And I want to deal with those two things, Christianity and Idolatry, because it's an Age of idolatry. It's a generation of idol worshipers and that is why they are being destroyed. That is why they are being rejected by God because they all belong to that Jezebel system who has made them idol worshipers.

FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

THE DEPTHS OF SATAN FROM JEROBOAM TO JEZEBEL

Christianity Versus Idolatry

BARATARIA, TRINIDAD
FRIDAY 17TH JANUARY, 1988

BRO. VIN A. DAYAL

...give you grace this morning, and as you change your seat, help one another in the back. Don't do it in a way to disturb the service and break the concentration. But we just want to be right there in the mind of the Holy Spirit to speak. And it will be things, we're all familiar with these things but sometimes the places where we find it in the Bible, it could be a little strange to some of you all. And I was kind of preaching a little part of it on Wednesday night. But on Wednesday night God was just bringing it so it came out in such a way that it cannot be disputed. It cannot be refuted. It's just the Word. It's just the grace of God making it plain like that. It is pointing out the evils, because you notice the messages how they come up from the *The Awakened Jesus On The Scene* [1987-1120 -Ed.] to *The Money Proposition* and Wall Street being crashed, and then we come right in and pick up *Micaiah's Seventh Seal Vision* in the meetings there and then we come back here Old Year's night preached *The Hour Of Temptation Is Come* [1987-1231 -Ed.] and then God came and gave that other message right in there, *The Blessed And Only Potentate, King Of Kings* [1988-0103 -Ed.]

And this morning I want to preach right there in the same inspiration, **"THE DEPTHS OF SATAN FROM JEROBOAM TO JEZEBEL."** So I just want to preach that and my subject is **"Christianity Versus Idolatry."** And I want to deal with those two things, Christianity

and Idolatry, because it's an Age of idolatry. It's a generation of idol worshipers and that is why they are being destroyed. That is why they are being stoned. That is why their names are being blotted out of the Book. That is why they are being rejected by God because they all belong to that Jezebel system who has made them idol worshipers.

But Elijah has pulled a little group out to bring us back to the true, apostolic faith that we worship the one True and Living God, the Living Christ, moving in and out amongst us; and those Seven Thunders were to reveal that so we can worship the Living Christ, the Pillar of Fire, the Smitten Rock, the Brazen Pole, all in our midst. All that we have need of; Jesus Christ in the midst of His people, and that is the center of our lives.

He is the King on the throne of our hearts. He is the One that we are prisoners bound in the chains of His Word; the One that we live every moment of the day for. And to worship any other thing is in vain. To worship Him the wrong way is in vain also. He said, "In vain do these worship me." [Matthew 15:9 -Ed.] He said, "You are of your father the devil that's why you can't worship me in Spirit and in Truth. You are worshiping me in vain." [St. John 8:44 -Ed.]

And notice, it comes down to worship in the last days. Revelation 13, those who did not worship the Beast or the image. It's worship time. In Revelation 5 when the Lamb comes to take the Book and open the Seals, there was worship in Heaven, worshiping the Lamb because His Name was written in their forehead. On Earth they were worshiping the Beast because his name was written in their forehead.

So what a time it is for who has the Seal of God and who has the mark of the Beast. But He said, "Hurt not the Oil and the Wine." These are the true worshipers in the chosen place of worship. And that is where we want to bring the message to a place and when the Holy Spirit gave me that revelation there. For fourteen years I

waited for that. Since 1973 I came in the Message and God struck my heart and showed me those Seven Church Ages in the Book of Genesis.

And I always read the quote where he said, “There are Seven Church Ages in Israel,” and I couldn’t—I tried to see what it could be since I saw Seven Church Ages in the Book of Genesis, in Revelation and I could never get it. And just this week the Holy Spirit just came right—the Angel of the Lord came through Gulf View [Location where Bro. Vin lives –Ed.] and came right through that room and passed over me. And right there in my mind it came like that fresh in the Bible. And when I saw it there in the Word—I had preached a little part on Wednesday night and then what I see now by the grace of God, God help me this morning to give it to you as He gave it to me, You will know beyond a shadow of a doubt it is THUS SAITH THE LORD.

And it is only throwing light on what has already been said to let us know God has spoken by a Prophet. May we never leave that Prophet’s word! May we never turn one iota from that Prophet’s word! If I die and go, if we all die and go, our little children we have raising up, (amen,) we will tell them that what your father and your mother believe, you stay in that all the days of your life. You nail that down in them. You drill it inside of them. You write it. You burn it in their heart. If Jesus tarries for another generation or whatever He does, (amen), brother, they are going to know that they have received the true revelation of the True God, the true worship in this Age. Because Jezebel is moving to kill out everything so she could set up her worship. And everybody worships the devil in the form of religion, in the form of Christian religion, but it is perverted Christian religion.

And that is why in these last days God has to have voices of many waters. That Cloud, when He comes with that white wig, His Voice was the Voice of many waters and He is sweeping through the Earth speaking

out, "Judgment is coming," because the Judge Himself is here pronouncing it on Ahab, on Jezebel, on Zedekiah, on the kings of the Earth; pronouncing that judgment. It's coming because His Kingdom is being ushered in. Solomon and his subjects are coming. Adonijah knows his time is short. Amen. He has to run for his life. Amen. Brother, what an Hour it is that we are living in.

And the Holy Spirit is just letting us see these things that we will not be caught in the Hour of temptation. Watch how these things come. The Hour of temptation is come. Many will be caught in it. It will take every name that is not in the Lamb's Book of Life. And right in there He shows us what comes in the Hour of temptation – Adonijah and his subjects are worshiped as God. Amen. But He said, "Don't be blinded like that because another King is coming into power also." We shall see the King. He is coming in power. We will reign in this blessed Hour with Him.

And right here this morning I want to deal with those things, the depths of Satan, where the world has been sucked in and people who once protested the Jezebel system has become part of the Jezebel system again. All the Protestant churches are being swept back into Catholicism to give their power unto the Beast because the image is like unto the Beast. I will speak with the voice of the dragon.

So do you see what is happening? It's the same thing coming back. Remember that system, what those people belong to, had once protested that thing. And we know in the Message, people who once stood for the Message do not even follow the Message anymore. And we know angels, who once belonged to Michael, don't even worship Michael anymore. So that is not strange if you make a stand for a thing in one season and you go away in a next season. That is normal all through the Bible. Adam and Eve had no sin at one time, but then they were deceived by the Serpent and the whole

kingdom fell. It's all through the Bible. So that is why we have to search ourselves.

If we say right now, "You are serving God, but will you stay all the way? Will you be true?"

"We will be true to Thee till death."

You would even have to shed your blood. How much more miss a meal? How much more get sacked from your job? We talk about being ready to shed your blood. Do you see the Hour that we are living in? Do you see the challenge?

Let's bow our heads and close our eyes for a word of prayer. I have a prayer request here I would like to pray for it also. Bro. Selwyn Alexander would like a prayer to be offered on a handkerchief on behalf of his mother. She is travelling to go back to the States. He has been praying for her and he just wants prayer offered on behalf of her this morning.

Oh gracious God, our God, the only wise God, the King Eternal, be honor and glory forever and ever this morning. There is none other besides Thee. Every other God is a false God. Every other worship is a false worship. Every other church is a false church. There is one Lord, there is one faith and there is one baptism. How we thank You for the Divine revelation You have spoken to us in this Day through the mouth of Your Prophet whom You have sent into the Earth to turn the hearts of the children back to the faith of the fathers.

We stand here as prisoners desiring to be bound a little tighter in those chains of the words of that Message today that this is the Hour; this is the climax time. Both kingdoms are coming to their head. Both vines have come to their maturity. This is a climax Age. Life and death are coming to their final struggle. Michael and Lucifer again on the battlegrounds and the battle is being fought in the mind, in the mind Age. Oh God, may we keep our estate! May we not become fallen stars! May we be stars in Your crown! As You say, "No man could pluck them out of My hand." May it be

revealed to us we are in Your hand like the Book is in Your hand because we are that living Book; like those Seven Stars are in Your hand. Hallelujah! May it be revealed to us that we are in Your hand!

Glory and praise be unto our God! You spoke to my heart this week, down through these past few days. The thoughts are being revealed out into a message that is upon my heart to bring and speak to Your people today. It is so necessary that the church be brought into a realm of Divine revelation where they could have spiritual discernment and the Word, could be clear before them, that the light that You have sent forth will shine in their path unto a perfect day, unto a perfect Kingdom. You give them an overcoming faith for this Hour. I'm trusting and believing that You will grant that for us this morning through the message. Give us the ability to concentrate. Help me and keep me under the control of Your Holy Spirit. I acknowledge Your grace. May I not see myself! May the people not see me! May my person not be established in their heart! May I not even think of myself more highly than how I think of my own self!

With fear and trembling I stand here this morning Father, knowing oh God that I just want to say what Your Word says. I just want to express Your already expressed thoughts in the Message, for the mind has come to the Age of the mind through the revealed Word spoken by Your Prophet. The revelation comes to one man for the Age then the Light is spread through the others who are faithfully taught and know how necessary it is to say what the Messenger has already received and said by revelation. Let it always be understood that way in this Assembly that we are only putting them in remembrance as long as we are in this tabernacle, stirring up their minds to keep pressing the battle until Jesus comes to take us out.

And Father, I pray this morning that as I lay my hands upon this handkerchief representing our Bro.

Selwyn Alexander's mother; we have been taught about a mother's love for her son and now we see a son's love for his mother, for what you have shown him he desires to see his household saved. He is conscious of the Hour and he knows like Rahab, he must apply that Token with confidence now, and he sees the influences upon her life that he sees in the Bible. They took handkerchiefs from the body of Paul and placed them upon the people and evil spirits left them and they were healed and made well.

There are all kinds of sicknesses, spiritual and physical, and Lord the apostolic faith is still living. We are not Paul, but Your Word is still the same and with the faith that we have seen these things vindicated in the ministry of Your Prophet and walking in the example, I pray the anointing of the great Holy Spirit will rest upon this cloth that as it is laid upon his mother the Spirit will begin to take effect in her life showing that she is now identified with the prayer of faith by the symbol of this handkerchief and it will become effective in her life to bring the results desired by our brother to see in his mother. Grant it Lord, Jesus. We pray this prayer of faith in the precious Name of our Lord Jesus Christ.

And we pray that You will bless Your Word to our hearts today. Bless everyone in the house of God. And if there are strangers, sinners, denominational Christians, undecided people, people halting between two opinions, lukewarm believers, may they be so shaken today to the very foundation. May the Spirit speak to them and convict their hearts! May they not see man, but may the Holy Ghost speak expressly! May it cause them to shake themselves and pinch their conscience, take inventory of their lives and take a real clean cut decision to serve You. Like Ruth said, "Where thou goest will I go. Your people shall be my people. Your God shall be my God. Where you die, will I die. Where you are buried, will I be buried!" Like Mary, "Be

it unto me, oh Lord, according to Thy Word!” May we not battle against Your Word with our reason and our imaginations, but may we find the humility to humble ourselves to thus saith the Bible, for how shall we hear without a preacher and how shall he preach except he be sent. For by the foolishness of preaching You chose to save a people of this wicked and untoward generation. So we say, “Speak Lord. Thy servants heareth.”

Have your way in this service. Get honor and glory. May we see no man save Jesus and may we worship no God save Jesus, for the Lord Jesus Christ is the blessed and only Potentate, King of Kings and Lord of Lords, to whom be honor and glory forever and ever, amen. Amen.

I invite your attention this morning—We have some dedications, some notes of praises. It’s not forgotten. They will be read at the end of the service. The dedications and whatsoever, will be taken at the end of the service. I am just trying to stay in the anointing of the message and not go into a lot of different other things and then try to find the anointing for the message, so I hope you understand by the grace of God.

1st Kings. We are going to start out with a lot of Scriptures; different places we want to refer to in the Bible. And do something for me please. If you have a little pen or something, just jot down the Scriptures. If I don’t have time to stay on one or I don’t have the time to ask you to turn your page to read, if you want me to do that I will do that for you but I may take about six hours. But if I could read some that necessarily could be read until I get the point clear and others for reference, I could refer you the places so when you go home you could search it out and God could deal with you individually on it and you could continue in the inspiration of the message in your own personal study. So may God bless every one this morning and just speak to your heart.

1st Kings 12 verse 19. We are going to begin reading. And I just want to lay a background to give you the scene that I am speaking of. You all know that America is like Israel and Israel is a type of the Bride and the Bride was called in Seven Ages and we are at the end of the Age. Is that correct? And in the beginning Israel was one kingdom. David and Solomon, great kings representing Jesus Christ, had reigned over Israel. I hope you are listening to me and not lost looking for the Scripture. And David and Solomon were kings representing Christ who reigned over Israel. That was the kingdom, the Messianic kingdom, a type of the Word, the Kingdom of the Holy Spirit, the Messianic kingdom, Messianic message, Messianic promise, Messianic manifestations; Messianic glory. And then the kingdom was divided into two kingdoms. One was called the Northern kingdom of the ten tribes of Israel and one was Judah.

But the Messianic promise was to Judah. The scepter will not depart from Judah until Shiloh comes. Out of Bethlehem Judah will come forth a Governor. Where is He born King of the Jews? The Lion of Judah hath prevailed, the Root and the Offspring of David, the Bright and Morning Star – I, Jesus. Amen. He will have the Throne of His Father David. That Messianic promise was to Judah and Judah's symbol was what? Anybody knows? The lion. And where did Judah camp? In the East. I want to give you a little background because all these are important things. And all through Judah there was... How many know Bethlehem, where the King was going to come out from, was always going to have Gentiles attached to it? Is that correct? [Congregation says, "Amen." –Ed.] Okay. So that is the little setting.

And that was the promise that unfolded down through the Bible when we trace it out. But they had that promise in Word form. And they had kings of Judah: David and Solomon, representing Christ on the

throne. And Solomon the beloved of the Lord; David, a man after God's own heart. But then the kingdom became divided and out of one nation came two tribes, two vines; two Israels. One had the Messianic promise and the next one had no Messianic promise. And they warred against each other continually. Amen. So that is the little background so you wouldn't have to—I wouldn't have to read a lot of Scriptures.

So we are coming right in here now where the kingdom now is being divided and Jeroboam was the one who is the first king over the Northern tribes when the nation was divided. Rehoboam, which is Solomon's son of Judah, was king over Judah. So Jeroboam in other words, was king over the tribes that had no Messianic promise because once they disconnected from Judah, they disconnected from the Messianic promise.

And I want to show you that idolatry was beginning to be sown right there because Jeroboam, anywhere you read it in the Bible, it is spoken of as 'the man who made Israel to sin'. And I have maybe ten, twelve places or fifteen places I could quote for you, he is mentioned all through the Bible though his name means *whose people are countless*. There is about one billion on the Earth today and then add all the Protestants inside of it too. And all in the Book of Life, whose names are not in the Lamb's Book of Life, will worship him. Do you understand what I am saying? But he is known as 'he who made Israel to sin'. How did he make people to sin and these people are countless? It's a paradox. Okay. So let's read the Scripture and get on with it.

1st Kings 12:19:

¹⁹ So Israel rebelled against the house of David unto this day.

War between those two nations there, two vines. Let me keep saying two vines so you will know it is what I am talking about.

20 And it came to pass, when all Israel heard that Jeroboam was come again...

All Israel now heard that Jeroboam was come. They were not divided yet.

...that they sent and called him unto the congregation, and made him king over all Israel...

So now they are divided.

...there was none that followed the house of David, but the tribe of Judah only.

All of them went over in the other part and they made Jeroboam their king, because they sent and called him and they made him king over all Israel.

21 And when Rehoboam was come to Jerusalem, he assembled all the house of Judah, with the tribe of Benjamin, an hundred and fourscore thousand chosen men, which were warriors, to fight against the house of Israel, to bring the kingdom again to Rehoboam the son of Solomon.

22 But the word of God came unto Shemaiah the man of God...

Hallelujah. And I want to show you that while the great kings and the kingdoms and all those things were going on, there were insignificant men coming out. The Word of God came to Shemaiah, the Word of God came to this one, the Word of God. Men, insignificant, but they had **THUS SAITH THE LORD**.

I wonder while this one is Prime Minister in Trinidad in 1988 and this one is President of Trinidad's Republic in 1988, I wonder who the Word of God is coming to. Amen. While the harlots are rising in the government and all these things, I wonder who the Word of God is coming to. While the nation is swept in idolatry and is getting ready for one of the biggest idolatry in Carnival, I wonder who the Word of God is coming to.

...saying,

23 Speak unto Rehoboam, the son of Solomon, king of Judah, and unto all the house of Judah and Benjamin, and to the remnant of the people, saying,

24 Thus saith the LORD, Ye shall not go up, nor fight against your brethren the children of Israel: return every man to his house; for this thing is from me.

That false vine is going out there without any Messianic promise. God said, “It is from me. Don’t go and fight it and try to bring them back here.” They were going to fight and bring it back under one kingship. God said, “No. Let it go on as two separate things. Don’t root it up. Leave it for the last days.” Amen. He will send Jehu to root it out.

...They hearkened therefore to the word of the LORD, and returned to depart, according to the word of the LORD.

25 Then Jeroboam built Shechem in mount Ephraim, and dwelt therein; and went out from thence, and built Penuel.

26 And Jeroboam said in his heart, Now...

Notice how Adonijah—all of them spoke in their heart; this one spoke in his heart. And the Word of God always says what they have in their heart; not what they say with their lips, because that would be an impression that they are trying to impress people with many times but they are saying something else in their heart. But the Word always says what they are saying in their heart. “Not all that say, ‘Lord, Lord,’ because in their heart they don’t worship Me.” See? Now watch.

26 And Jeroboam said in his heart, Now shall the kingdom return to the house of David:

It sounds like an insecure man, isn’t that so? He is going to lose his influence. The people were going to go back to what he got them away from. He was going to lose his little kingdom.

27 If this people go up to do sacrifice in the house of the LORD at Jerusalem...

And Moses, the prophet had laid out all of that in the Word – when they used go up in Jerusalem into the house of the Lord where the temple is built there to worship and these things.

...then shall the heart of this people turn again unto their lord, even unto Rehoboam king of Judah, and they shall kill me, and go again to Rehoboam king of Judah.

28 Whereupon the king took counsel, and made two calves of gold...

Who is the first person that comes to your mind when you think about a golden calf? Korah. They perished in the gainsaying of Korah. Was that in the first Age? Jude says, “These have perished in the gainsaying of Korah.” There were men right there. Okay. A golden calf scheme. Watch it there.

...and said unto them, It is too much for you to go up to Jerusalem: behold thy gods, O Israel, which brought thee up out of the land of Egypt.

In other words, it's this you came out of denomination for? Is this brought you out of denomination?

29 And he set the one in Bethel...

Where is Bethel? What does Bethel mean? Where was the golden calf scheme? In the house of God.

...and the other (he put where?) ...in Dan.

Do you know what Dan is? Dan is the Eagle. Do you know that?

30 And this thing became a sin: for the people went to worship...

And it always comes by what? Worship. What did Satan jealous God for? [Congregation says, “Worship.” – Ed.] What is it going to end up in the world as in the last days? To be worshiped as God. Worship. One word contrary is devil worship. Do you know that?

And I want all the young people inside of here to listen to me really, really good this morning as your Pastor, because one day, if you don't listen to this Word, I will stand before you and I will have to say you were there. The voice of many waters will foam out in shame and in judgment, because when we are finished with this now, I want you to see the penalty for bringing idolatry into Israel.

And if some of you want to bring your little worldliness inside the house of God here, I just want to show you in the Mirror of the Word, take a good look at yourself and see when you want to bring in your worldly fashion, your worldly dress and your worldly talk and your worldly influences so you can look a little more glorified than some of the other people, and then you loose a kind of free spirit of liberty that if you do it they can do it too, and disrespect the Pastor who is preaching against those things because you are rebellious, I want you to see you are challenging God if you don't know it. And I want you to see how God is going to deal with those things if you don't know it. Nobody challenges God and win, you know. Nobody has ever won challenging God, you know. It's only the man of sin who exalted himself above the Word of God sitting in the temple. Don't let him be in this temple sitting inside of there. On the throne using intellectual knowledge and your own reasoning powers and your own logic, you exalt yourself above the Word of God. No, sir.

³⁰ And this thing became a sin: for the people went to worship before the one, even unto Dan.

³¹ And he made an house of high places, and made priests of the lowest of the people...

Moses told them if a man has a blemish, he doesn't have any right here. If he has a crooked

nose, a flat nose, he has no right here. If he has a 'broko foot' [broken, crippled or deformed -Ed.], he can't walk straight, he has no right here. If he has leprosy, he has no right here. You must be separated, from the tribe of Levi, and consecrated for these things. But when he begins to set up his false worship, placed ministers came in, apostolic succession, placed ministers; brought his own priesthood and he is giving them his own doctrine to preach; subjecting the people to a corrupt form of worship.

Do you see it right here already? Nicolaitanism, Balaamism and all these things, look it's right here already. Because he said in his heart. He was a political clergy, corrupt clergy, seeking political power trying to conquer the laity and subject them to a corrupt form of worship. Is that the first Age? I'm going to prove these things to you by the Bible and you'll realize God is dealing with this church in a way from the time this year broke here. Directly God is bringing those messages - THUS SAITH THE LORD; thus saith the Bible.

When we sat down here back there last year and we thought about what else could preach, look at the Holy Spirit moving inside of here with these things. You watch and see. He made some of the lowest of people priests. Men were invading the pulpit without a calling, making themselves fishers of men, self-styled men; holding the ignorant in foodless pastures, right here.

...which were not of the sons of Levi.

³² And Jeroboam ordained a feast in the eighth month...

