THE INSANITY OF THE MIND AGE PT. 1

TRINIDAD

FRIDAY 5th OCTOBER 1984

BRO. VIN A. DAYAL

[Song #288 Songs That Live -Ed.]

Come into my heart, Lord Jesus

Come in today,

Come in to stay,

Come into my heart, Lord Jesus.

Every head bowed. Every eye closed. Let's lift our hands. Let's sing it again with sincerity; really mean it.

Come into my heart,

Come into my heart,

Come into my heart, Lord Jesus

Come in today,

Come in to stay,

Come into my heart, Lord Jesus.

Oh, one more time.

Come into my heart

Let the Dove of the Holy Spirit come down. Let Him move into your heart now. Let Him tender up on the inside.

Come into my heart

Let Him make His abode in our hearts.

Oh, even now Lord. Come in today...

... today,

Oh, come in to stay,

... to stay,

Come into my heart, Lord Jesus.

Amen. Every head bowed. Every eye closed. We have a couple prayer requests before we pray.

Bro. Allen requests prayer for the salvation of the soul of his first cousin, George Phillip.

Sis. Lorna [Sis. Lorna Peters -Ed.] requests prayer for John Joseph (75 years old), who has been suffering with

headaches for the past fifteen years. He has been to several doctors, both in Trinidad and overseas, but it was to no avail.

She's just believing that God will touch him tonight.

Let's have faith. With God all things are possible.

If you have a special request, just hold it in your heart also. He is more than able to give unto you, your heart's desire tonight, if you would only believe it.

Our Heavenly Father, how we thank You for the Presence of God in our midst tonight. We just know that these past few weeks, You have been taking us into such an experience; walking us in places where we have never walked before. How You have come down close to us Lord, night after night; as we would gather together, as we would sing these old sacred songs, as we pour our hearts out unto You in prayer; as we would yield ourselves unto the Holy Spirit. We are comforted by the Word of God that says, "They that hunger and thirst after righteousness, they shall be filled." Even as we sing this song tonight, "*Come in today, Come in to stay,*" oh God, that is our hope and plea, that is our desire, Lord, that is the intense longing in our hearts; You will take up Your abode in our lives, You will be Lord of our lives; You will be our Leader and our Guide.

Heavenly Father tonight, we just know that You are going to speak to us, so we just want to be so quiet in Your Presence; our hearts opened up to Your Holy Spirit. We want to be so sensitive Lord, that the Things that You will speak unto us, Lord, we will be in the right frame of mind to have the right understanding, that Your Word will take the right effect upon our lives.

Lord we see many a times Lord, we have heard Your Word and tried, oh God, to not just be hearers, but doers. Lord, somewhere along the line we just seem to not be able to maintain the right atmosphere as we should. We know Lord, it has been a stage of immaturity but oh God, we know sometimes also, it is because we did not receive It in the way we should have received It.

And Lord, times have passed and we have come to a more ripened stage. And Lord, we see the Holy Spirit, Lord, begin to take control. Oh God, how we want every Word that is spoken Lord, to have such an effect upon us that we can receive It in the Spirit, in which It is being given, Lord. Let there be a real Divine healing of the soul tonight, oh God, as the Oil and the Wine will be poured in, God, the Transforming Power will change us and make us more like our Lord Jesus.

We pray tonight for these who have requests upon their hearts. Even these who might be standing on behalf of loved ones; believing for them tonight. Your great Presence that is here, we ask that You would go now in the direction of these whose requests we have read tonight, and these who might be holding their requests with faith, standing there in their seats, believing, Lord, that You the omniscient God, Who knows what they have need of, would see the faith in their hearts and that You will touch them and make them whole. Heavenly Father may You grant it Lord. May there be not one who is in Your Divine Presence tonight, that have a need, that would go back home without that need being met.

Heavenly Father, I pray that You would speak to our hearts out of Your Word and You will take us higher Lord, and deeper. As the song says, *"Deeper yet we pray, and higher everyday, and wiser blessed Lord in thy precious Holy Word."* Even though it cost hard trials. Take us deeper still tonight. *"More about Jesus would we know. More of His grace we ought to show. More of His saving fullness see."* Oh God, just have Your way amongst us. We just want that time to come when we would look in the mirror of Your Word and we would see Jesus Christ; the expressed Image of the invisible God. We would see the evidence of pre-eminences. We will know Father, without a shadow of a doubt that the Almighty God dwells in us, walks in us, and lives in us. Let that be Father.

