder,
 We're going back to the faith,
 Oh, we are going to stop the sun
 like Joshua,
 We're going back to the faith,
 And like Jesus walk on water,
 We're going back to the faith,
 We're going to translate like Elijah
 We're going back to the faith,
 We're going back, we're going back;
 We're going back to the faith,
 I want to see my Redeemer's face,
 We're going back to the faith,
 I want to thank Him for His grace;
 We're going back to the faith,
 I'm gonna shake the prophet's hand
 We're going back to the faith,
 When I get to the promised land
 We're going back to the faith,
 Back to the faith.

I'm on my way to Canaan land,
 I'm on my way to Canaan land,
 I'm on my way to Canaan land,
 I'm on my way praise the Lord,
 I'm on my way.
 (Don't you know it's possession time.)
 (I'm on my way to possess the land.)

It's Your blood that cleanses me,
 It's Your blood that gives me life,
 It's Your blood that took my place,
 The redeeming sacrifice;
 Washes me whiter than the snow,
 than the snow,
 My Jesus, God's precious sacrifice.

760 WE WILL STAND

Kim Allert 1996

Key G

CHORUS

Who will stand,
When the battles get harder?
Who will stand,
When the valleys go lower?
Who will endure?
He that is born of the Lord, }2x
(For we are born of the Lord,)
He who'll overcome,
(For we are born of the Lord,)
He who'll watch and pray
(For we are born of the Lord,)
Mix the word with faith,
(For we are born of the Lord.)

Millions of unclean spirits are
roaming the earth
With issues in their mouths,
Searching for a place,
An inhabitant to dwell,
To spit those issues out;
But like Joseph who knew
that famine will come,
Prepared, so the people won't
die,
God sent Elisha
with the hidden manna,
Food He had stored for a bride,
A bride who will stand.....

For the covenanted people
God sent regulations,
What we should and should not
eat;
No Devil can beguile us,
No serpent can defile us,
We'll remain healthy and clean
And every storm brings us
closer,
It anchors our soul to that rock;
God will never leave us,
But He must chastise us
To prove we are born of the
word.
And we'll stand.....

761 LORD GIVE ME THE GRACE

Kim Allert 1996

Key C

I believe I was born to fly
Like an eagle in the sky,
To soar the heavenly,
And that's what I believe.

And I believe God has given me
The access to claim every promise
That he has made for me;
And I will always believe.

Lord, make my faith what it
should be,
Apply Your holy word in me
So I can soar the heavenly
And meet with my theophany.

CHORUS

Lord, give me the grace
And strengthen my faith to take
me away;
Lord, give me the grace and
strengthen me with faith
That will rapture me away.

Without faith it's impossible
To please You, holy Father,
Breakdown my walls of unbelief
And make my spirit stronger.

And Lord when circumstances
come my way
I'll overcome them day by day;
Let my spirit build on solid ground
So I will not be shaken.

Humble my spirit, holy Father,
Make me obedient to thy word;
Apply your holy word in my life
So I can live righteously.

BRIDGE

Lord I see the time is quickly
passing by
And there're so many things
we've left to change inside;
Take complete control of my life,
dear holy Father,
Teach me to walk by Your faith,
Father, teach me to walk by Your
faith.

762 THE PLEDGE

Georgia Noel 1996

Key C

We stand as youths, we stand
for Christ,
We give our all, we dedicate our
lives;
We fight the fight, we keep the faith,
We are the salt of the earth,
We run the race.

We dedicate our lives to Jesus,
We pledge that we will stand,
We promise to live our lives
By all that He commands;
We fulfil the works of the prophet,
Our hearts are being returned
To Jesus Christ.

In this Dark Age
We shine as lights on that
seventh peak,
Eagles high in flight,
Soaring towards the heavens
above,
We'll lay down our lives
As Jesus did in love.

763 MAKE US ONE

Key C

Bind us together
With your bond of unity
'Cause your word says we are
brothers;
Let us be one Lord
Even as You and the Father are one,
So the world can see you inside
us.

CHORUS

Make us one heart
Make us one mind
Make us one
Let your will be done,
Make us one flame to proclaim
your Name,
Make us one Lord, make us one.

Let us be united,
See each other through His own
eyes;
May we forgive our brothers
We see you risen
No longer on an old rugged cross
Lord may your glory fill us.

764 THE ANSWER IS ON THE WAY

Key D

CHORUS

Oh yes the answer is on the way,
this I know,
Jesus said it, I believe it and it is
so;
Our heavenly Father knows the
need before we pray,
And we can rest assured the
answer is on the way.

How many times I bow beneath
a heavy load,
On bended knees to God a
prayer I pray
As I knelt there on the floor,
He reminds me just once more
That the answer is already on
the way.

If there's a special need within
your life my friend,
And you seeking for an answer
everyday;
If by faith you'll start believing
Mighty soon you'll be receiving,
For the answer is already on the
way.

765 BE IT UNTO ME

Key D

Be it unto me according to Thy
word,
According to Your promises
I can stand secure.
Now upon my heart
The truth that sets me free,
According to Your promises
Be it unto me.

766 A VESSEL OF HONOUR

Key C

A vessel of honour I am to God,
A vessel of honour I am to God
Sanctified, holy, so I must be
A vessel of honour I am to God.

767 UNITED WE STAND*Obed Johnson 1996*

Key D

Going back to ourselves
 In the likeness of the Lord
 God's great family
 In union once again
 Oh yes united with Elohim.

CHORUS

It's uniting time
 And here we stand
 In unity, forming a stronger bond
 Uniting time is here
 The signs are everywhere
 Oh yes united, we stand

The word gathered God's bride
 Redemption draweth nigh
 We the church coming
 In union with Christ
 The Marriage Supper of the Lamb
 God preparing for his bride
 The going home of the saints

Believers of the faith
 Sweeping this message
 To the coming of the Lord
 Seeing we have this ministry
 Let's not faint but earnestly
 Take our positions in the
 Kingdom of God.

BRIDGE

Lord bind us with cords
 That cannot be broken
 Unite we stand forevermore.

**768 JESUS, JESUS,
JESUS**

Key C

Jesus, Jesus, Jesus, I've got
 Him on my mind,
 Jesus, Jesus, Jesus, I've got
 Him on my mind,
 Jesus, Jesus, Jesus, I've got
 Him on my mind,
 I've got Jesus on my mind.

(When you hear me praying....)
 (When you hear me singing....)

769 WE STAND AS ONE*Elizabeth Bishop 1996*

Key D

CHORUS

We stand as one, one body, one
 mind, one faith,
 We stand as one, with our hearts
 in one accord,
 Just like the father, the son and
 that spirit are one,
 Brothers and sisters, we stand
 as one.

Here we are gathered, like the
 saints in the upper room,
 The ground was tilled, the seed
 was sown,
 And it was ripened by the Son
 Now its harvest time, let's work
 together for what must be done
 Standing in unity, standing in love.

Just like Moses, when he led the
 children to the Promised Land,
 The cloud led by day, the pillar of
 fire by night
 As they marched as one from
 Egypt's land
 And when this bride is perfected,
 we will all meet in the New
 Jerusalem,
 We'll be standing in unity, we'll
 be standing as one.

BRIDGE

Father make us one, Father
 make us one,
 That the world may know, God
 sent his Son
 Father make us one.
 Standing in unity, standing in
 love,
 Standing in unity, standing in
 love.

**770 I'LL SAY YES, YES,
YES**

Key D

I'll say yes, Lord, yes,
 I'll say yes, Lord, yes,
 I'll say yes Lord,
 I'll say yes Lord,
 I'll say yes, Lord, yes.

771**LET'S HAVE A
REVIVAL**

Key G

CHORUS

Let's have a reviva I from the
pulpit to the pew,
Let's have a revival that starts
with me and you,
Then reaches out to the lost and
hungry world to bring them in,
This is our joy (this is our hope, this is
our life)
It's our survival,
Let's pray for a Holy Ghost arrival
Let's have a revival.

Sometimes we just gone thru the
motion,
Left the Spirit out,
No power in our program,
No victory in our shout;
But God will give us back the joy
Let's open up the Bible, lay aside
formality,
Let's have a revival.

Well I ask a old time preacher
How revival came back there,
He said we always started down
on our knees in prayer
Just open up those two books,
The songbook and the Bible,
If you sing and preach God's
word you'll have a revival.

772**JESUS IS HERE**

Key A

Jesus is here right now
Jesus is here right now
He is here to meet your needs
He's going to set the captive free
Jesus is here right now

773**LORD YOU'RE
BEAUTIFUL**

Key D

Lord you are beautiful,
Your face is all I see,
And when your eyes are on this
child,
Your grace abound to me.

774**COME HOLY SPIRIT**

Key C

The Holy Spirit came at Pentecost
He came in mighty fullness then
His witness through believers won
the lost
As multitudes were born again
The early Christians scattered o'er
the world
They preached the gospel fearlessly
Though some were martyred and to
lions hurled
They marched along in victory.

CHORUS

Come Holy Spirit dark is the hour
We need your filling your love
and your mighty power
Move now among us, stir us we pray
Come Holy spirit revive your
church today

Then in an age when darkness
grip the earth
The just shall live by faith was
learnt
The Holy Spirit gave the church
new birth as reformation fires burn
In later years the great revival came
When saints would seek the Lord
and pray
Oh, once again we need that
Holy flame
To meet the challenge here today.

775**I'M GOING TO BLESS
THAT...**

Key D

I'm going to bless that wonderful
name of Jesus,
I'm going to bless that wonderful
name of Jesus,
I'm going to bless that wonderful
name of Jesus,
No other name I know.

(There's healing in the name of
Jesus.)
(I'm going to Praise that
wonderful name of Jesus.)

776 SEND THE FIRE

Key F

Thou Christ of burning, cleansing
flame,
Send the fire, send the fire, send
the fire!

Thy blood bought gift today we claim
Send the fire, send the fire, send
the fire!

Look down and see the waiting
host,
Give us the promised Holy
Ghost, We want another
Pentecost,
Send the fire, send the fire, send
the fire!

God of Elijah, hear our cry,
Send the fire, send the fire, send
the fire!

He'll make us fit to live or die,
Send the fire, send the fire, send
the fire!

To burn up every trace of sin,
To bring the light and glory in,
The revolution now begin,
Send the fire, send the fire, send
the fire!

'Tis fire we want, for fire we plead,
Send the fire, send the fire, send
the fire!

The fire will meet our every need,
Send the fire, send the fire, send
the fire!

For strength to ever do the right,
For grace to conquer in the fight,
For power to walk the world in white,
Send the fire, send the fire, send
the fire!

777 GOD IS GOD

Key D

God is God, and He always will
be God,
God is God, and He always will
be God,

He's the God of the fiery furnace,
He's the God of the lions den,
He's the God of the whole creation,
And He's the God in the hearts
of men.

778 LORD, I'M COMING HOME

Key Eb

I've wandered far away from
God,
Now I'm coming home;
The paths of sin too long I've
trod, Lord, I'm coming home.

CHORUS

Coming home, Coming home,
Never more to roam,
Open wide Thine arms of love,
Lord, I'm coming home.

I've wasted many precious
years, Now I'm coming home:
I now repent with bitter tears,
Lord, I'm coming home.

I've tired of sin and straying , Lord,
Now I'm coming home;
I'll trust Thy love, believe Thy word.
Lord, I'm coming home.

My soul is sick, my heart is sore,
Now I'm coming home;
My strength renew, my hope
restore,
Lord, I'm coming home.

**779 HOSANNA,
HOSANNA**

Key G

Hosanna, Hosanna
Hosanna in the highest
Hosanna in the highest
Lord we lift up Your Name
With our hearts filled with praise
We exalt You, Oh Lord our God
Hosanna in the highest
Hosanna, Hosanna
Hosanna in the highest
Lord we lift up Your Name
With our hearts filled with praise
We exalt You, Oh Lord our God
Hosanna in the highest

Will your anchor hold in the
storm of life
When the clouds unfold their
wings of strife
When the strong tides lift and the
cables strain
Will your anchor drift, or firm
remain

CHORUS

We have an anchor that keeps
the soul
Steadfast and sure while the
billows roll
Fastened to the rock which
cannot move
Grounded firm and deep in the
Saviour's love

Will your anchor hold in the
straits of fear
When the breakers roar and the
reef is near
While the surges rave and the
wild winds blow
Shall the angry waves then your
bank overflow

Will your anchor hold in the
floods of death
When the waters cold chill your
latest breath
On the rising tide you can never
fail
While your anchor holds, within
the veil

Will your eyes behold through
the morning light
The City of Gold and the harbour
bright
Will you anchor safe by the
heavenly shore
Will life's storms are past forever
more

Hallelujah, Jesus
We will Praise the Lord}2x

A revival of the Just shall come
forth
The young crop shall take their
place, with revelation we shall run
through the land,
Spreading the word of salvation
and grace
Rejoice and shout oh Jerusalem
Thy King cometh unto thee
The power will come back into
the church
And the third pull now you shall
see}2x

CHORUS

So praise the Lord
Are you willing to give your life
Are you willing to sacrifice
Could you walk like Jesus walked
Can you talk like Jesus talked

The enemy is making laws now
To silence the bride on the earth
All this must be done to fulfil the
word
Spoken by our prophet of God
The battle is raging strong now
The time has come we shall die
Caiphas has set plans into action
Now you shall see your God glorify

CHORUS

We are willing to give our lives
We are willing to die for Christ
We will stand like the Prophet stood
We are bride so we know we would

Are you willing to give your life
Are you willing to sacrifice
Will you die like Samson died
He died with the Philistines

782 IT IS GOD

Arlene James 1998

Key D

It was at the place of the Holy
cross
Were God took his servant and
turned him around
He came back home to friends
and family
To share with them this message
of jubilee
Well, one by one they came till a
church was born
It surely was the breaking of a
new dawn

CHORUS

It has been God who passed our
way
And it is God who is with us here
today
And it is God still with us here
today

We gathered on a street name
Fran
With planks on bricks for benches
and a pulpit made of pan
Till we move up to the house at
Simpson Brown,
To give witness at the place
where God took us from
Then amidst the voice of those
who lived near
A building was erected and we
worship God there

Well, the work was truly growing
And the time came we moved up
to the place of the burning flame
To unite with saints who were to
be a part of this great work that
God did start
Well, mighty revelations
thundered from that place
And around the world it went with
shoutings of grace

Our God is a Father he cares for
old and young

And He has given this place for
our little ones

As prisoners we stand right on
this spot

We know it's a transformation
from what it was

Though tillers of the soil are all
around

There still an Abel in our midst
with a bloody Lamb

It seemed we were set and just
ready to go

But more of God's great plan
began to unfold

The saints from deep in south
Have come to take their place
amongst now

And as we wait, we wait right here
We are just waiting to be caught up,
caught up in the air.

783

TAKE THE NAME OF JESUS

Key Eb

Take the name of Jesus with
you,
Child of sorrow and of woe;
It will joy and comfort give you,
Take it, then, where'er you go.

CHORUS

Precious name, Oh how sweet!
Hope of earth and joy of heaven;
Precious name, Oh how sweet! Hope
of earth and joy of heaven.

Take the name of Jesus,
As a shield from every snare;
If temptations round you gather,
Breathe that holy name in
prayer.

O that precious name of Jesus!
How it thrills our souls with joy,
With His loving arms receive us,
And His songs our tongues
employ!

At the name of Jesus bowing,
Falling prostrate at His feet,
King of kings in heaven we'll
crown Him,
When our journey is complete.

Satan you have no place in our
lives,
We're true sons of God we've got to
stand for our rights;
There is no enemy that can
stand before us,
If God be for us tell me who
could be against us.

CHORUS

Hate you're conquered,
Malice you're conquered,
Envy you're conquered,
Conquered by the word of God,
Lust you're conquered,
Rebellion you're conquered,
Disobedience you're conquered,
Conquered by the word of God.

Every day there's an enemy to face,
Whether it be home or even at
your work place;
Please remain conscious and
don't lose your focus,
Keep your confidence in Him and
don't lose your trust.

CHORUS

Fear you're conquered,
Doubt you're conquered,
Confusion you're conquered,
Conquered by the word of God,
Women you're conquered,
Money you're conquered,
Popularity you're conquered,
Conquered by the word of God.

Oh saints of like precious faith
take your positions for the hour is
late,
And though the enemy has
posted many threats,
We been made more than
conquerors,
Let's stand and take our place.

Sometimes in our lives things for
years that we fight,
There seems to be no way to
end all this strife;
Resist the enemy and He'll flee
from you,
He's only and bluff and that is all
He can do.

Now it's time for the Mount Zion
showdown,
David fought for Israel, slew
Goliath to the ground;
Michael and Lucifer at war now
to end,
We've got the victory
We'll crown Christ King of Kings} 4x

CHORUS

King of Kings we give you thanks,
We give you praise and
thanksgiving;
At all times in everything we give
you thanks,
We give you thanks.

In the lowest of the Valley
In the highest of the Mountain
Lord you are always there
I will praise you through the
sunshine
I will praise you through the storm
For you said you will walk with me
every step of the way

I will thank Him for His mercy
I will thank Him for His grace
For He is all that matters in this
race
So rejoice oh children of Judah
for He's faithful with promise
So keep pressing upwards for He
is your strength is your strength

786**PSALM 86**

Key A

Carol Alexander 1999

Key C

Teach me thy way oh Lord
 I will walk in thy truth
 Unite my heart to fear thy name,
 Teach me thy way oh Lord
 I will walk in thy truth
 Unite my heart to fear thy name.

Oh yes I will praise thee oh Lord
 My God with all my heart
 Oh yes I will glorify thy name
 Forevermore, Forevermore.

BRIDGE

For great is thy mercy, thy mercy
 oh God,
 Thou has delivered my soul from
 the lowest hell,
 Thou has shown me a token, a
 token for good,
 Great is thy love thy mercy
 endureth forever.

787**CLOSER DRAWN TO
THEE***Obed Johnson 1999*

Key F

I want to be closer drawn to thee
 Closer drawn to thee
 Lord the challenge is getting
 stronger
 And the days are shorter
 Lord I need to see more of you in
 me

Closer drawn to Thee
 Is where I want to be
 A longing for a deeper fellowship
 with You and me;
 Closer drawn to thee
 Is where I want to be,
 A longing for a deeper fellowship
 with You and me.

788**HEAR MY PRAYER
OH GOD**

Hear my prayer oh Lord,
 From the ends of the earth I cry,
 Your peace will lead me to
 The rock that is higher than I

For you have been my strength
 in time of trouble,
 A tower above my enemies,
 And Lord I will abide with you,
 Forever in the shelter of your
 wings.

789**HE'S ALREADY
PROVIDED**

Key D

He's already provided,
 He's already provided,
 Everything you need He's
 already provided;
 Every promise you can claim,
 Just ask it in his name
 Everything you need He's
 already provided.

790**GOD WILL MAKE A
WAY**

Key G

God will make a way,
 When there seems to be no way,
 He works in ways we cannot see;
 He will make a way for me,
 He will be my guide;
 Hold me closely to His side;
 With love and strength for each
 new day,
 He will make a way,
 He will make a way.

By a roadway in the wilderness
 He leads me,
 Rivers in the desert will I see,
 Heaven and earth will fail,
 But His word will still remain;
 And He will do something new
 today.

CHORUS

The Spirit and the Bride say, come
 Let Him that hears say, come
 Let Him that thirst come and drink
 And say, come
 And whosoever will
 Let Him take from the water of life
 freely. **(CHORUS 2x)**

God has open up a fountain of
 life in our day
 He has quench the thirst inside
 us
 And cleansed our soul from sin
 And now His healing waters flow
 through us His Bride
 To the dying people throughout
 the world.

CHORUS

With His mighty revelation
 Let's run as fast as we can
 Setting free every captive
 Proclaim His coming at hand
 For soon He is returning
 To take us all on high
 So let's be His witness
 Giving our all in His service.

CHORUS**BRIDGE**

Whosoever is faint and dying
 Come and be made whole
 Whosoever soul needs cleansing
 Come and be made whole
 Whosoever life need healing
 Come and be made whole
 Whosoever lack his power
 Come and be made whole

The Spirit and the Bride say
 come
 Come to the fountain of living
 water Come and be made whole

The weapons of our warfare are
 not made with human hands
 And the enemy we face is not
 the flesh and blood of man
 But we serve a mighty captain
 with the one whose battle plan
 He's already won the victory yet
 He calls us now to stand

Hear the battle cry
 Put your amour on
 We must occupy the land until
 the kingdom come
 Hear the battle cry
 Put your amour on
 We must occupy the land until
 the kingdom come

Take the sword of spirit bind the
 truth around your waist
 Keep the breastplate of
 righteousness firmly in its place
 Wear the helmet of salvation by
 the power of His grace
 Fit your feet with the gospel,
 raise the mighty shield of faith

Free the captives of the night
 Evading evil strong holds with
 the light

Let God arise
 Let the enemies be scattered
 Let the righteous be glad
 Let them rejoice before God
 Let them rejoice}2x

Make a joyful noise unto our God
 All ye lands sing forth His honour
 Of His name make His praises
 glorious
 Let us rejoice, Let us rejoice,
 Let us rejoice.

794**WHEN THE MISTS
HAVE...**

Key Bb

When the mists have rolled in
splendour from the beauty of the
hills,
And the sunlight falls in gladness
on the river and the rills,
We recall our Father's promise in the
rainbow of the spray:
We shall know each other better
when the mists have rolled away.

CHORUS

We shall know as we are known,
Nevermore to walk alone,
In the dawning of the morning of that
bright and happy day.
We shall know each other better,
When the mists have rolled
away.

Oft we tread the path before us with
a weary, burdened heart;
Oft we toil amid the shadows,
And our fields are far apart:
But the saviour's "Come, ye blessed"
All our labour will repay,
When we gather in the morning
where the mists have rolled away.

We shall come with joy and
gladness,
We shall gather round the throne;
Face to face with those that love us,
We shall know as we are known:
And the song of our redemption shall
resound thro' endless day,
When the shadows have
departed,
And the mists have rolled away.

795**DRAW HUMBLY TO
THY THRONE***Georgia Noel 2003*

Key C

Let us with grace and mercy and
feeling in our hearts,
Draw humbly to the throne of grace,
And may the Lord be merciful as
we seek his face,
And draw humbly to the throne of
grace.

796**WE HAVE A
MESSAGE***Arlene James 1998*

Key C

Moses told the children of Israel
The Lord shall raise up a prophet
Like unto me and Him shall ye
hear
Truly Jesus came fulfilling all that
Moses said
Then died and rose
And gave us Salvation to declare

CHORUS

We have a Message to the world
We have a Message to save lost
souls
We have a Message to the sick
and dying
We've got to tell you Jesus saves
We've got to tell you Jesus heals
We have a Message that makes
your life worth living

Surely the Lord God will do nothing
But He reveal His Secrets to the
prophets
Like the one He has sent in our day
He fulfilled Revelation 10 and 7
Malachi 4:5 and 6
We now have this Seven Seal
Message to declare

CHORUS

We have a Message to declare
We have a Message the end is
near
We have a Message to those
souls that are thirsting
What for ages has been sealed
In our day has been revealed
This is what has made our lives
worth living

797**PRaise HIM IN THE
MORNING**

Key C

Praise Him in the morning,
Praise Him in the noontime,
Praise Him when the sun refuse
to shine,
Praise Him on the mountain,
Praise Him in the valley,
Everybody praise my Jesus all
the time.

MONOLOGUE

Babylon, we know types the flesh
*Our worst enemy, who always
 tries to get in the way*
*When God wants to do
 something for us*
Jerusalem we know types the soul
It is the soul that God contacts
It is the city that God chose to dwell
and identify Himself in
And though she's been mocked
and scarred, laughed at, trodden
down and buried deep under
heaps of rubbish
God chose her and He loved her
And we know that Jerusalem, oh
Jerusalem
Stone by stone, by stone, she
shall rise and never fall again.

Babylon has fallen, Jerusalem
 shall rise
 God has promised she shall be
 built in perilous times
 This is the age God thought to
 place us in
 To fight the fight and to build the
 house
 For our Jerusalem shall rise
 Some through the fire but those
 walls are rebuilding
 With brotherly love those
 breaches are mending
 We shall not cease until we hear
 that last trump sound
 Until the capstone comes and crown
 the work of the Lord
 Jerusalem shall rise

CHORUS

Stone by stone, }
 Jerusalem shall rise}3x
 From her filthy clothing, to her
 glorious white robe
 From the dust to the stars
 Jerusalem shall rise
 [Stone by stone, by stone, by stone]
 We're putting down our Faith stone
 [Stone by stone.....]
 Our virtue and Knowledge stone
 [Stone by stone.....]
 Temperance and Patience stone
 [Stone by stone.....]
 Godliness and Brotherly
 kindness stone
 [Stone by stone.....]
 Our Chief stone and our Love stone
 [Stone by stone.....]
 Building a dwelling place for our
 God [Stone by stone.....]
 We're building our Jerusalem
 [Stone by stone.....]

Jerusalem, Jerusalem
 Lift up your gates and sing
 Hosanna in the highest
 Hosanna forevermore
 Jerusalem, Jerusalem
 Hear how the saints (angels)
 sing
 Hosanna to the highest
 Hosanna to the King
 Jerusalem, Jerusalem
 Lift up your gates and sing
 Hosanna in the highest
 Hosanna to the King

800 BEHOLD THY KING*Carol Alexander 1999*

Key Em

CHORUS

Arise, O Jerusalem thy King
cometh unto thee
Behold thy king cometh unto thee
O ye daughter of Zion
Thy king cometh unto thee

O rejoice greatly ye daughter of
Zion
For behold thy King cometh unto
thee
Shout aloud O daughter of Jerusalem
For behold thy King dwelleth in
the City
For he has broken the chains of
bondage
Bringing us out of Babylon
We are redeemed and called by
his name
His royal seal is upon us
His light now shining us
And his name we shall declare

Behold I have made you the
desire of all nations
A city of truth O Jerusalem
As I have declared to my
servants the prophets
I shall restore you back in the
fullness
Your gates shall all stand strong
again
I am the Lord your God thy
strength
And though a host encamped
around you
It shall not come nigh unto you
For I will destroy them all

BRIDGE

So arise O Jerusalem
Break forth in praises to your
King Who has restored you
And is now dwelling in you
He has turned away the captivity
And destroy thine enemy

O Jerusalem thy King cometh
unto thee
O Jerusalem thy King cometh
unto thee
Behold thy king cometh

**801 MUST JESUS BEAR
ALONE?**

Key G

Must Jesus bear the cross alone,
And all the world go free?
No, there's a cross for everyone,
And there's a cross for me.

The consecrated cross I'll bear,
Till death shall set me free,
And then go home my crown to
wear,
For there's a crown for me.

Upon the crystal pavement down
At Jesus' pierced feet,
With joy I'll cast my golden crown!
And His dear name repeat.

O precious cross! O glorious
crown!
O resurrection day!
Ye angels from the stars come
down,
And bear my soul away.

**802 SHALOM
JERUSALEM**

Key Am

CHORUS

Shalom, shalom Jerusalem
Peace be to you
When messiah comes to take us
home
May his praise be found in you

Pray for peace Jerusalem
City of our God
There salvation was poured out
for you
The atoning of the Lord
Once your streets filled with joy
Branches raised up high
Shouting blessed be the holy
one
Yeshua t'adonai

There's a holy and beautiful city,
Whose builder and ruler is God.
John saw it descending from
heaven,
When Patmos in exile, he trod;
Its high, massive wall is of jasper,
The city itself is pure gold;
And when my frail tent here is
folded,
Mine eyes shall its glory behold.

CHORUS

In that bright city, pearly white
city,
I have a mansion, a harp and a
crown;
Now I am watching, waiting and
longing,
For the white city John saw
coming down.

No sin is allowed in that city,
And nothing defiling nor mean;
No pain and no sickness can
enter,
No crape on the doorknob is
seen;
Earth's sorrows and cares are
forgotten,
No tempter is there to annoy;
No parting words ever are
spoken,
There's nothing to hurt and
destroy.

No heartaches are known in that
city,
No tears ever moisten the eye,
There's no disappointment in
heaven,
No envy and strife in the sky;
The saints are all sanctified
wholly,
They live in sweet harmony there;
My heart is now set on that city,
And some day its blessings I'll
share.

My loved ones are gathering
yonder

My friends, too, are passing away;
And soon I shall join their bright
number,
And dwell in eternity's day;
They're safe now in glory with Jesus,
Their trials and battles are past;
They overcome sin and the tempter,
They've reached that fair city at last.

The road is long and dusty,
The stones, they bruise my feet,
The road is parched and burnt,
And are weary from the heat
But I won't lay my burden down
Until my journey is complete, and
pass beneath gates
Unto the city of your praise

CHORUS

Jerusalem, Jerusalem,
Going up to Jerusalem
Jerusalem, Jerusalem
Going up to Jerusalem

Perfection of Beauty, the joy of
all the earth
Is my Jerusalem
Her gates are filled with elders and
her courts with praise
She is my city of truth and holiness.

By the river of Babylon,
There we sat down and wept
when we remembered Zion,
And how can I forget thee my
Jerusalem,
My city of truth and peace.

The unity of the one God in the
one Church
United by one language, united
under one Head-ship
Together we are building the
New Jerusalem
Together we shall see this City
come to its completion

Your walls have been broken
down, Oh Jerusalem
Your gates have been trodden down
And your temple in ruins
But how can I, how can I forget
you, My Jerusalem
When you are, My Holy City, My
City of Truth
So that is why I sent My Servant,
(Nehemiah)
To strengthen your hands to rebuild
So with one tool in hand, the
other with the sword
Let's build back Jerusalem

CHORUS

So arise, let's build back our
Jerusalem
Just be strong and take courage
Lo I'm your God who's with you
This work we're ordained to fulfil
So let us arise and let's build for
Jerusalem
Jerusalem, She must stand
strong again, Oh Jerusalem
She must be restored again
Oh Jerusalem

The opposition's getting stronger
everyday
To discourage us from building
the House of God
But God has already promised us
We'll have the victory
So let's not slacken our hands
But be determined to complete
For this mountain shall become a
plain [Zerubbabel]
Before thine eyes you shall see
So be not discouraged, just look to
Him
Jerusalem shall stand complete

CHORUS**BRIDGE**

For behold The City, New
Jerusalem
Coming down from heaven
Filled with the Glory of God
Oh behold the New Jerusalem

The streams are all polluted
And the fishes all gonna die from
the acid rain
Factories they poison the air
Pretty soon there won't be air to
breathe that's clean
They say that radiation destroy
civilization
How can we escape without the
rapture?
What's gonna come and set us free
And save us from this terrible
disaster

CHORUS

It'll take the rapture
It'll take the rapture
What's gonna take us to that land
Where we can lay down in green
pastures
It'll take the rapture
It'll take the rapture
Take my family to live in peace
Where we can be happy ever
after
It'll take the rapture

Men's hearts are failing for fear
As they see the things happening
across the land
So much pressure on the sons of
God
How much more of Satan's Eden
can they stand
Teenage suicides on the rampage
This dreaded disease called AIDS
And no future has taken away
their laughter
If they will hear will you tell them
how
They can escape this terrible
disaster

808 GOD IN HIS PEOPLE*Alicia Ayres 1999*

Key D

CHORUS

God in his people, the super sign
The Word manifested in you and I
God in his people, the super sign
The Word manifested in the end time

We saw God manifested in the prophet
He was the supersign for the age
God came and supped with him
till he became in his image
God brought him to the place
where he spoke and did create
Give sister Hattie Wright her boys
And the dead fish raised

Our Priest and King is rebuilding
his Jerusalem
And He's here supping with us the
Royal seed of Abraham
He wants to take us to the place
where we'll speak and create
The sick made whole by the
word and our bodies change

All God was he poured in Christ
All Christ was he poured in the church
He wants to pour himself in
young and old
But we must be purged
Let's go on to perfection
Let's labour to enter in
Let's work along with our Nehemiah
So the House of God could live again

BRIDGE

Let's go on to perfection
Let's labour to enter in
Let's work along with our
Nehemiah
So the House of God could live again

809 STRENGTHEN MY HANDS...*Anthony Glaude 1999*

Key D

CHORUS

Strengthen my hands for war
I want to be an overcomer
Strengthen my hands for war
I want to fulfil this word with power

For though two hundred million
is gathered against me
In this I'll be confident
If God be for me tell me who
could be against me
For they are more with us than
they with them

For there remaineth much land
yet to be possess
Many promises to be fulfilled
Can't let circumstances or
conditions get us down
For we must fulfil his will

CHORUS

For the mark of this age is
perfection
And to miss that mark, saints, is sin
For Alpha must become Omega
The Word made flesh again

For we know that walls will be
built in troublous times
In a time of scoffers and mockers
But we are determined that the
House of God will live again
Heavenly Jerusalem

John saw a holy city that is soon
 so soon to come
 He called that holy city the new
 Jerusalem
 There will be no war in that city
 No sorrow, no death, no pain, for
 Christ will rule that city,
 The new Jerusalem

CHORUS

The new Jerusalem
 Behold she's coming soon
 And God will dwell with man
 again in the New Jerusalem

And now we can see that great city
 How she shines like the golden
 sun
 Behold she's coming closer
 The New Jerusalem
 And oh how I long for that city
 She's there till eternity with
 welcomed arms
 Oh let's draw near to the New
 Jerusalem

813 JEHOVAH NISSI*Elizabeth Bishop 1999*

Key D

CHORUS

He shall go before us
 Set fire to the camps of our
 enemies
 Jehovah Nissi, God our banner
 Will cleanse this world from iniquity
 The Lord shall roar from Zion
 That heavenly Jerusalem
 And though the heavens and
 earth will shake
 The Lord will be his people's
 hope and strength

Men have built their empires on
 scientific exploits
 Towers of organizations will reap the
 fruits of their vain toils.
 But men of war let's draw near,
 united under one headship,
 We've seen the vision and we're
 committed
 Let's possess the gates of the
 enemy without fear.

False anointed one in the end
 time, appear to be all clothed in
 white
 Try to paint a picture of perfection to
 deceive the true vine,
 But we as the army of the living
 God,
 We see through eyes of the
 eagles, we'll fight the good fight
 and keep the faith
 If God be for us, then tell me who
 can be against us.

BRIDGE

God has chosen a people to
 wage war on our enemies
 All dominion and authority are
 ours
 And with him we'll reign for
 eternity

814 DAYS OF ELISHA

Key G

These are the days of Elisha
 Declaring the word of the Lord
 This is the day of his promise
 Righteousness being restored
 And though these are days of
 great trials
 Of famine and darkness and sword
 Still we are the voice in the last
 day crying
 Prepare ye the way of the Lord

CHORUS

Behold He comes riding on the
 clouds
 Shining like the sun at the
 trumpet call
 Lift your voice it's the year of
 jubilee
 Out of Zion's hill salvation comes

And these are the days of Ezekiel
 The dry bones becoming as flesh
 And these are the days of your
 servant David
 Rebuilding a temple of praise
 And these are the days of the
 harvest
 The fields are white in the world
 And we are your labourers in
 your vineyard
 Declaring the word of the Lord

BRIDGE

Who was and who is and who is
 to come

**815 I WILL DWELL IN THE
MIDST OF THEE***Myrtle Ayres 1999*

Key D

Sing and rejoice oh daughter of
 Zion
 For lo I come and I will dwell in
 the midst of thee

 And lo I come to make your

 The joy of the Lord
 you shall possess
 Your walls are being restored

816 I LIFT UP MINE EYES

Key F

I lift up my eyes
 (I lift up my eyes)

 To the hills around Jerusalem
 To the God of all the earth
 I lift up my eyes,
 I lift up my eyes.

Who is our helper?
 The Lord of heaven
 He will deliver
 God of all the earth
 Who will preserve us?
 The mighty God will save
 He will deliver
 God of all the earth

Lift up your eyes
 Lift up your eyes
 He will deliver you
 Lift up your eyes

818 THE LANGUAGE

Lawrence Granger 1999

Key G#M

One more time the Lord
 descended unto men
 And spake in a language it take
 the token to understand
 What do you think about
 Melchizedek's bread and wine?
 Serving to Abraham's Royal
 seed in this evening time.

CHORUS

The Capstone of love shouting }
 Grace }
 Bringing man back to that place }
 One more time man will see }
 God's super race }2x

Enoch's Pyramid testifying in
 Egypt's land
 Oh what reality it is to you and
 me
 God coming down with feet on
 land and sea
 Enoch seven steps to the King's
 chamber
 Oh what a language it is to us in
 this hour

Arise my people and
 see this reality
 Under one headship,
 one language
 In this evening time.
 Buy of him eye salve that you
 may see
 That super sign spoken of
 is you and me
 The eagles following the dove
 from faith to perfect love
 What a language it is
 from the dust to the stars above
 One more time man will see
 God's super race

819**WHERE DOES MY
HELP.....**

Key D

CHORUS

I lift up my eyes to the hills
Where does my help come from
My help comes from the Lord
Maker of heaven and earth
O maker of heaven and earth

Your foot shall never be moved
You'll never stumble or slip
(no never)
He who watches Israel
He never slumbers nor sleep
No he never slumbers nor sleeps

The Lord will keep you from harm
He watches over your soul

Now and forever more (forever)
Now and forever more

removed but abideth forever

821**EVERYDAY WITH
JESUS**

Key C

Every day with Jesus is sweeter
than the day before,
Every day with Jesus I love Him
more and more,
Jesus saves and keeps me,
And He's the one waiting for
Every day with Jesus is sweeter
than the day before.

822**ROCK AND HARD
PLACE**

Arlene James 1998

Key D

Spiritual Israel of God lift up your
heads now
Look up to the source of all your
strength
And though you stand in the place
where you stand now
Trust in Him who always proved to
be your help

And though you stand between a
Rock and a hard place
Stand there with faith, believe in His
grace
God has determined that these trials
you must face
Standing by grace between a Rock
and a hard place

Chosen children of God look back
and see
The many times before when you
were in great need
Yet your Father in His love has
never failed
To stand between you and the
enemy
(To deliver you from all your
enemies)

And though you stand between a
Rock and a hard place
Stand there with faith, believe in His
grace
God has determined that these trials
you must face
Standing in faith yea standing strong
Standing by grace though your trial
seem long
Standing by grace between a Rock
and a hard place

Spiritual Israel of God lift up your
heads now
Look up to the source of all your
strength
And though you stand in the place
where you stand now
Just stand there by grace between a
Rock and a hard place
Standing by grace between a Rock
and a hard place

823**WE TOO HAVE A
THEOPHANY***Lawrence Granger 1999*

Key D

CHORUS

We too have a theophany }
 A body waiting in the heavens }
 for me }2x
 We cannot wait to see what }
 eternity will be }

Daddy is the token applied for me
 Does the Spirit abide in me
 I want to know for sure
 Mummy how are we so sure
 Is it because we believe the
 prophet Malachi 4
 The token is on the door
 We are safe forever more

Now we know we have a part to
 play
 To obey all that the prophet say
 The token is a promise to them
 that obey
 Friends it don't matter if you're
 big or small
 Little stones are part of the
 building wall
 Believe in God today and you will
 find your way

824**HALLELUJAH
ANYHOW**

Key C

Hallelujah anyhow
 Don't let the devil get you down
 When life troubles come your way
 Hold your head up high and say
 Hallelujah anyhow

825**I ENTER TO HONOUR
I AM**

Key C

CHORUS

Lord I worship you, I worship you
 Lord I worship you, I worship you
 For you name is holy Lord

826**A LIVING REALITY***Obed Johnson 1999*

Key D

God gave a promise
 To His bride in this last days
 Priests and Kings He's made us
 And forever we shall reign
 We're following an eternal order
 way beyond the humanistic realm
 God lifting us to a higher place
 only by His grace

CHORUS

We're a living reality
 We are His Holy Word
 The Substance of the shadow
 The fulfilment of His Word
 We're a living reality
 We're the mystery revealed
 Christ manifested in us
 He in us and we in Him

Our natural birth brought five
 senses
 To relate to natural things
 But by our new birth
 We received the sixth sense faith
 Faith the Holy Spirit
 Came in us to dwell again
 A circumcised people
 Greater works we'll do again

Faith relates to Melchizedec
 And we are the faith
 Faith is the substance
 God in flesh again
 We are not on Mt. Sinai
 But now raised up to Mt. Zion
 Like our father Abraham
 From the dust to the stars
 We were made

827**YOU ARE THE ROCK**

Key Dm

You are the rock of my salvation
 You are the strength of my life
 You are my hope and my
 inspiration
 Lord unto you will I cry

I believe in you, I believe in you
 For your faithful love to me
 You have been my help in time
 of need
 Lord unto you will I plead

Spiritually stripped,
Morally broken,
With his eyes plucked out
Here stands the man with all of
his stature
But with no power in his life
Raised up by God and given power
To put to flight the armies of the
enemy
But gave away all of his secrets
Was now bound and in captivity
In the book of his remembrance
Were all the great victories he
had won
Realizing his present condition
From deep down inside this cry
began

CHORUS

Just once more Lord
Just once more Lord
So we can see your power
moving once again
Just once more Lord

Repenting of all mistakes and
failures

Praying in his heart Lord let me die
Not considering what it would
cost him
Should God hear and would
answer his sincere cry
For he could feel his locks had
grown out
Thinking is there a possibility of
the power of God coming back
Began to cry more earnestly

CHORUS

Just once more Lord
Just once more Lord
So we can feel your Spirit
moving once again
Just once more Lord

Inaugurated at Pentecost
Signs and wonders,
manifestation of His name

But there at the council of Nicaea
The early church had its locks
shaved

With a promise of restoration
We have seen God's church rise
in power through each stage
Until God sent to us a prophet
And we have seen the fullness of
God's life on display
But it's been so long since the
eyes have gone out
And there is a new crop that is
coming forth
For greater works and dynamic
power to be displayed
May we as Samsons of God cry
just once more

I come to the garden alone
While the dew is still
on the roses
And the voice I hear
falling on my ear
The son of God discloses

CHORUS

And He walks with me
and He talks with me
And He tells me I am His own
And the joy we share
as we tarry there
None other has ever known

He speaks and the sound of His
voice
Is so sweet
the birds hush their singing
And the melody
that He gave to me
Within in my heart is ringing

I'd stay in the garden with Him
Tho' the night around me be
falling
But He bids me go
thro' the voice of woe
His voice to me is calling

Key Bb

Oh Daniel turned his head and
 he prayed
 But no answer came for twenty-
 one days
 And it seemed that God had not
 heard his servant's prayer
 But the prince of darkness stood
 in his way
 The angel overthrow him
 I can hear Daniel say there's
 power in prayer

CHORUS

There is power in prayer if you
 believe
 He is standing right there for you
 to receive
 For the problems you face
 He is all that you need
 There is power in prayer

BRIDGE

He is a God that won't fail when
 friends let you down
 So cast all your cares on him
 cause I've found
 He can take your heartaches and
 turn it around
 There is power in prayer

I prayed a prayer but no answer
 came
 My days turned to weeks
 My grief turned to pain
 And I cried oh Lord, seems like
 you have not heard my prayer
 But God said I heard the first
 time you called
 Satan tried to block your answer
 to stall
 Reinforcements been made
 Satan had to withdraw
 There is power in prayer

CHORUS**BRIDGE**

Suzette Jackie 1987

Key D

As a runner that's been trained to
 run the greatest race of all time
 Want to lay aside each weight of
 sin so I wouldn't be left behind
 I want to run with a motive with a
 desire in my soul
 And I wouldn't look back for nothing
 I'll keep my eyes set fast on my
 goal

CHORUS

I will run for the prize which no
 man could ever give
 I'll contend for eternal life sublime
 I will run with my eyes set fast on
 the promises of God's word
 I'll stay true to all the rules I have
 heard

Any man who strives for the
 mastery
 Great hardness he must endure
 We must press with all that is in us
 We must cry out Lord just once
 more

For the race is not for the swiftest
 We were chosen to endure
 To receive the crown of
 righteousness God's promise to
 you will be sure

The author and the finisher is
 Jesus Christ our Lord
 To despise the shame
 endured the cross and sat down on
 the right hand of God
 I'll consider him who has
 endured such opposition against
 himself
 Lest I be weary and faint in my mind

1ST CHR. 29

 Lord
 Knowing that all riches and honor
 comes from you
 And in Thy hand it is to make great

833 CHANGE

Calvin James 1999
1st Chr. 29

Key A

CHORUS

One of these days in the
twinkling of an eye, I'll be
changed
And caught up in the sky
Cause I've heard the message
Seven thundering voices unveiling
The fountain of life
One of these days when time
shall be no more
I'll soar with wings of an eagle

While men's hearts are failing
them with fear
As the wrath of God descend
Cause they have rejected the
Son of man
Whom the Son of Man had sent
And chose instead a ruthless beast
Who's is destined to the pit
But I've pledge allegiance to the
Lamb
Who shed His blood for me
And He promised I'll be taken
from time to eternity

Step by step out of mortality
Into eternal realms I'll rise
Where death will be swallowed up by
life
I'll live and never die
Timeless life of love and peace
Beholding my saviour's hallowed
face
Cause I pledge allegiance to the
Lamb
Who paid my debts for me
And He promised I'll be changed
to immortality

One of these days in the
twinkling of an eye, I'll be
changed
And caught up in the sky
Where time will cease and death
will die

The sleeping saints I'll greet in
the skies
One of these days when time
shall be no more
I'll soar with the wings of an eagle

Beholding the glory of a perfect
man in likeness of the most high
God
Walking the stairway, he
bypassed before and the door he
never came through
Into a city built with lively stones,
the streets built transparent gold
Cause I pledge allegiance to the
Lamb
Who chose me as His own
And He promised I'll sit with him
on His established throne

One of these days, one of }
these days, I'll be changed }3x

834 THERE IS NONE LIKE YOU

Key F

There is none like you
No one else can touch my heart
like you do
I could search for eternity long
And find there is none like you

835 MOVE IN THIS PLACE

Key C

Move in this place today
This is my one desire
That you would have Your way
Touch me Lord
And I won't be the same
Move in this place today

Where the Spirit of the Lord is
There is liberty
Where the Spirit of the Lord is
Captives are set free
So as we offer up
Our sacrifice of praise
May Your Holy Spirit
Breathe on us we pray

CHORUS

I'm dying to be reunited }
 and in my soul I'm excited }
 I'm dying to be reunited with the }
 one who's always known me }2x

Always inside of me there was a
 deep that was calling
 But there never was a deep to
 respond

My heart began searching
 I didn't know what for until the
 day He came
 Until He called my name
 I can never, ever be the same
 I'm dying

Indeed, He came to me
 But that wasn't all
 The words He spoke to me
 controlled my heart
 Daily I die a death unseen to
 human eyes
 Until they see in me God
 manifest in flesh
 I can never, never be the same
 I'm dying

 And daily as I grew
 I found myself longing to be with

I did not know who it was until

 Me, that missing part of Him
 I gave him my heart, my soul, my

837 AT THE CROSS

Key D

Alas! and did my Saviour bleed,
 And did my Sovereign die?
 Would He devote that sacred
 head
 For such a worm as I?

CHORUS

At the cross, at the cross
 where I first saw the light,
 And the burden of my heart
 rolled away,
 It was there by faith
 I received my sight,
 And now I am happy all the day!

Was it for crimes
 that I have done,
 He groaned upon the tree?
 Amazing pity, grace unknown,
 And love beyond degree

Well might the sun in darkness
 hide,
 And shut his glories in,
 When Christ, the mighty Maker
 died
 For man, the creature's sin

But drops of grief
 can ne'er repay
 The debt of love I owe;
 Here, Lord, I give myself away,
 'Tis all that I can do!

All that I am
 And all that I hope to be
 All of my desires
 And all of my ability
 I'm fully committed
 To your will and to your way
 I'll make the sacrifice to do what
 you ask of me
 I'm yours forever
 Jesus you're all that I need
 And I could never repay what
 you did just for me
 But the least I can do

CHORUS

I give my life
 I'm fully committed to you
 It's just the least I can do
 I give my life
 I'm fully committed to you

Every passing minute
 And every hour of the day
 Every situation, every bit of
 attention I pay
 I'm fully committed to your will
 and to your way
 I'll make the sacrifice to do what
 you ask of me
 Oh I'm yours forever
 Jesus you're all that I need
 And I could never repay what
 you did just for me
 But the least I can do

CHORUS

I give my life
 I'm fully committed to you
 It's just the least I can do
 I give my life
 I'm fully committed to you
 My heart, my soul
 I'm fully committed to you
 Everywhere that I go
 I'm fully committed to you
 Not a mite I will withhold
 I'm fully committed to you
 Every minute of the day
 I'm fully committed to you
 I give it all, I give it all unto you Lord
 I'm fully committed to you
 Every passing minute Lord
 I'm fully committed to you

If the ship of your life
 Is tossed and on the sea of strife
 You need someone
 If you feel so all alone
 That your house is not a home
 You need someone
 If you feel life isn't fair
 And there's no one left to share
 All your lonely days and night
 When things won't turn out right
 And you want someone to share
 And someone to just be there
 You need someone

CHORUS

I give you Jesus
 He's the peace that passeth all
 understanding
 I give you Jesus He's the perfect
 love that casteth out all fear
 I give you Jesus He's the water
 that you'll drink
 You'll never thirst again
 I give you Jesus my friend
 I give you Jesus

If the pressures all around
 Keeps your spirits to the ground
 You need someone
 If your body is in pain
 And your health you can't regain
 You need someone
 If there are times when you have
 tried
 With all the strength you have inside
 And it seems that you have failed
 Remember on the cross He nailed
 All your bitterness and grief
 To bring you peace and sweet
 relief
 For He's someone

Job was on his ash heap
His afflictions and trials strong
His health, his wealth, his family
Everything he had was gone
But as he looked out unto the mountains
And the lilies out in the fields
The Prophet said Job caught a vision of the Seventh Seal

CHORUS

Job said I know that my
Redeemer lives
He'll stand in the later day
Though the worms may eat this body
I'll rise again some day
For as a grain of wheat falls to the ground
It withers and it dies
At Easter time it springs again
Bringing forth new life

Noah built the ark and did
Exactly as God had said
But it seemed like time would prove him wrong
He preached a hundred and twenty years
But as the sky grew dark and the winds blew strong
And the rain came falling down
I can hear old Noah rejoice and sing
That happy Easter song

CHORUS

He said I know that my
Redeemer lives
The ark will rest some day
Though around me wave and billows roll
And all life will pass away
As a grain of wheat falls to the ground
It withers and it dies

At Easter time it springs again
Bringing forth new life

Jesus walked the lonely road
That led to Calvary
He looked so very defeated
As He hung there on the tree
But He said,
no man can take my life
I freely lay it down
Yes, there had to be a Calvary
For an Easter time to come

CHORUS

Yes, I know that my Redeemer lives
He'll take me home some day
Through the storms of life
The toils and strife
I will praise Him anyway
For as a grain of wheat falls to the ground
It withers and it dies
At Easter time He rose again
To give us back His life

841 IT MAKES ME SHOUT

Key G

When I think about the Lord
How He saved me
How He raised me
How He filled me with the Holy Ghost
How He healed me to the uttermost
When I think about the Lord
How He picked me up and turned me around
How He placed my feet on solid ground

CHORUS

It makes me want to shout
Hallelujah
Thank you Jesus
Lord you are worthy of all the glory
All the honour all the praise

842 SHALOM, SHALOM*Arlene James 2002*

Key C

The voice of the false anointed is speaking
 'Peace' but destruction will come
 Yet we hear the voice of God's prophet
 To the Bride is saying 'Shalom'

CHORUS

Shalom, Shalom,
 I can hear The Spirit say
 Shalom, Shalom,
 it's the dawning of a new day
 Shalom, Shalom,
 hear assurance in His word
 The Seventh Dove has come
 saying Shalom

While all around us is dying
 Their ears heeded to lies
 We've received God's true teaching
 And now our safety's in Christ

To us who are shut up in safety
 Who've always looked up above
 This message of grace has come
 to us
 From the mouth of That Seventh
 Dove

843 INTO YOUR PRESENCE

Key D

Lord I lay my heart before Your throne
 Lord I bow my knees to you alone
 And though I know I'm guilty
 You forgive my sins
 Cleanse me with Your blood
 So I may enter in

To your presence is where I long
 to be
 In Your presence for all eternity
 And though I know I'm guilty
 You forgive my sins
 Cleanse me with your blood
 So I may enter into Your presence

844 I'M RUNNING

Key G

Satan is mad but I'm so glad
 Cause he lost a soul that he
 thought he had
 One thing I'm sure of that I've
 done wrong
 Is that I stayed with Satan much
 too long

CHORUS

I'm running, I'm running
 My running days will soon be over
 I'm running, I've got to get in a
 hurry
 I know I'm gonna make it to the
 other side

One of these days it won't be
 long now
 You're going to look for me, but
 I'll be gone
 When I get to heaven shall I look
 for you
 If you want to get there you
 better run too

One of these days down here in
 Babylon
 We're going to see the saints
 that sleepeth, the redeemed
 ones

One of these mornings in the
 twinkling of an eye
 I'm going to leave to be with my
 Jesus for that supper in the sky

845 CELEBRATE JESUS

Key F

Celebrate Jesus, Celebrate}4x
 He is risen, He is risen
 And He lives forever more
 He is risen, He is risen
 Come on and celebrate
 The resurrection of our Lord

846 RISE AND SHINE

Ulric Andrews

Key C

We lived our past in pleasure
Realizing never hidden treasures
in our soul
That gene of God that is placed
within
And at the time appointed we
were anointed
To believe this present Word
The only evidence that His life is
within
Now justified we are free from sin

CHORUS

We were born to rise and shine
For the Lord has come
We'll rise and shine
We were made to overcome
We'll rise and shine
Like the stars above

By holding the vision before
every decision that's how we
overcome
The Lord is having then the pre-
eminence
We'll trust Him ever and doubt
Him never
All the promises He has made
Realizing there is no need to be
afraid
For His word can never fail

We'll suffer affliction by this
confession the scripture has
foretold
We consider our trials more
precious than gold
Leaving these worldly pleasures
far behind for greater riches we
must now claim
Never mind the reproaches you
bear for His name for God's
children won't be ashamed

Amidst this world's frustration we
have restoration
The earnest of the Promise Land
only be thou courageous and
strong
We have the hidden manna six
barley measures
We're awaiting that final one

Our Lord won't rest till his work is
done
We'll have the fullness of the sun

We're made superhuman
over every condition
by the power of His word
Holding our confession unto the
end
And by His election we'll change
dimensions to a world that's so
sublime
No more to be mortal creatures
of time
There forever we shall shine

847 COME TO THE WATERS

Key C

CHORUS

He said come to the waters
And stand by my side
And drink from the fountain
You won't be denied
I have seen every teardrop
That fell from your eyes
And I rose to tell you for your
sins I've died

He's calling for the sinners and
the backsliders too
If you need deliverance He'll do it
for you
He died on the cross but now
He's alive
And He rose to tell you for your
sins He died

He's calling for the sick and He's
calling for the lame
If you don't be healed, then He's
not to blame
For He died on the cross but now
He's alive
And He rose to tell you for your
pain He died

He's calling for the motherless
and the fatherless too
No sister or brother to care for
you
For He died on the cross but now
He's alive
And He rose to tell you for your
joy He died

Going home, going home,
We're going home
Going back to God

From a life of sin and bondage
Taskmasters held me bound
I've been living underprivileged
Constructing Satan's Eden
Then an angel from God came to
me with the word
The mystery of who I really am
Saying you came from God
You go back to God
Come and live in your inheritance

CHORUS

Every place that your feet tread
upon
That I give to thee
If you say to that mountain be
moved
Thus thine eyes shall see
Because you came from God,
you go back to God
Come and live in your inheritance

Divine Natured Attributes (DNA)
of God
Who journeyed into Canaan's
land
Placed positionally in Christ the
Lord
Victory is in our hands
And with all things under our feet
Every enemy we meet will know
That we're the heirs of God

The lines have fallen on our
boundaries
Yes, we know what we can claim
And everything that falls within
our lot
We access it in Christ's name
We don't just heir what He has
We also heir Who He is
And He's our portion our
inheritance

BRIDGE

Every enemy you meet
Put them under your feet
Put lust under your feet
Fear get under my feet
Put doubt under my feet
Sickness under my feet
Put death under my feet
Because you came from God
You go back to God
Come and live in your inheritance

CHORUS

We are chosen sons
Predestinated to stand
We are heirs of His Kingdom
Royal seeds of Abraham
Church of the first born
His attributes revealed
We are living by faith
Standing in victory

After Adam fell
Men came from thought to flesh
But God wanted real sons
Not born like those of Ishmael
So He sent a Third Pull message
To bring us back to God
We are Spirit-filled sons
Growing from faith to perfect love

Count it not strange
When troubles seem to follow you
Like Job we've got to be proven
worthy and true
So we shall glory in all our
tribulations
We shall be sealed with the Holy
Ghost
It's our inheritance

Don't you see your name
In the Lamb's book of Life
Manifested Sons
Through the blood of Jesus Christ
Satan is under your feet
He shall no longer rule
We shall reign as kings
Having power and dominion

BRIDGE

In trials, living by faith
We shall overcome
Gentile warriors living by faith
And Spirit-filled sons living by faith
We are living by faith
Standing in victory

850 RAINDOWN

Key F

CHORUS

Holy Spirit rain down, rain down
Oh comforter and friend
How we need your touch again
Holy Spirit rain down, rain down
Let your power fall
Let your voice be heard
Come and change our hearts
As we stand on your word
Holy spirit rain down

Our eyes have seen
Our ears have heard
Yes, we have known
What God has in store
So open up heaven
Open it wide
Over our church and over our
lives

Lord it was you sending the rain,
lifting me up
Above the judgements again
Sending the dove with an olive leaf
Giving me rest and perfect peace

851 I STAND IN AWE OF YOU

Key F

You are beautiful beyond
description
Too marvelous for words
Too wonderful for comprehension
Like nothing ever seen or heard
Who can grasp your infinite wisdom
Who can fathom the depths of
Your love
You are beautiful beyond description
Majesty enthroned on high

CHORUS

I stand, I stand in awe of you}2x
Holy God to whom all praise is due
I stand in awe of you.

852 SPRINGS OF LIVING WATER

Key F

I thirsted in the barren land of sin
and shame
And nothing satisfying there I found
But to the blessed cross of Christ
one day I came
Where springs of living water did
abound

CHORUS

Drinking at the springs of living water
Happy now am I
My soul they satisfy
Drinking at the springs of living water
O wonderful and bountiful supply

How sweet the living water from
the hills of God
It makes me glad and happy all
the way
Now glory, grace and blessing
mark the path I've trod
I'm shouting Hallelujah every day

O sinner won't you come today
to Calvary
A fountain there is flowing deep
and wide
The Saviour now invites you to
the water free
Where thirsting spirits can be
satisfied

853 GRACE ALONE

Key G

Grace alone which God supplied
Strength and more
He will provide
Christ in us our corner stone
We will go forth in grace alone

854 THERE'S A RIVER OF LIFE

Key F

There's a river of life flowing out
from me
Makes the lame to walk
And the blind to see
Opens prison doors sets the
captives free
There's a river of life flowing out
from me

855 BY HIS WORD*C. James, A. James 1998*

Key G

It is written that man shall not live
by bread alone
But by every word that comes from
the mouth of God
And by his word he gave His son
for us on Calvary
To pay the price of sin for you
and for me

CHORUS

By His word
He raised the sick man from the
bed
By His word
He gave life unto the dead
By His word
He brings hope to the hopeless soul
By His word
You can have the victory
By His word
He will set the captive free
By His word
He brings life to you and me

Just one word was broken in Eden
And that's what caused the fall
So it will take all of the word
To bring us back to God
And through this last day message
All His word has been made known
And through His power we shall
overcome

CHORUS

By His word
He spoke and squirrels did appear
By His word
Storm go back from where you came
By His word
Little fishy Jesus gives you back
your life
By His word
He spoke the tumor out of existence
By His word
He gave two boys salvation
By His word
He gave life to you and me

**856 WE'LL DO IT ALL
FOR CHRIST***Georgia Noel 1999*

Key D

Lord you're so wonderful
How great is your love for me
For you freely paid the price
That day on Calvary

CHORUS

And in return I give my heart, my
soul, my life
Knowing that nothing could
repay
That supreme sacrifice
So all on the altar I lay
Whatever the cost to pay
I'll do it all for Christ
I'll do it all for Christ
I'll do it all for Christ

BRIDGE

We'll give you our all
(Our thoughts and our time)
We'll give you our all today
We'll give you our hearts
(Our souls and our minds)
We'll give you our all today
For you gave yourself for us

And in return we give
Our hearts, our souls, our lives
Knowing that nothing could
repay
Your supreme sacrifice
So all on the altar now we lay
No price too great to pay
We'll do it all for Christ
We'll give all
We'll do it all for Christ
We'll do it all for Christ

857 NONE LIKE YOU

Key D

There is none like You O Lord
Your glory fills the heavens
There is none like you O Lord
Your love endures
Your virtues flow
All that I need is in Your hand
There is none like You
There is none like You

858**NOTHING GOING
WRONG***Carol Alexander 2001*

Key C

Though trials dark on every hand
 Yet in the midst Lord I can stand
 And testify of Your goodness
 For I have found my strength in you
 To overcome every test
 Your word is all I hold to
 My life was made to reflect You
 My footsteps are ordained by You
 And though I may suffer for a while
 Yet in the end Your name is glorified

CHORUS

For there's nothing going wrong
 in my life
 When trials seem to come my way
 For your word has promised me
 victory
 As long as I'm abiding in You
 For the sufferings of this present
 time is not worthy to be compared
 With the glory of God that shall
 be seen in me
 So Father glorify Your name

So I will count it all joy
 When I am tested and tried
 For God has a purpose
 It's just His way to us He proves
 Of His love and care for us
 So in the midst we ought to
 thank Him
 For He has promised us perfection
 He has given us the victory
 For we are made more than
 conquerors
 His chosen that shall reign with
 Him

BRIDGE

For what shall separate us from
 the love of Christ Jesus
 Shall trials, persecution, there is
 nothing at all, no nothing present
 or anything to come shall
 separate us from His love

859**YOU SHALL BE
FILLED***Arlene James 2002*

Key F

The word of the Lord
 Came unto John in the wilderness
 And he preached the baptism of
 repentance until Jesus Christ came
 To the people He preached
 saying to them
 With water I indeed baptize
 But one greater is coming
 He will baptize you
 With the Holy Ghost and fire

CHORUS

Blessed are you who hunger and
 thirst after righteousness
 Blessed are you who hunger
 now for you shall be filled
 Blessed are you who hunger and
 thirst after righteousness
 Believe in His promise and with
 His Spirit you shall be filled

We know from the Bible there's
 two kinds of people
 In the womb of the church
 One is just seeking temporal
 things but the other wants that
 new birth
 Let's search ourselves deeply
 inside and see what's our desire
 For God has promised to fill us today
 With the Holy Ghost and fire

860**I WILL BE YOURS**

Key G

Heavenly Father I come before
 you with all my cares
 I lift my hands to you in surrender
 Who can compare
 Change my heart O God
 For I long to be like you
 To be like You

You are light You are holy
 Forever I will be yours
 You are love, You show mercy
 Forever I will be yours

861 UNTIL*Anthony Weekes 1991*

Key G

When we heard you were coming
 We knew it would be such a blessing
 To meet with friends and family
 Another part of His mystical body
 But now the time, the time has
 come
 That you would be going home
 We're not going to say goodbye
 We're just going to say "until"

CHORUS

Until we hear that last trump sound
 In a moment we'll all be gone
 Across the continental divide
 We'll meet you over on the other
 side
 Until that morning breaks eternal
 bright and fair
 We'll all be there
 We're not going to say goodbye
 We're just going to say "until"

Your coming here has made us
 stronger
 Wish you could stay a little longer
 For there is so much more from
 your ministry that we could draw
 Seeing that you have to leave
 Come again we're asking please
 So we're not going to say goodbye
 We're just going to say "until"

**862 THERE IS A RIVER
FLOWING***Anthony Weekes 2009*

Key G

There is a river that is flowing
 Proceeding out of the throne of
 God
 With water to drink
 And plenty water to swim
 There is a river that is flowing

When you're planted by the river
 Then your leaves shall not wither
 For your greatest delight
 Is in the word day and night
 There is a river that is flowing

If you thirst or you hunger
 Then come to this river for there
 is an endless supply of the
 waters of life
 There is a river that is flowing

**863 FLOW LIVING
WATERS***Kim Allert 1997*

Key C

Flow living waters }2x
 (Flow through me) (Fill my cup)
 Flow living waters }2x
 Flow through me Lord
 (Fill My cup)
 Till I thirst no more

Thou art that pure river of living
 water
 Proceeding from the throne of
 God and the Lamb
 Come into my garden
 Flood my thirsty soul
 And Lord have delight in me
 (flow through me)

Walk with my feet
 Speak through my lips
 Work with my hands
 Let your will be my will
 Make known your desires
 My pleasure to fulfil
 Consume my inner being
 (Flow through me)

Fill me with your faith
 Fill me with your love
 Fill me with yourself
 Be one with me oh Lord
 And when you look at me
 You behold your own glory
 Another one just like you
 (flow through me)

864 I LOVE THE LORD

Key A

I love the Lord for He heard my
 voice
 He heard my cry for mercy
 I love the Lord because he
 turned His ear to me
 I will call on Him as long as I live

The Lord is gracious and righteous
 Our God is full of compassion
 The Lord protects the simple
 hearted
 He has become my salvation

Anthony Weekes 1998

Key Em

It was after Seven Church Ages
had run out
It was after the Lord had
descended with a shout
It was after the Seventh Seal
was opened
And we know the sacrifice has
been accepted
We hear the Trumpet sounding
jubilee

Now I see the priest with the
Trumpet in his hand
And He's sounding forth his
message throughout the lands
It's to take us back to where we
fell from

We could stand in our true position
We hear the Trumpet sounding
jubilee

CHORUS

Don't you hear the Trumpet sound
This Message is clear and strong
I've thrown away my hoe and
hammer
No longer serving no slave master
I hear the Trumpet sounding
jubilee

It was after the Second Cycle
had returned
And the second-fold mystery of
the Seventh Seal had made
been known
It was after we had seen our
names in the scripture
Shows Almighty God is our Father
We hear the Trumpet's sounding
jubilee

Now we can stand in that liberty
By which Jesus Christ has made
us free
No longer would we stay in
bondage
We are going back to our heritage
Because the Trumpet's sounding
jubilee

CHORUS

Don't you hear the Trumpet sound
This message is clear and strong
Don't you be like Johnny crow
The Lord has set you free, then go

Because the Trumpet's sounding
jubilee

In that we've been released we
can return
For all that Adam lost has been
restored
Fellowship, full dominion, power
over all creation
Because the Trumpet's sounding
jubilee

Everything that's promised we
can claim
Those Seven Thundering voices
restored the Name
Until even when we hear that last
Trumpet sound
We are going to change dimension
Because the Trumpet's sounding
jubilee

Anthony Weekes 2000

Key A

We have been born in an eagle age
By an eagle prophet's message
To manifest the living word for our
day we have been given wings to fly
way up in the sky
Where no other bird can fly
To live in a heavenly atmosphere
To fly where only eagles dare

CHORUS

Let's fly so high
Where the word of God is a living
reality
To soar so high, true eagles in
the sky
Set your wings let's fly
Where eagles dare

We have been gathered by the shout
A message that called us out
From this world of fear and doubt
And have been given eyes to see
All the mysteries are being revealed
Our lives are fulfilling prophecy
To see our position in God's word
To fly where only eagles could

We are not called to be earthbound
Amidst the chipmunks on the ground
Neither to be living up and down
But quickened, changed, lifted up
upon the mountain top
Setting in the cleft of the rock
Gathered where the carcass is
In God's provided place we live

CHORUS

Ask of the Lord rain, in the time
of the latter rain

Ask of the Lord rain, He'll send
His showers again and again

The farmer planted seeds in the
field

(he knows he needs the rain)

He's looking now for them to yield

The Lord has promised rain in
due season

(Lord we need the rain)

So ask for rain, we have good
reason

We've seen the cloud arise from
the west

(We heard the sound of rain)

It proved the sacrifice was accepted

So like Elijah we can pray

(We've seen the sign of rain)

We've seen the evidence this day

Times of refreshing now are here

(He is sending down the rain)

The promise is to us and our
children

Visitations we've been receiving

(Is the outpouring of the rain)

For the fulfilment of God's
promise

Be glad ye children of Zion, rejoice

(He's giving former and latter rain)

He's pouring His blessings from
above

Our floors shall be full, our vats
overflow

(He's come to us as the rain)

The years we've lost He shall
restore

You are the river
You are the dove
You are the latter rain
Falling from above

CHORUS

We adore You, Holy Spirit
You are welcome in this place
We adore You, Holy Spirit
You are welcome in this place

You are the anointing
You are the wind
You are God's glory
Fill us again

You are the power
You are the fire
You are our comforter
All that we desire

Father of life draw me closer
Lord my heart is set on you
Let me run the race of time
As your life unfolds in mine
And let the peace of God let it
reign

CHORUS

O Lord I hunger for more of you
Rise up within me
Let me know your truth
O Holy Spirit saturate my soul
And let the life of God fill me now
Let your healing power revive
and make me whole
And let the peace of God let it reign

O Holy Spirit you're my comfort
Strengthen me hold my hand up high
As I stand upon your truth
Singing glory unto you
And let the peace of God let it
reign

870 WE NEED THE RAIN

Alicia Ayres 1996

Key D

Lord you said if I humble myself
Pray, seek your face, turn from
my wicked ways
You'll hear from heaven and
forgive my sins
And in love and mercy, you'll
send the rain
To heal the Land, send the Holy
Ghost
Heal the land, send the Holy Ghost

Lord you planted your Word in me
In the form of messages
You sowed the seed
Now I'm asking for the Holy Ghost
To come, live in me
And bring forth fruit unto thee
Send the rain, send the Holy Spirit
Water your garden, send the
Holy Ghost

You removed the enmity
Between my soul and you at Calvary
Giving me access to your throne
That in my time of need
I'll make my desire known
For the rain, send the Holy Ghost
For the rain, send the Holy Ghost

I want to see Jesus in me
Overcoming daily and constantly
Putting my enemies beneath my
feet
And giving me dominion and full
authority
Send the rain, send the Holy Ghost
In this hour of battle, send the
Holy Ghost
Pour out your spirit, send the
Holy Ghost

BRIDGE

I need thee, Oh I need thee
Every hour I need thee
Bless me now (Bless me now)
Oh my Saviour
I come to thee

Send the rain, send the Holy Ghost
I need the rain, send the Holy Ghost
In the time of battle
Send the Holy Ghost
Send down your showers
Send the Holy Ghost
And take us higher
Send the Holy Ghost
We need the rain

871 I WILL RESTORE

Kim Allert 2003

Key D

Bride, do you remember
Way back to your former rain
When you once stood in position
Having dominion and all things
under your feet
But you fell, you fell from that
fellowship
And you wondered where you
went wrong
So you cry out, you thirst for that
latter rain
And you'll fight for that power again.