He set up an annual convention.

...on the fifteenth day of the month, like unto the feast that is in Judah...

But Judah's feast had come from the prophet, Moses. He gave them all the feasts that Israel had - seven feasts. And those were feasts of prophecy. Always believe Christ in His Church.

...and he offered upon the altar.

He made himself the high priest over all the other priests – priest and king. Who is that? Church and State, united them together. Watch it right there.

...So did he in Bethel, sacrificing unto the calves that he had made...

The mystery of iniquity was already at work right here.

...and he placed in Bethel the priests of the high places...

In the house of God he placed them.

...which he had made.

³³ So he offered upon the altar which he had made in Bethel the fifteenth day of the eighth month, even in the month which he had devised of his own heart; and ordained a feast unto the children of Israel: and he offered upon the altar, and burnt incense.

[1st Kings 13:1 Ed.]

¹ And, behold, there came a man of God out of Judah by the word of the LORD unto Bethel...

The house of God.

...and Jeroboam stood by the altar to burn incense.

² And he cried against the altar...

That is the man from Judah.

...cried against the altar in the word of the LORD, and said, O altar, altar, thus saith the LORD; Behold, a child shall be born unto the house of David, Josiah...

And do you know what Josiah means? God's gift. God so loved the world, He gave His only begotten Son. A man was going to raise up and destroy all those things. A king was going to come out of Judah, who was going to be God's gift to root out that thing that started in that first Age. When that white horse rider went forth, isn't there a King coming on another White

Horse, rooting out what started there – Revelation 19? Listen carefully now.

...and upon thee shall he offer the priests of the high places...

He'll throw them in the same fire, that high priest, that false prophet, that Beast, false king and false priest, amen; triple crown. You know what I'm talking about.

...that burn incense upon thee, and men's bones shall be burnt upon thee.

³ And he gave a sign the same day, saying, This is the sign which the LORD hath spoken; Behold, the altar shall be [torn down], and the ashes that are upon it shall be poured out.

⁴ And it came to pass, when king Jeroboam heard the saying of the man of God...

That religious disturbance that that man was causing under that First Seal, that Lion (amen) with boldness to speak against that false worship in the house of God, that golden calf scheme; that gainsaying of Korah.

...that he put forth his hand from the altar, saying, Lay hold on him.

Already wants to bring violence because they hated that true Word that was exposing them.

...And his hand, which he put forth against him, dried up so he could not pull it in again...

⁵ The altar also was [torn down], and the ashes poured out from the altar, according to the sign which the man of God had given by the word of the LORD.

Amen. May the Lord add His blessings to the reading of His Word! You may have your seats.

“THE DEPTHS OF SATAN FROM JEROBOAM TO JEZEBEL,” and **“Christianity Versus Idolatry.”** And I want to show you Christianity, the true vine who has

the Messianic promise, going to bring forth King of Kings and Lord of Lords. They're going to crown Him and reign with Him – the Lion of Judah Himself. But idolatry is the false vine who's going to end up in the last days worshiping the Beast. They belong to Lucifer and his kingdom. They'll be Lucifer's bride – Hell, who had followed Death, when Lucifer had come to be enthroned as God in his Eden to be worshiped as God, because he had those five 'I wills' in Heaven. Amen?

That has been a lineage that started from Heaven when Lucifer pulled down one-third of the stars with his tale because he wanted to be worshiped. He came down, he injected himself, (in Genesis,) into the human race and the tares were sown and they came right down to the end in the last days that it all ends up in the Beast's system, devils incarnate in flesh, Lucifer incarnate in flesh, all on the Earth. But we see in Revelation 19, there is one coming to reign with the Lion of Judah, King of Kings and Lord of Lords. Hallelujah! And they also always stayed with Michael, Whom they belong to, and they will not believe Lucifer's lie. And they came down through the Ages looking for the Redeemer to come to establish His Kingdom on the Earth so, "Thy will could be done on Earth as it is in Heaven." Amen!

And we see in the last days, at the end of the six thousand years, that Kingdom – "Thy Kingdom come," is coming in power from negative to positive. Amen? When you see the Son of Man come in a Cloud with power and great glory, you know your redemption draweth nigh; the Kingdom of God is at hand. Amen.

So what is happening—just settle in. In the last message, *The Blessed And Only Potentate*, we saw that false king uniting church and State power, his priest and military and all these things, to be enthroned as God, but a Prophet was revealing the Mystery to the Bride and uncovering his scheme. Amen. And we find

out when he sits there it's because he is controlling fully the economics of the world because he has the money tied up. And with the crash of Wall Street we see how he is causing chaos in the financial system at this present time. He is causing short circuits and blackouts and causing the system to fail and be jolted (amen,) so the repairman will have to come in. Amen. And when the repairman comes in, he comes and just repairs everything to suit himself. Amen.

So watch what was happening now. So right inside of there, that is where the world is going to be trapped to come out no more. Do you know that? The world is being trapped now to come out no more! After this Elijah's calling out, when the Son of Man was put out of the church, calling Her out under the Seven Seals, out of Laodicea, after his Message, there is no more calling out for the Gentiles, because the Gentiles' time will be finished under this Message! So once you miss this Message and you get trapped in the system you are doomed eternally! Doomed eternally, right now in this Hour.

That is why it is so important to hear the Word of the Lord and pray. Don't argue. Pray for revelation if you don't understand, that God shows you what is happening; to see the lateness of the Hour and the urgency of the Message, and then you'll appreciate people speaking the Word with conviction and boldness, and letting the Word be resounded in the Earth in this Hour. Because the doomed people will be the people who have a job, a house and be able to live comfortably because they belong to the Beast's system. And the outcast into the Earth that can't buy or sell, eat or drink or anything because they rejected that system, they will be the real ones.

And if in that Hour you're trying to compare people socially, materially (amen!) and you think prosperity is blessing, you will be saying, "Gain is godliness." [1st Timothy 6:5 -Ed.] You will be deceived right there. You

will be caught in the snare. The pressure that the devil is using at this present time on the Age is a pressure to threaten your material security, your financial security, your social security. It's that kind of pressure. He is working through the systems and manipulating the machinery of the political and ecclesiastical systems and the economic systems to pressurize you with recessions and devaluations and inflations to breed a fear and an insecurity inside of you.

And God has Holy Ghost filled Ministers, with the revelation of the Seven Seals to spray you with the repellent (hallelujah!) of the Word of God to put faith in your heart (amen!) to look at your bread with the eyes that Jesus looked at the five loaves with; to look into your barrel of meal with the faith that the widow looked into her barrel of meal with. It didn't matter how much meal was in the barrel, it mattered how much faith was in the woman's heart. What's going to matter is not the fridge stocked up, if the cupboard is filled but what's going to matter is if the faith is in your heart; if you have sacrificed everything to the Word of Elijah.

While they were seeing the treasury empty and two hundred pence can't buy food for all the people, and feel depressed and thought they had a problem, Jesus looked at those five loaves and saw every man carrying home a doggy bag. Hallelujah! Same bread, but the eyes were watching through different hearts, and your eyes see through your heart.

So he is a bringing a pressure upon the world in this Hour by manipulating the economic system. In other words, that is the big dragon. That is the taunter to intimidate you. And you don't want to be run over on this busy highway. Amen. And he's like a big steamroller coming at you, trying to corner you and bounce you and crush you into a wall, and you're trying to dodge it all how by saving here, backbiting here, hold, squeezing back something here, doing this here; and he put you into that atmosphere and when you get there

you can't get any revelation because it's not the atmosphere of revelation. He has caught you dancing to his music.

That is what all this thing is all about. That is why the Holy Spirit wanted to give you the understanding of how this money proposition is coming in and bringing in the Squeeze and is presently unfolding so that you will understand the channels and the methods through which Satan is working, how he is working to put pressure on the minds of this Age. You have your own little personal mind battle by the little imps that he sends to keep you confused: little lusting demon, fashion demon, worldly demon, this demon, tired demon, sleepy demon; all these little different demons here. And while he has you fighting off all these little things, and you think you have the greatest battle in your life going on, he is pressurizing the whole Age at one time, putting big systems, big companies into receivership, throwing down here, changing governments, causing catastrophe over here – the whole Age.

And that is adding further pressure on your mind, who is already trying to live right and trying to hold your life clean, and trying to pray and trying to read the Message; that is the further pressure to crush you and finish you. But the Holy Spirit already knew the tactics he will be using, so the Holy Spirit comes down through the ministry of the Prophet, and by the opening of the Seven Seals uncovered the scheme of the enemy. So the Message came for preparation. What for? A full scale attack of the forces of darkness, principalities and powers being united like a dark cloud is coming against the Bride. But the Messenger came and said, "Prepare yourself little Bride. Enter the secret place. Feed on the Hidden Food. Be nourished up in Words of faith – spiritual Vitamins, that when the Squeeze comes you will be ready. Watch the Third Pull then." Amen! Aim

for preparation. That is where we have to be in a certain atmosphere.

And Ministers seeing that the people who have been called by the Message still have not gotten the Holy Ghost, but are called by the Message. They are called but didn't know they're chosen yet, because they didn't have the Seal that they are chosen. Amen. So they had to preach against those things that were keeping them back from being sealed. God had those inspectors there to find where was rattling. And people, because they didn't have the Holy Ghost and they were being condemned by the Word, the normal thing for the human nature to do without the Holy Ghost, is to defend yourself and fight back. So they found themselves defending themselves against the Word, fighting back at the Word because they didn't have the Holy Ghost, and God was trying to tell them, "No, humble yourselves." [Blank spot on tape -Ed.]

And people could never get revelation, could never move on with God, could never prosper, could never be blessed until they begin to humble themselves to the very Word that was condemning them and shaking the world off of them. As long as they continue to hold on to the world, God will let the devil carry them back to their sins, because the devil has a place to push them back into their sin, because God is trying to take away the place that the devil will have no place to push them back into their sin, for God knows the devil is going to get seven worse and come back. He knows that.

So He tries to wash them, Bro. Branham said, by the Water of the Word, and wash it out and get it filled. And when the Man with the scrubbing brush and the Clorox Bleach and these things comes (amen,) and begins to really scrub it out; then He sends the burners to burn the world off: "Man, this man is preaching too hard. I am going there." Who sits down there, who is getting trouble; who's going through all kinds of different things.

And then the mark of the Beast is coming up now. And all these years the harvest part has come and ended and they are not saved; while their health is going right down and nothing has recovered. They won't take the medicine. And now they find themselves entangled in the affairs of this life; caught in the snares in the Hour of temptation, in the web of Hollywood and fashions, and all these things; in idolatry, when the Sword is moving through to destroy all those things. Amen. They found themselves with their little idols: who couldn't do without their fashions, who have to have this hairstyle, who had to look like some movie star out in the world, who has to pull here; who has to get this little political image here. Amen.

The Holy Spirit came in and found all those things inside of there because people failed to recognize the Hour. They failed to understand and appreciate the working of the Holy Spirit, the Mind of Christ Who knows what God wants done with the Word; Who was sent for our salvation. They wanted God to deal with them according to their own taste and their own fancy, because they had little images to keep in the eyes of other people, and it became difficult, and that is why they are not delivered. Many are not delivered. Many don't have the Holy Spirit. They love the truths. They believe them, but their feast doesn't hold out because they're not in the place where a Holy Ghost-filled person is.

In the time of testing, in the heat of the Son, when the snares of the world, when the thorns and the things begin to choke them, when they begin to trust in uncertain riches, when they lacked moisture, what happened? They withered and died! How much will wither and die in this Hour as they are choked by the cares of the world: to have this, and to have this, and to have that, they want to have everything and everything is important to have except having the Holy Ghost;

except having total deliverance. Do you understand what I'm saying? Amen.

So I told you, I said it's fourteen years I waited for this time. I read where the Prophet said it. I'm going to read the quote for you this morning so you'll know where to find it. Fourteen years I've waited for it. I said, you know, when the Holy Spirit came and gave it to me up there, there was a revelation there in the Word.

And on *The Patmos Vision* [1960-1204e -Ed.], page 109, Bro. Branham said: *Now notice also...*

Everybody knows *The Patmos Vision* comes from the series of *The Seven Church Ages*.

He said: *Now, notice also the days of Elijah...*

This is page 109, paragraph 195.

...when they had rejected Elijah as prophet...

And then he paused and then said: *...that little thread of the ancient church age.* [Bro. Vin repeats: *...that little thread of the ancient church age.*]

He said: *One of these days I'll bring up and show you Israel had seven church ages too, and typed exactly with these.*

Types exactly with these. Because Israel had a Jezebel. Is that correct? Israel had an Elijah. Is that correct? And they were united. Israel had a Micaiah and a seven thousand who didn't bow down, all these things. Alright. We have that too. Because we have an Elijah in the New Testament; we have a Jezebel in the New Testament. We have a uniting today. We have an Elijah calling us out and turning our hearts back at the Evening Sacrifice, too. Is that correct? Alright. It is all happening. And you see?

And in their church age, in the days of Elijah, they refused him and there's three years and six months there was no rain. [See?] And the ancient prophet said that the skies looked like brass: Divine judgment upon the nations for rejecting God and listening to Jezebel.

Why would God judge them in this Day after this Elijah? Is it because they rejected this Elijah too and

listened to Jezebel? Alright. So that is the quote, and that is why I'm using this to let you know that he said it there. And I'm bringing it out and typing it with this Age and to show you perfectly what it is. We have already seen Jeroboam, that part of the first Age there already, which is right there when the Lion went forth in Judah to combat that false spirit there.

So my subject here as I said is, **The Depths Of Satan From Jeroboam To Jezebel**. I am taking Jeroboam from where idolatry started, (that Nicolaitane spirit bringing that false worship and subjecting the people to a corrupt form of worship,) until Jezebel united the power, church and State. And in those days idolatry progressed in a deadly fashion. Because in this Day, after Jezebel comes in and was united with the State, Jezebel continues until the end, and when He comes back to reign, He destroys that Jezebel system. Is that correct? But Jezebel comes in the Fourth Age, that woman Jezebel, *Thyatira – dominant female*. But that Jezebel system had come in there when pagan Rome became papal Rome in Pergamos – church and State were married – hybrid religion. *Pergamos means married*.

Paganism was interbreeding into Christianity (amen,) and then the Church with the power to say kill them out. I'm just laying a little background here. And that system is what is still here today because she has been having daughters, daughters, daughters, daughters, daughters – Athaliah and different ones. And the Prophet said, "Watch, all her daughters got married to Jehoshaphat's son; kept hybridizing them. And Athaliah did the same thing – killed out all of the seed (amen) so she could take the throne, all coming down. But in the end God had raised up an Elijah (amen) to put judgment upon that very woman.

So this is what I am looking at: from Jeroboam to Jezebel, because Jezebel is the climaxing of that thing there. There was none like Jezebel, who destroyed the

prophets of God; got drunk with their blood and all these things that when God had to type back the system, He used Jezebel of the Old Testament and said, "You have that woman Jezebel there among you."

So, I want to lay in, as we begin to build on the message, what the depth of Satan is so that you will know exactly what we're getting at. Let's turn our Bibles a little bit to the Book of Revelation. I'm going to come back to Kings, because I have a lot there in Kings to really build on, but I want to lay some of the New Testament in also, so we could parallel the two as we keep moving on.

Revelation 2, which is the first Age, we're going to take from the third verse, because you are familiar with many of the other things. The first verse was Him revealing Himself to the messenger of the Age as the One Who has the Seven Stars in His right hand. Then He is commending the Church, you know, about their labor and their faithfulness, and how they can't bear them who say they are apostles and all these different things, found them liars. And then from the third verse here is what I want to get a little portion here.

³ And hast borne, and hast patience, and for my name's sake...

The Name, get the Name. That is why I read that verse – to get the Name.

...my name's sake hast laboured, and hast not fainted.

Those Ephesians had that Name.

⁴ Nevertheless I have somewhat against thee, because thou hast left thy first love.

⁵ Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of his place...

In other words, I'll take away that minister there; you'll have no light in that Age. I'll leave you in your

darkness if that is what you want (amen,) because there is no way to go in, outside of a man there reflecting the Light from the Throne to the people for them to walk in.

⁶ But this thou hast, that thou hatest the deeds of the Nicolaitanes, which I also hate.

Okay. So they had the deeds of the Nicolaitanes, which God had hated, and they had hated it too. It was right among them in the first Age. Revelation 2, verse 12. Now the second Age was from 8-11, which is Smyrna, and *Smyrna* means *bitterness*. And the false vine and the true vine were constantly at war. The false vine was trying to kill out the true vine in that Age. And God told them, "Be faithful unto death, I'll give you a crown of Life." Alright? And in there Satan had a synagogue because those Nicolaitanes were getting themselves organized. And I'm going to pick up later on in the Book of Kings, and show you where the deeds of the Nicolaitanes and where the synagogue of Satan came in, but I want to get there to when the deeds became a doctrine.

Revelation 2 verse 12:

¹² And to the angel of the church in Pergamos, write; These things saith he which hath the sharp sword with two edges;

¹³ I know thy works and where thou dwellest, even where Satan's seat is...

Let's pause there. *Pergamos* means *thoroughly married*. The church was marrying the world. Christianity married idolatry. Ahab married Jezebel, in other words. Okay. So it's getting married now. All of that, mind you now, is under the First Seal, because the white horse went forth conquering and to conquer and a crown was given to him. And he didn't receive the crown until church and State were united, and he had a triple crown. Is that correct? The deeds had become a doctrine and now they had a false prophet to the false doctrine. And in Pergamos now, when church and State were married, then the church had

the State's backing and the white horse changed to a red horse, and then out of Pergamos, in Thyatira, was a red horse riding, slaughtering the Christians. Okay. So listen here.

¹³ I know thy works, (verse 13) and where thou dwellest, even where Satan's seat is...

So Satan's seat was in Pergamos. He said but in there still:

...and thou holdest fast my name...

The true believers.

...and hast not denied my faith...

They weren't getting caught up in that idolatry.

...even in those days wherein Antipas was my faithful martyr, who was slain among you...

He didn't die of old age. He didn't die in an accident. He was slain. He was preaching too hard. He was crying out against those things. He was exposing that witchcraft and that idolatry. He was condemning those ministers in that false clergy who was looking for political power, and that world needed to silence him. They couldn't deceive him with some false revelation so they used power and they killed him; but he still wouldn't compromise. And God said, "My faithful martyr." Out of all the Ages, not even the messengers, does He mentioned a man's name - Antipas. Amen. I tell you, when the Holy Spirit gives a man a rose, He gives him a rose. Amen. He gave him the Rose of Sharon. Amen.

...my faithful martyr, who was slain among you...

I want to meet him and shake his hand and say, "God bless you, Antipas," when we cross over on the Other Side. Amen.

...where Satan dwelleth.

See Satan's throne was being moved in there now.

14 But I have a few things against thee, because thou hast there them that hold the doctrine of Balaam, who taught...

Not who prophesied. Everybody knows that Balaam prophesied – Numbers 24:17, “*There shall be a Star rise up out of Jacob.*” It was inspired of Almighty God. His prophecy was direct, on target, perfect; but his teaching was false. And in the last days, anointed ones are going to come prophesying, but you don’t have to watch their prophecy, watch their teaching.

Balaam wasn’t in Egypt. He didn’t believe in three Gods. *Balaam* means *he who destroys*. He used to live on the Euphrates River. You remember my message on *The Way Of Balaam, The Error Of Balaam And The Doctrine Of Balaam*. His king was *Balak* which means, *he who lays waste*. Amen! And these people, who Balaam stumbled were not a denomination. They were in an exodus. They were following a prophet’s message. They were called out of Egypt. They had believed in one God. And this man comes, believing in the same God, but his teaching brings them into idolatry. That sin was never, ever forgiven. Everyone was slain and killed and eternally separated from God.

Could people in the Third Exodus, following a Prophet’s Message, come out of Egypt, follow false teaching and get into idolatry? That’s my question to you. Is the first exodus a type of this Exodus? Is the doctrine of Balaam still here? What is it? Jannes and Jambres, who withstood Moses, were Egyptians, while Moses’ ministry was in Egypt. But Balaam was while Israel was following the prophet’s message to the prophesied promise, led by the Pillar of Fire, and began to take a man’s teaching above the prophet’s message, and led into idolatry. God help me to nail this thing down here this morning that you know what is Truth inside of here.

I am going to show you it happened there. It happened in the last days and I am going to show you

it happened back in Israel for three places that churches in the Old Testament, under this one here, that spirit goes right through and how it ends up into Jezebel, because we are bringing the depth of Satan and I want to show you what the depth of Satan is.

...hold the doctrine of Balaam, who taught (his teaching) Balac to cast a stumblingblock...

And remember when I took that word, that *stumblingblock* had meant a *snare*, a *trap* in the teaching; trapped their minds, hold them in a certain realm, and where they will be caught up in a false worship, and man's person will be glorified. They will be eating things sacrificed to idols.

...before the children of Israel, to eat things sacrificed unto idols, and to commit fornication.

¹⁵ So hast thou also them that hold the doctrine of the Nicolaitanes, which thing I hate.

These weren't so far advanced as the other group in unbelief yet. They already had them in a corrupt form of worship, but these had them bound and subjected to them and made themselves the mediator between God and the people. Do you understand what I'm saying? And God watched those two spirits in those men there working in the framework of the true Message.

¹⁶ Repent; or else I will come unto thee quickly, and will fight against them with the sword of my mouth.

Anytime God sees Balaamism, anytime God sees Nicolaitanism, God fights against it with the Spirit of His mouth, because God hates it. And as long as it doesn't die, it is going to exist somewhere and in some form. And wherever it is, God comes against it and fights it. We had our experiences in the beginning and we fought it too. We fought with beasts at Ephesus (amen!) when we saw those things coming in.

