FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

Excerpt:

He saw in vision what that fourth beast was going to do on the earth. Daniel said, “It’s going to break up the earth in pieces. It’s going to devour the whole earth; how it will control the economic wealth of the world; how it will force its religion on the world.” What we have seen in the last few years is the Prophet’s prophecy coming to pass. Because we are living in the time of Trump and Putin. It’s the same spirit that he saw in the time of Eisenhower and Khrushchev. The iron was in all the toes. And the iron is the Roman power, the first Beast in Revelation 13.

When I say ‘the first beast’ don’t mix it up. Because in Daniel, the fourth beast is Rome, but in Revelation 13, that is called the first Beast. The Beast that came out of the sea is that same Roman power. We are seeing it here in the ecclesiastical form. [Pages 10]

MINISTERS' FELLOWSHIP

EL ALTO, BOLIVIA
FRIDAY 3RD MAY 2019

BRO. VIN A. DAYAL

Once again I am very thankful to be in your midst. I want to express my sincere gratitude to the Lord Jesus that He has caused me to come to know quite a few of you, and that gives me great pleasure to have men here in the midst who knows me, who knows my motives, my objectives, the sincerity of my heart, to say what has already been said. And it's such an honor.

For men like you who have labored in this Message, raised up churches over the years, men that God's Presence have been identified with, and so coming among you, I come in humility and with great respects for the work that God has used you to do. And just being another member of the fivefold ministry, and the measure of grace that God has given me to help stir up our pure minds and keep us in remembrance to what has been delivered unto us by God's Prophet. And may God bless us today as I invite you to bow our hearts for prayer.

Our gracious loving Father, we stand in Your Presence, Lord, with these precious men of God, servants that You have raised up in these last days on this continent, Lord, and You have put them in their respective places, and You have used them in such a way that they are known beyond their borders, and the churches that are identified with them.

We thank You, dear God, for what You have done in this part of the world, and to see what is in the hearts of these men, Lord, to find the will of God for this Hour, and the things that we have been forewarned of by Your Prophet that we will be confronted with before we leave

in the Rapture, and how we can be prepared, Lord, and be in condition for the going away of the Church. And realizing we are sailing through treacherous waters, as Your Prophet had said, and how we need to be tied to the Absolute as we go through this shaking time when all nations are shaking and the world is again falling apart.

We are so grateful that the Angel of God that was with the Prophet, that led him and directed him, even though You took away the earthly Angel from us, yet You, the Heavenly Angel, remains to lead us into the fulfillment of all that You have spoken for this Hour.

You have appointed a time like this that we can come and assemble. You put it upon the heart of Your servant. And, Lord, God, we pray that over these days sitting in each other's company, in each other's presence, that Your Spirit can move and You will speak through Your different Ministers that we can be so edified; that we as the servants of God will truly come into the unity of the faith and the knowledge of the Son of God unto a Perfect Man; unto the Stature of the measure of the fulness of Christ.

Lord, in this Hour in the working of the ministry where You are working by and through and members of Your Bride to fulfill all that You have spoken for this Hour, may You unite our hearts in such a way in the revelation of Your Word. May the Intelligence of the great Captain of the Lord's host Who came to Joshua at that time when You were leading Your Church to possess their inheritance, and You said, "Nay, I am come as the Captain of the Lord's host," and You began to reveal to them how to possess what You had promised; how You were going to lead them into it, Lord. We desire an experience like this, that Lord, God, we could have something.

How Joshua went back to the tribes and he began to speak to them and told them what the plan was, because the Intelligence had come down, and how You

were going to lead them and give them victory in the battle, and the kind of harmony and unity it required for this to be accomplished; the obedience. And Your Prophet said, "When we see the Word from the Head coming down into the Body, it's a sign that the Rapture is at hand."

Oh God, like You did in the days of the apostles, do it again for us. We, Your servants who have seen Elijah, who have seen the revealing of the Son of Man, who have seen the loosing of the Holy Spirit and now it's working through a many-membered Body to accomplish Your will, Lord, help us in these days.

Even as we begin today, may You grant Your servant grace to say something that can bring edification and something, Lord, that will bring confidence in the hearts of Your servants that Your Presence is truly amongst us. We ask this, Father. Let no man be seen but Jesus only. We ask this for Your glory and for the advancement of Your children, the Church of the Living God in these parts that You have put under these men. May You grant it, Lord. Bless us now with this Presence and this Leadership in what we should say and do. We ask it in Jesus' Name, amen.

Amen. Before you have your seat, I would just like to read a Scripture, as our Pastor asked this morning that we speak a little bit on the mark of the Beast and the Seal of God. Bro. Branham said, "It's one of the most vital subjects that the Ministers should have under their consideration in this Hour."

So, I want to read out of Revelation chapter 14, verses 6-14. On this portion of the Book of Revelation, which is really from chapter 12 to 14, it's a great—it's like a breach. The same way we had a breach between the Church Ages and the Seals, we have a breach between the Trumpets and the Vials. And it's in there really, where we find all the things about the Beast, the image of the Beast, the mark of the Beast and these things. So I am just going to read a little portion from chapter

14, verse 6. John was speaking of the visions that he saw.

⁶ And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people,

This angel had the everlasting Gospel to preach to them that dwell on the earth. Now, we know the Gospel is not committed to heavenly angels to preach. The Gospel is committed to redeemed men who are given the Gospel to preach. The commission is, "Go into all the world and preach the Gospel." So this angel is not a heavenly angel, because he is preaching to men on the earth, that dwell on the earth, in every nation, kindred, tongue and people.

⁷ Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.

This angel in his message is warning the people, "Worship God Who created the heavens and the earth, and the sea, and the fountains of waters." Because we only have to look around in the earth today, there are millions of gods that people are worshiping that is not the Creator. There is only one Creator Who created the heavens and the earth. So, this angel, his message is saying, "The Hour of God, His Judgment has come and you should worship only this God."

We have a Message – the unveiling of God, the Mighty God is unveiled before us; Christ is the Mystery of God revealed. This God has been unveiled in this Day, and the Father seeketh such who would worship this God in Spirit and Truth. And we believe that's what you men do, and in your Churches, you worship this God in Spirit and Truth.

This Creator Who had the Title Deed in His hand, He came down from Heaven in this Day, and He said, "Take this Book." And remember in Revelation 10, how He lifted His hand and swear, "I am the One Who created Heaven and the earth"? So watch the same thing here.