You see the palmerworm,
came in your life and ate
Then the cankerworm
came in your life and ate
Then the caterpillar and locust
ate
But God promised,
Yes, he promised

CHORUS

That I will restore saith the Lord}2x
Jehovah promised a Holy Ghost
promise
I will restore thus saith the Lord}2x

Power shall come from on high
After the Holy Ghost comes upon
you
You shall be witness unto me
throughout the world
My glory all men shall behold
For I shall come unto you as the
former rain
As the latter rain to you shall I come
And all men shall know.
That you have the evidence
That Jesus rose from the dead
And in your own atmosphere
God will visit you there
For you were meant to be mighty
men of valour and He promised

872 IF YOU CAN USE ANYTHING

Key C

If you can use anything Lord}
You can use me }2x
Take my hands and my feet
Touch my heart Lord
Speak through me
If you can use anything Lord
You can use me

Oh mighty man of valour
 You faced your enemy
 And with the sword you've
 slaughtered
 You had sweet victory
 But it gets bitter
 When you're tried in the fire
 And it gets hard sometimes
 But pleasing to the soul
 Yet if you choose to leave your place
 Who will stand instead
 For this cause were you chosen
 To see that devil dead
 So keep on fighting
 Fighting with all the faith
 Keep looking towards the vision
 For the hour now is late

CHORUS

So I'll put on the armour of God
 I'll put on the shield of faith
 Trusting in the sword of the spirit
 Pray with sincerity and truth
 For we wrestle not against flesh
 and blood
 But principalities and powers
 And rulers of darkness
 And here I stand in truth
 Still tied to my absolute.

I've read it in the Scriptures
 In Joshua 5:14
 God came down as Lord of Hosts
 Israel was defended and
 positioned
 And David slew the lion
 Looked back to his experiences
 And then he smote Goliath
 And I am of that pedigree
 Why should I run and fear
 I'll speak the word with revelation
 I will not surrender till I walk upon
 The ashes of that wicked one
 Till I stand face to face
 With the one who kept me by his
 grace.

It's an honour to serve,
 to join in the fight
 I will lift up my voice
 I will lay down my life
 Giving glory to God,
 seeking none in return
 It's an honour, an honour to serve

We are called by the Name
 Of The Third Exodus
 We will not be ashamed
 For our God is with us
 We obey our calling,
 Stand in rank and in file
 It's an honour, an honour to serve

Of One Body, One Spirit
 One Lord and One Faith
 Of hearts joined in praise
 And One love, unfeigned
 Working together for this great
 cause
 It's an honour, an honour to serve

There's a Pastor, and Ministers
 And helpers true
 Deacons and Trustees
 And Song Leaders too
 Fitted into the Body
 Making it increase
 It's an honour, our calling to serve

Our Chefs, their Assistants
 And our servers too
 Ushers, and Teachers of our
 Sunday school
 Librarians, Custodians,
 Our Maintenance Crew
 It's an honour, an honour to serve

The Singers, songwriters, sound
 engineers, anointed musicians
 Our hearts they have blessed,
 Decorators, so talented in all that
 they do
 It's an honour, an honour to serve.

875**LORD I GIVE YOU MY
HEART**

Key F

CHORUS

Lord I give you my heart
 I give you my soul
 I live for you alone
 Every breath that I take
 Every moment I'm awake
 Lord have your way in me.
 (Repeat chorus)

This is my desire
 To honour you
 Lord with all my heart I worship
 you
 All I have within me
 I give you the praise
 All that I adore is in you.

877**GIVE UNTO GOD THE
GLORY***Anthony Weekes 2008*

Key G

PSALM 96: 7-

Give unto God all the glory
 Give unto God all the glory due
 to his name
 Bring an offering and come
 before him
 Worship the Lord in the beauty of
 holiness
 And as we come into his
 presence give him all the praise
 Give unto God all the glory due
 to his name

878**SOMETHING IS
BREAKING***Arlene James 2002*

Key D

CHORUS

Something is breaking
 Between mortal and immortal
 The Son's coming up
 Removing the darkness of night
 The key's being given
 Opening dimensions
 Life and immortality
 Is coming to light

A seal breaks open
 A man caught a vision
 Heard the voice of a prophet
 saying "sail on, sail on"
 And just like Abraham
 He's in search of another land
 The unseen is now being made
 visible
 As dove leads eagle

When crisis arises
 The world gets in birth pains
 They see the need to move forward
 Then the anointing
 Falls upon the vessel
 Who has been ordained
 To lift us up on a higher plane

Through each unfolding
 The way is opening
 Spiritual scientists working by
 laws to achieve this rapturing faith
 Thru secret passages
 Seven steps up the pyramid
 Where we'll run through death
 Leap over into supernatural
 realms

Something is breaking
 Between mortal and immortal
 The Son's coming up
 Removing the darkness of night
 After this mountain,
 eternity sets in
 That's the real world
 We're gonna live in

879**DO YOU KNOW YOUR GOD***Kim Allert 1997*

Key C

You doubt when you should
 speak the Word
 When you should overcome
 You eat of all the other foods
 I've warned you not to eat from
 And when you see your nakedness
 You turn and walk away
 When you should be on bended
 knees
 That I could hear you when you
 pray

CHORUS

Do you know your God in you
 Then why do you doubt my words
 When you know I can do
 Do you know your God in you
 To overcome this evil world
 You have to know the God in you

When you look back to Calvary
 What do you see
 When you underestimate my
 words and my simplicity
 And when the trials come your way
 Why do you doubt my words
 When greater is the God in you than
 he who is in the world

I predestinated you to manifest
 my word
 Revealed my secrets unto you
 But still you doubt my word
 Raise above your unbelief
 Put on your royal armour
 Pray for revelation
 You have to know your God

CHORUS

Do you know your God in you
 Why do you doubt my word
 When you see what I can do
 Do you know your God in you
 To overcome this evil world
 Do you know the God you serve

880**APPLY THE FAITH***Obed Johnson 2007*

Key Am

What you've got locked up deep
 inside
 God's gene placed there for this
 final ride
 You have the faith for your victory
 You can move mountains if you'll
 only believe
 If you are living in captivity
 And there seems to be no way out
 my friend,
 God's word has set you free

CHORUS

Apply the faith that God has
 given you
 You don't have to be defeated
 God's word will see you through
 Stand and proclaim in Jesus Name
 Your promised inheritance
 So if the enemy still comes in like
 a flood
 Tell him your sins they are all
 under the blood

Now we're no longer under the law
 No longer in the enemy's claw
 For the faith came so we could
 be justified
 For all of our sins Christ was
 crucified
 For we have the key to all the
 enemy's schemes
 Seven seals have been revealed
 Now stand and proclaim your liberty

881**HE ALONE IS WORTHY**

Key F

He alone is worthy
 To worship and adore
 The lamb of God victorious
 My risen Lord
 He purchased my redemption
 My righteousness is he
 Exalt the name of Jesus
 He is worthy

882 GREAT IS THE LORD*Kim Allert 2005*

Key A

Great is the Lord
 Who ordained my every trial
 That I stand faithful in the midst
 of circumstances
 Great is the Lord who has
 proven by His dying
 He has redeemed and He has
 restored all things
 When I am weak, my God is strong
 He causes me to walk into a faith
 I've never known
 And lifts me higher
 He unlocked the door of faith
 And anoints my soul for a
 rapturing condition
 Great is the Lord who has restored
 My atonement at Calvary }
 brought me perfect faith }2x

He lifts me higher unlocked the

BRIDGE

He anoints my soul for rapturing
 condition (We get lifted higher)
 Far above the judgement of the
 earth (We get lifted higher)
 And now we know him through
 divine revelation
 Above justification (higher)
 Above sanctification (higher)
 Into realm of perfect faith
 We get lifted higher (he unlocked
 the door of faith and anointed my
 soul for rapturing condition)
 Great is the Lord

883 IT TAKES A SACRIFICE*Kim Allert 2004*

Key Cm

Our prophet said God's church
 will write another book of Acts
 As fast as the Word is being preached
 Those scriptures come to pass
 So God anoints a people
 With a burden in their soul
 To see this message go far and wide
 And spread throughout the world
 But the devil's always fighting God
 So there has to be a praying church
 To fight with the two edge sword

CHORUS

It takes a sacrifice
 To see God's word
 A sacrifice
 Spread throughout the world
 A sacrifice
 To see this Message reach to
 the hearts of men

In the days of the Ephesian
 church
 In Paul's ministry, when the church
 knelt down to pray for Paul
 Those demons had to flee
 Therefore, in this age the Bride
 Age
 So we ought to be
 There has to be a church of God
 fulfilling her ministry
 And though demons stand
 against us causing accidents and
 pains
 How far are you willing to stoop
 for God to see his word fulfilled

Many saints of the past church ages
 Sacrificed their lives
 And although the messengers
 were killed
 The Message stayed alive
 So God give us this full Word
 And responsibility to eat the book
 And prophesy and set the
 captive free
 So the battle must keep raging
 It gets bloody as can be
 But as soldiers in God's army
 We already have the victory

CHORUS

Present your body as a living
sacrifice
It's your reasonable service
For you've been bought with a
price

The precious blood of Jesus
Of the sinless spotless Lamb
Shed for you and I fallen man
How He loved us with a love
Even before this world began
Considered you and I
In his redemption plan
How we should love him
And be prisoners of his word
Bound by the chains
Of love divine

The whole creation groaneth
And travaileth until now
For the manifestation of the sons
of God
He's rent the veil of vain tradition
Brought his image in plain view
Now veils his glory
In oddballs like me and you
Now we despise Satan's Eden
Die to ourselves day by day
Perfect faith is the victory
We must attain

MONOLOGUE
ROMANS 8:35-39

A servant at supertime
Came with the secrets
In God's mind
Proclaimed our liberty
Bringing many sons to glory
How we tore our filthy rags
In exchange for robes so clean
and white
To sit in God's presence
Taking our place in His plan
How we should be thankful
He has chosen you and me
We are the reason of His death
We are his victory

Sometimes life seems like words
and music
That can't become a song
And we cry and sigh and we try
again and wonder
What could be wrong
And when we turn to the Lord
At the end of ourselves like
we've done at times or before
We'll find hid truth is the same as
it always been
We never will need more

CHORUS

It's not in trying but in trusting
It's not in running but in resting
It's not in wondering but in praying
That we find the strength of the
Lord

He's all we need for our every
need
He'll never leave thee alone
But the last move that we choose
To do to live a life on our own
But the only good that could ever
be said
Is the pain we find ourselves in
Yet there are places to gain the
wisdom
To say I'll never leave him again

We thank you Lord
For the love You gave so free
The sacrifice of Calvary
We thank you Lord
And our lips will praise You
always
With all our hearts we bring to
You
Our sacrifice of praise
And may our lives reflect Your
light
And be Your temple all our days
We thank You Lord
And we live to serve You always.

CHORUS

Except the Lord God build this house
 Then our labours are in vain
 Except the Lord God keepeth this city
 Then the watchman waketh up in vain
 For what house will you build the Lord
 Since he dwelleth not in temple
 Made of human hands
 But by his grace
 He made you his habitation
 The Lord has built this house.

God has promised in this day
 There'll be a people like him
 They are chosen forth to bring Messiah
 God manifest in flesh again
 A people whom he has redeemed by his blood
 By his prophet's voice, we've been called out
 To be his tabernacle
 That he himself will dwell in

He is our foundation
 The chief and corner stone
 The great, wise Master builder
 Building His masterpiece to be like Him
 And we are the lively stones of this house
 His workmanship unto good works
 Glorifying our Father
 God and us are now one.

Our hands are your hands
 Our feet are your feet
 Filled with your Holy Spirit
 Now we are co-workers with you
 And with your word you lead us throughout the earth
 To hunt out the missing stones that will build up this house
 Lord now your house is complete.

BRIDGE

We will walk like him
 We will talk like him for (for the Lord God is in this house)
 The sick shall be healed the dead shall be raise because (for the Lord God is in this house)
 Great works shall you do for His spirit dwells within you (for the Lord God is in this house)
 A third pull ministry we'll have for God's word within us (for the Lord God is in this house)
 Edenic beauty we put again, his glory fills us
 The Lord is in this house
 From faith to perfect love we'll stand in His Image.

Lord I come to you
 Let my heart be changed,
 renewed
 Flowing from the grace that I've found in you
 Lord I've come to know
 The weaknesses I see in me
 Will be swept away by the power of your love

CHORUS

Hold me close let your love surround me
 Bring me near draw me to your side
 And as I wait I rise up as the eagle
 And I will soar with you as your Spirit leads me on
 In the power of your love

Lord unveil my eyes
 Let me see you face to face
 The knowledge of your love as you live in me
 Lord renew my mind as your will unfold in my life
 Living everyday by the power of your love.

889 FAITH TO BELIEVE*Obed Johnson 1999*

Key D

Cast out all fears and doubts
 He surely brings you out
 Of your condition, whatever it
 may be
 Stay I his provided way
 For the price he did pay
 Only in that place you'll come into
 Rapturing grace

He has given me the faith to believe
 For whatever you ask you shall
 receive
 For he's given me the key
 For my victory
 Believing on him who's been
 sent to me
 I need not worry
 My soul is now at peace

For he has given me the faith to
 believe
 For whatever I ask I shall receive
 He told me come boldly before
 his throne
 For I am his own
 Believing what he said
 concerning me
 Brings my heart a settled peace
 So I need not worry
 My soul is now at peace.

890 TO WHERE I BELONG

Key F

Take me out of the shallow waters
 I can't stand on my own
 Bear me over the deepest fountain
 By trusting you alone
 If holding you is a weakness Lord
 Don't let me be so strong
 Take me out of the shallow waters
 Lord
 To where I belong

891 TIRED LABOURING IN THE FLESH*Kelisha Primus 2001*

Key Dm

From the moment I believed,
 I've been labouring in the flesh
 and I will keep believing
 till his promise I receive,
 I will never be satisfied 'till in his
 likeness I awake.
 And I will never cease to cry
 until Christ and I unite just like
 Ruth who ceased to labour
 then came into her perfect rest.

CHORUS

I'm tired of labouring in the flesh
 I'm coming into His rest,
 That's where I'll cease from all
 unbelief
 Christ living in me will be my peace.
 I'm tired of labouring in the flesh
 I'm coming into his rest
 That's where I'll cease from all
 unbelief
 Christ living in me will be my peace.

I have learnt in this body there is
 a law of sin and that evil is
 present with me even when I will
 to do good.
 But God promised in this hour
 He said there will be a change
 there'll be a total annihilation,
 an irreversible change.
 Just like Paul who had learnt
 there's no condemnation
 to those who are Christ.

MONOLOGUE

*I'm so tired of trying to live his life
 and how could I live his life if I'm still
 living mine.
 And though I know from the bottom
 of my heart that I'm not from this
 world
 Yet there is nothing I can do in
 myself to return to that place of
 perfect peace.
 He said he will come and he will not
 tarry so I will not draw back and I will
 not be loose about my life anymore
 The only labour I must labour is to
 enter into his rest.*

892**PILGRIM ON THE EARTH***Phillip Pierre 2003*

Key Am

As I walk through this land
As an elect that's been chosen by
grace

And I see the evil of man
I know I'm from another place

CHORUS

On the earth I'll be a pilgrim
On my way to glory there's so
much pain I must endure
I'll fight the good fight, I'll keep the
faith

I'm forward to glory and my
eternity is assured
Oh I am a pilgrim
Oh a child of God

As I strive daily oh Lord
Lead me by your grace
For my one and only prize
Is to see you face to face

Daily as I walk with Christ
The revelation comes clearer to
me

That on this dying earth
I'll have no continuing city.

What will I present to Christ
At the end of my journey ?
I overcome him by the blood
And the word of my testimony.

893**TAKE ME INTO THE HOLY OF HOLIES**

Key C

Take me past the outer courts
Into the Holy Place
Past the brazen altar
Lord I want to see your face
Pass me by the crowds of people
And the Priests who sing your
praise
I hunger and thirst for your
righteousness
But it's only found in one place

CHORUS

Take me into the Holy of Holies
Take me in by the blood of the
Lamb
Take me into the Holy of holies
Take the coal, cleanse my lips
Here I am
Take the coal, cleanse my lips
Here I am

Take me above the clapping of the
Hands

Above The Joy Of The Saints
Above the rythm of the music
Into that Supernatural Place
Lord you're the One who took the
book

And showed to us our names
Lord you are our righteousness
Now let your glory fill this place

894**GET IN THE SPIRIT***Alicia Ayres 2001*

Key G

Get in the Spirit }3x

The time has come for this Church
to go higher in the Spirit
God sent us messages on faith to
take us higher in the Spirit
He said if you want to see
supernatural things get in the Spirit

CHORUS

We'll see the sick healed, the blind
see, the lame walk
The dumb talk, the deaf hear
Get in the Spirit.

We'll see the power of true
confession when we get in the
Spirit
Our body spirit and soul will come
in subjection to our confession
When we get in the Spirit
We'll see our circumstances under
our feet when we get in the Spirit.

Love one another as God has
commanded and get in the Spirit
Be kind, tender-hearted and
forgiving towards one another
And get in the Spirit
He said if we want to see the book
of Acts again get in the Spirit.

CHORUS

We'll see the greater works
that Super Church
Souls saved, dead raised, gifts
restored
Get in the Spirit
(Get in the Spirit)

895**IT IS A GOOD THING
TO GIVE THANKS***Carol Alexander 2003*

Key D

CHORUS

It is a good thing to give thanks
unto the Lord
And to sing praises unto your
name O most High
You show forth your loving
kindness in the morning and thy
faithfulness every night
It is a good thing to give thanks
O Lord you are great, your name
shall we praise
O Lord Most High

From the rising of the sun
Unto the going down of the same
With hearts of thanksgiving Lord
We praise your Holy name
And there is no other
That deserves all glory
And there is no other
That we could rely on
And place our trust

CHORUS

You've been our guiding light
On our journey
You're the pillar of Fire
Leading us to eternity
And when the storms are raging
You are our shelter
A strong and mighty tower
That the righteous can run into
In you we are safe.

896**PRAISE HIM**

Key G

Praise him in the morning
When the sun refuses to shine
On your mountain tops and in
your valleys
Praise Him all the time

Praise Him
Lift your hands and sing to him
He deserves all our praises
Praise His Holy name.

897**I CAN DO ALL
THINGS***Georgia Noel 2002*

Key C

When I look at myself
in the mirror of the Word
I see so much to be fulfilled
And I know I'll bring to pass
that glorious mystery
If only I walk in His will
And I know the way to certain
victory
Is to die the death
to all that's inside me
So it's not I that live but
Christ who lives in me.

CHORUS

I can do all things through Christ
who strengthens me
I can be all that God wants me to
be
I'll fulfil the greater works
I will bring his word to pass
I'll become that living reality
I can do all things through Christ
that strengthens me.

There's a challenge of this age
But the promise to the bride
Is the stature of a perfect man
And I know the way to reach that
seventh step
Is only through self-sacrifice
With the word of God deep
inside me
And the Holy Ghost to lead and
guide me
With my eyes fixed on the cross
I count all things as naught
It's not my will but Thine
And in His perfect strength I'll
find.

898 GREAT IS OUR LORD*Carol Alexander 2005*

Key C

Great is our God
 Holy and Mighty
 Who has brought
 Redemption for me
 The worthy lamb who was slain
 Broke the chains of sin and
 death from me

CHORUS

For He is my God
 He cannot change
 He is the Mighty God unveiled
 Conqueror, Almighty one
 The Lion of Judah who prevailed
 And He's God, He is God
 He never fails

Great is our God
 Who's ever faithful
 The Mighty Angel who
 descended
 In him I have overcome
 He has made my eyes to see
 Now I know I belong to him.
 Great is our God
 He is our Healer
 He healeth all our diseases
 Our Provider
 Great Deliver is he
 There's no other God beside him.

BRIDGE

Wonderful Saviour
 The Mighty Prince of Peace
 The Righteous one
 King Theophany
 My Eternal Father
 The Great El Shaddai
 The Bright and Morning Star is
 He
 Lily of the Valley
 He is my Lord, my coming King

899 HALLELUJAH*Rebecca Kirpaul 2006*

Key F

Hallelujah}3x

CHORUS

Halle, halle, halle, hallelujah}2x

For you are God and You forever
 shall be
 You not only opened our mighty
 Red sea
 But You're leading with the Pillar
 of Fire
 Look. Oh children we are
 ascending higher

There was a stage of the
 wilderness
 But You always declared Your
 righteousness
 For when sickness fell in the
 camp that day
 The brazen serpent was lifted
 And You showed us back the way

Years have rolled on and we've
 entered the land
 With a Joshua commission and
 the Holy Ghost on hand
 Fear not children for the faith is
 here
 It will manifest the third pull and
 rapture us away.

900 OPEN MY EYES / EARS LORD

Key D

Open my eyes Lord
 I want to see Jesus
 To reach out and touch him
 To say that I love you

Open my ears Lord
 And teach me to listen
 Open my eyes Lord
 I want to see Jesus

901 I'LL WALK CLOSER

Arlene James 1998

Key F

Dear Lord I hear You calling me
into a deeper life
Away from all my doubts and fears
Away from all my strife

And through the noises around me
I can hear Your still small voice
Calling me to walk a little closer }2x

Teach me how I must spend my
time as the days roll on
I need to know I'm growing
With the breaking of each dawn
Give me more of Your Spirit
That I can live more conscious Lord
So I can walk a little closer }2x

I've seen You broke the barriers
down that separated us
Now in you I have more confidence
In you I've learned to trust
I'm growing in my understanding of
Your holy love
Now I will walk a little closer }2x

902 SAIL ON – SAIL ON

Anthony Weekes 2008

Key A

CHORUS

Land Ahoy! Land Ahoy!
We are seeing the evidence
upon the water
Sail on! sail on!
We are going to the Promise land
We are going to the Promise land

We've been travelling in a ship on
the sea of time
Our destination is an eternal shore
With our captain led by the angel
Who has come to take us over
For he knows we've never passed
this way before
Night and day the captain has been
plotting out our course
Studying those maps and charts so
we won't come up lost
The thing about this captain is how
he reiterates
What the prophet to the age did say
This is what our captain says today

CHORUS

Sail on, sail on
We are going to a land God has
promised
Sail on, sail on
We are going to the Promised land
We are going to the Promised land

This ship has been journeying for so
long
Through tempestuous winds and
many raging storms
But our captain keeps her steady on
her course
Unto the land God has promised us
Many ships and sailors stopped at
ports along the way
Others became shipwrecked
because their captain did not stay
With the instructions that were given
by the angel in this day
To say exactly what the angel says
This is what the captain says today

The promised land is the fullness of
the Holy Ghost
A power that is to come back to the
church
In that hour missing limbs will be
restored
The dead raised, the sick healed by
the word
The Spirit and the Bride will be in
perfect harmony
The Bride of Christ around the world
will have true unity
And the love that will flowing in the
hearts of all the saints
A power that will raise the sleeping
saints
To a land of peace and joy by His
grace

Key F

I love you }
I love you }
I love you my Lord }2x

I praise you.....
We thank you.....
You are worthy....

904 OH LAMB OF GOD

Key C

Your only Son, no sin to hide
 But you have sent him
 from your side
 To walk upon this guilty sod
 And to become the lamb of God

Your gift of love they crucified
 They laughed and scorned him as
 he died
 The humble king they named a fraud
 And sacrificed the lamb of God

CHORUS

Oh lamb of God, sweet lamb of God
 I love the holy lamb of God
 Oh wash me in his precious blood
 My Jesus Christ the lamb of God

I was so lost I should have died
 But you have drawn me to your side
 To be led by your staff and rod
 And to become a lamb of God

CHORUS

Oh lamb of God, sweet lamb of God
 I love the holy lamb of God
 Oh wash me in his precious blood
 Till I am a child of God

905 THE LORD THY GOD

Key C

The Lord thy God }
 Is in the midst of thee }
 He's mighty, so mighty }2x

 High and lifted up }
 With power and grace }
 And authority }2x

And he shall reign
 In the midst of thee
 Forever and ever, amen.

906 I'M DESPERATE FOR YOU

Key G

This is the air I breathe
 This is the air I breathe
 Your Holy Presence
 Living in me

This is my daily bread
 This is my daily bread
 Your very Word
 Spoken to me
 And I, I'm desperate for you
 And I, I'm lost without you

907 AND I WILL RUN

Key D

This yearning deep within me
 reaches out to you
 Your oil of joy for mourning
 My soul delights in you

And I will run to your secret place
 Bow my knees to Your glorious
 throne
 Have your way in my heart oh Lord
 Have your way

I need you Holy Spirit
 You're fire to my soul
 Consume my total being
 Jesus take control

908 LORD I THIRST FOR YOU

Key D

Lord I thirst for you
 And I long to be in your presence
 My soul will wait for you
 Father draw me nearer
 Draw me nearer
 To the beauty of your cross

909 UNTO THEE WE GIVE THANKS

Key D

Unto Thee, Lord we lift our hands
 Unto Thee, we give all the thanks
 Unto Thee, we give all the praise
 And the glory to Your name
 For You are worthy
 There is no other God but Thee
 You are worthy
 Yours is the power and majesty
 You are worthy
 You are worthy
 Yes You're worthy
 Of all the glory and all the praise

910 EVENING SACRIFICE

Georgia Noel 2003

Key C

An evening sacrifice we offer,
At the end of this age
The prayers we lay upon the altar
Ascend with thanks and praise
May they be a sweet aroma
That brings You joy always
As we offer up our incense together
Behind the inner veil

CHORUS

Lord we bring to You, an evening
sacrifice
Lord we bring to You our free-will
offering
The temple of our lives
And we come to You,
With true hearts we draw near
Let Your fire fall upon this altar
here
Of sacrifice and prayer.

CHORUS

The coming of that seventh angel
Was to restore all things
The fulfilment of a divine promise
That God would dwell within
The super sign, invisible union
The restoration of all things
A people who would reign with
Him forever
To a race of priests and kings

CHORUS

The door will close
Intercession's ending, under that
Seventh Seal
The hidden plan of true redemption.
To the Bride is being revealed
The way into the Holy of Holies
To us is being unveiled
Access restored, dominion is given
To a people marked and sealed

911 THIS IS THE HOUR

Georgia Noel 2003

Key C

Bride of Christ, for so long we've
been waiting
For our promised king has come
We await his appearing
We're being tested, we're being
tried
We've cried and we've sighed
Since 1963 we've heard these
things will be
But first the squeeze will come
A quick short ride and then it's
done
This is the hour

CHORUS

This is the hour that we've all been
waiting for
This is the hour; the bridegroom is
at the door
This is the hour, of His appearing
The trumpet shall sound and we'll
go home
This is the hour

End time Daniels you arise
This is the time of the evening
The king of Babylon has come
He's plundering and devouring
He's causing men to bow
Passing laws even now
But prayer's the only way out
Daniels trust and don't you doubt
That Michael your prince will stand
And in the fire you'll meet the Son
of man
This is the hour

End time Esthers you awake
The Seven Thunders are sounding
Our Hatach has brought the news
of the genocide that's coming
It's time to intercede
For your people you must plead
In the spirit of sacrifice
Be willing to give your life
But the sceptre's in the King's
hand
And your desire is his command
In this hour

Soon he'll be coming for me }3x
Coming to take me home

I have always known conviction
 lies in the vision
 And for one to be committed he
 must be interested
 To know what's in the mind of
 creator
 And to be like Hannah when we see
 the need to be a house of prayer for
 all the nations about
 For we are the ones who've
 been given the mind of God

I am addicted
 To the word of the Lord
 A desire to feel the heart of God
 And to know his mind now
 dwelleth in me
 To see his house complete
 I am addicted }2x

Now I understand there must be
 a travailing
 A groaning in the inside
 When we see the hideous
 happenings
 That has swept upon the face of
 the whole earth
 Men has lost the sanity of their
 minds
 But we are a house of prayer
 A river that's flowing out
 For we are the ones who would
 get God's elect out

I am addicted
 To prayer to travail
 To cry out
 To God to be worthy to escape
 The wrath of the Lord that is now
 upon this world
 I am addicted

I've heard of the seven thunders
 And the seals that were broke open
 But I've never understood the
 depts. About redemption
 But now I know the mediator
 between heaven and earth

Who took the book and broke
 those seven seals and reveal my
 name

Showing me how to be born again
 Now filled with the Holy Ghost
 He'll finish the work in me

I am addicted to the word that
 gives me life
 That will rapture my soul and take
 me away into another place
 From the judgement of this world
 I am addicted to Hannah's painful
 desire, Jonah's prayer meeting, A
 house of prayer for all the nations,
 the sealing of the elect
 I am addicted to the sweet
 savour, the holy royal priesthood,
 the throne of mercy and
 judgement and the immune
 church of Christ

Above all powers
 Above all kings
 Above all nature
 And all created things
 Above all wisdom
 And all the ways of man
 You were there before the world
 began

Above all kingdoms
 Above all thrones
 Above all wonders the world has
 ever known
 Above all wealth and treasures
 of the earth
 There's no way to measure what
 You're worth

CHORUS

Crucified, laid behind a stone
 You lived to die rejected and alone
 Like a rose trampled on the ground
 You took the fall and thought of me
 Above all.

God knew we didn't have a
revelation
Of how to approach him so he
made a sacrifice
By offering up himself, he
became our sacrifice
That we can have access, we
can approach his throne
But now he bids us at Mizpah
here to pray
To sacrifice our lives and build
him an altar here
And as we pray our prayers go
up as incense
And the fire of the Holy Ghost
comes down and fills our lives

CHORUS

I can feel Him drawing nearer
(The presence of the Lord is here)
Accepting our sacrifice
(The presence of the Lord is here)
Something has got to happen here }2x
So we'll wait here at Mizpah
Something is going to happen here

God is pushing his church into a
higher place
A church without sin where his
gifts can manifest
So how we settle for a weak and
empty life
When the Spirit is calling us to
higher heights

CHORUS

Saying stay here at Mizpah
Something is going to happen here
There are ministries of angels
Something is going to happen here
Cast not away your confidence
Something is going to happen here
It's God strength versus human
strength
Something is going to happen here
So as we pray we lift you up Father

For we see what you have done
for us and we glorify your Name
We remember what was done in
the bible at Mizpah when our
father prayed
When they offered up their sacrifices
The presence of the Lord came
down and you answered their
prayer
Now we are your children in the
evening time
Declaring our pedigree,
expecting you to come
You said blessed is a man who
thou chocesth
Whom thou causeth to approach
you Lord
And as we pray, our prayer
becomes more of you Lord,
more of you Lord, more of you
Lord, more of you Lord,
Something is, something is,
something is going to happen
here....

I was lost but Jesus saved me
He gave his life on Calvary's tree
Though I've failed him, he still
loves me
Through his grace I've been set
free

CHORUS

No I don't deserve a mansion
I was born a sinful man
No I don't deserve a mansion
But Jesus built a home for me in
glory land

It was our sins that he died for
A home on high,
he paid the price
Who are we that he should love
us
Enough to give his life

A lost and dying world
 Shut up from the way to God
 Not knowing how to find its way
 Sinful and fallen man, in need of
 redemption
 Who would atone, who could pay
 Though the blood of bulls and
 goats were shed
 It could not atone, the price to
 fully pay
 It would take the blood of a holy
 one
 But none was found worthy who
 could pay

CHORUS

Till Jesus came
 The sinless, spotless Lamb of God
 The holy one, the living word
 came down that day
 Yes Jesus came
 Conquering death, defeating sin
 Opening the way back to enter in
 to God that day
 When he came
 When Jesus came.

Burdened and steeped in sin
 No peace, no joy within
 Condemned by guilt, filled with
 shame
 Dwelling in the outer court
 Wondering who could pay the cost
 To free me from this bondage
 and chains
 Though I searched and cried,
 there was no one
 Who could redeem me and for
 my sin atone
 Till a priest did point to Calvary's
 cross
 And the price God did to ransom
 back His own

When Jesus came
 Conquering death, defeating sin
 Renting the veil so, we could
 enter in to God again
 Yes Jesus came
 Paying the price on Calvary
 Fully atoning to set man free

From guilt and shame
 When He came
 When Jesus came.

When Jesus came
 What a wondrous work he
 wrought for us that day
 Removing the guilt and taking all
 our sin away
 When He came --- Praise His
 name
 When He came ---Triumphing
 over sin
 When He came--- Opening the
 way so we could enter in
 When He came, When He came
 When Jesus came!!

When I come into his presence I
 humble myself
 I lift up both my hands and I
 begin to worship
 When I come into his presence I
 humble myself
 For what he's done for me,
 redeemed and set me free
 And because, just because he's
 God

When I come into his presence I
 humble myself
 I lift up both my hands and I
 begin to worship
 When I come into his presence I
 humble myself
 Remembering what he's done,
 the victory he's won
 So I'll praise him, I'll praise him
 For what he's done for me,
 redeemed and set me free
 And because, just because he's
 God

For what he's done for me,
 redeemed and set me free
 And because, just because he's
 God
 For what he's done for me,
 redeemed and set me free
 And because, just because he's
 God

You have seen what I did to the Egyptians
 How I have destroyed them
 How I bare you on eagle wings
 And brought you to myself
 For you are a part of me
 My peculiar treasure
 Unto you I'll keep my holy covenant

CHORUS

Into a Supernatural atmosphere
 God has raised His Bride
 She's now a Bright shining star
 A true reflection of Him
 We'll manifest the authority of
 His Name
 Fulfill all His word
 That all the world may know that
 We are Supernatural Beings

You showed us our position
 The way to come in your presence
 You've clothed us in your word
 Now we have access to thy throne
 Lord we want only your desire
 For with you we've found favour
 That whatsoever we ask of You
 You'll grant it to us

Lord you showed us Haman's
 evil schemes
 But you made a way of escape
 You 've kept Mordecai's words
 alive to us
 Through your faithful servant
 Hatach
 For such a time as this
 We came into your kingdom
 Now we are the ones through
 whom you'll deliver your people in
 bondage.

MONOLOGUE

You were born to be a
 supernova
 You were born a bright shining
 star (A bright shining star)
 You shall explode in all my glory

That this world will know that
 You are from eternity
 Fear not my Queen Esther
 For it is I that has brought you to
 this place
 Through you I shall accomplish
 my word that was spoken.

He is the one that saved our souls
 He's the one that gives us faith
 He is the one that gives us strength
 To face the challenge that comes
 our way

He is the one who healeth thee
 He's the one who comforts me
 He's our guide, our shepherd
 That will lead us into the promise
 land

CHORUS

O Lord you are our everything
 Without you I can do nothing
 Without you I can't stand
 O Lord you are our everything
 It is you I want to live for
 It is you that I only want to please

He is the one who delivers thee
 From all thine enemies
 The mighty conqueror
 Who's victorious over
 Death, hell and the grave
 Our provider is He
 Who provided all our needs
 In Him I stand victorious
 In Him I have overcome the world

BRIDGE:

There's so many things that we
 can thank you for
 All of the love that you have
 shown
 And there's no one greater
 That deserves all praise but you.

920 UNWORTHY*Elizabeth Bishop 2004*

Key F

I was a sinner, a lost soul
 I longed to be free
 I didn't know that God had already
 Done a work for me
 Then He found me, cleansed
 and filled me
 I am so amazed, that He just
 simply loved me

CHORUS

Unworthy, I'm so unworthy
 Of such love and mercy
 The price You paid on Calvary
 Who am I that He should die for me
 This wretched man, that I am
 He sacrificed Himself to set me free

I didn't see His nail scarred hands
 As He was stripped and in pain
 But on the Cross, not once did He
 think about His shame
 As His Blood flowed from that Tree
 All He thought about was you
 and me
 Isn't that love, tell me, isn't that love

BRIDGE

Praise the Lamb that was slain
 He went up, but soon, He'll come
 again
 Back for you and me
 This was Calvary's mystery
 Praise the Lamb that was slain
 He went up but soon He'll come
 again
 Back for you and me
 To take the trip to our theophanies

Unworthy, unworthy
 Of such love and mercy
 The price He paid on Calvary
 You showed me who I am
 That You should die for me
 I thank You Lord
 I thank You Lord
 (I thank You Lord for Calvary)

921 NOW'S THE TIME*Carol Alexander 2004*

Key C

From a world of unbelief
 You separated me
 To walk in a world of perfect faith
 I'm washed in your blood
 Now clothed in your
 righteousness
 Standing as your witness in this
 day
 And though all hell is against me
 You promise they'll be under my
 feet
 And wherever I may go
 I must let the whole world know
 You're not dead
 But alive in me

CHORUS

For now's the time to rise up
 Now is the time to stand and
 declare
 His name to a dying world
 And now's time to shine forth
 In the glory of the Lord revealed
 in you.

You will shine forth like stars in
 this end time
 You'll fulfil all that my prophet said
 But your self will must die
 That in you I'll be glorify
 That all men will know
 Its not you
 But its Christ

BRIDGE

Can't you hear the cry of souls in
 bondage
 My harvest is ripe, but my
 labourers few
 It's you I want to work through
 It's you that I that I have given
 my word
 To set the captives free.

922**RISE AND GO FORTH***Gloria Watson 2004*

Key A

At times we struggle
 With demons unseen
 And it seems like our faith is
 weak within
 But Lord you promised we'll have
 the victory

CHORUS

Oh Daniels rise and go forth
 In the name of the Lord
 If thou will only believe
 Oh Esthers rise and go forth
 In the name of the Lord
 If thou will only believe

I say to the demon of fear to flee
 I say to the demon of doubt to flee
 I say to the demon of unbelief to flee
 In the name of the Lord

If you believe you're called to
 walk inn his word
 In this end time awakening of the
 bride
 Though your enemy comes
 against you
 Stand and He'll not fail you
 If thou can only believe

I say to the demon of sickness to
 flee
 I say to the demon of lust to flee
 I say to the demon of strife to flee
 In the name of the Lord

923**OPEN THE EYES OF
MY HEART**

Key D

Open the eyes of my heart Lord
 Open the eyes of my heart
 I want to see you
 I want to see you

To see you high and lifted up
 Shining in the light of your glory
 Pour out your power and love
 As we sing holy, holy, holy

Holy, holy, holy}3x
 I want to see you

924**HALLELUJAH HE IS
RISEN***Carol Alexander 2005*

Key D

It's the dawning of a new day
 The Daystar has risen in our hearts
 Now the cold stiff dead body
 Has quickening transforming power
 From death unto life we have passed
 Into this bright eternal day
 Now the Resurrected Christ in us
 lives

CHORUS

Hallelujah He is risen
 He is alive in me to tell
 From the realm of this old earthly
 I now live in the heavenly realm
 And soon I'll change dimensions
 For this earth won't be able to
 hold me anymore}2x

Now the glory of His gospel
 Shines through us wherever we
 may go
 Changing ugly caterpillars
 Into beautiful heavenly creatures
 O death you've been conquered
 by Him
 Our victory and promise is sure
 Now the gates of hell cannot prevail
 For we are the bride of the living
 God

This the season of the immortals
 The spring sun has returned
 The Restoration of the Bride is on
 All that's lost, He has brought
 back
 And unto the resurrection
 We are heading now
 To awake the saints that
 sleepeth
 And forever we will be with you
 Lord.

Greater is he that's within me
 Greater than he that's in the world
 God is master of all circumstances
 God has all things under his control
 God is greater than any trial
 Greater than any trouble you
 might have
 Yes God is great, God is great }2x

At times your soul feels so troubled
 At times you might be burdened
 with care
 At times you might feel discouraged
 Or you might be in deep despair
 Well God has promised never to
 leave you
 He promised he'd answer your
 prayer
 Just call him on the scene
 He's that Holy Ghost within
 And he's greater than any
 trouble you may face
 Yes God is great, God is great }2x

Oftentimes on this pilgrim journey
 You'll have to walk the rugged
 road alone
 There'll be no friends and all
 men might forsake you
 Like Jesus stood before Pilate's
 throne
 You'll have to stand in faith
 believing
 You'll have to know that you are
 his own
 And when you call him on the
 scene
 He's that Holy Spirit within
 And he's greater than any enemy
 you may face
 Yes God is great, God is great }2x

He's our Saviour, our deliverer,
 our Healer and our Comforter
 (Greater than he who's in the
 world)

The prince of peace, the mighty
 God, King of kings, the risen Lord
 (Greater than he who's in the world)
 Yes God is greater than any trial
 God is greater than all your fears
 God is greater than the enemy
 around you
 God is greater, yes, yes

Yes God is greater, greater in you

I'm satisfied with just a cottage
 below
 A little silver and a little gold
 But in that city, where the
 ransomed will shine
 I want a gold one that's silver line

CHORUS

I've got a mansion just over the
 hilltop
 In that bright land where we'll
 never grow old
 And some day yonder we will
 never more wander
 But walk on streets that are
 purest gold

Tho often tempted, tormented
 and tested
 And like the prophet, my pillow a
 stone
 And tho I find here, no
 permanent dwelling,
 I know He'll give me a mansion
 my own

Don't think me poorer, deserted
 or lonely
 I'm not discouraged, I'm heaven
 bound
 I'm just a pilgrim in search of that
 city
 I want a mansion, a harp and a
 crown.

927**FROM THE EARTHLY
TO THE HEAVENLY***Arlene James 2004*

Key A

If our earthly house of this
tabernacle be dissolved
We have another one waiting
Eternal in the heavens
He said I go to prepare a place
for you
That where I am there you may
be also

CHORUS

From the earthly to the heavenly
From this body to our theophany
From this old pest house to our
Father's house
That's a mansion He's built for
you and me}2x

In this body we groan desiring to
be clothed upon
With our new body celestial in
the heavens
So when this corruption shall
have put on incorruption
Then mortality shall be
swallowed up of life

Soon we'll lay aside this old
ragged robe of flesh
In exchange for a glorious one
prepared in the heavens
And at the resurrection at the
sounding of the trump
Our bodies will be glorified just
like Jesus

928**THERE IS NO
BETTER PLACE**

Key G

There is no better place
Than to be where we can
Look upon your face
In Your church we're all alone
No better place than to be before
your throne
God of comfort God of mercy
Love that knows no bound
I adore you
Worship and bow down }2x

929**GOING HOME***Sarah Belle Smythe 2006*

Key C

I'm so tired of living in this sinful
world below,
So much pain and suffering
everywhere you go,
People dying all around,
sickness and poverty,
But I know it won't be long before
we go to eternity.

There'll be mansions there,
Joy and cheer,
Love for eternity,
There'll be streets of gold,
Riches untold,
Rest eternally.

CHORUS

Going home, going home,
Going home to my theophany
Going home, going home,
I'll cast off this sinful body,
Going home, going home,
Where we'll live eternally
Where the flowers never, ever die
Where no tears will ever dim our
eyes
We'll sit on His throne
And worship Him
When we go home
When we go home

We see many signs of the end time
All around today
And we know it won't be long
Before we are changed and
taken away
Oh how I long to see His face
How I long to hear Him say
"Receive thy crown my faithful
servant, you have overcome."

CHORUS**BRIDGE**

And at the midnight cry
He's coming back
And the dead in Christ shall rise
And we'll go home, we'll go home.
Where the flowers.....

930 THE TIME IS NEAR

Sarah Belle Smythe 2005

Key F

Jesus said there is a mansion
That he has prepared for me
And I'm tired of this old pest house,
I'm longing for my new body,
And deep within I can hear His
voice
Beckoning me to that place
I see end time signs all around
And I know soon I'll see His
sweet face.

CHORUS

The time is near can't you hear
Your Saviour calling you to a land
Where we'll never grow old
So don't you bow, don't give in
Cause in a little while we'll be
going home.

Now through the Word I am seeing
That before the world began
I was chosen to be His bride
I was always a part of His plan
And even though this world is dying
I will never be afraid
Cause in the twinkling of an eye,
I'll take my flight through the sky,
To live eternally with my King.

CHORUS

In a little while we'll be with the Father
Can't you see Him smile?
In a little while we'll be home forever
In a while
Saints you must keep pressing on
And we'll be home in just a little
while.

CHORUS

Cause in a little while
We'll be going home
(In a little while we'll be with the
Father)
We'll be going home
(In a little while we'll be with the
Father)
We'll be going home where
there's no more crying, no more
dying
(We'll be going home.)
Where there's no more killing,
No more fighting
(We'll be going home)
Where there's no more sickness,
No more sorrow, no more pain,
No more tomorrow
(We'll be going home)

Don't you bow, don't give in
Cause in a while we'll be with our
King
Don't you want to go to that place
Where we'll never grow old?
(We'll be going home) }2x

SNARED IN AN EVIL NET

Arlene James 1999

Key G

A mighty hunter is on the loose
He's capturing everyone he could
He found a way to connect the world
He's got them now under his control

Could you see how the trap is set
The whole world is caught in the net
Many think it's just a brand new wave
But it's the return of the Global
Village
The mighty hunter has found the way
To catch his prey in this evil day

CHORUS

But thank God we're free
He's given us eyes to see
So we could escape this evil
captivity

See the thoughts of a foolish man
He thinks he has such a very
good plan
But he's built on sand so his
house will shift
Cause his foundation's a silicone chip

See how the world has gone off
to sleep
Through that window they took a
peep
The web has bound them they
can't escape
They're being taken through
Hell's gate

CHORUS

See how this hunter lures his prey
Enticing the world with the words
he says
Through Jezebel (he) evokes
laws, speaks lies
With painted faces it's all disguised

But little bride this word you hear
Is to deliver you from his snare
Watch ye therefore and pray always
That you counted worthy to escape

I'm in a race to the rapture
I've crossed Jordan's river
Now I'm running through Canaan
land

In the stature of a perfect man
On the mountain waiting for
translation
(Repeat Verse)

CHORUS

I'm running, I'm running
I'm running the race of my life
Got to meet that chariot on high
To take my flight into the skies
And I'm running, running for my life

Doubt and unbelief
They were heavy burdens
holding down my feet
But I laid each weight aside
By faith I got to catch this flight
And I'm running, running for my life

Faith, hope and charity
They were blazing down that trail
ahead of me
But I caught them on the seventh
peak
I put all things under my feet
And I'm running, running for my life

In that chamber of the pyramid
In that secret place with Jesus is
where I'm hid
You see He gave me a sneak
preview
Showed me I'm one of the
chosen few

And I'm running, running for my life
Pretty soon the chariot will swing
low

And when I hear that trumpet sound
Saints I got to go
Got to hurry I can't be late
My stop's at the pearly gates
And I'm running, running for my life

I've got to sing! I've got to shout!
You see those seven thunders
sounding, they brought me out
My destiny's been revealed
I saw my name and I know I'm
sealed
And I'm running, running for my life

I got to sing! I got to shout!

You see those seven seals,
that mystery's what it's all about
Satan's scheme has been unveiled
And the Bride she will prevail
So I'm running, running for my life

I've got to sing! I've got to shout!
The seven virtues, that's what it's
all about,
In perfection on that seventh peak
Is when this masterpiece will speak
And I'm running, running for my life

Swing low, sweet chariot, swing
low
Soon that trump will sound and
saints I've got to go
Got to hurry I can't be late
My stop is at the pearly gates
So I'm running, running for my life

Blessed are you oh Lord our God
Eternity's only King
In the beginning when God
thought of man
He was perfect before Him
But He knew that man will fall
So a way was made for Him

CHORUS

Then the battle was on
The battle is on
The Lord has descended
He's come
The battle is on
The battle is on
For the day of our Lord has come

Now we can see God's plan
For His thought was to redeem
man
The book of Daniel is now made
plain
Two kings, two kingdoms, but
one will reign
For the beast is taking his throne
But with Michael we will stand again

My peace I give to you
For you are my chosen few
Though the battles seem hard
and long
By my word you will overcome
For great is our Lord
Who has fought to redeem us.

934 GETTING READY

Marjorie Cadogan 2003

Key C

I hear the sound of the buckboard
Coming in the distance
For He has made to me a promise
That I am His Bride
I am getting my things ready to
go on home

CHORUS

For I am hearing the chariot
swinging low
Swing low, swing low
I am getting my things ready to
go on home

I'm leaving this sinful world behind
Where moth and rust corrupt
I am getting my things ready to
go on home
I am leaving this sinful world behind
With vain dreams and aspirations
For I'm going to a better land

For I am getting faith, virtue,
knowledge, temperance
I am getting these things ready
to go on home
I am getting patience, Godliness,
brotherly kindness
I am getting these things ready
to go on home

I hear the sound of the buckboard
Coming in the distance
For He has made to me a promise
That I am His Bride
I am getting my things ready to
go on home

I'm leaving this sinful world behind
Where moth and rust corrupt
I am getting my things ready to
go on home
I am leaving this sinful world behind
With vain dreams and aspirations
For I'm going to a better land

BRIDGE

And most of all His love
The Capstone Revelation
I'm dressed in the beautiful gown
of His Word
For I know for sure that
He will keep His promise
So I'm getting my things ready to
go on home

935 WE ARE UNITED

Key F

CHORUS

We are united in Jesus Christ
We are the soldiers of the light
We don't wrestle flesh and blood
But principalities of the dark
We too are marching to one beat
Crushing the enemy under our
feet
We are mighty in our stand
With God's word in our hand.

In our hearts, we have a vision
And we've made our decision
To show the father's love
With great power from above

Let us reach this generation
Every tribe and every nation
For we've overcome the world
By the blood of Christ the Lamb

CHORUS

BRIDGE

The Lord our God is our sword
and shield
To fight our battles on our knees
(repeat 3x)

CHORUS

I come into your presence
 Asking for your grace
 Praying that you will give me
 strength
 To live for You each day
 On bended knees I cry out
 Lord come and have your way
 Cause by myself I'm nothing
 Lord, I need you more each day

CHORUS

Lord we come to You
 Giving our lives away today
 We are pouring it unto the ground
 So we could never take it back
 again
 And we're asking You to come in
 And fill our hearts
 With Your Holy Ghost
 Right now, right now

We are end time Esthers
 Exploding supernovae
 Willing to lay down our lives
 As a living sacrifice
 And we are end time Daniels
 Praying without ceasing
 Eyes focused on the vision
 Through every condition

Lord we come to you
 Giving our lives away today
 We are pouring it unto the ground
 So we could never take it back
 again
 And we're asking you to come in
 And fill our hearts
 With your Holy Ghost
 Right now, right now

We are the shining lights
 For the souls today
 Who are stumbling around
 In spiritual darkness
 And need to see Your way
 But by ourselves we cannot shine
 So we need You in our lives
 And like the moon reflecting
 The sun's light
 We'll reflect Your Light
 We'll shine out bright

Lord we come to you
 Giving our lives away today
 We are pouring it unto the ground
 So we could never take it back
 again
 And we're asking you to come in
 And fill our hearts
 With your Holy Ghost
 Right now, right now

BRIDGE

You healed my body
 You healed my soul
 You has cleansed and made me
 You has made me whole
 And I know He's with us
 He is so close
 We are in the happening
 Right now,
 Don't you feel Him moving
 He is in this place
 Right now, right now

And we're asking You to
 Come in and fill our hearts
 With Your Holy Ghost
 Right now right now }2x

CHORUS

You are high and lifted up
 You are high and lifted up
 You are high and lifted up in this
 place
 Because of all your love and
 mercy, because of your amazing
 grace
 You are high and lifted up in this
 place

We are gathered at your throne
 to give you praise
 Behind the veil into this holy place
 Because your blood has washed
 away our sins
 It's a joy to walk right in
 To see your glory everyday
 To bless your holy name

938**'TIL I GET TO THAT PLACE***Elizabeth Bishop 2004*

Key G

Sometimes you may feel like you're
going under
And there seems to be no way out
People may say that your God has
left you
Why do you still keep holding on
But there's a course that is set
before me
I'm not giving up, I'm looking ahead
And I know I must keep on fighting
I've come too far to turn back now

CHORUS

I'll keep on pressing till I get to that
place
To the mark of the high calling
In Christ Jesus we'll stand still
The road is narrow but I will still run
for my Prize
Just to sit one day at His side
When I get to that place

He never said that it would be easy
But He gave me something to stand
His Word still keeps holding me
While living in this evil land
And though the whole world is
crumbling around me
My eyes are fixed on the Prize
So Lord take me and completely fill
me
Get me ready to take that flight

BRIDGE

One day all our trials will be over
No more burdens to bear
He'll say enter in well done
But until then...

939**COME INTO HIS PRESENCE**

Key C

Come into his presence with
thanksgiving in your heart and give
him praise
Come into his presence with
thanksgiving in your heart our voices
raise, voices raise

Give glory and honour and power
unto him
Jesus the name above all names

940**VICTORY IS SURE***Carol Alexander 2004*

Key A

Keep your eyes on the prize
Keep looking towards God's vision
For perfection is the mark that we
must attain
Refuse to be compromised
By the enemy
For God has made you His
standard
There will be no defeat

CHORUS

For victory's sure
Yes victory's sure
My God has already given us the
power
To overcome the world and its evil
Now we are on that homestretch
run
Behold the finish line is in view
So keeping pressing towards the
mark of the high calling in Jesus
Christ.

As this world, this cosmos gets
darker
Men's heart become more evil
May the Light of His glorious
gospel illuminate our lives
For a sacred responsibility
Has been entrusted to us
To get home the King's message
To those who are part of Him

BRIDGE

We look forward to a new day
Breaking around us
We see it now breaking between
heaven and earth
From an earthbound sickness
And troubled world
Unto a bright shining day
Of an immortal life
And immortal body
An immortal earth that can never
pass away
So let's finish our course with joy.

941**SING UNTO THE LORD***Elizabeth Bishop 2004*

Key Em

Lord it was you who rescued me
 You saved our souls, provided
 our every need
 Lord we were lost but by grace
 we were found
 That's why today we can stand
 on holy ground
 And though the world may never
 ever understand
 Why we sing, why we lift our
 hands,
 And there are still many, many
 who fail to see
 That's it's not us but Jesus in you
 and me.

CHORUS

Sing unto the Lord shout His
 praises
 He's our conqueror, our
 deliverer, our strength,
 Sing unto the Lord, your
 redeemer
 From the ends of the earth, we
 lift up our voices in praise.

Lord it is you who comforts me
 In pain and suffering tender
 mercies we see
 We'll not complain, all we can do
 is praise
 With our hands and our lips, our
 voices to you we raise,
 We know that demons flee at the
 mention of your holy name
 So shout to the Lord, let us his
 name proclaim
 Now with one voice we will
 march, we will sing
 Those Jericho walls will fall
 never to rise again.

942**HE DIED FOR ME***Elizabeth Bishop 2005*

Key G

Broken, mocked and scorned
 Is a man hanging from a cross
 With a crown of thorns
 Who is He this man who died for me
 The given son who was born to die
 So we could be redeemed

CHORUS

He died for you, He died for me
 He took my place and He bore
 my shame
 That day on Calvary
 The bleeding one, the Holy Son
 What kind of man is this would walk
 this road alone Jesus

It was supposed to me
 Hanging from that tree
 I was the one who crucified Him
 I don't deserve mercy
 But when we come to drink from the
 cup
 And when we come to eat the bread
 We remember You, we remember
 love
 We remember your amazing grace

BRIDGE

I didn't see but I believe
 Yes I believe

943**YOU ARE GREAT**

Key C

You deserve the glory and the }
 honour }
 Lord we lift our hands in worship}
 as we praise your holy name }2x

CHORUS

For you are great }
 You do miracles so great }
 There is no one else like you }
 There is no one else like you }2x

944 I FEEL THE PULL*Kelisha Primus 2005*

Key F#M

I see a world that's judged
 I see a dying world
 I see the need for the word to be
 manifest
 A way is open unto us
 An entrance into another world
 An evolution from the dust to the
 stars above
 Giving quickening power
 By the hearing of the word

CHORUS

I feel the pull inside of my
 celestial home
 The deep in me is drawing me}
 To that eternal place }2x

There is a cry for revelation
 A need to know as we were
 always known
 For it won't be long again
 You can see we are at the end
 Slack not your riding
 Continue to sigh and cry
 You must have that token
 To take that heavenly flight

Though we've grieved by various
 trials
 That the genuineness of our faith
 may be tried
 For at the end of our faith
 We'll receive salvation for our
 soul
 A glorious body a son in the
 image of the word
 United with theophany
 We'll be one with the living God

BRIDGE

I see a world that's judged }
 No where to run no were to hide }2x
 Our only escape is the faith inside }

**945 THE DECISION IS
YOURS TO MAKE***Arlene James 2000*

Key G

I have heard about some people
 They're written of in the Bible
 How God promised them a land
 beyond the Jordan
 But some had their own ideas
 They were thinking of their own
 affairs
 At the borderline they settled down

CHORUS

But where do you choose to live
 What benefits does it have to give
 Is it an investment in eternal life
 Or keeps you at the border line
 The decision is yours to make

We can have lots of fancy things
 We can live close to earthly kings
 Like Lot you can be famous in
 Sodom
 Just remember there'll come a
 time
 When those things won't be
 worth a dime
 When the fire falls it will all be
 burnt up

Friends if we want a deeper life
 We got to make a greater
 sacrifice
 We have to be more sincere
 This would mean a lot of shaking
 down
 But we really have to move on
 By grace alone we'll make it there

**946 COVER ME, COVER
ME**

Key C

Cover me, Cover me,
 Extend the borders of thy
 garment over me
 For thou art my nearest kinsman
 Cover me, Cover me, Cover me,

947 I WILL KEEP YOU*Obed Johnson 2007*

Key G

Temptations great but the Lord
has given us faith
To overcome, the battle's won
Depends on how you see
yourself from day to day
Full of guilt, condemnations and
shame
But God don't see you that way
You just have to confess to him
He'll never leave you He'll stay
with you all the way

CHORUS

I will keep you in your times of trouble
I will keep you in your times of need
I will keep you for I'm your refuge
I will keep you for you are part of me

Keep your eyes on the prize
Refuse to compromise
You Esthers and Daniels
For this final ride
Rise up and complete the work
that he's bestowed on you
And just forget what you're going
through
You just do his work and he'll do
yours
We're fighting a battle, fighting a
cause
To get all the souls that we have to
find
God's determined not one hoof
will be left behind
God's determined not one hoof
will be left behind

Lord at these junctions how we
need more of your unction
To function the way you want us to
As prophesied, the bride of Christ
will know what God wants done
To fulfil this word, this eternal truth
For we are the mystery being
revealed
The Seven Seals of our lives are
no longer sealed
We are the word made plain
manifested in flesh again
We are the word made plain
manifested in flesh again

CHORUS

I will keep you in your times of trouble
I will keep you in your times of need
These are the promises given by
the Holy Spirit
I will keep you for you are part of me

948 FULL REDEMPTION*Carol Alexander 2004*

Key F

Lord with one foot on land
One foot on sea
You brought redemption for me
I was lost and undone
But thank God your grace
Has indeed really found me
And you gave to me
Eye salve that I may see
How great you are
And what you've made me to be

CHORUS

Full redemption
I found grace in a time of judgment
The stone that the builders rejected
Has become the chief stone of
my life
For he has gone to prepare a place
That where he is I'll be there
For all eternity.

I see a world held in darkness
O there is so much evil around me
But Lord with you I am standing
For I know that soon your kingdom
Will be ushered in
Continue to break
Every kingdom in my heart
Till I only be your living word
manifested

BRIDGE

I'm waiting with great expectation
For my Lord Who I shall see
Soon I will slip from time
Into eternity

Full redemption
Lord I thank you for your grace
that found me
Full restoration you promised
Lord I hold thy word close to my
heart
Soon I will be in that perfect place
Where there's no more time
No sorrow
No more sickness and pain
No more sin and temptation
Only peace, joy and love
For all eternity
For all eternity

The bible opens with the
Seventh Seal
Though it took such a long time
to be revealed
In the earth there were seeds
God called for light and when He
said 'Let there be..'
The seeds were quickened and
they sprung forth
Out of a darkened earth they
were called
To manifest the life that lay within
Their Creator was glorified in them

At the rising of the S-U-N }3x
Life springs forth

When Jesus died they laid His
body away
But He was destined to rise
again and on third day
A Mighty Angel descended from
heaven
To give witness He was the new
creation
Twas the first dawn and the first
sunrise (A dual sunrise)
Quickening power brought His
body to life
In victory He marched through
death's door
The saints of old arose and
walked on earth once more

At the rising of the S-O-N }3x
(A dual sunrise)
Life springs forth

I sat with Job as he lay on the ash
pile God said
Let nature talk to you for a while
We saw hope for a tree when the
stock die in the ground
At the scent of water it will bud
(and bring forth)

The greatest vision broke to us
right there
We saw the resurrected Christ
appear
Death's wrath was just like
winter, it must go
We came forth with a testimony
of 'I know'

At the return of the Spring Son}3x
(And the immortal season)
I'll come forth

We saw the risen Christ when
the Cloud appeared
On sunset mountain He met with
us there
Said I'll return according to the
time of life
In this second cycle we see life
signs in the bride
Then He appeared again in 1976
Opened our understanding to the
holy script
He made Himself known in the
breaking of the bread
Quickened our minds to our
promise and our lives to our age

It's the return of the Spring Son}3x
And we've come forth

As in the beginning so is it in the end
We are now walking in Revelation 10
We heard the shout, we're now
in the voice
Evening time resurrection surely
is on
He's now unveiled and to us He
appears
Manifestations show His
personal presence is here
We're waiting for the sounding of
the last trump
The sleeping saints will rise and
we'll be raptured up

It's the return of the Spring Son}3x
And we've come forth

We dedicate this temple to you
 Lord
 Let your glory fill this sanctuary
 Be enthroned on the praises of
 your people
 Lord we agree in unity

This is your house, Father come
 and dwell
 This is your house, a holy house
 of prayer
 Where the lost and the lonely
 Take their burdens and their cares
 This is your house, this is your
 house
 Come and dwell.

Holy spirit overflow this place
 Dedicate our halls with grace
 and mercy
 Let healing and redemption find
 searching souls
 Lord have your way we humbly
 pray

Because of who you are I give
 you glory
 Because of who you are I give
 you praise
 Because of who you are I will lift
 my voice and sing
 Lord I worship you because of
 who you are
 Lord I worship you because of
 who you are

Jehovah Jireh, my provider
 Jehovah Nissi, Lord you reign in
 victory
 Jehovah Shalom, my prince of
 peace
 Lord I worship you because of
 who you are
 Lord I worship you because of
 who you are

Have you really thought
 How wonderful is our Lord Jesus
 Christ
 He redeemed us by his precious
 blood
 We are his purchase price
 For I know what I was
 And you know where he took you
 from
 We were sinners bound in chains
 Lord we didn't know we had Your
 name
 We thank You Lord Jesus
 We thank You Lord

CHORUS

You're all I want heavenly Father
 You're all that I need
 Lord we worship You in the
 beauty of holiness
 For what Your Word has done
 for us
 We hide it in our hearts
 We will not let the enemy steal it
 away
 You're all I want Heavenly Father }2x

And now the Word speaks of
 Boaz
 And the redemption of Ruth
 We're the reality of that mystery
 That is revealed in you and me
 Now we know who we are
 And what we were raised up for
 Oh Lord, you cover me
 Lord Jesus you cover me

You are the great Kinsman
 Redeemer
 The Mighty One of wealth
 In whose sight we have found
 grace
 We know You will not rest
 Until You finish the work that You
 began in us
 We are Your bride, Jesus

CHORUS

My faith is zeroed to the change
 I'm not just talking about being
 born again
 But I'm looking to the unseen
 That's where I have seen my
 Lord's appearing,
 The sleeping saints they are just
 waiting,
 They are waiting on us to catch
 the Lord's thoughts to draw
 them out of the earth

God, He made Abraham a promise
 Out of thee I'll make a great nation
 He had no seed to bring the
 promise
 But by faith he did believe
 And by covenant God sealed
 that promise
 Abraham knew the time will come
 When his body will be changed
 He'll be young again
 So he waited at the tent door.