17 He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the hidden manna...

They are going to get special revelation.

...and will give him a white stone, and in the stone a new name...

You are going to get new name revelations too.

...which no man knoweth saving he that receiveth it.

18 And unto the angel of the church in Thyatira write; These things...

Notice we are going to four Ages here. This is the fourth Age now. *Thyatira* means what? *Dominant female*. After Christianity and idolatry are married, Ahab and Jezebel, paganism and Christianity were married, then that woman became the dominant female. After Jezebel married to Ahab, then she was controlling the White House, everything: writing letters in his name, seal it with his own seal, doing what she wants; bewitching the nations with her sorceries, becoming drunk with the blood of God's prophets! She killed out all the prophets.

And so today spiritually, she killed them out: all the blackmail, extortion. She trapped them in fornication, idolatry. She bought them out with money, everything. She killed them out too. And the only one they couldn't buy out, they couldn't kill, was Elijah. Hallelujah! Glory! While Jezebel was giving them money and diplomas and certificates and businesses, (hallelujah!) the Angel was giving Malachi 4, "I give you power to bind the mamba in a knot. You have the King's Sword." Hallelujah! While they are running to build their organization, he said, "I am tired tramping on this mountain. I am heading down to Jordan." Hallelujah! And the Angel said, "I'm leaving there. You leave there too and I will meet you in that place. I will meet you in that Name that you dreamt the other night and you will

have a ministry that they can't impersonate." Amen! Hallelujah! Glory! "And I am going to gather all My Elect under your Message in that same place." Glory! "And I'll ride this trail one more time."

How many of you know that to be the truth? Amen! Yes, sir! I know you know it is the Holy Spirit. You could feel it. It is coming. Amen! He put it inside of there, the Word. You see how powerful that Word is.

¹⁸ And unto the angel of the church in Thyatira...

When the dominant female was in full control.
...write...

Now, I want to catch this Age. This is the Age where Rome was in full control and she ruled for almost a thousand years. But she had a religious disturbance! The Protestants, Luther caught a revelation. And right in the midst of the Catholic Church the eruption started. Hallelujah! No wonder tears came to my eyes this morning when I heard "*faith of our father living still.*" When I heard "*Our fathers chained in prisons dark,*" because, brother, I believe I have the same apostolic blood. [Song #16 - Songs That Live -Ed.] I feel that my life is the same life. I believe that is my lineage.

When I see what my fathers and my ancestors, my apostolic ancestors, (hallelujah!) when I see what they followed, what happened to them, when I see how they stood, when I see they gave up their life so this Gospel could shine, when I see one resembles the Daddy in every characteristic, full apostolic blood, revealed the system, revealed everything, why would I be subjected to that corrupt thing? Amen. I have to stand here in this Hour and preach against it. When I see them moving in to take over the world to trap God's Elect, I have to cry out and warn them, "Flee from the wrath to come. Come out of her My people and be not partakers of her plagues!" I have to preach against that thing. Hallelujah! I want to be a Micaiah, saying what Elijah

said condemning that devilish thing (amen,) in this Hour.

From the time Rome begins to—let me show you something here. The political—we will be here about ten hours, you know. The political kingdom was falling so in Pergamos they united with the church (alright!) and they got the majority of the people, because a lot of people who don't like politics, love religion. Amen! And politicians need votes for the people, the masses who like religion, to stay in power. And people like freedom of worship so they can give it to them just in a way to keep them under control; make them prosper a little better; make them feel they are giving them a better Eden: "We will give you jobs. We will give you so and so. We will give the unemployed this. We'll give you state churches to worship. We'll give you lands. We'll give you schools to educate your children." I don't want any Eden from them. God promises a real Eden. Let them kill us with recession if they want. Let them kill us without bread if they want. Amen! We are not going to take any Eden from them. They have no Eden to give anybody! He said, "Pray Thy Kingdom come! Thy will be done on Earth as it is in Heaven!"

He sent a Prophet to tell you when it is getting dark, when all that darkness is gathering together to take over the world (amen!) in this dark, blackout Hour, in this dark time, he sent a Prophet to tell you, "Good Morning! Shalom!" The Morning Star, comes out there, a ministry reflecting the power of the coming Son. Say, "Don't bother with the darkness. Something is coming so bright you wouldn't see any darkness in a little while. Hallelujah! When you get up in the morning about 4 or 5 o'clock, it is the darkest time just before dawn, and you see that Morning Star looking so bright in the skies, it's very notable (amen,) and you think, "Oh God! I thought it was going to break day, but look how dark it got." All the darkness is to one side and you begin to get scared now that if the day continues like this.

But that Morning Star says, “Why do you think I am so bright? Amen! What do you think could speak squirrels into existence, raise the dead eight times; seven truckloads of wheelchairs? What do you think I am so bright for? Because I am here to say the Son is coming. Hallelujah! You wouldn’t see one bit of darkness in a little while. Amen! When the Son comes, the Son of David, King of Kings and Lord of Lords, brother, everything, all darkness has to move back. Hallelujah! All darkness has to move back. Glory! I feel the Power of the Holy Spirit in that. Amen. Now watch!

So he is telling them:

19 I know thy works, and charity, and service...

Jezebel, dominant female, was taking over everything, but here those Christians had to have works, what God required of them, the first work: “Do this, do that. Those things are the fundamental things, the ABC’s: live right, talk right, dress right, come to church on time, do this, amen; stand for the Word; don’t compromise.” Under that pressure many of those Christians had Roman bosses in the fields as farmers, all kinds of things different things. Amen! And when Rome started to take over they only wanted people who belonged to the Roman Catholic Church to be in power. And they would threaten you with job security back in the Dark Ages when Rome was dominating and everything. And Rome began to lose its hold because when they got political power and State and church united in Pergamos, then they could control for almost a thousand years.

But then they began to lose the religious power now. We’re in the Protestant Age and we had nine hundred and something protestant religions. Amen. But the Catholic Church said, “We’re defeated again. Boy, it is better if we give up.” No! From the time they fled for freedom of religion, they followed them. Amen. And by

today all nine hundred and something units in the Protestant Army have fallen and have come right back to Rome again. Amen!

From 1520 when Luther started; 606 to 1520, almost nine hundred and five years, Rome was dominating the Earth; almost a Millennium. Amen! Then from 1520 to 1988 (amen!) that is about four hundred and sixty-eight years if my mathematics is correct; four hundred and sixty-eight years. Then look what is happening inside of there. It took Rome that time to catch them back. It had spread into the entire Earth in those 400 years because they invented the printing press. They began to print back Bibles. Luther translated it; put it back in the hands of the laity. Wesley in the missionary Age carried it around the world! Amen! And it looked as if, brother, they were going to make every Catholic almost, Protestants in a while.

But that mastermind, Rome, she had a secret passage to cut them off. And she just came right around them in another fair disguise, because during that time while they were busy destroying the world, instead of her fighting them, she raised up communism, because she can't be loosed as Pagan Rome anymore; because she is bound by Christian principles. So she has to raise up dictators. She raised up Fascism. Is that correct? Mussolini. She raised up Nazism, Hitler, to give their strength and power to the Beast in the two wars, and it's going to be swallowed up where? In communism. And it will all be controlled again by Catholicism. So do you see what she did? And she allowed—while the Protestants were spreading, she was spreading communism.

So then finally she is telling them now, "I need you. We'll both lose out in this battle. It is better if we unite together and fight off this evil anti-God system. I mean, you don't agree with me and I don't agree with you, but after all, who is more evil? We are sitting talking about God. Look at them, they don't even know God."

And the Protestant says, “You have a point. Okay, back to back now.”

And that is exactly what she wants. See! Right there that is exactly what she wants. She has them back in again. And while she was raising communism, she was pulling the money of the world. So right now, what she is doing right now, she is causing chaos in the financial scene, intimidating them with a global recession; displaying her economic strength and intimidating them. Flexing her muscles, in other words, her economic muscles and intimidating them, and asking them, “Do you want some war?” Amen! She said, “I have a billion people and I own all this here. Let us start to fight here now. And all of what you own we have shares in it, and greater shares. And all the people are in position to pass the laws we want because we put them in there by our votes.” Do you understand what I’m saying?

And to the man who doesn’t have any revelation, they see man—they see the vehicles, but they don’t see the driver. The Prophet said we are in the Age of the bubble-top car, controlled by radar. Amen! High science! So they drive it from a control room. I could only say it in the language I have. That is the language I have. Amen! But I see what I am talking about from the Bible. You will get Bro. Wendell here again to give you some more of the historical thoughts. But I can only tell you in the language I have that God gave me when I see it in the Bible here. You see! Now watch.

So she is going to bring them back (right here that woman Jezebel) to another Thyatira Age, because Thyatira was her best Age. That was the height of her spiritual kingdom – Thyatira. She dominated all these things for almost a thousand years. And when she united church and State, Ahab and Jezebel again, so she could kill out all the prophets again like in the Dark Ages, when the red horse rider rides, another prosecution like in Pagan Rome, then everybody, the

whole world will have to worship the Beast according to the doctrine of Jezebel.

So these ages haven't passed and gone. That is when a particular spirit manifested in an era of time when they had supreme control. And here they're coming back to take over full control again to manifest another era just like that era. That is what is happening. But before it happens this time, instead of us going through another Ox Age, the elected ones will have an Eagle Age, because we already had an Ox Age. But the foolish virgins will have an Ox Age. They will all have to die in the Tribulation and give their life for it. But we, we wouldn't have to die and give our lives this time for it. No, sir! We had an Ox Age already. One and two may have to go, but that is not the whole Bride. One or two may come to that place to be shot, thrown in prison, die or something through the cause of the pressures that they bring. Amen!

So we come though the deeds of Nicolaitanes, synagogue of Satan, doctrine of Balaam, and the doctrine of the Nicolaitanes and now we are in the Thyatira Age showing how that one spirit progressed, and it got deeper and deeper until now it was Thyatira Age, the Dark Ages, dealing with the red horse rider who was riding now, where the dominant female was killing everybody with the sword who didn't agree with her.

So he said:

¹⁹ I know thy works ... and [thy] service...

Oh my! They had some powerful services like this one right there. They couldn't preach what we are seeing, but they stood there with what they knew it. Amen!

...and faith, and thy patience...

Oh my! They cried for healing both night and day, but faith was not forgotten by the Father Above. Oh my! They had to pour out their blood and go down in the ground and die. But finally somewhere along the line that nine hundred years, they began to get a revelation,

“That is our victory. Our victory in this Age is not coming out alive. Our victory in this Age is dying and sealing our testimony with our blood.” Do you understand what I am saying? So they didn’t see it as defeat when others were dying in the arena. They clapped them like when somebody sings a good special and it brings the power down.

When you see one of them walked out there and one of them say, “Recant!”

They said, “Shut your mouth, you devil.” Amen. “I will not recant. Jesus Christ alone is Lord.”

They sealed their testimony. Brother, it gave them courage. Those young girls and those young boys being humiliated inside of there, but they saw a heroic faith going down inside of there. Hallelujah! Those ministers in the catacombs preaching (amen) under lantern light, hold it there, amen; have those scrolls written in faded ink in the dark on those services there; and they are preaching the little secret signs and different things and they were blasting forth the Gospel telling them, “Fear not he who could destroy the body alone, (amen!) but fear Him who could destroy both body and soul. Though you were dead yet shall you live. Believest thou this?”

I can hear all of them under Columba saying, “Amen!” Hallelujah! Glory! Amen. I could hear some of them say, “St. Columba (amen) will the faith be destroyed? Will everything come to an end? If we all die, how could the faith be preserved? He said, “That is God’s business, my boy.” Amen! “God will take care of that.” Amen! “We have to stand and don’t compromise. That is our challenge.” Amen. “God will take care of that.”

Here it is today in its fullness. Here the Seven Seals are opened. Here the Seven Thunders are gathering the Bride from around the world! Look where we are at in this Hour. The Bride marching. The Prophet saw Her going up to glory *Onwards Christian Soldiers* proudly

displaying the Blood on their chest. Look where we are at in this Hour here. Amen. My!

They had service, love, patience. Oh Barataria, what do you have this morning? Where is your love? Where is your patience? Where is your service? Do you have it? Are you clothed in it? Is the same Lord looking down inside of here seeing it? Amen, travailing in birth and pained to be delivered. And the red dragon is coming to devour the Man child, but you've cross over into the Son and you're clothed with a crown of twelve stars. Amen! Hallelujah! You are in that place. You're going to bring forth He Who will rule the nations with a rod of iron this time. Not get caught up, amen; rule them with a rod of iron this time. We will crown Him King of Kings and Lord of Lords, because He is writing that Name in your forehead right now.

Oh my! You aren't taking sides with Adonijah. You don't want any part of that false kingdom. No, sir! What pressure? Could they make us dance to the music? Could they intimidate us with that thing, all the smoke screens; all this intellectual talk? The enemy is intellectual power anyhow! But we need Holy Ghost power! Amen! That is what we need in this Hour to put us in the Rapture – Holy Ghost Power. Amen! Glory!

He said:

*²⁰ Notwithstanding I have a few things
against thee...*

That's God! He always compliments you, but doesn't fail to tell you your sin; doesn't fail to tell you, you are wrong. Amen! Hallelujah! He said, "*I have somewhat against thee.*"

...thou sufferest that woman Jezebel...

Sow the deeds of Nicolaitanes, synagogue of Satan, doctrine of Balaam, doctrine of Nicolaitanes, and now you have the teaching of that woman Jezebel. Balaam was teaching, but look what it comes to now – the teaching of Jezebel.

...to teach and to seduce my servants...

That is who Jezebel likes to get at – get at the heads. Kill the prophets, the ones who are bringing the Word to the people. Smite the shepherd and scatter the sheep, amen; break the power of it. Amen. See!

So here it is he said:

...and to eat things sacrificed unto idols.

It's the same thing Balaam was doing when Jezebel, that Thyatiran Age was predominant, idolatry progressed in a deadly fashion. She built shrines all over. She even had Israelites teaching that Baal doctrine, making Baal worshipers out of them. But Elijah stomped that thing out. He said, "David duPlessis, you all are swinging the whole thing into Babylon, making the people eat things sacrificed unto idols; coming back and saying with the Pope you had a good time!"

The eyes of that Prophet saw the same Balaamism trying to bring us to Babylon, that corrupt form of worship that our fathers shed their blood for. You couldn't get the Prophet in that! Amen! He said, "David had the ark in the wrong channel." Oh, they are all jumping and shouting and rolling on the floor and throwing cloth on one another, all kinds of different things, but it is of the devil; it wasn't of God. Amen! Don't you ever get caught in that! Woe be unto you if you get in those things and follow those things. You recognize that out of the mouth of those prophets is coming lying spirits. They aren't saying what Elijah said.

Before it became the doctrine of Balaam, there were three things: The way of Balaam and the way of Balaam, he started to curse what God blessed. God was blessing something on the way to the promise under a prophet's message, but it had back parts. Is that correct? They were called out. They were following a prophet's message, marching to the prophesied promise under the Pillar of Fire with back parts. And the Balaam spirit wasn't looking at the blessing, it was looking at the back

parts. Amen. And to get in favor with Balak, the king, who hated them, he's trying to come against a vindicated revelation for money! The error of Balaam—the way of Balaam was making a market for his gift, loving the filthy lucre; loving... Balak would tell him, "Okay, you are the man of God for over here. You believe my doctrine. You are the man of God for over here. You are the man of God over here." Balaamism!

The error of Balaam was after he had the revealed will of God from the Pillar of Fire, he still had a desire to want something else. He sought political power. He wanted to be in the better ranking people with king Balak. He wanted to be with the celebrities. That is why I like to go down there where the Minister has a gym boots and even have a tape recorder and an old torn up Bible in Nicaragua and those places. That is why I like to be down there, rather than in some plush hotel in the States with a lot of American talk; a bunch of heathenism most of the times. Amen!

I am saying these things by the Holy Ghost this morning. It's the same Spirit bringing this Word here! The Hour is come to say these things and make it plain. I am talking about idolatry in the Message. Christianity versus idolatry! Eating thing sacrificed to idols. And I am going to get to you all with your fashions and all your worldly things you bring inside the church here just now. Wait a minute. You stay right there in your seat glued. Amen! You are going to find out if your inspiration is of God or the devil is anointing a carnal, filthy desire in your heart that should have been on the altar and burnt out by the Pillar of Fire long time. But because you wouldn't humble yourself to the Word! Amen! It's an exalted spirit that wouldn't humble itself to God's Word; that's wrestling against the counsel of God and won't submit itself trying to show your rebellion by doing different to what the Word is saying from the pulpit.

No man wants to control you, because the same man tells you to go somewhere else. Amen! And if you say you're here because the Word is here and aren't living by the Word then you have a false confession! Amen! That is why sin and all these things follow these things. A bunch of homosexuals and perversions and fornication follow these things and they try to cover up and hide! Do you think everything that worships God is God? You worship God according to the Word! And I don't care who you are, if you compromise with the Prophet's Message, it's the devil talking. God is no respecter of any man's person. Amen!

And if you want to disagree with me, as the Prophet said, let your disagreement be logical. You bring the Bible and disagree with me. Don't disagree with me with what you like and what your flesh likes and what your flesh doesn't like and what you understand in your mind. Bring your Bible and tell me I am preaching it wrong. And if you can't do that and you try to come against the Word, it's a contrary spirit, an underminer. He's a termite inside of here trying to move in and undermine what is going on. No wonder Bro. Branham told them, "Bring your Bible and stand up here now if you think you have revelation." He said, "It was the quietest bunch." Because they wouldn't talk now in your face and tell you when you say, "Bring your Bible." They'll say, "I want to see you after service. I can prove to you, you are wrong." Alright, come in the office. If you think I am wrong, meet me in the office after service. We are going to find out who is talking from God.

You say, "Why are you talking so?" I will come and fight again with the spirit of my mouth. Bro. Tony used to say, "God is a Man of war." God is a Man of war: war against sin, war against uncleanness, war against unbelief; war against all kinds of false lying spirits in the mouth of people. Amen. If you know you can't face God and the person with what you're saying about the person, then you shouldn't say anything. Don't say

anything. Be that sincere. But if you're going to say and then you can't come to face the person, then your spirit is wrong to begin with. Half of the time it's a tongue you can't control because you don't even know what you're talking about, and you don't want to stand on what you're saying. If you're called to be proven, you're not taking one foot to go in that direction.

But because you want to have influence; you want to get somebody to see like how you're seeing... Are you are a leader? Did God call you to lead somebody? Is it not the same doctrine of Jezebel inside of some woman's mouth trying to bring some false thing and deceive somebody again to follow them? God sent a vindicated ministry that brings the Word and you want to bring something to go contrary to that? Did God vindicate you? No, sir. Amen. My! That should be finished from today. We shouldn't hear any more of those things. All we should have is, "Praise the Lamb. Worthy is the Lamb. Worthy, worthy, worthy, worthy!" Amen. "To Him be honor and glory and power and might and dominion." Amen. Hallelujah. Amen.

That is where a lot of people are going to find the problem. That is where a lot of people's problem is to begin with. Jesus said, "Who is not for Me is against Me." Any kingdom that's divided can't stand. Sure. Yes, sir. We better get our thinking filtered and make our thinking come to the Message. A lot of people have exalted minds and don't even know it. When the Word of God is being preached from the Bible and the Message, they still have their own thoughts, and won't drop their thoughts when the Word is coming contrary to their thoughts. That is the identification of an exalted spirit. That is some spirit Lucifer had. [Blank spot on tape. Ed.] Amen.

21 And I gave her space to repent of her fornication; and she repented not.

Verse 21. And God said:

22 Behold, I will cast her into a bed...

And that is hell!

...and them that commit adultery with her...

And that is spiritual adultery – going contrary to the Word that was coming through the mouth of God’s servant right there, that messenger.

...into great tribulation, except they repent of their deeds.

²³ And I will kill...

What language God is using. Is that God’s language? I thought He is, “I will save.” No, He said, “I will kill” too.

²³ And I will kill her children with death; and all the churches shall know...

That is future tense. Look how God is bringing in the prophecy of Malachi 4 right here when the Word is going to come back and discern the hearts in the last days: I shall know; you will know when I begin to search the heart and the minds, when that Messenger takes the Word and uncovers that antichrist spirit and reveals it, where it comes from, until it goes back to the bottomless pit right in the lake of fire.

He said:

²³ And I will kill her children with death; and all the churches shall know (both in future tense) that I am he which searcheth ...the mind...the reins and hearts: and I will give unto every one of you according to your works.

He was laying a promise right in here, a promise for the last days when He comes to search. He said, “They will know. All the churches will know.” And every church around the world had known it. It’s on film today if they don’t know it. They see that Word searching the hearts and the minds of the people, Hebrews 4:12, in the last days before God kills them with death, the last plague in this Age, for rejecting the Prophet’s Message and not going out in the Exodus.

24 But unto you I say, and unto the rest in Thyatira, as many as have not this doctrine...

Oh my, I tell you, you better have the right doctrine now. Do you see what you could get for doctrine? God could kill you if you have the wrong doctrine. Because the wrong doctrine comes out of a mouth, and that mouth seduces God's people to eat things sacrificed to idols. When God is trying to establish the Word, people are trying to root up the Word and establish a man's person in people's heart. Exactly so! When God tells them and says, "God, the Message is correct what Elijah said," they are trying to raise up some other man and say, "This man said and this man said, and this man and this man." What does God care about some man? God has already spoken. Let every man's word be a lie.

...and which have not known the depths of Satan, as they speak; I will put upon you none other burden.