Verse 8:

⁸ And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication.

We can look in the earth today and we know who this great city is. Because you know in Revelation 18, It says, "Babylon is fallen, is fallen." And so, this angel, who was seeing this Babylon, was speaking out against this Babylon. And we live in this Day and we can see these things in the earth.

Verse 9:

⁹ And the third angel followed them, saying with a loud voice, If any man worship the beast and this image, and receive his mark in his forehead, or in his hand,

¹⁰ The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

¹¹ And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

So watch, this Third Angel is now warning the people about worshiping this system. So, if you follow the three angels here, you can see how each one is speaking a part of one message really. The first one was telling us about the Hour of the judgment and we should only

worship the Creator. The second one was telling us about how this city made all the nations to drink the wine of the wrath of her fornication. And this Third Angel named the city. And we see this Mystery Babylon, in there, is where they worship the false god. Because Satan was the Beast that this woman sat on, and she had the cup in her hand with which she had drunken the nations. And we have received a Messenger who showed to us, the judgment of this great whore in Revelation 17; the same Angel.

¹² Hear is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus.

Watch what is following the Third Angel's Message.

¹³ And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.

Who are these? Those who died in the Lord. What do we know of the First Resurrection? The dead in Christ shall rise first.

¹⁴ And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle.

From verses 14-20, is a scene of Armageddon. So I read this portion to show you what follows the Third Angel's Message. Armageddon, the Third Woe will follow this. And the Bride must be taken out first. And we are seeing these things that have been spoken, on the earth.

May the Lord bless the reading of His Word! We'll have our seats.

This is a real honor and privilege for me to be here in this conference. You know, when I was reading, I was looking up, trying to think of in coming to the conference and how this is a great thing that we could

have such a conference. And it takes me back to what the Prophet preached on: *Conference; Conference With God*. And in his time, he was watching Khrushchev, Eisenhower; those Eastern nations and Western nations. Khrushchev has ten letters in it; Eisenhower has ten letters. And these five Eastern nations and five Western nations represented the ten toes. And the Prophet told us, 'Khrushchev' means 'clay' in Russian; 'Eisenhower' means 'iron' in English.

I want to read something out of *Conference* because when Bro. Branham saw that, he came and preached *Conference*. Because in that conference that was taking place in the political realm, and in that political realm, the 'iron' and the 'clay' couldn't mix. And Khrushchev did something that the world didn't understand, but the eye of the Eagle Prophet, he caught it. Khrushchev took off his shoe to get some attention in the meeting. He didn't pound with his fist, he didn't take a book and knock the desk; he took his shoe off and began to beat on the desk. And when Bro. Branham saw that, he said, "Did you catch that sign? Did you see what took place there?"

I want to read the quotation on *Conference*. Because that was in 1959 when that had taken place, and so here was the Prophet, you know, seeing those things and wanted to bring that to the church. And it kind of inspired me because Bro. Branham said on *Conference...* This was on the 25th of November, 1960. [Para. 60 -Ed.] He said:

Let me show you how close we are to that judgment conference. [Let me show you how close we are to that judgment conference.]

Remember, he was the End Time Daniel that the Angel came to and opened up the Book at the end of the Seventh Decade so the people could go out of Babylon and go back to their homeland. And Bro. Branham had preached *Beginning And Ending Of The Gentile Dispensation* [1955-0109e -Ed.] and showed, exactly what

happened in the beginning of the Gentile dispensation, is happening again in the last days.

So when he saw that sign, he knew what it meant. Because we didn't live in the head of gold. We didn't live in the chest of silver. We didn't live in the thighs of brass. We didn't even live in the legs of iron. We are living in the days of the ten toes. And from Eisenhower to Khrushchev, we've come all the way from Trump [Donald Trump - American President -Ed.] to Putin. [Vladimir Putin - Russian President -Ed.] The same powers have grown and developed.

Bro. Branham, our Prophet, was in the time of Eisenhower and Khrushchev. He had seen a vision about Russia: "Watch the king of the North." He had seen what was going to happen in America, how the Catholic Church was going to rise and take the nation. He had seen these Curtains: the Bamboo Curtain – China; the Iron Curtain – Russia; the Purple Curtain – Rome. And the Angel of God Who gave him understanding of the Scriptures just like Daniel...

Daniel was shown nations: Babylon, the Medes and the Persians, Greece; Rome. So this same Angel Who gave Daniel visions of these nations in that beginning of the Gentile dispensation, came to this End Time Prophet who was to reveal these things sealed up in the Book of Daniel and the Book of Revelation.

In Daniel's time, Jeremiah was the prophet. He prophesied the things. Ezekiel, Daniel, Ezra, Nehemiah, Haggai, Zechariah, all these men were men who knew the things Jeremiah had prophesied. Daniel was reading the writings of the prophet Jeremiah, and he caught a revelation of his time and season, and he began to pray because he wanted to know the Mind of God for the people who had to be restored to Jerusalem, because that was the prophet's prophecy.

Jeremiah said, "After seventy years you're coming back here." And Isaiah prophesied hundreds of years before, "A man who will be named Cyrus, (he named the man in the Bible,) he will free the people. They will go

and rebuild the temple. And then those prophets prophesied, "The Glory of the latter house will be greater."

Now all of this, were things that were to be repeated back in the last days. So the Prophet, understanding how the king of Babylon, Nebuchadnezzar, went forth conquering and to conquer, how Babylon drunken the nations of the world with their false religion, he saw all these things. And he saw, after Nebuchadnezzar conquered everything, he built the image, and when he set up the image, they forced the whole world to worship the image – Daniel chapter 3. Daniel chapter 6 – how they passed laws concerning worship.

So all those things, when Bro. Branham saw it, he showed to us in the End Time these things will come back. Because the Book of Revelation shows to us, under the Seals, how that Babylonian spirit went forth conquering and to conquer, first, with religion; religious conquest.

What is Mexico to Chile? This is a land conquered when the Spanish conquistadors coming from Europe, the beast in the sea, and they conquered the people and destroyed their civilization. They established their religion, paganism, claiming that this is the religion of Jesus Christ. These people who had come, were those who had killed over sixty-eight million Christians before they crossed the Atlantic to come here. So that means your ancestors, for hundreds of years who were alive on this same piece of land, their blood stained this land. Their civilization was destroyed. And today the Roman power rules here. That is the Beast from the sea.