The apostles they just waited
 They waited for that blessed
 hope They seen the grace that's
 been given
 Unto us in this age
 For in their time they seen His
 appearing
 And He gave them the Holy Ghost
 Now at His second coming
 His power He's giving to raise
 them out of the earth.

And to His bride He's now
 unveiled Now she sees Him face
 to face,
 He has descended in the clouds
 Just as He said He would return
 And now you see Him
 He's in the pulpit
 He is revealing all the secret
 things He's giving rapturing
 grace to quicken your faith
 So your theophany would pick
 you up.

Oh Abba Father
 There's a request I'd like to make
 The crooked parts of my life
 Can you come down and make
 them straight
 Oh how I desire to be your temple
 Consecrated and pure, set aside,
 for your use
 And nothing more
 How I desire to see your stature
 Every time I glance at the mirror
 Oh your perfect Image shines
 forth
 Out of my life, out of my life
 So I can boldly say

CHORUS

Lord I am coming into you
 In the stature of a perfect man
 I'm coming into you
 In your image and your likeness

Oh! Oh! Father here I am
 I lay before your altar
 My all I surrender
 Oh perfection, how long
 I await translation
 The seven steps of the pyramid
 The stature of a perfect man
 Faith my foundation, Virtue my
 strength
 Knowledge my understanding,
 Temperance my peace
 Patience my rest, Godliness you
 in I manifest
 Brotherly kindness, Love and
 forgiveness
 Then you inside my temple
 Forever make your domain
 So I can boldly say

There was a man in Jerusalem
 Simeon by name
 Awaiting the consolation of Israel
 And it was revealed to him by the
 Holy Ghost
 That he would not see death
 Till he see the Lord's Christ the
 Anointed Word
 Led by the Spirit he came into
 the temple one day
 And Jesus was brought in as
 was the custom of the law
 Simeon took him up in his arms
 And he blessed, yes he blessed
 the God of heaven
 Cause what he has been looking for
 He now held in his possession

CHORUS

Are you looking for Him }
 He hath appeared and yet will }
 appear }
 To us who look for him }
 He'll appear another time }2x

After dark denominational ages
 Seven to be precise
 We saw a vision of Angels and it
 testified of a risen Christ
 It's been about two thousand years
 Since He give us that word
 That as He ascended, in like
 manner he will return
 Twas February 28th 1963
 A cloud appeared 27 miles high,
 30 miles across
 This truly fulfilled Hebrews 9 and 28
 He appeared again having obtained
 full redemption for you and me

MONOLOGUE

***Our prophet suffered 42 long
 years
 For deliverance he prayed, he
 cried he was so distressed***

***The doctors told him he'll
 never be well
 But that was as far as medical
 science could tell
 He once saw a vision of what went
 wrong
 But he also heard a voice saying
 'it's only six inches long'
 Mama's dream showed six doves
 But that was incomplete
 For it was the 7th dove he
 really, really longed to see
 And it was early one morning
 when he awoke
 And he saw his deliverance in a
 vision that broke
 He went up the Catalina in
 obedience to that voice
 Where he saw his dead enemy
 and that 7th dove
 And this is what he said***

As a son of Abraham I consider
 not what the doctor said
 We know surely God give him
 his full deliverance

CHORUS

Brethren think of that situation
 you are faced with even now
 Call to remembrance the word
 God spoke through His servant
 Your enemy is dead, he's still dead,
 Redemption message of Grace
 Has come to us on the wings of
 that 7th dove
 Now exercise thy faith for there's
 power in true confession
 Break through all hindrances into
 the supernatural
 And experience the results that
 follow angelic visitation
 For surely He's here to meet
 your great expectations!

The sycamore tree by the wayside
Was made to give man shade
And the lily of the valley
Was meant to bring you praise
The precious rose of Sharon
speaks of Calvary
And I wondered could there be
anything

That You could make or use in me
But then the Son came out one
day in all His glory
And I felt in me a change
And I knew right there and then
The way I was dying
That I was being born again

CHORUS

Something so beautiful,
Something so wonderful
You've made me so much more
Than I ever thought I could be
By the rising of the Son
New life in me has begun
Something so beautiful
You have made of me

Now I'm rooted in Your garden
Your grace all men can see
I bear the fruits of the Spirit
I have faith, hope and charity
My leaves are green with fellowship
And my bough goes over the wall
And like a tree planted by the
rivers of water
My life will testify to all
And I'm nurtured by Your tender
hand,
Fulfilling your purpose
I'm part of Your great plan
For that rising Son has brought
resurrection
And redemption unto man

BRIDGE

Something so great,
Something so new!
A life that gives all praise to You
A work of grace, made by Your
hands
Molded and crafted for Your plan
And I've been redeemed
I've been sanctified
And now Your spirit lives inside
For you've made me so much
more than I ever thought I could be
By the rising of the Son.....
New life in me has begun
Something so beautiful
You have made of me

CHORUS

Oh Lord, here I am laying in the
presence of the Son
Let the rays from the Holy Ghost
shine on me }2x

We see the signs in earth and
sky, time is at hand
Fearful signs and roaring waves,
time is at hand

The seed has become the seed
again, the shock has pulled away
The Bride is called and sealed
away, the Rapture is at hand
Its harvest time and I must get
ripe, Lord hear my prayer
The stature of a perfect man, Lord
that's my cry

Behold, the Bridegroom cometh,
arise and trim your lamps
Riding through the midnight hour,
the prophet cried,
'He's here!'

958**THOUGH WE ARE
TESTED***Carol Alexander 2004*

Key F

We walk by faith and not by sight
 Our eyes look to the unseen
 The Lord Jesus Christ
 For He has promised
 That we will reign with him
 But the pathway to glory is
 through suffering
 So count it all joy when you fall in
 divers temptations
 For it's only to bring you to that
 perfect place

CHORUS

Though we are tested and we
 are tried
 Yet in the midst of it all
 We can have peace of mind
 For the trying of our faith worketh
 patience
 For in my lowest valley He
 restoreth my soul
 He gives me strength to keep
 pressing on

Sometimes we pray oh Lord
 please take our lives
 We just can't go on we don't
 know what to do
 But in that hour we found a
 juniper tree
 Where the Angel comes to
 strengthen for the journey ahead
 For in our weakness His strength
 is made perfect
 And His Grace is sufficient for us

959**YOU ARE THE LOVE
OF MY LIFE**

Key D

You are the love of my life
 You are the hope that I cling to
 You mean more than this world
 to me
 I wouldn't trade you for silver or gold
 I wouldn't trade you for riches untold
 You are, you are my everything

960**MY PRAYER***Sarah Belle Smythe 2006*

Key A

History is repeating
 But it's much greater now
 For a greater than Ruth is uniting
 With her Kinsman Redeemer
 This is the harvest time
 We've seen the Lord of the
 harvest appear
 But to come into full union with Him
 This is my prayer

CHORUS

This is my prayer
 This is my cry
 I want more of You
 No matter the price
 Total separation, Lord
 Not my will but Thine
 Take me up those seven steps
 Till in Your image I stand
 Take me up those seven steps
 Till in Your image I stand

Thresh the chaff around my life
 So I'll be a pure grain
 With no hidden sin deep within
 To hinder You from coming in
 All I want is You my Lord
 So please empty me I pray
 Because I know the more I
 empty out
 Is the more that You can fill

CHORUS**BRIDGE**

Wash me, anoint me
 Lord take full control
 Separate my soul
 So I can be
 A true eagle Nazarite in this hour
 The new crop that has grown out
 With Your power

In the days when the Roman
empire is revived
And the beast is given power
In the time of economic wars and
strife

I set my face towards heaven
T'was at that time that I heard
from the angel in the pulpit
Saying arise Oh Daniels
Seven Church Ages are all gone
The gentile days are over
Arise and do you work

So I press towards the mark
Of the high calling in Christ
With my eyes fixed on the prize
I can't afford to compromise

CHORUS

So I cry Lord (Lord come)
Nations now are breaking
(Lord come)
Signs of judgments falling
(Lord come)
How do I make it through the night
(Lord come)
And I cry Lord
(Lord come)
The enemy's approaching
(Lord come)
I need Your Holy Spirit
(Lord come)
I want to see the vision right
(Lord come)
I need a manifested life

Yea do I walk through the valley
of death
I shall fear no evil
For I know when the enemy
comes like a flood
I'm raised as a standard

And though I see many fall to my
left and my right
I'm focused on the vision
I will not be defiled with the meat
of the king
My God sustained me
And he will deliver me

And I press toward the mark of
the high calling in Christ
With my eyes fixed on the prize
Can't afford to compromise

CHORUS

And I cry Lord (Lord come)
Nations now are breaking
(Lord come)
Israel is awakening (Lord come)
The pale horse riders rules the
land (Lord come)
And I cry Lord (Lord come)
I need your Holy Spirit (Lord
come)
I need to know your will in me
(Lord come)
I want to see the vision right
(Lord come)
Give me a manifested life

And I cry Lord (Lord come)
I see genocide and warfare(
Lord come)
Men's hearts are failing for fear
(Lord come)
Let our lamps be filled and clear
(Lord come)
And I cry Lord (Lord come)
Soon I'll leave this body (Lord
come)
That's constantly against me
(Lord come)
And very soon I'll take my flight
(Lord come)
Till then I'm running for my life

I saw the S-u-n go down yesterday
 And in it's place darkness appeared
 I saw the grains of wheat awaiting
 the Sun's return
 Without the promise of the Sun light
 They know they'll surely die
 And after time and time had passed
 I saw a little sunlight at last
 A little more, then a little more
 Then a little more sunlight than before
 But at the breaking of a brand new
 dawn
 I saw the fullness the risen Son
 I remember what God had done for
 me
 When He took my sins to Calvary
 Thank you for a faithful resurrection
 Oh what a blessed consolation
 When I found nothing of worth in me
 You broke the seals of Calvary

CHORUS 1

Amazing Grace how sweet the song
 I was lost but now am found
 And there is nothing going wrong
 Thank you Lord
 For the rising of the Son

I saw the S-o-n go down at Nicea
 Rome
 Before Paul left at Ephesus
 He said there'll appear grievous
 wolves
 The serpent found a way to break
 the Son's influence
 He preached his doctrines of lies
 So down and down the gospel went
 He showed a little light in Smyrna
 And many saw Him at Pergamos
 But less light in Thyatira age
 And Luther saw him in Sardis age
 It was 1750 a man by the name John
 Wesley
 He saw a little Son-light in
 Philadelphia
 And many saw it at Laodicea
 But at the breaking of a brand new
 dawn
 The Son came clothed in a Cloud
 With one foot on sea and one on
 land

The fullness of the Son was in the
 Son of man
 Thanks for Revelation 10-7
 That man called William Branham
 He took the mystery of the risen Son
 To every kindred and nation

CHORUS 2

Amazing Grace how sweet the song
 They that were lost then they were
 found
 He gave the blind the eyes to see
 And they were thankful
 For the rising of the Son

The Son rose in Trinidad one day
 June the 3rd at Cocoyea
 To God's servant at evening time
 The fullness of the Son light began
 to shine
 Saying it's no longer a one-man
 ministry
 The Son is risen in you and me
 Revelation 10: 8-11 to you the Son
 light was given
 And at the breaking of a brand new
 dawn

We were called out by the risen Son
 We have the Son in reality
 We have our own testimony
 We saw the Son rose in Guyana,
 Tobago, St. Vincent, Grenada,
 St. Kitts, Dominica, St. Lucia
 And someday it will rise in Antigua

CHORUS 3

Amazing Grace how sweet the Song
 We were lost now but now we're
 found
 He broke the bondage upon our
 lives
 And present us as the Lamb's wife

CHORUS 4

Amazing grace how sweet the song
 We were lost but now we're found
 He broke the seals upon our lives
 And present us as the Lamb's wife

CHORUS 5

Amazing grace how sweet the song
 We were lost but now we're found
 He's given us the eyes to see
 That we're the Son's beneficiaries

Modern events have become clear
by vindicated prophecies
History is repeating itself on the
earth

God and man are being united
Ahab and Jezebel they are married
Church and politics mixed together
As written in the Fourth seal
The world has rejected the voice
Of its messenger for the last days
They have sat and drank and eaten
the food
Served from Jezebel Rome
But in the days when the towers fall
When God judges Ahab for his sins
Who is able to make war against
Jezebel's false religion
There must be a people like Micaiah
Who'll look back to Elijah's word
And though the system comes to
steal their lives
They can't deny God's word
And they will say

CHORUS

Even so come Lord Jesus
Even so come Lord
Even so come Lord Jesus
Even so come Lord Jesus

The world again is falling apart
And the signs are everywhere
Signs of famine, wars and
pestilence
As men's heart fail for fear
Disobedience brought their
judgment
And rejection brought their curse
Yet once again man crucify the
seed of God on earth
And there shall be another
performance
Of all diabolical cunningness and
cruelty
As the vesture drips with blood
Yet the word must be fulfilled

And in the days when the towers
fall

And the white horse rider rides
And the beast is given power
To steal kill and destroy
Yet there is a mighty people
Walking with the faith of God
Faith for healing faith for power
And translation in this hour

We talk about heaven, we sing
about theophanies
We want to change dimension
Lord, how we long for our new
bodies
And there's a price I must pay
The cost is neither riches nor
gold
All I have is my life that I want
you to mold

CHORUS

I give my life, I'll pay the price
Just to be close to you,
Lord let me die,
Full surrender,
laying it all on the altar
Just to be more like you
I'll pay that price

Sweet Holy Spirit
come now and fill me
And take away anything
That you know would hinder me
Though many times I'm weak in
my body
And I suffer so much pain
All I want is to be completely
sold out to Him

BRIDGE

We know that in death is victory
Yes it will be worth it all
When I stand in glory
So take all of me

Joseph was a little boy
 A little boy was he
 When his brothers, hating him,
 Sold him into slavery
 And though everything seemed
 to go wrong
 He knew God had a plan
 So on the unfailing Word of God
 he did stand

CHORUS

We are like Joseph, a fruitful tree
 Christ is living in you and me
 And though we are tested and
 we're tried
 We won't be turned aside, Oh no
 And though the enemy
 Comes in like a flood
 We see our end before us
 So we will not compromise
 We'll keep our eyes
 On the prize

We serve a mighty God
 And He gives us faith to stand
 And in a world that's cold and dark
 He's holding to our hands
 And though sometimes
 Every thing seems wrong
 We know God has a plan
 So on the unfailing Word of God
 Here we stand

CHORUS**BRIDGE**

Our branches run over the wall
 Into every nation
 And though the archers hate us
 And shoot at us
 We know the battle is won

I stood in the barnyard looking
 around
 At the chickens picking on the
 ground
 And something inside kept telling
 me
 I was not earthbound
 Then one day I heard my mama
 scream
 What's the matter with you
 Why do you live in a dream
 You are an eagle
 You were born to fly

CHORUS

Now I'm flying
 where no other bird can fly
 In a supernatural atmosphere
 high in the sky
 Seeing things that I've never seen
 He is taking me places
 I've never been
 And the higher I go
 is the more I see
 I'm now living in the reality
 I'm an eagle
 I was born free

Higher and higher I rise each day
 I'm rising to a perfect faith
 Rising on a mighty rushing wind
 Rising above the rhythm of the
 music
 Rising above the clapping of hands
 Rising above the joy of the saints

BRIDGE

The devil tried his best to cage
 and deceive me
 But then God sent His Word to me
 He delivered me
 And he's given me a law inside
 to fly
 And soon I'll soar through
 heaven's door

What is it with the secret of the
access which Abel found
When man was lost and fell
away from God

This shepherd brought a
sacrifice of blood
The tree of life by then was
sealed But as he approached he
held the key
That opened up the way to God
He could have fellowship
With the father once more

What is it with this secret
Enoch caught the revelation of
That he built the pyramid
Encrypting things for ages to come
This way through blood revealed to
him
Seven steps to the chamber of the
king
He walked with God and was not
found
He transcended dimensions

It was the same access shown
in Jacob's dream
The gate to heaven to him was
revealed
Angels passing to and from with
messages for the redeemed
Oh what great value is the
access given you and me
The secret of the access }3x

What is it with the secret of the
access Paul unveiled
He showed that lamb was Jesus
Christ
How He became our perfect sacrifice
And the work done on the cross
Completely redeemed Adam's
race that was lost
Access by faith into this grace
We now have peace
With the father once more

What is it with the secret of the
access our prophet had
That formed him in the image again
The stature of a perfect man
The spoken word made manifest
Was displayed as evidence
Seven seals opened up the way
Bringing man across the chasm again

We gained this access when the
cycle returned
By Him decrypting to us the
language unknown
Entrance ministered abundantly
The pathway to glory is clearly seen

968 OVERCOMERS*Kim Allert 2003*

Key A

Seasons change, new life
springs forth
Showing signs of resurrection
The germ of faith lay dormant in
your soul
It's now growing to perfection
The challenges you face
Are not worthy to be compared
with the glory He sees in you
Because you've kept the faith
A stranger did not follow
You believe in who was sent

CHORUS

Over-comers, over-comers
You've wrestled with the angel
Till He changed your name
Over-comers over-comers
Your life depict the scriptures
See God is still the same
As He was yesterday

Living epistles read of all men
Prisoners for Jesus
You hold this mystery so dear to
your heart
It's now becoming tangible
No longer words on a page
But a living reality
God expressed in you
Because you know who you are
You'll triumph over darkness
You'll triumph over fear

BRIDGE

And as you're walking your life
depict the scripture
We know the mystery of God is
Christ in you
And when you're speaking you
speak with revelation
Revelation 10: 8 to 11
That's who you are

CHORUS

Overcomers, over-comers
Refuse to let the devil rise
And shake you from your place
Overcomers, over-comers
Your life depicts the scriptures
See God is still the same
as he was yesterday

969 WE WILL MAKE IT THROUGH*Gloria Watson 2006*

Key C

Thank God I understand when I
wake up every morning
And the devil comes to me and
he tells me I'm not bride
Tells me I won't make it
I don't have what it takes
Look at what you have done
Look at your mistakes
But praise be to God for the
precious blood He shed
On Calvary for a sinner like you
and me
So when your enemy comes to
take away your faith
Point him back to Calvary where
the price was paid

CHORUS

If we weren't meant to be bride
We wouldn't hear these secret things
We won't be still standing here
Serving God with our everything
Didn't He promise us a new body
change
Can you feel it now
It is your theophany
There's a voice inside of me
saying we'll be leaving soon
So press on by the grace of God
And we will make it through

There is a place prepared for you
and me
It's called our future home
Where we'll live eternally
And though the battle here is raging
With eyes of faith I see
The bride of Christ, New
Jerusalem Oh what a glorious city
Nothing is going wrong saints
Just stand still and see
The mighty hand of Jehovah God
In the lives of you and me

 And to dwell in Your house
 To behold the beauty of You Lord
 To manifest the living God

CHORUS

As we enter
 In Your presence oh God
 And praise Your name
 Oh Lord most High
 As we lift You up
 May You fill us oh Lord
 As we give to You
 Our worship and praise

Isn't He Almighty God?
 And the Great I am
 Who deliver us
 From the enemy's hands
 So we come to You
 To give You thanks

 Keep our eyes fixed
 Upon the prize
 Refuse to be compromised
 By the enemy
 We must rise
 We must rise
 We must rise

We must rise up
 Over the horizontal realm
 We must rise up
 To our theophany
 To meet our Saviour
 Way up high
 We must rise
 We must rise
 We must rise

To the churches wide
 We say shalom
 Shalom, shalom, shalom

We come before Your face
 Knowing by Your saving grace
 The Lamb was slain
 A sacrifice was made
 Now the veil is rent in twain
 And we can come again
 Into Your presence
 To glorify Your name

CHORUS

With our voices we sing
 A new song to our King
 Singing holy
 Holy is the Lamb
 With our hands lifted up
 We will praise and shout
 For he alone
 Is worthy to be praised
 He is worthy
 Worthy to be praised

As we come into Your house
 We'll sing and we'll rejoice
 Oh Thou most high
 Your name we glorify
 We will praise You night and day
 We will praise You come what
 may
 And though we're small
 To You we give our all

BRIDGE

We will praise Him in the lowest

I realized that I'm one of the few
Chosen to run in this race
And I found out that it's not what
I do
But it was only by grace

CHORUS

He's my Lord, He's my treasure
He's one of a kind
By His own He was rejected
Now Jesus is mine
And I won't trade Him for diamonds
Neither silver nor gold
Because Jesus is the treasure in
my soul
Jesus is the treasure in my soul

He brought me out from a dark
world of sin
I was so lost and so blind
He told me that I am now part of
Him
Sharing in His love divine

My heart will always rejoice
His tender mercy I now can
embrace
I'm glad He made me His choice

974 WE SEE THE RISEN CHRIST*Sarah Belle Smythe 2006*

Key Am

We've seen the rising of the Son
And we have risen with the risen
One

God's seeds have come to life
By the message of Malachi 4:5
And we are standing here
To testify
Our God's not dead
He's alive
We've seen the risen Christ
He lives in you and I

We've seen the rising.....

Jesus is here
He's riding this trail again
Jesus is here
We've seen Him raise the dead
Jesus is here
He's breaking the bread
We see Him working through His
bride
Day by day He's our guide
This is why we testify
We see the risen Christ

We've seen the rising.....

Jesus is alive
We've seen Him on Sunset
Mountain
Jesus is alive
Seven angels have descended
Jesus is alive
Seven seals have been revealed
Jesus is alive
By His stripes we were healed
Jesus is alive
He has sent a prophet to us

Oh death tell me where's thy
sting
Oh grave where's thy victory
And hell you've been conquered
We see the risen Christ

We've seen the rising.....

Transforming each day
I've found my Saviour

CHORUS

We're shining
Yes we're shining
We're on our way
Heading upwards we're almost

Climbing the pyramid day by day
We're going
We're on our way

So look up brothers
Sisters too
Look up for God's Word is true
He's getting you ready for your
house
Day by day you're no longer
yours

BRIDGE

The hour is late
And soon darkness will overtake
But God's little light
Shall arise and meet Him in the
sky

We're shining

We're shining
For our day has come
We're shining
Guided by the Son
We're shining
Joining together as one
We're shining
We are the children of light
We're shining

976 LORD YOU'RE WONDERFUL*Sarah Belle Smythe 2006*

Key G

I am trying to find the words to say
How much I really love You Lord
And I'm trying to find the words
to say
How much I really care
But it seems like words are not
enough
To express this love I feel
You're wonderful
So wonderful

CHORUS

Lord You're wonderful
In every single way
More beautiful
Than words could ever say
Lord I love You
And all I want is more of You
You're wonderful,
You're beautiful
And I'm so in love with You

You are there for me when no
one's there
To comfort and protect me
And you give me strength to
keep pressing on
When all my strength is gone
You died for me upon the cross
You drive away my fears and
doubts
What would I do without You

When I see Your grace and mercy
And the love that you outpour
I just can't help but love You Lord
More and more
My desire is to please You
In everything I do
Take all of me
Lord please make me just like You

CHORUS

You're my everything
I am nothing without You
You are my King
And I just want to say
Lord I love You
And all I want is more of You
You're wonderful
You're beautiful
And I'm so in love with You

977**LET'S GIVE HIM
PRAISE***Irving Belle Smythe 2005*

Key F

So many things
 Jesus has done for us
 So many blessings
 He's still pouring out today
 Even though these lips
 May not be sufficient
 We'll still sing out and glorify His
 name

When storm clouds arise
 When there are stormy skies
 Down in the valley
 Or on the mountain top
 Despite all the conditions
 Under any situation
 Let the name of our Lord be lifted
 up

CHORUS

Let's give Him praise
*Hallelujah all praise to our
 Saviour*
 Let's give Him honour and glory
 and praise
Glory and praise
 Lift your voices and sing
Hallelujah
 Shout your praises to His name
 Give Him honour and glory and
 praise
*For He alone is worthy to be
 praised*

He is our King
 And we are His people
 And we all know
 That He inhabits praise
 So from the rising of the sun
 To the going down of the same
 We will honour and worship His
 name

There is a land
 Not very far from here
 Where our brothers and sisters
 have gone
 We're just waiting for that
 morning
 When we'll all get together
 Just to magnify and praise our
 Lord

978**REMEMBER
CALVARY***Gloria Watson 1993*

Key G

There is a peace in Jesus
 When things look so dark
 He is so faithful
 In everything that He do
 When your burden seems so
 heavy
 And you can't go on
 Remember Calvary

CHORUS

It is there my Lord was crucified
 It is there he suffered and died
 And by His stripes believe you
 are healed
 So when your burden seems so
 heavy
 Like you can't go on
 Remember Calvary

When they nailed Him on the
 cross
 I was on his mind.
 Who am I?
 That a king should bleed and die
 When I think about Jesus
 And all that He has done
 I remember Calvary

For the mountains shall depart
 And the hill be removed
 But my kindness shall not depart
 from you
 Don't let the things of this world
 Disturb your peace
 Remember Calvary

The love of Jesus is so pure
 That's the reason why we must
 love Him so
 So I will lay down my life as a
 living sacrifice
 Because of Calvary

Genesis chapter 18, verse 14:

*Is anything too hard for the Lord?
At the time appointed I will return
unto thee*

*According to the time of life
And Sarah shall have a son.*

Sarah doubted God
How could she bring forth a son?
When she looked at her state
She was barren
She thought it could never be
done
But with God all things are
possible
And all His promises He will fulfil
And it was after she judged Him
faithful
He proved that His word could
never fail

CHORUS

I believe His promise to me
A body change I will receive
I'm casting out fear
I'm casting out doubt
With God in control
There's nothing to worry about
I believe, yes I believe
His promise to me

Satan you're a liar
And you can't condemn me
You see I understand
It's not what I could do
But it's what Jesus did for me
And with my God all things are
possible
And He cannot tell a lie
So I'm casting down my
reasoning
I'm the sinless, spotless bride of
Christ

Genesis chapter 21, verse 1

*And the Lord visited Sarah as He
had said*

*And the Lord did unto Sarah as
He had spoken*

From faith unto faith
I rise each day
And very soon
I know I'll be raptured away
I believe
Yes I believe
His promise to me

Shadrach Meshach and Abed-
nego
Didn't bow to the image that day
And the fire couldn't harm them
You appeared and made a way
back then
Oh and Daniel in the lion's den
Kept looking unto You in prayer
And the lions couldn't harm him
Because You were there

CHORUS

Let us fly free in the faith of God
Let us soar past our unbelief
inside
Let us fly past the barriers of sin
And teach us Lord to wait on You
Because all we want to do
Is please You Lord

Fly free in the faith of God
Fly up past your doubt and fears
Don't look at your condition
Know that your battles are
already won
And there's no need to be afraid
Because Jesus could never fail
Just trust in Him and His Word
obey
And He'll make a way

The devil fought me with thoughts
That I wasn't of the Bride
But then God whispered in my ear
Fear not you are My child
And in this world I see it's evil
Hell is poured out on the earth
And I know with God's assurance
That this world is not my home

CHORUS

I'm not going to remain here
Very soon I'll be home
Heavens doors will open for me
For this world is not my home

So I die within me daily
Till I see this change in me
And I'm longing for the day
That my Jesus I will see
So I'll trim my lamp
Lord fill with oil
My soul is desperate for Thee
I am waiting, I am homesick
Lord do this quick short work in
me

CHORUS

I'm not going to remain here
Very soon I'll be home
I am waiting, I am homesick
And I'm longing to go home

So take me up those seven steps
Till Your image I behold
In my soul I want to please You
Lord I ask You purge my soul
I don't need to speak in tongues
I just want Your perfect love
So separate me from all evil
That will keep me far from home

CHORUS

I'm not going to remain here
Very soon I'll be home
Lord separate me from all evil
That will keep me far from home

What kind of love is this?
As he walked up Golgotha hill
There all eyes was on Him
The bleeding Lamb, the full Word
And they mocked Him
And scorn Him as He walked
In pain and love He carried the cross

CHORUS

Calvary, Calvary
He walked that dusty road for me
Calvary, Calvary
He's no longer dead
He lives in me

The Word made flesh again
The Son of Man is reveal in our day
Same sign and wonders he did
show
And still again they crucify the Word
But we believe Him
And hold fast to His Word
To us His mercy He did show

We know the price has been paid
The Lord is calling us by our name
Calvary means so much to me
Every devil in here must flee
So rejoice with me New Jerusalem
Soon we'll see the One we love

As the deer panteth for the waters
So my soul longeth after Thee
You alone are my heart's desire
And I long to worship You

CHORUS

You alone are my strength, my
shield
To You alone doth my spirit yield
You alone are my heart's desire
And I long to worship you

You're my friend
And You are my brother
Even though You are a King
I love You more than any other
So much more than anything

Once like a stranger
 I was to you Lord
 Didn't know you paid the price of
 redemption for me
 But it was my hap one day
 I came into your field
 And through your grace and love
 Your word I humbly received
 For you are my kinsman redeemer
 In you my heart has come to love
 and trust
 I who was unworthy
 Has found favour in your eyes
 To be your chosen bride

CHORUS

Now I'm going to the house of
 my redeemer
 And there I'll be with him forever
 He's changed me from a sinner
 to a gleaner
 Now His bride who shall reign
 with Him
 The threshing days will soon be over
 His life in me is now glorified
 I'm waiting
 To be taken to his garner
 Where I'll stand
 Perfect forevermore.

Well my desire is unto you my Lord
 I've learn to walk and live by your
 holy word
 And Lord I've been grateful for
 Your extra handfuls of grace
 That has caused me to walk this
 far by faith
 Perfection is my one desire
 Your life alone in me I want to see
 My all on your altar
 I'm willing to sacrifice
 For in you I stand complete.

CHORUS**BRIDGE**

Lord, not once you have ever
 failed me

Each day I prove more that your
 word is true
 I know soon that someday this
 mortal life of mine
 Will be change in a twinkle of eye
 I'll be raptured up to meet you in
 the sky.

I'll stand perfect forevermore}3x

I stand in awe to see the greatness
 of our God
 I stand in awe to see what he has
 made out of nothing
 I stand in awe and marvel at his grace
 For I know that it's a work
 That only God could have done for
 me

CHORUS

Except the Lord build this house
 Then our labour is in vain
 Lord if you don't watch over us
 Then the watchman
 He watches in vain
 He watches in vain
 A house for his name

We stand in awe to see the
 builder's thoughts of his house
 We stand in awe to see what he
 has done for fallen man
 We stand in awe
 A work well done by the master's
 hand
 This house which God has built for
 his name

We stand in awe to know that
 royalty lies in us
 We stand in awe to know we are
 part of this great mystery
 We stand in awe to see the grace
 that this Bride has found
 Through the opening of your Word

Who made the ocean to come
thus far?
Who thought the birds to sing so
sweetly?
Who made the heavens the trees
and the earth?
It has to be someone more than
a man.

Who created man in His image?
Who breathe the breath of life in
him?
Who give us victory over all our
enemies?
It has to be someone more than
a man.

Who revealed the mystery in this
last day?
Who said you're My people,
I'll make you My Bride?
Who will put your enemies under
your feet?
It has to be someone more than
a man.

Who took the seals of the book
of Esther?
Who revealed the plot of the
wicked one?
Who said I'll destroy them before
your very eyes?
It has to be someone more than
a man.

The One I sing of is Almighty
God
He is ever present even here
right now
He is Alpha and Omega
The beginning and the end
Truly He is Almighty God

To have the victory takes more
than a man
To overcome takes more than a
man
To get to glory takes more than a
man

I came trapped in this body
By-passed my theophany
But I'm longing to get out of this
house

To that body prepared for me
Where sickness, pain and death
Will all be history
A supernatural Word
That's what is changing me

CHORUS

From glory unto glory I'm being
changed
Soon we'll lay aside this flesh
To enter eternal rest
I'm being changed }3x
Putting on my theophany

I'm so tired of these dimensions
They're holding me earth and in
time
I want to go to Mt. Zion
Where peace will all be mine
I can see the saints running over
those hills
Just to greet me
We'll sing amazing grace
With the prophet under the
evergreen tree

CHORUS

Make sure everything is intact
For soon he'll be coming back
I'm being changed putting on my
theophany
Get your tickets in your hand
To join that big great heavenly
clan
I'm being changed putting on my
theophany
We'll sing in one accord
As he says welcome all aboard
I'm being changed putting on my
theophany
Don't be late
Don't hesitate
For He'll be waiting at the
eastern gate
I'm being changed putting on my
theophany

I've heard of Moses crossing
The mighty red sea
And I've heard of Joshua leading
Israel to victory
But in this day I'm looking for
Present tense reality
I'm looking for the literal life of Christ
To form in me

CHORUS

In the resurrection of the Bride
We can hear the thunders sounding
The pull is deep inside
And I am hearing Him call my name
So I'm looking for the quickening
power
For the rapture and the change

We've heard of Jephthah and Gideon
Of David's mighty men
And we've heard of the power of
Samson

When that spirit came on to him
So today we are looking for
The third pull on display
When the mind of Christ is in the
Bride she'll say

We know Bro. Willie and Wilson
Bro. Leon too
And Bro. John and Frankie Jacobs
Saints who stood tested tried
and true
Sleeping saints and over comers
Victorious in this age
And in the better resurrection
They'll be raised

This pull brought us out from Moab
And from gleaning in the field
Where we met with the Lord of
harvest
Whom His chief reaper has revealed
And now is the time of purging
We're on that threshing floor
We're being cleansed and
sealed to sin no more
The token is what we're longing for
The end time Words come back
to seed
The little Gentile Bride, she must
conceive
For a blast of thunders and a
prophet's shout
Its full redemption will bring us out
From the field of gleaning
Into God's house

BRIDGE

Third pull power and authority
I want my body change
And theophany
Oh yes, the sleeping saints will
rise
And the Bride will take her flight
When the resurrection power is
formed in me

It's so easy, Lord, to stumble
In this old world we're living in
While old Satan goes to and fro
There's so many that are falling
Yes, they are falling everyday
So help me stand Lord
The way You stood long ago

CHORUS

Help me stand by Your grace
And look the whole world in the face
And sing Your Word wherever I go
When the tempter comes around
Lord give me strength to turn him
down
So help me stand Lord
The way You stood long ago

I know believers who lived in the
ages gone by
They faced temptations, yet they
stood true
But I'm living in the most evil of
all ages that ever was
So precious Jesus now help me
stand and honour You

When on the earth you were
confronted
By the tempter you did not bow
You overcame all temptations,
yes, every one
You defied him, Your precious
Blood flowed
To cleanse and give me strength
to stand
So now I pray Lord, by that same
Blood I'll overcome

You brought me out from a
barren country
Exalted me in Your field
With a tender hand with such
grace You called me
Provided all my needs
And I don't deserve one single
bit of mercy
Yet in love You purchased me
And so I lay at Your feet
And I bow before Thee
Lord of Harvest, spread Your
skirt and cover me.

CHORUS

And entreat me not to leave Thee
I've forsaken all to follow You
For Your word abides forever
I've found You faithful I've found
You true
And I'll never know another
For my soul Your love has claimed
You're my Lord and King forever
Lord of harvest in my life You
must reign

Your gave me rest Your golden
grain sustains me
You took away my shame
Into Your house as Bride You
brought me
You've given me Your name
Yes You paid the price for my full
redemption
From my labours I now can be still
And You've set such love and
peace upon me
Kinsman and Redeemer, I've come
to know Your perfect will

CHORUS

So entreat me not to leave Thee
I've forsaken all to follow You
Your word abides forever
For I've found You faithful and true
And I'll never know another
For my soul Your love has claimed
You're my Lord and King forever
Kinsman, Redeemer, in my life You
must reign

BRIDGE

*So spread Your skirt and cover me
I've forsaken all to follow Thee
You paid the price to redeem me
You've given such victory
And I'll never know another
For my soul Your love has claimed
Kinsman and Redeemer, in my life
You must reign*

Into your presence Lord
Time after time I've come
And through thy word I hear
You've changed and transformed
me
And Lord my desire has turned
heavenly
I am longing to be like you
Your very own image
Your own likeness
Lord I want to stand

CHORUS

From perfect faith to perfect love
Lord my soul is coming up
For this is the day and the hour
Of my translation
You said 'Fear not' to me
All I require, that you will do unto
me
O Lord I believe
I'm coming to perfection

Who am I, dear Lord
That thou take knowledge of me
This Moabitish damsel
Has truly found favor with thee
For Lord you look ed beyond my
faults

And you saw I was in need
The price of redemption you
willingly paid to redeem me

O cover me dear Lord
With thy great love
For thou art my kinsman
redeemer
The great and mighty one
Now I am a virtuous woman
Your bride at your side
I've come into union with you
I've found full redemption.

Once I sat in darkness
 But then the glorious light of my
 God shone upon me
 It's the Lord of the harvest
 Coming down from heaven above
 To his chief servant he came
 Revealing his plan of redemption
 for me
 Unworthy I am, yet he calls me
 his own bride
 The book of my life, he has
 opened up
 The seals upon it, he has taken off
 My sin's reproach has rolled away
 My true destiny's now revealed

CHORUS

My life's a story of grace and love
 I have a kinsman who cometh
 from above
 He's come to claim me
 I am his own
 He's taking me to my future home
 His mercy has rewrote my life
 Through his blood, the perfect
 sacrifice
 Now in union I stand with him
 United forever and ever
 And ever.

For this great work of love, you
 have done
 Lord my heart is forever grateful
 to you
 Quickened by your Holy Spirit
 I am raised in newness of life
 Now I understand who I am
 I am your attribute manifest in
 this day
 To bear witness of you
 To your purpose, for this cause
 I came into this world
 Seven thunders, seven seals
 Seven steps to bring me to
 perfect rest
 Faith of your faith
 Life of your life
 I am the mystery of you revealed

Born in sin, shaped in iniquity
 I came forth in this world
 speaking lies
 Separated from the God I longed
 to serve
 His Word, this perverted nature,
 has denied
 Oh and I long, oh yes I long
 To be rid of this old man, to
 become a new creation
 The law of sin in this inward man
 Must be brought into subjection
 My greatest enemy I've realized
 It is me, it is me

CHORUS

And now I see, now I understand
 The great work that's been
 wrought for fallen man
 He delivered me from indwelling sin
 Now there's no condemnation
 To those who are in Christ

Elohim, He is determined
 He's not going to remain alone
 We were created for His pleasure
 His workmanship that's what we are
 And for fellowship and sweet
 communion
 To be a co-worker with the living
 God
 To live unto His expectation
 It's just what He desires for me
 It's not what I long to be
 For when He died on Calvary
 He purchased me, He purchased me

CHORUS

And now it is impossible
 I could never, ever be lost
 I breathe the very life of God
 I came His provided way
 By the Blood of Christ, I am washed
 For sin no longer reigns in this
 mortal body
 I am a living sacrifice
 My inwards burn constantly
 Refusing to be satisfied till this
 glory is revealed in me

I left a barren land searching for rest
 Stumbling around in amnesia
 bitterness and distress
 But then I met the Kinsman
 redeemer Who's called the
 Mighty One
 He took this old Moabite from the
 field and brought me to his
 house

CHORUS

He said Fear not my child for you
 are part of me

And I'll not rest till you are at my side
 I will do all that you ask of me
 You're a jewel in my eye
 Virtuous woman you are my bride

I've responded to your call and
 you have covered me
 With eyes of faith I see all the
 mysteries being revealed
 Now I see who I am I make claim
 to all that's mine
 I am the Lamb's wife I was
 bought with a price

When I look back and see
 How much grace and love you
 showed me
 Lord it brings me to my knees
 that you can even think about me
 When I am in need you are still
 Jehovah Jireh
 Jehovah Rapha you are still the
 great healer
 With faith I'll stand on your word
 Because you are more than able

BRIDGE

Lord I am casting all my cares on
 you
 I know you love me
 Redemption by blood
 That's the greatest love story
 Full restoration, full redemption,
 That's what seven angels in a
 cloud testified
 My redeemer 's no longer dead,
 he is risen
 And he's coming back for you and me

You have considered me
 When the world despised me
 You have purchased me when I
 thought I couldn't be loved
 Lord I just want to say how much
 I love You
 I lift my hands to praise and
 thank You
 For I know all of Your promises
 You will fulfil

CHORUS

Blessed assurance, all is well
 Things may seem impossible but
 I know God cannot fail
 Just look back and see how many
 times you were at your end
 And God delivered you with His
 mighty hand
 Blessed assurance, all is well

You may be believing for your
 unsaved loved ones
 For total healing when the doctor
 says nothing else can be done
 But my Redeemer's the Physician
 His report says it's a finished work
 So claim every inch of ground
 the devil stole from you all, in
 God's Name

This is my story, this is my song
 Praising my Saviour all the day
 long
 This is my story, this is my song
 Praising my Saviour all the day
 long

Blessed assurance all the day long
 Praising my Saviour all the day long
 Blessed assurance, all is well

It was a day in September
 One lonely night something
 fluttered into my heart
 I looked around to see
 What could it be
 No one else but the sweet Holy
 Spirit

CHORUS

A snow-white dove }
 Flew into my heart }
 Saying don't worry my child }
 All is well }2x

My skies were misty, my clouds
 were dark
 Until that daystar dawned in my
 heart
 With a message of grace
 Comfort and peace
 Bringing an end to all my troubles

All around us is war
 And rumours of war
 And violence fills the whole world
 But before one bomb will fall
 He'll take us away
 To live eternally

How can I not live for him
 I've heard the voice of his blood
 Speaking better things for me
 Speaking pardon and liberty
 Showing me what was done on
 Calvary

It has told me my sins are gone
 It has told me I am his son
 It has told me he has prepared a
 place for me

I've seen his vesture dipped in blood
 I've come back to renew my
 vows to him
 That is why I am here again
 I've come back to see the Lamb
 that was slain

We heard the emancipation
 proclamation

We have seen the risen Son
 Out from the slave fields of sin
 we came
 In search of another land

We keep coming back to this place
 Cause it holds for us such great
 treasure
 Each time we see this
 bloodstained vesture
 The price of our freedom we
 remember

And forever we will praise
 This lamb who for our sins was slain
 Together with him we will be in
 eternity

And I thank God for the old
 rugged cross
 It's shame and reproach I gladly
 bear
 I will cling to the old rugged cross
 And I'll exchange it some day for
 a crown

I could climb the highest mountain
 I could cross the deepest sea
 I could walk through the widest
 desert
 But what would it profit me?
 Nothing

CHORUS

'Cause Jesus in You
 Well that's where I'm truly free
 Only in You is where I long to be
 Everything, all I need is in You
 Jesus in You that's where I find
 peace
 Only in You is where I have
 sweet release
 Everything, all I need is in You

I could rise in man's corporations
 Spend my life seeking wealth,
 fame and fortunes
 I could desire to rule the nations
 But what would it profit me?
 Nothing

CHORUS

Jesus, all I need
 You are my everything
 It's all in You

Boaz has left His palace
 Came down in the field
 At harvest time for a visitation
 As He arrived at the field
 To His great amazement
 A different kind of tree
 A beautiful flower
 like the lily of the fields
 Ruth the Moabite

CHORUS

A story of love started in the
 fields
 At harvest time between Ruth
 and Boaz
 A story of hearts that are bound
 forever
 At adoption time
 Boaz and Ruth the Moabite

Instructions were given to the
 harvest chief
 For her to be looked after
 This Gentile daughter
 For right there in the field at
 harvest time
 For so much love in His heart
 He felt for her

At any cost to redeem her
 This beautiful lady
 That's what He thought about
 since love at first sight
 Right there in the fields at
 adoption time
 Forevermore she would be His
 bride
 Eternally she would bear a New
 Name

A great story of love
 Between me and my Saviour
 A story of hearts
 Bound for eternity

CHORUS

I'm down here at the threshing
 floor (Cover me)
 I'm asking You to cover me
 (Cover me)
 I need to hear the secret things
 You're saying
 I'm asking You to cover me

I come to You dear Father
 Without any special feeling
 At times I'm so discouraged
 As if my life has no true meaning
 Satan has taken away my
 strength
 And has robbed me of my wealth
 Thou art my mighty Kinsman
 Redeemer
 In You I put my confidence
 So I'm placing my claim

Draw me closer and closer
 Till You and I become one
 Spread Your skirt over me
 It's You I want to become
 When You answer my petition
 I'll always walk in victory
 I'll walk into the enemy's camp
 And take back what he stole
 from me
 So I'm placing my claim

BRIDGE

I'm laying my sins and weight
 aside
 I'm following wherever You lead
 I'll take the fight to my enemy
 And take back what he took from
 me

1001**I'LL KEEP PRESSING ON***Kim Allert 2002*

Key C

Like my forefathers did and their
 fathers before them
 They kept the Word of God
 within their hearts
 Through tears and toils they
 fought with conviction in their
 souls
 Now their children have an
 inheritance
 The faith of the Lord

CHORUS

For whatever it takes I'll keep
 pressing on
 Whatever trials come my way I'll
 be pressing further
 For what shall separate me from
 the love of Christ Jesus my Lord
 I've counted the cost, I'll pick up
 my cross
 And keep pressing on
 I'll finish my course with joy }2x

Like my sister Ruth it is within my
 make-up
 To fulfil the task Adam did not
 fulfil
 For such a time as this I must bring
 forth this Christ child
 And be perseverant in spite of all
 obstacles

And whatever it takes I'll keep
 pressing on
 Whatever trials Satan throws my
 way I'll keep pressing on
 What shall separate me from the
 love of Christ Jesus my Lord
 I've counted the cost, I'll pick up
 my cross
 And keep pressing and finish my
 course with joy

1002**THE DOVE FLEW INTO MY HEART***David Bishop 2006*

Key E

I may be sick but I'll keep on
 believing
 I know that I'll be healed in Jesus
 name
 The devil tried to rob me from my
 inheritance
 And the blessing the Lord has
 promised
 I looked at my lying vanities and
 said
 I'm going to walk into my victory

CHORUS

The dove flew into my heart
 I know that He did
 He has led me through the storms
 I firmly believe
 The Lord has raised me up so
 high
 To believe what He has done for
 me
 I'm an eagle to soar above the
 troubled waters
 He has fluttered His wings in my
 heart
 The dove flew into my heart I
 firmly believe
 The dove flew into my heart I
 know that He did

I may be troubled, confused and
 shattered
 I may be scarred but I'll never
 give up
 He has promised deliverance
 from all my bondage
 He wouldn't deny what He has
 promised
 Jesus has provided all my needs
 Whenever I call on His name

1003 THE MESSAGE OF A WOUNDED DOVE

Ken Primus 2007

Key A

From the outer regions of the lost
God has brought us back
Her gates are the gates of hell
And many enter therein
Then at last we heard a great blast
The Thunders uttering
This time they spoke clearly
The mystery of the Seventh Seal
And here we are in the second-fold
of a three-fold mystery
Part being spoken by the Son of
man
But the other in you and me

CHORUS

The message of a wounded
dove went home
Now it's come back again
In the power of the Word
Speaking resurrection
Speaking rapturing faith
Full redemption
From a fallen state

With the power that will judge the
earth
We are lifted higher
Higher and higher until we all
come into that Seventh peak
And from there we'll change
dimensions
Cross into that other land
Where we'll meet friends and
loved ones
And those who've already gone

A window now is opened
And the light is shining through
Celestial light from a celestial world
Shining into our souls
The dove and the raven are loosed
Two powers in the earth
One feeding on the flesh of
disobedient men
But the dove in you and me
And for this purpose He's
descended
A full cycle of time's about ended
And here we are in this reality
While Noah was a coded mystery

1004 A BETTER WORLD

Arlene James 2006

Key D

Take a picture put it in a darkroom
There's a process for it to go
through
Take it out when the process is
completed
See the beauty before you
That's how it is with this life here
on earth
The shot was taken from another
world
Earth is the darkroom where our
lives develop
Soon our true beauty will unfold

CHORUS

In a better world, a better place,
a better life
In a better way, with better things
In eternity, that's where we'd be
With the one who died for you
and me

Here we see trees struggling to
live
But there's a place where they don't
Here we see sickness and dying
There's a place where we won't
We've got no future on this sinful
earth
Our eyes are fixed on another world
We've got no treasures here below
There is a place where they are
stored

In this world we're pilgrims and
strangers
But there's a place where we
belong
Soon we'll leave Satan's Eden
Take courage pilgrim it won't be
long
Down here we have no
continuing city
But we seek the one to come
We desire that heavenly country
God hath prepared our future home

1005 FLUTTERING IN

Arlene James 2006

Key C

In the beginning God created
heaven and earth
And the earth fell into a chaotic
condition
But the Spirit of God moved
(Spirit of God moved)
He fluttered like a dove
(Fluttered like a dove)
Bringing healing to this attribute
of God
Yes the Spirit of God moved
(Spirit of God moved)
He fluttered like a dove
(Fluttered like a dove)
Transforming the earth into a
beautiful Eden

CHORUS 1

Fluttering in (Fluttering in)
On the wings of love
(On the wings of Love) }2x
The Lord coming down on the
wings of a dove

This same God came in human skin
As the sacrificial Lamb to take
away our sin
Subjected Himself to be washed
by His Prophet
He said it becometh us to fulfil all
righteousness
The prophet looking up saw the
heavens open
And he saw that Dove coming
down like a fire

The prophet bore a sickness
most of his life
For his own healing he begged
and he cried
He looked for the time the Dove
would appear
To take away his suffering his
pain and his fear
That day he was led up the
mountain high

He saw that seventh Dove he
looked for all his life

CHORUS 2

Fluttering in (Fluttering in)
On the wings of love (On the
wings of Love)
The Lord coming down in the
form of a dove
Moving through the lattices
(Moving through the lattices)
Can you see Him now (Can you
see Him now)
The Lord coming down on the
wings of a dove

The Bride too has suffered
Down through these years
But this faithful Dove once again
has appeared
In this second ride He speaks to
you and me
Have faith in His Word, He'll set
you free
Nothing is impossible for Him to
do (For you and me)
He says 'I am the Lord that
healeth thee'.

CHORUS 1...

He was seen in a rainbow on a
farm in Siparia
As a pillar of fire over in Guyana
In Central America the Cloud
came down
Down in Argentina He came as a
dove
The appearing of this Dove identified
We're on that trail in this second
ride

CHORUS 2...

Come into my heart Lord
Coo in I believe (I believe, I
believe)
Your healing Lord
Even now I receive
Fluttering in
Let Him save you now
The Lord coming down in the
form of a dove...

1006 THE BLOOD STILL CRIES FREEDOM

Elizabeth Bishop 2008

Key F

MONOLOGUE

***I didn't see Him walk up that
lonely hill.***

***Neither His bloody footprints,
that marked the path to His
suffering.***

***As the nails pierced His hands
and feet,***

The veil was rent in two.

He saw the vision,

This blood-bought church

He saw me, he saw you.

***Now we are loosed from all
our bondage.***

Our shackles are gone.

Death, you still have no sting.

***I can still hear His blood cry,
Freedom! Freedom! Freedom!
Freedom!***

CHORUS

The blood still cries freedom
From bondage and sin
You don't have to worry at the
foot of the cross
He wrote our names
Sealed with the blood of the
spotless Lamb
Hold on to God's unchanging hand
The blood still cries freedom
Look and live

I have heard but now I see
What the blood can do for you
and me
It has quickened our souls,
Made us whole
We have sweet victory
The Seven Seals are opened
(The Son is risen)
That's good news from the tomb
A Seven Thunders message, for
rapturing faith
By blood we'll make it through

Some have fallen in battle
Some led astray
But there are some wounded
soldiers

That need healing today
Nothing is impossible
These dry bones can live
The blood will restore
That's thus saith the Lord
Oh glory to God.

BRIDGE

Hallelujah, let freedom reign,
Emancipation is here
Shout the sword of the Lord
The battle is won
Let freedom reign

1007 ONLY BY FAITH

Kim Allert 2003

Key D

Child you've got to be ready,
though trials are hard
You have to have faith in God's
Word
Child you've got to be robed with
the Word of the Lord
You've got to have faith in God's
Word

CHORUS

You've got to prepare for the battle
ahead
Enquiring of the Lord day and night
To possess the keys to your
great victory
Only you, only believe.
Victory

See yourself as the bride who
wouldn't fall
But is raised up to stand in this
day
Though all hell is against you
Only have faith and believe

See yourself in the vision of God
knowing that God never fails
Although your faith is as small as
a mustard seed

Identify the demons you fight
Understand your position in
Christ For in these times, these
troubled times
God gives the faith to prevail

1008 MOVING UP THE LADDER

Georgia Noel 2007

Key C

The greatest contest now is on
We're in a battle
There's a war in the heavens for
the souls of men
Fallen angels to the earth have
descended
And demons from the Pit ascend into
the hearts of men
But the end time Prophet
Caught a vision of a little Bride
One counted worthy to escape
She shall reign with Him in white
For she's tested and she's tried
And soon she'll see the Master
face to face

CHORUS

We're moving up
To the top of that ladder
Form the seventh step
Into the chamber of the King
And we're holding to the promise
of the rapture
Marching stately, walking holy
to meet the King

By false doctrine and unbelief
men are dying
Through the power of deception
Satan's fighting
But Ahab and Jezebel shall fall
at Jezreel
Their false prophets shall be cast
into the pit of hell
For an end time Elijah
spoke the Word
And one like Miciah reiterates
Though he's scorned and spurned
The seven thousand who will not
bow
Determined to serve God anyhow
God's fire will fall to wipe Satan's
kingdom out

BRIDGE

Onward Christian soldiers
Marching as to war
With the cross of Jesus
Going on before
Christ the royal banner
Leads against the foe
Forward into battle
See His banner go!

1009 SPRINKLE ME SPECKLED DOVE

Shonna Perrotte 2009

Key D

I've considered the leper in the
day of his cleansing
All his hope was in two turtle
doves
The thing that held him captive
For most of his life
Will finally be utterly destroyed
And while she's fluttering her
wings in the evening time
Crying Holy, Holy unto the Lord
It will surely bring full deliverance
And set him free

CHORUS

Sprinkle me speckled dove
Flying Holy, Holy, Holy
Sprinkle me speckled dove
With your precious holy blood
And while you're flying on the
eighth day
With the blood of your mate
It's the only hope for a leper
For his cleansing in that day

Jesus Christ when he came to
earth
Was led to Calvary
He was crucified and his blood
put on the Bride
He was the perfect sacrifice that
was slain for our sins
So we could be free from the
power of in-dwelling sin
And when he hung in the midst
of heaven and earth
Spoiling principalities and
powers
He conquered worlds both seen
and unseen
When he cried "It is finished."

We were not made to be trapped
in three dimensions
We were not made to be affected
by the underworld
But God had it in his mind
He had a space of time
Where all his attributes
They will be expressed
And as the time draws closer and
closer
And time elapses into eternity
In my heart there grows a faith
To quicken this mortal state
And make me what I ought to be

CHORUS

I can't wait to leave
To be translated
To take my flight like the eagles
in the sky
My face is set towards the sun
And the day is almost done
Like the eagle we will be renewed

We were not made to live under
pressure
We were not made to live up and
down each day
But God had it in his mind
He had a space of time
Where he'll be gloried in our fallen
flesh
And as the end draws closer and
closer
We feel the pull from the celestial
world
And the things of earth just fade
And our burdens roll away
When we think of the things that
are to be

Where there's a deep, there's a
deep to respond
Where there's a negative, there
is positive somewhere
And we heard so many times of
this place beyond sublime
And this is where, where I long to be
And the line grows thinner and
thinner
And we get conscious of the unseen
world
The sleeping saints want to return
And we long to be fully robed
Never to be earthbound again

Lord we come into your presence
We know what you can do
You said wheresoever two or
three are gathered
There I am in the midst of you
So we come with faith believing for
the Holy Ghost from you
Mommy and Daddy cannot give it
And we want to be filled with your
spirit too

CHORUS

We are waiting; we are waiting
on you Lord
Our provider, our deliverer, our
friend
We are waiting, we are waiting
on you Lord
Here at the altar, with our
sacrifice
Till you answer by fire
Oh Lord, till you answer by fire

Lord I've been crying deep down
in my soul
Your Word I keep believing
I'm hoping against hope
When I look at my condition
I cannot help myself
So I'm yielding to your Spirit
Won't you come and have the
preeminence in my life

BRIDGE

We had a prophet came in this
day
He restored all that was lost
We built back the altar
God promised he would send the
fire
We built back the altar
God promised he would send the
rain
That's why we are waiting, we
are waiting, we are waiting

1012 KEEP ME LORD

Georgia Noel 2007

Key C

I'm tired of living defeated
Tired trampling between right
and wrong
Tired of partial victory
Sometimes up and sometimes down
Lord how my soul longs for perfection
There's a desperate cry for You
I need to know that I've pleased
You Lord
Life is worthless without You

CHORUS

So keep me Lord
On my knees in prayer
When the trials and testing come
I need to know You're near
When all life's work is done
I need to know I've overcome
To hear You say "Well done."
Keep me Lord

Soon this age will be finished
Sirs this is the end of time
Soon the squeeze will be upon us
We know that just a few will stand
I'm holding to the promise this
Bride will make it
Like Daniel I'm praying through
I need to know my faith is
perfected Lord
But I can't make it without You

BRIDGE

I'm tired of failing Lord-----
You're my victory
I'm tired of tramping Lord-----
When You are leading me
I'm tired of doubting Lord-----
When You redeemed me
I'm tired of murmuring Lord-----
When You provide for me
I'm tired of complaining Lord-----
When You delivered me
I'm tired of sickness Lord-----
When You've healed me Lord
I'm tired of crying Lord-----
When You comfort me

I'm tired or failing and tramping
Doubting and complaining
Sickness and crying
I'm tired of being tired Lord---
When You're my victory
I'm tired being defeated Lord,
when You're my victory
Help us Father, Forgive us Father
Lead us Father, Heal us Father

And Father take us one step
higher up the ladder
So we can see Jesus and Your
program
May sin and unbelief die out in
our hearts
Father give us that new birth
And may the power of Your Holy
Spirit
Have preeminence in our lives
Raise up mighty men and
warriors Lord
Cap off the pyramid of our lives

1013 LET US ARISE

Kim Allert 2007

Key F

It's not by might, not by power
It's not by anything we've done
But what God can do
This is our house; this is our
Father's house
Its walls are broken down
The temple of God

CHORUS

So let us arise today
Arise today
Let us arise today
And rebuild Jerusalem

Build back those gates
Restore those places
Till our Father's holy house is
spotless again
Pick up those stones
Mend those breaches (Prepare
those vessels)
Let's fortify the house
Of our Father again

1014 WE HAVE THE DEED

Ken & Kelisha Primus 2007

Key Em

We have the deed but he playing
the boss

'He think he go get away with his
bluffs'

But we see him in revelation 6:1

'While he think he's hiding God
has a plan'

There he stand posing with all
his demons

But he has to wait for God's
permission

Feeling glad he now lives in flesh
God knew that was always his
weakness

CHORUS

As the bride gets to know who
she really is

A super race, a super church
The sons of God now on the earth
The rightful heirs, the overcomers
Sons born from the loins of God
They will rule the earth

We were in amnesia since were born
We never knew we had such a
great commission

We never knew we had such a
claim

He pulled back the seals and he
showed us our names

Them demons see one man
operating in his place

What will they do when they see
a whole race?

When satan thought he killed the
seed on the cross

He got a surprise, he got to know
who's the boss

The time has come for the final
phase

The final chapter in the human days
Through perfect love the

sleeping saints going to raise
We'll quicken the alpha church
from the grave

This great army of the living God
Will her final battle, her final war

Two hundred million demons
from the pit

This great ride will be their final
defeat

1015 TEACH ME HOW TO NUMBER MY DAYS

Shonna Perrotte 2007

Key C

Just to think that I was elected
and called-out

In this glorious age

Saints and sages longed to see,
they stood so gallantly

Having things in shadow but
seeing a greater reality

They died in faith believing that
this city they'll surely see

Abraham looked for this city whose
maker and builder is God

Joseph said carry out my bones, a
resurrection he knew there'd be
God told Daniel to seal the vision, it
was not appointed him

Malachi: 4 cried to see the day
when these things will become a
reality

CHORUS

Lord, teach me how to number
my days

And apply my heart to wisdom

The age that great men longed
to see

Has been reserved for you and me
And what shall we do with this
sacred responsibility

We'll possess our vessels in
sanctification, to tabernacle deity

Just to think we've received the
seed that was promised

In Genesis three

The Seven Thunders mystery
brought by Seven Angels from
eternity

The Word made flesh in the
virgin, the promise of the
kinsman being fulfilled

Bringing Adam's fallen race back to
the oneness that was in Eden

Abraham looked for this city whose
maker and builder is God

Joseph said carry out my bones, a
resurrection he knew there'd be
God told Daniel to seal the vision, it
was not appointed him

Malachi: 4 cried to see the day
when these things will become a
reality

Kelisha Primus 2006

Key A

We are living in the fulfilment of
the scripture
The seventh dove came to the
prophet in the water
How we ought to have faith
How we ought to believe
For that seventh dove we must
now receive

Not many days from hence you
shall receive the power of the
Holy Ghost
(The Holy Ghost)
The promise is to you and I
The prophet spoke and God
cannot lie
It is thus saith the Lord, (Thus
saith the Lord)
Jesus said if I don't go the
Comforter cannot come
But he said he'll ride this trail
again in you and I
The Spirit in the Bride

CHORUS

Oh Hallelujah, All praises to the
King
Hallelujah, our praise to you we
sing
We are transformed, we're in his
image again
We are reborned, we're in his
image again

Open up your heart, anoint the
Word with faith
That which is spoken of thee,
spoken of thee
Full obedience to the Word and a
living sacrifice
It's an aroma to God, an aroma
to God
Then he'll say this is my son in
whom I'm pleased to dwell
For when we came, we came
from thought to flesh
Now we're reborn by the spoken
word

There'll be a very short quick work
Before we are taken off the earth
In the twinkling of an eye, the
twinkling of eye
We'll be capped with perfect love
We'll have the nature of the dove

That descend from above,
descend from above
The winnowing fan is in God's hand
The day of vengeance is near
But little Bride you'll be taken to
his side
That's why the Dove descend to lead
us home again

1017 A TEMPLE ONLY FOR MY KING

Kelisha Primus 2007

Key F

I have tried to go my own way
I have tried to do my own thing
My desires and my plans,
My dreams were in command of me
But in God's mind he had his plan
Way before the world began
His eternal purpose will not be
hindered by me
He demands my all

CHORUS

And now behold here I am
I am a living sacrifice
I am carrying the blood of the Lamb
I am entering the Holy of Holies
The wings of the cherubim cover
me
My soul is fully robed
My life is not my own
I am a temple only for my king

Lord you have set me in my place
You have weighed and
measured me
And here I am your temple
A vessel you ordained to bear
your name
You have sanctified and anointed
me
Thy holy fire regenerating me
I'm being purified for you must
abide in me forever
And alas oh Lord I can see your
divine Love
You've gone to prepare a place
Pre-ordinances you gave to
remember thee
You have returned just as you said
And In my heart I'm overwhelmed
Jerusalem indeed was not
forgotten by thee
She is eternal

1018 CAN YOU HEAR THE SOUND

Sarah Belle Smythe 2005

Key G

High above the human realm
The Bride of Christ is rising
In a realm of revelation
And vision she is standing
The director is in the spirit
Of the Great Composer
And we're working as one
together
To achieve God's great purpose

CHORUS

Can you hear the sound
Of a mighty symphony
The Lord and His Bride
In perfect harmony
He's lifting us higher
To a perfect restoration
There's super anointing
As the Word of God is unfolding
I can hear the symphony rising
Soon we'll be
With Jesus in eternity

Through an open channel that's
secure
We communicate with God
And as revelation flows to us
We see why we are called
Jesus and His program
We can clearly see
And consciously we're marching
on
To certain victory

BRIDGE

Can you hear the sound
Of a mighty symphony
Jesus and His Bride in perfect
harmony
Marching onward in the perfect
rhythm of the Word
Can you hear the sound?

1019 I'LL BE CHANGED

Arlene James 2006

Key C

When this body of flesh no
longer can contain
Scriptures I'm to manifest then I'll
be changed
Through that door in space I will
leave this world
I'm going to another place,
parallel universe

CHORUS

I'll be changed in a moment
In the twinkling of an eye
To a body immortal I could never
die
Changed in a moment to live in a
higher realm
I'll be changed, I'll be changed

They see mystic lights but don't
really know
What these intelligent Beings are
So they call them UFOs
But my prophet told me and I'm
tied to what he said
They're Investigation Angels
And they'll pick me up one of
these days

BRIDGE

I came from eternity, dropped in
this space called time
And though other mortals look
like me
They're not of my kind
Cause I belong to an eternal
order
And to a world unseen
Associated with the supernatural
And heavenly beings

1020 HOW CAN WE FORGET

Gloria Watson 2005

Key C

We thank you Lord for all the things

That you've done for us
And all the hard places,
Your love has took us from
I've asked you Lord
What have I done to deserve
such love?

And Your answer always to me
Is "My child you're a part of Me."
Now enter in the joy of the Lord

CHORUS

How can we forget You Lord,
All the storms You brought us
through?
All the hard places when we
didn't know what to do?
We're forever grateful Lord
For the mysteries being revealed
It surely was amazing grace
To reveal the Seventh Seal
We thank You Lord for Your }
amazing grace }2x

And Lord we thank You for a
Word that can give us light
To shine in all the dark places in
our lives
And then You took us in Your
Word
'Is this the sign of the end Sir?'
Surely You've been with us
As You promised in Your Word
Your doing, Lord, is marvelous in
our eyes

And Lord we thank You for Your
Voice
That is not the voice of man
But veiled in Your servant's flesh
To be our guide
And now you speak to us
On 'Dreams Visions and
Prophecies'
This is the vision, Lord of the
Seventh Seal
We are living Lord only by Your
Word

1021 HE'S COMING DOWN

Key D

Many Dreams, Prophecies and
Visions,
We have followed by God's grace.
Just to reach that place of
perfect faith
Many times we've lost great battles
Many times we loose our way
Yet God in grace reminds us we
are His.

So like the lily in the gutter,
Let us lift our head up high
Knowing well we have a
covenant with our God
And God remembers His covenant
The gift of God the Lord did send
Even now we feel His presence
coming down.

CHORUS

He's coming down now, coming
down [like a dove]
The Holy Ghost Power is coming
down
Bypassing unbelief and fear
We will change dimensions here
Feel Him in the atmosphere,
coming down.

So lift your voice, O Zion, all ye
children of the Lord
For you are highly favoured by
our God
Hearing Him calling out your name
Separating you from sin
Won't you open up your heart, let
Him come in.