That's why we came tonight. That's why we came early. That's why we came praying. That's why we came, Lord, with sincerity. That's why we came waiting, Lord, hungering and thirsting. Because Lord we know, to miss *that* would be sin. We would fail to qualify: to be approved of God in this Hour.

We have seen Your Standard that You have waved before us. And, oh God, as we keep our eyes on that, and we keep measuring ourselves and checking our lives to see if we are in the Faith; when we see a place, Lord, that needs to be strengthened, a place where we need to be closer drawn to You, a place that needs to be surrendered, God, we come right there holding it before You Lord, praying earnestly, that the Spirit of God would just move in our lives and our hearts. And when we leave, we could know that we have left delivered, Lord, from it; we have left Lord, closer drawn to You, we have left where those places in our lives are strengthened.

Let it be tonight, Father. We ask it in the precious Name of Jesus Christ. May You speak to us. May You be the Speaker and the Hearer. And may You be the principal Theme of this service, for we ask it in Jesus' precious Name and for His glory and the edification of His people, amen and amen.

Let's turn our Bibles to 1st Thessalonians, Chapter 5, and Revelation, Chapter 3. We want to take that again tonight, we are continuing from last night. I want to take a little part from the 4th chapter. So we will start from a little part of the 4th chapter going down to the 5th... [Glitch in the audio -Ed.]

It is one complete subject. We just want to take it and look into it tonight.

Verse 13, Chapter 4.

¹³ But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope.

14 For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.

15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

16 For the Lord himself shall descend from heaven with a shout, and with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

18 Wherefore comfort one another with these words.

[1st Thessalonians, Chapter 5:1 -Ed.]

1 But of the times and the seasons, brethren, ye have no need that I write unto you.

2 For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

3 For when they,...

Notice. He is speaking about a group of people: "They".

...when they shall say, Peace and safety; then sudden destruction cometh upon them,

That is those who have no hope, but you are not like them. Do you see?

...as travail upon a woman with child; and they shall not escape.

4 But ye, brethren, are not in darkness, that that day should overtake you as a thief.

They are in darkness, but you are not darkness.

⁵ Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.

⁶ Therefore let us not sleep, as do others; but let us watch and be sober.

⁷ For they that sleep, sleep in the night; and they that be drunken are drunken in the night.

This set of people who have no hope.

⁸ But let us, who are of the day, be sober,

We, who the Lord has descended to, from Heaven with a Shout, with the Voice of the Archangel and with the Trump of God. We, who will be caught up together with them in Christ (who are in the graves), at the last Trump, but these others here, who are saying, "Peace, peace!" See? Verse 8.

⁸ But let us, who are of the day, be sober, putting on the breastplate of faith and love; and for an helmet, the hope of salvation.

⁹ For God hath not appointed us to wrath,

And the wrath of God... The seven plagues of the wrath of God are those Seven Vials that are to be poured out upon them who obey not the Gospel; them who know not our Lord Jesus Christ. See. They are appointed unto wrath.

⁹ For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ,

¹⁰ Who died for us, that, whether we wake or sleep, we should live together with him.

¹¹ Wherefore comfort yourselves together, and edify one another, even as also ye do.

Do you do that? "...even as also ye do." He is saying that if you are saying this, you're doing that. If you are looking for the Coming of the Lord, you are doing that; you are edifying one another and you're comforting one another with these words.

Revelation, Chapter 3. I want to pick that up again. So I hope that you were there last night and you understand what is happening, what we've been reading here. Because last night, we were taking Genesis 3 and Revelation 3; they were naked back there and didn't know it because they had a Holy Veil. Over here, they are naked and don't know it because they have a lust veil; and this is the condition of the churches.

Now, we're going to see the "they" in a little bit, now. See? A little bit about "they" who are appointed unto wrath, "they" who are asleep and are drunken, and "they" who are children of darkness.

Verse 14:

Revelation, Chapter 3.

¹⁴ And unto the angel of the church of the Laodiceans write;

This is the last Church Age. This is *this* Age here.

...These things saith the Amen, the faithful and true witness, the beginning of the creation of God;

¹⁵ I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot.

¹⁶ So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.

¹⁷ Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:

That is the insanity right there. They lost their spiritual faculties.

¹⁸ I counsel thee to buy of me gold tried in the fire, that thou mayest be rich;

They said that they were rich, but God told them that they were poor. But He says, to get rich, you have to get

Gold tried in the Fire; there is a price you have to pay for It: "Come and buy of Me."

...and white raiment, that thou mayest be clothed,

Because they thought that they were not naked, but He told them that they were naked and that they should get white Raiment. See? They were naked and they didn't know it.