Daniel only saw four beasts: Babylon, Medes and Persia, Greece, and Rome. John saw five. John saw the same first four beasts, but then he spoke about a Beast that was going to come out of the earth who would speak with the voice of the first Beast – the United States of America in Revelation 13.

That Beast was raised up so that the first Beast can work through that image, the image of the Beast. The 'image of the Beast' means 'something just like the Beast'. God made man in His image and likeness. The Beast is making an image like himself. And the man who God made in His image, will speak with the voice of God. Adam in Genesis 2, showed the dominion: he could name everything; he had power over nature. He was in the image and likeness of God. But this Beast is going to speak—this image is going to speak with the voice of the first Beast.

So these things... We are talking about the conference and I'm showing where Bro. Branham looked at that conference and preached *Conference*. And he was trying to get the Ministers to recognize how close we are. And what we are seeing in sons of the Prophet who are born from the faith of the Prophet, what we are seeing, Bro. Branham saw in vision but not in reality.

He saw in vision what that fourth beast was going to do on the earth. Daniel said, "It's going to break up the earth in pieces. It's going to devour the whole earth; how it will control the economic wealth of the world; how it will force its religion on the world." What we have seen in the last few years is the Prophet's prophecy coming to pass. Because we are living in the time of Trump and Putin. It's the same spirit that he saw in the time of Eisenhower and Khrushchev. The iron was in all the toes. And the iron is the Roman power, the first Beast in Revelation 13.

When I say 'the first beast' don't mix it up. Because in Daniel, the fourth beast is Rome, but in Revelation 13, that is called the first Beast. The Beast that came out of the sea is that same Roman power. We are seeing it here in the ecclesiastical form.

In the legs of iron in the time of Jesus, it didn't have Papal Rome; it was Pagan Rome, military Rome, the Roman empire, imperial Rome, in Nicaea, AD 325 in the

Pergamos Age when the Beast was wounded when Rome began to fail and became weakened as a military power. It rose up afterwards as an ecclesiastical power, which is called Papal Rome. And Papal Rome is professing Christianity.

In 'Pergamos', which means 'married', false union, it is where the antichrist spirit is crowned. And you don't crown a spirit. It came from a spirit, to a doctrine, to a man, and instead of Caesars, now we have popes. And from that first Pope, all the way to Francis, has been a line of those popes. And from Martin to the Bride in the Bride Age, that has come... From the first Pope, Julius Caesar, Pontiff Maximus, all the way to us, the Bride, when all seven messengers are gone, we are seeing a man for the first time in the history of the popes, of all Papal Rome, brought a Muslim in the Vatican and he prayed; brought a Hindu in the Vatican and they prayed. We see this one continued the work from Pope John, the XXIII who said, "That we all may be one." And after World War II, the ecumenical move started.

We are seeing how when that started, the Prophet said, "Not that kind of one." He preached *Oneness* [1962-0211 -Ed.], *The Unity Of The One God In The One Church*, united under one Headship [1958-1221e -Ed.], *Tower Of Babel* [1958-0128 - The Oneness Of Unity -Ed.], *Why We Are Not A Denomination* [1958-0927 -Ed.], *Why I'm Against Organized Religion*. [1962-1111e -Ed.] It was a Messenger with a Message warning people about the mark of the Beast.

His close Pentecostal associates, David duPlessis, Demos Shakarian, they went to the Vatican; they fellowshiped with the Pope. They came back: "Bro. Branham, the Catholics are coming in. They are speaking in tongues now. Oh, we're going to win them to the Lord." And the Prophet said, "I cried." He said, "These men sat with me." And they said, "Oh, Bro. Branham, it was such a spiritual atmosphere when we went into the Vatican."

The word 'Vatican' means, '*the place of divination*'. It's the seat of Satan. And these men were seduced and enticed by that Jezebel spirit. And Bro. Branham had to separate from his close friends. You'll find this in *Souls That Are In Prison* [1963-1110m -Ed.]; *He That Is In You*. [1963-1110e -Ed.] He called their names because they were moving the Church into Babylon. He said, "We've spent all these years trying to pull the Church out of Babylon."

These men, without spiritual revelation... Because they only saw Bro. Branham as a man with a gift who could discern the heart, and who was only supposed to pray for the sick, not try to teach. They said, "God didn't send you to teach, God sent you to pray for the sick; leave the teaching to the teachers. They didn't recognize their Day, they didn't recognize their Message. A true sign was overlooked; God was being misunderstood.

He said, "*Who Do You Say This Is?* [1964-1227 -Ed.] *A Greater Than Solomon Is Here. There's A Man Here That Can Turn On The Light.*" [1963-1229 -Ed.] Being theologians, they couldn't understand the language of a Prophet, and they were destroying the work, because God had sent him to bring the Church out of organized religion; call the Exodus; bring Israel out of Egypt, the system; bring them to the promise. He had a commission and the people weren't understanding his preaching.

This is why we as Ministers have to understand the mistakes that those men made. Because in this Day, Satan didn't say, "Oh, let them go, let them go." Anybody with a little spiritual discernment can see, the Message is infiltrated. When I say 'the Message', I mean the Message people; the framework of the Message.

You say, "How can you say that, brother?" Sometimes that stumbles people. I say, we have one Bible, forty different writers; no contradiction. Over fifteen hundred years of these forty men's writings, we have the perfect Word of God to bring us into full Redemption. Yet we have thousands of denominations and everybody's with their own interpretation;

everybody's claiming to have the Spirit. Yet, you can't find Samuel contradicting Moses. You can't find Hosea contradicting Isaiah. You can't find Zephaniah contradicting Jeremiah. Men of old were moved by the Holy Ghost to write the Word. The Scripture was given by the inspiration of God. It cannot be broken. Not one jot or one tittle could fail. Yet today there is one Bible and look at the confusion.

Then we came and have one Message. One man spoke twelve hundred tapes, and we have thousands of interpretations. And when the man died in 1965... He had to be dealing with spirits in his own church who was worshipping him, trying to make him God. And today, people are baptizing in his name. I've been in the Congo many times. Men raised up themselves. There are people in South Africa, well known men, the whole church is calling his name and saying, "This is the name of Elohim." Crazy.

We see men in the Message, raised up, fighting their brothers. We go in the Bible and we realize Abraham, he had an Ishmael, he had an Isaac and then he had six sons of Keturah. Three wombs: Hagar, Sarah and Keturah, received Abraham's seed. They were all family.