For though every mountain shall
depart and the hills be removed
Yet the kindness of our Lord
Shall not depart
Neither shall His covenant of His
peace be removed
Thus saith the Lord that keepeth thee

BRIDGE

Sirs is this the time, our prophet
gave his life for
When young messiahettes walk
the earth once more
Oh God! We lay aside our weight
of sin
We ask you Lord to enter in
For we know you made us to set
our wings and fly and fly.

1022 JERUSALEM'S CRY

Elizabeth Bishop 2007

Key B♭

A broken vessel, not fit for the
master's use
Was down there in the rubble, buried
in all my trouble
But I cried out, Is there not a
prophet in the land
Who will go before us to fight for
Jerusalem?
Then with one foot on land and
the other one on the sea
You came with shoutings of
grace and revealed my true
destiny.

CHORUS

So here I am Lord on my knees
Asking for strength just one
touch from thee
I cannot sing your songs down
there in Babylon
So I'm gonna fight with sword in
hand
The Lord God of hosts is in
command
I'll not let you go Father, I'll fight }
till all my breeches are mended }2x

Bride of Christ, I know sometimes
you lose your battle cry
But now in this cycle, watch all
your mountains crumble
Mix the anointed word with faith,
apply the blood it's the only way
Our gates must be fortified as we
feast on bread and wine
No more room for sin, resisting
power flows from within
And we'll go marching with
shoutings of victory as we head
to glory.

MONOLOGUE

*Lord, so many times we see
Jerusalem's weak, broken,
dismayed and distressed
But we stand here today laying
our all on the altar, burying
our unbelief, burying our
fears, burying our dreams.
Restore unto us the joy of our
salvation that when you return
to Zion you shall find a bride
risen out of the ashes,
spotless, victorious, marching
onward Christian soldiers.
A risen Jerusalem, claiming
our healing, claiming our
deliverance, claiming your
peace, no more captivity, no
more mind battles, no more
shackles.
This is your revival, this is our
revival.
A risen Jerusalem*

Let's lift up the hands of the
weak
Satan's still plotting his evil
schemes
But be thou strong and work for I
am with you
I'm still with you St. Vincent and
St. Lucia
Tobago, St. Kitts, Grenada,
Dominica
Not forgetting Trinidad and
Guyana, we're all part of Mount
Zion
We've seen the risen son,
With blessed assurance this race
we'll run
God is determined to take us
higher
Kick that mamba down in the
fire.

1023 THE GLORY IS COMING

Kelisha Primus 2007

Key G#

Do you know the value of
Jerusalem?
Do you know what it takes to build
up this city?
Do you cry for her? Do Long for
her?
Have you got a mind to work and
build this house?
Do you love her? Is she above
your chief joy?
Would die in the line of duty to see
that she lives?
Love your brother, defend your
sister?
Come let us build the walls of
Jerusalem
Come let us build this house it's
time for God to dwell

CHORUS

The Glory is coming, let us get
ready
To be filled with the Spirit
Don't let him pass you by
Open your heart, this glory will be
greater
Come let us build the walls of
Jerusalem
Come let us build, let's give our
lives
For Jerusalem

God has been developing the
negative
Down through the lives of the
shadow
Jerusalem is not just a city back in
Israel
For God does not dwell in temples
made with human hands
Christ gave his life for her, he bore
her shame
The saints through the dark ages
fell and they died
Though she was burnt to the
ground
There's a promise she'll return
From the ashes we'll rise with Holy
fire in our lives

There'll be a great uniting,
An invisible union
We'll meet the sleeping saints with
our Lord in the skies
It's not a dream, we're the reality
The Holy City, The New Jerusalem
God will dwell in the midst of us
The Lamb will be our light
There'll be no sorrow, no crying,
no more pain
The former thing will pass away,
we'll live in a brand new day
Come let us build the walls of the
New Jerusalem
Only He that overcome will inherit
all things

BRIDGE

We were like those that dream
Of the Glory in the temple
Now our hearts is filled with
laughter
Our souls break forth with singing
Out of the ashes Jerusalem
She rises, She rises!

1024 SWEET JERUSALEM

Boaz Joseph 2007

Key F#

This is our cry, Oh Jerusalem
We lift our hand and give praise to
our father
Oh the one who's mending all the
breaches in Jerusalem
A house for his name

Our walls were broken down and we
were captive
Our altar of incense
Lord was taken away
But we remembered Sweet
Jerusalem
Yes we remember our Jerusalem

We are the house
Oh sweet Jerusalem
A house for your name
Father come and dwell
Our gates are restored
The breaches are mended
Lord come and dwell, come and
dwell

Now we are free, we're captives no
more
The lord has come and cleanse us
by his blood.
Now we have, free access. We
Thank you lord, Thank you Lord

1025 THE KING'S LOVE FOR JERUSALEM

Gloria Watson 2007

Key F

When the Lord God thought of
Jerusalem in His mind He saw
you and me
Oh what a people He said they
will be

For He thought of you and me
He thought of you and me
I called you my Jerusalem
For I have set my eyes upon you
Oh sweet Jerusalem
My people I shall dwell with you
A new Jerusalem
My people I shall dwell with you
A new Jerusalem

CHORUS

Jerusalem peace be to you
For I have come down in the
midst of thee
To build the broken wall again

that you may be one with me

MONOLOGUE

ISAIAH 62

***For Zion sake will I not hold
my peace, and for Jerusalem's
sake I will not rest, until
righteousness go forth as
brightness, and your salvation
as a lamp that burneth. And
the nations shall see thy
righteousness and all kings
thy glory. And thou has been
call by a new name, which the
mouth of the Lord has name
thou art a crown of glory in the
hand of the Lord. And a royal
diadem in the hand of the Lord
thou shall no more be termed
forsaken neither thy land be
termed desolate but I call thee
Hephzibah and thy land
Beulah for the Lord delighteth
in thee and thy land shall be
married.***

Awake Oh my Jerusalem for I
the Lord have long awaited you
in shadow and type
I've spoken of thee and now
It's so plain to see we are the
reality
It's so plain to see we are the
reality

1026 I WILL LOVE YOU

Kim Allert 2010

Key C

Today's statistics shows
Love and Marriage doesn't last
anymore
But the few that makes it
Are only through God's Grace
That's how we'll face this
Living by Faith

CHORUS

I will Love You (*Love you*)
Though storm winds may blow
Though our eyes may dim
Believe in your soul
I will love you (*Love you*)
Through tears and toils
Though life may not be easy
You'll have no fear of spoil

Man's promises they'll never keep
That's why we depend on
One greater than you and me
And he will keep us as living
examples
Without spot or wrinkle as it was in
the Bible
Though our hearts beating as one
We'll look back to this day and
remember our vows
When we said...

BRIDGE

You make it so easy to love you
You make it so easy to care
Some day I pray
this Phileo love will be swallowed
up by Agape Love

Love you this I know for sure
Though we have our problems
God will help us solve them }2x

1027 WE ARE THE TEMPLE

Carol Alexander 2005

Key D

Out of the rubble of this world
Out of the ashes of a city once built
But God promise of restoration
Is now being fulfilled
With his mighty hand of grace
Out of the nations, he brought us
out
To build His house that he'll
come and dwell in.

CHORUS

Know ye not
You are the temple of the living God
Know ye not, you are a precious
stone
To reflect the seven virtues of God
A pyramid city on a hill
The desire of all nations within
His glory comes to fill this place
Lord in this house, you shall reign.

I see Nehemiah

With the sword and tool in his hand
With the burden of Jerusalem
Let's rise and complete this house
The Lord will not fail us
His promise to us He'll keep
All weapons against us, He will
destroy.

I see Zerubbabel

With the plummet and line in his
hand
Measuring this city that's building
From perfect faith to love we are
coming
The broken walls are rebuilt
No breaches, they all are mended
The gates restored, to welcome
home our King.

BRIDGE

The capstone of grace has come to
us
To cap off the pyramids of our lives
And the glory of this latter house
Shall be greater than the former
house.

You are now my holy temple
I will dwell in
You are now
The new Jerusalem

The city of truth that shall stand
Perfection, His Praise we are
We worship our Lord and King
Now we live by the power of His life
Soon we'll have our edenic beauty
No more to be shaken and broken
Never to be destroyed

Hallelujah
To the King of Kings
Hallelujah
To the Lord of Lords

1028 JERUSALEM'S ARMY

David Bishop 2007

Key B ♭ m

Let's fight and take back
What Babylon stole from us
Rise and build back our city
Let us sing and rejoice
And shout Hallelujah
For we have conquered the enemy

CHORUS

Rise and let's build back Jerusalem
Rise and let's build back Jerusalem
Let us rise again
And rebuild the wall
That Babylon has broken down
Rise and let's build back Jerusalem
Rise and build

With the sword in one hand
And the breastplate of
righteousness
We are armed to take down the
enemy
Those demons from Babylon
Attacks God's children
But we are trained in Jerusalem's
army

The enemy is rising
He is trying to run a rampage
In Jerusalem's Army
He tried to trap some of our brothers
and sisters
But God is the Chief in this army
And I know very soon they'll be
marching through those doors
We already have the victory.

1029 I CANNOT FORGET JERUSALEM

David Bishop 2007

Key D

Our walls are broken down
Our gates are burnt with fire
And the harp that we once played
Now hangs upon the willow
And can we sing the songs of Zion
In a strange land }2x

CHORUS

I cannot forget Jerusalem
I cannot forget Jerusalem
I remember the city of God
I remember Zion }2x

In Isaiah sixty two
For Zion sake I will not hold my
peace
And for the sake of Jerusalem I will
not rest
Until the righteousness go forth as
brightness
And the salvation thereof
As a lamp that burneth

MONOLOGUE

Oh Jerusalem
If I forget thee oh Jerusalem, let my
right hand forget her cunning
If I do not remember thee, let my
tongue cleave to the roof of my
mouth
For the Lord hath chosen Zion, He
hath desired it for His habitation
This is my rest forever and here will I
dwell
For I have desired thee, oh
Jerusalem, oh Jerusalem, oh
Jerusalem
When God delivered Zion
From the captivity of Babylon
Then was our mouth filled with
laughter
And our tongue with singing
The Lord is doing great things for his
people
That's why we are glad
That's why we rejoice

1030 LORD, I WANT MUCH MORE OF YOU

Key B \flat

Lord, I want much more of you
And daily dwell, in Your presence
To decrease, that You may
increase
And every day dear Lord
Be much more like You

CHORUS

I give you my heart today
I give you my Spirit
I surrender my will, dear Lord, To
You
Everything I have O Lord
All that I possess, Lord God is
yours
I want to decrease
That you may increase

1031 I'VE GOT LEAVING ON MY MIND

Kim Allert 2008

Key A-B \flat

CHORUS

Lately I've got leaving, leaving on
my mind
Lately I've got leaving, just to
leave this world behind
Leaving, leaving, I've got leaving
on my mind
Leaving, Leaving, just leaving
this world behind

I've seen a man clothed in white linen
With a writer's inkhorn in his hand
Moving to and fro the earth
sealing God's children
I've seen the son of man clothed
in a cloud
Coming down from on high
And I can't help the way I feel
My redemption draweth nigh
For I've got leaving, leaving on
my mind
Leaving, leaving, just to leave
this world behind

I see earthquakes in diverse places
Famine on the earth
As God's scripture fulfils rapidly
God's children giving birth
I hear the lion roaring loud in Zion
Just before the quake
And just a little while from now
The sleeping saints will awake
I've got leaving, leaving on my mind

Lord take me to that place I need
to be
For my soul just cannot take the
things I see
I want to mount up like the eagle in
the sky
For lately, I've got leaving, leaving
on my mind

1032 I AM THAT I AM

Darren Bowen 2007

Key Dm

I called thee from the Ur of the
Chaldees
To bring you into the Promised Land
You don't have to worry about
your journey
Your steps is surely in my hand
When you hungry I will feed you
When you thirsty I gave you drink.
When you tired you came rest on me
Am the same yesterday, today
and forever and will always be
I Am, I Am that I Am

CHORUS

I Am, I Am will keep you in the
time of trouble
I am, I am will surely fight your battle
When the enemy comes in like a
flood
I will raise a standard I am, that I am

I have heard the cry of my
people down in bondage
I am come down to set them free
Not by might nor by power
But by my spirit and the sign of a
Prophecy and the Voice that's me
They were hungry I fed them with
manna
They were thirsty they drank
from the smitten rock
When they get bitten by the viper,
A brass serpent on a pole was lifted
up.
I Am that I Am

Seal up these things John
But in the days of the voice when
the seventh angel begin to
sound, I am come down one foot
on sea,
And a open book in my hand,
Between the fifth and six seals I
am there
Between the feast of trumpet
And atonement I am there
In the days of super nova greater
than Ruth and Esther
A Pyramid city having the glory to
God
The sweet influence of the Pleiades
and Orion, and Arcturus and his
sons
I Jesus in your midst that's who I am

1033 LAST GENTILE SIGN

Ken Primus 2008

Key Bm

There stands a man at the end of
the church age
He was in the form of the one
who visited Abraham
Then we saw the Sign,
Messianic Signs on the earth
Could it be that they did not
understand
That sign God, God in man

For now we know
Christ is the Mystery of God revealed
Though He changes form
His character remains the same
Now could it be that same
mystery in you and me
The Seventh Seal, it was silence
everywhere
The Spoken Word is now in the
Bride

We've seen the last Gentile sign
Before the fire fall
The winds are being let loose
upon the earth
For the world has denied the
Prophesied Christ
The Rock has been thrown up
Now judgement fills the earth
We've seen the last Gentile Sign

We've seen her displayed
By the Supernova in the sky
The one that meant the most
Was the Red Square Nebula
But in 87 the first sign did appear
There we saw the wedding band
of grace
An invisible union has taken place

Now stands the Bride in image
that will speak
She is Him revealed, the
promised word for our day
It's Him doing all three things
The Shout, the Voice and then
the Trump
He in Her is the Third Pull manifest
The Voice of Christ speaking in
the Bride

1034 INSIDE LIFE

Kim Allert 2004

Key G

I want to be influenced by the
influence that influenced Malachi 4
For he was the wave sheaf
waved before me
It's what my soul's been longing for
For I know that Satan is real
And all hell is against me
So as I hear your Word oh Lord
My weight of sins, I lay down
Just to see your life inside of me

CHORUS

For it's an inside life, I am longing for
Where the sons of God are free
Where a Child of God lives as
child of God
Victorious and Holy
When I wave at you in the mirror
And You wave back to me

I want to walk in perfect faith in
full obedience to your Word
To be set apart and Lord with all
my heart
To do your will sincerely with truth
Just to walk with you oh Lord
Just to hear you say 'well done', And
though my walls are broken down
My weight and sins I lay down,
I'm looking for your life inside of
me

BRIDGE

How else would I know my time
season, but by an inside life
How else would I know but by
revelation, an inside life
Who would I trust to take me
over, an inside life
How would I know that I would
rapture, an inside life
When I wave at Him in the mirror
He wave back to me

1035 BE STRONG AND WORK

Arlene James 2007

Key C

Is it time for you to build up
yourselves
And this My house lie waste
Hear the Word I speak today
Take inventory, consider your ways
Go on up mount pyramid
There you'll find all you need
Build my house by the pattern I
gave
I'll fill it with My Glory

CHORUS

Be strong and work for I am with you
Be strong and work
I'll complete the work through you

Many of you are going along
Frustrated, troubled, tormented
in mind
Faint and weary, feeble hands
hang down
You have started to fall behind
But Arise! My plans for you are
great
My will must be achieved
Through you, My elect in this age
My house must be filled with My
Glory

I have shown in shadow and type
My perfect plan for this time
The Alpha church was promised
to return
Seven church ages has already gone
And though it seems weak in
your eyes
Don't you despise the day of
small things
A little handful spread throughout
the Isle
You are the house My Glory will fill

BRIDGE

The world was shaken through
the Prophet's ministry
You saw my coming in the Cloud
in 1963
I also promised that I will fill
The glory of this latter house will be
greater than the former

1036 LORD LIFT ME UP

Elizabeth Bishop 2011

Key F

So many times I've trampled on
your grace
So many times I've brought your
name to shame
Seeking after my own selfish desires
Living unconsciously, it's not what
you require
But here I stand asking for only you
I'm laying aside self will that's all I
want to do
Let my life display the blood of the
Lamb
Lift me up Lord into that
supernatural realm

CHORUS

Lord lift me up, never let me go
Hide me in your Word, take me out
of this world
Your Word is so real, I can feel it in
my soul
Lifting me higher where only eagles
go
Lord lift me up

Bread of life, you still sustain me
On the potter's wheel mold your
masterpiece
I don't want to be weighed and found
wanting
Holy Spirit rain down, hear my
desperate cry
In these closing days of time I'm
holding on to the horns of the altar
Shake what needs to be shaken so
you and I could be one
And though my flesh may quake all
of You is what I'll gain
Lift me up Lord, I want my two wings
to fly

CHORUS

Lord lift me up (out of fantasy into
reality)
Lord lift me up (out of fear into
serenity)
Lord lift me up (out of pretense into
deeper sincerity)
Lord lift me up, higher and higher
Lord lift me up (to a place where I
can have devils on the run)

Lord lift me up (I'm standing here
knowing I can't do it without you
Lord)
Lord lift me up (I'm taking back,
I'm taking back, I'm taking back
what's mine)
Lord lift me up into rapturing faith

1037 LED BY THE SPIRIT

Arlene James 2008

Key D

CHORUS

Led by the Spirit following God
Still following My Guide, that 7th dove
He is leading me in bloody footprints he
left
It's leading to glory up those seven steps

We have history, from which we can't
stray
Though it's spoken over and over it has
been the way
This Spirit of truth that we have received
Brings these things to our remembrance
We know the certainty, of the things we
believe

From the Jordan to the wilderness, the
Dove led the Lamb
From there to Galilee and to Nazareth
into the synagogue
Took the book found the place, it was
written of him He read his portion
closed the book
Said this day is this scripture fulfilled in
your ears

God's prophet for this age led by the
spirit that day
Was handed the book by the priest as he
came to preach birth pains
Jesus preached the acceptable year
But the prophet declared the day of
vengeance is here
The spirit quickened his mind to the
fulfilling of the scriptures once again

At every junction we see sovereign
grace
God leads his servant in the Word to
find the right place
Where modern events are made clear by
vindicated prophesy
Proves It's the leadership of the Great
Jehovah in this ministry

Heavenly signs as prophesied in the
word
Red pyramid nebula, luna, solar, stellar
eclipses are sure,
brightest light ever seen, all these,
fulfilled prophesy
It's only by the Spirit's leading these
things are being revealed.
"A Dead Enemy" "The Sign of The
Dove" "Name written in the Rock" "I'll
Ride This Trail Again." What's this all about?
It led to the Second Fold, we're in this
today
And there'll come down, the wings of A
Great White Eagle and bear us away
A Rainbow, a Cloud, Pillar of Fire, a Dove
Signs that confirm,
It is God that is leading us now
The Word being opened, it's so plain to
see
Proves it is The Spirit leading in this
ministry

1038 FEAR NOT

Omega Pivotte 2006

Key A

From a bastard to a King, that's
the story of our lives
We were brought here, by a
perverted birth,
Bypassed the Word of God
Our nature was of Moab, things
God despised
But we met with our Kinsman
Redeemer
Who redeemed us by His grace

CHORUS

And He said "Fear Not, Only
Believe!"
"All you need, you shall receive",
"I took you from a life of sin and
brought you to my house"
He said "Fear Not, Only Believe!"

I am Ruth I need redemption,
only you can perform
I'm on my knees in full surrender,
Lord, I'm ready to die
The hour has come for you and I
to become one
So I'm down at the threshing
floor, asking you
To cover me

I come into your presence, in
sweet communion with you
I am under your cover hearing you,
whisper secret things
My heart is overflowing when I
see the grace you've shown
Now I'm on my way rejoicing for I
know, it's a finished work...

BRIDGE

For all the promises I've seen
You fulfilled in my life
I thank God for my trials, they
only come,
To make me strong...

CHORUS

And He said "Fear Not, Only
Believe!"

All you need, you have received
I've healed and I've delivered you
For you're a part of me
He said "Fear Not, Only Believe!"

Only believe, only believe, all things
they are possible
He said "Fear Not, Only Believe!"

1039 HOLY SPIRIT TAKE CONTROL

Sarah Belle Smythe 2007

Key D

I see the famine, it has begun
I hear them saying let's all be one
I'm seeing Jezebel, she's in control
Stealing the hearts of men
Stealing their souls
But Lord in this hour
Of destruction and horror
I know I cannot make it through
if I don't have You
So Lord this is my desire

CHORUS

Holy Spirit take control
Let Your sweet influence be
upon me
In my heart, my life, my soul
My one desire is for more of You
It's the only way I'll make it through
It's the only way I'll make it through

I see Melchizedec with bread
and wine
He's come to feed our souls
He's pardoned us
For an immortal world
He's preparing us
Rapturing faith to change
dimensions
I can feel the strange call in my
soul
It is my theophany that is calling me
To my future home

BRIDGE

Fill me now....

1040 PERSEVERANCE

Georgia Noel 2007

Key G

For so long in my life
I've been looking for the change
There're many things I've put away
And there's much I've rearranged
But when I check in the mirror of
the Word
My state still seems the same
For no matter how hard I tried
Still too much of me remains

Yet when I look back over my life
And the trials I've come through
It was nothing but amazing grace
Lord it was no one else but you
So I'm pressing on to that
seventh step
Till your image I behold
So how could I ever let go
When Your mercies so freely flow

BRIDGE

I can't let go no, no, no, no
I can't let go Lord
Till You bless me

CHORUS

I'm holding on, I'll persevere
The Angel of the Lord will meet
me here
For just one touch from you oh Lord
Will bring the change I'm looking for
So I'm holding on to You Lord
Holding on to You
Holding on to You Lord
Till You bless me

Like Jacob I long for that
blessing Lord
I thirst for that birthright
I've been wrestling with the
Angel of the Lord
And I won't give up the fight
So I'm pressing on to Canaan's
land
I've past two thirds of the way

And I won't rest till the morning light
For my victory is so near in sight
But in my life there's an enemy
Father
There's that old law of sin
But like Joshua I must overcome
With my feet on the neck of
those kings
So I'm praying and pressing on
Till on the mountain top I stand
Back in Your very image oh God
Till I'm filled and one with your
Word

BRIDGE

Bless me
I'm not asking for silver or gold
But that You'd fill me and make
me whole
From perfect faith to charity Father
Till Your very life is seen in me
I'll put away the works of the flesh
Every sin Lord I now confess
Father I'll forsake this sinful
world
And give You my heart and soul
On my knees I'll persevere and
pray
Lord, Lord, oh Father..... Bless
me.

1041 HE KNOWS MY NAME

Key F

I have a Maker
He formed my heart
And before even time began
My life was in His Hands

CHORUS

He knows my name
He know my every thought
He sees each tear that falls
And He hears me when I call

I have a Father
He calls me His Own
And He'll never leave me
No matter where I go

1042 ONLY BELIEVE

Elizabeth Bishop 2013

Key D

Sometimes we pray, "Father let
this cup pass from me"
But we want to cry out, "Just
once more, Lord" on bended
knees
We see just one touch of the
hem of Your garment
It brought change and full
deliverance
So I'm casting down fear
There's power in prayer
Only believe

CHORUS

Only believe
Let nothing stand in your way
Issues of blood, troubles and
confusion
Will have to go back through
hell's gates
Put your feet on the necks of
these kings
Look to the bleeding Lamb that
was slain
Only believe, just confess it and
you'll receive

The prophet longed, he longed to
see that seventh dove
And Lord how we long for you to
come and fill us now
Sweet Holy Spirit, sweet heavenly
Dove brood over us
Find your resting place in our hearts

The Lord, my Rock, my Light and
Salvation, in You I believe
And by Your blood we rebuke all
lying vanities
Though an host encamp against me
To release fear and insecurity
I stand confident
Lord You will keep and deliver me

CHORUS

Lord I believe
Nothing shall stand in my way
Issues of blood, troubles and
confusion
Will have to go back through
hell's gates
I put my feet on the necks of
these kings
I look to the bleeding Lamb that

was slain
Only believe, Lord, I confess it
and I'll receive

BRIDGE

The Dove is saying, "Shalom,
shalom.
Peace be unto you
Shalom, shalom"
On the wings of that Seventh Dove

I hear Him saying, "Shalom,
...Your troubles are over
...It's only six inches
...It's the dawning of a new day
...We're going to that new world
...We're heading home
...It won't be long

1043 MY FAITH IN HIM

Key F

Many times, oh yes
God has spoken here
In many ways and seasons
But in this last age
He gave his promise
To take a people to eternity

I have lived, oh yes,
Waiting for that moment
And all of me is resting on
His Word today.

CHORUS

My faith in Him
Will take me out from here.
I've never heard
A promise like this.
One day from eternity
Chariots will break forth
And into His presence
Angels will carry me

There were many of those who
aimed to be
Part of this end time bride
But he has chosen a special people
That would love his word until
the end
And it doesn't matter how long
his coming takes
They will keep holding his word
in their hearts.

One time, seeking the Lord,
 To find out what's the hour,
 Feeding my soul, oh, the seven
 thunders,
 His word was preparing my heart,
 For this final hour,
 When the spirit said to me:

CHORUS

This is Bride time, this is war time
 Put on the armour, The Holy
 Ghost and fire
 Rise and shine, oh become that
 super sign }2x

Two hundred million demonic
 power
 But the spirit shall quench their
 torture
 You see the world is filled with
 violence
 Because the word is being
 denied
 But we stand faithful
 Faithful as God's little bride.

Michael has come with the sword
 To put devils under your control
 Seven thunders have sounded
 The original word is restored
 Saints no more to be afraid
 We are truly born again
 Now the king's sword is in your
 hand
 Be strong and possess your land

The greater works are calling
 The bride she has to go
 The rocks has been thrown up in
 '64

The sign, the plagues to follow
 The pale horse rider unites them
 To the great and final woe
 But the bride she's secured

The token is on the door.

BRIDGE

Jezebel and Ahab united
 Resurrection faith increasing
 Rise and Shine oh }2x
 Though the squeeze is starting
 We feel the third pull super
 anointing
 Rise and shine oh oh become}
 that super sign }2x
 Mordecai already had spoken
 Hatach reiterating

No scary feelings
 The I in you shall be speaking
 Rise and shine oh oh become}
 that super sign }2x

You better awake from your
 slumber
 Haman has planned a great
 slaughter
 Rise and shine oh oh become}
 that super sign }2x

So now you're awaken Esther
 You are the star the young
 supernova
 Rise and shine oh oh become}

 Confession brings the name
 Rise and shine oh oh become}
 that super sign }2x

 In an hour the whore shall be
 burning
 Rise and shine oh oh become}

Now the doors are closing
 Our flight we shall be taking

1045 DOWN AT THE ALTAR

Kim Allert 2007

Key C

Guide my feet, hold my hands
Grant it Jesus, that I may stand
Won't be satisfied, if you're not
on the inside
Till You and I are one Lord
Till we two become one Lord
Remember me oh Lord
As I'm laying my all on the altar
of sacrifice
Naomi said You'd meet with me
here
Remember me oh Lord
You said ask and all I ask you will do
So here I stand
Only asking for more of You
And all of my desires
I lay them at the altar of sacrifice
And everything I am Lord
I lay here at your feet
(Humbly at Your feet)
I won't be satisfied
Till You and I are One
Remember me oh Lord
As I mark the spot where you lay
Down at the cross
Where your precious blood was
spilt
Remember me oh Lord
You said ask and all I ask you will do
So here I stand only asking for
more of you
So I'm asking Father

CHORUS

Lead me I pray, every day
I want to know you better Father
Tell me more about you Lord
To be concerned about your
desires
Lead me to that place, where I
know, that I know, that I know
I'm yours Jesus
I won't be satisfied till You and I
are One

Remember me oh Lord,
I can't move from this place
unless you come
And all I know is that you're
willing to lift and restore
Remember me oh Lord
Lord I believe every word you
say is true
So here I stand, my only request
is Lord more of you
So I'm asking Father

Lead me I pray, every day
I want to know you better Father
Tell me more about you Lord
To be concerned about your
desires
Lead me to that place, where I
know, that I know, that I know
I'm yours Jesus
I won't be satisfied till You and I
are One

...Signs of the time and a world
filled with judgment Father
...More and more and more of
you is my desire Father
...just can't be satisfied, Lord
...Signs of the time and a world filled
with drunkenness Father

Guide my feet... }2x

1046 JESUS ALWAYS LOOKING

Key D

Jesus always looking out for me
He's always opening doors
That I can never see
I don't have to worry
He'll take good care of me
He's always looking out for me

1047 I'M LOOKING AHEAD

Elizabeth Bishop 2007

Key B♭/C/D

CHORUS

I'm looking ahead to that glorious city

Where I'll shake the hands of
those who've gone before me
I can still feel the same tender hand
that's carrying me
Will lead me home so Lord I'm
looking ahead

Living in a world of insanity
We're surrounded by the dead
they are all asleep
But under the Easter seal thank
God we're quickened and
awakened
Now the master is here the son
has risen
He's no longer the hidden
Messiah but he has appeared
Now to the promise of a second
coming I'm looking ahead

So many among us are hurting
They're wounded in the battle
Lord they are dying
Brothers take each others hand
Sisters do the same thing too
Lift each other in prayer we will
make it through
And though skin worms may
destroy this body
I've got another one waiting for
me
So Lord fill my soul with your
Holy Ghost
Cleanse me and make me
whole.

BRIDGE

I am looking to my perfect

sacrifice

To my redeemer the Lord Jesus
Christ

No more sickness no more trials
for me

To that provided place that Jesus
built for me

My faith is settled, my theophany
To that provided place that's
prepared for me

CHORUS

BRIDGE

Swing low, swing low, swing low,
sweet chariot
In just a little while we'll shake
our prophet's hand
In just a little while we'll walk the
streets of gold
Hallelujah we'll meet the saints of
all the ages.....

1048 SEND THE RAIN

Key C

Lord send the (us) rain
Send down Your Spirit
Heal every wound
Send down your life
Consume me Dear Lord

Lord send us rain
Send down Your Spirit
Heal every wound
Send down Your fire
Possess me Dear Lord

Lord send the rain Lord
As Token of Your love
Visit my life
Possess me dear Lord

Lord send the rain
As showers of Your love
Visit my temple
And possess me dear Lord

1049 ORIGIN DESTINY

Krendel Bournes 2009

Key A

A mighty angel descended with
the open book
Seven thunders uttered their
voices and my earth shook
The chains that bound my mind
began to fall off
Through the angel in the pulpit
reiterating the prophets thoughts
I now see my pre-existence, in
God's mind,
I understand my earthly journey
down through these corridors of
time
I look to my eternal destination,
I'm saved and cannot be lost
The tale didn't pull me down I'm
a star set in my course

CHORUS

Origin, destiny pre-existence and
my earthly journey
I long to break free from these
walls of flesh
And go to my theophany
To stand in that, in that day in a
glorified body
To stand in that, in that day in a
glorified body

This rugged old robe of flesh
we've carried along
These 16 sinful elements that
make our earthly home
But we see a new day dawning
on the inside
Shalom to my bride
And soon she'll be changed to
meet him in the sky
Yes soon she'll be changed in
the twinkling of an eye

CHORUS

With great desire I desire to sup
with thee
Melchizedek communion, bread
and wine it's his Body

Eternal attributes from in the
mind of God
Now expressed in flesh writing to
go to our Lord
The Marriage supper of the Lamb
It is drawing near
But it takes three robes for you to
be there.
The Holy Ghost, a theophany, and a
Glorifies body
That's the complete garment for
the supper in eternity

CHORUS

Kenos, God poured in another mask
Enmorphe behind flesh, getting
ready to perform this final act
Well the drama is about closed
This is the final page
Christ in the pre-theophany stage

1050 I WILL WALK THIS PATH

Key G

Because you have chosen the
narrow path the hardest way
A great portion of heaven is
waiting for you
Because of what you have decided
That was the prophecy that the
Angel told to the great messenger
That is what will produce the great
victory in the love divine

CHORUS

I will walk this path }
In the footsteps of Elohim }
I want to get to the end of time }
That divine love may live in me }2x

This path has many trials and many
battles against the enemies
But His Holy Spirit will lead us to
perfect love
There is not much time
remaining to walk this path
We can already hear the chariots
of our beloved one
Coming to the meet us

1051**HIS TRUE
TABERNACLE***Kelisha Primus 2007*

Key D

For I was born to be his dwelling
place

A home for the Presence of the
Lord

So let my life now be separated
unto Thee

That I might be what I was born
to be

Man born of a woman is few
days and full of trouble

That is why it's said 'ye must be
born again'

For by one word being broken
creation went

In a tumble nothing was ever the
same

Man was put out of the Presence
of God

Created man became a fallen man
The First tabernacle God made
Himself to dwell

CHORUS

The Throne in my heart belongs
to God

I am His True Tabernacle

In the Holies of my heart I meet
Him in there

In there I offer sweet incense
Come oh Lord, come and dwell

Since then the whole creation
Groan and travaileth in pain
together until now

How much more they who the
first fruits

Of the Spirit groan awaiting
adoption

Jesus said I go to prepare a
place for you

He has returned we've seen the
Cloud

The sign of our redemption

The saints and sages all long for
this moment

These are things angel desire to
look into

The grace that I have seen by
the revelation

That's been given my place in
Christ

I have come to know

I have the Spirit of a heavenly
country

That's why nothing on earth can
satisfy me

I'm looking for a future home with
my King

From a heavenly kingdom

BRIDGE

Lord forgive me for the many times
I turned you away

I was born to be a dwelling place
for Thee

Come in Lord, come and sup with
me

The Throne in your heart belongs
to God

You are His True Tabernacle
Worship the One who created
heaven and earth

For this is the hour of great
Temptation

Hold fast which thou has let no
man take thy crown

1052**YOU ARE
EVERYTHING TO ME***Hadassah Noel 2004*

Key Bm

The things of this world vainly
charm

The joy that it brings never lasts
But each time I sing and give
praise to my King

A joy unspeakable is born
Lord, you are everything to me

CHORUS

You are everything to me

You're worth more than all my
eyes have seen

Your peace, Your Perfect Love

Your power from above

You are everything to me

You are that sweet Dove

1053**I JUST WANT TO
PLEASE THE LORD**

Key C

I just want to please the Lord

Be in His will in every way

Just to be lost in His presence

Found in His likeness

I want to hear Him say well done,
someday

1054 EPHESIANS AT THE END OF THE AGE

Grace Ellis 2010

Key G

This is the Ephesians,
At the end of the age;
God has made known to us,
The mystery of His will.
We were chosen and
predestinated,
For such a Time as this;
We are coming out of,
And going in

CHORUS

To the other side,
I will be there
Once a stranger without
fellowship,
Now in Christ I have citizenship.
To the other side,
Will you be there?
Who was dead in sins and
trespasses,
There's a body prepared
(waiting) for you,
On the other side

We are living in the promise
For this day
Back to our origin
God has made a way
The bride is the final voice,
And she has turned at the west,
Our victory is sure
We have an open door

When thou passeth through
rough waters.
I will be with thee.
And thou walkest through the fire,
It will not hurt thee.
For I am the Lord thy God,
And thou art precious in my sight
You shall have no other God but me,
Because I have no other wife but
thee

BRIDGE

This is the Stars' Wars
We stand with Plaides and Orion
Look to the unseen
For our battle is not carnal
Mt. Zion, mix the Word with Faith
The Lion roars, and nations shake
The Bride is dwelling under the
Palm Tree.
In this Ephesians all things are
under her feet

Seeds of Abraham under
preparation,
For the rapture between six and
nine.

1055 WE ARE THE LAST

Kelisha Primus 2009

Key Dm

We are the last to see this world
as it is
The last group of gentiles with
the father's genes
we've seen the last gentile sign
on the earth
This World is getting ready to give
birth

CHORUS

To a faith civilization with no
science invention
This spiritual evolution has come
to its completion
And it's just a matter of time
before we cross
The Continental divide

We are the ones, we've seen the
fig tree been budded
To us the seventh seal were
revealed
We are living between, the sixth
and seventh trumpet
We're awaiting the final one and
we'll be gone

We see the cup of iniquity full
We see the ecumenical move
We see the cloud arising in the
west
And this moreh rain will surely
give a body change

BRIDGE

Soon we'll cross the life line that
was broken
The feasts are being ended
soon we'll be in the millennium
Then we'll cross the time line that
was broken
We are living in the continuity
Soon there'll be no more time

And the last song will be sung
the last message will be preached
and the last son will be born
and we'll have our last
look up on a world that is judge
and we'll be gone }3x

CHORUS

Canst thou bind the sweet
influence of Pleiades or loose the
bands of Orion?

Canst thou bind the sweet
influence of Pleiades or loose the
bands of Orion?

After six thousand years
After seven Church Ages had
gone
God himself came down with healing
in his wings to mark the end of
man's suffering
So there shall be deliverance in Zion

And there shall be an outpouring
of the Holy Ghost
We're influenced by seven stars
We saw signs like the Nebula
Saying rejoice O Zion your
deliverance has come

Flesh and blood hath not
revealed these things to us
But the spirit of revelation
The spring sun has returned and
is loosed upon the earth
Bringing full redemption to his
church

With one foot on the sea and one
on the land
He holdeth the seven stars in his
right hand
He played the role of the great
enforcer
He'll fight for his people in this
dreadful hour
He holds the keys of death and
hell in his hands

So there must be deliverance in
Zion (in Zion)
And there shall be an outpouring
of the Holy Ghost
So don't you think it strange
concerning your fiery trials
For the seven stars has uttered
great things concerning you

(Saying your deliverance has
come)

Your El Shaddai has come
(Your comforter has come)
Greater than Job has come
(Jehovah – Jireh has come)
On the wings of a snow-white
dove

(Jehovah-Rapha has come)
Your great comforter has come
(Your El Shaddai has come)
The great Potentate has come
(The great Melchizedec has
come)

Your great Arcturus has come
(Your Arcturus has come)
On the wings of the seventh
dove
(Your redeemer has come)
Your great healer has come
(The Supreme Judge has come)
Our great deliverer has come
(Your deliverer has come)

He's the mighty God unveiled
and his words can never fail
You can find His qualification
nailed upon the cross

CHORUS

1057 I'M FREE

Grace Ellis 2010

Key G

When I think of Jesus
This man who died for me; took
my sins away
What made Him give his life?
What was the meaning of
Amazing Grace?
I just couldn't see
This Bloody Lamb that was slain,
for me
I could not believe
The suffering He bore; took my
place, on that tree

CHORUS

(I'm) Free
From the bondage of sin
Christ now dwells within
I'm Free
He was the perfect sacrifice
The Lamb gave me His life

Despised and rejected
It pleased the father to give His
son for my life
Smitten and afflicted
I am now a prisoner of Christ
I've never known such love
To save me from the wrath, He
covered me,
With His blood
Amazing Grace I see
Justified I stand;

CHORUS

(I'm) Free
From the bondage of sin
Christ now dwells within
I'm Free
He was the perfect sacrifice
The Lamb gave me His life

BRIDGE

The cross }2x
Now I'm living my life in the
bloody
Footprints of the cross
La Cruz }2x
Estoy viviendo en las huellas
ensangrentadas de la cruz
Lord please keep me in the
bloody footprints of the cross
The cross

1058 ON MY KNEES

Grace Ellis 2004

Key D

The time has come, divine
revelation in God's word
His grace I see, when I see how
He has chosen me
And it happens every day, when
I begin to pray
It burns within my heart, the
things He always says
He revealeth unto me, what I
was born to be in this day

CHORUS

So I am staying (On my knees)
Patiently waiting (On my knees)
For your outpouring (On my
knees)
Oh Lord I need you (On my
knees)

Now I believe, that I was born a
predestinated seed
Amazing grace, has chosen me
to run this race
So I will give my life to Him,
perfected without sin
I can't do this on my own, Lord
put flesh on these dry bones
If it takes my life to give, for You I
will live I need You Lord

Sol'm staying (On my knees)
Patiently waiting (On my knees)
For your outpouring (On my
knees)
Oh Lord I need You (On my
knees)

BRIDGE

I've read the scriptures in the
bible, about the Mighty Gentile
Warrior
The painful desire of Hannah,
and the fearless move of Esther
Lord I believe that they were true,
and the token they received, but
what about me?
I know my battles are all won, that's
why I sing my song
I know blessings are all mine, but
it will just take time
So like Elijah here I stay, with
faith in such a way to know you'll
come

1059 SWEET INFLUENCES

Arlene James 2010

Key D

There is an influence upon me
that I know is real
A connection from a realm
somewhere in the unseen
It's an influence that's heavenly it
comes from above
It's Jesus, the great fountain of
agape love

CHORUS

The sweet influence of Jesus
Christ
Sweet influences of the Seven
Stars
Held firmly by Orion's bands,
secured in his love
Sweet influences flow from
above
It gives me real conviction when I
tend to stray
It keeps me walking in the
straight and narrow way
When friends around me try to
shake me from my stand
I'm influenced by Jesus and held
firm in His hand
I see a world of people all going
downstream
It's evident their influence comes
from beneath
But something keeps me going
upstream against that flow
It's the influence of Jesus that's
upon me I know

A great cloud of witnesses
stands in glory today
They overcame by the word God
opened up in their day
I'm identified with these who took
that great stand
All influenced by Pleiades the
stars in His right hand

1060 THE HOUR HAS COME

Elizabeth Bishop 2012

Key F-G

We've seen God in creation
As the lion, the lion of Judah
We saw the dove, his holy spirit
We've seen him in the rainbow
and the cloud
Then came Revelation 10-7
Who spoke squirrels into
existence
So what about Revelation 10: 8
to 11
We are the redeemed, we are
his victory

CHORUS

The hour has come, that the
bride be glorified
She now has the testimony of
her Lord Jesus Christ
Though the tempest may rage
We will not be trodden down
The hour has come {It has come}2x
Hold fast Don't let any man take
your crown

The lot's been cast, the bride
knows her portion
Saints this has to be the end of all
your strife and confusion
We know what must be done
with the word
Daughter of Zion speak, just
speak and go forth
The rock's been thrown up
judgement fills the earth
And soon cometh the third woe
So Lord strike your masterpiece,
purify me
I'll not live in defeat

BRIDGE

Lord I believe (that you will
restore all things)
I receive (The outpouring of the
latter rain)
In this day (Which day? The
Lord's day)
Be glorified in me
Think it not strange
All the fiery trials (they will make
you stronger)
The hour has come }3x
(Your deliverance is here)
(Put your feet on the neck of the
kings)
That we would wear a crown

MONOLOGUE

*If my people who are called by
my name*

*Would humble themselves and
pray and seek my face and turn
from their wicked ways, then will
I hear from heaven and I will heal
their land.*

In prayer and supplication I pour
my heart out to you
Sometimes the tears they fall
both day and night
Our hands are worn from
service, our dusty feet climb
rocky pathways
And all we long for is a touch
from the master's hand
But I see the finish line, it's just a
few steps away
So I'll bear my cross with
thanksgiving and praise
For I'm feeling that strange call
from God, saying come home my
child
Heal your people, heal the land

CHORUS

Heal your people, heal the land
There's still balm here in
Jerusalem
My soul is longing for sweet rest
Heal your people, heal the land.

Our Father, our Saviour, our
good Shepherd {Bishop of my
soul}
You've brought me this far how
could I be lost
Your glory fills the heavens, it
testifies of my redemption

Our sins and shame you nailed
them to the cross
But I see the wounded soldiers
and many who've fallen away
Lord we won't let them die but for
deliverance we'll pray
For your arms are open wide
you're saying come home my
child
Heal your people, heal the land

MONOLOGUE

*So like Hannah Lord we cry to
you, open the barren wombs
Everything we have need of I
know you are more than able
and willing to do
Like Sampson Lord we cry just
once more, just once more Lord
I must see life signs in this body
Healing is here, deliverance is
here, I know the Holy Ghost is
here
To restore all that was eaten
House of hell give way,
Jerusalem will rise in all her glory
And her vats shall overflow with
corn, oil and wine.*

CHORUS

Heal your people, heal the land
There's still balm here in
Jerusalem
My soul is longing for sweet rest
Heal your people, heal the land.

Our Father, our Saviour, our
good Shepherd {Bishop of my
soul}
You've brought me this far how
could I be lost
Your glory fills the heavens, it
testifies of my redemption

CHORUS

Let not your heart be troubled
Neither let it be afraid
For the same God who brought me
through my trial
Is the same one who will lead us to
heaven's gate.

Battled scared soldiers, veterans
of war
Still towing the battle line
You've come through all these
years waiting for sweet release
Nobody else but Jesus has come
on the scene
But I've learnt to trust him in
spite of my despair
I am waiting for that meeting in
the air {swing lo sweet chariot}
Though this world may despise
me, that's alright
I've got a man called Jesus who
wants me at his side

Here we are walking in the
bloody footprints
Oh what a guide we still have
The mysteries are decoded and
encrypted in our hearts
Yes we are writing another book
of Acts
Now Naomi's getting ready, to
receive Ruth's baby
No longer will she be blinded by
flatteries
Saints lift your hands and praise
him
Down to the resurrection we're
going
Mount Zion rejoice, we're being
restored

BRIDGE

Jerusalem, Mount Zion, we're
going home
In the morning, in the morning

I'm headed home, home sweet
home
Angels are coming, to pick me
up
One day, you won't see me
The rapture will come, to take
me home
His face I'll see, for all eternity
Will you be there, will you be
there

Lord you took us from, the muck
of the earth
You have cleanse and made us
over to do a special work
Now we are walking right in step
In the rhythm of the word, caught
up in the mystery of the second
fold

CHORUS

Lord I hear your voice speaking
to my soul
Saying don't you ever give up,
keep holding to my word
Lord I feel your love pouring
down on me, it's the Holy Spirit
He wants to dwell in me
That's my desire for more of you
today

Lord we believe, you and your
word are one
Moulding us, preparing a bride,
we know we are the one (we are
the ones)
You took us from the chains of
death from our lives
One standing in our midst, to
bring this word to life

We know the locust came to
deform our lives
To make us doubt the word of
God by telling us lies
But to this the hidden mystery,
has been revealed
Shall I your God hide from you
what am about to do

CHORUS

Send the Rain of Revival
The Rain of revival
Fill us with your Holy Spirit, we
pray
Quickening power for translation
in this hour
O Lord send us your rain

This world lay in darkness
For rejection of the Son of man
They have crucified Jesus Christ
a second time
But God's amazing grace
Has brought us to this place
By his blood we are cleansed
from sin
The title deed has come
Revealing our inheritance
We rejoice to see that we are His
Bride
But there's a cry in our souls
For his life to be manifested
O Lord send us the rain

Elijah truly has come
All things he hath restore
That the former and the latter
rain could come to us
Our eyes have seen the cloud
Bringing full redemption
Seven seals have loosed the Holy
Ghost to fill our souls
We have heard seven thunders
It awoken us to this hour
Where we know our position in
God's word
O Lord we are crying
For rapturing faith we're
expecting
O Lord send us the rain

The bride tree is restored
Her revival now is on
She's become the final voice to
this final age
A third pull ministry

Will create a Let there be
It will bring the sleeping ones
from the grave
But before we go, the dynamics
must be in the church
For a quick short powerful work,
we will do
O Lord in desperation
We want that revival
Where Divine love take supreme
control

BRIDGE

Your vats shall overflow with
corn, oil and wine
Total healing, full deliverance
Lord (you will not deny)
Angels visitations (visions and
dreams)
Prophecies (Lord you will not fail)

Thank you Lord for your revival
The rain of revival
Your Holy Spirit, Lord we have
received
Your quickening power to
change us in this hour
Lord, Thanks for your rain

1065 SOUND THE ALARM IN ZION

Georgia Noel 2010

Key A

The tempest is raging
We're in the midst of the storm
Dark clouds are gathered
As the old ship of Zion nears the
shores of home.
We can feel the cold winds
blowing
That 'northerner' is coming
The prince with power of the air
Enemy ships from Rome draw
near
Sound the alarm in Zion!

CHORUS

Gabriel blow, sound the alarm in
Zion
Gabriel blow, send the alarm
across the waves
All around nations are shaking
We hear the Lion roaring
The day of the Lord is nigh
Watchman shout and cry
Sound the alarm in Zion!

We see barrenness in the Earth
The locusts have ascended
Iniquity all around
Judgment has come down
For rejection of God's word.
We see Lucifer and his kingdom
Come to kill and take possession
With Jezebel at his side
To persecute this little Bride
Sound the alarm in Zion!

This message has been
preached
Gone out to the elected
And very soon he that is filthy
Will be filthy still
Gentile days soon to be ended
The 7th messenger has
ascended
To Israel God will turn
The tares bundled to be burnt
Sound the alarm in Zion!

BRIDGE

We've got to turn to the Lord now
(sound the alarm)
Call a solemn assembly (sound
the alarm)
Gather the people!
Sanctify the congregation!
Fast, weep and mourn!
Esther plead for your people
It's time of great trouble
Amateur tribulation is nigh
Watchman shout and cry
Sound the alarm in Zion!

1066 SPIRIT OF GOD MOVE

Elizabeth Bishop 2010

Key D-D#-E

CHORUS

Spirit of God move, write your
word in my heart
Fill my whole being, consume my
life
Spirit of God move, an empty
vessel I want to be
So that you can come, Lord and
fill me.

Abba Father is what I cry
Come by here Lord, your spirit
you can't deny
When I see your wrath fixing to
be poured on this earth
For this message that was
scorned, my desperate cry is...

I lift my hands in surrender,
laying all on the altar
I don't want to pretend, but be
sealed by your hand
I will take your word and hide it in
my heart
Till every fibre of my being has
that desperate cry....

I've recognized your voice, I've
understood the call
Help me not to faint but stand
and overcome
I just want to please you, it's all I
can do
So from my soul now I cry to
you...

1067 THE FINAL FRONTIER

Elizabeth Bishop 2003

Key E-F

Blow the trumpet in Zion }2x
Sound the alarm in my holy city
The day of vengeance is here
But I'm headed to the final
frontier

CHORUS

I'm headed to the final frontier
Look for me I'll be there
No more worries, no more fear
Heaven awaits, my body change
My final quickening will get me
there , Oh yes I'm headed
To the final frontier.

My soul aches when I look at this
world
Which manifests all that the
prophets foretold
A global village Satan did create
And brought man down to his
lowest state
Now demons move through the
airwaves
Capturing, deforming and sealing
Lord what it take to get out from
here
Only the token will take me to the
final frontier.

The woman sits in the midst of
the Ephraim
Revelation 13 drunken men
with her desires
She now conspires to conquer
Jerusalem

Although one third part of
innocent blood she has already
shed
But Oh little bride like Sarah we
have received
Dunamis for us to conceive
To a faith civilization I will go
The final frontier is what will take
me home.

We now live between the second
and third woe
The cunning schemes of men
are about to unfold
Lord, pick me up into that
heavenly place
Where all I'll behold is your holy
face
Joseph can't refrain himself any
longer
His desire for his brethren is
getting stronger
And very soon Armageddon will
be here
But not me, I'll be headed to the
final frontier

1068 LORD I WILL PRAISE YOU

Hadassah Noel 2002

Key E

Lord I will praise you
All the days of my life
And I will sing a song to you
For you are the essences of my
life

Lord I love you
I adore you
I glorify you, oh Lord
I life your name
I give you praise
Oh Lord, the essences of my life

Blow the trumpet in Zion
And sound the alarm in my holy
mountain
Let all the inhabitants of the land
tremble
For the day of the Lord cometh,
for it is nigh at hand

We have heard the trumpet
sound
Saying come out of Babylon
We have responded and came
out
For Babylon is fallen
For we are the city four square
Mt. Zion, Heavenly Jerusalem
Our garments are made clean
and white
By the blood of the Lamb
We are the Lamb's wife

CHORUS

Blow the trumpet in Zion
Sound the alarm
Blow the trumpet in Zion
Sound the alarm
For the day of the Lord is here
He's the Lion of Judah that hath
prevail
He roars and the earth quakes
But unto my people
I am your hope and strength.

The fig tree has put forth his bud
(Israel)
Declared a nation
Jerusalem, they seek to restore
To await the Messiah
King of Babylon, he has come
To seek, to kill and destroy
But behold the third woe cometh
quickly
In the valley of Jehoshaphat

I will kill him and his army

The gentile nations are shaking
As the Lion is roaring
Their economy it has failed
And their kingdoms are falling
But we receive another kingdom
We live by God's spoken word
In this famine
Watch it provide and create
We'll see the third pull manifest
in full display

We have cross from the moon to
the sun
Given a crown of twelve stars
We're awaiting the last trumpet
sound
It will bring up the sleeping ones
Our bodies shall be change
And on the wings of a great
eagle
We will take our flight to the
skies
United with him forever, we shall
reign

Behold the Lord is in Zion
He has come as rain
To redeem and restore
Behold the Lord is in Zion
Your enemies, you shall see
them no more
Behold the Lord is in Zion
Deliverance has come
Healing has come
Behold the Lord is in Zion
You have received corn oil and
wine
For the Lord is here in Zion

MONOLOGUE (Daniel 12:1)

*And at that time shall Michael
stand up,
The great prince which standeth
for the children of thy people:
And there shall be a time of
trouble,
Such as never was since there
was a nation even to that same
time:
And at that time thy people shall
be delivered,
Everyone that shall be found
written in the book*

CHORUS

Hold the winds, till we have
sealed the servants,
Of our God in their foreheads,
All that the Father has given will
come,
The seal of God standeth sure;
the Lord knoweth them that are
His,
Touch not my anointed; they are
the Father's elected genes
Until we all stand with the Lamb
in Mt. Zion
The Name written on His thigh,
has been written in our
foreheads
And we know who our Father is;
we came from the loins of Elohim

In the time of Jeremiah, when
the book of lost truths was found
Israel knew that judgement was
at hand,
There was great famine, as the
head of gold besieged the land
For the rejection of the Son of
Man

But the man with the writer's
inkhorn
Went to and fro in the land
Setting a mark in the foreheads
of those who sighed and cried
And Ezekiel the prophetic priest
and the elected of that day;
Was seal away before the wrath
of God could hit that place

Oh Jerusalem, how oft had I
gathered you
As a hen would gather her
brood,
Oh if only, you had known the
day of your visitation
The things that belongeth to your
peace,
When you see Jerusalem
compassed about with armies
Let not your flight be in the
winter, neither on the Sabbath
day
But the elect were so united with
God in His Word
None of the Christians, not one
of the Christians was caught in
there

In the days of the seventh angel,
when he shall begin to sound
All the written and hidden
mysteries would be made known
He said the squeeze is coming;
there'll be a dual famine in the
land
As Mystery Babylon takes the
world under her control
When the seventh seal was
unveiled, and God's program
was made known
Some Easter flowers were hid
away under the second fold
We see famine, war and
depression
Can't you see where we are
heading again?
But I've prepare a place for you
my Elected Bride

1071 I LOVE YOU LORD

Kim Allert 2010

Key F

CHORUS

So I just want to, tell you
That I love you Lord
Though you already know
I just want to tell you that I love
you Lord
You know the desires of the (my)
heart
You can tell the secrets of the
heart

The two rains are falling,
I hear footsteps of my redeemer
Returning for fellowship
You hide yourself (face) Lord
And I've suffered for my
transgression
How I longed to see you again
(for deliverance)
But you've made a way
That I could come repenting Lord
And you have forgiven and given
me a heart
That I could love (serve) you
Lord
Really love (serve) you.

Satan schemed against me, to
take me from my place
Tried to destroy me, in my
weakest moment
He said I would surely die
That I could never be bride
And I believed him for a while
But you made a way
That I could tell you

I'm sorry Lord }2x
You raised me up so high to see
The secrets of you heart
And I can only say

I'll say it anyway

1072 I WANT MORE

Meda Ellis 2010

Key A

I'm coming out of my shell,
My vision is getting clearer
I take a look outside this nest
I see you drawing nearer
Your focus is only me,
But I struggle to lift my head
You descend your mighty wings,
don't you worry my child, you
said, Oh Lord

CHORUS

The more I know, the more I
want to know
Everything about you Jesus
The more I see, the more I want
to see you in my life
The more I hear, the more I want
to hear, the words of your
promises of love
Words of your love
I want more of your holy spirit
I want more, more, more

You nurture me so precisely
Never too much or too little
You know exactly what I need
You never give me more than I
could handle
I see your soar so far beyond the
clouds
Lord I want to do the same
So I set my wings in your
promise Lord
Making my victories in your
name

BRIDGE

Lord please hear my cry
You promised you would answer
I am desperate for you
I am longing for you
Come closer, closer Lord
Come closer, closer Jesus
Come closer, closer Lord
Come closer, to your Bride!

1073 GOD SHALL STAND FOR YOU

Key D

Fight on with fervor and faith
No looking back
Even though Satan will try
To make you go slack
All trials in life will surely all pass
Oh, just trust in God
He will stand for you

CHORUS

He will stand for you
He will stand for you
Then fear not God's bride
You shall overcome
He will stand for you

Have there been so many trials,
in your life's journey
Open up your heart to God
Complete surrender
For all in your life can surely be
changed
Simply trust in Him
He will stand for you

1074 BEHOLD I COME QUICKLY

Arlene James 2009

Key E

Behold I come quickly and my
reward is with me
To give unto every man as his
work shall be
I am Alpha and Omega, the
Beginning and the ending
The Lord who is, was and is to
come, the Almighty

CHORUS

I, Jesus have sent mine angel
To testify unto you these things
in the churches

Behold I come quickly and my
reward is with me
To give unto every man as his
work shall be
He that's unjust let him be unjust
still
He that is filthy, be filthy still
He that is righteous and he that
is holy let him be

Behold I come quickly, hold that
fast which thou hast
That no man take thy crown, my
promise is for you that overcome
You've kept your garments
undefiled, you shall walk with me
in white
I'll confess your name, it shall not
be taken from the book of life

Surely I come quickly and my
reward is with me
To give unto every man according
as his work shall be
I am Alpha and Omega, the First
and the Last
The Root and the Offspring of
David, the Bright and Morning Star

Revelation 10:1 sent Revelation
10:7
To testify unto Revelation 10:8-11
Testify these things in Revelation
10:3 and 4
In the churches of Revelation 2
and 3

1075 STORMS OF LIFE

Key C

The storms of life may blow, we
got to be prepared for them
By doing what God tells us to do
We hear the word that strengthens
us
When the storms of life come,
Faith will rise to the occasion

CHORUS

So when the storms of life
gather, let the anchor hold within
the veil
They're sent to test your
revelation on Christ the solid
rock we stand
The storms of life will not shake
us, because the anchor holds
The rock of revelation, will stand

God wants mighty men of valour
prepared for combat,
We are Christ's Mighty Gentile
Warriors, when the storms of life
come
So lift up your hands and praise
God, he has counted you worthy
to stand for him in this day

Amazing, amazing grace, how
sweet, how sweet that song
That save, yes that saved a
wretch like me
See I was lost, yes I was lost
But now, now, now am found
Was blind, but now I see

A long, long time ago we were
searching for love
In all the wrong places, didn't
think we were worth that much
We were used, abused,
confused, so misguided in our
ways
But in spite of all the things, men
may have seen
God still voted for you

CHORUS

That's why we can say, election
by grace
That's the story of your life
Election by grace, this is love so
divine
When they thought no good
could come out of me
Jesus fixed me up and he set me
free
Praise God for election by grace

Well some of us were haters,
even liars, rebels and deceivers
too
Manipulators, good pretenders
God what were we to do
But one day we wrestle with an
angel
Not letting go till we were
blessed
Now you're name is changed,
saints you're no longer the same
All because of election by grace

Well I'm no longer, living in a
cage
Since Jesus set me free
Now I stand in trial and
temptation, even persecution
All because of what God did for
me
So when the devil, when he
comes with his lies
You stand and declare your
pedigree
You've been bought with a price
Saints we will not sell our birth
right
For there's a mansion awaiting
me

We're been deceived by the devil
too long
We're gonna tear the devil's
kingdom down
What he said was his, has been
ours all along
We're gonna tear the devil's
kingdom down

CHORUS

We're going up to the high
places
We're going up to the high
places
We're going up to the high
places
To tear the devil's kingdom down

We've gotta be strong, we've
gotta be bold
We're gonna tear the devil's
kingdom down
We've got to reclaim everything
the devil stole
We're gonna tear the devil's
kingdom down

1078 INFLUENCE

Phillip Pierre 2008

Key G

CHORUS

It's the influence of the influence
Oh what a sweet influence of
the Pleiades
That has influence and will influence
And make an influence of you
and me

Canst thou bind the sweet
influences of the Pleiades
To everything there is a season
When the deep calls there is a
season
And a purpose under heaven
And all that I can say

I saw a mighty angel from heaven
saying come out of Babylon
Then the Lion began roaring out
of Zion
Uttering his voice from Jerusalem
And all that I can say

Influence by a strong delusion
Then I saw the Lord's vision
Like Daniel my comeliness
turned to corruption
Like Isaiah I said I am undone
And all that I can say

Where ever you go I will follow
Thou this road is straight and
narrow
Thou has the words to whom
shall we go
You're the only we know
So all that we can say

I also saw a mighty angel from
Heaven
Speaking to Rev 10-7
Then again spoke to 10-8-11
Saying prophesy thou Son of
man
And all that I can say

1079 WORSHIP THE LORD

Key A

God will not reject your prayer
Praying makes you stronger
I have never seen the righteous
forsaken
Begging for bread and left to suffer
Have patience just wait and see
What God will do
When you lift up your hands and
surrender
God will pull you through

CHORUS

Oh worship simply worship
If you are crying worship
In your trials worship
If you are hurting worship
Nothing matters worship
He will hear your praise

God goes before you saying let
there be
Healing your wounds and setting
you free
Sending His Angels fighting from
all sides
He's leading the way yes He is
the guide
Trust in Him He will never fail
He's walk with you along lives
rugged trail
Just lift up your hands this is
your victory day
Give Him the praise worship the
Lord
Worship the Lord, worship the
Lord
Worship the Lord, worship the
Lord
Worship the Lord, worship the
Lord
Worship the Lord, worship the
Lord

It is important to understand
When God is speaking
Sometimes He may seem to be
silent
But that is when He is working
Have patience just wait and see
What God will do
When you lift up your hands in
surrender
God will put you through

I count all things but down,
 That I may win Christ in this day,
 And all myself and pride, Lord
 please take it all away,
 I lay aside every weight of sin,
 The law of flesh have no more
 part with me,
 I circumcised it all; my life no
 longer belongs to me

CHORUS

Because I am sold out to Jesus,
 Though tested and tried, I will
 still glorify his name,
 I testify of him without fear of
 persecution,
 He deserves the glory, the
 honour and praise

A burden in my soul,
 To bring onto my king a clean
 fresh drink,
 When I see his desire, I can't
 help but be a helpmate for him,
 Out of this virtual world, he
 brought me into an unfailing
 reality,
 I am sealed within; my life no
 longer belongs to me

Where he leads me, I will follow,
 Where he sends me, I will go,
 For I am sold out to Jesus,
 I am sold out to the Cross,

We are soldiers in the army of Jesus
 We'll stand our ground; we will
 not be shaking from our place,
 We'll endure our cross to the end
 We'll hold fast the confession of
 our faith without wavering

We are soldiers in the army of Jesus
 We'll stand our ground; we will
 not be shaking from our place,
 We'll endure our cross to the end
 We'll hold fast the confession of
 our faith without wavering

Sold out to Jesus,
 Sold out to him, To the Lamb....

CHORUS

In that Fair City
 I have a mansion there for me
 God's Word has promised the
 final victory,
 He'll catch his waiting Bride
 away
 And By his side she'll stay
 Eternally

Though it is true we're often
 weak and heavy laden
 Still Jesus died to save and set
 the captives free,
 His Word alone shall stand when
 all the rest have fallen
 And the Lamb will be the light of
 That Fair City

Through all the tears and trials
 and hardships and the sorrows,
 There is a purpose, a plan he
 has for me,
 Whereby his Word I'll have
 complete and full salvation
 And the Blood of Jesus Christ
 avails for me

Though It is true we're often
 weak and heavy laden
 Still Jesus died to save and set
 the captives free,
 His Word alone shall stand when
 all the rest have fallen
 And the Lamb will be the light of
 That Fair City

CHORUS

In that Fair City
 I have a mansion there for me
 God's word has promise the final
 victory
 He'll catch his waiting bride away
 And By his side she'll Stay

Eternally }2x
 In that Fair City
 In that Fair City
 In that Fair City....

1083 GOD BROUGHT ME TO YOU

Hadassah Noel 2006

In the beginning
Adam was alone
He needed fellowship
That he could get from his bones
So God laid him to sleep
And took a rib from his side
And when he awoke he beheld his
bride

CHORUS

(Male vocal) The Rib
that I've been looking for
(Female response) Here I stand
before you
God brought us together
To walk with me to that bright City
God brought me to you

'Cause God is your head
You can be my head too
I know that you will rule with love
So I submit to you
With a Christ-like nature
I have no need of fear
I know that we can have a home
That you'll lead in prayer

MONOLOGUE (Haggai 2:6)

For thus saith the LORD of hosts; Yet once, it [is] a little while, and I will shake the heavens, and the earth, and the sea, and the dry [land]; And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts.

CHORUS

Yet once more Lord, shake not
just heaven but earth
And many stars are being moved
out of place but
There were some who stood with
Pleiades and Orion
In every age who kept their first
estate
And though the powers of
heaven are shaking
We've received the kingdom that
cannot be moved
All that can be shaken it will be
shaken.
Let thy word Lord, shake us into
place

The heavens declare the glory of
God,
Day unto day it uttered speech,
and Night unto night it showed
knowledge,
For they are all in God's perfect peak
For tell me what will happen if
the moon should leave her place,
Then the face of the earth will be
a darken chaos again,
So what about the earthly host, who
were made in the image of God,
If we are not in order how can we
do the works of God?

This world is again falling apart
and soon
The millennium will be ushered
in, but first this kingdom,
Will be in you spiritually, before it
comes in the earth literally,

But in the days of the ten toes
came that rock cut without hands,
To smite every image in our
earth made by man,
And know you not the kingdom
of our Lord is in you,
For this stone did not only smite
but grew into a mountain too

We were like dry bones down in
the valley,
Then the son of man came with
a prophesy,
And out of his mouth came
seven thundering voices,
To quicken and bring to life this
scattered body,
Then came a noise and a
shaking and each bone came to
its bone,
Sinew, flesh and skin came upon
on it but it had no life of its own,
No, but when he prophesied
again, the dynamics came into
that body,
So that we can be a mighty
marching army

1085 SHOUT TO THE LORD

Key G

My Jesus, my Saviour
Lord there is none like You
All of my days I want to praise
The wonders of Your mighty love

My comfort, my shelter
Tower of refuge and strength
Let every breath, all that I am
Never cease to worship You

Shout to the Lord
All the Earth, let us sing
Power and majesty
Praise to the King
Mountains bow down
And the seas will roar
At the sound of Your name

I sing for joy at the work
Of Your hands
Forever I'll love You
Forever I'll stand
Nothing compares
To the promise I have in You

1086 RUN FOR THE PRIZE

Gloria Watson 2007

Key Dm

Who can question the will of God?
Who can say, no Lord, this is the
hard way,
For if you pass me this place, I'll
surely die,
If it's possible, let it pass me by,
For in your time of great trials
and testings,
If you believe in what my word is
saying,
This is what you hear me say

CHORUS

For I'm your God and I'm with you,
It's only to bring out my life in you,
Some through the waters, some
through the flood,
Some through the fire but all
through the Blood,
You run for the prize refuse to
compromise,
At the end of the line your reward
is Christ,
Run for the Prize, Oh Lord we
run for the prize...