...and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve,

Because they were blind and did not know it. He said, "Come and anoint your eyes with eyesalve,"

...that you may see.

Spiritual things.

¹⁹ As many as I love, I rebuke and chasten: be zealous therefore, and repent.

Let us bow our heads and close our eyes.

Our Heavenly Father, as we have read Your Word again tonight, looking on these mysterious Things that the Spirit of God is emphasizing to us. Attracting us, that we might look into Them. Focusing our attention upon these Things, that we might have a clear understanding of the Hour that we live in. And the Spiritual condition that is prophesied in the Scriptures, that is taking place upon the face of the earth at this time. That we would know how to live, how to walk, that we might be profitable servants of Thy Kingdom.

As You have given that song unto Your children. They sang it unto us Lord, admonishing us, "*What will we present unto You at the end of our journey?*" The only thing that will touch You is Your Own testimony, Lord. The testimony of the Word of God that was promised for this Hour. Lord, let us be real witnesses, with a real testimony. When we are called upon, oh God, in this Hour, we will have a true testimony. The witness Himself in us (the Holy Spirit) would be able to give out the true witness that we are children of Light, walking

in the Light, as You are in the Light. Grant it Father. Bless each and every one tonight. Speak unto us individually. We ask it in Thy precious Name. Amen.

You may have your seats.

I want to welcome everyone tonight in the precious and worthy Name of the Lord Jesus Christ.

Last night we were speaking a little message, *Veiled From The Evils Of This Evil Age*. [1984-1004 -Ed.] And I was trying to point out to you the believer, the evils of this evil Day, as spoken of in the Bible, that the Hour was going to come when gross darkness will be upon the face of the earth and upon the people. But the Scripture says, "Rise and shine for your Light has come, and the Glory of the Lord is risen upon you." [Isaiah 60:1 -Ed.]

And even as we have read here in the Bible tonight (that's where we want to try to focus our attention on), out of 1st Thessalonians, Chapter 5, we're speaking of children of Light and children of darkness. And sometimes we look at the Scripture and we just take It on the surface, but as we study a little closer, and by the help and inspiration of the Holy Spirit, we could begin to fathom the depth that is being projected by the Spirit through the Scriptures, as God speaks of this Last Day and the condition that is to come upon the face of the earth.

And all through the Bible: in the prophets, in the Old Testament, and coming over into the New Testament, where the Spirit speaketh more expressly concerning the latter times, we can look and see as we compare the Scriptures, the types of conditions that the Bible speaks of, would be upon the face of the earth in the last days.

And here we are the ones appointed by the Almighty God, to be living in this Age. And then, to see the evils of this Day, and how it has been made plain unto us, as it has been spoken more expressly by a Prophet that God had sent to bring a warning before judgment comes upon the face of the earth. Because the Scriptures said, in Malachi 4:5, "Behold, I will send you Elijah the

prophet before the coming of the great and dreadful day of the Lord...lest I smite the earth with a curse.”

And seeing that, that was a warning to call the people out, as God warned them. Jesus said, “As it was in the days of Noah, so shall it be in the days of the Coming of the Son of Man. And as it was in the days of Sodom, so shall it be in the days of the Coming of the Son of Man.”

[St. Luke 17:26 and 28 -Ed.] And to see that in the Day... to compare the two days, you would have to look back in the Scriptures and see what were the conditions that existed in the days of Noah. Jesus, Who is the Author of the Word, Who is the Principal Theme of the Bible, Who was God Himself made manifest in the flesh, warned us, and told us that if we want to know the Hour when He is going to come, look at the days of Noah.

So all it takes would be a little while, just to go back in Genesis, before God brought destruction upon the antediluvian world, and see what happened there. And then take it over into 1st Peter, Chapter 3 and Hebrews 11, where Paul and Peter were looking back also at Genesis, and seeing the destruction in that Day, and knowing that Jesus referred to that Day, they were teaching the believers in their Age of the conditions and the things that will come in the last days.

Paul in Hebrews, was saying, “Noah, being warned of God, of things not seen as yet, moved with fear and prepared an ark for the saving of his household. And he became the heir of the righteousness which is by faith and condemned that generation.” [Hebrews 11:7 -Ed.] Then Peter wrote and said “When Jesus came, He preached unto the souls that were in prison, who were disobedient in the days of Noah, while the ark was being prepared; when the longsuffering of God waited. [1st Peter 3:19-20. -Ed.]