That's what I want to get to – the depths of Satan. And here Elijah brings it out here now – the depth of Satan. You're not tired, are you? [Congregation says, "No." –Ed.] Alright. Very good. Because remember I told you we have to—Praise His wonderful Name. I love that encouragement. I love that encouragement. Amen. When you have the whole Bible to preach and you're feeling the Holy Spirit upon you, you want that kind of encouragement. So when the Spirit is in the congregation and the Spirit is in the pulpit, it's good to have a good time in the Word, amen; get some faith muscles in this Hour. We aren't going to run from Jezebel. Amen. Hallelujah. Glory be to God. Amen. Okay. Let's start with some of these things now.

Page 370, *The Seven Church Ages*. [Resume Of The Ages - Church Age Book Cpt.10, para. 370-373 –Ed.]

Because human government is politics...

What is politics? Human government.

Because human government is politics pure and simple, the church became involved in politics. This involvement was welcomed by a dictator-emperor who joined church politics with state politics and by force established the false church (Satan's false religion) as the true religion.

That was where? Pergamos – married, where church and State came together. I'm in the Seven Church Ages right here on the New Testament side. I'll get in the Old Testament just now.

And through various edicts...

That is decrees, different emperors, you know, like different Prime Ministers, different Presidents who belong to a particular religious sect that might be controlling but using their State office to propagate further their religion and the causes of their religion. Then they're passing things in favor of the people – long range visions and plans. Amen?

And through various edicts by various emperors we find the false church with state power destroying the true vine even more avidly.

Amen. Hallelujah.

So he said: *Sad to say the true vine was not exactly immune to this doctrine. By that I do not mean that the true vine ever did establish the Nicolaitane ideas as a doctrine. Far from it. But that little worm of death kept sucking at the true vine...*

How did they keep sucking? This brother is coming along with this tape: "Listen this. Do this. Let us go to this place here. Let us go up here. Let us go so and so. Boy, I told you, I was there." They're trying to suck at the true vine to bring in some man's influence. Let me tell you what that is. That is the spirit of adultery. If your wife wants to bring in a next man's influence in your house where you are her head and she has to follow you, then she's going to take another man's leadership above her God-given husband, or she's either an adulteress trying to live with two husbands or

she doesn't know who her husband is. That's in plain language in the Bible here, is what it is when people...

Because let me tell you, you in your natural home won't even do that. You will put your wife in her place from that moment. She's bringing this next man's clothes for you to wear; bringing his perfume to spray yourself with, amen, and then feel justified in doing it? The man wasn't made for the woman; the woman is made for the man. This is a great mystery concerning Christ and the Church. That is why many of you this morning feel bad when you're inside some of those things. That's why you can't rejoice now. Amen. If after I destroy that you want to leave, you could leave, but I'm going to make you strong to stand on His Word here. Then you will know this is not a spirit of popularity trying to woo you and woo you and tell you no private interpretation. I have nothing to bring to you. I want to bring to you what thus saith the Prophet said, so we're going to find out if your taste in your soul is for idolatry or for the Word of the Prophet, because he revealed *the* Son of Man, the True and only God.

You say, "Why do I preach it?" Because we have a lot of idolatry inside this church. And the Holy Spirit dealt with me for over a week and gave me this message and He's anointing me to preach it in the manner I want to preach it in. A message like this, to give you it nice and sweet won't do you any good. I have to condemn that thing, show you how devilish it is, show you how deceptive it is, show you how cunning it is, and show you what kind of spirit you opened up your womb to. And if you can't sit and get corrected and you want to continue in it, it's up to you. If you can't say it is adultery and you think I'm speaking against you, bring the Bible and show me that I'm wrong.

But that little worm of death kept sucking at the true vine hoping that it might fall. Even within the true church, men whom God had called as overseers were holding

that title to mean a little more than just a local responsibility.

Men with local responsibility are men for the Age. A man is a man for his own house. You go and help your neighbor fix his fence that is falling down. You help your neighbor paint his house. You'll run some lights in your neighbor's house. But you don't go and play husband for your neighbor's wife. Amen! Amen. Man pastoring churches around the world? They want many foreign women. That was Solomon's trouble. The Bible says, "Too many foreign women." Yeah. "I see a beautiful church in Trinidad in Barataria. Whoo! But they wouldn't listen to me at all and I have the Word for the Hour." Well this woman doesn't have that spirit. Amen! "But there are some others there like me." Well that is them. They have no virtue. Yes, sir.

It was not the clear understanding of Paul that existed in the church at this time.

Let me say, what was preached under the Prophet, it was not the clear understanding of what the Prophet had – our Paul. It doesn't have that clear understanding existing in many churches today. Amen.

No matter what authority Paul had, he kept the people looking to God from Whom is all authority.

Do you think I don't see that Cloud over that pulpit there? Do you think I don't see that Pillar of Fire? Do you think I don't see that rainbow there? But I don't keep anybody looking to that. I know my position and authority. Do you think I don't know what revelation I have? But I keep looking to Whom all authority comes from. Amen! Amen. It is when they try to bring that false thing upon me and I pull out my revelation that God gave me, they realize I am not a pushover. They aren't going to walk all over me. Amen! Because Nimrod wants to conquer everybody and for them pay homage to his city. But I have one City, have a River clear as crystal flowing from the Throne, built on twelve

foundations, and have twelve gates of pearl. Hallelujah! Holy City!

I am in my own house so I could talk so. Amen. Glory. I'm home by me. I'm home by me. Amen. I am not begging a lodging here. Nobody took me in here. This is my house. This is my Father's house. He put me in charge here by the Holy Ghost. Amen. That is why little children here see the Pillar of Fire up here and big people see a man. Yeah! Big people see a man. Little children see the Pillar of Fire. Say, "Daddy, daddy, look the Pillar of Fire all there daddy. I see It moving."

But the clergy was always looking to Divine Leadership PLUS HUMAN, and thus in giving honor where honor was not due, we find that the true church was spotted with humanism.

Many of them from Fran Street and I grew up in this Church Age book. This is where we started – two spirits in the framework of the church; still preaching today.

With Nicolaitanism established...

Get it now. When I get to Kings—I'm saying this so when I get to Kings you will know I'm not bringing my own thoughts. I'm bringing it from Jeroboam to Jezebel; and I read up to Jezebel in the Thyatira Age. So I'm coming back here now with the Nicolaitanism, Balaamism, and the doctrine of Jezebel which is the depths of Satan. That is what I'm bringing to you. The depths of Satan from Jeroboam to Jezebel – how God fights against him with the sword from His mouth. Keep in the line. We haven't deviated one iota from the Word since we started, you know. We're just pausing a little bit to scrub out certain things with the Bleach; using the Clorox this morning.

But the clergy was always looking to ... humanism. [He said:] With Nicolaitanism established [when the laity was conquered]--apostolic succession

Do you know what is that? He began to bring in placed ministers (yeah) without a calling; with any kind of life. Is that what Jeroboam was doing? Yes. To

secure their kingdom! To secure their kingdom. Who they could manipulate and control, they let them take the place. Not who is gifted and sent by God, not who may have a revelation clearer; not who may have a revelation to correct the wrong. Amen. I always say its no nice, sweetie messages to be preached. The day Bro. Rojas gets over sweet inside of here. Amen. When he preaches, I'm listening. And when he is preaching he has to preach by the Holy Spirit and rebuke sin where sin is, and condemn wrong where wrong is. And he is that kind of person. Let me tell you, he is that kind of person. He is not any pushover either. He is quiet, but he isn't any pushover.

...pastors voted in...

After placed ministers, they had pastors voted in; popular choice. I like that brother how he dresses. I like that brother; he makes plenty of jokes. I like that brother; he comes [visits -Ed.] by me plenty so he has my vote. Not the Word, you know. And you don't vote in a minister. You vote in a deacon or a trustee. That is what man puts in the church. A gift is predestinated from God and God gifts find their places, always. My, my, my, my. Thank You, Jesus.

I'm not trying to hurt you willfully. Don't feel I'm trying to hurt you willfully. Don't feel I'm taking the Word and using It in a way to condemn you. If you're wrong, be humble and take it. To keep this church clean and see the promise that the Prophet promised happen in this church is why I'm preaching the way I'm preaching. I want to see a church where sin can't stand anywhere; the Holy Ghost will call it out. That is what I'm looking for and I'm preaching hard because I know some of those things exist inside of here. And I'm not preaching hard by my own might. I feel the Holy Spirit gave me the language, anointing me to burst that thing this morning; break it up and drive it out!

With Nicolaitanism established--apostolic succession...

And you learn these things and know it because whenever it happens anywhere, you will be able to spot the operation of it. And whether it's in flesh you like or flesh you don't like, you don't change it if it's so. I will show you it is Solomon who made Jeroboam a big superintendent. The boy was energetic, enthusiastic for the work of the Lord; all these things. It was the prophet Ahijah who prophesied over him and told him, "I'll give you the kingdom." God, speaking through the prophet, "I'll give you the kingdom if you obey My Word." But he couldn't stay with all the Word, but yet it was spoken to him. But he was going to prove himself dishonorable of that promise because he had to prove himself worthy of the promise and he failed. You see?

When insecurity came—If God through the prophet says it is yours, why do you fear the people leave you and go with somebody else? Why are you using your power to bind the people and different things? If God gave you a wife, every time she goes to the grocery, do you have to go? Every time she goes to the market, do you have to go? Every time she goes to the laundry to drop some clothes, do you have to go too? Are you afraid somebody takes your wife or your wife runs away with somebody else? Something is wrong with that marriage.

If she runs away, she was never your wife in the first place because she will know, "Till death do us part." Amen! She will not watch whose muscles is bigger, who could wear a sleeveless and who can't wear a sleeveless, who lifts weights and who doesn't lift weights, whose belly is big and whose belly isn't big; she isn't watching that. She knows headship: "God gave me headship to govern me. God gave me headship to lead me. God gave me headship to direct my life because without headship I can't go anywhere." So she respects headship from God, because the devil has big muscles too. The devil puts them in sleeveless, but it's the wrong headship

With Nicolaitanism established... [now, he said: the] only ... step for the false churches...

Hear it. After they had conquered the laity, after he set up his own worship in Dan and Bethel, bring up his own ministers, make his annual feast, because of insecurity that they got caught up in Judah's business, that they go back to the word of the prophet, the next step ... to the 'depth of Satan' was now in full progress.

They proceeded to Balaamism. Let's see what that is now.

This second step was the doctrine of Balaam, (described in Revelation 2:14) wherein Balaam taught Balak...

Taught, okay. Teaching. "They lost the important truths of Godhead at that convention," the Prophet said. When I preached my message back there, I said, "They are losing the important teachings on the baptism of the Holy Ghost and all these things when they go to those conventions. And they come back, who is sealed, and who is not sealed, and who is this, and who is not that, and who has no Holy Ghost, and who has this, and who has the other; and it's one arrogant devilish spirit that's far from the Word trying to rely on sensation and points you and establishes a man in your heart.

I'm not talking about a person. I'm talking about a spirit and it's not one person that spirit is in; that spirit is in many men. And wherever it is in the ranks of the Message and denomination, I'm preaching against it this morning. So don't hold me in your carnal mind and think I'm carnal like you and you are trying to pull me in some carnality and think I hate some man or the other. Could I hate some man and God gave me revelation like this? Amen. Have you ever heard me preach hate in this church here? But I tell you in many places where my name is called, people call me a devil. I could tell you many places. I could tell you many places right away. Do you think I don't know it? I know it. Do I react? No sir, I don't react. Leave that to God.

That's God's business. Shimei will get his time when the time comes. Let him do what he wants. I just want to get myself lined up with Solomon (amen) when He comes in His Kingdom. Amen.

The second step was the doctrine of Balaam ... wherein Balaam taught Balak to stumble the children of Israel by a 'united meeting.' There the guests would do two more things contrary to the Word of God. You will recall that Balak needed help to [secure] his kingdom. He called on the most dominant spiritual figure of his day...

A lot of people in this Message going forth here undenominational—Have you ever heard me preach a man in the States to you here? Have you ever seen me bring any personality and tell you, that's it? Do you know why I never have to do that? Because God sent the Word to me. And you know it didn't come from the States; it didn't come from any place. You know God revealed it right here among you for all these years. And hear now.

And many people threatened that there was a time in this island right here, many people used to come together, though they don't agree with the same thing, to fight this. Do you know why? Because they can't hold their people together. Nobody tried to pull their people from them, but they can't hold their people together. And what's the first thing they do? They try to get spiritual figures, dominant church, to come and preach now to contradict your word that the people will get confused and compare you and say, "Well you are from Trinidad. You can't preach like the people from the States." But only carnal people think so. Because when you have the Holy Ghost, you don't look at man. You look at the Word.

There the guests would do two more things [in a united meeting. So when Balak called on Balaam, the most spiritual figure:] Balaam gave the advice that trapped and destroyed Israel.

“Leave that church, bunch of devils; leave that church. Don’t believe that. Leave that church.” Giving the advice that’s trapping many people, trying to curse what God was blessing. He didn’t watch the Minister’s life. He doesn’t know the Minister day and night is praying on his knees trying to love the people; he’ll give his life for the people. Day and night trying to give comfort and advice and bring the Word and stand true, and some man who doesn’t even have that because you don’t agree with them, “Leave that church. Leave that church.” That’s why a lot of people get worse and sucked up in that thing. Amen. A bunch of adulterers does that, nothing else. No virtuous woman will do that.

It was, first of all, to suggest that they all get together and talk things over, [little ecumenical spirit] and eat together and get things ironed out. After all, understanding each other goes a long way. Once you accomplish that you can go from there. The next step would be worshiping together, and of course, a little pressure from the host usually makes the guests go a lot further than they intended.

“Alright now, you have the Holy Spirit is going to do certain things now.” You are in the meeting. You have to do it. Little pressure from the guests making the hosts go a little further than they intended. Sometimes people intend just to maybe sit and rejoice a little bit and show brotherly love, but the host has different methods.

The true Christians has no business even going to that meeting. [The Prophet said.] ... The people were introduced to idol worship and spiritism...

The real believers ought not to have gone there. They had already lost much truth, and now they, too, would lose the understanding of Godhead and forfeit names for titles in water baptism.

The doctrine of Balaam.

...the deliberate maneuver of a corrupt clergy to bind the people to them, by leading the people deliberately into

the sin of unbelief. The Nicolaitane doctrine was the corruption of the clergy as they sought political power amongst themselves, while Balaamism is the subjection of the people to their system of creed and worship in order to hold them.

I could tell you many right in this island who see Light, who fall, who hear this, who feel good in their chest, they say they're sealed and they're in sin today. And while that was happening I felt the darts many times calling this the devil here to show up those sealed people as a vindication of God. Nobody comes back and repents. Nobody comes back and repents. But I want to show you it is sowed in. The two vines are intertwined; the branches are intertwined. It's not in denomination. It's in the Message

... They were not given the true food, the Word. They were given the food that came from idol worship, Babylonian paganism wrapped up in Christian terminology.

They were given Babylonian paganism wrapped up in Christian terminology. What is the height of mystery Babylonian worship in the last days wrapped in Christian terminology? Worshiping of a man seated in the temple of God in the holy city as though he is God. Because all these little cardinals get together, have their conclave, they get the Pope, put him there in the city, give him a triple crown and give him full jurisdiction over the message and they enforce their teaching. And they kill anything that doesn't bow down to that system. And ever so often they go up in the Vatican, they always have a special blessing or a special revelation for their parish.

...wrapped up in Christian terminology.

...DENOMINATION.

Get it, what denomination is now. Do you think it's those bunch of things outside, big buildings on the corner of Pembroke Street [place in Trinidad -Ed.] and all

those places? Do you think it is that? Listen what it is now.

Nicolaitanism is organization, humanizing the leadership of the church...

In other words, "I can't get any revelation, you can't get any revelation, nobody can get any revelation; we have to get it from a source. It's some man for the Hour we have to get it from." Anybody who tells you that, is of the devil and from hell. You know I don't preach like this, but I'm preaching like this, this morning. You haven't heard me preach like this in ten years. The Hour is come. The Hour that we're in, the Holy Spirit has to uncover the evil. The last message I preached was that false king trying to take over the kingdom. Before that I showed you that condition coming in the Hour of temptation when they're going to take over everything and everybody is going to be threatened and be trapped in that system who don't have the true Word, because you can't have true faith if you don't feed on the true Word. That's why you come with a false faith because you're feeding on man's ideas and not the Word. So man's ideas have no nourishment because man's ideas are the same spirit of the devil. Satan doesn't fight against Satan.

...DENOMINATION. Nicolaitanism is organization, humanizing the leadership of the church, and thereby deposing the Spirit. Balaamism is denominationalism which takes the church manual instead of the Bible.

In other words, now we have it down partly how it should be. Outside of that it doesn't mean anything; have no revelation. You have to say it this way. You have to use these key words. You have to use this here. You have to say it that way and you must belong to this system and it is correct. Other than that it is not of God. Balaamism – that is what it is – eating things sacrificed to idols.

With a state and church union the stage has been set for the Dark Ages.

And church and State are set in union for the Dark Age again. It is already blacked out in Laodicea.

And indeed for about 1000 years the church went into the depth of blackness, knowing the depths of Satan. When any religious people... [Get it now!] When any religious people embrace both Nicolaitanism...

You are embracing man's humanizing relationship of the church. You kind of embrace that. You like that; hold on to personalities.

...and Balaamism...

And you begin to eat things sacrificed to idols, accept man's teaching that doesn't go back to the Message.

...and have the political, financial and physical power to back it up there is only one direction they can go. That direction is right into the Jezebel doctrine.

Let me show you something right here. I'll show it to you right here. Antichrist spirit: *Anti*, the Word; *Christ*, the anointed Word; saying sayings, things that come a little contrary to the Word. Little nice sayings, but people are not thinking that is not the Word. But it gets popular among them and they keep saying it. Eventually it becomes a doctrine. Then when it becomes a doctrine it is being taught that way. Man is teaching it now. We neglect altar call. The kind, elderly gentleman is in the platform while the prophet is taking a rest. It becomes teaching. Listen!

If I am wrong, pull me off the pulpit and send me home! Because I am saying God gave me this, you know. I have to stand there and say that on Judgment Day. Remember I have to face that on Judgment Day by saying God gave me this. I am conscious of that, you know. It is not using a pulpit to say things, you know. I have to give account for every word I say here this morning. Thank God I am saying what's in the Bible and I can show you where I am seeing these things too. And when I am finished with this message, you tell me if God didn't show me that in the Bible.

So the false prophet makes it a false teaching now and false teaching started. It's a false—In other words, it's a field of tares being sown, and every seed brings forth after its kind. A false doctrine, a false teaching. Then from the antichrist, false prophet, it becomes what? The Beast. And the Beast is, kill and destroy anything that doesn't believe your teaching; doesn't see it through your glasses. That is the threefold nature of the operation of Satan. Through a long string of false prophets they become incarnated in a man, and the same way in the individual, when you take in a false seed, Satan's life moves through false doctrine. God's Life moves through God's Word, God's teaching, because every seed brings forth after its kind. All life is in seed form and the Seed is the Word. And teaching is a type of spiritual intercourse for spiritual multiplication (amen!) and it will bring forth a generation of fighters and haters if that is the type of seed being sown to uphold the popish rule and kill out anybody that opposes the popish system.

But God told Gideon, "Chop down every grove. Root that idolatry out and burn it and establish the true altar of Jehovah, a burnt offering, and then watch the Sword of the Lord come. Watch a ministry to face the system that is coming. I put it right back there again for you too. I am still in Judges 6. After the prophet's message they didn't die out of that idolatry. And Gideon was seeing it and won't talk about it because he didn't want to talk about it. He wanted to be nice too. He didn't want anybody against him too, because he knows if he says it, a lot of people right here would get vex too; and I know them! But then when God comes and says, "Speak against that thing." When He gave me the revelation of the Bible, I must preach it. See. I don't care if you get vex. You can get vex if you want. You can get red and smoke through your ears, but I'd rather please God than man.

So she formulated her teaching. She made priests. I am staying quite a long time on this New Testament Church Age because I want to show the same spirit in the Old Testament, proving that it is correct and proving by the type we are going to understand better what we read in symbol form and in Word form in the Book of Revelation. By type we will see how the people get pulled into it. We will see how the people were faced with situations. We will see how the people didn't want to take a certain side, favor with State or State assistance; and we will also see where God raised up people to break up that thing and drive it clean out of Israel. And God anoints them to tear it and root it out! "I will send My angels in the last days," Matthew 39, I'm back here now, (Jesus' parable,) those messengers, those Ministers, "to gather it up." He told them in the first Age, he said, "You first Age Ministers leave it. The last Age Ministers, when the Son of Man is being revealed in the harvest time, those Ministers there will root it up." Don't deny me of my apostolic authority. Don't deny me of my scriptural authority in this message here. Oh thank You, Jesus.

If you feel you are being blessed walking with the world, it's up to you. I don't feel I am being blessed walking with the world. I believe God's Word calls for a total separation from all unbelief. I feel if it is my own mother, if it is my own father, if it is my own wife, if it is my own children, if it is me, my own self, if I see something contrary, I have to say it, much less some other person. But when your spirit is hybrid and not original, you don't have genuine conviction, because it breathes in to popularity, it breathes in to pleasing man; it breathes in to please all kinds of different things. So you want to look good and keep a good impression, because you aren't fighting any battle against the devil really. You are just going along with the religious crowd. You just want to be identified where God's blessing is.