When Satan comes to move me
from my place,
I know that my God, he will fight
for me,
I will say none of these things
move me,
Neither count my life dear to me,
For I will finish my course with joy
Which I'll receive of the Lord
To testify of his grace and his
love to me,
I'll thank him for his grace

When Satan comes to move us
from our place,
We will know that our God, he
will fight for us,
We will say none of these things
move us,
Neither count our lives dear to us,
That we might finish our course
with joy,
Which we receive of the Lord
To testify of his grace and his
love to us,
We'll thank him for his grace

1087 HE IS RISEN

Michael Peters 2007

Key B

On this morning, the angels
came and said
He's not dead; the stone is rolled
away,
He is alive and the tomb is empty
And my God, he reins forever
more

CHORUS

He is risen, the stone is rolled
away
He is risen, he is alive in you
today
He is risen, with a name above
all name
For he conquered death, hell and
the grave
On this morning

On this morning, I lift my hands
and say
He's not dead, he died and rose
again
So tell me where is Jesus Christ:
still there,
He is in you, He's in me and that
is why I say...

On this Morning, Let's lift our
hands and say,
He's not dead; the stone is rolled
away,
So what is Easter if he doesn't
live in you?
Let him live in your heart so you
can join with us and say

Did you know he died to take
your sins away?
Did you know he rose to set you
free?
So if you're standing on your
mountain top
Or in the valley low,
Don't be ashamed to let the
whole world know

1088**DOES HE STILL FEEL
THE NAILS**

Key D

They tell me Jesus died for my
transgressions, and
That he paid the price along long
time ago
When he give his life for me on a
hill on Calvary,
But there's something else I want
to know

CHORUS

Does he still feel the nails every
time I fail?
Can he hear a crowd cry crucify
again,
Am I causing him pain that I
know I've got to change?
Cause I just can't bear the
thought of hurting him.

It seems that I'm so good at
breaking promises,
And that I treat his precious
Christ all so carelessly,
But each time he forgives,
What if he relives
The agony he felt on that tree

CHORUS

No I just can't bear the thought of
hurting him.....

1089**TIME TO WORSHIP
THE LORD**

Key A

Never has there been such
expectations as now
And in suspense all of heaven
awaits a signal
The cherubims have been
worshipping for millions of years
But now they bow they faces in
silence.
And the Lamb with the open
book in his hand
Steps up to claim his purchased

possession

The perfection that was once in
the beginning
He now delivers to his children
his offspring

Against the golden handrails
Angels find themselves abiding
And the question arises Amongst
the host of Heaven, Where is
Jesus going?

All of heaven waits in
expectation^[L]
As He left the seventh dimension^[L]
Left His eternal home on high^[L]
And Deity entered time^[SEP]
He came down for you and me^[SEP]
I believe, It's the revelation^[SEP] Of^[L]
Jesus Christ^[SEP]
In the constellation of^[L]
messengers^[SEP]
The King's sword is in the hand^[L]
of the last one^[SEP]
Though our Prophet is now in^[L]
glory^[SEP]
The Word is now in you and me
The Book did not change hands
But it's God, its God Enmorphe

CHORUS

It is time to worship the Lord
His tabernacle is what I am
There is an altar in my heart
Where the Holy Spirit is dwelling
Behind the shekinah glory on the
tenth day of the seventh month
We have received our atonement

To Him who sits upon the throne
Unto the Lamb of God we give
all praise and thanksgiving
All blessings, all honour, all
power forever, Amen amen.
(Gloria, Gloria.)

We bow down to you we worship
you
All creatures upon the earth
worship We all worship
The beasts of the field also
worship We all worship
And together we'll sing a new
song

No one ever finishes a race if he
doesn't start
And no one ever finishes a race if he
stops
There must be an achievement there
must be a goal
And you can start when you believe
from the heart

There must be an unlocking in your
mind
To see this love so divine
To see predestination
To know he'll keep his word
And He can't fail when you
Believe from the heart

CHORUS

From the heart you can be still and
wait
From the heart you'll make the devil
shake
From the heart you'll have a word
that is sure

When you confess and go forth
When you believe his every word
Expect to see the seventh seal

There must be a promise for faith to
take a hold

A place where you can anchor your
soul

And when you live there and be still
and wait

Then faith operates When you
believe from the heart

It's not impossible to believe those
things you speak you will receive
It's by inspiration, not what you think
or what you feel

It's God sovereign will when you
believe from the heart

From the heart you can face the
whole wide world

From the heart there is a certain call

From the heart there is a deep that
burns when you confess and go forth
From the heart you'll have the
spoken word

From the heart you can speak a
whole new world

From the heart you'll have a word

that is sure

When you confess and go forth

Expect to see your kinsman on the
scene

Expect to see your redeemer on the
scene

Expect to see Jesus on the scene

Who taught the sun where to stand
in the morning
And who told the ocean you can only
come this far
And who showed the moon where to
hide till evening
Whose words alone can catch a
falling star

CHORUS

I know my redeemer lives,
I know my redeemer lives,
Let creation testify, let this life within
me cry
I know my redeemer lives

The very same God
That spins things in orbit
Runs to the weary, the worn and the
weak
And the same gentle hands that hold
me when I'm broken
They conquered death to bring me
victory

He lives

To take away my shame

And He lives

Forever I'll proclaim

That the payment for my sins

Was the precious life He gave

And now He's alive and

There's an empty grave

I know my Redeemer lives

I know, that I know, that I know, that

I know, that I know

He lives my redeemer lives

Because He lives I can face
tomorrow

He lives

I know, I know

He lives, I spoke with Him this
morning

He lives, The tomb is empty

He Lives, I'm going to tell everybody

1092 GIVEN REDEMPTION

Hadassah Noel 2010

Key E

The Supreme Judge in the form
of man
Came down; men sacrificed,
Yet while on the cross,
He was still pardoning life
And as guilty as can be,
The Lamb pardoned me
When he rent the veil in twain,
To the Holy of Holies

CHORUS

Given Redemption
Woe was a sinner like me
Given Redemption
Should've been me hanging on
that tree
Could've called his angels
And say take me down from the
tree
But Jesus loved me
From before the world began
and I
Was Given Redemption

There they crucified him
The most holy one
God's only begotten son
They brought their own
indictment
When once again men slew the
lamb
And though many wash their
hands
Of the blood of the lamb
Tell me what would you do
With this Jesus called Christ?

CHORUS

Given Redemption
He could've dropped the cross of
your sin
Given Redemption
But he made you free from
indwelling sin
Could've said Lord take this cup

But he said, Nevertheless let thy
will be done

That you were given redemption

Now in this day we saw the Son
of Man
This same One from Calvary
Leaving the Heavenly Sanctuary
Coming in a Cloud with power
and great Glory
He has returned to claim you and
me
We looked and saw Him up high
This Christ Who has been made
unto us Redemption

When I consider, the places that
I am to pass sometimes
the burdens that I have to bear, I
consider Redemption
When I see the condition of the
world and its women
How men's heart are continually
failing for fear
I think of I being one of the few
that had been pulled out of the
mock and miry clay
I consider my redemption
I know it wasn't only me
But I can sing about Redemption
and I thank God for Redemption

Given Redemption
Once again we'll reign as kings
and priests
Given Redemption
So like John let's worship Him
Given Redemption
He's God's Lamb for you and me
Given Redemption
He's no longer on that Tree
Given Redemption
Now He lives in you and me
Given Redemption
We have come back to Eternity
Given Redemption
The Headstone shouts Grace to
you and me
Given Redemption...

1093 I'LL SAY AMEN

Key F

Beyond this flesh that you can see now
Beyond all weaknesses of this flesh - there is a connection with Jesus Christ

CHORUS

I don't know how - I don't why
I cannot explain the love of God for my soul
Down inside of me - when I hear the word
my heart says Amen - I'll say Amen

He has said that I will be perfect - with the virtues of Jesus Christ Himself
but I look around, I can still see imperfections - Shown to me by the devil my enemy
trying to get me sad and depressed
but I stand right up on my two feet - look at him straight in the eyes and I say:

He has said that I will be raptured - to fly away in the sky and discover this other dimension
I can still feel the force of gravity trying to pull me down to this earth and get me stuck in this place
but I stand right up on my two feet - raise my hands challenging gravity and I say :

He has said that I will be perfect - with the virtues of Jesus Christ Himself
but I look around, I can still see imperfections - Shown to me by the devil my enemy
trying to get me sad and depressed
but I stand right up on my two feet - look at him straight in the eyes and I say:

I'll say amen - I'll say amen - I'll say amen
I will be raptured - I say amen
nothing wrong with me - I say amen
It is well with my Soul - I say amen
Revelation 10: 8-11 - I say amen
to malachi 4 - I say
it is my turn to prophesy - I say amen
by faith
I say amen

1094 NEVER GIVE UP

Gloria Watson 2012

Key C

A Believer must be tried and tested
How else would I know, what I've got in me,
You see my trials only comes to make me strong,
It's a stepping stone for my perfection,

CHORUS

So I will fight,
And I will never give up, no
I was born to overcome,
I was in him
When the morning stars sang,
He's the same God when
Joshua spoke and stop the sun,
So be not afraid,
Only be thou strong,
Know I'm your God and
I am standing here with you

Now the enemy, will ask you
what are you fighting for,
Tell him, you came back to take
what he took from you,
Saints, if our God is before us
Then tell me,
Who can be against us,
We've been commissioned to
take back our land

Behold your God,
Shall deliver you from your enemies,
And you shall possess your land,
You keep on pressing;
You've come too far to turn back now,
So be courageous,
Fight the good fight of Faith

CHORUS

So we will fight
And we will never give up, no
We were born to overcome,
We were in him
When the morning stars sang

1095 MY LANGUAGE HAS CHANGED

Key F

People are wondering about my true identity - and I know each one draws his own conclusion for so many years - I have been wondering too - what I was - where I came from - and where I was going.

The Lord has performed a great paradox - for He came to break the seals of my life

To let me know - that even behind this flesh

The Father Himself has established residency

Since that very day

My language has changed

I have speaking - speaking

just like Christ Himself

Me and the Father , yes we are one

And I m not ashamed to testify

Hallelujah my language has changed

Hallelujah, thank you Jesus

Hallelujah, my language has changed

Hallelujah, I have been quickened

The People of Zebulon and those from Naphtali

Saw a great light when Jesus went to them

For He was the fulfilment of many prophecies -

A fulfilled scripture becomes a great light.

My Lord has performed a great paradox - for He has fulfilled

many promises concerning me

Since that very day - my

language has changed - I have

been speaking, speaking just like Christ Himself

I am the light in this dark world' and I'm not ashamed to testify

Hallelujah my language has changed

Hallelujah, thank you Jesus

Hallelujah, my language has changed

Hallelujah, I have been quickened

I am proof of resurrection in this dying world -

And I'm not ashamed to tell the whole wide world

Me and the bridegroom - Yes we are one

And I'm not ashamed to sing about it

1096 OUR TREMENDOUS GOD

My Companion, my best friend,
The only True God,
There's no one greater
Wonderful Saviour Jesus,
The Lion of Judah!

CHORUS

Our God is tremendous,
His strength never faileth
He'll go through the Fire,
Just to save a sinner
Yes He is almighty,
He sends His angels to guide me.
There is no storm too powerful,
Our God cannot handle
God in simplicity,
Revealed in you and me
Came down from His glory and
gives us the victory
The greatest love story!

When you're in need,
Call on the Lord
He will hear you
And He can heal you,
He is faithful, and true,
Wouldn't forget His own
He can be your companion,
Your best friend
The only true God,
There's no one greater
Wonderful Saviour Jesus
The Lion of Judah!

When you're in trouble,
Jehovah Nissi
The great enforcer, Alcyone
Will fight your battles
Oh yes, He will stand for you
Your victory will come not the way
you think it should
'Cause my great Jehovah
Just loves a paradox
So just stay in your position and
watch the miraculous
come into action

1097 THE WIDOW WITH NOTHING

Key G

There was nothing left
Just a little bit of oil
That was all she had
Her situation looked hopeless
Life seemed empty
The fire that she had was gone
and she could no longer sustain
her family
A widow with nothing
She was a widow with nothing
That was her story

With the creditor approaching
In her most desperate time of
need
She stood all alone, no friends
no family
They read their charges
You cannot pay your debt
Your children now becomes our
ransom
And they shall be taken,
“She cried”
Lord I have nothing left
I'm a widow with nothing
That was her testimony

But, when God heard her
desperate cry
He came down for His own
He quickly came to her as He
heard the cry of His own.
He led her to find Elisha
The prophet for that hour

Go – Thus saith the Lord
God had already told me your
troubles will be gone.
The story of your life will be
different from now on.
Bring every jar you can find,
God will transform your life
The little oil that you have will be
multiplied
Even now

Your children will never be
slaves and you will never be, in
debt anymore.
God has chosen you and in your
home He will work a paradox.

In the house that was empty now
has everything.
The widow who was weeping
can rejoice and sing.
Where there was nothing, today
you can have it all.
Step out by faith and see God
multiply your oil
Now your fire's burning, shine
your light each day.
You've touched the hem of His
garment as He passed your way
All who saw you suffer at the
hands of death, now sees the
blessings of the Lord.
Even now

1098 FULL REDEMPTION

Key D

We have heard mother's eagle
cry,
We will fly above the things of
this world,
For his word is made life in us,
In this end time bride

CHORUS

We have received a full
redemption,
From a life of sin,
In this evil age,
The Lord has descended
In this day,
The word is made plain;
We'll never be lost again

I can feel the pressure rising upon
the land
As the plague of locusts swiftly
devour its inheritance
And while the earth is groaning for
deliverance
The Lord is uttering secrets to his
children
I will restore (of how he'll restore)
Children of Zion lets lay aside our
weight of sin
That we will not be caught in the
judgment that is rising
On the dreadful (terrible day of the
Lord)

CHORUS

Keep your eyes on
Upon your promise
There's a trumpet sounding in Zion
sounding freedom
May hearts be filled with gladness
Sanctified and holy, signed, sealed
and filled
On the terrible day of the Lord.

When I see all nations
Gather against Israel
To steal their inheritance of
Jerusalem
The trumpet sound reminds me it
won't be long again
When the Lord would take his in
the rapture
He'll hide her away,
Children of Zion lets live for one
another
Let's make sure no one get left
behind
To face the wrath
Of the terrible day of the Lord

May your floors be filled with
wheat
Oh Zion
May your vats overflow with oil and
wine
May your old men see visions
May your sons and your daughters
prophecy
May you never be ashamed
For the Lord knows your name as
Mrs. Christ
And when all nations gather
against you
Oh Zion
You are a mighty army

I am your General
Mighty is the Lord
For his people he will fight

**1100 MAKE ME MORE LIKE
YOU LORD***Grace Ellis 2010*

Key F

CHORUS

Make me more like you, Lord.
Make me more like you, Lord.
An overcomer in all my trials,
Make me more like you}2x

I've been walking this dusty road
Expecting my filling everyday
For without your Holy Spirit,
without your guiding hand
I cannot find my way
But I have faith in your holy
word, the promises you gave to
me in this hour
I'm living under expectation,
For I believe that you can fill me,
even now (Oh Lord)

I know that Jesus, did it all
before.
What I face now, He has already
overcome.
If I can have just a little bit, and
then a little more of His life, then
each day I'll be stronger.
I believe you've placed me on
this earth, predestinated to stand
and overcome.
To live for you in this evil day,
But I cannot do it Lord, without
the Holy Ghost (deep inside of me).

I know the time will come, we'll
be hunted out
Condemned to death for you
name
We'll have to choose
To either take the mark and live
Or refuse to compromise with the
Word, and give our lives
Lord we want to choose Eternal Life
To give our lives for you would
be an honour
But the only way we can make
that choice
Is by the life of Christ in us
Lord I need something real, just
like Jesus

1101 RUN FOR YOUR LIFE

Brian Rollingson 1986

Key F

CHORUS

Run for your life, the end is here,
Hell is on the earth, please don't
delay}2x

We are in the Third Exodus; the
Pillar of Fire is here
The Angel of the Lord has come
to take us home
The blessed Millennium will soon
be on the earth
So come into the shelter, oh
please friend don't delay

The pale horse rider is riding in
this hour
His name is called death and hell
follows him
He's gathering his subjects by a
three-fold power
Of politics, religions and demons,
oh friend watch and pray

Two hundred million devils are
raging with fury
Destroying and deforming all
those that are left behind
And three unclean spirits like frog
are deceiving
The people in the churches and
leading them to death

There's a mamba on the highway,
it's biting the people,
With the seed of unbelief in the
Message of the hour
But the prophet was given the
power to bind it
And everything below him oh
praise God we are safe

The beast of Revelation is trailing
forth his power
And causing all the people who
have rejected the Word
To receive in their forehead and
in their right hands
The mark of the beast, oh friends
you won't escape

1102 HOLD BACK THE WINDS

Grace Ellis 2012

Key F

The year of My Redeemed has come
The day of vengeance is in my heart
And what is in the heart will be
manifested
I can clearly see The Angel's
hand, lifted up,
Saying, 'Time shall be no more',
He that is filthy shall be filthy still.
He that is holy shall be holy still.
So make haste.
Get ready...Oh
I can hear the Angel cry...

CHORUS

Hold back the wind
'Till the last one is sealed
Hold back the wind
Just a few more names to be
redeemed
Hold back the wind
I can hear the Angel cry.
It's the sealing of the 11th hour
Gentle Worker (God's Elected Bride)
Hold the wind.

Redemption Message of Grace
has come.
Soon, time will be no more
When the door swings shut, then
intercession is over
So as the Holy Spirit hunts out the
Elect
And as a roaring Lion the Son of
Man cries
Run! Into the ark
Get your Lamps trimmed and
filled with oil
That you will not be weighed and
found wanting
Make haste. Get ready.....
For I hear the Angel cry.....

BRIDGE

The Spirit and the Bride say,
Run! Into the ark.
Get your lamps filled with oil.
Run! Run for your life
We are living on borrowed time
Let's Run! In desperation
With the token on display
Run! To the finish line
This is an urgent cry.

I hear the Angel cry....
Hold back the wind

I'm crying out prayerfully
Seeking your holy face
For all that you've promised me

Lord I've had many victories before
Now I see the world is shaking
My life is shaking
And I need you even more
The enemy is at the door
Determined to destroy me
But I will live a victorious life
Like Jesus Christ
Lord, take all that is not of thee

1104 WE ARE THE BUILDERS

Key A

Bring the cedars of Lebanon
Bring the pine trees too
Carefully with great precision
Bring them to Jerusalem
Let's build God's house with rejoicing
We are commissioned to do this great work
As we labour in love with one vision
Every attribute must come to perfection

We are the builders. We are the workers
At the 11th hour we are determined
That our mission must be completed
We will finish the house of God
And the stone that was cut without hands
Once again rejected by men, but
Today the capstone has found a place in my heart

Stand strong my brothers and sisters
As we lay our foundation of faith
This temple cannot be shaken
So stand strong with revelation
God is moulding our lives in simplicity
We are growing every day
Till we come in his image and likeness
We'll continue to labour and build

One day our labours be over
And we will feast with our Lord
Dressed in his royal apparel
We'll reign as kings and priest on the earth
His glory will have no comparison
It's beyond every great story told
Nothing can stop this union
As Christ and his bride becomes one

You descended as the Son of
Man in this day
Clothed in a cloud
You're the mighty angel, the
Ancient of Days
With the open book in your hand
The world is found guilty,
condemned to die
Woe is me, I 'm lost and undone

But you reached out your hand
to me in love, open my blinded
eyes to see
Behold the Lamb of Calvary
Who gave His life
He died to set me free
He conquered sin, death, hell
and the grave for me
I am forgiven, I know I am
redeemed

CHORUS

He has redeemed me
Sing Worthy is the Lamb
My soul is cleansed, my life He
has changed
I have full redemption
He claimed me as his own
Sing Hallelujah, my Redeemer
lives
The Son is risen He lives in me.

Your redemption plan you have
unveiled
Through opening of those seven
seals
You gave power to live, faith to
overcome
This world and the evils of this
age
I am his bride appointed to sit at
his side
O what grace in you Lord I've
found

With a grateful heart I would lift
my voice
Thank you Lord for your amazing
love
You are the Lion of Judah that
has prevailed (You have
prevailed)
And some sweet day we'll crown
him King of Kings
Rapturing faith, he gave for my
body change
And from this world I will be
taken up

BRIDGE

All blessings and praise and
power
Glory and Honour
Worthy is the Lamb that was
slain
Now Babylon is fallen
For the day of vengeance is in
my heart
And the year of my redeemed is
come.

CHORUS

He has redeemed me
Sing worthy is the Lamb (Worthy
is the Lamb)
The resurrected Christ is in our
midst
And from the graves, the
sleeping ones shall raise again
Sing hallelujah, My Redeemer
lives
We have redemption in power,
completeness and joy
The Son is risen (I have this
testimony)
My Redeemer lives
The Son is risen
He lives in me.

1106 RISE UP AND COMPLETE THE JOB

Arlene James 2011

Key E

We've been called to walk where
no other age has
Of all dispensations we are the
last
The harvest is ripe but the
labourers are few
The work that must be done falls
on me and you

CHORUS

Refuse to be compromised by
the enemy
Keep your eyes fixed on the
prize set before you and me
There is much work to be done
so we must
Rise up and complete the job

We've been called to be light
bearers in this age
Shining forth God's glory, oh
what a privilege
By our prophet messenger our
lamps have been lit
We're a city on a hill whose glory
can't be hid

Each age was given a word to
manifest
There were always believers
who rose and stood the test
Now there is a word that's
allotted to this age
We've been called to manifest
the fullness of this message

1107 OH LORD WE'VE COME

Anthony Weekes 2015

Key G

Oh Lord we've come into your
presence
Lord we've come
Oh Lord we've come, to worship
You, to honour You, to give You
thanks and praise
Oh Lord we've come, lifting holy
hands
We've come
Oh Lord we've come to glorify, to
magnify your precious Holy name
Oh Lord we've come

What a blessed privilege we have,
To come into Your presence
once again
To enter into Your gates with
thanksgiving
To enter into Your courts with
praise.

We embrace this golden
opportunity
To come into Your presence
once again
To enter into Your gates with
thanksgiving
To enter into Your gates with
praise.

1108 THE GREAT HEAVENLY FEAST

Key Cm

We are in a Heavenly Celebration
It's the Glorious union
The united Bride from every nation
The redeemed church of Jesus Christ

CHORUS

The Feast of the great overcomers
I would not let it pass me by
A new song the bride of Christ is singing
If you're one of them,
Then praise the Lord!

In Victory we'll sing, we are Triumphant
With tears of Joy we'll praise Our king
The feast of victorious overcomers
Only the redeemed shall enter in

1109 TRUE SOLDIERS

Anthony Weekes 2012

Key C-D

CHORUS

We've been called to be soldiers
In the army of the Lord
Called to stand against the
darkness of this evil world
Called to be soldiers to stand
faithful and true
This is what real soldiers do

When you took on the Name of
Jesus
Joined the Lord's Army
One thing; you must always be
battle ready
Taking your training very
seriously
For someday, you are going to
meet the devil, your real enemy.

Put on the whole armour of the
Living God
The breastplate of righteousness
and the two-edged sword
The shield of faith and the
helmet of salvation
Standing upon the Word
Always in prayer and
supplication

We wrestle not against flesh and
blood
But principalities and powers and
the rulers of this evil world
It's not by our own power, not by
our might
But by the Holy Ghost in us
We will stand and fight.

1110 DAY OF VISITATION

Key B

I've read about the fishermen
Who left their nets to follow him
And nothing was greater than
when Christ called their names
I've read about Mary Magdalene and
Oh how that story touched me
When the Lord visited her
Then her life was transformed
I read of Zachaeus meeting
Jesus, the Son of God
His life was changed
Then he made right all that was
wrong
I read of a man of the Gardarenes
Possessed by a legion of demons
But the Lord delivered him with great
authority and he was set free

Now we know
That God's tremendous miracles
Have been displayed
As a sign of His visitation
Yes we
are the children of Abraham
Walking in the faith
We stand in confidence
Believing God is with us
We know that He is the same
yesterday, today and forever
So let's worship Him right now

CHORUS

This is the day of visitation
Though you may feel so
unforgiven
God loves the insignificant
He can cleanse, renew and
restore you to perfection
Rejoice and accept His invitation
Call on Him, He made a way for you
This is the day of visitation
The Lord Himself now dwells
among us
Now nothing is impossible
Oh you who were bound in sin
If you can recognize His voice
within
Today is the day of complete
redemption

I look over the land and sea
 Pondering the prophecies
 Of things that are to be
 And how they pertain to me
 I see the junction of time we're in
 Man is destroying himself again
 By the vision of the word I see
 Ashes on every turn
 He'll never forsake His own
 Before the first bomb falls,
 We'll be gone

CHORUS

To the other dimension, traveling
 faster than the speed of light
 The same way those angels
 came that day quicker than you
 could blink your eyes
 We're changing dimensions,
 Changing dimensions
 Changing dimensions

We are waiting at the gate,
 Our flight is about to leave
 We've passed through all the
 checkpoints
 Through all security
 Our pilot is King Theophany
 Jesus,
 On the wings of an eagle leads
 us
 The token is on display
 We can now be on our way
 And just before the fire falls
 He'll deliver our souls
 From this world

BRIDGE

I hear the voice of a multitude
 say
 Salvation, honour, glory, and
 power
 Hallelujah to the Lord our God

For His judgments are righteous
 and true
 Let us shout be glad and rejoice
 Give honour unto Him
 For the Marriage of the Lamb is
 come
 And His Wife hath made herself
 ready

1112 KEEP ON FIGHTING*R Marcano, G Ellis 2012*

Key B

This life I've come to know is only
 for a season
 I was in Christ before the
 foundation of the world
 And how I longed for the day when
 my amnesia would be taken away
 And I hold fast to the promised
 word ordained for me
 And slowly the veil is lifting off of
 my life
 And I hear him say

CHORUS

Keep on fighting, keep on pressing
 Through all the times of this life
 I'm standing right by your side
 I am always with you so don't you
 fear my child
 Just obey and keep my word come
 follow me, I am the way
 I am that I am I am the way

Just a closer walk with thee is my
 desire
 Be it unto me according to thy
 word
 And how I long for the day when
 my troubles would all be over
 And I know it would be worth it all
 when I get there
 There's no turning back though I
 may falter along the way
 Still I hear him say

1113 BY MY GOD
Psalm 27:1-5

Arlene James 1997

Key G

The Lord is my light and my salvation
Of whom shall I fear?
The Lord even God is the strength of my life;
Of whom shall I be afraid?
When the wicked, even mine enemies
Came upon me they stumbled and fell.

CHORUS

For by my God
I have run through a troop of death
I've leaped over a wall into higher realms
I have conquered all the gates of hell
It's through faith all these things I have done
By my God

In the time of trouble in His pavilion I'll hide
In the secret of His tabernacle
It's there I'll abide
Though an host should encamp against me,
My heart shall not fear though war shall rise

1114 I'LL PRAISE YOU OH LORD

Esther Joseph 2010

Key E

My whole heart I give you Lord
From with inside me
I'll praise thee
And Lord with all my heart
And Lord with all my soul
I worship You, I worship You, Oh Lord

CHORUS

Singing I, I'll praise You, Oh Lord
From the bottom of my heart
To the depths of my soul
I worship You
I worship You alone

Lord to You, I open my heart
I lay all on the altar of sacrifice
My all in all I give to You
All I am, yes all I am
I give to You

BRIDGE

With all my heart and all my strength
With my whole being
I worship You alone
From the bottom of my heart
I worship You,
I worship You alone

1115 LORD YOU ARE TOO WONDERFUL

Joy Simon 2012

Key E

Lord, You are too wonderful,
You are so marvellous
I will praise Thee, oh Lord,
Though from the dust of the earth thou hast made me
Yet I'm fearfully and wonderfully made
Precious are thy thoughts unto me
You are so wonderful, too wonderful for me

1116 ONE DAY I'LL BE CHANGED

Sarah Nunez 2009

Key D

One day I'll be changed,
One day I'll be gone,
One day I'll be changed
One day I'll be gone. }2x

To this Word many have come
And from this Word many have gone
But there is something on the inside
that is helping me hold on.
Through my life, there are many
trials;
But the Great Shepherd, who's been
revealed to me, is leading me
faithfully
Cause how would I've known that
one day I'll be immortal.
He shows it's the narrow Way that
leadeth to life eternal.

CHORUS 1

One day I'll be changed
One day I'll be gone
Because My Jesus said
It wouldn't be long.
One day I'll be changed
One day I'll be gone
Because I know for sure
That my battles are already won.

I've heard about my angel
beholding the Father's face,
And although inside this body
I'm trapped in time
This Word has given me grace.
So how can I not believe Him
When I know He keeps His word
I know that surely I can stand with
confidence and say
One day I'll be leaving this world

CHORUS 2

One day I'll be changed
One day I'll be gone
Because I know beyond this sinful
body I've another one
One day I'll be changed
One day I'll be gone
I'm just waiting to hear that last
trumpet sound

I know I have an angel beholding the
Father's face
And although inside this body I'm
trapped in time, this Word has given
me grace.
So how can I not believe Him, when
I know He keeps His Word?
I know that surely I can stand with
confidence and say
One day I'll be leaving this world
Far behind me.....

CHORUS 3

One day I'll be changed
(I'll be changed)
One day I'll be gone
(I'll be gone from this old world)
My Father said it wouldn't be long
(It's not long again)
One day I'll be changed
(I'll be changed one day)
One day I'll be gone
(and then..... and then I'll be gone)
I just can't wait to have my new body on.

CHORUS 4

One day I'll be changed
(I'll be changed from this old man
into the new man,
I just can not wait to step over
into that other land)
One day I'll be changed
(I'll be changed from this nature...
Changing from an ugly caterpillar
Into a beautiful heavenly creature)

CHORUS

One day I'll be changed
One day I'll be gone
I know beyond this sinful body
I've a perfect one
One day I'll be changed
One day I'll be gone
Entering into the new land I'll hear
God say "My precious Bride... Well
done, Well.... Done....

1117 I'M NOT OF THIS WORLD

Key F#

If you can understand,
I've come from another world
Where the sons of God shout for joy
And the morning stars sing
I declare I was there my kind is
very rare
In His image I was made,
Before the foundations were laid
I'm of a super race who beheld
the Father's face

CHORUS

I am not of this world,
I was expressed into time,
I've come from another world,
Sent to be an end time sign,
I'm only here for a little while,
To prove and manifest His life
from another world,
I'm going back to that eternal
world

I came from another world,
Unseen by human eyes
I'm from another world
A parallel universe
Right now I'm standing here
But if you dare to bat your eyes
I might disappear, in the
twinkling of an eye
To that other world
That eternal world

I live in another world,
Where I'm influenced to praise
By My Theophany
That's been singing to me
There's a quickening power
That's been rapturing me
To a heavenly place,
A supernatural atmosphere
From that other world,
From that other world

1118 SOUND OF FREEDOM

Key C

CHORUS

I hear the sound of freedom,
Jubilee
Seven thunders speaking my
liberty
And I've climbed the mountain
Seen the risen Son
It's Jubilee, my Jubilee

The Supreme Judge appeared in
1963

Then the Lamb took the Book
and opened the Seals
We've heard the preaching of the
acceptable year
We've heard the trumpet sound
Every man can go free

Now here we are
After fifty years
We've seen the end of time
rapidly drawing near
No matter what you've done, you
can now go free
Yes all your debts are paid
If you will just see grace

BRIDGE

We are free
My chains have been broken
I'm no longer a slave
The prison doors are opened
I'm no longer in bondage
My pardon was signed
It was done on Calvary
At the appearing of the Cloud
We can claim our redemption
Who the Son of Man has set free
Is free indeed

Yes I will speak in line with the
revelation of my faith
I will prophesy in line with the
revelation of my faith
Just like Adam in the beginning
as he was naming animals
God Almighty was resting in
heaven when he said,
'Your name shall be lion' and the
Father said "Amen!"
'You are so meek, your name is
lamb' and the Father said "Amen!"
'You fly high, your name is eagle'
and the Father said "Amen!"
'You're so sweet, your name is dove'
and the Father said "Amen!"
Hallelujah, hallelujah, Ha Ha
Hallelujah...Amen }2x

Yes I will speak in line with the
revelation of my faith
I will prophesy in line with the
revelation of my faith
Just like Joshua fighting to
possess the land of Canaan
Then he realized he didn't have
much time to waste
He said, 'sun stand still' and the
Father said 'Amen'
'Till I possess this land' and the
Father said 'Amen'
'Yes we are more than able' and
the Father said 'Amen'
'Yes we are more than able' and
the Father said 'Amen'
Hallelujah, hallelujah, Ha Ha
Hallelujah...Amen }2x

Yes I will speak in line with the
revelation of my faith
I will prophesy in line with the
revelation of my faith
Like the daughters of Zelophehad
at the time of inheritance
God Almighty spoke from

heaven when they said,
'Give us our portion' and the
Father said 'Amen'
'To manifest our father's name'
and the Father said 'Amen'
'To glorify our father's name' and
the Father said 'Amen'
Hallelujah, hallelujah, Ha Ha
Hallelujah...Amen }2x

Yes I will speak in line with the
revelation of my faith
I will prophesy in line with the
revelation of my faith
Just like Peter walking down the
streets of Jerusalem
Now the promise of Joel 2 finally
made flesh in his life
He said 'no gold, no silver, take
what I have' and the Father said
'Amen'
'Stand up and walk brother' and
the Father said 'Amen'
'Yes you are more than able' and
the Father said 'Amen'
Hallelujah, hallelujah, Ha Ha
Hallelujah...Amen }2x

Yes I will speak in line with the
revelation of my faith
I will prophesy in line with the
revelation of my faith
Just like Branham prophet of this
time who revealed the son of Man
He was hunting and needed to
find a few squirrels
'Let the be squirrels over there'
and the Father said 'Amen'
'Little fish I give you your life
back' and the Father said 'Amen'
'Storm, be dismissed!' and the
Father said 'Amen'
'Hattie Wright, have you boys'
and the Father said 'Amen'
'Tumor, go away!' and the Father
said 'Amen'
Hallelujah, hallelujah, Ha Ha
Hallelujah...Amen }2x

1120**TIME VERSUS
ETERNITY**

Key G

At the breaking of the Word I
came to understand
There are forces fighting in my
life, a heavenly one against an
earthly one
Time has tried to challenge eternity,
Tell me who's gonna win, who's
gonna win between them two,
Oh oh oh oooh...

CHORUS

We shall know, we shall know
who is the winner
Between Eternity and time
We shall find out who is the winner
Between my body and my
theophany

This heavenly power influences
my inner man
And my inner man enjoys the
Word of God
My inner man enjoys God's
promises
Yet the body of flesh causes
trouble everyday
My friend tell me who's gonna
win, who's gonna win between
them two
Oh oh oh oooh...

Like in any fight there has to be a
judge
He is the One to declare the
winner
When He blows the whistle the
fight has to stop
Then we know, we know who's
the winner
Tell me, tell me who's gonna win,
Who's gonna win between them two
Oh oh oh oooh...

Then I saw a mighty Angel
coming down on Mount Sunset
Wearing a wig of authority,
Then he blew the trumpet
Announcing the winner for he said,
'Time shall be no more, time is over,
Time has lost, time is finished
Eternity has won'

Jesus has conquered,
Eternity has won }6x

1121**JESUS CAME TO
FIGHT FOR ME**

Key G

He was worshipped in heaven
Receiving honor, glory and
praise
Before there was a creation,
I was locked up in Him.

Up there, I fought with Michael
When that old dragon
Was kicked out of heaven
Here I'm now in this terrestrial
body
Looking back at my victory

And He looked at me
Jesus saw I was in need
Fighting this battle of good over
evil
So He descended to fight for me

My Jesus descended!
Seven angels were seen
In the cloud
He has established
His throne in my heart.
Now all those devils are under
my feet.

Just when the enemy,
Thought he'd destroy me.
Jesus came down to fight for me.

1122**SURELY AROUND
AROUND HERE**

Arlene James 2015

Key F

Surely around here the throne
comes down
Surely around here the door to
heaven is found
And we know
Surely we are standing on holy
ground
He is here, He is all around

1123 AGAINST THE ODDS

Key C

Who could ever believe that
Mary a Virgin
Would ever conceive, bring forth
Messiah
Who could ever tell Elisabeth her
cousin
Would be the mother to Christ's
forerunner
Although many forces came and
stood in the way
They could never - never stop
God's Program
Always in opposition to what the
Creator declares

CHORUS

Always in opposition to what the
Creator declares
Gross darkness stands
intimidating
It comes to hide away
Then tries to brush off
Even denying the process of
creation
But who can stand - in the way -
Of the great SON
When He begins to shine - on a
new dawn
The very spoken word by the
Mighty Angel
Will put on flesh - will become
material
Here I am standing - against the
odds
Here I am the word made flesh -
against the odds
Here I am the Masterpiece-
against the odds
Can't you see God in flesh again
- against the odds
Here I am a Living epistle -
against the odds
To prove that God's Word can
never fail
To prove that God's Word will
come to pass

Who could ever believe that
Abraham this old man

Would see his body changed into
a young man
Who could ever tell
That Sarah who did laugh
Would still receive strength
To bring forth the promised son
Although all surrounding nations
Were plunged in great sin
They could never, never stop
God's program
Always in opposition to what the
Creator declares

Who could ever believe that Mrs
Jesus
Would stand so tall and so
beautiful
Who could ever tell that this
Bride of Christ
Would finally understand - who
she really is
Although the whole of Hell
Came up on this earth to fight
They could never hinder - God's
program

1124 I NEED YOU

Key C#

I need you, you need me
We're all a part of God's body
Stand with me
Agree with me
We're all a part of God's body
It is His will that every need be
supplied
You are important to me
I need you to survive
You are important to me
I need you to survive

I pray for you
You pray for me
I love you
I need you to survive
I won't harm you
With words from my mouth
I love you
I need you to survive

1125 DEEP CALLS TO DEEP

K & K Prims, S Perrotte 2012

Key C

Deep calls to deep
Deep must respond
There is a cry inside my heart
That only you can satisfy

Come near my Lord
Send my theophany
There's a charge I need
To overcome this wicked part of me

I lift my hand
A sign I surrender all
My heart, my soul, my mind
Yearns in me for perfection

CHORUS

Come near my Lord,
As I draw near to you,
You can be touched
With the feelings that I feel

I give my heart, I give my soul
I give my mind
You can make me whole

1126 THE LIGHT OF OUR DAY

Key A

The Light of our day is come
Let us arise and shine
For the trumpet of God is
sounding our names
The Light of our day is come }2x

For the True Church of the Living
God, we are on fire
We have been quickened by the
word; this evening light
We were chosen to express this
Holy Convocation
The Master is calling, we're
being changed
By the Power, the quickening
Power Of God

We have received the same
anointing of the great Messenger
He was the wave sheaf, for the
Bride age, He was the first one
We were chosen, predestinated,
as our prophet was
This is the day, this is the hour,
It's time to shine
Be ready our translation is come!

1127 WITH GRATEFUL HEARTS

Carol Alexander 2014

Key C

God's servant made a call of
sacrifice
And you rose took up the challenge
Down through the years
Not one time have you failed
To meet the needs that arise
Here we stand as beneficiaries
Of your love and your sacrifice
To you we always want
To be a blessing
To you we want to say thanks

CHORUS

With grateful hearts of love and
appreciation
To you we give honour and thanks
For what you've done to the least
You have done to The Lord
To you we want to say Thanks

Through your constant
Labours of love
This word has been given
Wings to fly
Many across the world has testified
In you dwells the life of Christ
Many have been blessed by the
song ministry
All because of you
behind the scenes
That's why today
We lift you up in a special way
Saints we want to say Thank You

BRIDGE

Side by side we stand as one
United by one purpose for this cause
And as we rally around the gift
God has placed in our midst
He will lead us into that golden age

We thank you from our hearts, we do
We thank you from our hearts
To you we want to say thanks }6x

1128 THE RAPTURE

Kim Allert 2012

Key C

It's a virtual world we live in
Only Jesus Christ is real
If it were possible the very elect
would have been deceived
There's a power that is moving
Deceiving hearts with fear
Hell is swiftly following death
Spreading chaos everywhere

The pit of hell has opened up
all hell is on the earth
the world is in such a hideous
condition
A way has been made for the
devil's reincarnation
Troubles on every side
how can we escape and the hour
is so late
what does it take

CHORUS 1

A rapture
(Don't you fear)
It takes a rapture
(These are the words that I hear)
Your God has not given you
more than you can bear
Hold on
(Though the whole world is united)
Be strong
(There's another world uniting)
Trust and obey,
There is no other way
It takes a rapture

Even the earth is groaning
For the manifestations
When sons and daughters of the
living
God identify themselves
For her rivers are polluted
her streams are all dry
The land is filled with blood
How much more can she take
This is why the earth quakes for
a rapture

CHORUS 2

A rapture
(Don't you fear)
It takes a rapture
(Our God will take us from here)
Our God has not given us more
than we can bear
Hold on
(Though one group on earth is
riding)
Be strong
(There's another group that's
riding)
Trust and obey,
There is no other way
It takes a rapture

BRIDGE

And one by one
(God is sealing his elected Bride)
In this evil day
(Who are a part of the first
resurrection)
Just a few more days to labour
And we will be changed}2x

CHORUS 3

A rapture
(Don't you fear)
It takes a rapture
(These are the words that I hear)
Our God has not given us more
than we can bear
Hold on
(Though one group on earth is
riding)
Be strong
(There's another group that's riding)
Trust and obey
There is no other way
It takes a rapture
Trust and obey
There is no other way
It takes a rapture}3x

1129 WE PRAISE YOU LORD

Key C

2nd Chronicles 5: 13–14

*It came even to pass,
As the trumpeters and singers were
as one, to make one sound to be
heard in praising and thanking the
LORD; and when they lifted up their
voice with the trumpets and cymbals
and instruments of musick, and
praised the LORD, saying, For he is
good; for his mercy endureth for
ever:*

*That then the house was filled with a
cloud, even the house of the LORD.
So that the priests could not stand to
minister by reason of the cloud: for
the glory of the LORD had filled the
house of God.*

We dedicate this temple to you
Lord
Our hearts, our souls
These vessels are yours
We dedicate our lives to the Holy
One
As we praise the Lord
Let's praise the Lord

CHORUS

For He is good
His mercy endureth forever
We stand in awe in His presence
Let your glory come down
Fill this house
As we praise you Lord
As we praise you Lord
We praise you Lord!

As the singers and musicians
Unite as one
To lift one voice
Praising the Lord
We lift our hearts
And we sing in one accord
As we praise you Lord
Let's praise the Lord

1130 I'M GOING BACK

Arlene James 2012

Key G

As an eternal thought of God
I was a gene in the loins my
Father
Till the day he deposited me into
the womb of this earth
To grow through the stages of
life
Till I'm fully developed
Then I'll be birthed into that
eternal world

CHORUS

I'm going back to where I came
from
I'm going back to where I belong
No more to be separated from
him
I'm going to be with my Father
again
I'm going back

In the womb of this world
I've had my share of turmoil
But through the ordained
channel
I'm drawing strength to grow
My life is coming into the image
of my father
And when I leave this veil of
flesh in a greater way I will know

There is a divine connection
between me and Father
I always hear His voice
Speaking directly to me
Though enclosed by dimensional
veils
I press on upwards
To break forth into the new world
My Father's loving face to see

BRIDGE

I came from God
And I go back to God
I'm going back

1131 I'M IN HIS ARMS

Georgia Noel 2013

Key C

Don't you cry
God's got ahold of me
I'm in His arms
No better place to be
From up here
Your tears I can clearly see
But I'm in His arms
Safe from all harm
Jesus got a hold of me

Down there
I know folks may not understand
How I left this world
How this could be God's plan
But from up here
I understand His perfect will
And I'm in His arms
Safe from all harm
Jesus got ahold of me

So don't you worry Daddy
He'll never let me go
So don't you worry Mummy
In time you'll come to know
Don't you worry Saints
Some day soon you'll see
And I'm in His arms
Safe from all harm
Jesus got ahold of me

So take courage
Don't fuss or cry for me I'll meet
you here
Over on this other side
Yes we're separated
But only for a little while
You see my Lord He wanted me
at His side

So let's say 'until'
Until, and not goodbye
For I'm in his arms
Safe from all harm
Jesus, He's got a hold of me.
Lily.

1132 WORKING TOGETHER

Arlene James 2014

Key C

The land has been conquered
But some of us are yet to take
what's ours
As we recognize what has been
done
Let's move on to claim our
inheritance
There is great strength
When we unite in one mind and
one accord
So come help me, I'll help you
Possess all that's yours

CHORUS

Working together for the
kingdom of God
Working together in one accord
Come help me, I'll help you
There is so much work to do
Working in harmony and love
Under the leadership of the Dove
Joining hearts and hands until
we all stand
In the stature of a perfect man

One shall put a thousand to flight
And two shall chase ten thousand
We now see by this great unity
How we can be made strong
This body of Christ is fitly joined
together and every joint supplies
So under the headship of the
Captain of the Lord of host we
fight

We Will Work

1133 YOU ARE FAITHFUL

Key C

Mazvua ose
Makatendeka Jesu

Every day, every hour
You are faithful O Lord

1134 CIVILIZATION OF FAITH

Key G

We can fly only where eagles dare
As we feast upon the living word
that is coming forth
From the mouth of God.
Challenging the forces of gravity
We are from eternity, from eternity
Chosen ministers of the faith
Having access to the Holy place
Discerning the time and season
We are the valiant mighty
gentiles of Gideon (We are)

CHORUS

Civilization of faith
We are the new Creation
Astronauts living in orbit
We are from another dimension
Civilization of faith
The spoken word in you and me
Modern events made clear by
Prophecy,
Spiritual Scientists; We are

As we look to the invisible
Knowing that all things are
possible by Faith - only by faith
We have received the New Name
The Son of Man, *came in* the
Cloud
With power and in great glory
Predestinated to all that Adam lost
Now this is our time of Jubilee
As we claim our promised
inheritance
Being loosed from bondage and
captivity, choosing liberty.....

Fulfilling every Prophecy
With the vision of Nehemiah, we are
Re-building the walls
We speak a language mysteriously
The Seals, The Thunders,
Theophanies, full Redemption
This world can't understand
Having the power to change
dimensions

We'll walk like Enoch
We will be 'Not!'
Holding Him before us, in
Adoration
Entering into His Presence, by
Revelation

BRIDGE

In the beginning,
An intruder was in Eden
Satan planted his seed
In the womb of the woman
(Sacred bedding ground)
He perverted a Paradise,
brought darkness and death
But God, avenged this
intrusion....ooh!
(For a season....Until evening time)
In silence He descended
(In silence He descended)
And from Satan's Eden,
He called out His Elected Bride
(His elected Bride)
A Bride in His own image,
His Blood, His lineage
And while the world didn't know,
He ministered unto her
(He ministered unto her)
He knew her and she conceived

1135 I KEEP FALLING IN LOVE

Key D

I keep falling in love with Him }
over and over and over and }
over again }2x
He gets sweeter and sweeter as
the days go by
Oh what a love between my Lord
and I
I keep falling in love with Him
over and over and over and
over again

1136 BLIND BARTIMEUS

Key D

Blind Bartimeus cried
 {Have mercy on me}3x
 They told him to be quiet
 But he cried even louder, Messiah!
 Messiah, have mercy on me.

Bartimeus cried out
 {Have mercy on me}3x
 They told him to be quiet
 But he cried even louder!
 Messiah, have mercy on me.
 Lord I know that by faith
 I can touch You
 {Have mercy on me}3x
 Dear Lord! Do not pass me by
 Only You can make me clearly see!
 Messiah, have mercy on me.

Lord I know that by faith
 I can touch You
 {Have mercy on me}3x
 Dear Lord! Do not pass me by
 Only You can make the blinded see!
 Messiah, have mercy on me.

Show me the light of the hour
 {Open mine eyes Lord}3x
 Show me the Father,
 And it will suffice
 I want to look and I know I will live.
 I want to see Jesus.

Finally my faith reached out to
 him {Open mine eyes Lord}3x
 That's when the Son of Man
 Stood still
 Only you can do this for me
 I want to see Jesus

Not just a cloud in the sky
 {Open mine eyes Lord}3x
 I want to see Jesus in my life.
 I need a living reality
 I want to see Jesus

Nothing shall be impossible
 {Open my eyes Lord}3x
 You said!
 Nothing shall be impossible unto me.
 Help me live in this reality
 I want to see Jesus

Sirs, I would see Jesus
 {Open mine eyes Lord}3x
 Sirs! I would see Jesus
 And when I look I know I would live
 I want to see Jesus.

**1137 THERE WAS A
MIDNIGHT CRY**

Key F

Saints of all the ages that's gone by
 Longed to see this happ'ning in
 their time
 But they died in faith anticipating
 for the day
 Which is going on now
 In this finishing hour.

CHORUS 1

There was a midnight cry:
 The Bridegroom's drawing nigh!
 There will be a rapture
 In the twinkling of an eye
 Come, trim the lamp of your
 heart now
 Let the Love of Christ
 Shine bright in you
 Let His Life in you abide -
 Jesus Christ is revealed in His
 Bride.

Darkness holds the world in
 deadly grip
 People's hearts are in religious sleep
 But there's a holy and elected
 nation pure and right
 For the harvest is ripe
 Fields are ready and white.

The glorious and spotless,
 sinless Bride
 Ready to be standing by His side
 She is given the fine linen of
 righteousness of saints
 The perfection of Christ
 Can be seen in their lives.

CHORUS 2

How we cherish the Message
 from God!
 Let us sing a new song to the Lord!
 It's a sign to all the nations
 The Divine manifestation
 For we have a revelation;
 Who we are.

1138 WHERE WILL YOU BE

Georgia Noel 2008

Key G

The Court's convened
Judgment from Heaven
The Supreme Judge of all the
Earth
Declared the Book is open
Revelation ten, one to seven
A mighty angel descended from
Heaven
The mystery revealed
Some marked, some sealed
Where will you be?

CHORUS

Where will you be?
The Book is open
Where will you be?
Church, the roll is called
Which side of the Book is your
name written?
Judgment begins in the House of
God

It's not enough to justified
Neither is it enough
To be sanctified
You've got to be birthed, sealed
and filled
Where will you be?

Cain and Abel
Isaac and Ishmael
Esau and Jacob
All came from the same line
But one was rejected and
despised
The other had his name
In the Lamb's Book of Life
Where will you be
My brother tell me
Where will you be

Are you living like Lot's wife
You want the rich and easy life
Living full of compromise
Looking back at the world
Well you're either like Lot or
You're like Abraham
It's either Sodom
Or the mountain of Hebron
Where will you be
My sister tell me
Where will you be?

They all came out of Egypt
And all crossed the Red Sea
Ate manna in the wilderness

Drank water from the rock
But many stumbled at Kadesh-Barnea
And only two crossed
the Jordan river
Where will you
Check, take inventory
Where will you be?

A clean cut decision saints
Total separation
End time 'Eagle Nazarites'
With the sword of the LORD
You've got to move from the
outer court
Pass the brazen altar, get in the
inner court
Behind the riven veil
Where the glory won't fail
Where will you be?

Where will you be?}4x

1139 WHO THE SON SETS FREE

Key F

I remember standing
On the auction block of sin,
Satan controlled me,
He had the highest bid.
But Jesus died on Calvary
So that I could be set free
Jesus whispered,
"Child I bought you so that you
could be set free."

CHORUS

He that the Son has set free,
Is free indeed
No more chains of slavery.
Truth has triumphed with liberty
He that the Son has set free,
Is free indeed.

Now I belong to Jesus
I'm a child of the king
I traded filthy garments
For a robe of royalty
The chains that used to bind me
Are laying at my feet
You see the devil,
He lost his claim
When Jesus rose again!

1140 OUR GOD IS HERE

Georgia Noel 2010

Key A

In these darkest of times, you
can reach out to him,
In those trying moments, when
the future looks grim
That's when you can call Him on
the scene and that's when He'll
see you through
That's when He'll speak so clear,
"Fear not, I Jesus Is here"

CHORUS

All that you're praying for
All that you're trusting for
Whatever you need of Him
Our God is here
All that you're thirsting for,
You just believe once more
He'll hear when you call on Him,
Yes, our God Is here!

If you'd only trust in Him,
He'll supply your need
If you'd only just believe in Him,
Your sickness He will heal
(And) When you're weak
He will take your hand
If you falter, He'll help you stand
So just reach out to Him
For Jesus is here!

Our prophet believed in Him,
He found Him faithful and true
And what He did back yesterday,
He'll do the same for you today
Our God never disappoints,
So cast down
All your fears and doubts
On your stormy seas
come walking out
For Jesus is here!

BRIDGE

In your sickness
In your weakness
Just believe!
He paid the price on Calvary!
Your enemy has been nailed to
that tree! Jesus is here!
No fear, no doubt,
no unbelief!
No circumstance, no retreat!
Jehovah God is our victory!
Only Believe!
Jesus is here!

1141 I AM THE RESURRECTION

Ulric Andrews 1986

Key G

Heathens, how are you gathered
against me once again
And yet this time it is still in vain
No weapons against me shall
prosper
Your wicked deeds I shall defy
For I shall live and prophesy

CHORUS

I am the resurrection, I am the life
I am the resurrection
I shall raise the sleeping saints
and shall not die

Lord have Your way and bruise me
For it pleases You that I must die
That Your life may be glorified
Yet how my senses resist me
And I'm pressed out to the ground
Strengthen me to cast them down

Lord how I feel You vibrating in
my soul
And I know I'll soon be out of this
world
Let quickening power swallow up
my mortality
For I must break these laws of
gravity

1142 TODAY I MAKE THIS VOW

Georgia Noel 2000

Key D

We come today to take this vow
Our hearts in one accord
And in our minds, there is no doubt
This thing proceedeth from the
Lord
Though trials come to test our love
Together we will stand
For we were made to live as one
And we'll serve the Lord, hand in
hand

CHORUS

Today I make this vow, to you
And promise to love you my whole
life through
You're the one my heart's been
always searching for
I pledge to you my love forever
more
I'll live to see you safe and secure
You're the one my heart's been
always searching for

I can stand by grace and proclaim
by faith
I know you are the one
The Spirit moved upon my heart
And that's where love begun
And now we stand before our God
I feel your hand in mine
And I promise from this day on
That I'd love you till the end of time

FINAL CHORUS Repeated (with monologue)

Today I make this vow, to you
**(Spoken over the singing -
Today I promise to have and to
hold you)**
And promise to love you my whole
life through **(To love you as Christ
loved the church)**
You're the one my heart been
always searching for **(And gave
Himself for it)**

I pledge to you my love forever
more **(I promise to love you for
richer and for poorer)**

I'll live to see you safe and secure **(I
promise to love you in sickness
and in health)**

You're the one my heart's been
always searching for **(Forever, till
death do us part)**

BRIDGE

Yes you're the one (In my life)
The one that I adore
Yes you're the one (In my heart)
That I've been searching for
You're the one my heart's been
always searching for

1143 HE CARES

Arlene James 2013

Key E/F

He cared to give His life
He cared to pay redemption's price
To deliver me from the hands of
the slave master
He cared to go the distance with me
He cared to let me see
Just how much He really, really
loves me

CHORUS

Now I care to believe Him
I care to live only for Him
I've seen too much
To hold back what He deserves
I care to trust His word
To act upon the things
I've seen and heard
I care to really love him
With all my heart and soul

I care to honour Him
I care to please Him
This Gracious One,
He who is my life
I care to see Him magnified
I care to see Him glorified
This precious Lord and Saviour,
Jesus Christ

1144 I WANT TO DIE

Rebecca Mitchell 2013

Key C

Searching my life deep on the
inside
Desiring a closer walk with Jesus
Christ
Praying on my knees pouring out
my heart
Uttering these words to him
Lord I want to die
So here I stand with this desire
Lord I want to die

CHORUS

Lord I want (need) to die
Take away the old nature inside
All your blessings are available
And I want the keys to have
access
I want to do the greater works
And live in the image of Christ
All these promises were made
for me
But first I need to die

Now I'm determined to fight
With all my strength and might
And persevere in the ways
you've shown me is right
He said it's the narrow way that
leads to eternal life
So through prayer and
supplication I know the victory's
all mine

BRIDGE

So I'm laying my all on the altar
of sacrifice
Separating from all sin for Christ
to dwell within
I'm dedicating my life
Tearing down the veil of self will
Lord I know it's there
I'll have the access to my total
deliverance.

1145 NINETEEN AGAIN

Selwyn Boyd 1981

Key D

Just beyond the curtain of time
there is a place that is so
sublime,
Just beyond the curtain of time
I have a home that is so sublime,
It is a place of perfect rest made
by Jesus for the blest,
And my address over there my
friend, soon I'll be nineteen,
nineteen, nineteen,
I'll be nineteen again

CHORUS

Nineteen again, nineteen again
Nineteen again, my friend}2x

How this number fascinates me
with holy joys of jubilee,
This redemption possession is
my heart's lifelong obsession,
Therefore then if you find me
strange it's because
I want my body to change
So I will sing it again and again
Soon I'll be nineteen, nineteen,
nineteen
I'll be nineteen again

Going beyond the curtain of time
in the rapture between six and
nine,
When I see my Saviour's face
I'll sing and I'll shout for amazing
grace,
For it is His love that brought me
in and has saved my soul from
sin,
So I will sing it again and again
Soon I'll be nineteen, nineteen,
nineteen
I'll be nineteen again

1146 YOU LIFT ME UP

Kelisha Primus 2014

Key C

Lord I lift my hands in worship
There's no other way to make it
through the day
When the enemy comes like a
flood
I know You'll raise a standard
I know You'll lift me up

CHORUS

You'll lift me up yes Lord
You surely lift me up (No matter
what comes my way)
You'll lift me up yes Lord
You surely lift me up

When I feel that I'm unworthy
And it seems so hard to pray
Cause of the pressure of the day
Then I think of Jonah in the belly
of the fish
He's getting to down to pray

CHORUS

You lift him up yes Lord
You surely lift him from the belly
of the fish
You lift him up yes Lord
You surely lift him up from the
valley of the shadow of death

There is nothing without a
purpose
God always has a reason for the
things that we go through
So whether you're on the
mountain or low down in the
valley
There is one thing you must do

CHORUS

We'll keep His Word
We will keep his Word no matter
we'll go through
We'll keep His Word
We will keep His Word

When you walk with God
You walk alone

1147 STEP INTO MY THEOPHANY

Key D

CHORUS

One day I'm gonna take that step
One day I'm gonna take that step
into my theophany
One day I'm gonna take that step
into my theophany
One day I know that that final
step is going to set me free
My theophany, I can hear it
calling me
It's a-calling come up (come up),
a little higher
Into the perfect world
Saints come up a little higher
Into Agape love
Church, come up a little higher
Soar through the heavenlies
My theophany, I hear it calling
me

Well don't worry little children
Should death knock on your
door
Don't you know that death is a
doorway that leads to the
heavenly shore
Over there is no heartache
No dying in that Land
Just peace, joy, and perfect love
beyond compare

Well, over the next hill I look
Oh, I see victory
Around the next turn in the room
that old devil he's got to flee
God's army we're marching,
We're marching onward
to slay that old enemy
Around the next hill
I see King Jesus
He's coming for me

1148 POWER OF TRUE LOVE

Anthony Weekes 2015

Key B♭

I was always searching for love
Didn't know what I was looking for
In so many different ways I was trying to find
This illusion that was in my mind
But then the God of love
Came into my heart
Opened up my eyes
Made me realize
You were always there
Waiting patiently
Love was waiting there for me

CHORUS

Love was always there
Deep on the inside
It only took a spark
To bring it to life
Love can take two hearts
That were far apart
The power of true love
Can make them beat as one
The power of true love

Look where we were and
Look where we are now
This could only be supernatural
Now I stand before you
Making this vow
For you are my one and only love
Now you know I'm yours and
I know you are mine
This new love we've found
Will stand the test of time
Together you and I
We will always be
For love has raptured you and me

1149 SHALOM UNTO MY LADY

Phillip Pierre 2011

Key G

This is a song of love and life, of
a man and his bride
Whom he has chosen to be wife
It was love at first sight, he loved
and adored her
For he is her kinsman redeemer
He can't live without her, she is his
desire
As he sings this song to her

CHORUS

Shalom unto my lady, you are
my bride, virtuous Ruth
Shalom unto my lady, you are
my love and I will keep you

She had fears and doubts but
the words of his mouth
Drove them all out
He showed her great favour and
would often whisper
Kind words unto her
Now she has a greater knowing
of the love he is showing
As he sings Shalom, good morning

When he saw her the first time,
he said in his mind
'Who is this damsel so fine?'
Her inward beauty, character
and conviction
Caused the attraction
Now he is only thinking of loving
and living
As his heart keeps singing

Where is thy beloved? What is
he doing?
Where is gone? When is he coming?
I go to prepare for you a place to
come into
That where I am you be there too
Soon bride and groom will go to
the honeymoon
And this song will be their tune

You're the apple of my eye
(that is you)
You're the love of my life
(that is you)
You're the Ruth in the truth
(that is you)
You're the love of my youth
(that is you)
Chosen to be wife (that is you)
Shalom my lady (Shalom to you)

1150 I LOVE YOU

Georgia Noel 2014

Key C

It's the time of the dove
It's the season of love
Come away my love with me
Come and stand by my side
Don't you realize
That you mean everything to me

CHORUS

And I love you
I give my heart to you
It's uniting time and sign
And I want you to be mine
Now and till the end of time

My beloved is near
His sweet voice I can hear
Through the lattices his face I
can see
You're the answer to prayer
I know that God hears
Cause He gave the very best to
me

BRIDGE

Come away (my love with me)
Come away
(Spend your life with me)
Come away (stand by my side)
Come away
(Come and be my wife)
Come away
(What a great thing our God has
done)
Come away
(Only He can make of twain one)
Come away
(Now we'll serve Him together)
Come away
(And we'll live with Him forever)

Kelisha Primus 2014

Key F

CHORUS

Quench not the spirit
This is revival time
Come into His courts with
singing
Rejoicing all the time
Our hearts are prepared and
ready
For this seventh year release
Gods declaring new things all
things are possible
To you who would believe

Release your brother
Release your sister
This is the Lord's release
Be careful to observe and do all
the things in which our father is
so pleased
In this hour he requires us to put
away all the things
That hinder us keeps us in
doubts and fears
And get ready, his spirit to
receive

Step out of the boat
Don't be afraid you can walk on
water
Keep your eyes on the lamb
This bleeding lamb that has
never lost its power
In this hour God require a total
Burnt offering
A pouring out of your life here at
Mizpah
An Ebenezer you will receive

We have our corn, oil and wine
This is the final feast
We must bring a clean fresh
drink to our king
A worship from deep within
Confess God's word, keep your
atmosphere
You'll walk in victory
Praying always, in prayer and
supplication
Keep your spirit sweet

1152 COUNT THE COST

Grace Ellis 2011

Key G

I owe my life to Jesus
If I had many more, I would give
them all to him
I owe my whole life to Jesus
If I had a thousand more,
That's still not enough
I'd live them all for him
He did not hesitate to do this
work for me.
My kinsman redeemer
He bought full and complete
redemption
He considered the cost, what it
would take to free my soul
Came down from his glory
and made a way back
to the tree of life

CHORUS

I count the cost
Of what Jesus did for me
I count the cost of what
Jesus did for me at Calvary
I count the cost as he left his
home in glory, redemption story
for me
Count the cost as he left his
throne on high,
Came down to die for me

Like Ruth coming out of a
broken, barren land,
I came in to the house of God's
bread
Though I be a stranger,
I followed the voice inside
I was instructed, to the feet of the
one who would change my life
So I laid my claim upon the word
which I was taught
With all my heart I believe for he
has proven faithful before
With a promise that he would not
rest until it's done
He did exactly as was promised
Oh Lord! I could never repay such love

Count the cost of what Jesus did
for you and me
Count the cost of what Jesus did
for you and me at Calvary
Count the cost as he left his
home in glory, redemption story for
you and me
Count the cost as he left his
throne on high, came down to
die for you and me

BRIDGE

On Easter morning he rose from
the grave
Restoring access to the tree of life
That since in Eden was taken
away, but now it's given back to
the bride
The title deed has been restored
Now we can look and live forever
more!