Branham and Abraham are parallel. Branham is a father of many nations. I am sitting here this morning. Branham has children in the Caribbean. Branham has children in Bolivia. Branham has children in China. Branham has children in New Zealand, not from his flesh; out of his faith. The real promise of Abraham was the Son from his faith, not his flesh. Isaac was from his flesh and that produced the Jewish nation. And when God came in flesh, they called Him Beelzebub and they crucified Him. They couldn't recognize the God of Abraham. Jesus said, "You say you are Abraham's seed? If you know Abraham you are going to know Me." So the Message is infiltrated; we know that.

What is this conference about? Maybe right in this room we could have a variety of interpretations and

ideas, starting with me. I don't want to say that I am special, but to bring the thought. But I believe in this region, I didn't just show up here. I preached in many of the churches. I listened to many of the men. I discerned the spirit of the men.

Bro. Branham preached, *Discernment Of Spirit* [1960-0308 -Ed.], *Discerning The Body Of The Lord*. [1959-0812 -Ed.] He said, "We are commanded by God to discern the spirit of man." We have to know this. We have to know who is true and who is not true. Because the Word said, "The Elect will not be deceived but everybody else will be deceived."

This is why it is important for us. Because the enemy has been successful... His greatest success in the Message is to make people misunderstand each other; have fear of each other. And that is normal because he did that with the apostles and they the same way. They were afraid of Paul. They said, "You go in Tarsus and preach. Okay. You said He appeared to you? Alright. Well maybe you should go down there and preach down there. We walked with Him; He hasn't told us anything about you yet, so we're not going to listen to you." And they put him aside.

When he started to raise up churches of the Gentiles, they criticized him: "Who sent him to preach out there? We are the headquarters. We were the first ones that the Power came to. We walked with Jesus. We will lay hands on men and send them out. You said you saw a Light? You're calling yourself a wise master builder? You said you are a light to the Gentiles? This is a little strong for us. We need to understand this better before we embrace you fully."

That's why today everybody who hears a rumor about somebody, they are not brave enough to say, "Let me sit down and talk with this person. Brother, how did you come up with this? Is this in the Word? Show me. I'm not saying you're wrong; my view is different, but like God said 'Come, let us reason together.'" Because if you

have something from God, it will fit into the Bible and bring the Bible to light; it will fit into the Message and bring the Message to light.

We have to see our need for each other. One of the big problems I've seen travelling around the world... I've gone around the world maybe about four times already because we have been on every continent. I'm not saying this to promote something; I'm saying this to say, I've seen all the different kinds of interpretations. I've seen the different kinds of men: who have ambition, who want leadership, who want people under them; men like Diotrefes. I've seen men like Hymenaeus and Philetus whose word eat like a gangrene; who've caused many to be shipwrecked, and overthrew the faith of the people. And so, I know the troubles that exist between the framework of the Message. That is what I meant.

So in our travelling, we see this, and when we see this, I know many of the brothers here who are like leaders among the people. You say, "Leaders among the people?" Yes! Peter, James and John were like leaders among the people. When you went into Jerusalem, you couldn't put these men aside. Everybody knew that they were called for certain kinds of ministry.

That's why we have men like Bro. Peralta [Bro. Pedro Peralta -Ed.] here that we all respect. Because these are time-tested memorials. He may not have gone around the world like how I have travelled, but on this continent, I know who this man is. I've known him for years. I've gone into his church.

I remember the first time I went into Santiago and I saw their motives; I saw their hearts. Bro. Patricio [Meneses -Ed.] came out of this church. I've seen these men. Bro. Ever [Montalvan -Ed.] and the brothers in Peru, Bro. Luis. [Pastor Luis Salcedo -Ed.] I remember the first time, it was Bro. Peralta and they who had arranged meetings for me to go into Peru. Him and Bro. Juan Quian had visited our church. And then I went there and, boy, they were having some problems.

I always remember the day we sat in a *Ministers' Meeting* and that door came open and he was in a blue suit, a navy-blue suit, and Bro. Luis walked in that room and you could tell that this was something... You looked around... I heard afterwards, that Bro. Juan Saenz, a few of the other brothers; I think Bro. Ever was in those meetings.

So they are leaders that God raised up. They don't take a leadership to say, "I am special," but we respect these men. They've survived everything: every kind of doctrine, every kind of influence, men who tried to organize them. But these men were not looking for leadership of man. Real Ministers desire fellowship with a man.

You see a man who is a good electrician, he's a good plumber, he's a good mason, and you're building a house, God's house? You say, "I want to get close to this electrician because I could do a little electrical work but not like that. This man is a specialist. This man understands the laws of electricity. He's not doing something by memory, you know. So when we see men...

Like musicians, you see a man who can play a little guitar, he can play a saxophone, he can play a piano, you realize, he is multi-talented. You see one man who could play a twelve-stringed Spanish guitar and you realize that he is very unique. His degree in guitar playing is like an A-class; he could play different styles.

Ministry is in measure; gift is in measure. Men could have a pastoral gift, men could have a teaching gift; men could be a Pastor and a teacher. And then you get a teacher. And he is a teacher, and when he starts to teach in the Word, when he is finished, the subject is clear. You realize now, he is anointed in a certain channel. These are some of the things you see missing today. Men cannot discern the operation of the Spirit, how He works through different ministries. And we should embrace these things.

Sometimes you see a Pastor in a church... You could be a teacher and you're a little cocky. You could teach, "He's not seeing the revelation. This one doesn't understand the revelation, the deep things." And then you realize, that knowledge is there puffing up. And you see a Pastor, he may not go in the realms of teaching like that man, but he is a shepherd laying down his life for his sheep, and his church is in order. His people are rallying around him, lifting up the hands of the ministry. And this teacher who is teaching, his church is in a mess.

We see these kinds of things. And there are reasons for this, and we learn to analyze these things and we have experience. And we start to realize, we need each other's help. Because men have things in degrees. It's not sliced bread – everybody gets the same measure of the slice.

The problem is, the lack of that understanding has made men come together and just hold on to their church. "My church, you have your church; his church." And in truth, none of us have any church. We didn't die for anybody. We can't put anybody in the Rapture. God chose people before the foundation of the world. God gave us a gift. The gift is for edification. And men got stuck looking at their church and didn't go far enough to understand, the gifts are for the Body of Christ, not a local church; for the Body of Christ.