[So Jezebel] *formulated [her] teaching and made her priests teach it, and they in turn made the people accept it.*

Get it? Jezebel formulated her teaching, made her priests teach it, and the priests made the people accept it. That is why people have videos in the church and saying videos will perfect the people. And when they aren't preaching they put on the video. That is of the devil. That is not God's thoughts. Can you find that in the Message and in the Bible? You are making joke! Show me that before almighty God if that is of God! Amen. I didn't hear that. Ministers told me that! And I have to oppose that thing! If I am of the same Spirit of Malachi 4, if I am of the same Spirit of Columba and Luther and Wesley (amen), of Paul, Irenaeus, and Martin, I will oppose that thing! If this church thins down to ten here this morning, that would be the crowd God wants to move with. Yes, sir. And when you leave you will leave because I preach the Word hard. You can't say Bro. Vin did this and Bro. Vin did that. You left because you can't take the Word!

... Their college of bishops... their popes declared themselves infallible and said they received revelation from God and spoke as God to the people. All this was taught to the priests who through fear made the people believe it. To dissent was death or excommunication which might be worse than death.

Listen. Listen! Watch the methods. Watch the channels.

It was now the church with the assured voice that took over, and wild with power they drank the blood of the martyrs until the true Christians were all but exterminated and there was hardly any Word left, and little manifestation of the Holy Ghost. But the true vine struggled and survived.

Under that they had to struggle and survive.

God was faithful to the little flock and in spite of what Rome might do to their bodies, Rome could not kill the

Spirit within them, and the light of the Truth shone on, backed by the Holy Ghost and power.

As much as they call it intellect and devil, the revelation is coming out mightier every time and they can't deny it! And God sent it in many places and delivered and blessed many hearts (amen,) without their assistance, without their financial backing, without their political connections, but because of the faithful believers here who unselfishly give to the work of God that the work of God might spread, and what God's Prophet preached might be fulfilled.

...Rome could not kill the Spirit...

This is a good place to make an illuminating observation.

I've come to the climax of the thought that I was expressing.

The deeds and doctrines of the Nicolaitanes, the doctrine of Balaam, and the teaching of the false prophetess, Jezebel, [which I took up in the four Ages from Ephesus to Thyatira] do not constitute three spirits or make three spiritual principles. These three are but the various manifestations of the same spirit as it goes from depth to depth. What it all is, is the antichrist spirit of organization in its three various stages.

In other words, when Eve got pregnated with the Serpent's seed, (listen carefully,) that lineage, that seed that came out in Cain came out with false worship from the time he came out; came out with hate and resentment against Abel's revelation from the time he came out; and evolved and evolved and evolved until he became Nimrod, built a tower of Babel, was the Pope, and was killing everything that wasn't subject to that city.

So what started off there in Eve's womb as a Serpent's seed, because Eve is Ephesus that came out of Adam, and Adam was Christ. And when Christ went to sleep on the Cross, Eve, the Bride, was taken out. But then another Jesus, another gospel was preached. Another

seed was sown. And children being born went in the way of Cain. Jude, I am in the Book of Jude. These went in the way of Cain – children of rebellion to the revealed Word. God said, “Sin lieth at your door. If you do like your brother, I will bless it. If you don’t do it, sin lieth at the door.”

But he wouldn’t humble himself. And eventually he turned around and killed Abel. Amen? And then it ends up in immorality, big scientific religion, all kinds of different things. The daughters of men were fair – pretty churches; building their cities, Cain’s cities, with their denominations. Am I correct? Then Pergamos – the church married the world. Ephesus, Eve; Smyrna, Cain and Abel, two vines fighting. Pergamos – the church married the world. Thyatira, Babylon, Nimrod, the Pope over the whole thing. God confounded the whole thing. Alright.

So look it there. Look it here in the New Testament. Look it here now in the Book of Kings – is where we want to nail this down. And you know that when I show you it there in the Bible perfect like that, that it comes by revelation. No man taught me that. Not of man, but the Holy Spirit. Listen. So watch.

The antichrist spirit that started off in the first Age and continued down through the Ages, finally comes into maturity in this last Age. What is sowed in a seed like in Ephesus, Ephesians is the church of beginnings like Genesis is the Book of beginnings. What started in Ephesus goes all the way and matures and is harvested in Laodicea. That is why the World Council of Churches is bundling the tares right now and the Bride is being gathered, the Wheat is being gathered to go in the garner. And the Lord of the harvest is here. Boaz is in the field. And Ruth, the Gentile, has come in when Naomi is back in the homeland. We’re still in the Bible, alright? Okay.

Ruth made a clean cut decision – justification. Amen. Wesley – served and labored in the field, received rest

from Boaz; marked the spot he laid – Pentecost. And then when Boaz comes before the elders of the gate (amen,) to reveal redemption. We're still in the Bible here again. Okay now.

So it continues down until it finally ends up in the last Age. And what does it end up to? Paul said the mystery of iniquity—And let me tell you, if you don't love my preaching this morning you hate Paul, because I am preaching this way when the man of sin is about to be incarnate. Paul said back there, the mystery of iniquity is already at work. He said these men who come saying perverse things rising up and leading disciples after themselves will finally sit in the temple and be worshiped as God in the last days. In other words, Paul was seeing the spirit there was the very spirit of Lucifer at work, which was deceiving Eve. As the Serpent beguiled Eve so do these come preaching another gospel. Is that correct? And Paul preached against that thing. And Bro. Branham said if Paul raises up right now, he will be in jail in one hour. They will think he is crazy. That's nothing! They called the Prophet 'smart' too.

So it heads up into Satan, the God of this evil Age, being worshiped as God. Revelation 13:8 – the whole world will worship Satan. 2nd Thessalonians 2 – he will be seated in the temple and worshiped as God. Isaiah 14:12, "I will be like the Most High. I will be worshiped as God." It was their plan from the beginning. Not just to control the economics of the world. That is not what they want. He does that so he can finally enforce his worship as God. That is what he does because he had the State power to kill who wouldn't worship him as God. That is how he ties them into the snare and locks them in that they can't move.

And when people won't accept the Word of the Prophet that came to pull them out of that thing and cut them loose from that thing, it shows they love the works of darkness rather than Light, because it shall be

Light at Evening Time. This is the condemnation, the Vials will be poured out, because Light has come and they choose darkness rather than Light because their deeds are evil. And the darkness is being gathered at one side and the Light is being gathered at one side. Amen! My!

I am trying to move, but it's so many Scriptures. Amen. People are ignorantly worshiping the devil thinking that they are worshiping God. And the unchanging God said, "Thou shalt have no other god but Me." Let me tell you, this is the only era in Trinidad at this Hour in the history of Trinidad that politicians are quoting so many Scriptures from any party; all of them. What does that tell you? Do you see that in the Bible? Because behind the State is a woman and she is the scriptural woman and those kings of the earth are drunken with her fornication.

Alright, you watch. They will lock me up in jail for it one of these days. And you know when I started to preach I said I have THUS SAITH THE LORD this morning. You've known me for ten years. I don't stand up here and say these kinds of things. People don't hear me say that. I have nobody to impress here. I try to walk straight all these years to come and say a foolish thing like that this morning if I don't know what I'm talking about? And you can tell sitting there, you know what I am saying up until now is Word, by Word, by Word, by Word, by Word.

So God said, "Thou shalt have no other God but Me." Now if in Israel when they hid in the temple and sat and worshiped the sun in the Book of Ezekiel when He warned them by Moses after they came out of the exodus by that prophet's message, when they go in that land, "Don't pick up those people's habit." And God warned them, "Because you are a peculiar people. Don't follow them! Leave them with their hairstyle! Leave them with their dressing! Leave them with their high

heel shoes! Leave them with their TV! Don't follow them!"

Do you see now why they stoned and kill the prophets? Few people can take that kind of preaching, you know. Their jokes come from the TV. Their dressing comes from the TV. The grease they use in their hair comes from the TV. Their hairstyle comes from the TV. The motorcar they're driving was advertised on the TV and they went to buy it. The brand of food they're eating comes from the TV.

Satan has used the fourth dimension. The people they know most about are who is broadcasted and highlighted most on the TV. And the media pick the personalities to highlight and give ample time; and who has the money could buy the time and they become the influence for the Age, because the people are glued in to the media to be informed of their Age and what is happening and the events. So everybody knows the main tennis star. They know the main football star. They know the main cricketer. Because they are highlighting all the heroes of the realm and in doing that, they give them heroes and idols. So they have a fashion idol. They have a screen star idol. They know more about John Wayne than maybe some actor who acted in one picture; or who was a co-star or just one of the supporting casts. They know the main star. They call them the star of the show – fallen star. There was influence. You see? Listen carefully.

And through the media Satan used the fourth dimension to pervert the minds of the people to make them think the way he wants them to think, because he projects to them what he wants them to be influenced by; and through the fourth dimension and Hollywood, that institution, he glorifies sin.

They will never show a man's lungs on the TV like a rat cankered with cancer (amen,) who is smoking a cigarette. They will show a woman in an evening gown, rotten, under some nice, soft music on a dance floor

with a band and a nice atmosphere. A woman stays slim, long line, charcoal filter, low prices. What are they doing? They are glorifying sin. They are making it look pleasurable! They take a prostitute, some adulteress married four or five times, and they give her the main role in a picture. Elizabeth Taylor, full of cosmetics to make her look pretty. Give her a role that in her own life she is a million miles from, acts it out. And through the publicity of the thing makes it famous so everybody knows the woman and it is the second word and every woman wants to be like that after that picture because to do that now you're in the fashion now because they just set the fashion.

And the devil, when he can't bring the world in the church because God has thunderbolt and lightning in the pulpit that from the time hell starts to seep through that door, the Angel with the Silver Sword stands there to chop the thing to ribbons! When the devil can't bring the world in, he gets among the weak inside and work from the inside and pervert them. And he used you and you and you and you and you and many of you here to come in with your little worldly taste and you stand up in the church and you are singing, and you're playing music in the church so you're getting a little popular. Satan, who will burn in hell, was one of the first musicians there were. You're not going to go into Heaven on that. No, sir.

But because of your position now and being put before the congregation you can have influence. You become a blessing. You make people happy at times. They come to like you. They talk about you a little bit. Some start to follow you. But your life is not the Word and you are not too interested, because you lack the character to make a stand in there and have that influence. You are not responsible enough and you don't care enough to see that "I am going to try to walk right so my influence could be a Godly influence for Christ!" If you don't have that conviction, then you use

the position without character. You influence some and next thing some begins to get worldly like you too and enjoy what you enjoy, because you become friendly and they are associated with you. Exactly.

And you are guilty to bring idolatry in the church. They want to make a dress like you and you get it from Penny. [Janelle Penny Commissioning, Miss Universe 1977 -Ed.] You get it from this one. You get it from that one. You get it from Alicia Rock, some devil in human flesh, naked and parading before a set of men, putting their naked body on the TV, advertising something, some fashion shop in some show window that some filthy, perverted sex maniac designed; some fashion book they printed and sent it all over the place.

And when you get there and your seamstress says, “Man, you can’t wear your clothes like that? What happened to you all? How you all are different so? You don’t have to be a fanatic to serve God.”

You don’t have the backbone inside to say, “I am a different kind of Christian.”

You say, “Well okay. Make it short, but not too short after all.”

But you are compromising on the length a little bit. “It will take some little extra something.”

Yes, sir. You are guilty of bringing idolatry into Israel. You are guilty of causing many to eat things sacrificed unto idols. And especially if you have a little head knowledge, and somebody—you want to justify your own self, not before the Word, because you can’t come like that before the Word, but in your own little company, in your own little corner, “You don’t bother with the Minister, man. I know a quote where the Prophet said so and so and Prophet said you can dress so and you can do this and you can do the other.” And they are giving the people their own ideas and they are not the person’s pastor. The person is not under their ministry, but they want to minister to them. You see? What they are supposed to be telling that person is,

“Don’t follow me. Pray for me because I am weak. I am getting a fight here. I want deliverance from this.”

Look at those sisters there. They are not getting troubles. Look at some of those sisters here – clothing long to touch the ground and they don’t care what style their hair is combed in. They just comb it normal; tie it and roll it like that. Some hair is about six inches and everyday it’s a different hair comb taking two hours a day and nobody is watching it. If you want to attract somebody, attract them with your life. I am talking about your dedication and sincerity. Don’t bring idolatry and lift up idolatry that you get from a movie idol or a fashion idol or a sports idol or a pop idol. Don’t bring your music here from a rock idol. You are bringing idolatry into Israel. I am going to show you it’s eternal separation from the Presence of God. There were all forms of idolatry, but the punishment was always the same! The whole thing in the last days is ending up in Satan worship; anything to take away the true worship from the true Word revealed by a Prophet; trying to take away from the true Word.

Instead you give that time to the revealed Word, you’re giving that time to sports, you’re giving that time to this here, you’re giving that time to this over here, you’re giving that time. And you share up God’s time and yet you are talking about pre-eminences, and the influence that it has on your life is very strong. But from the time you have to separate from it or the Word hits it, you see how the thoughts come like adrenalin flows to defend it. You are looking for things to defend it because—God is even showing how strong it is inside of you. But without it being attacked, you say, “You see me, that doesn’t give me any fight.” If somebody says, “Kill it,” you see how fast you get a million ways to try to defend it.

I showed you God never said what they said with their mouth. He said with their heart. In their heart they want it. They don’t have a holy man’s taste. Their

thinking is not filtered. Their thinking is polluted by the fourth dimension and through the Seventh Dimension and the revelation of the Seventh Seal that comes from the Seventh Dimension, God is trying to filter their thinking. He is trying to unplug you from the fourth dimension and put you into the Seventh Dimension to get the Headstone and the Mind of Christ to think God's thoughts. But people are thinking the popular thoughts of the day through the fourth dimension being propagated to them in every facet of life being advertised and glorifying sin and all kinds of different things.

Like I was reading the papers sometime in Honduras there they are going and build some city in America. They are already set to build a homosexual city. They have their own banking system, their own transport system, own communication system. They have the land marked off everything, because they have rights. They vote. Politicians can look and see that is a vote.

Well God sees the seed of the Serpent. Amen. So the unchanging God said, "Thou shalt have no other God but Me." But watch something. False worship, spirit of idolatry has taken over the people in this Age in such a subtle way. Do you know why? Because of the way it is introduced to them. Education makes them try to make God reasonable. The fourth dimension makes sin a little more glorified: "You can't be too critical. You need to be a little polished. After all how are you going to attract the worldly people? We are ambassadors for Christ in the world. We have to try to win them." Amen.

God is only interested in His Own. God isn't trying to save the seed of the Serpent. No, sir. God is preaching the mystery and that is calling your name, because the others can't hear to begin with. Amen. And the deceptive methods by which they were lured into the spirit of idolatry in that Age, people who were originally an apostolic church. That's why Bro. Branham said, "That Roman Catholic system was one time an apostolic church." When Aquila and Priscilla started the church

in Rome, it was a Holy Ghost apostolic church that was a direct link to what happened in the upper room on the Day of Pentecost. And that came as a result of the ministry of the Son of Man Who Elijah revealed. That was a Message Church. That Roman Catholic system, they had believed the same Message. It was a Message Church just like Barataria is a Message Church. See Elijah and the Son of Man revealed, and loosed the Holy Spirit by the Evening Message and established this church here.

If somebody tells you right now that idolatry is here; we'll become a Roman Catholic if we take five hundred more years, you may laugh at that. No wonder you laughed at Paul and them. Look at them today. Do you think it's Jerusalem and little cities in Asia Minor or somewhere? It's the entire world, his people who are countless, Jeroboam, about a billion of them. Who could make war with the Beast? Quarter of the world's population and the rest come out from inside of him and are now coming back to him. And the last little group of the true seed, as it was in the days of Noah – eight; as it was in the days of Sodom when four came out, (one turned back,) so shall it be in the Day when the Son of Man is being revealed. It will come to a minority group in the last days. And the Beast will rule the world. And look at the Hour that we're in.

Now when you get on your job, you just see, "My foreman is against me," or you just see, "The Prime Minister is against me." You have to look in the Word. All of this was set to be activated at this time and each one is coming up into manifestation just as they had planned it. Amen. Smooth. Because you realize Satan's plan wasn't two thousand years go like that. Satan's plan was way up in Heaven. And he never changed that. So look what we're up against. Could your mind battle that? And you would forget—you do something and next two weeks you forget it? Since before man was created, he had that plan in Heaven

which comes to pass. 2nd Thessalonians 2, Revelation 2 are coming to pass to the dot in this Hour; that if a Prophet didn't come and reveal it, all of us would get trapped into it. Amen. You watch and see.

So it's not something you're playing with. And in that first church it was when it started to come in that church there, little sayings; little man's sayings: "Wait! How you mean? I am the man of the Hour. I can do so and so. I can show you to preach, so and so." And when man's influence starts to move, the church becomes spotted with humanism. And look what the church is today. See?

In one act a man could get AIDS. And half of them are glorifying sinners, rejecters of the Word, unbelievers, when they are lifted up and have influence in society because of the media and all these things, when the death comes in... Look at Liberace, world renowned. [American pianist -Ed.] All these bands in Trinidad felt celebrated and exalted, "We appeared together with Liberace in the news and the Golden Bowl—Orange Bowl stadium, and so and so; in Minneapolis and over here" and bring it back in the papers and they show it and it brought honor for the country. He is one perverted homosexual, dead with AIDS; filthy Sodomite. You see? This is what we're talking about.

Look at those things. And sometimes people are in doubt. People who say they have the Holy Ghost and revelation are in doubt. One act causes it. When an act causes it, do you think nice clothes hide it? Naaman had a lot of nice clothes. Naaman had a lot of good chariots. But if he didn't humble himself to Elisha (amen,) when he spoke that Word there and said, "Duck seven times in that Jordan or let that leprosy cling to your flesh till you die; you're going to the grave with it."

If you don't humble yourself to that Prophet's Word there, you'll perish! And when somebody is speaking to you the Prophet's Word and you don't humble yourself

to it, do you think that leprosy will leave you? No, sir. Not at all. No way. My! Oh God, help us all. Heaven help us all. It's a serious Hour. It's Life and death. When you sit down in the house of God, it's Life and death. We walk in here and we wonder, move in, sleep in church, but it's Life and death. You should check on yourself and know if you're right with God.

So God said, "Thou shalt have no other gods but Me." But did the world listen to it? God told Israel that. Israel who had the sacraments, the Word, the ordinances, and the statues, and the judgment given to the prophet Moses from the Pillar of Fire, which became the Bible, and the Bible went to the entire world to Gentiles also, did they listen to it? Look the whole world ends up worshipping the devil through denomination having other gods beside the Word, because God is the Word. Yet they call themselves Christians. It doesn't mean they believe in God.

The reason there is no more generation after this generation, and this generation is going to be destroyed, is because this generation has become a bunch of idol worshipers. That's why I'm bringing to you *Christianity Versus Idolatry*. And every time the true vine, Christianity was only found in the true vine. The false vine is hybrid religion and idolatry which is Babylonian terminology wrapped up in Christian terminology. Paganism – Babylon wrapped up in Christian terminology. That is Roman spirit. And let me tell you if it's not the spirit of God it comes from Rome; it comes from the Euphrates River; it comes from the bottomless pit. Because that is where Satan's seat is! That is where Satan's seat is!

And God hates idolatry. And the punishment, He has never failed in any generation to destroy idolatry out of Israel. He had never failed. He said, "O altar, altar! All of you will be put upon that thing." He's crying out in judgment! And when they tried to put their hands upon him he said, "I'll give you a sign." And the man's hand

stopped like that. Touch not My anointed and do My prophets no harm! The altar fell down! Ashes were poured out; went back to the wilderness where it came from.

Something came to me: When Ahab thought he was going with Jezebel and they had the whole world in idolatry and they killed and took the land, Elijah walked down in Naboth's vineyard while he was there with those lustful eyes, "Now I've got it. I have everything wrapped up now." He said, "Oh you killed and you came to possess too, isn't that so? You thought nobody was seeing you." They came from everywhere. Elijah was the Eagle. This man here was from Judah, the Lion.

I want to set now as we go in here the history in Israel, which is a type of the Church Age, and I want to tie the mystery behind the history, which are the Seals revealed in this day behind the history. The Church Age is just the history. But the Seals now were the mystery behind the history of the Ages. And I want to show you there were men catching the Word that were raising up with the Sword to chop that idolatry down every time it comes; bring it right down to Micaiah for the last one there before the prophecy of Elijah was going to be fulfilled. Oh my, what an Hour! Amen. See, it's all happening again.

So Satan was always jealous of God's worship (God alone being worshiped) and he wanted to be worshiped too. And here we see in every form he is bringing idolatry, lifting up little temporal things above the revealed Word to take and have more influence in their lives and they are giving more obeisance, and more of their time, and more of their energies, and more of everything to those things which are controlling them and they have become an idol worshiper and don't even know it. All the time they are talking about God and Message and watching denomination false, they have deceived themselves into idolatry because they don't know what idolatry is.

Go back to the message *Christianity Versus Idolatry* [1961-1217 -Ed.], the Prophet said, “There is so much idolatry in the world and in hardly any book you can take up to read to find out what idolatry really is, because there are hardly any books,” he said, “written on it.” He said, “But this morning, I was coming now to bring you this message to show you what idolatry is.”

And this is why I’m bringing here to show you idolatry is that spirit that started off with sayings that became a doctrine; that made the church come under the leadership of man; that made the church go into politics; that made the church lose the truth of the Word given to them by the apostles; that they couldn’t keep their estate until God just blotted their name out. People that God brought them out of denomination, God has them come to the Message, see the Pillar of Fire, believed the Prophet, journeyed under the Message, and then in the end get trapped in idolatry and God killed them? Exactly so. Exactly so. So watch now.