1153 SPIRIT SONS OF A SPIRIT GOD

Anthony Glaude 1996

Key G

When the world looks this is what
they see.
Ordinary people living ordinary
lives
Meek, humble and simple
But when I look this is what I see
The blood washed saints of God
Elohim's Attributes expressed in
flesh again

CHORUS

For we are Spirit sons of a Spirit
God living in a flesh body
We came from God and we're
going back to God to live eternally
Spirit daughters of a Spirit God
Living in a flesh body
We came from God and
Go back to God to live eternally

We are not just an ordinary
housewife
We are not just an ordinary father
We are not just an ordinary
carpenter nor an ordinary builder
But through our lives and
occupations God is revealing to
us,
Our eternal destination
In the home of the just

Now God's achievement in this
day, is to take a people from this
earth into heaven to sup around
his table

And as we partake of the tree of
life
We are adding to our Faith, Virtue,
Knowledge, Temperance,
Patience, Godliness, Brotherly
Kindness

1154 I'M GONNA LOVE YOU TODAY

Anthony Weekes 2001

Key G-A

Love I can say is a very real thing
For the joy and the happiness it
brings
And for this covenant you'll make
with me
I'm gonna share my life with you
eternally

CHORUS

I'm gonna love you today }
I'm gonna love you always }
I'm gonna love you }
I'm gonna love you }2x

For your love is stronger than wine
Thy loving kindness is better than life
I'll love you from your head down
to your feet
You loving me has made my life
complete

When I look into your eyes
What I see has made me realize
I don't ever want to be alone
Together we are gonna share our
future home

1155 ANGEL OF GOD

Ken Primus 2005

Key C

Angel of God you've led me
To my place
Angel of God I could not run this
race
You showed me a vision of my
standing and my state
Angel of God keep me in the way

Are not these your ministering
spirits
Sent forth to the heirs of
salvation
We are conscious of the unseen
presence that is amongst us
No need to ponder,
We have no need fear
There is more standing here with
us than the enemy

Elijah's servant was stricken in
fear by the enemy

He could not see the angelic
hosts around God's prophet
Trapped by his birth in a realm
they call reality
Then Elijah cried out,
Lord open up his eyes
There more standing here with
us than the enemy

1156 ABBA FATHER

Anthony Glaude 1985

Key F

For as many as are led by the
spirit of God
They are the sons of God
For the Spirit itself beareth
witness
With our spirits
That we are the children of God

CHORUS

For we have not received
The spirit of bondage again to fear
But we have received the spirit of
adoption
Whereby we cry
Abba Father
Abba, Abba Father
Abba, Abba, Abba Father
Abba, Abba, Abba, Father

For I reckon that sufferings
Of this present time
Are not worthy to be compared
With the glory revealed in us
And if children then heirs,
Heirs of God
And joint-heirs with Christ
If so be that we suffer with Him
We'll reign

For the earnest expectation
Of the creature
Waiteth for the manifestation
Of the sons of God
For the creature itself
Was made subject to vanity
Not willingly, but by reason of
Him
Who had subjected in hope

1157 APPRECIATION

Anthony Glaude 1985

Key G

All that my Lord has done for me
I don't want to let Him down
Oh how he came and set me free
Turn my life around
Oh how he found me when I was lost
He redeemed my soul
Oh how marvelous is His love
He promised He won't leave me
alone

CHORUS

Grace is what he has done for me
Works is what I do in
appreciation (He's my salvation)
Grace is what he has done for me
Works is what I do in appreciation

Time goes by so quickly, the
days go by so fast
But not one jot or one tittle of His
word will pass
He ever lives to make his
presence sure
He ever watches over His word
And he said my sheep hear my voice
And no other will they follow

I pledge my life to Him with my
whole heart
That by His love and His grace
I'll seek Him daily without ceasing
Till I feel His requirements
Flowing through this little stature
of mine
Till I manifest the living Christ
For He became sin like me
That I might become His
righteousness

1158 THE WATER IS TROUBLED

Key G

The water is troubled my friend
Step right in
God's wonderful power is moving
this very hour
There's no need for you to stay
on the land
The water is troubled my friend
Step right in

1159 WE SALUTE YOU

Michael Peters 2013

Key G

In great respect and honour for
this noble life you've lived
We know that this is not the end,
we'll see you soon someday
Now you're no longer trapped in
time, but you're blended with eternity
We say to you 'until dear soldier,
go and rest in your Theophany'

CHORUS

We salute a soldier of the cross
A mighty gentile warrior
A brother (sister), a father
(mother) and a friend
We salute
A victorious overcomer
A battle-scarred warrior
Our brother (God's soldier),
we salute you

Through the testing and the
trials, your faith only grew
stronger
Always standing at your post of duty,
shouting from the 'Amen corner'
Now your chapters have been
written,
And the book of your life is
closed
You'll hear Him say well done my
child, you have overcome as I

Remembering your years of
sacrifice and service to the Bride
We saw it was the life of Christ
displayed before our eyes
Your dedication and commitment
to the cause for which you stood
Gives us faith to press on to the
end knowing we'll meet you soon
again

BRIDGE

You were a servant to the cause,
The work and ministry of the Lord
The beauty of Israel on display,
A live voice thundering forth
Today we bless our God on high
for your fervent princely life
God's promise will be our anchor
in faith,
Our brother (sister) we'll meet in
the skies.

So father just led Me
You know the way
Help me surrender
All of my ways
Father just lead us
you know the way
Help us to keep our eyes
only on your face

The eternal is calling me
To do the things I've never dreamed
To go a place Eyes never seen
All around me feel strange
The eternal is calling me

1162 YOU ARE A HEAVENLY BIRD

Ulric Andrews

Key D

Spread your wings and fly
You belong to the sky
Spread your wings and fly
Come up here on high
Don't stay on the ground with all
those barnyard chickens around
You are a heavenly bird }2x

I've given you prophetic eyes
So you won't believe those lies
I've given you half an hour space
You can mount to a heavenly
place
Lift yourselves on the mountain
High where none of those
buzzards cannot fly
You are a heavenly bird }2x

I've already overcome
Set your eyes on the sun
I've taken you from your nest
You made a right turn at the west
I've fed you well in this age,
No one can ever put you back in a
cage
You are a heavenly bird }2x

I've fed you on fresh-kill meat
where there's no poison of deceit
Where so ever the carcass is
There have I gathered you
You felt the power of my love
Set your affections on things
that's above
You are a heavenly bird }4x

1163 BY THIS LOVE

Hadassah Noel 2014

Key F

By This Love
Shall men know
That we are the sons of God
The way we love
The way we serve
They will know us by our love
Come on and rise up in to love
Brethren, rise up into love

1164 ALL ALONG IT WAS MERCY

Claude Allert 1987

Key C

I've lived a life of sin and shame
All the way I knew I was wrong
My heart was black, my ears
were deaf
Had eyes and I could not see
I was running from the one
Who could save my soul
I did not know Him then
But He still reached down His
loving Hand
And opened my eyes to see

CHORUS

All Along it was mercy
That Jesus showed on Calvary
And it was blood
That he shed to set me free
It was love that made Him
Bring it down to me
It was love, it was blood, it was mercy
That set me free

Sometimes when I feel the guilt
of sin
Going through my mind
And my memory seems to take
me back
To all my wasted time
It's there Jesus came and
showed me
It's not what I've done
To deserve His love, His Blood,
His grace
Nor the strength to run this race

The life I lived there
Can't compare with the grace
God has shown
And the joys that Jesus given me
This world will never know
They told me I've been justified
my life is free from sin
He said child you are my bride
You are my queen, you're my own
You'll sit with me upon my throne

Now I'm free
Because the Son has set me free
Yes through His blood
I'm having daily victory
It was love that made him
Bring it down to me
It was love, It was blood, It was mercy
That set me free

1165 ALWAYS DELIVERED UNTO DEATH

Anthony Glaude 1986

Key F

CHORUS

We are always delivered unto death}2x
That the life of Jesus could reign
within our bodies
That the life of Jesus could reign
within our souls
We are always delivered unto death}2x

But in all things, approving
ourselves
In much patience, in afflictions, in
stripes
In imprisonments, in tumults, in
labour
In watchings, in fastings

By pureness, by knowledge, by
honor
And dishonor, by evil report and
good report
As deceivers and yet true
As unknown but yet well-known
As dying but behold we live
As chastened and not killed
Yet we live

We then as workers together
with Him
Always beseech you that receive
not
The Grace of God in vain
Giving no offence in anything
that the ministry be not blamed
As sorrowful yet always rejoicing
As poor, yet making many rich

BRIDGE

What can separate us from the
love in Christ Jesus
Shall tribulation, distress,
persecution
I say nothing at all

1166 FOR YET A LITTLE WHILE

Anthony Glaude 1984

Key D

Cast not away therefore your confidence
Which is ye great recompense of reward

For ye have need of patience,
That after ye have done the will of God

Ye might receive the promise
After, that which ye have heard

CHORUS

For yet a little while
He that shall come, will come
And will not tarry

Now the just shall live by faith
But if any man draw back
God shall have no pleasure in him
But we are not of them that draw back unto perdition
But unto true perfection

It is a fearful thing to fall
Into the hands of the living God
But call to remembrance the former days
After you were illuminated ye endured a great fight of affliction
And held true to your confession

1167 THE JUDGEMENT OF THIS HOUR

Hadassah Noel 2004

Key A

To rise above the judgement of this hour
Apply the blood to the door of your heart
{Have the token on display everyday
And the Lord will shut you in}2x

To leave before tribulation hour,
Die to yourself, say if I perish I perish
But I must see the King
And he will fill you with his holy love,
{love till you cannot contain it anymore}2x

To be raptured out of this satan s eden

Walk seven steps, from faith unto faith
(And the headstone will come down
and cap the pyramid of your life)

1168 THE FINISHED WORK IS SUFFICIENT

Shonna Perrotte 2014

Key C

I lift my eyes to Calvary
Where the sin question was settled
The great Masterpiece of God was smitten
Without reservation the lamb gave up His life
Now every need I have He will supply

CHORUS:

All the way from earth to glory }
The finished work is sufficient for me}
It is sufficient for me }2x

All the blessings He made secure
He will not withhold it from me
I see before me a vision of Calvary
And know I know I have no need of fear
Presenting my token with my prayer
I'll look and live!

BRIDGE

He was the slain lamb that stayed death's wrath in Egypt's land
And the mighty Red Sea, that drowned our enemies
The Rock smitten once, in the midst of the elders
Bringing forth its living waters
The brazen serpent lifted, so we could look and live
Then the Ark in the midst of Jordan, smiting death the last enemy
And in the new land we'll keep the Communion

1169 HIS PERFECT PLAN

Arlene James 2015

Key F

In his wounding he thought of my transgressions
As he was being bruised, he thought of my iniquities
when he was being chastised he thought of my peace
as he took those stripes, of every sickness that could afflict me
For in his dying, he had in mind Making provisions for my entire earthly life
He thought of everything
He thought of everything
(Absolutely everything) He knew I'd ever need.

CHORUS:

Before the foundation of the world
T'was settled in the mind of God that he would
Be the perfect sacrifice to atone for all mankind
In God's thoughts the work's already done
Creation was made to reveal his redemption
His perfect plan was to make His love known unto man.

BRIDGE

When it seems the enemy is after me
I see him drowning in the Red Sea
God destroyed my enemy
Should sickness try to afflict this body
I see Christ lifted up on Calvary's tree
Healing paid for me
For any condition, body, spirit and soul
Forever settled in heaven, is God's eternal word
It all comes down to the completeness
Of his redemptive work.

1170 HALLELUJAH PRAISE THE LAMB

Elizabeth Bishop 2011

Key C

Lord you knew what you were doing
when you carried the cross that was meant for me
It was divine intervention and mercy for us to be redeemed
That bitter walk up Golgotha's hill opened the window for me to look and live
You ripped the seals from off our lives and now our hearts can only sing

CHORUS:

Hallelujah praise the Lamb
Now robed in his righteousness we stand
He didn't have to take my place
But because of amazing love he did
But because of amazing love he did

I am the Lord that healeth thee
And by my stripes you are healed
Jus t keep the vision of your slain enemy
Who was destroyed on Calvary
Now we'll walk in sweet communion at your table to sup with thee
And when you stoop to wash each other's feet just remember Calvary

1171 HE'S THE CHRIST OF YESTERDAY, TODAY...

Key F

He's the Christ of yesterday, today and forever
And He is mine, Oh yes, He is mine
I was lost and deep in sin
I opened up my heart and I let him in
He's the Christ of yesterday, today and forever
And He is mine, Oh yes, He is mine

1172 WORSHIP OF KING LAMB

Carol Alexander 2015

Key D

CHORUS

Now is the time of worship to
King Lamb
Now is the time to lift up the
name of Jesus Christ
Let all heaven and all earth sing
With our voices we raise His praises
Now is the time of worship to
King Lamb

Let the redeemed of the Lord
Shout and sing His praises
Our robes he's made clean and

We are delivered free from sin
He is victorious
He has conquered death, hell
and the grave
Now a new day has dawned
And we know our Redeemer lives

Come let us magnify the Lord
Come let us worship him
Come let us sing unto the Lord
Come let us praise and adore Him
Come let us magnify the Lord
Come let us worship him

We sing worthy
Worthy is the Lamb
We are redeemed by his
precious blood
He is our Kinsman Redeemer
He is the Lion of the Tribe of Judah

Come let us sing unto the Lord
Come let us praise and adore Him
Come let us magnify the Lord
Come let us worship him

1173 THE EASTER SEAL

Auldric Grant 2016

Key D

Two thousand years ago
We saw the risen son
The mighty angel descended on
that Easter dawn
The disciples came to see him
But he was not here
Just where he said he'll meet
them, that's where he will appear

The mystery has been made
known, The cold dead body
raised
No longer are we trapped in
denominotal graves
The coming of the prophet has
caused our eyes to see
The feast of tabernacles and the
year of Jubilee

CHORUS

The Easter seal is broken, and
Jesus we have seen
This promise of the quickening
came to the redeem
We are waiting on the last trump
to take us out of here
And soon we'll be caught up to
meet him in the air

Another son was risen
The first fold work was done
He preach to us the message,
It's The Rising of the Son
Now the seeds of God were
laying right there in the earth
They were waiting for this son
light to receive their new birth

Now right among us here
another son we have seen
Standing in the second cycle we
know we're his genes
After the one man scripture
We seen we have a part
The mystery of the Easter seal
Christ is risen in our heart

1174 IT IS JOY UNSPEAKABLE

Key G

It is joy unspeakable and full of
glory, full of glory, full of glory
It is joy unspeakable and full of
glory, Yet the half have never yet
been told

1175 THE ACHIEVEMENT

Dolly Budhai 2016

Key A

CHORUS

Take a closer look at Calvary
Take another look at Calvary
There Jesus suffered and died
And paid the full price
On that day He bore (atoned for)
our sins at Calvary

Kneel at the foot of the cross
where He died
Look up to Him with faith in your
eyes
There He spoiled principalities and
powers
And He made an open show
triumphing over them
There Jesus broke the power of
the enemy
And a new and living way He
made for me

CHORUS

Tell me now, where does that put
all our troubles
For we are up against a conquered
foe
Jesus did what He did at Calvary
So you and I can be set free

Tell me now, where does that put
all our troubles
For we are up against a conquered
foe
Jesus gave us the power to put all
things under our feet
So let us rise in victory, by His
stripes we are healed

We thank You Lord for Calvary
For the achievement of Calvary
You broke the stronghold of the
enemy
He made it secure for you and me
You took the man part and gave
us the God part
We thank You Lord for the
achievement of Calvary
Look what He's done for me.

1176 WHEN I LOOK AT WHAT IT COST

Emmanuel Stephen 2015

Key F#

My eyes have seen the distance
my Lord had to go
Just to prove that he really really
loves me
When he saw the price that he
had to pay
He offered up himself so willingly

CHORUS

When I looked at what it cost
To redeem someone like me
It cost my Saviour his life
So from my innermost being
Flows rivers of praise
As I worship my redeemer

Here I am a recipient of his grace
Giving praise and glory to his name
From my lips there is only adoration
For he's the one in who's eyes I
have found favor

BRIDGE

I'm singing!
Glory hallelujah
Blessed be his name
Worthy is the Lamb that was slain
We who were lost
Found redemption at the cross
Thank God for the blood!

Glory hallelujah
Blessed be his name

1177 THANKS FOR THE CROSS

Gary Richins 2018

Key G

You could have called ten
thousand angels
But you chose to die for me
You could have gone back to
heaven
But you stayed to set me free
You could have done so many
things Lord
But my soul would be lost
So I want to thank you Jesus for
facing the cross

1178 CALLED OUT

Key C

Some folks I know by their name
Some I just know their face^[1']_[SEP]
Some are known by their fame^[1']_[SEP]
Others known by their race^[1']_[SEP]
But in the Kingdom of our Lord
Each soul has their place^[1']_[SEP]
And in my mind I have no doubt
My name has been called out.

CHORUS

And you've been called out for a purpose
Called out to be a servant^[1']_[SEP]
Called out to lift a standard^[1']_[SEP]
Called out to raise a banner^[1']_[SEP]
Called out to be a witness^[1']_[SEP]
Called out to show forgiveness^[1']_[SEP]
Called out from this world,
Child you've been called out

Within the prison walls on that day
The jailer bound up their feet
Stripped of their garments there they lay
Bleeding from where they were beat
But along about midnight,
Paul began to pray and Silas –
he started to sing
The earth shook about doors
swung open wide
God said "You've been called out!"

1179 COME

Anthony Glaude 1985

Key F

The world is again falling apart
Sin on every hand
God's little Bride is calling
The final Voice
In this final age that we live in
Saying:

Come, come, come out of her
my child
Come out of this world of strife
Come, Come
Come, come, come out of
Laodicea
Come up to Love's sphere
Come, come Jesus say come
If thou be risen in Christ

Seek ye those things which are
from above
Brothers and sisters
We have a Heaven to gain
A hell to shun
Set your affections on things
above

Take no thought for tomorrow
For tomorrow will take care of
itself
Why don't you, why don't you
Why don't you consider the lily
Who neither toil nor spin
Yet his Heavenly Father clothed
him.

1180 COME FOR MERCY

Elleen Rogers 1986

Key D

Soon time shall be no more,
soon we'll leave this earthly
shore
Six trumpets have sounded out,
the Lord descended in the Shout
Which unfolded into something
else, and Christ's Bride knows it
She's made her final turn, she
makes her final call

CHORUS

Come for mercy, come for mercy
Mercy's door to the Gentiles
shall close
The Son of Man have been
revealed
To peoples, Nations, Kings and
Tongues
And the elected ones have
caught the revelation

Come unto perfection, while
God's judgement is lingering
The Supreme Judge is come,
and pardon is given
But... He changes form, and He
changes
And the mercy seat shall turn to
the Judgement Throne

The resurrection is at hand,
Jesus Christ is in Bride form
The resurrection and the Life, is
veiled behind her skin
She'll do the greater works, for a
witness to the total lost
And, at the Seventh Trump she'll
call the waiting host

The Alpha – The Omega
The beginning and the end, the
Giver of the Holy Ghost
I, Jesus Christ is come, to him
that is athirst
For perfection in the Holy Ghost
The Spirit in the Bride is saying,
Come

1181 CRUSHED AND BROKEN

Sharon James 1981

Key A

Crushed and broken is my cry
each day
O that You will really have your
way
Take my selfishness, my pride
Take my will and make it Thine
Smashed and smitten, fully
broken is my cry

CHORUS

Make me a sacrifice for Thee
A broken spirit now is my plea
Tho' I suffer, tho' I groan
Let me be separated
Unto thee my loving Lord
And You whisper, press on lily
Press on home

Tho' He slay me, yet will I trust
each day
Trials will not take my faith away
For He's not like mortal man
To find reasons for His plan
So crushed or broken, pressing
on
Will be my aim

For He knoweth the way that I
shall take
And so for my own soul's sake
I shall press on firmly home
To reign with Him will be my goal
When He's tested me, I shall
come forth as gold

1182 GETHSEMANE

Brian Rollingson 1986

Key Em

CHORUS

Gethsemane, Gethsemane, How
I've longed for thee
To drink my cup, my bitter cup,
painful agony
Oh Lord, let thy will be done, let
not myself deceive me
This sinful world rejected me,
now they crucify me

Laodicea, Laodicea, In you is
found the blood of the martyrs
You have scourged them, you
have stoned them
Oh how you've made them suffer
How oft would I have gathered
you as my children together
Behold your house and all your
goods are left desolate forever

This darkest night, my life, my
soul, is exceedingly sorrowful
The squeeze it comes, so watch
with me, for the angel
strengthens me
Come now, watch and pray, that
you would not stray into
temptation
The spirit wills, the soul yields,
but the flesh indeed is weak

Earnestly, so earnestly, his soul
travailed steadfastly
Great drops of blood fell to the
ground, such prayers of anguish,
He prayed deeply
Friends if He so prayed, then
now much more must we pray
To overcome and nothing lack,
For we can never go back

Judas comes, so cunningly, He
has sold his soul for money
His words are now a serpent's
hiss, It is the power of gross
darkness
Friends, beware the snares that
abound, in this world of care
Wash your robes and keep them
white, be sure you walk in
righteousness

Jerusalem, New Jerusalem, My
soul long
With my Lord and King, we all
shall sing, let us unveil eternity
So live, look beyond the cruel
cross that is always before us
Fro we long to go and meet our
Lord, where we will be in one
accord

1183 I GIVE THANKS

Emmanuel Stephen 2016

Key C

When no man was found worthy
Lord you overcame
You are the Lamb that was slain
You took my shame
Took the book opened the Seals
That I can see my name
Let everything that has an ear
Hear me magnify your name

CHORUS

With all my heart I worship you
All that I have is to honor you
Give you praise, magnify your
name
You alone are worthy,
Worthy to be praised

Now here I am fully redeemed
I know who I am
My amnesia is gone from me
I'm the wife of the Lamb
For my king I'm ready
The time of love is here
I'm clothed with the word,
garments of praise
A true worship I do bring

BRIDGE

I give thanks unto you Lord
I sing a new song for you Lord
Remembering the work that you
have done

With my heart I do rejoice
With gladness and joy, lifting my
voice
To worship and honor you Lord

1184 FROM DEATH TO LIFE ETERNAL

Anthony Weekes 1982

Key D

Outside in the world I had
nowhere to go
The Holy Spirit came and put me
in the know
I was led right to the Word
And the Seed in my heart was
sown
To give me life and show that I'm
a son of God

The life style changed from
natural to spiritual
To put away everything that's
carnal
And the only goal you see is to
be perfect just He
You feel the life growing inside of
you

Now the truth and way I know
The growth of life in seven steps
would show
That it's from faith to perfect love
Then God descends like a Dove
To crown the man for attaining
perfection

All the while this is what I see
Christ in you is the mystery
To overcome this human flesh
That's the man that God would
bless
Who overcomes I would grant to
wear a crown

All the while this is what I see
Christ in you is the mystery
To overcome this human flesh
That's the man that God would
bless
Who overcomes I would grant to
wear a crown

Saints I'm sure in Heaven is
where I'll be
Praising God through eternity
The Holy Spirit, Christ in me,
I am sure of victory
His Word, His Will, I'm sure
would never fail

1185 DON'T GIVE UP

Anthony Glaude 1986

Key F

The steps of a good man are
ordered by the Lord
Though he falls he shall not
utterly be cast down
But the Lord is able to uphold
him again
Cause he is a rewarder of them
that diligently seek Him

CHORUS

You might have many trials and
you might have many pains
Many sorrows and many heart-
aches
One-time you're up the mountain
top, next you're in the valley
Can't you see, You're never ever
a failure until you give up

Many are the afflictions of the
righteous
But the Lord delivered them from
it all
And any man that desireth to live
Godly
Must suffer persecution

CHORUS

Just be perseverant, My Lord will
see you through
Hold to His hand, he'll take care
of you
One-time you're on the mountain
top, next you're in Gethsemane
But you're never ever a failure
until you give up
Can't you see, You're never ever
a failure until you give up

As we sail through treacherous
waters
Keep your compass set on the
north-star
Cause if our Lord be for us
Who in this world could be
against us

We'll walk life's road together
 We'll walk hand in hand
 We'll trust our Heavenly Father
 As He leads us on
 Our love for one another
 Growing sweeter each day
 As time goes on
 There's only One
 We'll live for each other

Take my hand
 Come walk that perfect walk with
 me, my beloved
 For you are the desire of my soul
 With you I've always longed to
 be
 Now we're together
 Together as one

If we build a family altar
 Take time to pray
 As we face life's trials together
 He'll show us the way
 His grace is all sufficient
 Ever leaning on Him
 His word is sure
 His love endures
 We'll trust Him together

Come with me
 To that mansion I've prepared
 Only for you
 For you are the desire of my soul
 With you I've always longed to
 be
 Now were're together
 Together as one

And as time goes on
 There's only One
 We'll live for each other
 And as time goes on
 We'll trust in God
 He'll keep us together

If you say you have the truth
 And walk in darkness- you lie
 If you say you have no sin
 And hate your brother- you're in
 darkness
 But if we confess our sins
 He is faithful and just
 To forgive us of our sins
 And to cleanse us – cause –

CHORUS

That which we have seen and
 heard
 We declare unto you
 That God is Light
 And in Him there is no darkness
 at all

For the Light was manifested
 And we have seen It
 And bear witness
 That eternal life that was once
 with the Father
 Is now with us
 So if we confess our sins
 He is faithful and just
 To forgive us of our sins
 And to cleanse us – cause –

He that say that he is in the Light
 And hate his brother
 Is in darkness
 But he that abides in the light
 Walks in God in brotherly
 kindness
 Love not the world – neither the
 Things in the world
 If any man loves the world
 God's love is not in him – cause
 He that says that he's in the
 Light
 And hateth his brother
 Is in darkness
 But he that loveth his brother
 Abides in the light in brotherly
 kindness
 Love not the world - neither the
 Things in the world
 If any man loves the world God's
 love is not in him – cause

 the Lamb
 Amen

**1190 HEAVEN IS
INCOMPLETE***Keith Sandy 1985*

Key D

Blessed are they who are called
 to the marriage supper of the
 Lamb
 In whom the whole family in
 heaven and earth is named
 Christ Jesus went to prepare a
 place came back and saved us
 by His Grace
 So let us ask Him for the
 strength to run this race

CHORUS

Cause heaven is incomplete till
 this Bride gets there
 For the marriage of the Lamb is
 come
 So let us be glad and rejoice for
 we know He has made us His
 choice
 To give honor, praise and glory
 to His name

And I saw heaven opened and
 behold a white horse
 And He that sat upon him was
 called Faithful and True
 For His wife hath made herself
 ready
 To her it was granted that she
 should be clothed
 In fine linen clean and white
 waiting for her Lord

And a Voice came out of the
 Throne, saying praise our God
 All ye His servants, and ye that
 fear Him
 And ye that fear Him, both small
 and great
 And I heard as it were the voice
 of many waters
 And the voice of mighty
 thunderings, saying
 "Hallelujah, for the Lord God
 Omnipotent reigns

1191 I LOVE YOU

Grace Ellis 2009

Key G

(Male vocal)

I love you more than I can express
I Love You
I love you more than words could
ever tell
I Love You
I've loved you since the first day we met
I Love You
I've left my father and my mother
To be joined unto you, my Love
To be one flesh
I stand to say, "I do"

(Female vocal)

I love you more than you could ever
know
I love You
We've come together to start our
new home
Oh! My Love. I Love you (Yes I do!)
In faith and prayer I've kept my
virtues sacred
Knowing one day I'll be standing
before you.
And for the moment I said, 'I do'
I took my veil off, place it on your
shoulder as a sign
I've surrendered my rights to you

BRIDGE

(Male vocal) I promise to do the
best that I can To sustain my family
(Female vocal) I promise; In the
good times and the bad,
I'll stand with you faithfully
(Both) With God as the head of our
home, we'll make it through anything.

(Female vocal)

From the moment I said, 'I do'
I took my veil off, place it on your
shoulder as a sign
I've surrendered my rights to you

(Male vocal)

I've left my father and my mother
To be joined unto you my Love
To be one flesh
I stand to say "I do"

I'll Love you till the day we cross
that river (cross over)
And continue our lives over yonder
This I promise you
I Love You

1192 HEAVENLY PLACES

Anthony Glaude 1985

Key F

My Lord, Your Love is so tender
But how could it ever be so
strong
Said, it keeps on burning in my
heart like fire
And it keeps; oh it keeps me
pressing on

CHORUS

Your love lifts me higher
Higher ever day
It lifts me higher
Higher every day, My Lord
Cause my only defense
Is in Heavenly places

Blessed be the God and Father
Of Our Lord and Saviour Jesus
Christ
Who hath blessed us with all
spiritual blessings
Oh, we're in Heaven, Heavenly
places

Well love, when Love projects
Sovereign Grace comes on the
scene

Oh! When I have done all that I
know I can do

That's when your Love always
comes and takes me through

Cause we have chosen, the
Harder Way

Which is my Lord's Way
Said, a huge portion of Heaven
awaits us

That will bring to pass the Victory
in the Love Divine

1193 HEY LITTLE BRIDE

Claude Allert 1987

Key C

Don't hold to this world's riches,
of houses and lands
Don't let your garments be
spotted by this world
For Jesus said, I prepare a
place, for the winners of this race
And signs show He's coming
back real soon

CHORUS

Hey little Bride, the Bridegroom
is coming
To take you out of this world
The judgement will fall and
consume the unbelievers
But the Bride and the Groom will
be gone

I can hear His chariots coming
as He travels through this rugged
road
To bring His waiting Bride
comfort and peace
With love that burns in every
heart, We'll go to a world where
we'll never part
Soon to reign with our God as
kings and priests

Though many might be laughing,
might say He's not coming back
But His Word He had hidden in
our hearts
Our change is coming from
inside out,
The world don't know what it's all
about
They are missing God in
simplicity

Put on your wedding garment,
get ready, He'll soon be here
To take His waiting Bride out of
this world
The seven trumpets soon will
blow, the angels bands are
swinging low

Soon the Groom will take His
Bride to the honeymoon

1194 THIS LOVE IS HIS LOVE

Elizabeth Bishop 2012

Key D

(Male vocal)

When I first laid eyes on you
About eight years ago
Seems as though we had met
before

Even nature held its breath
As if in silent confirmation
Yes! You're the one I've been
praying for

(Female vocal)

When I first laid eyes on you
About eight years ago
It seemed as though we had met
before

For in those minutes of silence
A love story was being written
And I knew this thing proceedeth
from the Lord

CHORUS

For this love is His love
It started way before time began
Real love,
Unconditional
Now and forever I will always love
you

BRIDGE

This is God's doing
It shall be forever
Nothing to add or take away
It's perfect love
(Male vocal) So till the day I say I
do
(Female vocal) Till the day I'm
adorned for you
In love and purity we pledge to live
For we know,

1195 IT IS THE RISING OF THE SON

Samson Baxter

Key F

In the beginning the earth was dark
Without any form and void
Then all God said was, "let there be"
And it quickened every seed in the earth

CHORUS

It is the rising of the S-O-N}2x
God's spoken Word
When every seed has come to life
It is the rising of the S-O-N
The rising of the S-O-N
All God's seeds have come to life again

Then Jesus came and He died on Calvary
Rising again on the third day
Bringing eternal life to God's promise seed
That by foreknowledge was lying in you and me

On Sunset Mountain in 1963
At Dove's Cove and on Sword Mountain
The Son was risen in Malachi 4
Proving to us that we are true seeds

Now the Seed of God is no longer just Seed
But the Bride Tree has been restored
It also has fruits which is to prove
The Tree is blooming in Eden once again

1196 JESUS IS HERE

Aubrey Hunte

Key A

Oh Jesus is here and He is calling His little Bride
Oh she has heard,
how she is standing right by His side
She is attentive to the things that He speaks lip to ear
About the seven thunders
That unfolded into something else

Oh Jesus is here
And He is pouring Himself within
So she can grow and be strong,
Strong in faith
The promise fulfilled when the thunders
Was revealed to His Bride
It makes her want to live her whole life free from sin

Now this is the time
That He has promised to do these things
For He has said that he would ride this trail again
So he that has ears let him hear
So he that has eyes let him see
Scriptures fulfilling
Right before you and me

Now he is expressing
All of Himself, through His bride
And then one day they will be taking a solo flight
Oh we will meet; saints we will meet in that sweet by and by
At that great wedding supper in the skies

Saints we will be in that supper
Oh that's right

1197 MATTHEW 24

Anthony Weekes 1985

Key D

In the Scripture it's recorded
He departed and went out
The disciples came to show Him
the temple buildings round about
A vision broke, and when He
spoke these are the words
He had to say, not one stone that
you see standing here
Would remain standing on that day
Later that same evening as they
sat upon the mount
The disciples came, Lord tell us
what these things are all about
We did not understand when you
spoke this morn, about the
temple's destruction
And what's the sign of Thy coming
and of the ending of the world

When you shall see the
abomination in God's Holy place
Then let not your flight be in
winter or on the Sabbath day
Let him that's in the mountain
return back for nothing
Let him that's in the field stay,
from Jerusalem flee away

Now there are two other
questions happening
simultaneously
When one's happening in the
natural, the other supernaturally
For the canal mind can read or
hear about the ending of the world
The spiritual man he can read
and hear by revelation from
God's word

When you shall see the fig tree
putting forth its bud again
Caught up in a cloud The Angel
sends the Prophet with a message
To call from denominations, as
Israel from every nation
The Son-of-man revealed, it's
the coming of the Lord

And when you shall hear of wars
and rumors of wars

Such catastrophes around the
earth as never was before
Earthquakes in divers' places,
pestilences and famine
Men's heart failing for fear;
You know the end is near

And when you shall see the
heavens are departing as a scroll
Insanity, demon powers taking
full controls
As in the day of Sodom, as in the
day of Noah
It's the coming of the Lord - It's
the ending of the word
The ending of the world

KNOWN AS WE ARE KNOWN

Key F

For I now that all things worketh
together for good
To them that love God
To them who are called
according to His purpose
And I know in whom I have believed
And I am persuaded that He is
able to keep me.

CHORUS

For I am known as I am known
Cause face to face in a mirror
My Lord, I now see
Yes I am known as I am known
And I am persuaded that He is
able to keep me.

For whom He did foreknew, He
also did predestinate
To be conformed to the image of
His Son
That He might be the first-born
among many brethren
And I am persuaded that He is
able to keep me.

For when I was a child, I spoke
in part as a child
I understood and thought even
as a child
But when I became a perfect man
I put away, by His Grace all
childish ways.

1199 MY GUIDE

Anthony Glaude 1986

Key F

Winter's coming and I can feel
the cold winds blowing
But I cannot leave this shore
Until I see my Guide leading me
For He was sent to make sure
that I don't come up lost
He was sent to guide me
And with His help this ole Jordan
I'll cross

CHORUS

My Guide, my Guide has led me
to a faith
That I have never known
My Guide, my Guide has led me
to a power
That I have never known
I have not travelled this way before
So I must depend on him
I have not travelled this way before
So I must totally rely on Him
He's my Guide, He's my Guide

I can see all the ducks gathering
together
We are going to take a long flight
Before this winter
We were gathered by the Shout
for the last Trump
Knowing that the Voice of the
Archangel
Is the Voice of the Resurrection

There were times that I've tried
To make it all alone
But only to find out that I can't on
my own
He has led me to that Seventh Dove
With an olive leaf in her mouth,
and healing in her wings
Oh, to calm my troubles within }2x

1200 ON THE WINGS OF FAITH

Ulric Andrews

Key D

Here O Lord is my sacrifice
Don't care how the world may
criticize
For all I care, I'm in love with You
I'll bear the reproach for your
Name
I'll testify and be not ashamed
For all I care, I'm in love with You

CHORUS

Be it unto me according to Thy
Word
Let there be a performance of
the things
That was spoken
On the wings of faith, everyday
I'm climbing
By the rise of faith, I can see now
Where I'm going

No more darkly now do I see
Your Word has become much
plainer to me
For all I care, I believe Thy Word
No matter what the condition
I'll set my eyes on that Promised
Land
For all I care, I believe Thy Word

1201 RECOGNIZE YOUR DAY

Anthony Weekes 1984

Key F

So many people today are worshipping
For man was made to worship something
In this religious age we're living,
everybody thinks they're worshipping Him
Some praise Him for the past,
some for the future that would come
Many don't know He is I AM
present tense, so they miss what's going on

CHORUS

Let's recognize our day and our message,
Look and see what's going on
Let's recognize our day and our message, for you and your message are one

It's good to believe God sent a prophet, Malachi 4 did prophecy
Yet one man had to take that Scripture and anoint it to his life
That Scripture's only a record of the gene God had foreknown
His life dovetailed to that Scripture,
manifested they were one

There are still many prophecies that must be fulfilled
And once it's timely with the Scripture you know it's God perfect will
There's concepts and imaginations of how it will come to pass
But while the Scripture's manifesting, Oh! Right in front their eyes it's passed

The rapture's a three-fold secret:
a Shout, a Voice, a Trump
The Shout – the prophet, was the first pull
And we'll be changed at the last Trump
But right in there is a mystery:
A little group of the true seed
Revelation: 8 – 11, well it looks like me and you

The Word's no longer in prophecy,
the history's being made today

So while Jesus is a-passing, take ahold of Him today
Then it's no longer I believing or recognizing it's the truth
But let's go to acting on it, to prove that it is me and you

CHORUS

Let's recognize our day and our message,
Look and see what's going on
Let's recognize our day and our message
You and your message are one;
you and your message are one
You're greater than Sarah,
You and your message are one
A greater than Esther,
You and your message are one
You are a supernova
You and you Message are one

1202 STIR ME UP LORD

Sharon James 1982

Key C

Let me hear, recognize, and move on in thy Word
For I'm called to become Thy Bride
Let me understand the way that you're leading
Pressing on for my faith to excel.

CHORUS

Stir me up Lord, let Thy Word flow through me
Stir me up Lord, let Thy fragrance cling to me
Let the full revelation of Your love govern me
Stir me up; let me be all in Thee.

For there is coming an hour
When the cries would be useless
There'll be no grace, no more pardon, and no love
Then, let me be caught away to my precious Lord
But while I remain, stir me up.

When the Anointing comes, as Thy Word goes forth
Let it not be my spirit alone
Let it be all of me,
Deep within my soul
When Thy Word goes forth, Lord stir me up

Our Lord had given the prophet
this great vision
To store up food for coming
seasons
For then men would not endure,
we heard him say
But soon they would turn their
backs away.
Remember in the dream of
Brother Jackson
The White Stone that he told
them look upon
As westward he went for the
interpretation
But just a few looking on, for

CHORUS

Spiritual food in due season
The revelation of God's Word
The Bread of Life that came to
us from Heaven
That's the Living Word that we're
feasting on.

In this day and hour that we're
living
Millions of souls around are
dying
Though all around are teachers
everywhere
Yet for the truth there is a famine
But as Elijah by the brook God
has sent the ravens
To give him food during that time
So Ephesians 4 and 11
Our Lord has given to us in this
day.

The prophet said young men
would take this message
And with it they'll go around the
world
Teaching how the mystery has
unfolded
And how the cycle has returned
Revealing what was hidden
beneath the White Rock
That glorious manna to feed our
souls

So let's just lift our hands up to
Heaven
For spiritual food in due season.

By faith Noah being warned of
God
Of the things to come,
Prepared an ark for the saving of
his house
When he condemned the world
And became heirs of his
righteousness
Which is by faith.

CHORUS

He's the same God yesterday,
He's the same God today and
forever
He's the same God that stands
in me
Glorifying Himself again.

By faith Abraham when he was
called
Sojourned in a strange land,
Looking for the city of promise
Whose builder and maker is
God,
And he received for an
inheritance
The land of promise.

By faith the bride of Christ is now
receiving
Rapturing faith through the
seven thunders,
To enter into the promise rest
That remaineth for God's people,
Then He'll magnify her again
In the sight of the people.

1205 SWEET SAVOUR

Anthony Glaude 1985

Key F

Let this mind be in you, which
was also in Christ Jesus
And walk in love, as He has
loved us
And given Himself for us
As a sweet smelling savour unto
God
So let the sacrifice of your life be
unto Him

CHORUS

As a sweet, sweet savour of Christ
As a sweet, sweet savour of Christ
A life that has been tried by fire
And proven to be, much more
precious than gold
As a sweet, sweet savour of Christ
As a sweet, sweet savour of Christ

Walk circumspectly not as fools
but as wise
Redeeming the time because the
days are evil
And let your words be seasoned
with salt
Ministering grace unto the hearer
So let the sacrifice of your life, be
unto my Lord

Mix your meal with the oil, and
put it on two sticks
On a hunting trip
, if you do it
The barrel of meal will not run low
Neither the cruse of oil lose its flow
So let the sacrifice of your life, be
unto my Lord

Let not hatred and envy be once
named among you
Let brotherly love continue
And be not conformed to this world
But be ye transformed by the
renewing of your mind
So let the sacrifice of your life, be
unto my Lord

1206 THE REWARD

Anthony Weekes 1984

Key D

I know not the day or hour
When my Lord should come
For of that day or hour knoweth
no man
On that day I want to be ready
Just to hear Him say
Enter in, my child, to the joys
prepared for you

CHORUS

Enter in, to the joys prepared for
you
Enter in, you who are called,
faithful and true
Enter in, you who have
overcome
To the joys that's been prepared
for you
Before this world began

Hear the parable about ten
virgins
Five foolish and five wise
The foolish they had no oil, but
went out to buy
Behold the cry was made at
midnight
And then the Bridegroom came
With the wise went to the
marriage
But the foolish five remained

Blessed is that faithful servant
Who the Lord finds when He
comes
Giving His people meat in due
season
Unto that blessed and faithful
servant
We all shall hear Him say
To the joys that's been prepared
for you
Enter in today

1207 THE BRIDAL WALK

Meilin Zephrin 1981

Key D

As we walk together,
side by side we stand
Holding hands together,
to the Promised Land
Let us not be selfish,
we cannot go alone
They must all be with us,
to sit with Him on His Throne

CHORUS

Oh how we love our Jesus
And how He loves us so
We will never cease to praise
Him
We'll shout it while eternity rolls

Let us keep on walking, straight
to Gethsemane
Let us keep rejoicing, seeing the
victory
There will be a tugging; friends
will not want to go
This is just the testing, let
Brotherly Kindness flow

Now we'll walk to Jordan, keep
on holding hands
Don't be afraid of demons, they
can never stop God's plans
Looking back at Calvary,
watching the finished plan
Jesus come and take us, in Your
Word we stand

Wipe away all sorrow, dry up all
those tears
There's no time for weeping,
Saints we are almost there
As we smell the fragrance,
coming with the breeze
Sound that ram horn, Joshua
It's real! It's real! It's real!

1208 THE SCEPTRE SHALL NOT PASS

U. Andrews, A. Glaude 1988

Key C

From out of Judah shall come
forth a Governor
Who shall rule this earth with
righteousness and power
From coast to coast and shore to
shore
Shall be His domain
And in righteousness and power
He shall reign

CHORUS

For in His own time He'll show
the only Potentate
King of Kings and Lord of Lords
For the sceptre shall not depart
from Judah
Until Shiloh comes, in power
For the sceptre shall not depart
from Judah
Until Shiloh comes in power

Who is this that cometh forth
from Edom
His eyes were as a flame of fire
And upon His head were many
crowns
And He had a Name written
That no man knew but His bride

For six thousand years satan has
been building his eden
So as God he will rule all nations
But look out Adonijah
The King is after you
For all your kingdoms will be
trodden down

MONOLOGUE:

Judah—Judah—Judah! The
sceptre shall not depart from
Judah
For six thousand years Satan
has squatted on our inheritance
Polluting on the every hand, to
build his Eden
But arise, let's make war ye
chosen angels
You who have kept your first estate
For we must crown our Lord Jesus
The only true King and Potentate

1209 THE FINAL CALL

Wayne Cadogan 1983

Key D

He who's athirst let him come, he
who hungers let him also come.
The fountain is open still, eternal
life He quickly imparts
He who's athirst let him come, he
who hungers let him also come.
The fountain is open still
As the Spirit and the Bride say
come.

The Bride, here she stands,
chosen and perfected.
She's now in plain view,
displaying the Token
Just listen to her voice, as the
Spirit echoes
This is the final voice, when the
Spirit and the Bride say come

She's filled with oil; her lamp's
trimmed and burning
For God Himself, has sealed
those virtues in
She's anchored in Christ, where
the plagues cannot touch her
Being in that final round, where
the mercy seat is seen

We see all judgement signs, as
they move around us
Friends, hear those cherubim,
wooing us back to the Tree of
Life
The last drops of blood, are
sprinkled on the mercy seat
This is the final call, as time is no
more.

True seeds of promise, they are
nearing adoption.
The last ones and twos, are
quickly entering in
She's made herself ready, for the
marriage of the Lamb
Clothed in purity, as our prophet
did foretell

He who's athirst let him come,
He who hungers let him come
He who heareth let him come,
He who's earthbound let him
come

Come now, come now, Drink
from the water of life
As the Spirit and the Bride say
come

1210 THE JUST AND THE UNJUST

Keith Sandy 1985

Key D

The fear of the Lord is the
Beginning of knowledge
But fools despise wisdom and
instruction
Trust in the Lord with all thine
heart
And lean not unto thine own
understanding

CHORUS

For the just shall inherit glory
Bu shame shall be the promotion
of fools
For the just shall inherit glory
Let not mercy and truth forsake
thee

The curse of the Lord is in the
house of the unjust
But He has blessed the
habitation of the just
Hearken unto Me now, Oh ye
children
And attending to the words of My
mouth

Violence covereth the mouth of
the unjust
But blessings are upon the head
of the just
Jesus is saying hearken now
unto Me oh ye children
And attend to the words of My
mouth

1211 THEN JESUS CAME

Anthony Glaude 1987

Key D

Remember the time in your life
When nothing seemed to be
going right
You needed a friend to with you
to the end
But no help seemed to be in
sight
The burden of life just seemed to
get you down
Perplexed but yet not forsaken
Then you reached out from your
heart unto the Lord
Then suddenly He appeared to
show you someone cared

CHORUS

Then Jesus came
The Unchangeable God in an
unexpected time
Then Jesus came
Who knows what it takes
To put the Bride in rapturing
condition
Just call Him on the scene

When you look all around
The barrel of meal seems to be
going down
And the cruse of oil just seems to
lose its flow
Just hang in there my friend,
God's only testing you
Just to see what you will do
And when you know you've done
all that you can do
Sovereign Grace will always
come and see you through
Just seek ye first His kingdom,
and all other things my friend,
will be added unto you

I remember one time with Peter
and the disciples
Who were taking a long boat ride
in the night
Testifying of the love He showed
And how everywhere He went
He was doing good
Then suddenly the winds began
to blow

And the sea began to roar
There was fear all around
For a moment there, it seemed
like all was gone

1212 AND FROM THIS DAY ON

Anthony Weekes 2012

Key A

Started off when we were young
Now mature it's so much stronger
Feelings deep down in my heart
Just to know that you would be a
part of me
Now it's brought me to this day
When with joy these words I say
That everything I do for you
Is just to show my love for you

CHORUS

And from this day on
I vow to you
That my love will always be true
And from this day on
My joy will be
To share my life with you}2x

From the day God showed me you
There was no one else in view
Now every time I see your smile
It has made my waiting worth the
while
And now that you are my very own
And today we are going home
What has been a dream to me
Is now my reality

CHORUS 2

And from this day on
For better or for worse
And from this day on
Through sickness and in health
And from this day on
Through poverty or wealth
My joy will be
To share my life with you

1213 TRIALS AND HARDER TRIALS

Anthony Glaude 1984

Key G

There are some things I learnt in
this life
That I want to share with you
Never think yourself to be
something
When you are nothing
It's like taking your finger out of
the water
And trying to find the place again
Always remember that He is the
Vine
And we are the branches

CHORUS

Trials and harder trials were sent
to mold and make us
Many times we may not
understand
But it was not meant for us to
Trials and harder trials were sent
to mold and make us
So that we'll be careful to give
Him
All honour and all glory too

Paul said, daily I bring myself
under subjection
Least I myself be a castaway
unto destruction
So every day we must give Him
praise
Cause He alone is worthy
To receive honour and all glory

Therefore we both labour and
suffer reproach
Cause we trust in the Living God
Who is the Saviour of all men
But tribulation worketh patience
And patience brings experience
And experience brings hope
And hope maketh not ashamed

1214 TRIED BY THE WORD OF THE LORD

Anthony Glaude 1985

Key D

Here I am in prison bound by
chains of iron
Can't think my own thoughts,
can't do my own thing
But I know it's all in God's
predestinated plan
For the vision is yet for an
appointed time
But in a little while it shall speak
So I'll just be patient while His
will I seek

CHORUS

Even though I'm tried by the
Word of the Lord
I'm bound to 'thus saith the Lord'
I'll stand on my watch just to see
What He will say unto me
Though the vision tarries,
I'll wait for it
Though it lingers,
I'll exercise patience
For through faith and patience
I shall inherit the promise

I'm living in a world of gross
darkness
Where the sun refuses to shine
And where the stars refuse to
give their light
But though this whole world be
shaken all around me
I know I'll never be moved
For I stand on holy ground

Because we have kept the Word
of His patience
He'll also keep us from
temptation
In this evil generation
For the promise is sure to all the
seed
And greater is He that is in me
Than He that is in the world

1215 WHO AM I

Ulric Andrews

Key Em

Who am I? I once wondered
Why does my life seem so
strange
Questions in my mind
unanswered
Like from where I came }
And what's my true name }2x

But I've been told, that I'm a
pilgrim
A stranger, seeking a city to
come
And my life it has no beginning
I came from that One, that }
Great Eternal One }2x

Why do I find in me a struggle
I want to do right, but there's
always wrong
Woe to the desire that's in me,
I'm a wretched slave to iniquity
I want to be like that One }
Who has overcome }2x

For I've been told that I'm a
Gentile Warrior
Fighting demons amidst this
lentil field
And the Lord's desire is my zeal,
it matters not how I feel
I'm going to bring my King, }
a clean fresh drink }2x

Why do I yet suffer?
Why am I acquainted with grief
and pain
I have forsaken iniquity, yet the
wicked still laugh at me
They say I've done wrong }
They ask where is your God times }2x

But I've been told, that I'm a
prisoner
Bound in chains to do the Will of
Love Divine
And the Lord told me what it's
about; He put a bit in trouble's
mouth
I've already overcome, and }
my victory's won }2x

Who am I, I no longer wonder
Neither does my life seem so
strange
Many questions in my mind, are
now answered
Like from where I came }
And what's my true name }2x

I've been told,
that my name is Jesus
I'm a part of the Living Word,
you see
Oh! What a glorious mystery, to
know I'm bound for eternity
I came from that One, that }
Eternal One }2x

I go back to that One,
That Eternal One

1216 UNITY

Anthony Glaude 1986

Key F

My Lord did pray
That we might be one
As He and the Father is one
And as it was in the beginning
So shall it be in the end
Perfect love restored again

CHORUS

It is a wonderful thing for the
brethren
Oh, to dwell together in unity
(Repeat)

And the whole world would know
That we are His Bride
By the love we show, love that
can't hide
And we will walk with each other;
we'll walk hand in hand
Exhorting one another as the
days go by.

No man lighteth a candle
And put it under a bushel
But he sets it on high for all eyes
to see
So we must love one another,
not just in words or tongue
But in thoughts and deeds.

1217 WATCHMAN

Ulric Andrews

Key D

Watchman, Watchman, What of the night?

Watchman, Watchman,
Morning cometh with the night
(Repeat)

You have proclaimed the
acceptable Year of the Lord
And you're now declaring the
Day of Vengeance of Our God
You shall be given the Garment
of Praise

For the spirit of heaviness
Yea, for my people shall be
called
Trees of righteousness.

The wicked have drawn iniquity
With cords of vanity
Righteous have drawn life
And are bound to Eternity
Fading sorrow in my eyes, I will
not spare nor have pity
Yea, for my watchman have
declared
My abundant mercy.

Rejoice in Zion, ye Mighty men
of valor
Although for a little while, you
have to suffer
My rugged sons and daughters
You can't fail
Why, the Lion of the tribe of
Judah
He has prevailed.

You shall be called Priests of the
Lord
And men shall call you, Ministers
of your God
You shall rule the nations, with a
rod of iron
My beloved, you will share my
throne
Upon Mount Zion.

1218 CHRIST IS THE MYSTERY OF GOD

Anthony Glaude 1988

Key G

Christ is the mystery of God
revealed

In you and me (in you and me)
Christ is the mystery of God
revealed
In you and me (in you and me)

We have seen God in His son
When said "little fishie, God gave
you back you're your life
Peace be still

Storm go back from whence you
came"

We have seen God in creation
In the sun, the moon and the stars
But now let us see God,
Let us see God in His people

We have heard how he spoke a
word
And squirrels did appear
And by His word the sun and the
moon stood still
We have heard how by His love
He stopped the raging bull
Turned back the wild hornets
But now let us see God
Let us see God in His people

We have seen God in His Word
In the Masterpiece, Who Do You
Say This Is
There's a Man here that can turn
on the Light
He That Is In You
We have seen God in the eagle
And the gentleness of the Dove
But now let us see God
Let us see God in His people

1219**WHY IT HAD TO BE
SHEPHERDS***Anthony Glaude 1987*

Key F

CHORUS

Tell me why it had to be
shepherds
Why it had to be shepherds
This great mystery of
Redemption
It was locked up, in shepherd
and sheep

From Genesis to Revelation
Men's lives revealed God's
mystery by their occupation
Humble herdsman hastening
with the greatest message
The Messiah is on the earth right
now
Behold they bring you tidings of
great joy
In Bethlehem is where you will
find him

It was Abel who first caught the
revelation
Of this great mystery of
Redemption
Found out the only place that
God would meet him
It was under the shed blood of
an innocent lamb
A lamb without spot and without
blemish
Was the only thing that could
have redeemed him

Our Great Shepherd and Bishop
of our soul
Has come to lead and guide us
along the road
We as sheep are helpless
without Him
He'll shed light to us when the
way gets dim
With the staff of the Seventh
Seal, He has opened up the way
back to Eden
And with the sling shot of prayer
and faith
We'll possess all our enemy's
gates.

1220**YOU ARE NOT YOUR
OWN***Anthony Weekes 1984*

Key C

You are not your own, you are
not your own
You were bought with a price
Yes His blood was shed
For you He was the Supreme
Sacrifice
No animal's blood was truly ever
able to atone
The requirement was Blood that
carried higher life
The Lord Jesus met it.

Present your body as a living
sacrifice
Which would be your reasonable
service
All your thoughts and your
innermost desire
Be unto Him
For you are your own, you are
not your own
The Lord Jesus bought you

Which man taking thought could
add one cubit to his stature
All the efforts that you make
Will always end in failure
Willingly lay down your own life
That in Him you'll find new life
again
For you are not your own, you
are not your own
The Lord Jesus bought you

Harvest time has come and God
requires pre-eminence
Fully surrendered unto God
A man becomes omnipotent
When two omnipotent would meet
Then the miraculous takes place
So let go and let God, let go and
let God
Have His own way.

Present your body as a living
sacrifice
All of your thoughts and your
innermost desire
Your eyes, your arms, your feet
Must be surrendered unto Him
For you are not your own, you
are not your own
The Lord Jesus bought you
For you are not your own, you
are not your own
The Lord Jesus bought you.

1221 FINALLY

Sarah Belle Smythe 2005

Key F

(Male vocal)

There's the bridegroom waiting for
His beautiful bride
And finally she's coming walking up
the aisle
And the love that's shining in his
eyes

Cannot be described
He is filled with joy inside
As he beholds his lovely bride

(Female vocal)

She can hardly take her breath
With every step she takes to him
She can hardly believe it's
happening

She's uniting with her king
For a long, long time she's waited
For their wedding day to come
And her joy is overwhelming
As she comes to meet her love

CHORUS

Finally, The waiting time is over
And uniting time has come
Finally, They'll no longer be apart
This is a tie no man can sever
For before the world began
They were one in God's plan

(Male vocal)

With his eyes he promises she'll
never regret

He'll make sure that she's happy
For her he'd give his last breath

(Female vocal)

And with her smile she's telling him
That she will always care
Through happiness or sorrow
She'll always be there

BRIDGE

The crowd disappears
They're lost in their love
They're entranced by each other
And time is no more

CHORUS 2

Finally

The waiting time is over
And uniting time has come
Finally
They'll no longer be apart
This is a tie no man can sever
For before the world began
Before there was an atom
They were one in God's plan
They were joined by the potter's
hand
And what God has joined together
No man can put asunder
La la la la la la la la la la la la

1222 WE GOT LOVE

Anthony Glaude 1985

Key D

As it is in the beginning
So shall it be in the end, in the
end
Bridegroom and Bride together
Reigning with one another in
Eden

CHORUS

Cause we got love, we got love
We got love, oh sweet love, we
got love.
And by this the world will know
By the love we show, by the love
we show
Cause a new commandment He
gave unto us
That we love one another
As He hath loved us
As He hath loved us.

We must always consider each
other
Provoking one another unto love,
unto love
The Prophet prophesied about us
He said it would be a revival of
the just,
Of the just.

1223 THIS LOVE IS A WONDERFUL THING

Georgia Noel 2004

Key D

For so long it seemed like we'd
walk through life alone
Tearful days and lonesome nights
We faced them on our own
Can't deny we've made mistakes
And taken many wrong turns
But the trials have been worth it all
For there's so much we've learnt
God's grace and love
Has always led back home
And now into a love we call our
own

CHORUS

Yes it's God who's brought us
Together in life
And His grace will see us
Through struggles and strife
And this love will keep us
Warm in the night
Yes it's love that only God could
bring
It's such a wonderful thing
This love, oh this love
Yes its love that only God could
bring
It's such a wonderful thing

Now we know that God does
things in His own time
And we know His children's needs
Are always on His mind
For He makes love beautiful
In its season and its time
All you have to do is stand in line
And He gives us love
That's of a special kind

BRIDGE

This love will keep us together
This love will last forever
This love is one of a kind
This love will always be on my
mind
This love, oh this love
Yes its love that only God could
bring
It's such a wonderful thing

1224 IT'S AN INSIDE LIFE

Anthony Glaude 1988

Key D

I used to sit and wonder
Where I came from and where I
am going
The question remained
unanswered
Deep in my heart
But I pondered it deep within
And then one day I heard a
familiar voice
That came and revealed my
strange life to me
It told me all the mysteries of my
life
Was sealed up right inside of me

CHORUS

It's an inside life
That just keeps growing
From glory unto glory
It's and inside life
With which I have nothing to do
But it just keeps pushing its way
through
It tells me where I'm going
Makes it real and oh, so simple
It's a law that is irreversible

Now the only God I will ever
know
Is the God inside of me
That brought me from darkness
to His light
That rushed me from
blasphemous names
To His provided place
Where I received my sight
Like a farmer that plants a seed
into the ground
But he never adds to that seed
For all the potentials and law of
life
Is sealed up inside of that seed

1225**I HAVE FOUND
JESUS***Georgia Noel*

Key C

Sometimes I sit and wonder
 About the evil all around me
 Why people ridicule my faith
 When I believe what I cannot see
 But the Holy Ghost, Sweet Jesus
 Came and ministered to my soul
 He revealed some sweet-
 sounding words
 That restored and made me
 whole

CHORUS

He told me
 I've found something that the
 world can't take away
 I've found something and it's with
 me night and day
 I've found something worth
 talking about
 It makes me sing and it makes
 me shout
 I've found something that the
 world can't take away

I was in denomination
 A thirsting in my soul
 Looking for a message to restore
 and make me whole
 Then I went to Barataria
 I heard the rainbow mystery
 A prophet with a message
 To set the captive free

I was fussing and deliberating
 A war down in my soul
 Should I accept this message
 And give God full control
 The seven thunders revealing
 The mysteries being unsealed
 I gave my heart to Jesus
 And my destiny was sealed

Now let me tell you something
 About this new joy that I've found
 It makes me feel so happy
 Knowing Jesus is around
 It talks about redemption
 About the future home
 Jesus is my bridegroom
 And I'll never be alone

1226**THE INVISIBLE
UNION**

Key F

Love called me out of this world
 Revealed I was His very own
 Showed me things that was, is
 and is to be
 His thoughts of me eternally

CHORUS

Said your life's not your own
 You've been bought with a price
 – my life
 Sent here to prepare
 The marriage of the Lamb and
 His wife

How could I have ever known
 The full extent of God's great
 love
 Alienated from His economy
 By the fruit of the forbidden tree

Oh the depth of the riches
 Both of the wisdom and
 knowledge of God
 It took a separation
 To wrought the invisible union
 with my Lord

I've found a pearl of great price
 Can't imagine this world ever did
 look nice
 Truly great things happen in
 silence
 I now have the mind of Christ

The prodigal son has returned
 From the Potter's house of love
 Fellowship has been restored
 On the Lamb has descended on
 the Dove

The world is falling apart again,
with trouble on every hand
In this evil day of germ warfare,
diseases throughout the land
Fearful thoughts are blowing in
the air
Causing the faithless hearts to
be running to and fro
In such a crucial time, when no
one on earth can help you
What does Jesus, the Revealed
Word, mean to you now
What does Jesus, the Revealed
Word, mean to you now
He's the One who said I'll heal all
your diseases
He's the Rock, and He's the
Anchor of my soul
He's my Helper. He's my North
Star, the One I'm tied to
That's what Jesus, the Revealed
Word means to me now
What does Jesus, the Revealed
Word, mean to you now

We can feel the hot air of
judgement blowing hotter every
day
And as the earth continues
shaking very soon it will fall away
No one can deny those trumpets
made it plain
It is the wrath of God, He's
pouring out on sin
Pollution has filled the earth and
sky and sea
Causing the sun and moon to be
blacked out totally
There is on place on earth where
we can safely be
He's the Fourth Man who walked
into the fiery furnace
When things get dark He said,
Fear not, I'll turn on the Light
He's my Shield that gives me
safety down in Goshen
That's what Jesus the revealed
Word means to me now
What does Jesus the revealed
Word mean to you now

The cry of famine is everywhere,
men's hearts failing for fear
Those hideous sights that the
Prophet saw, every day we seem
to face

The hearts of men once again
are continually evil
They are carrying out their plans
to destroy the earth
Violence fills every nation under
heaven
One of the flashing red light, the
sign to the end of the world
He's my shelter when the earth
is set on fire
He's the Voice that will call my
loved ones from the grave
He is my wings that will bear me
over to that city
That's what Jesus the revealed
Word means to you now
What does Jesus the Revealed
Word mean to you now

Darkness covers the earth, the
sign in the heaven the Lord did
send
We all can see it's very plain that
judgement is on the land
Be sure you have already
applied the Token
It's the only thing that can stay
the wrath of God
For all the fashions and kingdom
of this world will pass away
Only the Son of Man, the
revealed Word will stay
Only the Son of Man, the
revealed Word will stay
For He is the Rock that'll smite
the image on its ten toes
It is Him we'll crown King of
kings and Lord of Lords
When the judgement passes I'll
still be standing like an Easter
flower
That's what Jesus the revealed
Word means to me now
What does Jesus the revealed
Word mean to you now

He's the One who said I'll heal all
your diseases
He's the Fourth Man who walked
into the fiery furnace
He's my Shelter when the earth
is set on fire
He's the Rock that'll smite the
image on its ten toes
What does Jesus the revealed
Word mean to you now
What does Jesus the revealed
Word mean to you now

1228 PREDESTINATED

Anthony Glaude 1988

Key D

Life has its ups and downs and
heartaches
Enough to blow your mind
So many are going insane
With the rapid changes of time
But it's good to know your
anchor holds
In this troubled and perplexed
world
For the greatest peace that you
have
Is to know that out of a million
God has chosen you to be His
own

CHORUS

For we are predestinated
To come into His image
We are predestinated
To be transformed in His Word
We are predestinated unto glory
So no matter what comes and
goes
We are predestinated to be His
Word

You might have a lot of mistakes
and failures
But that doesn't make God
change His mind
I'm not giving any credit to sin
now
But I'm only confessing His Word
For whom He choose He'll never
lose
Whom He ordained no man
could gain
O what an eternal security
I just want to praise Him for all
eternity

1229 WHERE IS THE LOVE

Marcia Bute 1993

Key C

Lord you called me out of dark
denomination
You said, 'Come out of her, my
child' and I followed
But in my heart I know there's
something missing
Lord I want to see Your Word
living through me

CHORUS

Where is the love
Where is the Dove of Agape love
Where is the love
Where is that unconditional love
Where is the love
I need a baptism of Your love
I need Your love

Though I may speak with the
tongue of men and of angels
And though I may understand all
the mysteries
And even with the faith to move
a mountain
Without the love of God in me I
am nothing

The darkness hovering over
God's little Bride
It will all be pushed away by the
sunlight
The light of the glorious gospel is
risen in her
What are you going to do with
this Jesus called Christ

1230 WE WILL MAKE IT

Rebecca Mitchell 2012

Key E

When the enemy comes to hold
you captive

Just remember the Bleeding
Lamb For our freedom He was
slain

We have come this far by grace
And we are going through by
grace We will make it by the
Grace of God

CHORUS

We will make it by the Grace of
God

We will make it by the Grace of
God Fear not those fiery trials
It's only six inches long

We will make it by the Grace of
God

We will make it by the Grace of
God

When we get over yonder
On that beautiful shore
We will meet the saints of old
Who have gone on before
There's a question they would
ask us

How did we make it through?
And we will say,
It's by the Grace of God

The first heaven and earth
Are all passed away
The Holy City is coming down on
earth

With God we shall reign
God shall wipe away your tears
No more sorrow will be there
Yes we will make it by the grace
of God

BRIDGE

Our Redemption is by Grace
Is by Grace,
Our salvation is by Grace

Is by Grace
We are standing here by Grace
God's Grace
And by grace we are saved}2x

1231 LET US ALL BE READY

Anthony Glaude 1988

Key C

Let us all be ready when He
comes for us
Dressed in the wedding gown of
His righteousness
Flashing the wedding band of
His grace
And veiled with His Holy Spirit of
promise

CHORUS

For soon we will see Him face to
face
When He comes to catch His
waiting Bride away
Then we will take our flight thru
the skies
To take us away to our future
home

Let us all keep pressing our way
through
Despite what others might say or
do
Holding fast to His promise that
He'll soon return
To take us away to our future
home

Down here we have no
continuing city
But we seek one to come
A city whose builder and maker
is God
A city where we'll never grow old

1232 VICTORY IN CONSECRATION

Arlene James 1986

Key F

1 KINGS 18

Get thee down, get by the brook
On the inside now take a look
You have taken My word, declared it
publicly
Now it's time for another turn
There's a brook where you must go
and hide
You have many things to learn
I've commanded ravens to feed thee
there
So you have no need to fear
Just prepare yourself for the new
ministry
That is coming up ahead
The creating of the meal and oil
And the raising of the dead

GENESIS 32

Now that you, you're left alone
Here's your chance to overcome
For all your years you've lived, you
have not submitted
All your will to Me
You've tried to be brave but now
you're still afraid
Of your greatest enemy
But I've touched your strength the
hollow of your thigh
On it you can no more rely
Let Me go I say for soon the day will
break
Soon it will be morning light
I have changed your name, you'll not
be the same
I have given you new life

JUDGES 6

So arise! Thou mighty man
You shall smite them as one man
For I've commanded you to break
your idols down
Erect an altar in it's stead
And upon it lay your inwards,
outwards
Your feet and your head
And though the people be thousands
out of them
I just need three hundred men
Each with empty pitchers with lamps
inside
And a trumpet in their hands
And at your trump they'll blow and
shout
The Sword of The Lord and Gideon
So arise! Thou mighty man
Get thee down at My command

So arise! Thou mighty man
All alone with Me you'll stand
So arise! Thou mighty man
You shall smite them as one man
At My Command } 3x

1233 THE LOVE WE NEED SO MUCH

Key C

Lord Your love to me is so
wonderful
It passes the love of humans
And it lifted me from all my sins
And I know You love me with
unfailing love

CHORUS

Love, the love of God we need
so much
Love produces faith
Love is God and God, He is love
Love, the love of God we need
so much

Love and faith go together
Without God's love there is no
faith
Perfect faith is pure, just as pure
love
And God's love takes away my
unbelief

For God who is rich in mercy
For His great love wherewith He
loves me
And I love Him till I want
His will to be done in my life
And His love has no fear

Calvary is the love of God
expressed
Seven Seals revealed God's love
to us
It shows us the love of God
Before the beginning
And I know His love has no end

1234 THIS IS THE DAY

Irving Belle Smythe 1992

Key Am

I said I'll return, and since that time
You have been watching for Me
Longing for the day, when I
would come to take you home
You are the one I chose to be My
bride
And I have prepared a place
For I need you by My side
And this is the day, this is the
day

Shining like the sun
There is no one as beautiful as
you
And none can take your place
Your virtues they do not possess
This was all planned, long before
the world began
At the end of the ages
I'll come and take your hand
And this is the day, this is the
day

I am yours and you are Mine
All is said and done
Angels sing, and they rejoice
Now that the two are made one

Come, come take My hand
And I will lead you all the way to
glory
Time shall be no more
So I'll spend eternity with you
I've loved you before
And you know I love you now
I'll love you forever
I'll never break my vow
And this is the day, this is the
day

1235 REACHING OUT FOR THOSE THINGS

Anthony Glaude 1991

Key D

My Lord took me out of this world
And justified me by faith
Cleansed my mind and my soul
by His grace
Turned my atmosphere heavenly
So I could worship Him
But I long to hear, 'this is my
beloved son
In whom I'm well pleased to
dwell'

CHORUS

Reaching out for those things
which are before me
Reaching out for those things
which lie ahead
I can't stop now
Least I come short of the
promise
So I'm reaching out for those
things
Which lie ahead

For I'm just not satisfied being
justified
I'm just not satisfied being
sanctified
For the promise of this age is
Adopted sons in His image
So I must keep pressing day by
day
Until I reach that stage

For the hour has come
When the Token must be on
display
All that Christ was, in His bride
will be manifested
The former and the latter rain
Will bring the seed to maturity
again
So why should I settle for second
best
When the sky is full of the real
thing

Reaching out for those things
which are before me
Pressing with all that is within me
I can't stop now
'Lest I come short of the promise
So I'm reaching out for those
things
Which lie ahead

1236**WALKING ON THE
WATERS***Claude Allert 1991*

Key A

I lifted my sight and hoisted my
sails
To sail life's great sea
With the devil on my trail
He troubled my waters, rocked
my ship from side to side
It almost covered me
When I looked out in the
distance, I saw the Master of the
sea

CHORUS

He came walking on the waters
that almost covered me
From a distance I could see Him
Walking on my troubled sea
With outstretched hands He
beckoned
He said 'child come follow Me
Now I'm walking on the waters
that almost covered me

The storm clouds rose and
became so dark
And clouded the atmosphere
The waves began to stand so tall
To bring me doubt and fear
My troubles became so great
I knew I could not make it on my
own
Then He rolled back the mist that
I could see
He sent the Dove to lead me
home

The devil, he tried to drown me
So that he could take control
When he saw he did not get me
He tried destroying me from the
world
But my Saviour said, 'Fear not,
my child
I've already prayed for you
I have set the boundaries of the
seas
He said, it cannot cover you

Now I'm walking on the sea
I've learnt to keep my eyes on
Him
My burdens bother me no more

For He gave me peace within
The waters that once had me
down are what I'm walking on
For I know I'm not alone
I'm with the Master of the sea

1237**WHAT SHALL
SEPARATE ME***Irving Belle Smythe 1990*

Key Cm

I was out there in the barnyard
Searching for my rightful place
I had this feeling deep inside me
As those other birds around me
Scratching and picking in the dirt
Them mama cried out 'You're
not a chicken
You're an eagle from your birth.'