Now it doesn't tell you all of that in Genesis, but the Spirit in the New Testament brings it out more plainly to the believer, so that the believer who is sincere, and wants to be prepared and ready for the Coming of the

Lord; and don't want to be trapped in the deception, or caught up in the spirit of the Age, but will be able to see how Noah escaped; how the believers in that Age escaped and what the Spirit held against those who failed to enter in when the message was being preached.

Then the person who is sincere would examine these things, because their salvation depends upon it. And since the Mind of God that was in Christ focuses his attention upon that part of the Word, and is referring the believers (giving them a warning, that would enable them to escape the judgment), that they must take heed to these Things.

And to see how the Word came to Noah; it was by a revelation God spoke to him, and revealed to him that judgment was going to come. And Peter says, "Noah the eighth, a preacher of righteousness; how God delivered him, the eighth person, and destroyed the world in the flood." [2nd Peter 2:5 -Ed.] And then, he said, "God is able to save the righteous; deliver the righteous (the godly) out of temptation," in 2nd Peter. (We are going to get it in a little while, but I just want to show you something here.)

And seeing that Jesus was looking back there; and you see when Noah began to preach, there was a time came, the Bible said, "God began to draw the animals," and the people missed that happening. [Genesis 7:8-16. -Ed.] It was happening so ordinary that they did not stop to think, "How is this man able to get those animals," that maybe the zoo didn't have in those days. And they were coming two by two by two. No doubt they were monitoring his activities. What he was doing wasn't being done in a corner, because he was sent to be a witness to that generation.

And then finally the Bible said, "And the Lord shut him in." [Genesis 7:16. -Ed.] And they even failed to discern that mercy was over, when God shut the door, and they had entered into judgment. And Noah was waiting there with one window alone in the ark, that was at the top, so all he could do was look up. And the sun was as

bright as ever the next day; no rain ever fell. The Bible said, "For seven days nothing happened." [Genesis 7:10 -Ed.] They went in for a space of time; nobody could have come in, nobody could have gone out. If God had left the ark there for a thousand years, nobody still could come in. When God shut that door, it was over.

They might have had the Message on tape, they might have played It, but as far as the Spirit using that Message to call; as far as the Spirit using that Message to save, was over. But they might have played It back and heard It, but their hearts had nothing to receive It any more, because mercy was over. Do you see?

And the people were not sensitive to realize that it was the longsuffering of God waiting, while Noah was preaching. They failed to realize the longsuffering of God waited while the ark was being prepared; that was the sign of coming judgment. The works to build the ark was the expression of Noah's faith. The scoffers and mockers were not able to paralyze his faith with their criticism; not able to hinder him and stop the program of God, because he was perseverant to achieve his goal, because the revelation burnt in his heart.

And as he lived in the Presence of God, it was fresh everyday. He could never get away from the effects of what God was showing him. And he preached with conviction. And by his anticipation, the people could see he believed what he was talking about. By the way he lived, the people believed what he was talking about; they could see it. He was not interested in just holding their attention; he was not interested in gathering them together. He was interested in letting them know the plan and purpose of God for that Hour.

And while the people sat there and they saw Noah preaching, they would come and try to stop him, but he broke the sound barrier. Even the time when they thought they had more positive proof, and now they could really pin down and show that there was no moisture up there, that's the time he was pounding the

fastest; that's the time he was building with desperation, because he saw their hearts were getting harder and harder. And what they were discovering for their own selves was actually hardening their own hearts towards the Word of God. So when he saw they got in that condition, he started to build with more desperation, because he was sensitive; he was watching.

And Jesus, showing us that Hour is going to come back... *Noah being warned of God, of things not seen as yet...* His eyes did not see anything as yet. His eyes did not see any clouds. His eyes did not see any rain forming. Faith... *By faith Noah...* By revelation Noah! You could only get into it by revelation. So pray for it that the Spirit of God would reveal to you and your heart would see it.

So when Noah began to see it and it became real to him, then they saw the effects of his revelation upon him, and his works (building that ark) was expressing his faith in what God was saying, though his eyes did not see anything as yet. And God through the experience that He gave Noah, ordained ways to keep his faith anointed. Do you understand what I'm saying? God ordained ways to keep his faith anointed, because God gave him certain specifications by which the ark must be built. God told him that he must build it a certain way; he must get a certain type of wood, he must get a certain type of pitch, he must pitch it; do everything a certain way.

And no doubt just like us, the Word has to be built a certain way. We have to come to a perfect man. It must be like a pyramid (amen), and come into the full Stature of Jesus Christ. And we know that we just didn't walk in and gather up all the revelation just like that. It was by experience we discovered the revelation. It was by certain things God took you through, you began to discover certain things. There were times you had to pray and wait upon God with expectation. There were

times you had to step out by faith and act upon your own inspiration before God confirmed it.