So Israel, as we say under David and Solomon—we are closing now. Within half an hour I trust I can tie this up a little bit. Under David and Solomon, which is a type of Christ, Israel was one nation. And then it reads here in 1st Kings, there came a split; it went to two vines: the false vine and the true vine – one with the Messianic promise, and the other with the seed of idolatry. From the time the kingdom was divided the first king, Jeroboam, and since the deeds of the Nicolaitans, the doctrine of Nicolaitans, the doctrine of Baalamism and the teaching of Jezebel it is not three spirits; it’s one spirit going from depth to depth.

Just like Cain, the Serpent’s teaching, his sayings; he had “God said,” then Cain’s doctrine of false worship. Amen? Then Nimrod, the man of sin, (amen); false system, false pope, everything. It was just one thing going from depth to depth. And what started in the Garden of Eden from the Serpent became Babel, and Babel was where Satanic religion originated, and Babel

was built on the Euphrates River! And Babylon was a false impersonation of the New Jerusalem that had a river flowing through it too, the true City. Is that correct? Oh my! We're right in the Word here now.

So notice it was divided into two kingdoms. Then Jeroboam, the first king of Israel, after Israel and Judah were divided, he was king over the tribes which had no Messianic promise and no redemption. Because in Genesis 3:15 says, "The woman shall receive a Seed." Alright. Then God called Abraham. When He spoke to Shem and said, "God will dwell in the tents of Shem," after the flood, after He destroyed Cainite religion. Then when He started with Abraham, Abraham had Isaac, Isaac had Jacob and Jacob had twelve sons and that is the twelve tribes of Israel. Is that correct? Then those twelve tribes of Israel now went off looking for a false king before the Real King was coming in what God was giving to them. And when Jacob was blessing his sons, he blessed Judah with the Messianic promise – the scepter will not depart from Judah – and he put the kingdom and the Kingship in Judah, the Lion. And God unfolded it further to David who was of Judah to Micah out of Bethlehem-Judah, all down through, showing Judah was going to have it.

So when God chose a king, He sent His prophet. He said, "Samuel, go and choose one of Jesse's sons out of Bethlehem-Judah." Then he anointed David, who is a type of Christ, a man after God's own heart. He reigned over the entire of Israel. Then Solomon, who was a type of Christ, reigned over Israel. But after Solomon's death, Israel was going along. Rehoboam, Solomon's son (amen,) was king. But then during that time Jeroboam rose up because he was under a prophecy saying, "He's going to have the kingdom," because God saw Judah allowing all kinds of perversions to come in.

So finally there was a split and the house of David went one way, which was Judah, and the ten tribes went with Jeroboam. And when that happened we see

Jeroboam now can't change the place of worship but he wanted to bring a new place of worship. He wanted to bring something that can hold the people that he will remain the principal theme of the worship that he not only will have State power, he will have religious power too. So he began to leave the Word. He no longer could go to Levi and make them priest because they understood the Word that the prophet brought. They had to go to Jerusalem which is the center of worship. So they wanted to find a way to have power. And the only way they could have power, they had to bring something anti-Word. So he began to make two little golden calves; a golden calf scheme.

And you know how the Prophet said that here, quickly, *Word And The Bride*, [Pergamean Church Age - Church Age Book, para. 173 -Ed.] he said: *Now let us take a Scriptural warning here. Was it not in the days of Moses whom God had vindicated that Korah rose up and withstood that mighty prophet? He disputed with Moses and claimed that he had as much from God to lead the people and that others shared in the Divine revelation as well as did Moses.*

Moses said, "The revelation comes to one man and every man must say exactly what the prophet said." Right? Korah said, "I'm getting my own revelation too. God is talking to all of us, not Moses alone."

He denied the authority of Moses. Now the people back there, after they had heard the true Word and were well acquainted with the fact that a true prophet was vindicated of God, I say those people fell for Korah and his gainsayings. Korah was not a Scriptural prophet but the people in great numbers with their leaders went for him. How like the evangelists today with their golden calf schemes like Korah's. They look good to the people as Korah looked good then. They have blood on their foreheads, oil on their hands and balls of fire on the platform. They allow women preachers, let women cut their hair, wear slacks and shorts, and by-pass the Word

of God for their own creeds and dogmas. That shows what kind of seed is in them.

And here this man out of all the Scriptures in the Book of Leviticus and Moses went in the Pillar of Fire and set the church in order, and the worship in order, and all these things, and the tabernacle, and all the high priests and everything on the holy feast days, this man found a quote or saw a method where Korah got the people under his influence by building a golden calf. And he began to go back to that system, and he began to bring it in and he set it up in Bethel, the house of God; holy place where Jacob saw the ladder descending from Heaven to Earth where angels were ascending and descending, amen; where God confirmed in Jacob's life the Abrahamic covenant He was going to continue it; holy place, and up in Dan. And he got those strategic places and he laid it out there.

Listen to me very close now. We're tying up everything here. And while that was happening, he was doing it with a motive that, the people will not leave me; that the people will stay here and it was going to be... He had loved that popularity above the Word that he was willing to bring in things not in the Word to stay in control. But God was not going to let him get by with it. That man rose out of nowhere and condemned that very thing. So watch.

So Jeroboam was the first king after Israel and Judah were divided, and he was king of the tribes and those tribes had no Messianic promise. So here was a worship not connected to the Messiah. Here is a worship not connected to redemption. Here is a worship only for the purpose for Jeroboam to keep influencing those people. And he now made up his own priesthood to preach his golden calf schemes. And there were men who weren't called for that office. He began to pull men and gave those men position. He was placing them in position to have influence. Now watch.

And the Messiahic promise, the woman's Seed, which was the King of the Kingdom, was promised to Judah. And here Judah was going along. And the Bible says—I want to turn to some of the Scriptures here. From Jeroboam—Just turn with me to 1st Kings 13. To every word, he never took the correction of the Word.

...he consecrated him, and he became one of the priests of the high places.

³⁴ And this thing became sin unto the house of Jeroboam, even to cut it off, and to destroy it from off the face of the earth.

So what he did? He became a Pope now. He became head now over the religion and he was head over the State. And he united them. Now in seed form in the first Age; the first Age was *Ephesus – aimed at and relaxed*; he caught them unawares. Smyrna here they were beginning to fight against the true vine. And 1st Kings 15, verse 6, you can read maybe when you go home a little higher up. But 1st Kings 15:6:

⁶ And there was war between Rehoboam and Jeroboam all the days of his life.

There was constant fighting between the false vine and the true vine; the one with the Messiahic promise and the one without the promise. Constant fighting between Judah and the other tribes. Constant fighting between those two kings and those two kingdoms; scriptural war constantly. That false worship was idolatry coming in, here they were fighting against it. And then after Jeroboam came in—there was one year, one of the sons reigned for one year. But the real next prominent person who continued as king over the Northern tribes was a man called Baasha. And read in verse 16 here:

¹⁶ And there was war between Asa and Baasha king of Israel all their days.

Because Asa took over from Rehoboam and Asa was a man, the Bible says, after David's own heart. You'll read it when you go home, most of the history. But Asa

was wiping out all those idolatry. Everything he could find, he was tearing it down and cutting it off from the land.

16 And there was war between Asa and Baasha king of Israel all their days.

So here was Asa, king of Judah, and Baasha, king of Israel. And the two spirits continued fighting all the way down.

17 And Baasha king of Israel went up against Judah, and built Ramah, that he might not [allow] any to go out or come in to Asa king of Judah.

Do you see what he began to do? He built the city and held them in bondage that they couldn't go out. And nothing could come in there and take full control over his own little system. He built his own little kingdom and, brother, not one of those people could be liberated or set free. He tied them there! And there was war between them all their days.

So it was a constant war from the time when Jeroboam started and Rehoboam; between those two tribes it was constant war. When it changed over, the spirit that started with false worship, was now building cities and subjecting the people to that corrupt worship and they couldn't leave. To dissent was death. Is that what I read over here? To dissent was death. Nothing comes out of—Remember Diotrefes? Not even John could get in. He said Diotrefes wanted to have the preeminence among the brothers: 3rd John, the epistle. John an apostle who walked with Jesus and leaned on Jesus' bosom, who saw the whole Book of Revelation couldn't go in there. That man was controlling everything. The lion was being fought by that white horse rider there in that first Age. Ephesus, Smyrna, the synagogue of Satan was being set up there.

And verse 32 it says:

32 And there was war between Asa and Baasha king of Israel all their days.

So watch those things how it continued right down through. So Ephesus, Smyrna, and Pergamos. I want to get a Scripture here now, 1st Kings 16. Pergamos is where they got married. The church married the State. That false vine united themselves with the State and brought religion and politics together, because Pergamos means married; all under that white horse. Watch it here. And Pergamos, that white horse, went in to Pergamos and became united with the State to get State backing so he could kill those prophets who were crying out against the false religion; those men of Judah. Are you getting that? Judah was the Lion. And it was with men from Judah coming against that false spirit and that false worship being injected there where those two vines were going out. One with the Messianic promise, and the other one had no Messianic promise, no redemption; was a false church but they were all together at one time.

1st Kings 16 verse 25. Because after Baasha, the next prominent king they had—there were one or two little kings there who lasted one or two years and they got killed by conspiracy and these things. But the next great one was Ahab. And I'm showing you that each prominent one there, the different dynasty: Ahab had his own dynasty. Baasha had his own dynasty. Jeroboam had his own dynasty. A dynasty is like this father, his son takes the throne. Eventually if he has no more sons to take his throne, some conspiracy, a coup takes over; a next king raises up in the kingdom, but he wasn't in any direct lineage to this one so that's a new dynasty. Do you understand what I'm saying? So the three dynasties there were like—I want to bring those three things there, those three Ages and show you how they were with Jeroboam, Baasha, and Ahab, and how idolatry was progressing by the time it came to Ahab.

And verse 25 it says:

25 But Omri...

That is his father now. Maybe like Alexander the coppersmith and then out of him came out Hymenaeus and Philetus, their congregation. Out of them came some more evil men. Do you understand what I'm saying? And all those people were preaching for contention and for strife that Paul said, "And they were preaching for bonds and afflictions for me." He said, "Yet I glory because Christ is being preached anyhow." Amen.

25 But Omri wrought evil in the eyes of the LORD, and did worse than all that were before him.

26 For he walked in all the way of Jeroboam the son of Nebat, and in his sin wherewith he made Israel to sin...

And what was that? Idolatry!

...to provoke the LORD God of Israel to anger with their vanities.

27 Now the rest of the acts of Omri which he did, and his might that he shewed, are they not written in the book of the chronicles of the kings of Israel?

28 So Omri slept with his fathers, and was buried in Samaria: and Ahab his son reigned in his stead.

29 And in the thirty and eighth year of Asa king of Judah...

Look Asa was still there. Asa and Baasha had made war, but here now look what was going to happen here now.

...began Ahab the son of Omri to reign over Israel: and Ahab the son of Omri reigned over Israel in Samaria twenty and two years.

30 And Ahab the son of Omri did evil in the sight of the LORD above all that were before him.

31 And it came to pass, as if it had been a light thing for him to walk in the sins of Jeroboam the son of Nebat...

You see the Holy Spirit keeps going back to where the thing started: Jeroboam, Jeroboam. That is where the antichrist spirit started there bringing the idolatry. But it was like a light thing now for Ahab because he was in it in full. What Jeroboam was trying to bring in there and get a little power, Ahab was doing it with a free heart. It was a light thing.

...that he took to wife Jezebel...

And watch paganism getting married now; hybrid religion. Paganism being interbred with Christianity at Nicaea Rome where church and State were coming together, like Ahab and Jezebel with Constantine, to bring in State backing for the false church. What for? To kill out the prophets who were crying out under that Lion anointing. But watch how the anointing was going to change in those prophets to Ox and they will all give their lives and Jezebel will become drunken with their blood.

...that he took to wife Jezebel the daughter of Ethbaal king of the Zidonians, and went and served Baal, and worshipped him.

So Baal worship took over now in full.

32 And he reared up an altar for Baal in the house of Baal, which he had built in Samaria.

33 And Ahab made [an idol]; and Ahab did more to provoke the LORD God of Israel to anger than all the kings of Israel that were before him.

34 In his days did Hiel the Bethelite build Jericho...

And they go back to Joshua when Joshua was going to Jericho, the destroying angel in the day of redemption when the Seals were opened and the Jordan and they

came back in the Ephesians, Joshua put a curse and he said, "No man rebuild Jericho anymore." And in Ahab they discard that Word and they went and built it back up again for idol worship. You watch in the Bible there now. Watch the spirit and the lineage had no regard for God's Word, God's vindicated Word that was coming in the Ages before them by servants of God. Because they had State power and they had control over the people, they thought they could force their religion and do what they want. And the church was now spotted with human leadership and not by the Holy Spirit anymore. And idolatry was progressing in a deadly fashion. Okay.

1st Kings 21. Let me take 1st Kings 18 first. I want to read a little portion there so you could see it, because I don't want anybody getting any mind battles. So after the First Seal—You've found the place? Hold it right there now. After the first place, Ephesus, Smyrna, and Pergamos; in Jeroboam, Baasha, and Ahab. Then what happened? They went forth there. Idolatry came in and being sowed in to the ten tribes while Judah stayed there continuing in the original worship given by Moses.

Don't get tired of me, please. Now what was happening there? So while that was happening there, here it was now finally the idolatry that was coming in Israel, which never had idolatry at one time, which started off as Israel under David and Solomon without idolatry, a type of Christ there, here it was now paganism was married and became a union; and Jezebel now, Thyatira, dominant female in the Fourth Age there now and a red horse began to ride with bloodshed to shed the blood of the prophets, who was crying out against the false antichrist worship of Nicolaitanism, political-minded people conquering the laity; then subjecting them to that corrupt form of worship had now led them into the teaching of Jezebel.

Is that correct? Here it is in the Bible. I took the three Ages. I took those depths of Satan there and I

took the Seals and tied it up all in one and I show you it is right there. And then it was midnight Hour, he said, dark Hour now because Jezebel ruled. All the prophets were dying out. And this is the Scripture we I want to get here. 1st Kings 18 verse 3:

³ And Ahab called Obadiah, which was the governor of his house.

And remember Ahab was only the figurehead now. Jezebel was on the throne.

...(Now Obadiah feared the LORD greatly...

Good men in a false system. What are you doing in that false system like Jairus and all these fellows; like Nicodemus? A system killing out God's prophet like Bro. Chiniquy, (amen,) fifty years in the Church of Rome!

*...which was the governor of his house.
(Now Obadiah feared the LORD greatly:*

⁴ For it was so, when Jezebel cut off the prophets of the LORD, that Obadiah took an hundred prophets, and hid them by fifty in a cave, and fed them with bread and water.)

Listen to me: There were some escaped ones. Hallelujah! *Sardis* means *escaped ones*. They came out there, but they were still indirectly connected to the system and getting assistance from the system. And Bro. Branham said that is where they made their biggest mistake. He said they took a—page 374 in the Church Ages book, he said Luther and them made their mistake right there. They allowed the States to subsidize them. Who were subsidizing them? They were being fed by Jezebel's food from Jezebel's house to exist. They were existing by this man within that system they were connected to, because they were coming out but still attached to the system. Escaped, but still attached to the system. Their ministry wasn't that effective during those years, but when Elijah came he really rocked the system. You know, when you hear

about these hundred prophets, they were in two batches of fifty. Look at it.

...that Obadiah took an hundred prophets, and hid them by fifty in a cave, and fed them with bread and water.)

There were two groups of fifty: fifty in one cave and fifty in the other cave. He hid them by fifties in a cave there and he was supporting them. Escaped ones and brotherly love, Sardis and Philadelphia, there were those reformers. Their ministry wasn't that effective. They had escaped the system, but their ministry was not effective against the system. But when Elijah comes he really... [Blank spot on tape -Ed.] ...Okay. I learnt lot of history there. Verse 12, Elijah speaking to him—no, he's speaking to Elijah.

¹² And it shall come to pass, as soon as I am gone from thee, that the Spirit of the LORD shall carry thee whither I know not; and so when I come and tell Ahab, and he cannot find thee, he shall slay me: but I thy servant (Obadiah speaking again) fear the LORD from my youth.

¹³ Was it not told my lord what I did when Jezebel slew the prophets of the LORD...

Under that ministry of the red horse, when she was killing out everything in the land, that great Dark Age, midnight hour when idolatry progressed and she started her shrines all over the land.

...how I hid an hundred men...

It was hybrid religion. Then made the place for Jezebel, for the doctrine of Jezebel to come in where they had come into the depth of Satan into full Babylonian worship openly with her shrines all over. And in establishing her shrines, she began to kill all those prophets who were crying out and denouncing that thing to the people. And watch it. When the true prophets died out, all of Israel got into idolatry. And Elijah said, "Lord, I am the only one. All man has

forsaken me, *Present Stage Of My Ministry* [1962-0908 – Ed.], no place to fellowship. The whole thing is swung into Babylon now. All men are slain by Jezebel, spiritually killed, but I am standing here and they have forsaken me.” And God put him back on his feet and said, “No, Elijah. There is seven thousand there.” Now watch.

So this pagan church with State power took the church to the depth of Satan and she was beautiful and wicked in her heart, began to kill out all God’s prophets who wouldn’t bow to her and an Age of martyrdom came in, an Age of a dominant female, a Thyatirean Age, that she became drunk with the blood of the prophets. Amen. We can pick up that in 2nd Kings 9. 2nd Kings 9 verse 7. Watch how that comes out, that Thyatirean Age, Dark Ages, Second Seal, red horse rider, the depth of Satan; idolatry in full controlling both church and State.

2nd Kings 9 verse 7:

7 And thou shalt smite the house of Ahab thy master, that I may avenge the blood of my servants the prophets, and the blood of all the servants of the LORD, at the hand of Jezebel.

Do you see that? Now He was getting ready to put the destruction upon Jezebel who had killed all His servants. When He comes in the last days in Revelation 17 and Revelation 18 what did He say? That Jezebel was drunken with the blood of the martyrs and the saints of Jesus, all the prophets. And under this ministry of this Elijah when he uncovered her, he put judgment on that very system that the fowls of the air and the beast of the field will feed upon. Okay. Let’s continue.

8 For the whole house of Ahab shall perish: and I will cut off from Ahab [every male, bond and free] in Israel:

9 And I will make the house of Ahab like the house of Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah:

Look it right back here. Jeroboam, Baasha, Ahab and Jezebel, and whenever God connected them, He connects them all together always – where it started and where it would come to its fullness in Jezebel!

10 And the dogs shall eat Jezebel in the portion of Jezreel, and there shall be none to bury her.

Amen. And 1st Kings 21 verse 7, Jezebel became so drunk with the blood of the martyrs with the Saints of Jesus; that white horse that went forth conquering and to conquer until a crown was given to it, amen; church and State united. They conquered Ephesus, Smyrna, Pergamos. Amen. It was war continually between the false vine and the true vine; war between the Messianic promise, the kingdom, when Judah, the Lion; the white horse and the Lion had war, scriptural war. Then when church and State united, hybrid religion, Pergamos; that dominant female, Thyatira, Jezebel comes in and then it moves to a red horse and begins to slaughter, an Age of martyrdom, the Second Seal where she begins to kill out everybody.

It was in that Age that she slaughtered them. Idolatry progressed and it was midnight Hour. The only worship in the land was idolatry now headed up both by church and State and enforced by the State; and under the Third Seal was black out, darkness, the Dark Age where the black horse was moving and Jezebel with State funds (get it) was building the shrines all over, because she was drawing all the wealth. She took Naboth's vineyard, confiscated all the property, everything, and became rich and increased with goods. All back there hoarding the wealth of the world; a measure of wheat for a penny, a measure of barley; all those things.

And during that time there were some prophets, escaped ones. Amen. No doubt they got the message

to those seven thousand somehow. Amen. Maybe they told them, "The Truth is going to come back in its fullness one of these days. It would be a great Prophet, a great Eagle, an Elijah is going to rise. When he comes, he is going to repair the altar at the time of the Evening Sacrifice. He will turn the hearts of the children back to the faith of the fathers. Amen! There is going to be an Eagle coming that will blow this whole thing apart!" And those seven thousand waiting there for a real ministry to rise with the Word of God and condemn that system. Oh man, they pulled out and they wouldn't bow their knees to Jezebel. Amen.

1st Kings 21:17. So right there I am bringing to you your Third Seal, the Dark Ages, the darkness, the midnight Hour, pages 27 to 29, the Seven Church Ages, Midnight Hour for Israel, the Dark Age, Third Seal, and in that black Age; then the anointing was the spirit of Man, because all who had the Ox anointing had died out and Jezebel was drunk with their blood. Who was alive and escaped was the spirit of Man, ineffective, but yet there existed propagating the Truth under the circumstances that they could do it with. Amen.

So 1st Kings 21:17:

17 And the word of the LORD came to Elijah the Tishbite, saying,

18 Arise, go down to meet Ahab king of Israel, which is in Samaria: behold, he is in the vineyard of Naboth, whither he is gone down to possess it.

19 And thou shalt speak unto him, saying, Thus saith the LORD, Hast thou killed, and also taken possession? And thou shalt speak unto him, saying, Thus saith the LORD, In the place where dogs licked the blood of Naboth shall dogs lick thy blood, even thine.

20 And Ahab said to Elijah, Hast thou found me, O mine enemy? And he

answered, I have found thee: because thou hast sold thyself to work evil in the sight of the LORD.

²¹ Behold, I will bring evil upon thee, and will take away thy posterity, and will cut off from Ahab [every male] and him that is shut up and left in Israel,

²² And will make thine house like the house of Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah...

Do you see them there again? Watch it now and look how it is going to come now because remember he hates that spirit since in Jeroboam. He comes to fight against it in Pergamos with the Sword of His mouth: "I will kill them in Jezebel," Thyatira Age. Is that right? Is that who the Vials is upon the last days – the Beast and his kingdom; that Jezebel system? Is that the Vials? Alright! Now watch. We are getting the Seals and the Ages and bringing the Vials here for you.