Now what shall separate me
From the love of Jesus Christ
Shall tribulation or persecution
Or distress or famine time
No not height nor depth nor
nakedness
Nor peril, neither sword
For I'm persuaded that there is
nothing
Absolutely nothing
That can separate me
From the love of God in Christ

My former life was not the
answer
It could not quench the thirst
inside
But there must be some better way
My soul to satisfy
Then one day my life was
changed
A gift that money cannot buy
From an ugly caterpillar- to a
butterfly

I was delivered into a strange land
As a prisoner bound in chains
I never knew that royal blood
Was flowing in my veins
Then I received a special
Message
What a freedom it did bring
When I found out that I'm not a slave
But I'm a child of The King

1238 INNER VEIL

Key C

I am tired of failing and I don't
like fear
But Lord I want to be more
sincere
I want to be that perfect man that
You called me to be
I know there's a will inside of my
heart
To separate from the cares of
this life
To sever from all those things in
my life
That has kept us apart

CHORUS

For I want to soar the heights of
Your love
So I'm moving within the inner
veil
Where the glories never fall
Your Shekinah glory
Living in Your August presence
I want to soar the heights of Your
love

Lord I don't want this to just be a
song
But a prayer from my heart
For You're looking for that
perfect sacrifice
A sweet-smelling savour
A life in which You are pleased
to dwell
To display all your attributes
May You be the principal theme
of my life
A life that You can use

You called me to a life of
intimacy
A true relationship with Thee
So I'm moving into that little
room
Where You said You'd meet me
For I know if I abide in You
And Your Word abide in me
Then I could ask You what I will
And I know that it will be given

1239 JESUS STILL HEALS

Anthony Glaude 1991

Key A♭

I've got something that I want to
share with somebody
Though many might say
What I have to say is an old, old
story
But though you've heard it many
times before
It's still real to me
So I just want to let you know
again

CHORUS

Jesus still heals, Jesus still
saves
Jesus still mends a broken heart
He still forgives, even though
You're burdened with sin
Jesus still restores a broken life

So my friend, don't you ever
Let it get to common to you
For that's what's the matter
With so many people
They've heard it so many times
before
That it just don't seem real
anymore

We are eyewitnesses of His
majesty
We see Him performing in our
midst daily
He's no longer history
But He's still real today
As He was yesterday

Jesus still heals, He still loves
you
He still could mend a broken
heart
He still gives power, to overcome
in any hour
Jesus still restores a broken life

1240 GOD'S POWER AND GLORY

Anthony Glaude 1996

Key A

Peter, James and John
Faith, Hope and Charity
Were eyewitnesses of His Majesty
They were given a dress rehearsal
Of His second coming
When He would come in Power and glory

CHORUS

We're living by His Dunamis
In the time of His Perusia
There's overcoming power
In this atmosphere

He said He will come again
And the world will not see Him
But our eyes will behold Him
In all His splendor
We will be like Him
We'll be fashioned in His likeness
A robe of white
And we'll be in all our glory

Now Dunamis is His power
That we're living by daily
That will help us to overcome
In this treacherous hour
Perusia is His appearing
When He shall come as a thief in the night
So be watching, don't let no man
Steal your garment
But be shining bright

1241 WE HAVE THE MESSAGE

Sharon James 1981

Key D

We have the Message, we have the Word
We're waiting for the trump, the shout was heard
We're going to meet Him, for we're the Bride
Our Blessed Lord and God, Our God Divine

CHORUS

We have the Message, for this last Age
The signs are pointing clear, to that glad day
This is the latter rain, the Bride is called
We are gathering here on earth to meet the Lord

O Bridegroom come, our hearts do really hunger
This troubled place on earth we can bear no longer
We'll change to meet Him in heaven above
Our bodies to immortal- just like the Lord's

Oh Praise His Precious Name,
Oh Praise the Lord
We'll change our image soon, to meet our God
We'll sing Hosannas, at the Marriage Feast
The Saints of Yester-year, we all shall meet
They were waiting for

Now when I see us gathered in Abel country
Reviewing forty years of history
And we see how we have come
All the battles that we have won
We are God's mighty marching army
Seven compound redemptive names of our great Jehovah
He has been revealing unto us
We are led by the Dove onto perfect love
And we are holding our palms in our hands

*8 O bless our God, ye people,
and make the voice of his praise
to be heard:*

*9 Which holdeth our soul in life,
and suffereth not our feet to be
moved.*

*10 For thou, O God, hast proved
us: thou hast tried us, as silver is
tried.*

*11 Thou broughtest us into the
net; thou laidst affliction upon our
loins.*

*12 Thou hast caused men to ride
over our heads; we went through
fire and through water: but thou
broughtest us out into a wealthy
place.*

Wasn't it love that caused our
Lord to die
Oh what love
He loves you and I
Streams of grace,
Our debt He paid
Our resurrected Christ in our
midst today

CHORUS

Let there be joy in the house of
The Lord (Hallelujah)
Let there be faith in the house of
the Lord
Let there be healing in the house
of The Lord
For what He has done

Now The Lord is causing us His
Bride
To look back forty years has
passed us by
What a might work the Lord has
done
So many lives have been
revived.

Like the children of Israel
Many were born along the way
Showers of Revelation poured
out in our day

Because of the Shepherd God
has put to lead the way

And our God has brought us to
this place
Where we are now It's His
amazing grace
Around the world The Word, has
gone near and far
A people chosen to walk this
path

1243 CHECK YOURSELF

Key G

It's so easy to say
That you're walking
In truth today
But are you really
Reflecting the image of Christ
I say

CHORUS

And now, check yourself
In the mirror of the word
And be sure
That your walk is true
Ask the saviour to help you
And to make himself a part of
you

For we all must be ready
To meet him when he comes
And to hear come up hither
To the place prepared for you

And now, check yourself
In the mirror of the word
And be sure
That your walk and your talk is
true
Ask the saviour to help you
And to make himself a part of
you

1244 THE SOUL'S CRY

Sarah Nunez 2014

Key Em

I may be mocked and scorned
By this whole world
Just like my Jesus was.
I may be hunted down or even
persecuted,
But its okay, once I have the
Holy Spirit.
I know this world will reject me,
And my own friends may despise
me,
But that's okay.....yes that's
okay.
I'm not here for these purposes,
I'm about my Father's will,
And my greatest desire,
Is for the fullness of Him,
To be found in me; when He
returns that day.

CHORUS

So I'm crying out
For Your Holy Spirit
It makes no sense for my
existence without It.
I'm crying out
For Your Holy Spirit
More of You is what I need for
without You I can not live,
I need You Lord....
I'm desperate for You Lord.

Lord I speak about change, from
this old body,
But I know I will never see these
things if You're not within me.
So I'm here on my knees, crying
Jesus please fill me
'cause when I see how You
could take a broken vessel
And mold it into Your image Lord...
I lay my life down before Thee
Because I know my soul You can
preserve
Lord if You take me and You
mold me into Your word.
Then I will know that I can make
it, for sure
'cause I will have Your Holy
Spirit within me....
It will be a daily walk with You
Lord

1245 OUT OF TIME INTO ETERNITY

Irving Belle Smythe 2011

Key Fm

Storms of life are raging
Gross darkness fills the earth
There's strife among the nations
Pestilence and famine
And wars on every hand
Violence sweeps through the lands
But the Word of our Lord
Reveals a place of refuge
Where the righteous can run and
be saved
When we're under the blood
The death angel can't slay us
We'll be safe till we're taken away

CHORUS

In a moment we'll be gone
We'll be taken from this world
Out of time into eternity
Out of darkness into light
Out of death into life
Out of time into eternity

Chaos and confusion
Men's hearts are filled with fear
As terror strikes around them
Despite all the destruction
They still cling to worldly cares
They keep living in despair
But the children of God
Abides in peace and safety
Far away from the oncoming storms
In the cleft of the Rock
We are completely sheltered
As we wait for the last trump to
sound

BRIDGE

There's come a time
When the Spirit of God will depart
Then none shall be healed none
shall be saved
This world is again falling apart
as our Prophet said
So enter in now before it is too late

No more darkness only light
No more death only life
Out of time into eternity
Spread your wings prepare for flight
Faster than the speed of light
Out of time into eternity

1246 CHILD SOLDIERS

Grace Ellis 2006

Key C#

People always say
What can a child do for God
People always ask us
The things we do
Are they recognized by Jesus
But at home at school at play
Every single day
We see the devil
Trying to deceive us
But with the armor of the Lord
And with the two edged sword
We'll smite that mamba
Cause we are warriors

CHORUS

We are children of the King
Shining forth the light of God
Birthed by the Word
Supernatural boys and girls
Child soldiers yes we are

We are children of the kingdom
The royal seed of Abraham
Marching in from every nation
Proudly displaying the blood of
the lamb
As we march in rank and file
We won't be compromised
We've heard the Shout
Stay in line
We will keep our eyes
Fixed upon the vision
Until the day
We complete our mission

BRIDGE

*We are mighty gentile warriors
And Jehovah Nissi is our guide
Anointed and commissioned soldiers
The Lord of host stands at our side
The Lord of host stands at our side*

Sing Hallelujah (Sing hallelujah)
Hallelujah
Sing Hallelujah (Sing hallelujah)
Hallelujah
Sing Hallelujah (Sing hallelujah)
Hallelujah
Sing Hallelujah (Sing hallelujah)
Hallelujah

1247 ENCOURAGE YOURSELF

Emmanuel Stephen 2014

Key F#

If you ever stumble and feel that
you can't make it
Because of trials that you face as
you walk with God each day
Look into your life and see what
God has done for you
Remember that your soul is tied
to the absolute
You are made free by the truth
That you can serve the Lord in
the days of your youth

CHORUS

Encourage yourself in the Lord
He will take you through
All the trials of this life
He will stand for you
And take you to that place where
you know
It's you in Him and He in you

A son of God must not be
trodden down
He must have the victory
Clothed with the whole armor of
God
In war against the enemy
Be thou strong and courageous
Don't let your faith get weak
Keep in your heart dear soldier
Greater is He that's in you
Whose sayings are faithful and
true
There is no limit to what His
power can do

BRIDGE

So get up and fight the war is on
For this battle you must be
strong
It's not by might, not by power
But by the Spirit
With the Holy Ghost in you
Satan will be powerless before
you
Now that Christ dwells in you
The greater works you will do

1248 TELL ME MORE

Kelisha Primus 2015

Key Bbm

Who is this Melchizedek
This king of Salem
who is this Melchizedek
This king of Jerusalem
I am a gentile I need to know for
sure
I am a moabite, I've worshiped
foreign Gods
Tell me more about this land
This different civilization
And this people who worship the
lamb

CHORUS

Tell me of this city
Tell me of the land
Tell me of this people
Who worship the Lamb
Tell me of this earth
And it's generations
For I am a Moabite sitting at the
threshing floor

Yes I have been quickened
my course is changed
I am no longer a stranger
but a citizen of Jerusalem
Though I'm gentile, I now have
access to Him
I am a gentile there is so much I
need to know
Tell me more about this God
About these dimensions and
worlds
For I am a candidate of this
supernatural world

CHORUS

Tell me of this city
Tell me of the land
Tell me of this people
Who worship the Lamb
Tell me of this world
And of it's dimensions
For I'm a candidate of this
supernatural world

The Angel of God
Who is this man Gabriel? This
messenger from New Jerusalem
He is here, revealing the
prophecies of God,
He is here, showing us our
names in The Book
Tell me more about this man,
from this different civilization
And this people who worship the
Lamb!

CHORUS

Tell me about this Gabriel
Tell me about His nature
Tell me of how He shows me my
life in the scriptures
Tell me about this Christ
My God, who is enmorphé
He is the Lord of Lords, who's
now unveiled to you and me!

BRIDGE

You told me I have three bodies
But there's only one of me
You told me I am eternal
With you in eternity
I'll be

CHORUS

Tell me of this bread
Tell me of this wine
Tell me of this body
That's broken for me
Tell me of this way
How to change dimensions
To my Theophany
That is the positive of me!

CHORUS

Tell me about my Jesus
Tell me about His grace
Tell me of predestination, that
brought me to this place
Tell me about God's mercy
Changing and quickening me
For I'm an heir of the promise,
given to Branham's Seed!

Who is this man Gabriel?

1249 FAITH LOOKS TO THE END

Arlene James 2009

Key G

A prophet walked the land
Gifts of healing he had
He saw so many received
healing when he prayed
But for 42 years he suffered
For his gift was not for himself
Then one day God gave him an
experience
That showed him he'd be well

CHORUS

Have you heard of the patience
of Malachi 4
And have you seen the end of
the Lord
Through thick and thin his faith
hung in
He was looking for that 7th Dove
Have you seen how he
staggered not through unbelief
Trouble was only six inches long
From beginning to end faith
looks to the end of the Lord

I'm part of a people today
That's walking in that same faith
Amidst conditions and
circumstances
We confess God's word
The symptoms that we see
Are only lying vanities
But God's promise is sure to all
His seed
We'll walk into complete victory

CHORUS

Now we are seeing the patience
of Revelation 10
8 to 11 God's elected bride
Through thick and thin our faith
hangs in
We've seen that Dove in this
second ride
He's given faith, we'll not stagger
through unbelief
Trouble is only six inches long
From beginning to end faith
looks to the end of the Lord

1250 BEAUTY OF GOD'S LOVE

Emmanuel Stephen 2015

Key A^b

From a life of degradation
Scorned and cast aside
We did not know what love was
Our lovely Lord and Redeemer
Who careth for us He came,
lifting us into a higher realm

CHORUS

It's the beauty of God's love
That shines down on us
Bringing us into his very own
being That the life that we live is
Christ in us
And we live in a supernatural place

Tell me what would make a man
Of such high estate
Stoop so low for one such as I?
The only answer to the
question Why election, why
redemption?
My friend it was done by love

1251 HOUSE OF WORSHIP

Emmanuel Stephen 2014

Key F

As you enter his gates
Come with Thanksgiving and praise
As you enter his courts
Let only worship be in your thoughts

CHORUS

This is the house of worship
The place he called by his name
Come and bring your offering
before him
The fruits of your lips giving
praise to his name

As you come before him
Come with a heart to adore
Come and lift holy hands before him
This is the reason why you were
called

To the house of worship
The place where the throne
comes down
Where the word of God is spoken
To those He redeemed by his
precious blood.

1252 CALL ON ME

Emmanuel Stephen 2014

Key G

It's a trying time for the believer
We are sailing through many
rough waters
Temptation on every hand
But if you feel you can't make it
through

CHORUS

Call on me, I'll be there }
I'll be praying for you }
On my knees in prayer }
Standing in the gap for you }2x

If two shall agree upon touching
anything
It shall be done
So agree with me in prayer
And together we'll make it
through

The mark of the age is brotherly
kindness
Then perfect love shall come
down
That's what it will take to change
dimensions
So let's agree and we'll make it
through.

1253 THE LIVING GOD

Emmanuel Stephen 2013

Key C

The living God is in our midst
right now
How it feels so great to bow
before his throne
In prayer and supplication
How we lift our hands to him
In praise and adoration of His
precious holy name.

1254 CLEAN FRESH DRINK OF WATER

Ulric Andrews

Key G

CHORUS:

Lord I'm coming back with my
clean fresh drink of water
Desire of Thy heart from the well
of Your Bride
A water that's bubbling up from
the inside pure and clean
Pleasing unto You and not spilling

Cutting my way through with the
sword you gave to me
Clothed with the armour of your
Word
Marching the victor's march for
the promises are sure
To all the seed, Lord I believe

Daily I'm groaning with a passion
to know your word
An inner cry for reaching out in
the Spirit
A fervent desire to please you
my Lord
To do the things that you have
me to do

Philistines are falling the devils
are on the run
Utter destruction facing him on
every hand
God's army is marching for the
sun is standing still
The Mighty General Joshua is in
command

Cutting my way through with the
sword you gave to me
It's another bruising for Satan
under our feet
These warriors have brought this
drink for His desire is our
command
Our enemy is dead, the Lord
Jesus Christ has won

1255 A NEW CONSECRATION

Arlene James 2012

Key E \flat /F

I hear the call, calling me
To my Father's home, where
there's a place prepared for me
Like the lost son I drifted in a
world of sin
But His love beckons me to
return to Him

CHORUS

This is God's call to a new
consecration
I'm called to a deeper dedication
I'm called to be one with my
theophany
And to live eternally in my
glorified body
I'm seeing things that I lack
As You shine light I'm searching
diligently to find them back
Every virtue must be in me when
You come
For I'm called unto the full stature
of a perfect man
I'm moving out into higher realms
With great expectations for the
supernatural to take place
The time has come for this reality
When the impossible must be
manifested in me

Emmanuel Stephen 2015

Key Bm

Do you long for the revival
promised to the church?
Where every member of his body
shall be filled with the Holy
Ghost
Our hearts are being turned
back to the apostolic faith
The glory of the Lord shall be
seen on every face

CHORUS

It burns within our souls
As we break into the day
When the fullness of the word
In our lives be on display
It burns within our souls
We who are the Super Race
Feeling that perfection
Calling to that perfect place
We are God's eagles gathered
by the shout
Soon we'll take a flight
When the trump of God shall
sound
It's the season of the eternal
We shall not all sleep
We hear from our theophanies
As deep calls to the deep
So come all ye people
Let us rise and take our place
Refusing to turn away or be
shaken from our place
We've been called unto
adoption
Unto a perfect man
Slack not your riding
Go up and possess your land

1256 IT BURNS WITHIN OUR SOULS

1257 FOR THIS CAUSE

Emmanuel Stephen 2012

Key E

For this cause I came
For this purpose I was born
That I will manifest the life of the
living God
It's not my will but thine oh Lord
So I lay it all on the altar
That my life may be a sacrifice
offered unto you

CHORUS

I was born to declare your life
And the reason of your death
Here I am to pay the price
Fully surrendering to your will
I only want dear Lord to declare
your victory
I only want dear Lord to be
surrendered unto thee

In this age we see through the
opening of the word
That we must overcome all
life's challenges
The pride of life, lust of the flesh
and the lust of the eyes
And stand to manifest the life of
Jesus Christ

Lord you said unto your prophet
Be more sincere
He spoke and did create with the
word
Let there be
All of these great things that you
did in his life
I will see in its fullness as your
life unfolds in mine

1258 IN THE INNER VEIL

Auldric Grant 2015

Key F#/E \flat

Lord You chose me to overcome
in this day
You knew the tests that I will
face in this evil age
I'll leave those things behind and
I'll run for the prize
And press towards the mark of
the high calling in Christ

CHORUS

In the inner veil, Your promises I
see
Through your sacrifice on the
cross
Where You died to set me free
I'm giving You my all that Your
will be done in me
Lord let me live my life in the
inner veil
Full submission Lord in the inner
veil

I'm dying every day to things I
see in me
In Your Word You promised,
I'll have the victory
For me to live is Christ and for
me to die is gain
Your promise I'll take no matter
what the pain

Lord I'm laying my all on the altar
of sacrifice
To be changed into Your image
that I could reflect Your life
On the threshing floor like Ruth
in full obedience I will come
Cover me with Your skirt that we
two can become one

1259**DECLARING NEW THINGS***Shonna Perrotte 2016*

Key A

Until this day
 No man could tell us
 Just where we came from
 And where we go from here
 But through the eyes of the prophet
 God revealed to us
 Before God was God
 All the way to the future home

The Angel of God
 Not seen for 2000 years
 appeared
 He's here fixing things
 For us to leave
 He's waving visions
 Of ourselves before us
 So we can walk
 Step by step
 Into what we behold

CHORUS

New things are being declared
 I know very soon
 I'll be raptured out of here
 The angel of God is here
 Leading our souls into
 The invisible, the inaudible,
 The inconceivable
 Faith to believe for the
 impossible
 In this new day

Eyes have not seen, nor ears heard
 The things that God has
 Prepared for those whom He loved
 But in this day, God displayed
 "If you say", nothing shall be
 impossible unto you

BRIDGE

Oh north, you give them up
 I'm determined they'll declare my
 praise
 Oh south, you hold not back
 This people I've formed for
 myself

1261**ARE YOU WILLING
TO WALK ON WATER***Meda Ellis 2015*

Key D

I see you sitting there, wondering
if you'll make it
Sometimes living this life just
seems so hard
But its only for a season, all the
things that your eyes see
Remember Jonah, he called
them lying vanities!
Look up and call on my name,
I am at your side
Your trials are to mould you, my
beloved bride!

CHORUS

Are you willing to walk on water?
Come by here!
Are you willing to live a little
higher?
Come up hither!
Are you willing to walk on water?
Come by here!
Only believe me, 'cause I believe
in you!
Come up hither!

I see you sitting there, wondering
if you'll make it,
But somehow deep inside you
won't give up,
So don't you think strange, and
don't you question for one day
Your an eagle born to fly,
I made you that way!
Believe and speak in my name!
I am at your side!
Your trials are to perfect you, my
beloved bride!

BRIDGE

Yes you may hurt, yes you may
fail, but keep on believing!
I paid it all, I made my vow, and
my covenant I'm keeping!
It's not your strength, it's not your
might, it's not how you feel,
The work is done, surrender your
all, it's you I want to fill!
My love is real!

We will run to the rapture, we will
run for the prize.
We are an end time people, the

Key C

How great is our God.
How great is His Word.
He's the greatest One, that
ever was heard.
He rolled back the waters
Of the mighty Red Sea,
And He said, "I will lead you,
Put your trust in Me."

I want to fly with eagles' wings in
 perfection
 I want to soar where eagles dare

 preaching of the word
 Divine pictures of me,
 Lord I've come to know
 {From the terrestrial to the

1265**I LONG TO SEE JESUS***Sarah Belle Smythe 2012*

Key F

I've heard that all the streets are
 gold
 There are pretty sights to see
 I've heard about great riches untold
 Awaiting me in glory
 And yes I'd love to see these things
 But most importantly
 I long to see the One who died
 for me

CHORUS

I long to see Jesus, Jesus
 The one who gives me strength
 and courage
 To keep pressing on
 Jesus, the One who loved me
 When I did not deserve to be loved
 Jesus means the most to me

Wars and strife on every hand
 Disasters everywhere
 People living in misery
 Men's hearts fail for fear
 And yet in this confusion
 I have a settled peace
 Because Jesus said He's coming
 back
 He's coming back for me
 And every day I'm longing
 Just to look upon the face
 Of the One who gave His life for me
 And saved me by His grace.

Now every day I'm walking
 With the consciousness of mind
 That any day I'll be caught away
 In the twinkling of an eye
 I can feel my Saviour
 He is coming so close
 Administering and entrance
 Into a parallel universe
 He's decrypting the secrets
 To immortality
 Lifting me up from this earthly realm
 Into the realm of the heavenly

CHORUS

Soon I will see Jesus....

1266 NOW IS THE TIME

Elizabeth Bishop 2015

Key B♭

He left the ninety and nine and
came looking for you and me
He bore the stripes on His back to
redeem and set us free
His condescension and ascension
made way for us to complete the
work that was given
And here we stand Revelation
10:8 to 11
This prophesied bride Revelation
10:8 to 11

But we have journeyed forty years
in this ministry
Yet still we had fears, doubts,
amnesia and unbelief
But The Great Intelligence has put
a pause in our journey
For He sees that now is the time
for His bride to speak let there be
In remembrance of what He's
done with faith we can speak let
there be

CHORUS

Now is the time, let there be
(missing limbs restored)
Now is the time, let there be
(backslidden ones restored)
Now is the time, just have faith
(and not even cancer would stand
in our midst)
Now is the time, rise and speak let
there be}2x

Who can deny God's goings in this
sanctuary?
Supernatural manifestations from
Fran street down to Abel country
At the holy cross God's servant
was commissioned to preach to
the lost
And there came a bride from every
nation, regionally and
internationally

Yes each one of us positionally
placed in our ministry

But now we hunger Lord for a
revival in our souls
We can't go on living as we have
done before
So here we are empty and bare
won't you hear our plea
Lord strike your masterpiece so we
can speak let there be
A just once more Lord in this final
ride, let there be

CHORUS

Now is the time, let there be
(a refilling in our souls)
Now is the time, let there be
(faith to perfect love)
Now is the time, just have faith
(and we will be raptured from here
one of these days)
Now is the time rise and speak let
there be}2x

BRIDGE

So we lift our hands in praise Lord
For all that you're doing in our
midst
Our eyes can clearly see, through
their testimonies, a people being
changed

Now the enforcer is here,
deliverance has surely come to
Zion
And all of our stored up prayers
shall be answered in this hour
Deliverance is here in Zion
The voice of my beloved is in Zion
Saying come up hither
For now is the time, let there be
Now is the time.....

CHORUS

1267 PSALM 121

Carol Alexander 2015

Key G

I will lift up mine eyes unto the hills,
from whence cometh my help.

My help cometh from the Lord,
which made heaven and earth.
He will not suffer thy foot to be moved:
he that keepeth thee will not slumber.

Behold, he that keepeth Israel shall neither slumber nor sleep.

CHORUS

The Lord is thy keeper:
The Lord is thy shade upon thy right hand.
The sun shall not smite thee by day,
nor the moon by night.
The Lord shall preserve thee from all evil:
he shall preserve thy soul.
The Lord shall preserve thy going out
and thy coming in from this time forth,
and even for evermore.

The Lord is thy keeper forevermore
The Lord is thy shade
The Lord is thy keeper forevermore
The Lord is thy Light
The Lord is thy keeper forevermore
The sun shall not smite thee by day
nor the moon by night
The Lord is thy keeper forevermore

1268 WE GET LIFTED UP

Key G

I've learnt a little secret that you may already know,
it happens when we lift our hearts
and let our praises flow

Jesus knows that when we praise,
when we lift him up and raise him,
It does as much for us as it does
got him 'cause we get lifted up

CHORUS

We get lifted up }3x
When we praise your name }2x

I used to think my praise was only meant to serve the King,
But now I know there's so much more
That praising him can bring
Jesus knows that when we praise,
when we lift him up and raise him,
It does as much for us as it does
got him 'cause we get lifted up

CHORUS

Lord we lift you up }3x
And we praise your name }2x
Soon he'll come again }3x
And he'll take us home }2x

1269 WORTHY TO BE PRAISED

Ulric Andrews

Key C

CHORUS

Oh clap your hands }
And let's praise the Lord, }3x
For He's worthy to be praised }

I'll praise him in the morning
I'll praise him every day
I'll praise him without ceasing
I'll praise him night and day
For what he has done for me
Nobody could do
What he has given me
Is still with me today
I'm quickened, changed,
translated,
To a heavenly place
By Jesus my beloved
What Amazing Grace!

1270 ARISE AND SHINE

Key Bm-Cm

We have come unto mount Zion,
Unto the City of the living God,
To the heavenly Jerusalem
We have come today.
(And) It is granted unto us
To be arrayed in linen clean,
The righteousness of saints.

We've come to companies of
angels,
To the general assembly,
To the church of the firstborn,
Which are written in sky.
He has redeemed us with His
Blood,
Sealed with the Holy Spirit,
The Token in our life.

To the land of the living we've
come,
He raised us up to Life Eternal,
Oh how close to immortality
We have come this very hour.
By the holy calling we're called
Not by works, by grace and mercy
Granted in His power.

Are you walking in the Light of
the day?
Are your eyes anointed this way?
For the Light of the Word has come,
And we can feed on the Tree of Life.
The Bride is glorious within,
We have victory over sin,
Shining with this Light!

CHORUS

Arise (arise) and shine,
Jerusalem,
For the Light of the Word has come
Your glory is the Lamb.
Let all the tribes and nations see
your Light,
The Bride in these days will express
The literal Life of Christ.

1271 GREATER WORKS

Key Dm-Em

What doest thou, Elisha, here?
You have been called by God!
To be the prophet of these days
and work unto the Lord.
Elijah's mantle you must take
and, brother, don't be slow
To smite the Jordan and go!

I long for greater works, Greater
deeds,
That for His Kingdom by His
grace my life could succeed
About my Father's business.
It's my Land and indeed I will
possess it!

Give me that mountain, Joshua
now
I'm ready for the fight
I don't rely on strength of men,
but God who is inside
He will fulfil all He has promised
me with no delay
I hear Him calling my Name

The third pull ministry now lives
and works inside of me
The Seal of God is in my heart
pulsating mightily
And the anointing of the eagle
gives me victory
So I could fly in the Heavens.

Gross darkness deepens, and
our path is narrowed by the Lord
No chance for something which
is not according to the Word
The Spirit of His wisdom sent,
His revelation,
For body transfiguration.

We are only a reflection of
another world,
Our being is a shadow of the
Body-Word,
It's a Heavenly dimension
influencing men,
And we must be re-united with
that Word again.

Let us run to perfection!
God in us is manifested
When we fully trust Him and
express Him.
Life under Headship
Is the Life that God lives through
us in His Own way.

Little boy brought those two
fishes and fives loaves of bread
Little did he know how much this
sacrifice had meant
Jesus took the offered gifts into
Creative Hand
By the little loaves and fishes
were the thousands fed.

All diversities of gifts are given
from above
They are an expression of the
attributes of God
Even if a mustard seed, just give
it to the Lord,
He can grow exceeding harvest
thriving ever more.

Hallelujah }8x

Oh, the great Transforming
Power
Changed my life to come up
Higher
Brings my body to subjection
For the last transfiguration.

When the Word of God is
quicken, It releases Power,
I'm so full of It tonight.
This outpouring on the Bride
comes down like mighty Shower,
I won't let It pass me by,
I won't let It pass me by.

The Revival came to us with
Quickening Power,
It transformed us by the
Message of the hour.
In the fullness of the Word
We believe in one accord:
"Be it unto us according to Your
Word!"
"Be it unto us according to Your
Word!"

Quickening Power makes us
active in the fields of God again,
In the Family of God.
To the Stature of the perfect
Man, to our promised Land
In His ranks we're marching on,
In His ranks we're marching on.

Resurrected Jesus makes us
ready for the Rapture faith,
Lifts us to the Heavenlies.
It's the Seventh Seal that wants
to live in human flesh today,
The "I AM" alive in me,
The "I AM" alive in me.
Hallelujah }8x

**1274 REDEEMED AND
REJOICING**

Key E

We are redeemed and we are
rejoicing,
Redeemed and singing to Him,
Redeemed and giving Him
honour,
Giving glory to the Lamb, our
King.
He gave us full redemption,
He sent the abundance of grace.
So close is the hour of returning
to our glorious Heavenly place.

God revealed it to us and we
recognized our day and hour.
It's the harvest time, latter rain is
coming in its power.
His storehouses are full of
blessings from His Throne.
We're marching on, we're going
back, we're going Home.

We have entered into the age of
the Bride's restoration
Now the jubilee trumpet of liberty
is sounding on!
We're going through seven
feasts,
We're full of glory and peace,
We're marching on, we're going
back, we're going Home.

**1275 WONDROUS ARE
YOUR WORKS**

Key E

When I am in pain,
I'm looking for answers,
Trying to see light
At the end of the tunnel of
darkness.
My broken heart cries in
desperation.
Then in my soul I receive
consolation
That God keeps it under control.
He knows it all, molding me and
forming
On the Potter's Wheel of Christ,
the Word.

CHORUS

Wondrous are Your works
Wondrous are Your works
Wondrous are Your works,
O Lord.
How I want to soar with You,
Long to see You in plain view.
Wondrous are Your works,
O Lord.

You anointed me,
Delivered from blindness
So that I could see
The expression of Your
lovingkindness,
Your master plan,
Your redemption story,
In my infirmities then will I glory,
Your grace is sufficient for me.
Just mold me, Lord,
Use me by Your Spirit,
Hear the song that's flowing from
my heart.

Key D

I'm living on this earth, but not by sight
I'm putting circumstances all aside
And something deep within my soul spreads wide and fresh
Oh help me Lord, to break into the sphere
Where Your reality fills atmosphere
That I could see the spoken Word becoming flesh.

You're my destiny
And there's Your power that lays in me
I'm just a temporary prisoner in this world
A substance I have found
With thousands angels all around
Eternal source from your Holy Throne for me unfold.

I'm standing in God's Presence with no fear
And I can see Him moving just so clear
Please, touch my heart once more, oh Lord, I humbly pray
May You apply divine dividing sword
That I could be transformed now by Your Word
Let Your desires be fulfilled in me today.

Light reached down to me into the deepest pond,
And I realized that I am drawn into the World beyond.
The Message touched my heart,
And from the muck of doctrines pulled me out.

He's the only One Whom I desire to behold,
Whose Glory I desire to unfold,
I am not bound to this world at all.
I'm going where the Lamb of God is Light forevermore
He's the Source of Life within my soul.

God revealed the fullness of His Word today,
Wisdom of this world cannot receive It, but we choose God's way
His grace reached down to me,
(When) I was dead in sin, He set me free.

God predestined me before the world was formed,
By the Blood of Christ
I have been purchased and I've been restored,
From sin I've been set free –
It's a hidden Life in Christ
For He's in me.

1278 YOU'RE AN EAGLE

Key C

In the rocks the eagle-mother
builds her place of rest
Keeps it safe from any wind and
storm,
But there comes a time when
she is stirring up her nest
And the eaglet really wants to know,
"Mamma, say, what's going on?
Why this doesn't feel like home?
I am not too comfortable here..."
And the mother flaps her wings
Placing them against the winds
Full of love she answers to her
boy:

CHORUS

Cause you're an eagle! You were
born to soar up in the sky!
Trusting in your wings to rise and
fly in liberty
Things beyond this nest you'll
view
Greater works than this you'll do
Doubts you will defy to fly so
high, so high, so high.
Fly so high, so high, so high.

All my life I tried to live like
others but I failed
Couldn't find myself, was out of
place
I was trying hard to quench the
thirst that I have felt
With the worldly or religious
ways
But the Lord came tenderly
Called me to my destiny
And revealed His attribute in me
I became identified
With the Bird that's of my kind
I could hear Him calling from
above:

CHORUS

Cause you're an eagle!
You were born to soar up in the sky!
Trusting in the Word to rise and
fly in liberty
Things beyond this earth you'll view
Greater works than this you'll do
Doubts you will defy
To fly so high, so high, so high.

BRIDGE

All the earthly trials I am facing
on my way
Help me know my Saviour better
day by day
Jesus calls me higher and I hold
His promise tight,
I am joining Him in this celestial
flight.

CHORUS

Cause I'm an eagle!
I was born to soar up in the sky!
Trusting in the Word to rise and
fly in liberty
Things beyond this earth i'll view
Greater works than this I'll do
Coming to the place
Where my theophany I' ll face

1279 LET US RISE AND PRAISE THE LORD

Ricardo St. Hilaire 2010

Key Bm

CHORUS

Let us rise and praise the Lord
Let us rise and praise the Lord
Give Him honor give Him glory
give Him praise }2x

We have seen the cloud
Thirty miles up in the sky
Yes He has returned
Redemption draweth nigh

Judgment to the world
But mercy to the Bride
Our bodies will be changed
We'll take our flight into the skies

All the mysteries are revealed
Under the seventh seal
In the mirror now we see
Mama look! It's me!

Let's ride this trail again
For not much time remains
In the Spirit of prophecy
Let us set the captives free

Third exodus people,
We are going back where we
belong,
Into the Land we had before the
world was formed.
The Lamb has redeemed us,
By His Blood He paid the perfect
price
Claiming His own, He was the
living Sacrifice.

CHORUS

Come and feast from the Life-
Tree,
Feed on Its fruit and never be
hungry,
Be transformed into the image of
the Word.
For the Word in Its power
Is fully restored this very hour.
We can easily drink,
Drink from the Spirit of God.

Third exodus people,
Ever present water's gushing
still.
You'll never be thirsty if you drink
It from the Word.
All eagles will gather to enjoy the
seven courses Meal
To feast on the manna freely
given by our Lord.

Third exodus people, burn the
bridges of the world behind,
Don't you look back unto the
things that God has cursed.
The food of the past age will
confuse and pollute your mind
You will be defeated if you leave
God-given Source.

(Female vocal)
You gave me your promise
And its words I believe
What you said touched my heart
And that's what I've received
Yes, your word is what I have received

CHORUS 1

(Both) Therefore will I serve you
With a love that I've never, never
known before
(Female vocal) For you're to me my
brother and something more
(Male vocal) And you're to me my
sister and something more

(Male vocal)
I trust not in beauty
That quickly fades away
But I trust in your character
That forever will stay
Yes I trust in your character that will
stay

CHORUS 2

(Both) Therefore will I serve you
With a love that I've never, never
known before
(Male vocal) For you're to me my
sister and something more
(Female vocal) And you're to me my
brother and something more

(Both)
Together we'll trust Him
Through trials we will stay
Until we shall see Him and live in His
perfect day
Forever live in His perfect day

CHORUS 3

Together will we serve Him
With a love that we've never, never
known before
For He's to us a brother and so
much more
And He's to us a sister and so much
more

(Both) Therefore will I serve you
With a love that I've never, never
known before
(Female vocal) For you're to me my
brother and something more
(Male vocal)
And Jesus means most to us and so
much more

through me and you
Making us winners in life's race
Because of His everlasting grace
Making us winners in life's race
Because of His amazing grace

So I will always praise my King
For soon I will reign with Him

1284 WE ARE NOT OF THIS WORLD

Sarah Belle Smythe 2012

Key A

We were born to be a super race
The manifestation of the planted
Word seed
In this last age
Called out from a world of sin
A special people
With an eternal gene
We live by faith; a pyramid city
Having the glory of God
A city on a hill that cannot be hid

CHORUS

We are not of this world
We've been bought with the
blood
Of the Lamb
We are the light of the world
Greater works He's doing
through us
In this second ride
We are not of this world
We are His Bride

We were born to be servants of
God
Prisoners bound with the chains
of His love
To do His perfect will
Presenting our lives as a living
sacrifice
Holy unto Him
We were born to show forth His
victory
The reason of His death
May we live our lives with this
consciousness
And never ever forget

CHORUS

1ST PETER 2:9

*But ye are a chosen generation,
a royal priesthood,
An holy nation, a peculiar
people; that ye should
shew forth the praises of him
who hath called you out
of darkness into his marvelous
light:*

1285 WE'LL SEE YOU AGAIN

Sarah Belle Smythe 2013

Key D

Beautiful Lily
Sent for a time
To reflect the life of Christ
In this world so dark
You pressed through the mire
You pressed through the mud
God made you an overcomer
In this life

CHORUS 1

We'll see you again
When the last trump sounds
Our beloved friend
This is not the end
But until that moment
You'll live inside our hearts
With God given assurance
We know we'll see you again

Suddenly God took you
No time to say goodbye
But He gave a promise
That comforts us inside
If our earthly house
Of this tabernacle dissolves
He has one eternal in heaven
Prepared for us

BRIDGE

We know that God has taken you
Beyond the curtain of time
Where there's no more sickness
No more pain
No more battles to fight
Over the banister of heaven
You look back in time
And we just want to say until
We won't say goodbye

CHORUS 2

We'll see you again
When the last trump sounds
And the dead in Christ appear
But until that moment
You'll live inside our hearts
With God given assurance
We know we'll see you again
(Some bright morning)
We know we'll see you again
(We'll be reunited)
We know we'll see you again

Beautiful lily
We'll see you again

1286 THANK YOU LORD

Sarah Belle Smythe 2014

Key D

When I think about the grace and love
You have so graciously
Bestowed on me
When I fell from eternity
You left your throne in glory
To seek and save me
You died upon the cross
You restored everything that I lost
Now with a heart of sincerity
And appreciation

CHORUS

Thank You Lord
For Your unconditional love
It was nothing I could have done
You just loved me
Amazing grace and mercy
I don't deserve this love
I don't deserve this mercy
That You've bestowed on me

Your love for me
Passes all my understanding
I see the many times when I have failed
But yet oh Lord Your love prevails
And You keep lifting me
I thank You for Your elective love
Your unconditional covenant
You have redeemed me
I could never be lost

BRIDGE

Just to think I'm one in a million
Chosen by you
To be your Bride
You made me a joint heir with you
It overwhelms me
To think You'd choose one like me
Your unconditional love is all I see

1287 SEPARATE ME LORD

Elizabeth Bishop 2011

Key C

Too long we've lived our lives in
a cushion of worldly comfort
Trying to save ourselves from
the coming sudden destruction
But Lord we want to touch that
septre
With you we want to favour
Only through self-sacrifice can
we enter in your presence

CHORUS

Separate me a Lord from this
world of sin
For rapturing condition please
cleanse me from within
I don't want self-preservation but
total separation
You anoint me Lord you
separate

We want to see full power
restored to the church again
And in our lives we will see the
third pull manifest
Then we will see our sick healed
A church fulfilling prophecy
Lord we want to rise and live in
our inheritance.

1288 LOVE IS WHAT WILL

Anthony Glaude 1988

Key D

CHORUS

Love is, yes is, what will take us
through
Love is the One that will keep us
true
I know that, (*We need not fear for,
When the trial comes*)
Love is, yes is, what will take us
through
Love is the One that will keep us
true

Take my hand and I'll take yours
We'll walk this path together
Today and every day
We will live our lives together
Looking beyond each other's fault
We will always see the need
And with love in our hearts
We know we will succeed

In this world that we live in
Love seems to be so far away
But by His love and By His Grace
We know He'll be in our hearts to
stay
For we share one common goal
And that's to be like Him
To walk like Him and talk like Him
To include Him in everything

1289 SOMEONE TO LOVE

Joel Bishop 2000

Key F

It isn't good that man should be
alone
So he took from Him a rib close to
his heart
And created him a someone who'd
be forever at his side
Bone of my bone, flesh of my
flesh, he cried
So he found...

CHORUS

Someone to love
To cherish and to hold
For all eternity
Their love will always be
Someone who will pray with you
And stay with you for all time
Someone who cares and will
always be there

Houses and lands are inheritance
of the fathers
But a prudent wife is from the Lord
So whosoever findeth a good wife
Obtaineth favour from the Lord
So he found...
(And He will give you...)

BRIDGE

So seek ye first the Kingdom and
all its' righteousness
And all of these things shall be
added unto you
And He will give you...

As I wait my heart keeps singing to the music inside
And today I see things in a whole different light
Like a world so exciting and you

I never will forget today

1291 FOREVER ONE

K Allert, E Bishop, G Watson
1998

Key A

The greatest love story ever written
Is the Word that comes from our Lord
He who chose His bride to stand at His side
How can we deny a love so precious
One so holy and so divine
(Male vocal) She's one in a million, she's my chosen bride

CHORUS

Forever one we stand in perfect love
We pledge our lives and our hearts to each other
And for all eternity our love will always be
Forever one, we stand in love

Thou art so far my dove, my undefiled
The one that's been chosen to stand at my side
Who can find such virtue?
As she steps all clothed in white
(Male vocal) A virtuous woman, she's my chosen bride

1292 I'VE FOUND LOVE

Georgia Noel 1999

Key F

BRIDGE

I've found love
The day that I saw Jesus Christ
in you

CHORUS

Love, oh love
Love is a divine mystery
I've found love
The kind, God made for me
especially
I've found love, in time
The day that I saw Jesus Christ
in you

God had a mystery
A rib taken from man's side
And He made a woman
Presented her to be man's
bride
For this cause shall a man
Leave mother and father
They'll become as one
And cleave to each other

Entreat me not to leave thee
For whither thou goest I'll go
When you say, "Come Lord
Jesus"
I'll say, "Even so"
I was created for a purpose
A help meet from your side
Yes I was made a woman
Forever to stay your bride

1293 I THANK THE LORD

Abraham Young 2001

Key F

You were taken from my side and
Now here you stand my bride
The one who's flesh of my flesh
and bone of my bone
I give God all the praise for
blessing me this way
Oh how He gives only the very
best unto His own
Unto His own

CHORUS

And with the Lord on our side
We will never miss
I know you'll realize I'm telling you
this
Because it is true
How I thank the Lord for blessing
me with you

Finally you'll see what you mean to
me
And though cold winds around us
blow
Our love will wax stronger
Surely you will find what God had
in His mind
For when he thought of us he
joined our hearts together

BRIDGE

And we will grow
More of God's grace to know
And with the His love in our hearts
O there's no battle that we won't
win
I know you'll realize that I'm telling
you this
Because it is true
How I thank the Lord for blessing
me with you

Key A

(Female vocal)

Today and for the rest of my life
I make this vow to you
To love, to cherish and to honour
For in you I've found someone with
all those qualities
That will fulfill my heart's desire

CHORUS 1

I'll be your fountain that is pure
and clean
I'll be the moon within your galaxy
You alone will be the one for me
For I will always love you

(Male vocal)

There are few words to express
this love
That's deep within my heart
Since I found the part of me that
was missing
You love for me has brought such
joy
All that I can say
Is that my life's now worthwhile
living

CHORUS 2

I'll be the farmer that will plant your
field
I'll be the sunlight in this galaxy
You alone will be the one for me
For I will always love you

CHORUS 3

(Both)

There'll never be another one but
you
My love for you will always be true
You alone will be the one for me
For I will always love you

Georgia Noel 2006

Key C

What woman is this I see
Coming down the aisle
She looks so much like Ruth to me
Queen amongst the Gentiles
Such virtue in you I see
And the sweetest smile
Step forth my love to meet me
I want you at my side

CHORUS

I've been waiting
Waiting for you
I've been longing
For the day we say "I do"
And I've been wanting
To have you at my side
So step forth my love to meet me
I want you as my bride

Just how much you mean to me
This world could never know
But today before this church
I want to say that I love you so
And I want to give praise and
thanks to God
To the Lord up above
For the day that I found you
You come fully loaded with His
Love

BRIDGE

Virtuous woman
You're so faithful and true
I never thought I'd find someone
To give my whole life to
And I've been standing here
waiting
To have you at my side
So I'm asking you
Step forth to meet me
I want you as my bride

1295 STEP FORTH TO MEET ME

1296 GOD WANTS A MAN

Key D

God wants a man who will take
Him at His Word
Someone who will always
stand up for the Word
God wants a man to come and
dwell within
Oh wont you be the one to let
Him in

God wants a man who will
stand up for the Word
Someone who will always do
His blessed will
Someone who will stand with
God through thick or thin
Oh wont you be the one to
stand with Him

God wants a man who will die
out to himself
Till it's not him but Christ who
dwells within
Till God in man and man in
God are one
Thy token come, God's will on
earth be done

God wants a man who will be
born all over again
And grow up into the stature of
a perfect man
That He might say 'this is my
beloved son'
In whom My will on earth has
been done

God came to us in the form of a
man

To show us how we could
become like that man
I am the Way, the Truth and
the Life
Came down to earth and gave
Eternal life

1297 ANOTHER MIGHTY WARRIOR

Georgia Noel 2009

Has fought and conquered
And takes to himself
A virtuous little bride
Now he's marching stately
She's stepping holy
Together she'll reign
With him at his side

Let the rain from Heaven
Wet your land and give you
plenty to eat
Be blessed with children
Be led by the Dove
Another mighty warrior has
found love

1298 THE SECOND RIDE

Michael Peters 2011

Key F

The Lion hath roared, who can but fear?
The Lord God hath spoken, who can but prophesy?
The Spirit and the Bride is now saying, 'Come'
To the ends of the earth, 'Come to Mount Zion'

CHORUS 1

And as she rides this trail again
Prophesying to every nation tongue and kindred
She has 'Thus Saith The Lord' or she'll keep still
She'll fulfil His Word and do His will

The end of time is here, the Lord has appeared
The Bride of Christ is called and being made ready
As the judgments are falling, the earth is groaning
But through the sprinkling of the Blood
His mercy is calling

He rode this trail before in Malachi 4
And when the Bride heard the Shout
And from every nation She came out
She is the Final Voice, in the Final Age
And with the Voice of the Resurrection
She'll raise the sleeping ones

BRIDGE

And The Bride sings a new song
That can only be sung by the redeemed
When she saw the Lamb step forth,
take the Book and loosed the Seven Seals

We have eaten the book and prophesied to every nation, tongue and King

We are not ashamed because the Cloud has appeared
Hallelujah, hallelujah, hallelujah,
worthy is the Lamb}3x

CHORUS 2

And we're riding this trail again
As we prophesy thru the Caribbean and extended region
We have 'Thus Saith The Lord' we can't keep still
For we're hearing the roar of the Lion of Judah

Hallelujah, hallelujah, hallelujah...
Sing Hallelujah, worthy is the Lamb
Sing Hallelujah, blessing and honour to the Lamb

To keep you grounded in His truth
And to keep you everyday
Walking only in His way

CHORUS

Now you're walking in the light
And as He shines light on your path
Let His love shine in your heart

1300 NOW AND ALWAYS

Anthony Weekes 2008

Key F

A beautiful couple, two lovely people
Who have shown forth to be a very good example
Taking a sacred passage to come into marriage
Seek ye first the kingdom and all things shall be added
Love is like someone who has found that hidden treasure
(*God's Love*)
Diamond, rubies and pearls
Love is when they bring forth what they have discovered
To be on display
You can hear them say,

CHORUS

For now and always
For the rest of my days
Together or apart
I'll have you here in my heart
Whatever I do
I'll always be true
I know for sure
God gave me you,
God gave me you.

When a good man has found a virtuous woman
When a virtuous woman has found a husband
Taking this quotation from a very great man
"Marriage is the best thing after salvation"
Love is like a cool, fresh drink of living water
(*God's Love*)
On a bright and sunny day
(*Love*) So refreshing when two hearts can come together
In the right way
To each other say

1301 TODAY I SAY I DO

Anthony Weekes 2006

Key C#

I remember the first time I saw you
A little friendly gathering that I was invited to
The way I'm made up I couldn't help but observe
The way in which you handled yourself
The manner in which you did serve
And time and time again when we would meet
Our fellowship it became so sweet
Then from a flicker love turned into a flame
And I realized I loved you
Something told me you loved me too
Today I've come to say "I do"

From that moment when you said your first hello
We became such very good friends
You were someone I was glad to know
Then every time whenever we would meet again
It seemed our fellowship was something that was pre-arranged
Then when I listened to the words you had to say
Calmed all my fears, drove all my doubts away
You have given what I needed in my life
I realized that I loved you and I knew you loved me too
Today I've come to say "I do"

Then time and time again we will go home
Today, forever, we gonna share our future home
As from today our hearts will be as one
'Cause I love you, I really do and I know you love me too
Today I've come to say "I do"

1302 AND I WILL LOVE YOU

Anthony Weekes 2010

Key C

I've considered this vow
This solemn obligation
I've come to make
I have no reservation
Since you came into my life
I've been changed completely
Never knew someone could make
me so happy

CHORUS

And I will love you
Each and every day
In a very special way
You'll be in my heart to stay
Yes, I do love you
From the bottom of my heart
We will never be apart
Because, I love you

Just the mention of your name
Exudes such awe and beauty
Every time I hear its sound
Billows of love flow over me
Upon the pages of your book
I see where it's written
That when your trumpet sounds
We'll be going home

1303 THE VOW I MAKE

Abraham Young 2001

Key C

I'll do all that I can
To keep this love alive
And I'll do my very best
Just to stay close to your side
And I'll see that none separates us
No not height, no not depth
For I can do all things through
Christ
The one who gives me strength

CHORUS

And when you need someone to
care
I will always be there
The vow I make to you
Is that "I Do"

I'll do all that it takes so your smile
will not depart
And I'll do all that I know just to
listen to your heart
For I know this Fountain is an
endless supply
The Well that flows within me
It will never run dry

1304 THE MARRIAGE HAS COME

Gershom Alexander 2009

Key A-E

Jacob waited many years, and
laboured fervently,
Knowing that the day will come
With his bride he will be,
Rachel he loved, so he laboured
night and day,
Then he came and took his bride
away.

CHORUS

The marriage has come,
And the Lamb has come,
To take away His bride,
For they two are one
Let us rejoice and be glad today
As the Lamb comes to take His
bride away.

Through seven church ages Christ
waited patiently,
Knowing that the age will come, His
bride He will see,
Clothed with a cloud, like Romeo
He came,
To take His waiting bride away.

Today is the day after waiting
patiently
Knowing as the alpha was the
omega will be
Their hearts beat as one on this
special day,
Here she comes and he'll take his
bride away.

And I do love you

CHORUS

My love for you is no mystery
I want the whole wide world to see

"I do"
But today its new
Because there's only one of me
and one of you

CHORUS

I do - In sickness and health
I do - For better or worse
I do - In poverty and wealth

I do - To have and to hold

As it goes by
These special moments come
once in our lives
These words being spoken
With faith in God it will never be

Esther Joseph 2006

Key D

Where thou goest I will go
Where thou lodgest I will lodge,
Where thou goest I will go
Where thou lodgest I will lodge.

CHORUS

I am Ruth, a virtuous woman
Into Boaz field,
Whose eyes shall I find great
favour in
Cover me with your garment of
love.

From the field, to the threshing
floor
From the threshing floor into the
garner,
From the field, to the threshing
floor
From the threshing floor into the
garner

BRIDGE

You are my Kinsman Redeemer
The One who covered me,
Took me from the field
To have rest
No longer in Moab
Into Bethlehem,
United with
A near Kinsman.

1308 HE GAVE ME YOU

Key G

*Quote from Kinsman Redeemer
60-1002 by William Marrion
Branham*

*"And when a man loves a woman
and marries her because she's just
pretty, there'll be an end to that. But
when a man finds a woman that he
loves, he don't know why, but he
loves her... And she finds the man
that she loves, no matter what he
looks like... He loves her. She loves
him. That's an eternal mate in glory.
They'll... Death nor nothing else
can ever separate them. Because
they are from eternity, and they
stepped out into space of time, and
will return back to eternity."*

(Male vocal)

When I first learned you loved me
Lord

This awesome feeling came over
me

Realized I was on your mind that
day on Calvary

A friend when I'm lonely

You cheer me up when I'm blue

I thought what more could He do?

Then,

CHORUS

He gave me you

The first time I looked into your
eyes I knew

Our hearts had touched before

Somewhere I'd spent some time
with you

Cause I love you

And when this life is over and our
work is through

Gonna to take you by the hand

And step back into eternity with you

(Male vocal)

Outside of my salvation Lord

No greater gift that you've given me

One who'll stand beside me

And be my family

Sometimes it's hard for me to

believe all the blessings on my life

I look at you, you're my wife

(Female vocal)

I will always stand beside you

In support of all you do

For before there was time

I stood at your side

So come what may, one thing I

know for sure

God gave me you and I am yours

1309 I AM JESUS

Hadassah Noel 2016

Key C

Before time began, I was all alone

thinking of you

And there I devised a plan, to bring you
to me

In a way that you would know me

Really know, who I am, love me for all
my ways

Whatever form I take

You would know me by my word

Know me and love me by

Redemptions story

For I am more than a light

I bled and died for you

To bring you to my side.

CHORUS

I am Jesus (Jesus)

I want you to know who I am

I am Jesus (Jesus)

Whatever form I take

I am that I am, I am Jesus.

BRIDGE

Seven angels came to Brother

Branham one day

To open the secret things that were
sealed away

Turn the picture to the right

The Supreme judge is wiggled

Look a little closer

Whose face do you see inside (Jesus)

Know that I love you (your redeemer)

I came and I died (your saviour)

Soon I will come again

To spend eternity with you

I want you to know who I AM

1310 LET THE DOVE LEAD THIS EAGLE

Esther Joseph 2008

Key C

Lord teach me to walk in your way
Following the footsteps of the righteous one
Leading to a place of perfect peace
As gross darkness covers the earth
May I keep my eyes on you Give me
the strength
So I can truly follow thee

CHORUS

So let the dove, lead this eagle
Let the dove, lead this eagle
Give me the faith inside my heart that I
will go
I purpose in my heart that I will go

In every situation
There's always a guiding angel Just
trust him and don't doubt For he's the
one that will bring you out It's not the will
of the father
That one should come up lost So just
take his hand
As he leads to the promise land

BRIDGE

I'm breaking out
Breaking through
And moving on)2x
I'm willing to give my all And let Him
have His way

1311 FINAL TESTING

Grace Ellis 2011

Key F

Finally! As Abraham was tested to the
final point.
He held in his hands, his own life, his
seed, His beloved son.
And a covenant from God that he will
be a father of many nations.
Ooh! But Finally. Abraham came to the
showdown.
Proving that his faith went beyond
carnal interpretations.
Not trusting in the efforts of man but full
obedience to God.

CHORUS 1

It's the final testing before the promise
and God is looking at your sacrifice
The final leg of the race. So are you
willing to pay the price.
It will cost the thing you love the most
and you must be precise.
To receive the inside life, it takes total
sacrifice.

Finally! Jesus giving up glorious deity.
Sacrificed Himself, taking on humanity.
His priority was not in His will but
obedience to the father.
Finally t'was at the end of His earthly
journey.
He considered the cost to live in you
and me.
With sweat like drops of blood He drank
the bitter cup

CHORUS 2

The final testing before the promise.
The crown of thorns and stripes He
must bear.
The final leg of the race. Rejection and
pain He'll also bear.
The joy that was set before Him, was to
live in you and I
So just like Jesus we must confess,
"Father not my will but thine".

Finally, we're at the end of the road for
the bride.
What we've longed for, for most of our
lives.
To be like Jesus. It's no longer in a
distance.
Now finally it falls upon me to make my
decision.
To lay aside my burdens and weight of
sin that I might go forward.
My promised inheritance, it's no longer
in a distance.

CHORUS 3

The final testing before the promise.
Don't matter what you're going through.
It's the final leg of the race and He's
right there with you.
For us to be identified with Him we must
surrender this worthless life.
To sit with Him is our gain. Queen of
heaven ' Pay the price!

BRIDGE

Final testing before the promise
And We'll crown Him King of Kings
The final leg of race
And We'll cross over to be with Him
The final voice in the final age
It's the Spirit and the Bride
Final quickening unto the rapture
And we'll reign with Him on High

(Finally it will be over, and we'll be on
the other side.)
Finally!

1312 WOE, WOE, WOE

Georgia Noel 2008

Key D

LAMENT

Mmh, Mmh, Mmh, - Ho, oh, oh! }2x

Seals! Thunders!
Trumpets and Vials!
And woe, woe, woe,
Church get ready to go
The Lord has pronounced His
judgments
Investigating angels were here
Lightening, voices, thunders and
earthquakes
Who hath an ear to hear, let him
hear
Because the Prophet preached
'Indictment'
In 64 he threw up the rock
God's wrath is earned when His
mercy is spurned
Judgment's started and saints it just
won't stop
Woe, woe, woe

CHORUS

Woe, Woe, Woe }
Church get ready to go }2x

Elijah came with a warning
The Prophet preached 'Uniting Sign
and Time'
But Jezebel has drunken the people
Her ecumenical move has struck
them blind
Because she's killed all God's saints
and prophets
Through seven ages she sits as a
queen
But that whore will burn with fire
God annihilates her
A double portion of wrath she
receives
Woe, woe, woe

Howl you rich men and merchants
You've built your towers and your
walls so tall
But it's bread by weight and water by
measure
I said your stocks and your money
will fall
Because you've falsified the weights
and balances
You kill and oppress the poor
You make slaves of men
Rape and abuse the children
Judgment's knocking at your door
Woe, woe, woe!

CHORUS

To those who destroy creation
The winepress of God's wrath is
outpoured
Plagues, meteors and hailstones
The heavens shall depart like a
scroll
Tsunamis and tornadoes
Divers earthquakes are everywhere
As nature takes a tumble under that
sixth seal
Church it's time to get out of here!
Woe, woe, woe!

Watch and pray to be counted
worthy
For our Lord comes like a thief in the
night
Be sure your lamps are filled and
you're ready
Keep your token and our captain in
sight
You've got to throw away your
peanuts saints
The train is in the block
Can't you see the sign of the sign of
the flashing red light
The train is at its final stop
Woe, woe, woe

I said that beast consolidates his
power
Through Jezebel behind the scenes
I said, "Wake up church!"
For we have been warned
It's much later than when we first
believed
And then there'll be a time of great
tribulation saints
Vials, trumpets and seals
Be sure to get on board
Or face the supper of the great God
For those who've been marked and
deceived

BRIDGE }3X

Are you ready!
Be ready saints
Church get ready to go
The Lion hath roared in Mt. Zion!

LAMENT

1314 FROM THE UTTERMOST

Kelisha Primus 2016

Key D

Jesus paid the price
For all that we'll ever go through
There's nothing He did not consider
So when the enemy tries to make
you look at your circumstances
Just turn your face to Calvary.

CHORUS

Our God delivered us
From the uttermost, from the
uttermost
Our God sets free
From the uttermost, from the
uttermost
Our God delivers

There may be times you may walk
alone
With a condition that's all over you
But just remember with the right
attitude and faith
God will hear and He will answer

BRIDGE

Oh the pain that Jesus bore,
That He cried Father take this cup
from me
Oh the depth that Jesus goes, so
you and I could be completely set
free.

1315 NOT HERE TO SAY GOODBYE

Michael Peters 2015

Key G-A

CHORUS 1

I'm not here to say 'goodbye'
Even though my heart may cry
Cause in the twinkling of an eye
In the sweet sweet by and by
I'll meet you in the sky

A loving faithful mother, a reverent
caring wife,
A worker and a helper
An exhibition of the life of Jesus
Christ
She stood in the midst of suffering
Yet never murmured or
complained
But with her voice raised in praises
To her Saviour she did sing
And now as we know the truth of
life after death
We know for sure that this is not
the end

Life here is fleeting with every
passing day
Like the flowers bloom at morning
But very soon they fade away
But we thank God for His promise
That we all shall not sleep
And this hope that we in Christ
share
That very soon we will meet Him in
the air
And though we weep and mourn,
We know that all is not lost
For God's promises to us are
made more sure

CHORUS 2

I'm not here to say goodbye
Even though my heart may cry
For you've raised the banner high
We have a hope that cannot die
We know our victory day is high

1316 BEHOLD THE LAMB

Elizabeth Bishop 2016

Key A

CHORUS

Behold the Lamb, the Lamb of God
Behold His nail scarred hands,
His crown of thorns
Lowly He came, condescended for
you and me
Look to the Lamb, He's here in our
midst

The Lamb left his throne and came
down to die for me
What did I do to deserve such
love, grace and mercy?
All he had on his mind was
redemption
A bride in his image and stature
Now behold the Lamb who
showed me amazing grace
When He cried It is finished

There's a laver that we can be
washed and cleansed in
It's dripping with blood, it's flowing
freely
It doesn't matter what you have
done
Open your hearts and reach out to
the Lord
Condemnation and sin no longer
have the victory
He paid it all that day on Calvary

BRIDGE

So if you need a healer (Behold
the Lamb)
Whatever you have need of (Only
believe)
If you need a Saviour (Behold the
Lamb)
He can deliver you (Even now,
right now)

Cancer can't stand before us
(Behold the Lamb)
It's a finished work (Only believe)

Walk into your victory (Behold the
Lamb)

Be under expectation (Even now,
right now)

For There's nothing new under the
sun
Just believe in what God has
already done
And Behold...

1317 BE MY GUIDE

Michael Peters 1996

Key D

Like the prophet in the woods
I thought I couldn't be lost
And I tried so hard
To prove my point
Until You came and showed me
That I could not lead the way
Then I humbly bent my knees
And I confessed that I couldn't
find my way

CHORUS

Be my Guide Lord,
You lead the way
For I am lost and I can't find my
home
It was my selfish pride that kept
me from holding to Your hand
Lord please take it all away

When I confessed my condition
The Holy Ghost came
And He left a path for me to walk
along
But still today I'm following in the
foot prints in the sand
Lord please lead me all the way

If you 've met the Light that is
showing you the way
And leading you through
From faith unto faith
Never, ever one time desire to
depart
Vow that you'll always say...

In a second ride preparing a bride
We're having our experience
being prepared to change

We're gonna raise the sleeping

1319 GOD IS NOT DEAD

J Simon, S Johnson 2015

Key C

Christ is alive in my heart
He took my stony heart away
I am no longer dead in sin
My redemption price he paid
The Holy Ghost is loose and has
quickened my soul
To overcome death, hell and the
grave.

CHORUS

God is not dead, he's alive
He lives in his bride
Death has been conquered
He's alive in me to tell
Rejoice, shout for joy for the Son

He appeared to you and me.

Risen out of history
We are quickened to our own
prophecy
He appeared to us by infallible
proofs
Giving us our own hymnologies
And quickening power to fulfil
this great commission
By the blood of redemption
For this invisible union

The Easter Seal has been
broken
My life he has quickened
To this glorious resurrection
From corruption to incorruption
O what a glorious resurrection.