There are three kinds of believers in every church but only one kind of believer in the Body of Christ. Water baptism puts you in a local church, it doesn't put you in the Body of Christ. It cannot put you in the Body of Christ. Spirit baptism puts you in the Body of Christ. By one Spirit we are all baptized into the Body of Christ. So in the Body of Christ, are the people who are considered in Redemption.

In the local church are people who get influenced with water baptism and they come and they sit down because somebody sprinkled them with water and told

them they were baptized. So they leave that and they came and got baptized: "I'm in this church now." Somebody used to wear pants, some woman, and she realized now, "I must wear a dress," and she joins the church now. This is not going in the Rapture. It's people who have to become the Word, not by their might and power. God put a Seed in them and when the Light of the Hour strikes that Seed, that Seed has all the potential to bring them into the image of Christ.

So coming back to what I wanted to say now, I went there explaining to you how the framework of the Message is infiltrated, why we are divided, and the importance of having this conference. Because we believe all of us understand we have a responsibility under us before God. He put people under our care to give them the spiritual Food in due season.

There is Food for every season. Justification was a season; we needed to get justification. Sanctification was a season; we got sanctification. Restoration of the gifts was a season; we had to learn about the gifts in the spirit. Then the Word came, the Fullness, and we started to understand, we bypassed the Word and we have to come back to become the Word in this Hour just like the Prophet was. He was the first mature one. So when we know our season, we'll know what the Church needs and where we should focus to raise the Church up to the level that the Church must be in.

That's why meetings like this, when the brother said "International Ministers' Conference" the reason I came for that, is because for the last seven years I was telling brothers... They said, "Oh, Bro. Vin, come and preach," where there was a convention; "come and preach," where there was a convention. I said, "That was a season; that time has passed." It's nothing against conventions, but the Ministers in this Hour must know where they're taking the people; they must understand the Hour.

The reason churches have not made much progress, is because the Ministers need to come together where we can see 'the electrician', 'the plumber', 'the carpenter'; 'the mason'. We can see the men who God gifted in a way to build the Church and bring the Body of Christ to the condition, not get stuck in "Me and my church."

All of us have problems in our church with people. Do you know why? Flesh and blood... We are the outside teacher, and flesh and blood cannot give a revelation. You can preach the right thing to your church day and night, but if God doesn't open their understanding, if they're not desiring the revelation, years will pass and the church is still the same. We'll preach masterpieces and the church is still the same. And we look at the Alpha Church, we see what it was, we see how those men operated, and we realize, this is the condition the church must come to in this Hour.

So when they said, "Ministers Conference," I felt, "I want to be here; not to speak so much but to sit and listen to some of the men too, and hear what their vision is. Because where there is no vision, the people will perish. And what kind of vision do we have? Taking people out of the system? We've worked in that for many years. But Redemption is in two parts: out of and into. Jesus took them *out of* Judaism but brought them *into* the Holy Ghost, and set them positionally and they had an apostolic church. Jesus didn't leave them there; He brought them into the Holy Ghost. John had a great ministry; he introduced Jesus, but nobody got the Holy Ghost under John's ministry.

Nobody could get the Holy Ghost under Billy Graham's ministry. Bro. Branham said, "Billy Graham only has an emptying out message; get thirty thousand and you go back and can't find thirty." And Bro. Branham said, "He's working in the wrong lines." And I learnt something there. Everybody could preach but how many know how to work? The Prophet said,

“Natural scientists work by natural laws to achieve natural things; spiritual scientists work by spiritual laws to achieve spiritual things.”

I came here because of the experiences we have had and things I've been preaching in my church, then left to go to give some support to my brother here from New Zealand who works in the Asia-Pacific region. I met him in 1988, when I went into New Zealand. When I went down there and God had me to preach certain things, I couldn't understand why these Ministers had heard the Word and wouldn't invite me back? Well I said, maybe they figure they wanted a personality in the Message.

So six years passed, then one day I got an invitation. And in 1994, they invited me. He was a deacon the first time I met him. When I went back, I realized him and other brothers had received the things I spoke but they were not in a position to invite anybody and they kept lobbying, “No, let Bro. Vin come back. He has something that could help us go forward; not look backwards or just hold us together but to keep the church moving forward.” So then, when I saw how they understood...

Now we're talking about Ministers' conference. We will get to the mark of the Beast and these things. Because you can't talk about the mark of the Beast and don't talk about the Seal of God. One is the opposite of the next one. And for us, if we have the Seal of God, we know exactly what the Mark of the Beast is. We could see it. We could even see the one who is bringing down the mark, how he's working to deceive the world today.

The Seal of God is the Holy Ghost, which is not the third Person; It's the only Person – God above us, God with us; God in us. And that Seal of God in us, the Holy Spirit, this is the Inside Teacher, this is the Spirit of Truth that leads us and guides us into the Truth. And if that Truth is there, we will have a filling up ministry. Any man who truly has the Holy Ghost, will be able to minister an entrance to bring his people into the

spiritual Canaan, to find their position; to be set positionally in the Body of Christ; to operate their gift that God has given them in the Body of Christ. And that church will be an Ephesians where every man has a measure; where the Body is fitly joined and compacted together in the measure that every joint supplieth.

So, I was excited to come, to hear, and be able to draw, and come to know better some of the other men who I've heard about but never met. And so, we went out to the Philippines, and it was *Ministers' Meetings* mostly. Because I told the brothers, "We need to be having *Ministers' Meetings*; this is where the emphasis should be." *God's Gifts Always Find Their Places* [1963-1222 -Ed.], *Why It Had To Be Shepherds* [19641221 -Ed.], *God-Called Man* in shape to carry this Message [1958-1005e -Ed.]; *Five Musts To Do God A True Service According To His Will*. [1965 -Ed.]

You see men operating in the ministry. You say, "Do you have five 'musts' to do God a true service?"

Say, "I've never thought about it."

The Prophet taught that before we could do God a service, He has to prepare us for that service, then we must know the five 'musts' to do the service; then we must know not only what service is to be done, but how it is to be done, and how a man, when he knows his gift and he sees another man's gift... It's different men. One had gold, one had frankincense, one had myrrh, but they all saw the same star, and they were all following the same star, and the star was bringing three gifted men with different gifts to one Christ. And this man could draw from the man who had gold. The man who had gold could draw from the men who had frankincense and myrrh, because one didn't have everything.