...for the provocation wherewith thou hast provoked me to anger, and made Israel to sin.

²³ And of Jezebel also spake the LORD, saying, The dogs shall eat Jezebel by the wall of Jezreel.

²⁴ Him that dieth of Ahab in the city the dogs shall eat; and him that dieth in the field shall the fowls of the air eat.

And remember that is the seed that went into the ground and that is the seed that comes back up. Do you get that? That pagan religion never went any higher than the Dark Ages. And when it had a religious disturbance and the Protestants broke away, those prophets escaped, escaped ones, and begin to move on. Then in a little way the truth had not completely died when all the prophets were slaughtered, because here some prophets escaped who had known the truth. Do you understand what I am saying? Until a real mighty

Prophet comes in the last days under that Fourth Seal, because when he comes Jezebel and Ahab are in a union and idolatry had filled the land and then Elijah is going to start blasting forth his Message. Okay. So look.

So the Third Seal was now riding and Pagan shrines were erected everywhere. Jezebel dominated the scene. But these hundred prophets, fifty each, indirectly linked to the State still. Then under the Fourth Seal came what? An Eagle Prophet, Elijah, a one man system. Amen. And in that Hour when Elijah comes, that is in what Age now? The Laodicea Age. Because we had Ephesus, Smyrna, Pergamos, Thyatira, Sardis and Philadelphia. We had the Lion, the Ox and the Man. Now watch the Eagle now in the Laodicea Age here now.

And then under the Fourth Seal came an Eagle Prophet, Elijah, a one man move now; not any hundred bunch of prophets and reformers and all these things – one man system! Flying eagle, woodsman, hated that Jezebel, immoral women all those things coming in; bald head man, shine in the sun; come marching to direct his Message to the White House, (amen) because he saw how she wormed her way in; how that beautiful woman, wicked in her heart, rose up in the land and controlled the nation. Amen! Hallelujah! He had his visions back in the woods there. He saw the bomb, (amen,) destroying the whole thing and the fowls of the air and the beast of the fields feeding upon their flesh. Eat Jezebel and burn her; burn her flesh and eat her. Amen. He saw it coming in! My! And he stomped out there, “THUS SAITH THE LORD.” He said the judgment is upon Jeroboam, upon Baasha. What was it? The fowls of the air and the beast of the fields. In other words, “You will become the supper of the Great God!” What kind of judgment did Elijah put on them? Fowls of the air and beasts of the field! When? At the going down of the sun in the evening time. Hallelujah! He said one of these days I will bring up those Seven Ages in the Book

of Kings in the days of Elijah. Look it is here. Deny that. Nobody can deny that. Watch.

A one man system and church and State are in a union. Why did Jezebel come in? Ahab was busted. His kingdom was falling apart and that Catholic Church, Jezebel, came in to help him secure his position. It was for political expediency. The marriage was more for politics. Amen! Is that what is happening under the Fourth Seal here?

Oh my! I won't finish the message. I know I won't finish. I am closing now. But I am coming to a point to close here. But I'll give you some Scriptures. I'll give you some homework. I want to bring back those people whose names were blotted out for idolatry; people who was stoned for idolatry; and people who the fowls of the air and the beast of the fields ate for idolatry. And God in this Age is doing this Age that, because the Age has become a bunch of idol worshipers. And they were blotted out from the Book of Life. Then He stoned them with a plague of hail and He fed them to the fowls of the air and the beasts of the field, this entire generation.

And the last warning was under Micaiah. And those seven thousand reiterating vigorously what Elijah preached and when Elijah stood there he opened up those Seven Church Ages and those Seven Seals and showed where the thing started and how it heaped up into Jezebel. He said, "Remember!" My! On the First Seal, *he*, (Bro. Sanchez would know this) was eventually called *she* in the Bible! What started in Jeroboam becomes Jezebel in the Fourth Seal and Jezebel goes all the way until the fowls of the air and the beasts of the field feed on her.

That Thyatirean thing that started, that Papal thing that started there, Papal Rome goes all the way down to every nation in the ten toes until it sets in the fowls and the beasts of the fields and stoned with a plague of hail, when it comes back in remembrance of God in Heaven, when iniquity is raised up and God decided to give her

the cup double; fill to her double (amen,) the wine of My wrath. Amen! See? *He* was eventually called *she*. Look in your New Testament and look in the Old Testament in Israel. *He* was eventually called *she* in the Bible. Amen. And here it was. In that hour religion and politics, Ahab and Jezebel, church and State, were being united by demon power (amen,) that pale horse. Get your pale horse there now and get your Eagle.

So I showed you the Lion and I showed you the white horse, I showed you the Ox and I showed you the red horse when they were dying out in martyrdom in that Age; then I showed you the Man Age, escaped ones, Sardis, there in that Age of darkness. And here in the Age of the Eagle here that pale horse – religion and politics united by demon power there in that very land when Elijah came on the scene. And Elijah saw also communism uniting and rising, the Syrians, the king of the North. Is that correct? Oh thank You, Jesus! His third vision was communism. His sixth vision was a beautiful woman rising in America. If Elijah saw it back there, our Elijah saw it here too. Amen. Yes, sir.

I am trying to make it as strong as I could. Did Elijah see the ecumenical move? He saw Ahab and Jehoshaphat's children becoming very lovey dovey and winking their eyes against one another, and those brothers looking for sisters in denomination and in the world, caught up in idolatry in the ten tribes who had no Messiahic promise, because they were being sucked in by ecumenical demons from the bottomless pit. They were loosed in those false prophets! You tell me that is not right. Tell me that is not right. Look it is there in the Bible. And Elijah saw them becoming ecumenical and he warned those seven thousand. He said, "Don't bother with Jezebel, with this one love." He said, "It's total separation from all unbelief; not one love." Amen! The Hour of judgment must be all the Word.

Ahab and Jehoshaphat were becoming very ecumenical and Elijah saw the shrewdness of Jezebel's

operations, the beautiful woman, because the Bible said in 1st Kings 21 (let me get it back again,) verse 25. Let us see what is happening in the Fourth Seal in the time of the Eagle Prophet when he's in the land. When the ecumenical spirit is moving to unite Ahab and Jezebel and these things, let us see who is the real manipulator, who is the driver; who is operating by remote control (amen) unseen to the public's eyes. But we can see what they are doing (amen,) because the modern events are making clear the vindicated prophecy, so we can see what they are doing.

25 But there was none like unto Ahab, which did sell himself to work wickedness in the sight of the LORD, whom Jezebel his wife...

Say it! [Congregation says, "Stirred up." -Ed.]

...stirred up.

26 And he did very abominably in following idols, according to all things as did the Amorites, whom the LORD cast out...

God told Abraham wait until the iniquity of the Amorites is fulfilled and when the Seals broke, the Jordan at the end of the Church Age, (you know my message there on how Joshua is the Book of redemption,) then Joshua and the Joshua commission crossed over there; the Angel of wrath when their cup was full; souls in prison now. It ties right back to this same thing. The idolatry there was like the idolatry here. Look it is here in the Bible. Both of them are a type in this Hour. Souls in prison, idol worshipers, blotted out of the Book of Life. And go back to Deuteronomy and different places (I refer you to the Scriptures) where God used to stone them and kill them.

Do you think I stoned here in joke this morning? The plague of hail that passed through here. It's a plague of hail that was loosed inside of here this morning. Stone those idolaters. Yes, sir. You're worshiping the True

and Living God, your name is in the Lamb's Book of Life, you have Oil and Wine, your children worship, you're happy. Amen. But if secretly you're trying to worship Jezebel, try to play here and play here, you are in trouble. God is seeing you. Amen.

And *Laodicea* means what? *Woman* in the Greek. A woman's Age where woman is being worshiped as God. And Jezebel had everything under her control, but that Eagle Prophet was sent with THUS SAITH THE LORD to a nation who had become a bunch of idol worshipers. Church and State had the whole land filled with idolatry. When time to pass certain things, they could give the grant to certain people, give the grant to certain people here, their crooked politics, all controlled by Jezebel who was stirring up Ahab behind the scenes (amen,) and making the nation walk in it deceived by a bunch of intellectual words blowing their mind through the media. Exactly.

But look down through there, when you read those things, when you go home (I told you read through, study the Book of Kings) the Holy Spirit is speaking out of there identifying the evils of the evil Age, uncovering these things, because it's a warning of the spirit coming to the church right now. These last few messages are a direct warning to the people because of the days we are facing. The Hour is coming and now is. And when you see those things coming and the Spirit is speaking expressly like that, not just if I was saying a bunch of things in my mind, you'd be condemned not to forget. But if I am bringing you word upon word and I am tying things back in the Bible and showing you a way that you know those things are the truth because you saw how the Prophet's Message has been preached to you over the years here, then you know it is God speaking there. You see? Because a man could raise his voice how hard he wants and speak as arrogant as he wants, if it is not the Word, you don't even fear that. Amen.

But if you speak according to the Law and the prophets, then you—the beginning of wisdom is to fear God.

And in that woman's Age, Laodicea, here that Prophet in his vision, he saw judgment and he went and pronounced it on Ahab, pronounced it on Jezebel that were united there in that Fourth Seal; how they would be eaten by the fowls of the air in the supper of the Great God because they wouldn't repent and turn from their wicked ways. Amen. Under the Fifth Seal, Elijah saw all those souls under the altar, those who had died before (amen,) they didn't get to live long enough. They obeyed what word they had. They didn't live long enough to hear his Message of restoration when the Word was going to come direct from God. "Father, oh God, of Abraham, Isaac and Jacob according to the vision that you have shown me; Isaac and Israel." Bro. Branham said he used the new name there so I want to use that. He said Israel is inside of Jacob. Amen. He said according as you had showed me and by a vision, an open vision, he repaired the altar at the evening sacrifice and brought back a true worship with the true burnt offering charging the false prophets.

And the Bible in 1st Kings 18 says, (let me see if I can pick it up for you). Let's see if we can find that somewhere. Verse 36, 1st Kings 18:

36 And it came to pass at the time of the offering of the evening sacrifice, that Elijah the prophet came near...

Evening time, Elijah is on the scene; Jezebel and Ahab in a union. Look how that Age is right there. From the time we start with Jeroboam with the false worship and the false vine going out, it heads right up to this Hour here. And in that hour:

*...Elijah the prophet came near, and said,
LORD God...*

He was now coming on the scene now with his revelation after that bunch of emotional people were cutting themselves, rolling on the floor, trying to pull

fire out of heaven and nothing was coming down until they get tired, and Elijah was mocking them. He said, "What happened, has your god gone for a walk? Has your god gone fishing? Where did your god go? He said, "Cry a little louder. Shout a little harder. Roll a little more." He was mocking them! And then he stood up there and he said:

...LORD God...

Amen. Lord, God! Remember my message on *Lord, God* inside of here. Hallelujah!

...of Abraham, Isaac, and of Israel, let it be known this day...

What day? At evening time after that emotional Age with only gifts and no life; not the Word. Now hear the Prophet with the Word at the end of the Age after all that sensation and emotion. Amen. He said:

...this day that thou art God in Israel, and that I am thy servant, and that I have done all these things at thy word.

Amen. Hallelujah.

³⁷ Hear me, O LORD, hear me, that this people may know that thou art the LORD God, and that thou hast turned their heart back again.

What did the Word Elijah brought do in the Evening Time? Turn the hearts back! Hallelujah!

³⁸ Then the fire of the LORD fell...

Father, let the fire fall.

...and consumed the burnt sacrifice, and the wood, and the stones, and the dust, and licked up the water that was in the trench.

³⁹ And when all the people saw it, they fell on their faces: and they said, The LORD he is the God; the LORD he is the God.

Hallelujah! No more Baal worship, no more idolatry, because Elijah turned the hearts back, because Elijah repaired the altar at the evening sacrifice.

40 And Elijah said unto them, Take the prophets of Baal; let not one of them escape. And they took them...

In a Mount Carmel showdown as we would have a Mount Zion showdown in this Hour. Glory!

...and Elijah brought them down to the brook Kishon, and slew them there.

He chopped off all those heads. Amen. So they didn't get time to hear his restoration. All those prophets died before. They didn't get time to hear that message of restoration. But he saw them there. Amen. They lived faithful to what they had known, amen; the Word that they had during that time. Amen.

And under the Sixth Seal Elijah comes and plagues the evil system, which had polluted the land with idolatry and which was drunken with the blood of the prophets. Here she was in an era now with all politics and all religion united, with all the prophets killed out in the Dark Age in the Age of martyrdom and she was drunken with the blood. But here is Elijah in the land shutting the heaven for three and a half years. Fire proceeded out of his mouth and burnt up the troops. When any man would try to do them harm; they came to arrest him and make him a prisoner and take him back, he said, "If I be a man of God, fire will come and burn you up!"

Is that what they were doing under the Sixth Seal? Would he shut the heavens for three and a half years? When that woman is nourished for a time and times and half a time? Amen! When Elijah was in the land there? Amen. There was famine, mourning and death in the land. Amen. Elijah during that time had spoken Word creation! Power of the elements! Resurrection! Would those prophets do those things under the Sixth Seal? Yes, sir. And under that Seventh Seal when He was forsaken and rejected, his message of restoration all those things, he saw—because remember even in Micaiah's time they were consolidating tighter. Even in

2nd Kings 9 after Elisha, then Jezebel was now going to be destroyed, because under that Seventh Seal ends the plagues, the Vials, the Trumpets, all those things. Those things revealed under the Sixth Seal all ends down there.

And under the Seventh Seal when he was forsaken, Elijah saw a preview of the Bride. Oh my! He said, "I am alone. All man has forsaken me." God said, "No. There is seven thousand." And he saw a Bride coming from every nation (hallelujah) marching *Onward Christian Soldiers*. God showed him seven thousand who didn't bow down, who his message had turned their hearts back. Amen! Turned their hearts back, because Elijah represented the justice of God when He was bringing those plagues there. Hallelujah. Amen, Bro. Leon? It's nothing but the Truth. Time for me to go Africa. Amen.

And it turned their heart back to the true worship, a remnant according to the election of grace. Amen. Is that what Romans 11 says – speaking about them in type? Yes, sir. Elijah by his vision repaired the altar, brought back the true worship in Israel. But did the whole land continue in it? No. Only seven thousand. Only seven thousand wouldn't take part in the idolatry. The rest was still tied up in Jezebel though they saw a vindicated prophet with a Pillar of Fire slay all those false prophets and bring back the true worship; yet all Israel continued on and the Beast and the kings of the Earth and their armies went to be destroyed in the battle.

Did Micaiah see it? Yes, it all happened. Look at it there as perfect as it could be in continuity with the Word right through. Did you see that this morning? You see? Do you understand that? Amen. He declared scriptural war on those false prophets. He said don't let one of them escape. Bring all of them down to the brook Kishon. Heads were rolling there that time. I wonder

what he did with all those heads, about four hundred heads. Glory be to God in the highest.

I had one more part. It is going to take about—to really strike it good as to where I want it, it going to take about an hour. But it's five to three now and I don't want to do it. Because there are many strangers here and they're not accustomed to this kind of preaching. Many people are tarrying and they aren't understanding everything being said. It's hard for them too. But I just want to give you the Scriptures or refer you to it, so I can put it on the tape, you can study it personally and anybody hearing the tape would understand what we are talking about.

Now when you go to the Seventh Seal, on the Seventh Seal Bro. Branham brings it and shows look—I have to do it. I have to go into it. You see, at this point in time in the message I was going to bring in now the punishment that God keeps it in the last days, and when Ephraim and Dan allowed Jeroboam to have the golden calf scheme and the people embraced Nicolaitanism and Balaamism in the first Age back there in Israel's history, when they come down here under the Seventh Trumpet when Moses and Elijah are calling out the seven thousand, which is a type of the hundred and forty-four thousand, the twelve tribes, Ephraim's name and Dan's name are not there when the sealing Angel is sealing and when those two prophets are calling. They're not in the calling and sealing. They went along thinking no judgment came upon them. Everything was alright.

And Bro. Branham said when the Millennium Age had reached, time to enter into the Millennium, and Moses and Elijah came to call 144,000, Michael came to deliver the names found written in the Book, Ephraim and Dan's names were not written in the Book. It was blotted out when they accepted that idolatry there, when it was time to go in the Millennium. They were in the midst of the other people and the nation, who was

being called and sealed, but they were not being called and sealed. They were seeing the prophets, hearing the message, and couldn't really go out and be sealed because their name was blotted out. God had remembered His curse.

You are not fooling anybody when you think you will do something and the Word tells you it is wrong and you go along and nothing happens to you. When time to enter into that Millennium, as he says here, and the sealing Angel was moving through, He never touched one of them. They were blotted out from under heaven. They went along like that, the tribes and they still there, but they will not go in the Millennium. Ephraim and Dan are missing in the calling and sealing.

And we, under our Seventh Seal, there is a calling and sealing going on now! And those who embrace Nicolaitanism, Balaamism, doctrine of Jezebel get pulled into the depth of Satan and compromise with all these things. Even Polycarp was rejected by the Holy Spirit for the messenger because he leaned towards organization. He wouldn't criticize it like Irenaeus was criticizing it, and the Holy Spirit refused to make him the messenger of the Age. Okay.

Deuteronomy 29:16-20 shows us the punishment for idolatry, how God blots out the name. Genesis 35:23-26 shows the twelve names of the twelve tribes originally when Jacob blessed them. Numbers 10 verse 11-28—you see you have to hear back the tape to could get it or mark it down so you could go home and study it. Numbers 10:11-28 shows the twelve tribes of Israel in the banner set in order. The twelve sons of Jacob, Genesis 35:22-26; the twelve tribes of Israel are the twelve tribes that came from the twelve sons, Numbers 10:11-28. Revelation 7 verse 4-8 shows the twelve tribes of Israel in the last days, the Elect being called out under the Sixth Seal and Dan and Ephraim's name are missing. Why was it missing? Deuteronomy 29 verse 16-20 showed God blots the names out when they

brought idolatry into Israel; when they began to worship and let something become predominant in their lives other than the Word. It's blotted out.

1st Kings 12:29-33, which we read, and Hosea 4:17 shows the idolatry, how it comes in by Jeroboam, how he sets it up trying to hold the people and bind them to himself, Nicolaitanism and Balaamism, making them eat things sacrificed to idols so he could keep control and so on, and then took them into the doctrine of Jezebel when Jezebel took over everything.

And Exodus 32:30-34 shows how God blots the name out of Israel for idolatry. Deuteronomy 13 verse 6-11 and chapter 17 verse 2-5 shows how God stones them and kills them individually. And the city, a type of the churches, if a church has idolatry in it, God will finish with that church. They can be called out under what exodus, under what prophet's message, God is finished with them. From the time idolatry comes in and is lifted up above the Word, God is finished with it.

Then also in 1st Kings 13:33-35, Jeroboam; 1st Kings 14:1-11 Baasha; 1st Kings 15:32-34 and 1st Kings 16:1-4, which I read some of them for you to show you the fowls of the air and the beasts of the field, demon spirits taking them over for idolatry. And Bro. Branham said many people will open themselves to demon power, because when they open up themselves to those things thinking it's the Holy Ghost they are getting, they are getting a devil and don't even know it. He said, "Watch what that spirit makes you do afterwards then you will know if it is the Holy Ghost you got." Does it bring you back to every Word? If it doesn't bring you back to every Word, you didn't get the Holy Spirit.

So here it was Dan and Ephraim were missing. God remembered that sin back there when it came into Israel. What about you today? All these things, the ten nations always with idolatry and that vine, and this whole system in the last days, the Beast's system and the ecumenical move, the World Council of Churches,

is that the seed that started when Paul says, “The mystery of iniquity that already work”? Is that the seed that where he says another came preaching another Jesus? Is that the seed? Well look what it comes to today. From a little local church, it covers the whole world today. Do you see that?

When I watch our fathers, our apostolic fathers, who died in the Dark Ages, shed their blood, because they wouldn't bow down to that corrupt clergy, and Rome comes after them and within four hundred and something years, Rome has conquered them back, to bring back another Thyatirean Age, a dominant female, where the Jezebel religion and the Pope, the Roman hierarchy, will rule the world. While that is happening, Rome knows there are some seeds they didn't get so they have a whole system set up to trap and flush out and bring up from hiding that little minority to squash them ruthlessly and destroy them so there will be no voice to reveal her wicked ways and her sins.

And here we see them moving in. What are you going to do, my brother, my sister, this morning? When you see those things move in upon us, when we see the whole thing being head up in this Hour, and the Holy Spirit is so gracious that we wouldn't be caught in all that deception, has come here amongst us and revealed His Word to us that we will not be trapped in all these things, what would you do as a believer? We see all these things happening. Look at the golden calf schemes what it turned to. Look at the whole Age. It ends up from Jeroboam what started a seed in there, a little motive in a man's heart, when it came to Jezebel, the whole land was filled with idolatry. And every prophet of God was killed and died out until Elijah, the prophet, came there with “THUS SAITH THE LORD” and condemned the thing and only seven thousand in the land was pulled out by the Message, and they too had to stand up and condemn the very same thing, while the

kings of the Earth were being deceived to be taken to Armageddon, the war and all these things.

I preached to you the best: *Christianity Versus Idolatry*. The true Christianity, the true line, the thin line of the ancient church, the thin red bloodline, look how it comes through all these men of Judah rallying from nowhere. Man, with the Word was coming to, when that evil system was doing something; little unknown man. They called some names; they did not call the other names. Unknown man here and there were catching a revelation: "The Word of the Lord came to so and so. The Word of the Lord came to so and so." And they spoke again: "And the Word of the Lord." Amen. They were right there all down through while the big State system was flourishing with idolatry.