1320 TESTIMONY OF GRACE

Georgia Noel 2016

Key G

Many have sung
Millions have testified
Of amazing grace
And so must I
My soul is compelled to sing
About the change
God's grace can bring
The rocks would cry out
If I failed to speak
If I didn't tell
What He did for me
So you know
This is not just another song
But a testimony of grace

CHORUS

I've found this One called grace
(Marvellous grace)
Marvellous, amazing grace
(Amazing grace)
Grace that freed and sealed my soul
Grace that healed and made me
whole
I found God's (amazing love)
Divine love from up above
When Jesus condescended in love
I found amazing grace
(Amazing grace)

Grace didn't stop
At Calvary
After seven ages
It reached down to me
An unworthy and wretched life
But grace cleansed
One so defiled
Ravaged by sin,
Chained to this world
Till the day
Grace took control
Despite the cost
To win my soul
I found amazing grace

Even in Heaven
I will sing
And my praises
Will forever ring
For grace will cross the great divide
He'll be there
On the other side
And when I reach
That heavenly shore
My Saviour
I'll adore
For He is the one
Divine love personified
He is mercy and He is grace

BRIDGE

Lord Jesus,
(You are that grace)
Marvellous, amazing grace
You're the height, the depth
The width, the breadth
Lord you are grace
(Amazing grace)
The rocks will cry if we didn't speak
So the redeemed church will join
with me
To say thank You Lord for Calvary
And amazing grace }
To say - thank you Lord }2x
(To say - thank you)
For Your amazing grace

1321 HIS NAME IS HOLY

Grace Ellis 2013

Key F

CHORUS

His name is Holy
His name is Holy
His name is Holy, Holy

The king of glory.
The Lord strong and mighty
The only one found worthy to
take the book and loose the
seals
The Lion of Judah
Jesus my savior
The mighty conqueror is He...

Crucified at Calvary
Interceding continuously
Throughout the ages, for the
elected seed
Now we becometh Holy
Just as He is Holy
The family in heaven and earth
now bears His name...

My precious redeemer
My soul seeker
Jehovah Tsedkinu
My righteousness you are
The great avenger
My intercessor
My Lord Jesus Christ
That's who You are

1322 THE LAMB WHO DIED

Auldric Grant 2015

Key F#

Rejected, and scorned, with a
crown of thorns
Every step he took for me up
Calvary's hill
Is there he went to die,
To redeem you and I
So great was the price he had to
pay (change)
Yet in my sin I see the love He
had for me
How He could humbly gave His
life away
(The Lamb who died)

CHORUS

The one who died he is Jesus
Christ
The Lamb of God the perfect
sacrifice
He give His life just for you and
me, (that we will be made free)
While on the cross He gave the
final shout
Saints in the graves, He did bring
them out
And there He stands, the
victorious Lamb
The one who died, the one who
died is Jesus

CHORUS

The one who died is this Jesus
Christ
The Lamb of God the perfect
sacrifice
Now He lives in you and me
Yes we know that we are free
His promises we claim in His name
The sleeping saints through us
He will raise
And from this world we shall be
change
Here He stands the victorious}
Lamb }3x
Behold the Lamb}2x
This Jesus Christ

1323 NO PLACE TO HIDE

Aubrey Hunte 1986

Key C

The day and hour is quite spent
Judgement is at hand
Many souls in prison
People heading for a lost destiny
Many people don't realize the
signs around declare
The coming of the Lord
Be sure my friend your anchor
holds in Jesus Christ the Solid
Rock
He's the only One to see you thru
In this treacherous hour

CHORUS

There's no future trusting in
riches or pleasures
For this whole earth is falling apart
So don't be caught in the midst
of this nuclear holocaust?
When the sun refuses to shine
And the moon turns into blood
Be sure my friend your anchor
holds in Jesus the Solid Rock

It seems among the bride of Christ
There's nothing really taking place
Examine us by the token
You'll see that Jesus the Living
Christ is here
It's later than you think my friend
His coming is nigh unto the door
The wrath of God will soon be
outpoured
Upon the wicked dwelling on the earth
There'll be no place to hide my
friend
From the eyes of the angry Judge
(That angry judge)

Let us be glad and rejoice
For the marriage of The Lamb is come
And His wife hath made herself ready
In fine linen, fine linen clean and white
Blessed are they who are called
To the marriage supper of The Lamb
Be sure my friend your fare is paid
And the token is on display
Or you'll stand before the
righteous judge
And be smitten with the flaming
sword of fire

1324 THE URGENCY OF THE HOUR

Emmanuel Stephen 2015

Key D

CHORUS

The urgency of the hour is upon me
Rapturing faith I must attain
For me to live is Christ
For me to die is gain
A body change is ordained for me
It's incredible but true
I'm making ready for a paradox
What about you?

People wonder why am I strange
They look at the way that I behave
There was a time I was lost and undone
God came to me and showed me I'm his son
Showed me this world is passing away
Soon cometh the great earthquake
The only escape is a body change

Like Noah here I stand
Under preparation by God's command
My eyes are fixed on the prize
Pressing towards the mark I won't compromise
I'll rise up and finish the job
Moving from faith to perfect love
Above the judgement I'll be taken up

1325 THANK YOU FATHER

Marissa Ayoung Chee

Key E

Thank you father for your mercy,
oh Lord

1326 THE POTTER'S HAND

Key F

Beautiful Lord, wonderful Saviour
I know for sure all of my days are held in your hand
Crafted into Your perfect plan
You gently called me into your presence
Guiding me by Your Holy Spirit
Teach me dear Lord, to live all of my life
Through Your eyes

And I'm captured by Your Holy calling
Set me apart, I know you're drawing me to yourself
Lead me Lord, I pray

CHORUS

Take me and mould me, use me, fill me
I give my life to the Potter's hand
Call me, you guide me, lead me, walk beside me
I give my life to the Potter's hand

You gently call me into your presence
Guiding me by Your Holy Spirit
Teach me, dear Lord, to live all of my life
Through Your eyes
I'm captured by Your Holy calling
Set me apart
I know you're drawing me to yourself
Lead me Lord, I pray

Alicia Ayres 2016

Key C

It's coming my way, it's coming my way,
My theophany will soon appear.
It's coming my way; it's coming my way,
Oh what an atmosphere.
It's coming my way; it's coming my way,
It wouldn't be very long.
It's coming my way there'll be no delay and soon I'll be gone.

1328 LORD TAKE AWAY

Hadassah Noel 2006

Key F

Sometimes I wonder, why we fail
When God has made, a provided
way
Sometimes I wonder, why we
doubt
When God has promised, he'd
bring us out
But if we'd keep the vision of
Calvary
And believe what God, has done
for us
Then we would not make so
many mistakes
And all the many things that are
in your way,
I am asking you, Lord Take
Away

CHORUS

Lord Take Away,
All of the things that make me fail
Take away
The things that hinders my faith
Take Away
All the fears that make me doubt
And all the many things, that are
in your way
I'm asking you, Lord Take Away
Why do we presume, we are
strong
When we are nothing on our own
Why do aim at, and relax
When Paul says that we must,
Press toward the mark
But if we'd keep the vision of
Calvary
And believe what God, has done
for us
Then we would not make so
many mistakes
And all the many things that are
in your way,
I am asking you, Lord Take
Away

1329 PEOPLE OF THE LORD

Key F

There is one body, we have one
Lord
United in the Spirit, we are going
forth
With His praises on our lips

And a sword in our hands
We are marching on with power
As we possess this land

We are people of the Lord, we're a
holy nation
A chosen generation called
To show forth His praise
We are the people of the Lord,
We're a holy nation
Believers in Jesus
Lifting up our voices to the Lord

1330 MIDNIGHT CRY

Key F

I hear the sound of a mighty
rushing wind
and it's closer now than it's ever
been
I can almost hear the trumpet
As Gabriel sounds the call
At the midnight cry we'll be going
home

CHORUS

When Jesus steps out on a cloud
and calls God's children
The dead in Christ shall rise
To meet him in the air
And then those that remain
Shall be quickly changed
At the midnight cry (at the midnight
cry)
When Jesus comes again

I look around me and the
prophecies fulfilling
and signs of the times their
appearing everywhere
I can almost hear the Father
as He says son go get my children
At the midnight cry
The bride of Christ shall rise

CHORUS

And then those that remain will be
quickly changed
At the midnight cry (At the
midnight cry)
When Jesus comes again
At the midnight cry (at the midnight
cry)
When Jesus comes again
When Jesus comes again

1331**I'M FOREVER
GRATEFUL**

Key F

You did not wait for me to draw
 nigh to you,
 But you clothed yourself in frail
 humanity.
 You did not wait for me to cry out
 to you,
 But you let me hear your voice
 calling me.

CHORUS

And I'm forever grateful, Lord, to
 you.
 And I'm forever grateful for the
 cross.
 And I'm forever grateful to you,
 That you came to seek and save
 the lost.

You didn't have to die on Calvary
 You did it just to prove your love to
 me
 You didn't have to take those
 stripes on your back
 But you promise Lord by your
 stripes we are healed.

You didn't have to take us out from
 the miry clay
 But it's all because of your
 amazing grace
 That's why we come today
 With sounds of praise
 Singing worthy is the lamb that
 was slain

That you came to seek and save
 the lost.
 (I'm forever grateful father, I'm
 forever grateful Lord)
 You came to seek and save the
 lost.
 (Where would I be if you didn't
 love me, where would I be if you
 didn't care)
 You came to seek and save the
 lost.
 (Lord you've been so good to us,
 you provided all my needs)
 You came to seek and save the
 lost.

1332**HE DIDN'T HAVE TO
DO IT**

Key F

CHORUS

Well he didn't have to do it but he
 did
 Well he didn't have to do it but he
 did
 Well he woke me up this
 morning, started me on my way
 Well he didn't have to do it but he
 did

Well he didn't have to save me
 thank god he did
 Well he didn't have to save me
 but he did
 Well he woke me up this
 morning, started me on my way
 Well he didn't have to save me
 but he did

Now I can say the lord has been
 so good to me
 I can say the lord has been so
 good to me yeah
 Don't you know he shook me
 and then he woke me
 And then he started me on my
 way
 He didn't have to do it but he did.

Well he didn't have to save me
 thank god he did
 Well he didn't have to save me
 but he did
 He went down to that dimension
 And he took the keys from Satan
 He didn't have to do it but he did

Well he didn't have to heal me
 but he did
 Well he didn't have to heal me
 but he did
 Well he woke me up this
 morning, started me on my way
 Well he didn't have to heal me
 but he did

1333 STAND

Key F

After you've done all you can
After you've done all you can
After you've done all you can
After you've done all, all you can,
yeah, yeah, yeah
After you've done all you can, you
just stand

Tell me, what do you do when
you've done all you can do
Seems like it's never enough
Tell me what do you say when your
friends turn away
And you're alone, so alone
And tell me, what do you give when
you've given your all and
Seems like you can't make it through

CHORUS

Well, you just stand when there's
nothing left to do
You just stand, watch the Lord see
you through
After you've done all you can, you
just stand

And tell me, how do you handle the
guilt of your past
Tell me, how do you deal with the
shame
And tell me how can you smile when
your heart has been broken
And filled with pain, oh filled with
pain
And tell me, what do you give when
you've given your all
And it seems like you can't make it
through

You just stand and be sure
And be not entangled in the
bondage again
You just stand and endure
'Cause God has a purpose, God has
a plan
Tell me, what do you do when
you've done all you can
And it seems, it seems like you can't
make it through
Well you just stand, just stand, you
just stand
And don't you dare give up
You go through the storm and
through the rain
You stand through the hurt and
through the pain

Hold on, and don't give up, yeah
You hold on, don't you dare give in
Stand, stand, oh you stand
Said you just stand

After you've done all you can, after
you've done it
After you've done all you can, after
you've done it, yeah
After you've prayed and cried, cried
and prayed
After you cried all through the night,
all, all through the night
You plant your feet, squared your
shoulders
Hold your head up and wait on him
He's gonna come through, yes he
will
You've done all you can do, yeah
After you've done all you can, you
just stand
You just stand

1334 ONE MIND AND ONE ACCORD

Kim Allert 1997

Key C

The days of Ananias and Sapphira
(has come)
And to reveal his secrets God has
called us together (as one)
Spirits that don't belong to God must
flee (must flee)
For it's the fullness of God vs the
fullness of the enemy

CHORUS

And in one mind, And one accord
A bride who knows what God wants
done with the word
And apply the Holy Spirit has come to
seal his name upon our forehead
Time is running out destruction is near

And it shall come to pass
In the last days says God
I will pour out of my spirit on all flesh
And that's what he's doing
Judgement is pronounced
And this earth will be burnt
But just for the bride the death angel
has held back his wings

BRIDGE

Someday soon this church would be
closed down.
The bride of Christ would be hunted
down
But god's children would be sealed by
the blood of the lamb
We will walk we will talk for we know
with our father we'll reign

1335 THAT'S WHEN

Key C

When we have a work to do
And the task ahead seems bigger
than you
That's when He steps in
When you know in your heart that
God's command
Takes more than can be done by
man
That's when He steps in
He sees you at the point of your
need
He sees you at the point of
crossing your Red Sea
In the moment you call
When you've given your all
He steps in, He steps in
And He'll say,

What's that you have in your hand
I can use it, if you're willing to lose it
Take the little you have and make
it grand
I am El-Shaddai and I'll more than
supply your need

When all you have is oil in a jar
That's a reflection of where you
are
That's when He steps in
A little boy's lunch of fish and
bread
Is all you have for the need ahead
That's when He steps in

Let Him take it and bless it and
break it and give it
He'll multiply it in the moment you
live it
And in the moment you call
When you've given your all,
He steps in, He steps in
And He'll say,

He'll say
What's that you have in your hand
I can use it, if you're willing to lose
it
Take the little you have and make
it grand
I am El-Shaddai and I'll more than
supply
I'll supply
I will supply your need

1336 HERE IS MY ALL

Key C

I tried to give you my all,
But it was so hard to do,
For I was doing thing you didn't
want me too,
For I was blind but could not see,
That you alone can live this life
through me,
Making me what you want me to
be

CHORUS

Here is my all
Take every part I pray
Here is my all
With a surrendered heart I pray
Here is my all, I don't want to fall
Lord I'm giving you my all.

Here is my all,
Not part of me
Once more lord you make me
clean
Lord I want to do your will
continuously until,
With open arms you said well
done,
I'm proud of the work that you
have done,
Here's you crown for your battles
all are won.

Here is my all at the altar I lay,
With a surrendered heart I pray
For complete and total
deliverance
From all of my self will
Lord I want to live in your perfect
plan
To fulfil your word and
understand
Who I am, Lord give me the
power that I can stand

1337 LOVE CONNECTION

Kim Allert 2016

Key C

Love taught me about how Joseph
took a wife
In the hour of famine, he was the
one with the grain
And love taught me to live in a
world of perfect faith
He has been my guide,
Leading and guiding me through
all things
Love changed my concept of
thinking
Why was love taking so long
I felt connected the day I met you
Love showed me you were the one

CHORUS

Isn't this love, Yes it is
Isn't it sweet, Yes it is sweet
I can't stop thinking about it
How love has caused us to meet
Isn't this love, Yes it is
Isn't it good, Yes it is good
It was worth praying for
Worth fighting for on our knees
Let's live in the power of love

There were times when I prayed
Could love ever happen to me
But love kept me patient
Love taught me how to pray more
sincerely
One day love caused you to pass
my way
And with you I felt a connection
All that I prayed for was there in
your smile
Love showed me you were the one

BRIDGE

Love is faithful, Love is kind
True love can never be broken
Love never changes
Love can create
Love is God and God is love

1338 NO CROSS, NO CROWN

Phillip Pierre 2009

Key C

I was waiting for so long for the
end of my pain
I know I had to hold on and
believe what God said
But He gave me this assurance
that I would make it through
And now by revelation I'm seeing
these things too

CHORUS

No cross, no crown, no fight, no
gain
No obstacles, no exercise of faith

No demons, no challenge
No challenge, no strength
No strength, no son in the image
again

So now with understanding I wait
upon the Lord
For He in His own time make all
things beautiful
I love Him and I thank Him, He
reveal Himself to me
I can now wait with patience
because of what I see

Now with the whole armour, just
once more again
I'm ready to possess my
inheritance claim
I'm not waiting on the miracle,
the miracle is me
I thank God for my trials and
many adversities

I saw the fall of Satan, the
enemy that's me
And of him I'm no more afraid, I
see things that are to be
For I heard a voice in heaven
saying now is come
Salvation and strength and
complete redemption

1339 NOTHING IS IMPOSSIBLE

Kim Allert 2015

Key C

Nothing is impossible.
I see Jesus as I journey through
The footsteps of my life.
The places god hath led me
through
Left footprints that let me know
that I am his wife.
He has promised never will he
leave me nor forsake me
So as long as there is breath in me
My testimony of him will always be

CHORUS

Nothing is impossible}2x
All things are possible
In Jesus Christ My Lord.

He is faithful
His mercies passeth all our
understandings
He order every foot step
He direct our every path
You can trust him
His people who knows his name
they trust him
So let the weak ones let the strong
ones the redeem ones lift your
voice and sing chorus nothing is
impossible}2x
All things are possible
In Jesus Christ our Lord

MONOLOGUE

***Dear Lord you told us that we
haven't seen you until we met
Gabriel. And you showed us
Daniel and David and Samuel
and even brother Branham and
the stages you met with them.
And we see how important it is***

***to take the things that you have
shown dear to our hearts for
these things testify of you and
you gave revelation, and
revelation stimulates faith, and
faith is the substance that we
use to doubt our doubts and
face our fears where we can live
in victory and sing with a
sincere heart that nothing is
impossible.***

CHORUS

1340 I'LL HAVE FAITH IN YOU

Key C

Help me to have faith in You Lord
When the things of this world
tumbles down
Let me feel your strong arm just
near me
And know you Lord are always
around

CHORUS

I'll have faith in you Lord when I'm
weary
I'll have faith you Lord when I'm
sad
I'll just cling to the old Rock of
Ages
I'll faith and for you firmly stand

Sometimes when I'm bowed and
tearing
I know with your help I can made
strong
Lord I know without you I'm
nothing
But a helpless child longing for
home

I will cling to the Old Rock of Ages
I'll have faith and for You firmly
stand.

1341 I AM THE LORD

Emmanuel Stephen 2012

Key C

In me was life and the life was
light
I thought of you when nothing
was in sight
You were the thoughts in my
lonely rule
When there was no atom, star or
molecule
I wrote the bible based on us
I have come to reveal it that I
must
That you may know that by
Election
I wrote your name in the Lamb's
section
I created the earth to display
redemption
Here I'm asking for your attention

CHORUS

For I am the Lord
I have come to reveal to you
Who you are and what you mean
to me
Don't be ashamed
To be called by my name
You are my Bride and I love you!

I am the same Melchizedek
I came to earth and was
expressed in flesh
The most sacrificial part of me
You have seen that day on
Calvary
You were the joy that was set
before
You made the cross so easy to
endure
All that I am I have poured in you
Just ask in my name you'll see
its true
I have put my throne inside your
heart
I desire you to be set apart
I have loved you dearly from the
start
Will you serve me with all your
heart?
My eternal purpose is to live in you
You are my temple, my despised
few

I came back as the Spirit of truth
To reveal all things to you
I have chosen you above the rest
In my eyes you are the best
You are the song I always hum
You will reign with me in the
millennium

1342 HE IS HOLY

Hadassah Noel 2002

Key C

Like the sunrise
In the morning
Like the wonder of the sky
And as the sweet voice
Of a robin
So beautiful is our Lord

CHORUS

For He is holy
Mortal lips aren't enough
To sing His praises

He is worthy
Of all praises
He's the one that I adore
The angels worship
And exalt Him
And I will bow before you Lord

And when I'm down in the valley
I will worship the Lord
And when I'm up on the
mountain
I'll sing my praises
To the One I adore

BRIDGE

He is holy }3x
The angels worship and exalt
Him
He is holy }3x
Let us bow before Him
He is holy
Sing to Him you're an immortal
being
He is holy
The angels worship and exalt
Him
He is holy }3x
Let us bow before Him
You are His tabernacle

1343 FOR ME HE DIED

Key C

I never saw the cross he carried
up to Calvary's hill
I never saw the precious blood
that my savior spilled
I never heard the mob that cried
"Oh let him be crucified!"
No I never saw it but I believe
For me he died

CHORUS

And every step he took to
Calvary And every drop of blood
he shed, he shed for me
There's a lot of things I cannot
see But I believe when Jesus
died
He died for me

I never saw the many burdens
that my savior bore
I never saw the crown of thorns
that my Jesus wore
I never saw that lonely hill where
he was crucified
No I never saw it but I believe
For me he died

I never saw the rusty nails
That they drove through his
hands
and his feet
And I wasn't there to hear him
say to his father
"Why have thou forsaken me?"
I never saw the Roman soldiers
when they pierced him in his side
But when he hung his head in
the locks of his shoulders
I believe for me he died

1344 I WILL NOT SETTLE

Key D

When I see that it is the end of all
things
I look at my life and, oh God, I see
so much missing
Then I cry, oh Lord, I need your
help
Yes I'm predestinated to overcome
He will take my weakness and will
put His strength

Yes He chose me; He will sustain
me until the end

CHORUS

I will settle for nothing less
Than the life of Christ in me
I will not settle Until I know
That in me there is nothing
I will not settle with emotions,
Or with a religious life
I will not settle to this world
I do not belong to it

1345 HIS NAME IS JESUS

Omega Pivotte

Key C

The appearing of the cloud,
What does it mean to us?
Who do you say this is?
Is it of God or is it of Man,
When you look, who do you see?
Do you see the same One from
Calvary?

CHORUS

It is Jesus, he has returned
The same one, who went up in a
cloud, is now riding this trail again
To claim his children, the elected
of Christ
Full redemption that's what it
means to me

So many say it is of man, but how
could it be
When you look at the scriptures, it
fits so perfectly
He's The Mighty God that came
down, clothed in a cloud
The rock of my salvation;
The I am that I am

He has descended in this day,
Seven angels testified
Christ the Mystery of God is
revealed in His Bride
Now we are walking in the vision,
in the rhythm of His Word
For we heard the voice of our
prophet saying, "Sail On"

1346 WHO IS LIKE OUR BELOVED

Kelisha Primus 2016

Key D

Who is like our beloved
His banner over us is Love
He descended as a dove
Became a man died as a lamb
Redemption's plan
Who am I that he should love
me, to save a wretch like me
What beauty did he see in me to
love me

CHORUS

From the throne to the cross to
the grave
On the third day he victoriously
raised

Tell me who is like our beloved
Tell me who is like our Lord
Tell me who is like our Lord

It's by promise and
predestination

It's by elected love

Walk the path I've chose for you
before the world was

You were in my mind before time
began

Yes in my mind before time
began

BRIDGE

Any day now I know we will be
leaving

He has promised to take us
away

We have seen the dawning of a
new day

Soon we'll hear arise my love
come away

Arise my love, my fair one come
away

1347 LORD I HUNGER

Key C

There's a silent war that's raging
deep within me
My lower nature fights to dominate
My spirit man is poised and locked
in battle

With the carnal side of me, I've
grown to hate

The trumpet of my prayers play
towards Heaven

A voice of desperation in my cry
Lord, strengthen me that I might
not yield myself to sin
But keep Your righteous banner
lifted high

CHORUS

Lord, I hunger for holiness
And I thirst for the righteousness
that's Yours

That my mind would be cleansed
and my spirit renewed

And this temple that You dwell in
would be pure

The tempter stalks about me as a
lion

Searching for the slightest sense
of blood

For when the skin of my resistance
is broken

He moves in swiftly to deepen the
cut

The Lord of creation, hear Your
servant

You understand the weakness of
man

I'm counting myself crucified with
Jesus

Alive to Christ and dead indeed to
sin

Lord, I hunger

Lord, I hunger for holiness

For holiness

1348 UNWORTHY OF THE BLOOD

Key A

I know not why the sovereign King
Would leave His throne on high
And dwell here in this barren land
With mortals such as I.
He left His home in paradise
Oh why, I'll never know
But His precious blood has made
me purer than the virgin snow

CHORUS

Here am I so unworthy of the
blood
So unworthy of the blood that set
me free
Here am I so unworthy of the
blood
But yet it flowed for me

For every time I falter
And I bring the Father shame
A droplet of His precious blood
then falls upon my name
I'll never know the reason why
this thing has come to be,
All I know is that He did it just for
you and me

1349 GREATEST DISPLAY OF HUMILITY

Emmanuel Stephen 2015

Key A^b

I want to give all my heart unto the
Lord
For I see the great love He has for
me
A life so great, That by Him were all
things created
Yet He gave it all to pay the price
for me

CHORUS

It's the greatest display of humility
I've seen
My God descended from heaven
Where He reigned as Lord of all
To come so low that He would be
slain on a cross
No other purpose but one
To redeem the lost and fallen
The great mystery of love expressed
to me

Now he reigns as Lord in me
In this temple gracefully

Finishing up His redemption plan
Of all the creation why would He
choose a fallen man
And redeem him that he could
inhabit deity

Arlene James 2004

Key D

Each year's a new beginning as
life continues on
Brings memories of the day that
you were born
And though there be other days in
the year that has much worth
There is only one that testifies of
your birth
It's a day of reflection, you can
look back and see
The years you have come through
and what they were meant to be
And as you stand at this place,
surely you could God's grace
That has you here to celebrate the
beginning of your new year

CHORUS

Happy Birthday to you, enjoy it all

May God's blessings be on you
even beyond this day
Happy Birthday to you, may you
be filled with joy
Happy Birthday! Happy Birthday!

now holds
Whether you walk through valleys
or if you climb up mountains high

eternally
But as you stand at this place, we
could all see God's grace
And we're with you here to
celebrate the beginning of your
new year

1351 JESUS IS SO MUCH LOVE

Selwyn Boyd 1982

Key E \flat

Some people just don't know who
Jesus is or what He's done for
man,
They just believe all the lies that
Satan tells while he blinds them
from God's plan,
But we know who Christ is, that is
why she shout with praise,
Praise the Lord in the highest for
His grace and a love like this

CHORUS

For Jesus is so much love
Jesus is so much love
Jesus is so much love, He's so
much love to me
My Jesus is all of love, He is
Agape love,
And wants to be the same to you,
Won't you let Him be?

Of theThe rich young ruler one day
met the Christ seeking new forth to
find eternal life, he had lots goods
and served the Lord from his youth
but yet lacking the truth,
For when Christ spoke to him that
day he sadly turned and walked
away, To much self he had then
and self never, no it never shares

Christ traded His scepter for a
shepherd's staff when He left His
glorious throne,
To condescend and take His
missing half, He tread the thorny
fields all alone,
Then He descended into the pit
His lost love to liberate,
To heal, make whole and set free,
Then to reign with Him for all
eternity

One day Christ met the tempter on
the mount who thought that He
was there for bread,
So he offered Him all that a man
could want, but Jesus wasn't on
things that were there

For with Christ one little lost soul is
worth more than all the worlds,
So He wiped the sweat from His
brow, for when tried the Lord
Jesus don't bow

FORTH***Arlene James 2004*

We're on the threshold of this
great unfolding
And there's something great
laying ahead
Where the years have been the
joy that we've looked forward to
The pressing coming of the great
Light

CHORUS

Light breaking forth in the
heavens
The glorious Prince soon shall
reign
The government shall be on His
shoulder
In glory and honour he'll reign

It's light time coming for the
believers
Though gross darkness is over
the world
This light is breaking over the
horizon
Between the heavens and earth

From an earthbound sickness
and troubled world
Unto a bright and shining day
Of an immortal life and body and
immortal earth
That can never pass away

We are now walking in this great
unfolding
It's the dawning of a brand new
day
The Daystar is risen in our hearts
Soon He will catch us away

CHORUS 2

Light breaking forth in the

The glorious Prince soon shall

DEEPER LIFE**

Key D

Dear Lord there are times I am
hindered
While fulfilling my responsibilities
of this life
But You called me to walk in a

Where the things that hinder my

Will be truly under my feet
And by God's Spirit I will be
In full control and take good hold
Of all the things that You
promised in Your word

CHORUS

So lead me on to a deeper life
Lord You know the things I face
inside
All the things that cause me strife
From You I cannot hide
Bring perfect healing to my soul
Healing and rest for me and
peace of mind
Peace of mind, peace of mind
Healing and rest for me and

I've let so many things take me
away from You
Things that seem so important to
do
But deep in my heart there is a
cry
A longing only You can satisfy,
Oh my God
So I'm laying my sins and
weights aside
May Your grace and mercy even
more abound
And lead me higher

1357 WHY CRY? SPEAK AND DON'T DOUBT

Verses written by V Dayal &
Brothers 2016

Key C

INTRODUCTION

Faith in God can move a mighty mountain, Faith can calm the troubled sea, Faith can make the desert like a fountain, Faith has brought the victory

It's not by might, it's not by power but by My Spirit saith the Lord (x2); This mountain shall be removed (x3) but by My Spirit saith the Lord

You've compassed that mountain far too long, like Israel in the wilderness

God said 'turn ye northward, enter into your promise'
(Speaking) For very place that sole of your feet shall tread upon I have given unto you [for aren't you tired of tramping on that mountain]
Stand in faith and claim your promise

CHORUS

This mountain shall be removed
Your mountain shall be removed (x2)
By my spirit says the Lord

What is this mountain standing before you Bride of Christ?
It shall be turned into a plain
Who art thou, O great Mountain?
Standing before God's Bride...
(Speaking) You don't have to struggle... It's not by your might, it's not by your power...but by my spirit saith the Lord

Why are you crying? Speak to your mountain
Remember your third pull promise, that mountain shall be removed
Whatsoever things you desire when you stand praying
Just believe and don't doubt, it shall be removed

MONOLOGUE

Speak and don't doubt, just believe in your heart

Speak and don't doubt till His word comes to pass
Whatever things you desire in your soul
You just believe that my Lord he will perform

Joshua spake to the sun and he said, "sun stand still"
It's all because he knew who he was
Bride let us speak his word having known who we are
Revelation 10:8-11 that's who we are

1359 FOUR DAYS LATE

Key C

The news came to Jesus, "Please come fast!"

"Lazarus is sick and without your help he will not last"

Mary and Martha, watched their brother die

They waited for Jesus, He did not come and they wondered why.

The death watch was over, buried four days

Somebody said, "He'll soon be here, the Lord's on His way"

Martha ran to Him, and then she cried

"Lord if you had been here, You could have healed him, he'd still be alive"

CHORUS

But You're four days late

And all hope is gone

Lord we don't understand why you waited so long

But His way is God's way

Not your's or mine

And isn't it great, when He's four days late

He's still on time

Jesus said "Martha, show me the grave"

But she said "Lord, you don't understand, he's been there four days"

The grave stone was rolled back

Then Jesus cried "Lazarus come forth!"

Then somebody said "He's alive, he's alive!"

We've heard a Voice crying

in this Midnight hour

Saying, Jesus is coming,

To gather together and raise up His Own.

Some of us have met Him, And

We know it is true

Let's go and get the others,

The Master is come and calleth for you.

You may be fighting, a battle of fear

You cried to the Lord, I need you now

But He has not appeared

Friend don't be discouraged

'Cause He's still the same

He'll soon be here, He'll roll back

the stone

And He'll call out your name!

CHORUS 2

The Master is here

He's amongst us now

He's broken the Seal

And Calling your name

He is raising you now

No longer asleep,

But quickened and raised

United with Him

For He's the Resurrection & Life!

He's Always On Time!

1360 ONCE AND FOR ALL

Key G

An endless stream of pilgrims

Made their way into Jerusalem

To offer up the goat, the lamb and dove

Atonement for their sin was made but only for a season

Their empty hearts still cried out for a lasting peace and love

Then from Bethlehem he came

Emmanuel was his name

He knew the world will need a sacrifice

And a million lambs could never pay the price

pay the price

CHORUS

Once and for all

He walked the road to calvary

Carrying the sins of every man

Upon his shoulders

Once and for all

He Conquered death victoriously

Tearing down the separating wall

And the price was paid in full

Once and for all

An endless stream of mercy

Falls like rain from heavens holy throne

To everyone who calls upon his name

And though we all were sinners

He loved beyond our weaknesses

And though we were unworthy

He came to suffer in our place

And as his blood fell to the ground

All hope again was found

No longer are we guilty and oppress

oppress

For he has thrown our sins as far

as east is from the west.

1361**HAVE FAITH MY CHILD***Celeste John 2016*

Key A

At times I felt I couldn't go on
 Weakened by the cares of this life
 There were times I felt all alone
 No one to turn to, no hope in sight
 Then Jesus came to me
 with His arms opened wide
 Mindful of my every circumstance
 Pointing me back to Calvary
 Where every redemptive blessing
 was purchased for me

CHORUS

He's saying, Have faith My child
 Trust in My Word, I cannot lie
 I am touched by the feeling
 of your infirmities
 I will do for you the miraculous
 All your needs I will supply

Faith of our fathers living still
 In spite of dungeon, fire and sword
 This great faith of Branham still
 lives on
 In the hearts and lives of his
 children
 From healing faith to rapturing faith
 We're walking step by step
 Through ordained experiences
 we're growing up
 Into faith for the impossible

Faith is the substance of things
 hoped for
 The evidence of things not seen!
 Whatsoever you desire when you
 pray
 Believe that you will receive
 Faith knows no hindrance
 It knows no doubt
 Like John Ryan, testify
 Make ready for a paradox
 For there's power in true
 confession

BRIDGE

Do you need healing?
 (Receive your healing)
 For by His stripes you were healed
 Unsaved loved ones?
 (He still delivers)
 Every captive He'll set free
 Have you received the Holy Spirit?
 Open your heart, He's here to fill

For your every need
 (He is able)
 Only believe, only believe

For total deliverance
 (Our God is able)
 His Word has power to to make
 you whole
 To withstand the enemy
 (Put on the whole armour)
 That you may stand in this evil day

If you say to this mountain
 be thou removed
 Believe in your heart and
 it shall be done
 Faith for the rapture
 (mortal to immortal)
 A body change in the twinkling
 of an eye

1362**A ROAD IN THE WINDERNESS**

Key C

With the Red Sea behind them
 The desert before them
 The children of God had to trust
 His plan
 As they followed and waited
 Each day He created
 A way that would lead to the
 promised land

CHORUS

He made a road in the wilderness
 As only He could do
 He made a road in the wilderness
 And the power of Love broke
 through

A fallen creation
 In need of salvation
 With no open road to the love
 they'd lost
 The Father who made them
 Reached down and forgave them
 And opened up a way on a rugged
 cross

1363 STEP INTO THE PICTURE

Celeste John 2016

Key C

The Angel of God came to Bro
Branham
To reveal his strange and
misunderstood life
He saw himself in the Word
He was Malachi 4:5
A man with the spirit of Moses and
Elijah
Revealing the Son of Man
He was Eliezer, he was the chief
reaper
Sent to call a Bride

CHORUS

Step into the picture
See your name in the book
Look into the mirror
Our Word reflection we can see
Step into the picture
See your name in the book
Look into the mirror
We are the substance of the
shadows

In the days after the Prophet has
gone
Through a vindicated ministry
We can see all those beautiful
bride types, are truly you and me
We've stepped out of the pages of
the book
Those pictures have come to life
Our whole reflection we can see
Mama that is me!

I see Deborah the eagle under the

Arlene James 2007

A perfect man in Eden covered
with a holy veil
Was poisoned when the serpent
told the evil tale
But God You quickly slew a lamb
and clothed him with skin
That's what You did at calvary
when You died for my sin
And You are

CHORUS 1

You are my righteousness
You are my holiness
I stand complete in You
Jehovah Tsidkenu
A people stood before You in filthy
garments we were clothed
The accuser stood up to resist the
chosen of The Lord
But You said 'The LORD rebuke
thee'
From Your court you cast him
down
And You changed our filthy
garments,
Now in Your righteousness we're
found
For You are

CHORUS 2

You are our righteousness
You are our holiness
We stand complete in You
Jehovah Tsidkenu
It's promised out of David will grow
up a righteous Branch
Who will excute justice and
righteousness in the land
He that hath the key of David,
overcame and took His throne
He is beautiful and glorious, to us
His name is known
It's the name whereby He's called

CHORUS 3

The Lord our Righteousness
The Lord our Righteousness
We stand complete in You
Jehovah Tsidkenu
We now declare His victory and
the reason why He died

God's eternal plan and purpose is
sumed up in the bride
By virtue of this union we now bear
His New Name
The name of My God and His city,
The New Jerusalem
This is the name by which we're
called

1366 THE LAST MOUNTAIN

Arlene James 2009

Key A

I've fought a good fight, I've kept
the faith
Henceforth for me a crown of
righteousness awaits
Which The Righteous Judge shall
give to me
When He shall appear
So when He comes He'll find me
waiting here
So here I stand

CHORUS

I'm standing on the last mountain
before
I cross over on the other side
From here I see the new world
The new Jerusalem
Someday soon I'll cross the great
divide
Someday soon I'll be on the other
side

I've been battle scared, been
through many wars
But they have only made me
strong
So I'll keep fighting on
In the midst of all adversity I've
stood victoriously It is God's grace
that gives me victory
So here I stand

BRIDGE

Feeling that strange call of God
I know it's time to leave
Calling me to my Father's house
Things that are to be
I see the setting sun
I know I'll find what I'm looking for
From where I stand
I'll walk through the open door

1367 YOU WON'T LET ME GO

Elizabeth Bishop 2013

Key C

Looking back at what was
done for me
A real Lamb came and went
to Calvary
But what did we do to
deserve such mercy
Nothing Lord, I was a blind
as blind could be
But transforming power can
change our lives
God doesn't deal with our
five senses
But that gene inside
He said I'm His own and
'No matter where you run,
Child I'll come and I'll find
thee'

CHORUS

Lord You won't let me go
You've stretched Your tender
hand of mercy
Lord You won't let me go
Until I stand in that fair city
Disobedience it brings such
judgement
But in the midst of it all we're
not forsaken
In deep despair we cry to
You
For You'll hear a sincere cry
For I know You're still God
and You still answer prayer
Many times I am perplexed
but never in despair
So now I'll pay all that I have
vowed to You
And will look again to Your
holy temple
The race is not for the
swiftest
But those who endure till the
end
So many trials but He'll never
let go of your hand
So how can I not be grateful
When I see such love for me
And now I will stand and
testify
Nothing is going wrong, you
have the blue print for my life
And now I will lift my hands
and give You praise

And look again to Your
faithfulness

CHORUS 2

Lord now I can't let You go
Cause I feel Your tender
hand of mercy
I cannot let You go
Until I stand in that fair city

1368 ZION'S HILL

Key C

There waits for me a glad
tomorrow,
Where gates of pearl swing
open wide,
And when I've passed this
vale of sorrow,
I'll dwell upon the other side.

Some day beyond the reach
of mortal ken,
Some day God only knows
just where and when
The wheels of mortal life
shall all stand still
And I shall go to dwell on
Zion's hill.

Some day I'll hear the angels
singing,
Beyond the shadows of the
tomb;
And all the bells of heaven
ringing,
While saints are singing,
"Home, sweet home."

Some day my labors will be
ended,
And all my wand'rings will be
o'er,
And all earth's broken ties be
mended,
And I shall sigh and weep no
more.

Some day the dark clouds
will be rifted,
And all the night of gloom be
past;
And all life's burdens will be
lifted,
The day of rest shall dawn at
last.

1369 NOTHING BETWEEN

Key C

Nothing between my soul
and my Savior,
Naught of this world's
delusive dream;
I have renounced all sinful
pleasure;
Jesus is mine, there's
nothing between.

Refrain:

Nothing between my soul
and my Savior,
So that His blessed face may
be seen;
Nothing preventing the least
of His favor;
Keep the way clear! Let
nothing between.

Nothing between, like worldly
pleasure;
Habits of life, though
harmless they seem,
Must not my heart from Him
ever sever;
He is my all, there's nothing
between.

Nothing between, like pride
or station;
Self or friends shall not
intervene;
Though it may cost me much
tribulation,
I am resolved, there's
nothing between.
Nothing between, e'en many
hard trials,
Though the whole world
against me convene;
Watching with prayer and
much self-denial,
I'll triumph at last, there's
nothing between.

**1370 I JUST WANT TO
LOVE HIM MORE**

Anthony Weekes 2012

Key C

A holy fire burns within my
soul
Every time I hear your word
And see the grace that you
have given to me
How it breaks me up inside
For I've come to realize
That I am one of the few that
you have chosen
Looking on the cross on
which He died
Where he was crucified
I just want to love him more
Seeing this greater work that
He has done
When he sent to us his son
I just want love him more,
Just want to love him more

He did not even take his own
But went to the fathers
throne
To be for me a propitiation
Knowing through life's
journey I may sin
Love and mercy there lay in
When he became my
atonement
The perfect sacrifice on
Calvary
Met the required price for me
I just want to love him more
Seeing this great work that
He has done
When he sent to us his son
I just want love him more,
I just want to love him more

Now that He has come back
to claim
What His purchased price
has paid
I just want to love him more
One foot on land and one
upon the sea
He has come back to claim
you and me
I just want to love Him more
Seeing this greater work that
He has done
When He sent to us His son
I, just want to love Him more,
Just want to love Him more

Our prayer is that God would grant
you grace and strength to carry on
Happy birthday gentile warrior,

known everything changed
Now looking to the unseen, being
led by The Dove
Commissioned to prophesy again

We salute your gallant labors of
love and for you we give God
praise

Intercepted in life's journey,
receiving bread and wine
From the King of that great city,
the New Jerusalem
Supping with Melchizedek on
things that are to be
Being changed from glory to glory
Into your new body

1372**CHOSEN AND
ELECTED***Calvin & Susan James 2006*

Key C

You and I have seen the Light
The moment of amnesia has gone
away
For the Lamb's Book of Life is
open
We have seen our names
We're identified
We were wondering, uncertain
Couldn't find a place in this world
Till we came into the house of
God's Bread

CHORUS

Robed in His righteousness
justified by faith
Redeemed by perfect love and
Covered by His grace
To bring to pass this glorious
mystery
The Holy Son of God
Chosen and elected to build the
house of God
Chosen and elected we are

Here we stand you and I
Awakened to the reality of who we
are
As we journey through the book of
Ruth
We have seen ourselves unveiled
before
our own eyes
We met our Kinsman Redeemer
The Mighty One of Wealth
Who paid the perfect price
To bring us back to Him again

BRIDGE

What a day of revelation that has
dawned on you and me!
It's the moment
We have been waiting for
The year of Jubilee
Now we cease to labor
For in Him we have found rest
Rise and see your reality
You are the chosen and elected of
God

1373 ONE STEP CLOSER

Carol Alexander 2013

Key C

Sixty-six years ago
God so loved, he sent you, as a
love gift to this earth
From Santa Cruz to Abel country
You journeyed looking to the
unseen God
As a man of faith with God's vision
Your influence has spread across
the world
Like Paul, you are God's prisoner
of love
Bound by the chains of His word

CHORUS

You are one step closer, one step
closer to home
One step closer to the promised
body change
One step closer to see the one
that kept you
By His love, by His mercy and
grace
We believe in you whom God has
sent
We're thankful for your life and
influence
God ordained you to see us
through
And together we will make it in the
end

Down through the years you have
laboured
To see this word come to fruition
And God is not unmindful
To forget your labours of love
Because of your dedicated life
sacrificed
The faith of our fathers live still
As We rally around your gift
You'll bring us to that golden age

BRIDGE

From the Caribbean to across the
world
Your light shines bright (shines
bright – some of the sisters repeat)
A city on hill that cannot be hid
Bringing many sons and daughters
to light
That we can manifest the life of
Jesus Christ

CHORUS 2

Now we are one step closer, one
step closer to home
One step closer to the change of
dwelling places
Beyond this curtain of time
Many brothers and sisters are
waiting,
Saying press on my brother keep
fighting the good fight of faith
Together with them, we are the
fruits of your labour
The ones that you will present to
Christ our saviour
And to you He'll say well done
Well done My good and faithful
servant
Enter into the joys of The Lord (2x)
Soon we'll be home
We are resting on your word

1374 THE UNSEEN HAND

Key C

There is an unseen hand to me
That leads through ways I can not
see
While going through this world of
woe
This hand still leads me as I go

CHORUS

I'm trusting to the unseen hand
That guides me through this weary
land
And some sweet day I'll reach that
strand
Still guided by the unseen hand
This hand has led through
shadows drear
And while it leads I have no fear
I know 'twill lead me to that home
Where sin nor sorrow e're can
come

I long to see my Savior's face
And sing the story I've been saved
by grace
And there upon that golden strand
I'll praise Him for His guiding hand

1375 MY JOY

Emmanuel Stephen 2013

Key C

Worshipping God with more than
my voice
Fighting each day the good fight
of fight
Expecting His coming, I
earnestly wait
Being kept in this world of which
I am not
I rejoice when I see the casting
of my lot
Elected, Called, Anointed and
Placed
By divine design as part of a
super race

CHORUS

Joy, this is my joy, this is my joy,
this is my joy
I've been quickened, I've been
awakened
Now I know who I am
I've been quickened, I've been
awakened
Now I know who I am
Who I am, who I am, now I know
who I am

I thank God for His amazing
grace
A thinking man's filter and a holy
man's taste
When the enemy comes in like a
flood
I'm garrisoned as the purchase
of His blood
Though I'm in life's treacherous
storms
I hold this secret "I am Jesus in
Bride form
No comeliness for one to desire
Behind this badger skin dwells
the Pillar of Fire

1376 WALK ON THE WATER

Key C

As I kneel in the darkness in the
middle of the night
I'm praying for assurance
everything's gonna be alright
Lord I see another battle out in
front of me
I'm afraid I won't be able and I'll
go down in defeat
And He said, do you remember
where I brought you from
Just take a look behind you and
see how far you've come
And everytime you asked me,
didn't I deliver you
So why would you be thinking
that I wouldn't see you through

CHORUS

Didn't I walk on the water and I
calmed the raging sea
I spoke to the wind, and it
hushed and I gave you peace
Didn't I run to your rescue didn't I
hear you when you called
I walked right beside you just so
you wouldn't fall
Didn't I leave all of Heaven just
to die for your sin
I searched until I found you and
I'd do it all again

Now she's talking to her father in
a house that was once a home
She said my bills are coming due
Lord and six days is not that long
She hears a voice so still and
low
It says I've moved like that
before
I'll do this little thing child and I'll
give you so much more

CHORUS 2

Didn't I put food on your table
Showed up when your bills were
due
When the pains were racking
your body, Didn't I send healing
down to you
When you were lost in sin and
sorrow, I died to set you free
So you would know just how
much I love you

1377 THE ANCHOR HOLDS

Key C

I have journeyed
Through the long, dark night
Out on the open sea
By faith alone
Sight unknown
And yet His eyes were watching
me

CHORUS

The anchor holds
Though the ship is battered
The anchor holds
Though the sails are torn
I have fallen on my knees
As I faced the raging seas
The anchor holds
In spite of the storm

I've had visions
I've had dreams
I've even held them in my hand
But I never knew
They would slip right through
Like they were only grains of sand

I have been young
But I am older now
And there has been beauty
That these eyes have seen
But it was in the night
Through the storms of my life
Oh, that's where God proved
His love to me

1378 FILL MY CUP LORD

Key C

Like the woman at the well, I was
seeking
For things that could not satisfy.
And then I heard my Savior
speaking—
“Draw from My well that never
shall run dry.”

CHORUS

Fill my cup, Lord;
I lift it up Lord;
Come and quench this thirsting of
my soul.
Bread of Heaven, feed me till I
want no more.
Fill my cup, fill it up and make me
whole.

There are millions in this world
who are seeking
For pleasures earthly goods afford.
But none can match the wondrous
treasure
That I find in Jesus Christ my Lord.

So my brother if the things that this
world gives you
Leave hungers that won't pass
away,
My blessed Lord will come and
save you
If you kneel to Him and humbly
pray

1379 LOOKING BACK AT WHAT WAS DONE

Arlene James 1998

Key D

Without money, without price He
came as a sacrifice
Completely fulfilling all the
shadows, all the types
What He achieved in history, what
has been done
Was for you and me to see what
are our benefits
So we could live victoriously

CHORUS

Looking back at what was done
Understanding what was done and
believing
Believing that God Who made the
promise
Is surely able to complete it

Should His sacrifice be in vain,
seeing He suffered all this pain
Would it be justified if we live in
defeat
It's not just to wish He'd meet your
needs
Look to calvary and believe
And you will find His word He'll
faithfully keep

BRIDGE

So if you feel you've lost the vision
All you can see is what you're
faced with today
Press rewind on your recorder
Take another view of what
happened there that day

**1380 SORRY FOR WHAT
YOU'VE DONE**

Key G

Time goes by so fast
Things get in the way
Wondering if it still could be only
yesterday
thinking about days gone by
Wishing it still could be
Love haven't left your life at all
Just say sorry and you will see

CHORUS

Sorry for what you've done
Sorry for what you've been
Remember the way it used to be
and do it all over again.
Putting the past behind
Soon it will be too late to start
Jesus can give you life my friend
But first you must heal your heart

Now is the time to change
You cannot afford to wait
Putting it off could be so wrong
tomorrow could be too late
Start making up right now.
Try it and you will see
Love hasn't left your life at all
Just say sorry and you will see

Sorry for what you've been
Remember the way it used to be
and
do it all over again.
Putting the past behind
Soon it will be too late to start
Jesus can give you life my friend
But first you must heal your heart

**1381 THUS SAITH THE
LORD***Obed Johnson 1999*

Key C

Like Jesus on a journey
Sailing the seas that he made
When the waters were choppy
He said Peace be still
And the creation, it did obey
What the creator had to say
And is saying
Thus saith the Lord shall never fail.

CHORUS

Thus saith the Lord, shall never fail
Thus Saith the Lord, will always
prevail

When you feel all hope is gone,
My child the battle's already,
Thus Saith the Lord shall never fail

Like the prophet,
On a hunting trip in the woods that
day

He wanted three squirrels, and
only two came
But the spirit said asks what you
will and ask in, my name
The other did appear
God's word it never fails.

Like Moses leading the children
Out of Egypt into the promised
Land

Moses fears were conquered,
When he spoke the creator's
command

And Moses spoke the word with
authority
Even at the Red Sea
The sea parted it's waters
Saved God's children, Drowned
the enemy.

Shall Never, Shall Never
Thus saith the Lord shall never fail

1382 IT IS FINISHED

Elizabeth Bishop 2009

Key C

My eyes have seen the glory of
the coming of the Lord
My faith is lifted to a place I've
never known
Now here comes the bride, the
delegates of Mount Zion
God's word didn't fail
It is finished.

Before the foundation of the
world, God was on a mission
To manifest Himself in all His
glory through an elected people
But the serpent beguiled, the
fallen star lied, the church was
deceived
But all was not lost, that which
was dead would be restored
Then a man came walking in
Genesis 18
The great Elohim, the Morning
Star, a new body Sarah received
That same God came down from
glory conquered death, hell and
the grave
And with the voice of thunder
declared our redemption when
He cried it is finished.

CHORUS

It is finished, God's word has
prevailed
I see the bride in plain view,
Christ is unveiled
There is no power that can stop
this mighty army
We're ordained to eternal life, we
cannot die
We're destined for glory.
Down through the ages, God
planted seed
Again the church denominated
just like her mother Eve
But there were souls under the
altar who rejected that system
Satan the actor, came masked
as four riders bringing
destruction
But in the spring time in the year
1909

The brightest star was born
reflecting the full light of the Son
Seven angels on Sunset
Mountain loosed an anointing
The shout brought us out we
could never be deceived, all
things are under our feet.

Now the beast is wounded, she's
licking those wounds
They're howling like wolves,
those demons know their exodus
is soon

There's a re-shuffle of world
power to bring that new order
But bride and groom are uniting,
she's climbing seven steps up
that ladder

And the Angel in the pulpit still
roars from Zion

With prophetic anointing, extra
handfuls of grain for this final
hour

And with the power of the Holy
Ghost and the nature of the dove
We will burst from this pest
house with two wings all the way
to the rapture.

BRIDGE

Tell me why do we worry, we
have been sealed
No matter what the condition, in
God's word just stand and
believe

We're influenced by seven stars,
Jesus is still holding our hands
Sing hallelujah praise the Lamb.

There's no need to worry, we
know the enemy's scheme
Those two hundred million
demons will surely have to flee
We're influenced by seven stars,
Jesus is still holding our hands
Sing hallelujah praise the Lamb.

Shout hallelujah.....It is finished

1383 CONSIDER THE BLOOD

Georgia Noel 2004

Key G

When I consider the work done on
Calvary

That the Son of God was slain
Like a sinner nailed to a tree
But in that sad story,
Lies our hope and our victory
For the Lamb was sacrificed for
you and me

CHORUS

And Oh the blood still saves
And His stripes still heal
And His name delivers
The vilest man who'd believe
Oh the blood still justifies
And His Spirit still sets free
Thank God for the blood and
Calvary.

Yes our Lord came down in love
Left the glory of His throne above
For in His mind He had a plan
To redeem and ransom man
So our Lord freely paid the price
He became our sacrifice
And laid down His life at Calvary.

Many years have come and
passed
Still the power of the blood holds
fast
The blood still has power to save
Raise the dead and open the
grave
And the vilest sinner who'd believe
Full atonement he'd receive
By the blood that was shed on
Calvary

1384 GRACE HAS BEEN UNVEILED / NEEMA

Key C

CHORUS

Grace, Grace Grace Has been
Unveiled unto us

To leave a life of sin
Grace has been unveiled

To Receive this Message
Grace Has Been unveiled

Revelation of 7 Thunders
Grace has been unveiled

Neema, Neema
Neema imefunuliwa

1385 THE LORD IS GOOD

Michael Peters 1996

Key C

Give thanks unto the Lord for he is
good

He reigneth on high above all the
earth

He reigneth with his mighty hand
throughout eternity

He shall not be moved

CHORUS

The Lord is good and greatly to be
praised (x2)

For his merciful kindness is great
towards us

And His truth endureth forever
The Lord is good and greatly to be
praised

The footsteps of the righteous are
guided by the Lord

The Lord is on their side so whom
shall they fear

He is their strength and their
deliverer

Jehovah Nissi is his name

Now let us give thanks and praise
unto him

For he is good and forever he will
reign

1386 THE LAST TRUMPET

Selwyn Boyd 1982

Key A

What marvelous wonders seven
holy thunders
Came from eternity just to
change my veil body
I was in Laodicea when I heard
about the power
Formed in a humble man by the
name of William Branham

CHORUS

'Twas the final trumpet and then
the blast
The flashed upon my face king
Jesus is here at last
Then I cried "Speak the word, be
it unto me"
Cap off my life Lord for all
eternity"

Long years of fasting, calling on
God and praying
That he would send a man who
could turn the bright lights on
That we could see each day the
visions along the way
And it's plain and clear or
headstone is here

To prove that he loved us Jesus
brought back the fullness
That we all could share in the
home that he did prepare
But we must first do his will wake
those saints that are sleeping still
We'll conquer on earth, Lord,
victory over death

Sirs is this the time, is this the
second ride
Brought by the love divine just to
reunite his Bride
We have heard that angel shout
the message to the rainbow trout
And we are Restored by the
spoken word

1387 GIVING MY LIFE AWAY

Key C

I've seen a vision harsh and sweet
One who gave all He had for me
I've seen the passion of his death
And the forgiveness in His final
breath
Now i can never be the same
My heart has been forever
changed
I've got to live and love and give
because He gave

CHORUS

Now i'm giving my life away
Laying it down on the altar
Now I'm giving my life away
The very least i can offer is my all
So here i stand today
Giving my life away

No earthly price could be too great
No sacrifice too much to make
No way of measuring the cost
Next to the blood of calv'ry's cross
So if i live, i live for Him
Or if i die, i count it gain
My life is not my own, but His from
this day on

1388 THE CRUCIFIED ONE

Key A

Lord where would I be if you had
not gone
Up that lonely hill to dark Calvary
What is man that a king would
leave his glory above
To suffer in deep agony

CHORUS

I owe my whole life to the
crucified one
Who gave his all for me
With all that's in me I will praise
His holy name
Praise God for the crucified one
He walked that lonely hill with me
in mind
I was wretched, naked and blind
My Lord was so great, only one
who could help
I thank God the crucified one

1389 SOME GOLDEN DAYBREAK

Key A

Some glorious morning sorrow will
cease
Some glorious morning all will be
peace
Heartaches all ended, school days
all done
Heaven will open—Jesus will come

CHORUS

Some golden daybreak Jesus will
come
Some golden daybreak, battles all
won
He'll shout the victory, break
through the blue
Some golden daybreak, for me, for
you.
Sad hearts will gladden, all shall
be bright
Goodbye forever to earth's dark
night
Changed in a moment, like Him to
be
Oh, glorious daybreak, Jesus I'll
see
Oh, what a meeting, there in the
skies
No tears nor crying shall dim our
eyes
Loved ones united eternally
Oh, what a daybreak that morning
will be

1390 STRENGTHEN ME

Michael Peters 2017

Key D

CHORUS

Strengthen me to stand faithfully
Change my heart that I may
learn how to love Thee
Guide my feet to walk in victory
And do Thy perfect will faithfully
Faithful and true I want to be to
you
To do your perfect will, yielded
and still
A vessel you can use, filled with
your virtues
And though broken you'll remold
me till your image you behold

Not my will but thine, for this
cause I came
My life is not mine, I've been
bought with a price
So I surrender my all, a willing
sacrifice
Your eternal purpose I will take
and my freewill lay aside

1391 I WANT TO KNOW

Emmanuel Stephens 2014

Key A^b

CHORUS

I want to know
Lord I want to know
That I am pleasing you
I've felt and seen you in my life
Through times of joy and pain
How I long just once more
To feel your power move again
To no more have my own way
But in all things be still
In full obedience to your word
United with you my head
We'll keep the feast of
unleavened bread
With sincerity and truth
Giving you all our strength
In the days of our youth
Hiding your word in our heart
That sinless and spotless we'll
be
As we grow into the image of
your word
May your life be reflected in us

MONOLOGUE

Let out of our worship come our
walk
Having this testimony that we
please you
We have sweet fellowship with
you our Lord
Eternal life and power over the
earth
Before we are changed and
taken away
Hear our prayer Father
We want to know

1392 MAKE ME ANEW

Meda Ellis 2017

Key A^b

Break me oh Lord,
I don't want my own way..
Remake me Oh Lord
I'm in your hands, I'm your clay
Smoothen me all over, till you
see no defects
I give my all, on you I call, make
me anew

CHORUS

Vessel to Honour your name
A vessel for glory, not shame
A vessel that you can fill with
your Spirit
A vessel of Honour, a vessel
Honour
You are my Potter

Take away my will
I don't want my own desires
Create in me a clean heart,
To fulfill all that you require
A vessel fit for service, a vessel
You can use
I give my all, on you I call, make
me a new..

Vessel to Honour your name
A vessel for glory, not shame
A vessel that you can fill with
your Spirit
A vessel of Honour, a vessel
Honour
You are my Potter

BRIDGE

Mould me with love, mould me
with joy
Mould me with peace and long-
suffering
Mould me with temperance, faith
and meekness
Mould me with goodness and
your gentleness (x2)
Mould me, mould me
Mould me, shape me
Mould me, mould me
Mould me and make me..

A vessel of Honour, a vessel of
Honour
A vessel of Honour, a vessel of
Honour
A vessel of Honour
You are my Potter

1393 THE POTTER

Kim Allert 2016

Key A

CHORUS

Can I not break (you). (2x)
Can I not make thee a vessel of
honour fit for my use.
Can I not mould you
Can I not shape (fill) you
Can I not do unto thee as the
potter Oh Israel I can,
The potter I am.

Have you considered
To whom you belong
Where were you when the
foundation of the earth was
declared,
Knoweth thou art mines
Thine heart is faithful and true.
But thou art the clay and I am
still working on you

Cast down your reasoning
Look not to thine own
understandings
For there is a portion of death
that you must go through
Learning endurance
Is fit for the soul
Be thou courageous and strong,
for I am your goal

BRIDGE

For I have cast down
But I will restore
I'll never leave
Nor will I forsake you
I am your God.

CHORUS 2

Can I break you. (2x)
Make thee a vessel of honour fit
for my use.
Can I mould you
Can I fill you
Do unto thee as the potter Oh
Israel I can,
The potter I am.

1394 DESPERATE PRAYER

Georgia Noel 2009

Key A

Lord I know we're at the end of time
I feel that strange pull
And I've got leaving on my mind
When I look around the signs are so plain to see
But am I in the place I really ought to be

CHORUS

Do I have divine love
To get to the end of time
Do I have holiness
To come Your presence
Do I have the mind of Christ
To walk in sweet communion with You

Cleanse my heart oh LORD
Renew Thy faith in me
Bring me to that secret place
Where my standing and state
Are in union with Thee

We see the end and know we are the Bride
Yet we long for peace
And in perfect faith to abide
We want to overcome when we're tested and we're tried
And when the challenge comes
Like true eagles we must rise

CHORUS 2

LORD I need divine love
Till only You I see
Back in Your image LORD
Is where I long to be
LORD I need the mind of Christ

To walk in sweet communion with You
Cleanse my heart oh LORD
Renew Thy faith in me
Bring me to that secret place
Where my standing and my state
Are in union with Thee

REFRAIN

Touch me and heal me LORD
Wash me and cleanse me LORD
Mold me, refine me LORD
Forgive and fill me LORD

BRIDGE

Cleanse my heart oh LORD
(Cleanse my heart oh LORD)
Renew Thy faith in me
Bring me to that secret place
Where my standing and state
Are in union with Thee

1395 MY PRIZE

Arlene James 2014

Key A

I heard Your call and I answered,
You set me on track
Started to run in the finals, as all other ages were passed
You showed me the eternal,
what lays at the end of the road
That huge portion of heaven, my reward, my aim, my goal

CHORUS

You are my prize at the end of the race
You are my portion, no one can replace
By Your grace alone I'll endure to the end of my course

The strait way laid before me, in which I tried to abide
The word of God held the secret to reach the end, it's the guide
There were footprints I could follow of those who ran before
The narrow path they have chosen, seeing the invisible they endured

Now I'll look back and see the way I've come, encountering so many things
All my defeats, all my victories, we know what life brings
So I pause and consider, this book of life You wrote of me
Knowing all my future victories are locked up in my history
Onward I run staying focused, Purposed in heart to endure
This race that was not given to the swift, the battle that's not for the strong
So with the faith that is within me, I rise, these hurdles to cross
Looking unto the Author and Finisher, Jesus, my eternal reward

1396 WALK WITH ME

Arlene James 1991

Key E / F

Out of the whole wide universe
Out of the millions in this world
Out of a land and people here
He came to me and whispered in
my ear

Won't you take a walk with me?
It will lead you through eternity
You'll have the peace you've
always wanted to
Joy and love and so much more

And when you days are filled
with sunshine
And you're feeling so much joy
Know that I'm beside you I am
your strength
I am your song

And when your nights are cold
and your trials are hard
Seems like there's only one set
of footprints in the sand
You can rest assured that's the
time I'll carry you
Through your lonely valleys I will
see you safely through

Like Enoch walked and was
raptured up
Just walk like Abraham and
become a friend of God
To truly walk in perfect harmony
Know that two can't walk
together unless they be agreed
Yes, my Lord I'll walk with You
(x2)

Through the storms of life into
the great hereafter too
There couldn't be a better thing
for me to do
Than to walk with You eternally
I'll walk with Thee (x2)

1397 HERE I AM

Arlene James 2006

Key D/E

I've found a place that I can come
To You my Lord just as I am
No good in me can claim Your
merit
It's only on Your word I stand
Beneath the cross Lord where I
can see You
From the right angle, is where I
kneel

A life in union is my desire
Your righteous robe now covers
me

It was my sin that brought me to
This threshing floor, this holy place
Here judgement's set, my book is
opened
But I've found pardon, mercy and
grace
So from this only provided place of
worship
As lively stones we build up Your
house
It's here Your glory fills our
tabernacle
Your chosen bride, New
Jerusalem

T'was at the floor The Angel came
And spoke the word that called my
name
He said now go in this thy might
You need not fear I'll lead the fight
This is the place I call Jehovah
Shalom
The Lord accepted my sacrifice
So from my life comes this burnt
offering
Premiences in this harvest time

The final testing before the
promise
Of the huge portion and
tremendous victory
I make the journey up Mt. Moriah
Lord here I come to worship
Thee
This is the place I call Jehovah
Jireh
God has provided for me a Lamb
It's here I come into 3rd pull
power
Receive of You this love divine
This is the place I'm lifted in spirit
I see and know You for Who You
are

Kinsman Redeemer, my Lord
and Savior
In me You'll finish what You
began
So till I'm taken into Your garner
Here at Your feet I'm being
cleansed
This separation into full union
Finds me right here inside this
tent

1398 MY CRY

Ruth Bovell 2017

Key D

Many times I felt so weary
And the devil had his toll upon me
I tried within myself but often
failed.

Then I realise I need your hand
and this became my prayer.

CHORUS

This is my cry
This is my prayer
For you to come in me and dwell
I've heard your call
Lord, I'll give my all
For you to come in me today

In our lives there is a battle that's
raging

And so many of us are hurting
Lord we need your anchor in our
souls

And we will hold on tight
We'll win this fight and refuse to
compromise.

BRIDGE

Hide me in your word
Lord, never let me go
This reality I want in me

1399 JUST BE PATIENT

Anthony Glaude 2012

Key D

There is a lesson to learn
In everything that we face
There is experience to gain
In our trials each day
For there is nothing without a
purpose
Be it as hard as it may
For God is not the author of
frustration
It's to perfect what is lacking in our
faith

CHORUS

Just be patient and you'll see }
All things work together for our }
good }2x
Oh...

The Lord's commandments are easy
And His burdens are light
The problem lies within you and
me
When we don't see it right
How could you enjoy real freedom
If you've never been bound

How could you appreciate the
sunlight

If you have never been held
captive in the darkest of night.

Out of death comes life

This we see in nature.

But when it comes to our lives

Sometimes we wish it would differ

But if a corn of wheat don't die

It abides alone

So count it all joy when you're tried

It's all meant to bring us into
perfection.

BRIDGE

For there's a way that we cannot
evade

And there's a path we can't avoid

For there are trials that we must
face

Because the pathway to Glory is
through suffering.

1400 IN YOUR PRESENCE

Gloria Watson 2006

Key E

We are living in a world

We must have the Holy Ghost

To lift us far above the humanist
realm

For I know it's the life of Jesus

Christ in me

It's the only thing that can defeat
my enemy.

CHORUS

In your presence is where I want to
stay

Living every day in your provided
way

You're the anchor that holds your
word Lord in me

A sure and firm foundation to live

Everyday the battle will get harder
and intense

But the great Jehovah Jireh will
make a way again

Yes the battle is the Lord's

And it's not for us to fight

But to stay faithful

For God is on our side

Saints there is a place we can hide
in the Word

A place where God meets

Just you and Him alone

When Satan comes to your house

To find a place to live

Let him meet it filled with the Holy
Ghost

CHORUS

Love came slowly,
It came in gently
Now its forever
This is the story of true love
It is a special kind
This is what love is
A love that they have found
This is what love is

Oh, like a lily deep down in the
pond
Or like a sculptor with a piece of
clay that he's found
She's pressing to the top
He's chipping everyday
So everyone can see their reality
Now they're together, this lily and
the clay
And all of their beauty is put on
display
This is how true love has come
down from Above
When two works of art can find
their perfect path
This is what love is.