When men miss these messages the Prophet preached, we will find ourselves not working in the line of the Spirit. Because in bringing these messages, it was solely directed to the ministry who it will continue

on in when the Prophet goes off the scene. Just like Peter and James and John and Andrew and Philip and Paul and all of them, they knew how to continue, because the same Spirit that was on John and Jesus, was now in them continuing the work. And God didn't change His Mind about His Word. They were working in continuity with the plan of God. And that was where their power was because they understood the Message in the right way.

When I saw that this was the emphasis, that the Ministers should come together, because little progress has been achieved but the church is looking around. Look right in Venezuela, these were some of the things we were speaking about there in the Philippines. Look at the move Columbia and Brazil made to go into the circle of influence with the United States.

Political leaders do not know the Book of Revelation. You all are the men who have received the Message. They know America as a power putting a will on the earth. You know it as Revelation 13:11-18 – the Beast that came out of the earth. You know the seventh vision – it will burn with fire; the atomic bomb. You know America has gone into apostasy because they've rejected the Message. And Bro. Branham said, "I don't pray for it anymore." You know it is the Roman system. America is the military power of Rome. Rome is their counselor. Jezebel is the counselor behind the throne.

Read your Bible. Read *Jezebel Religion*. [1961-0319 -Ed.] Read *The Fourth Seal*. [1963-0321 -Ed.] Read *The Church Ages*. Israel's history is repeating itself in the United States, where Ahab and Jezebel have come in a union. And Elijah, at that same time, repaired the altar; turned the hearts of the children back to the faith of the fathers. And it was God Who told Bro. Branham, "Go into the Book of Revelation. Look what is happening. The Church must have this Message." That was in 1960. This is 2019. This is fifty-nine years where we

are conscious in the Message that *that* history is repeating itself.

You all who live in Bolivia... I don't think we have anybody from Nicaragua here. They call it 'the triad': Venezuela, Bolivia and Nicaragua. These three have to be taken down. They will not let anybody here with Socialism and these things, uniting with Russia and China and them and making treaties so they could come and mine the gold and the coltan, and the diamonds, and the uranium, and the lithium, and these countries will get big and powerful. Why? For years the Roman power tried to keep these countries down while they grow in wealth; while they say, "We are the only superpower in the earth." But the Scripture has to be fulfilled.

You see Russia sent those weapons. First, they brought a simulation of how they will put the bombs in America. They said, "Do you all want to bomb us? It will take you six minutes to hit us." They said, "We will hit you in two minutes, so be careful." And they put these bombs right here. "And we came in legally because we were invited by the elected government and we have billions of dollars invested in this nation."

We have sat over the last couple of months and saw how no international law has no weight anymore. Who is able to make war with the Beast? They haven't dropped a bomb on Venezuela yet; just by sanctions they ran. Over four million people are fleeing for refuge. People are dying. And all the propaganda that they have the minds of the people in, saying, "No, no, it's the government doing this; this one's doing this," because they don't know the Bible.

If that war breaks out there, do you know the condition this nation and other surrounding nations would find themselves in? What are you going to do with your people when the sanctions come in? If it's famine, you can't get food. With famine, pestilence goes with that (that's right!) once war starts. He said, "In

that Hour, the Church has to be Sealed.” Because this what is happening is prophecy.

Who is America? The Beast that came out of the earth. Who is Rome? The Beast that came out of the sea. Who is the Purple Curtain? Rome. Who is China? The Bamboo Curtain. Who is Russia? The Iron Curtain. What is happening in Venezuela? Who's involved? Russia, China, U.S.A; Rome.

Who are we? We are like Daniel and Ezekiel and them, who ate the Book. We've heard our Prophet, Jeremiah, say, “The king of Babylon will take all of this.” Ezekiel said, “I see the slaughtering angels being held back.” They can't loose any bomb here not until God permits it. But there is a window open and the Church is under prayer, crying and sighing, and the Sealing Angel is moving through the churches, the Prophet said, “To seal those who sigh and cry.” Because that door is closing.

When that thing starts, there must be a people, that if it's biological warfare... Revelation 8 and 9 shows you chemical warfare, biological warfare. Revelation 13, Revelation 18, shows you nuclear warfare – the Vatican will burn in an hour. Seventh vision, America is burnt – nuclear warfare. Disease coming on men; pestilence. Revelation 9: “Touch not these who have the Seal of God. Move.” And Bro. Branham said, “How we ought to be Ministers to make our church immune with the inoculation of the Holy Ghost in this Hour. This is the Seal of God. Outside of this is the mark of the Beast.

Message people could sit here sometimes and hear the Word and it's a foreign thing to them because they look at the part of the Prophet's Message to bring the people subject to them: “Obey your Pastor. Don't do this.” And Nicolaitanism comes in the Message. And the church is conquered in many places and they do not know the Prophet's prophecy. They know the things like ‘church order’ and these things. So the church is behaving well, everybody's dressing well; everybody's

coming on time. And, "What is happening around you? Are you seeing it? Are you seeing the spirits that are moving?" These are the flashing red lights of the sign of the Coming.

This is where Moses, when he began to see the plagues and these things starting to come in, he moved his church into Goshen; got them under the Token. He understood the Mystery of the slain lamb and the shed blood, which is the Message of the Hour today. Because the slain Lamb is Christ, slain before the foundation of the world, and the names were put in the Book, the redeemed. And he put them here. They were the chosen people with the promise and no plague could come in there among them. They were in an economy, a faith economy raising up. When Pharaoh said they couldn't have this, God was providing Supernaturally for them.

That is the hour we're coming into. Because the mark of the Beast, when they close down churches like these, if the mark of the Beast comes... Well the real mark is going to be set down when the Bride goes up. But rejecting the Holy Spirit, not coming into the Holy Spirit, not having the Seal of God, what will you resist when you are being pressured: "Do you want to operate as a church? We'll confiscate these churches and they will be given to people who are certified by the World Council of Churches and is recognized and made legitimate by the state." This is the Squeeze, you know. This is the pressure.

Our pressure is whether we are going to go into the system, to be recognized legitimately as a Christian Church. If we are a true Christian Church and we are against the unity of the people... Because this is what is coming – the ecumenical move. And this is why it is necessary, in these areas of the Word, that Ministers know how close it is. "Are my people ready? Do we have the faith? Do I have the faith as a Minister that my people looking at me: 'What will my Pastor do?' And I

come and tell the church, well, I think, you know, we can't be fanatics. And we could play smart. We can go in, sign up the paper, but we are going to be secret Christians." No. "When I see the Blood, when I see the Token on display, I will pass over you"; not when the Blood is in a basin hidden somewhere. This is the victorious Church.