Even when Elijah came, there was no record of his background: who he was, which organization he belonged to; which fellowship card. He had nothing at all. But he came and blasted forth a message and he shook that generation. The seven thousand, It didn't even call their names, but It said Micaiah stood up there and saw Elijah's Word coming to pass in that Hour. Communism rise and the churches coming together; the Squeeze coming down; hell is being veiled on the Earth, it was all happening there. Idolatry was all over the land.

We don't want that inside of here. God has called you all out to bring you to the true worship, to pull you out of the influence of Satan, and to make you not ignorant of his devices by uncovering the scheme of the enemy. What God wants is obedience to His Word. Don't try to battle against the Word. Accept it. It is going to take you to an Eternal Home, an Eternal City with an Eternal King and you will live eternally. Heaven and Earth will pass away, but the Word will remain forever. And if you become part of the Word, if you abide in My Word and My Word abides in you, then ask what you will.

If you're not a Christian today, if you're a backslidden Christian, a lukewarm Christian, an undecided Christian, rich or poor, great or small, bond and free, all those whose names are not written in the Lamb's Book of Life will worship Jezebel, will worship the Beast. If you say, "My name is in the Lamb's Book of Life" and you are not walking in adherence to the pure Word of God, the vindicated Word delivered by a Prophet, then your confession and your life doesn't match.

If you are a real believer, you will be trying to live by every Word, sincerely. You will know it is a sacred thing. You will know it is the grace of God. You will hold it deep in your heart. "Thy Word have I hid in my heart, oh Lord, that I will not sin against Thee. Hide me in Thy pavilion, in the secret of Thy tabernacle, in the secret of Thy Presence. It will set me upon a Rock and I shall not be moved. Oh God, lead me in a plain path. If I had the wings of a dove, I would have flown away from this place and be at rest somewhere else." This evil system, this evil world, when we look and we see these things; the darkness coming in to take over everything. His Church would become the Final Voice to the Final Age under Her Messenger.

I brought it to you from the Old Testament just like I bought it to you from Genesis also before and part again this morning. I brought it to you right here many things on the local level, the idolatry for the Age, and the forms of idolatry that many individuals get trapped into, things that they are bringing are anti-Word. The punishment for it, that even when the calling and sealing came, God bypassed Ephraim and Dan, because they did that same thing. Balaam, it was never forgiven! Yet they were called out, heard a prophet's message; all these things.

All this I want to get to you to show you called out people in the exodus following the prophet's message to the prophesied promises will be blotted out when they eat things sacrificed to idols under the teaching of

Balaamism who they met in the journey, they will be stoned. The Vials of the wrath of God will be poured out upon them; people at one time who belonged to a system that never even had idolatry. It was in the Church Ages, it was revealed by the Seals, it was in the Old Testament with Israel and it's here again in these last days.

Let's be real observant. Let's take heed of the things we have seen and heard lest at any time we let them slip, because if we neglect so great a salvation what about the just recompense of reward. Think of it. It is a very serious Hour when we are confronted with the Word like that, as plain as that, as clear as that, scriptural, to the point to the detail. Look at the kind of details the Holy Spirit brings out there. The teaching is in the Ages and the teaching is in the Seals until even *he* finally becomes *she* at the end of the Bible. Every anointing that was released in every Age, everything that happened to show the depths of Satan from Jeroboam to Jezebel.

But there are depths of God. There is an apostolic Doctrine. There is a true worship. There is Oil and Wine. There is a people who can say my cup runneth over, full of stimulation of the revelation of the Word worshiping the Lamb, while the world is worshiping the Beast – Christianity and idolatry. I also wanted to read to you about idols. Bro. Branham said, "Anything before God is an idol." He said, "All denomination is an idol." He said all these pleasures and different forms of it today, all these things are idols, and they want to bring it in among the people.

Oh my brother, my sister, fear God. Don't let your heart be turned away from the Word. Ask God for grace to live the Word. He will give it to you if He sees you want to live the Word. Let's all stand to our feet. *When we walk with the Lord in the Light of His Word, what a glory He sheds on the way.* [Song #119 - Songs That Live – Ed.] Before that just let me take the dedications quickly before I miss them.

Bro. Carl Swift would like to dedicate his baby; also wants his marriage to be rededicated. He married out in the world years ago under paganism wrapped in Christian terminology. Also Bro. and Sis. Emmette Durante would like to dedicate their baby girl, Travail Zoe. Bro. Carl Swift's baby boy is Michael Jonah. Bro. and Sis. Jennings would like to dedicate their baby girl, Bethany Janessa. Janessa is a Hebrew word meaning gracious and merciful. Amen. Three dedications here. Let's sing this little chorus while we dedicate these babies. *We thank You, Lord. I want to thank You. I just want to thank You. I just want to thank You, Lord.*

[Song #418 - Songs That Live -Ed.]

Thank...

Oh, let's get in the Spirit of worship now. Let the Holy Spirit just brood upon us. You have heard His Word.

Thank You, Lord.

Thank You, Lord.

I just want to thank You.

Won't You thank Him from the depths of your heart?

I just want to thank You.

I just want to thank You, Lord.

Oh my! Let's bow our heads and close our eyes. I'd like to lay hands on these babies. We'll dedicate the babies first. Then we'll rededicate the brother's marriage last. Oh thank You, Jesus. What a time!

Oh gracious God, after a message like this you feel so scoured out. And as these here bow their heads and hearts in Thy Presence, holding their little babies for dedication, so we, the rest of the Assembly bow our hearts and heads for dedication also, maybe in another way, but how we desire to be dedicated, Lord, afresh after hearing a message like this.

Our Bro. Jennings and his wife bringing this little baby girl, Bethany Janessa to be blessed in this Hour, Father. Bless this little girl. We offer her to You in the Name of the Lord Jesus Christ for a life of service. May Your great, precious, magnificent, holy blessings be

upon the child. Oh God, may she be under Your Divine protection in the Blood of Jesus from all evil. May she be a blessing in the home. May You continue to bless the parents; keep them faithful in the faith, fulfilling all the Word, raising the child in the fear and admonition of God until Jesus comes. We dedicate little Bethany Janessa Jennings in the Name of the Lord Jesus Christ for the honor and glory of our Lord Jesus, amen and amen.

Heavenly Father, our Bro. Emmette and Sis. Durante, Lord, they lost their first child, premature. The devil came around the second time like that great red dragon trying to devour that child again. But the prayer of faith went forth in this place. You heard the cries of Your people when our sister was aborting that baby in the hospital. She stands in the house of God today holding it in her arms, standing at the side of her husband to dedicate little Travail Zoe into thy great almighty, all-sufficient arms.

We praise You and we thank You for giving her a safe delivery. We thank You for hearing our prayers that we prayed. Now we ask You, receive her Father into thy great Divine care. May You bless the child with health and strength. May the great Presence of God be with her. May You keep her under Your Divine protection in the Blood of Jesus Christ.

May You bless the parents as they now enter into this role of parents, Lord – now a father and a mother. Now that this mystery must be revealed in the lives of parenthood, now they will have firsthand experience. Give them grace. Give them revelation to raise her up to serve and worship You in Spirit and Truth. They will keep her in an atmosphere where her little eyes and her little ears will hear the Words of Jesus Christ and see the Life of Christ being manifested, influenced by her parents, her examples in this life. Grant it, Father. Receive her as we dedicate little Travail Zoe Durante in the Name of the Lord Jesus Christ we pray, amen.

And heavenly Father, our Bro. and Sis. Carl Swift bring their little boy, Michael Jonah. I was speaking to him the other night. Since he heard the Word go forth in this place, It struck his heart; always wanted to come here and serve You under this ministry, in this Assembly for he believes, oh God, that Your Presence is here with Your people. You grant him the desire of his heart. His wife came into harmony with him. That is the thing every true wife should do – get in harmony with the true headship of the husband walking in the Word.

As they stand here to dedicate their little boy, Michael Jonah, receive him, Father. We commit him into Your hands. Bless the little boy. Grant him health and strength. May the Presence of the Lord fill his little heart and be with him. Keep him under Your Divine protection of the precious Blood of Jesus Christ from all harm and danger and evil spirits. And dear God, may You bless the parents, Lord. Undertake for them in every way. Bless them with a real Christian home, real Christian environment. These children like tender plants growing up could be nourished and nurtured and come to full development, Lord, under the influence of the Word of God. We dedicate little Michael Jonah in the Name of the Lord Jesus Christ for service, and we ask a blessing upon the family in Jesus' Name, amen.

I just want to pray and ask the blessing.

Oh gracious God, Father, we thank You. We stand here today, our brother and his wife walking in Light, walking in Truth. And I spoke and exhorted to them the other night Lord of what a Christian heritage is, how it should be handed down to the children, how their home should be established, how their family should live and walk and serve God with conviction, how the Light should be shone in the community where they live; oh God, how they should defend their faith at all cost, even with their life. I pray that those things have sunk deep in their hearts and be engraved by the... [blank spot on

tape -Ed.] ...this Age like part of that seven thousand under the Message of Elijah to walk in Truth; separate them from all unbelief, all idolatry to bring them to the true worship of the True and Living God.

And Father, today they even want their marriage that took place, Lord, and was pronounced man and wife under that system; they realize now Lord You recognize Your Word and in their heart they want the assurance that the Word has been applied to their condition. So now Lord, as I lay my hands upon them, in the Name of Jesus Christ, I pray that the great Holy Spirit would unite their hearts even deeper and tighter than it was maybe before, and You would take them Lord into real, true revelation of the faith in this Hour, and You establish their home, Lord, by Christian principles revealing the Word of God through the revealed Word Message in this Day.

And Lord the family, Lord, would begin to function, Lord, by this mystery of Christ and the Church. Hallelujah! It would be revealed in their heart and expressed in their homes and reflected in the community in which they live. Oh God, may You grant it and may You bless them and keep them faithful and lead them and guide them, oh God, and bless their children, bless the home. And every curse and every evil thing that might try to hinder them in the Name of Jesus Christ, may it come to naught and may the blessing of Abraham rest upon them as their faith, oh God, would embrace Your Word this morning as they would walk in it in obedience knowing, oh God, if they depart from Your Word they depart from You. But if they walk in Your Word being joined to that Word and hide It in their hearts, they're walking with You. Grant it, Father.

May You bless them with all Your blessings in Jesus' Name I pray. May they be truly a husband and a wife, brother and sister, father and mother, oh God. Lord,

and may Christ be seen in them in everything. We ask it in Jesus' Name, amen.

Amen. Let us pray and dismiss.

Oh God, You kept the people long but it is not in vain, Father. The days are going to come, the Prophet said, meetings like this would be a fond memory. We would desire to have it like this, Lord – gathered in one place hearing the Word knowing where we are going wrong, receiving correction, instruction in righteousness. The man and woman of God would be thoroughly furnished unto all good works. They will be nourished with words of faith and be built up into the Stature of Jesus Christ filled with Your Spirit, serving You in Spirit and in Truth in this Hour.

That is what we desire. That is what we cry for this morning in our hearts. That is what we ask, Lord, that You give to every one of us. Our young people, the Word was directed to them today in a special way. Lord, may they be found with hearts humble, hearts willing to receive the Word though their flesh may burn, though it may hurt them, though they may feel belittled, though they may feel humbled. No one is laughing at them. No one is despising them. But Lord, we are trying to let them see, "Line up. Stay in line." One Word broken is death; took us out of the Garden of Eden. It is impossible to get back without it being every Word. But Father, may You help us.

Bless each and every one. Let them not misunderstand me in my preaching. You know I love these people, Lord. I've had to separate from so many people because I took a true stand for this Word so I would not bring a lie to them or a man's spirit to them but I will bring **THUS SAITH THE LORD** to them. Lord, I pray that they would understand, and they would know when this Message is over, I could shake their hands and hug them and kiss their neck, because they are my brothers and my sisters, sheep that You have put under my ministry that I will preach Your Word to.

You told Peter, "Feed My sheep and feed My lambs. Lovest thou Me more that these?" Oh God, if ever You'd have ask any of us that question we wouldn't want to answer You in phileo love. We want to answer You back in Agapo Love. We want to know we love You with all our hearts, with all our minds, with all our souls and with all our strength. Let real Christian love bind our hearts together. Let a real understanding of Your Word strike our souls. Let us come into one mind and one accord. All hell is against us, Father. All darkness is gathered to come against us and close us down. We trust in You, Lord, believing in Your Word; looking unto You.

Help those today that have been found wanting. You said that we have been weighed in Your balances and found wanting. Help us to measure. Give us what we are lacking, Lord. Let us balance off in Your sight. Give us a broken heart and a contrite spirit. Give us a pure heart and clean hands. Let there be no guile nor hypocrisy or pretense found inside of us. Make us sincere Christians. In this great Hour of adoption You can look down and say, "This is My beloved son in whom I am well pleased. This is My beloved daughter in whom I am well pleased;" our lives being a sweet smelling savor unto Thee. Most of all give us obedient hearts. To obey is to live. To disobey is to die. Full obedience to the whole Word entitles us to the Token. May we obey every Word! Grant it Lord, Jesus.

Give strength to those that are weak. Help that the Word and the love would burn more in the hearts of those if their love is waxing cold. They that are not as fervent as they were before, rekindle that Fire. Give us a passion to know Your Word, a cry for reaching out in the Spirit; a fervent desire to please God. May we never get lukewarm, or formal, or powerless. May learning never replace revelation! May reasoning never replace faith! May program never replace spontaneous praise in the Holy Ghost! Oh may it never happen, Lord! But

let us be bound in chains, prisoners of love – slaves. Oh God, grant it, Father.

Touch them that are sick and needy now. Touch them Lord in their bodies and their souls I pray. May the great Holy Spirit deliver those that are crying out in their hearts for deliverance! If there seem evil spirits want to entice them, spirits trying to seduce them and influence their lives, make them go contrary, go into worldly fashions, go into worldly things, Lord Jesus may they cry out to You Lord and may Your grace and mercy come to them like You came to Bartimaeus when he cried out to You. Oh grant it, Lord Jesus. Grant it, Father.

May we not go home the same way that we came! May we realize the Hour! I feel that the Spirit has spoken so clearly, so deeply, so expressly, so scripturally, oh God, today; even more than I imagined, Lord. I trust that it means something to the people. They would hide it in their hearts, Lord. They would recognize it is their Headship, the Lord Jesus, the Word. Grant it, Father. They will say, “All that Thou sayest that will I do.” Not trying to keep a commandment, but in love bringing themselves in submission and obedience, recognizing their place, Father. Grant it, Lord Jesus. Grant it, Father, I ask You today.

If there are those that are not a Christian influenced by paganism and idolatry in the world, Your mercy has come to them in no uncertain manner today hearing a Word like this. You said, “My sheep will hear My Voice, and today if you will hear My Voice, harden not your heart.” May they receive it! May they walk in baptism making a clean cut separation from the world showing themselves dead to the world and come into identification with the death, burial and resurrection of our Lord Jesus, have their sins remitted in the Name of the Lord Jesus Christ, and may they serve You with all their hearts in this Hour and You will fill them with the Holy Spirit. Grant it, Father.

Take us safely to our homes. Watch over us and protect us as we travel along the road. Lord, just have Your way amongst us, Lord. We surrender our all to You in the Name of Jesus Christ, amen.

Amen. You can have your seat. We had some people who were baptized on Friday. We would like to acknowledge their presence and they will be recognized by the saints, give them the right hand of fellowship, and be recognized as members of the local assembly to participate in everything that is here for the local saints.

Bro. Dale David. I would like you to stand so they will know who they are. God bless you, brother. We extend the right hand of fellowship. Bro. Stael Nunes, Bro. Nunes. Is he here? Oh, I am sorry. Sis. Stael Nunes. Solomon Chintu, this is Bro. Chow's son. Somewhere in the back. Paul Chintu. I think that is Bro. Chow's son again. Bro. Lester Saunders. You could have your seat brother. God bless you. Lester Saunders. Is he here this morning? Amen. Sis. Nicola Franco. Amen. God bless you, sister. She has been here for quite a long time and she always wanted to be baptized, but we always had to kind of wait and get things properly clarified. And we feel in our hearts we don't feel any condemnation of having her baptized. It's not she wanted to take long but it's us decided to wait a little bit.

Bro. Isaac Dasent, our precious little Bro. Isaac here, faithful servant of God. God bless his heart. Amen. Ruth John, God bless your heart little sister – Bro. John's daughter. Bro. Simon Scott, Simon Scott also being baptized. Bro. Monty Scott, God bless your heart brother – two brothers coming in this season I believe. Yoland [Bro. Vin can't pronounce the sister's name –Ed.] They didn't write it clearly. God bless your heart sister. Sorry I couldn't pronounce your name. God bless you. Priscilla Bayes. Sis. Priscilla Baynes, God bless your heart sister. Feel free in the house of God. Worship

God. If you feel like to shout, sing, whatever, amen. The blessing of the Lord be upon you. Amen.

Also we have Bro. Benny Singh here in the back. I don't know if his wife is here, maybe in the mother's room somewhere. To his wife also God bless her heart, brother. He heard the Word there up in the meetings in Cunupia and that was the beginning of a new step for him, so praise God. All is clear; came through immigration, good papers and everything, fellowship in the household of faith. God bless his heart. I tried hard for four or five hours to dissuade him go to a next church, but like Elisha said, "As the Lord liveth my soul liveth." Amen. So may God bless his gallant heart. I told him I said, "Brother, here is a little different. We preach the Word really hard." He had a taste of that this morning. That's the way we preach the Word, how we stand for It with such zeal and enthusiasm and conviction. By the grace of God it's all in love and humility. Amen.

And our Bro. Carl Swift and his wife also who dedicated their baby and had their marriage rededicated, they also by the grace of God. May God richly bless their hearts also by the grace of God! So that is for that.

And Bro. Ivan Lashley wants to thank the Lord for healing him from an eye infection after prayer was offered. Sis. Faye Hunt—It has spread to the church by now. I'm sorry, I should have said it the other night. She came over here pregnant about seven months or so, had a little mishap, next day went into labor and brother, the situation, she was in labor pains in Sis. Rita's home and the baby was dropping down in position and getting ready to come. And thank God the mechanics in the Assembly here began to operate by dynamics. Amen.

Sis. Sharon was called on the scene there and Jehovah midwife had to move up to the scene and Jehovah assistant nurse, Sis. Alleyne, had to be called

to the rescue and they had to move in there. I went playing intern from over the phone to Sis. Rita to keep calm and hot water and get the gazette paper and everything and get ready for home delivery, because I've had some experience and about three or four of them I see delivered in the home already; in the home right there. I know we have capable hands.

And Bro. Aubrey, I was talking to him the night before and we had good fellowship on the phone, and I didn't know his wife was going to go into labor. And here it was the baby was delivered right there in the home everything; home delivery. So we called him, I said, "Well you have four Guyanese and one Trinidadian, and this one, the fifth one, Grace, is delivered in the Third Exodus Assembly. I don't know what it means, but may God show you over there but it happened that she's here. She is happy. Today is her birthday also, amen, so may God bless her heart, the minister's wife from Guyana. Her husband has blessed us so many times. [Congregation gives God a hand of praise. -Ed.] Amen. Hallelujah. He is one of those seven thousand scattered out all in Guyana there (amen) standing true with us here. And you know how deep he stands with us. He stands so deep with us that he's just like us. Amen. So we thank God for that, that he's part of us by the grace of God. Amen.

So Bro. Keith Stephen thanks the Lord for safe delivery. Bro. Ivan Lashley thanks the Lord for healing of an eye infection so by the grace of God he's able to do all his little things too, get through. Amen.

It's 3:30. You're tired and you're hungry like the multitude. You want a little natural food now. You're going to go home and take it; take a little rest, lay down in the afternoon, kick off your shoes, wiggle you toes; feet kind of cramped up in your shoes, a little hot. Your mind is tired and weary. You sit in one place for so long, jammed with people. But God richly bless your heart. May God ever reward you with spiritual things! If I can

give it to you, I would give it. I don't have it to give, but I trust one of these days what happened in Hattie Wright's house could happen here. That if you have something, and I be His servant, and His grace be extended to us, I could say, "I give you; ask the desire of your heart in the Name of the Lord Jesus Christ, and you could have it." If He doesn't do it, we are still going to serve God. But sometimes you see people show faith just like this, and natural things you give them go away. You want to give them something that is lasting. It's in His power to give.

James and John's mother said, "Lord, let one of them sit on Your right hand and left hand."

He said, "It is not even in My power to give. It is whom the Father hath given it to."

So may God bless your heart! I trust you enjoyed the Word. I trust you enjoyed the services. [Congregation applauds -Ed.] The Holy Spirit I believe has been speaking to us out of the Bible, showing us all these things. The Prophet said, "And we edified and purified by the Spirit, is made ready for the appearing of the Lord when this Book is opened wide before our wondering eyes."

I now came in the Message with long hair, middle part, and a little beard, and a little Wrangler pants; and Bro. Sammy with the plastic shoe and the green pants and the yellow jersey and with two little Spoken Word books under the house, and we used to read that quote there not knowing we would be gathered here one of these days with all of these people. And the Message has gone around the world; sit in a Presence like this pressing the battle with all these great spiritual realities happening to us. To God be the glory for the great things He has done. May His Name be praised!

Let us just walk; let's just serve with all our hearts in this Hour. Let us be real, salty Christians. Let's just love one another. As many as I love, I rebuke and chasten. If He doesn't chastise us, we are bastards,

(amen,) but it is that we can bring forth fruits unto righteousness. *What a glory He sheds on our way; when we walk with the Lord.* We are dismissed as the ushers take you out.

God bless you; keep you faithful.