If we are not looking at those things, then it means we have come, we have fallen asleep, and the Word is being fulfilled and we are seeing things that Bro. Branham was calling for conference. "I have to have a conference. Look what is happening." Look 1962, the Cuban missile crisis. It came back here. Russia came back with the weapons right in the backyard.

The President here, he told the United States, he said, "We are not your backyard. We stand with Venezuela. We stand there." And you have to admire the man. But he does not know the thing scripturally. So as a human being he has a conviction. He will not let them roll over him. But he is one man.

Look what they did in the country. They sent millions of dollars in Venezuela, stirred up the opposition; went on the streets and protested. We took it on camera. Next day it's in every nation on CNN, going around the world. Twenty-four hours a day it's being shown: "And Venezuela, and Venezuela."

Then France came in; this one came in. Do you know that Maduro [Nicolás Maduro - President of Venezuela -Ed.] got more votes in his election, percentage wise, than Trump; than the President in France? And all of them are saying, "He must step down." And they questioned Trump's presidency, that there was falsehood behind the voting, but they are not interested in this. They control the media. And the media is the influence that everybody is looking for.

Are we not a media too? Don't we have God's Word? Isn't our light coming from the Throne? Shouldn't we keep our people quickened, raised up, focused;

understanding in our churches, the time, the season, the modern events making clear the vindicated prophecy? If we have the vindicated prophecy, it's because we had the vindicated Prophet. A vindicated prophecy came from a Prophet who was vindicated, who was to open the Book of Daniel, open the Book of Revelation so we could understand the End Time. And then the modern events, we are seeing it. It's coming to pass. The prophecy is becoming history. And when we see it around us, if we are not looking there...

Look in the natural realm, they put up the big screen and they say, "Look, the winds are moving here. It is mixing with these hot winds; it's forming a tornado." And they're tracking the speed from eighty-five miles, to one hundred, to one hundred and twenty: "It's now a category two storm." They put the map and they say, "It's coming in this direction: this nation, that nation, and when it goes out here, all these people better get in a refuge. Because with that amount of rainfall and the strength of those winds, expect so much to die; expect so much chaos in the country." And if those natural weather prophets... Bro. Branham preached the message, *The Oncoming Storms Of Judgment* [1960-0229 - Ed.], and he said, "What kind of men are we?"

Do you know Noah was a weather prophet? Do you know Noah told them, "A storm is coming that will destroy this civilization"? Do you know Elijah said, "Rain is coming"? That's right. Do you know Jesus said, "Go in the upper room; Former and Latter Rain is coming down on the Church"? Do you know Jesus prophesied, "Not one stone will remain standing here"? He said they will be scattered into all nations.

Nobody was understanding. They liked the miracles but they didn't understand His prophecy. His Own disciples, they said, "Lord, what does it mean? The sign of the Coming, the end of the world, what do these things mean? Not one stone?" And He opened the Seals - Matthew 24. Do you know why? Because they came

back around. They were interested; they wanted to know.

Could we have *The Seventh Seal* book [1963-0324e -Ed.] and *The Church Ages* book and be blind to the things going on around us? This was given to us so we, the Ministers, could be awakened and we could track the storm. And we see the wars, the slaughtering angels. We're seeing the movement of troops. We're seeing the alliances for the war. We're seeing the fence that they are putting around the nation. We're seeing the pressure. We're seeing the propaganda war. We're seeing the sanctions that is bringing the famine.

Go back in the Bible. Titus surrounded them; starved them. It caused crime to rise. It caused inflation. It brought recession; unemployment. It started revolt. And then the sword came and they destroyed everything. But look what it started with. They started to cut off the trade. They started to set up military installations. Go back in Ezekiel 9. Bro. Branham said, "It is going to repeat again." Look at the things.

We are having a conference. Let me read the quotation and close for the morning here. Listen.

[1960-1125 - para. 60-62 -Ed.]

He said: *Let me show you how close we are to that judgment conference. Did you notice in the other conference I want to speak of just a second, just briefly touch it.*

He said, "I want you Ministers who have come, you have to ask yourselves, 'What did I come for?'" I asked him [Pastor Lino Mollericona -Ed.] last night, I said, "Tell me, you received a transmission to have a conference. What caused this? Where did this come from? Why?" You are the recipient. We're up in the mountaintop here having this conference; very significant.

They had the conference here the other day. I don't know whether you know it or not.

Watch the Prophet, okay? He is a Prophet, but he is sensitizing the people to something going on in the political realm.

Some people, we who are in touch with God, [Some people, we who are in touch with God,] I think we ought to enlighten our people to what's going on.

Because that was major. That was the Bible. Eisenhower and Khrushchev: iron and clay, it can't mix. He took off the shoe. It was identifying the time. Daniel started off: "Thou art the head of gold, oh king Nebuchadnezzar" – the beginning of the Gentile dispensation when the Mighty Angel came at the time of the evening sacrifice, and opened up the Book for Daniel. At the end of the Gentile dispensation when the Mighty Angel was to descend to open the Book, He came to this man and showed him, "We are here now." And I'm trying to show you, we are here now in 2019, and it's not Eisenhower and Khrushchev, but Trump and Putin. It grew, grew, grew and now we see the chaos on the earth.

In the days after Eisenhower and Khrushchev, we see what happened to Libya, we see what happen to Iraq, we see what happened in Syria, we see what happened in Egypt with the Arab Spring, we see what is happening in Venezuela. It came in our region. It came on our doorstep. Chile, Peru: these nations are aligned with the U.S.A.

We can't even afford a national spirit coming upon us. We have to know that we are a nation within our nation. Because God put men there, watchmen in the tower.

"Watchman, what of the night?"

He said, "The morning cometh and also the night." He looked out there, he said, "The troops are coming. Blow the Trumpet in Zion; sound an alarm in my mountain. Wake up the people. Wake up the mighty men, for them to take their positions because something is on the move that could be destructive." Our people, we know the Refuge. The Blood in Christ, the Holy

Ghost seals away a people. We have the Message of the Hour. The Light is shining in the Bible, showing us the modern events, making it clear, so that we can fulfill our responsibility.

He said: ... *we who are in touch with God, I think we ought to enlighten our people to what's going on.*

What was going on? God gave a sign when Khrushchev and Eisenhower couldn't agree. And that was in the time... Two years after that, it built up into the nuclear crisis. And you hear Bro. Branham in 1962: "Oh God, look at the weapons in the hands of these unconverted men." And a Prophet was standing in the gap, praying and pleading.

Castro [Fidel Castro - Deceased former Prime Minister of Cuba -Ed.] died, but before he died, he anointed Chavez. [Hugo Chavez - Deceased former President of Venezuela -Ed.] He opened the mystery from the political realm to show them, "Watch this America; it's an imperialistic power. They are going to enslave you all. Remember our history. Go back to the Bolivarian revolution. We need standard; we need courageous men." He got with Morales. [Evo Morales - Former President of Bolivia -Ed.] He got with Ortega. [Daniel Ortega - President of Nicaragua -Ed.] They were preaching their doctrine and these men were receiving and understanding.

Before those other men, they were just on money from the States, opening up their country like a woman who is selling herself for money. And they were coming in, taking the wealth out, building up their nations and leaving these nations in poverty, and just using these people as puppets.

You saw what they did with Noriega [Manuel Noriega - Former Military Officer of Panama -Ed.] in Panama. They picked him up, they locked him away in prison in France for years, humiliated him, and they've broadened the Canal since then for the trade and commerce. Of course. And now they've taken control of Panama.

We have to watch. This is why we were given the Seven Seals. He said we who are in touch with God, wake up our people.

He said: ... *Did you catch what that was?* [Did you catch what that was?] ... *Remember, there were five eastern communistic nations represented there, and five western free nations represented there.*

Then he went on talking about Daniel with the head of gold and all these things, and then he was coming down to the end now. He was showing how they couldn't mix. I'm just saving a little time. If you have the message you will find it: *Conference.*

He said: ... *We're at the end time, brother, sister. Can't you see where we are [at]?*

Listen THUS SAITH THE LORD. Repent. I predict three curtains. In the Name of the Lord, there's one called the Iron Curtain, which will be Russia.

We see they moved the weapons. We are back in another cold war that is going to turn hot very soon according to the prophecy. Armageddon follows the Third Angel's Message. I would like to continue with that to bring it to show you, he said, "Those were the last three Church Ages angels. Because the last Messenger is the one who opened the Mystery of the Beast, the image, the mark of the Beast; who warned us. We've learnt these things from the Prophet: who Rome is, who America is, who Russia is. We've learnt these things through the opening of the Seals.

Watch. And Russia is right there, the Iron Curtain.

Watch Red China. That'll be the Bamboo Curtain.

They've united with Russia. And what do you think is happening? Because for the last few years, you have what they call a 'unipolar' world – one empire: "We are the only superpower." But since then, Iran, Russia, even Turkey is joining in, China, they have moved away from the U.S. dollar and they are forming new alliances.

When you go in Revelation, It talks about the kings of the East, and the drying up of the river Euphrates. If

you have any insight... How did Babylon fall? The river Euphrates was dried up. Cyrus received a dream to divert the riverbed, and they got into the city while Belshazzar was relying on his strong defense system: "Oh, they can't come in here." They were having chariot races around the walls, they were having their party; they brought out the vessels and they were drinking. They were doing that in defiance of the Medes and Persians. "Because we are so fortified, nobody can penetrate this system." But God showed Cyrus, "Divert the riverbed.

Who were Cyrus and Darius? They were an alliance: Medes and Persians, eastern powers; kings of the east. And the drying up of the river Euphrates was to bring the fall of Babylon. Babylon is in the beginning of the Bible, in the middle of the Bible, and at the end of the Bible. And we are seeing, in these last few years, the might of the Babylonian power being let loose, through the United States.

Notice. He said: *We're at the end time... Can't you see where we are?*

He said: ... [Now, China] *will be the Bamboo Curtain. They're horrible, but watch that Purple Curtain that's rising in the United States and over the world...*

Do you know that America has over eight hundred bases strategically placed over the earth?

...the United States and over the world, the Roman Empire, the cruelest of all of them.

Do you see how cruel she was? Over one million had died in Iraq, just on sanctions, and then over one million died through the hot war after they deceived the people saying, "They have weapons of mass destruction" and there were no weapons of mass destruction; they had chemical weapons. But do you know who gave it to them? The United States had given that to them so that they could stand against Iran. They're dividing and conquering the nations; putting them one against the

other. And they have been so successful with that in this region.

Do you know the sad part of this? Many Message Ministers have the Message, seeing that these are the two beasts: one from the earth and one from the sea. When that Mighty Angel descended, He put one foot on land and one foot on the sea and He took dominion over these powers. And He had the Book in His hand open, and He gave It to the Bride to eat so that She could stand with the Word, knowing what these powers are and not be deceived by these powers. Yet you hear Ministers saying, "When America comes in, we will live better, we will do better." No. Rich and poor, bond and free, great and small, no middle class; master and servant; ruler and slave. All of that is going. The people become property, a labor force to the conquerors. Watch the things in the Bible.

He said: *Remember in the Name of the Lord. Get away from it. Come away from anything that's attached to it. Flee to the Rock. The coming of the Lord is at hand. We need a conference. I need a conference to talk these things over with God. The church is at the end of her road.*

When he saw that sign, when he saw where it reached in the plan of God, when he saw in 1962, the Angels coming in the form of the Headstone, a pyramid form, he said, "Sirs, is this the sign of the end?" When time will be no more, when Redemption is over, he that is filthy, is filthy still; he that is righteous, is righteous still.

How the urgency of the Message... Like Jonah, in forty days, he said, this was going to... And Jonah, the message was so urgent and Jonah wanted to take a vacation and wanted to go to Tarshish, because he wanted to evade the pressure and the responsibility of crying out because he feared he would put his life in danger. Yet, he was raised up to be the mouthpiece of God in that hour. Man running from the Presence of

the Lord; man who didn't want to carry a message of oncoming judgment.

Brothers, may God help us over these days that we can sit, we can meditate, different men can express, and we can listen and see and understand, and become a more unified ministry that God has put in the Body of Christ for the preparation of the Church in this Hour.

May God bless you for your time, for your patience. I just created a little atmosphere, setting a little platform for the things that will come behind, because we need this conference. So, God bless you as we turn to the host, the local Pastor. Praise the Lord.