But every time God did it, Noah was knowing, "Praise God, it was not I that fitted that so, it was God that fitted that so. I didn't even know how to put that part of the ark together with this part. I didn't know where to find the gopher wood. I didn't even know where to get this pitch. Look how the Holy Ghost led me to find the pitch." So when the testing time came, and he was shut in the ark for seven days, and no rain came, he could stand there flat footed, knowing that it was built by revelation. Every step of the way, God was the One Who led him to find every part (amen) to complete the whole ark. That's the only way you could save people. It is a building of revelation, revealed by the Holy Spirit. Amen.

And while he was there... Then watch when it came back to the days of Sodom. And God showed forth the days of Sodom: how Abraham was called out there and waiting, (See?) looking for the promised son. And during that time a great depression in the land. The oil... The water wells were drying up; there was drought in the place. The herdsmen were fighting amongst themselves. Sarah was there caught up in a set of housework, and not in the right atmosphere of what was happening. All these things were taking place. And everybody was so itchy, and the sun was too hot, and the cattle were starving, and all kinds of... The market prices were so high. They found it was just chaos. But in the midst of all of that, Abraham was waiting for a visitation. Amen. In the midst of all of that, something in his heart told him, "The Hour is here. Something is fixing to happen."

And he sat in the tent door and he was looking out in the distance. Amen. All of a sudden he saw three men coming, walking. Amen. He did not get caught up in all these things. It didn't throw him out of his atmosphere, because he was watching his revelation coming along, from the time God told him, "I will give you a great nation; I will give you a great name," and these things.

And then he wondered how it was going to happen. Then God took him down by the sea side.

He said, "Count the sands on the seashore."

He said, "Lord I can't check it."

He said, "So your seed will be."

He said, "Look at the stars in the sky. Count that. So your seed is going to be."

Then after, he came along and Ishmael came forth; a perverted promise. God said, "That is not the promise; it will come through Sarah. Call his name Isaac. According to a certain time next year, it will come." He watched all those things happen exactly the way God said it. Everything... He saw how God's revelation was unfolding.

Haven't you seen God's revelation unfolding? [Congregation says, "Amen!" -Ed.] It hasn't been any, 'piece of thing' here; follow some man here, pick up some foolish thing over here, get deceived with this over here, change your mind about that; next two months, jump over in some new business. Not that kind of a way. God had been coming step by step by step, amen, because it had been God all along. Amen.

And then finally when that time came, and he came to that place, here he was looking for that visitation. And all of a sudden *that* Man came; turned His back to the tent. Amen. That Man called him, "Abraham."

He said, "Something is going on here already. Something's on the move. Abraham? It was only I and God knew He changed my name yesterday." Amen! Hallelujah! See? Right away he realized that was God on the scene. He was sensitive to catch that. His expression said, "Lord!" Amen. He might have wondered, "Why did I say that so quickly? I should have waited until I got more positive signs," but by inspiration, the whole atmosphere was charged and he got an unction to speak, so he said, "Lord!" Amen. He didn't say, "My lords," like some Trinitarians; some heathens who believe in three gods.

He said, "My Lord. Elohim!"

And Jesus said, "Abraham rejoiced to see My Day." That was Jesus Who came walking there, before He came in flesh through a woman. Amen. Hallelujah. [Congregation rejoices -Ed.] He said, "Before Abraham was, I Am." Hallelujah.

Then He came right there and afterwards He told him, "Of a surety Sarah shall receive a visitation." And Abraham watched all of that revelation unfold there.

Now, Jesus points us back to that time, "*As it was in the days of Sodom...*" This time Lot had already gone down to Sodom; pitched his tent towards Sodom. Lot's wife began to rise very prominent, one of the leaders of the woman's society, whatever it was down there. And they were having one of the old time bongo games and all the little card games and the little bazaar and tea party they were having. They were having a good time down there, organizing this and organizing everything and having a good show. And Lot became very important and got a great position there, but he was a lukewarm believer. With all that sin and perversion he had no godly conviction to stand up and speak against it. He was too busy checking his dollars (Amen); too busy watching his bank book and trying to buy more property and trying to get more of this, and the other. Trying to get all kinds of different things. See?

And while they were watching that down there, here came that visitation and Abraham began to get a revelation. This time nobody in Sodom knew anything: Lot didn't even know anything, the Sodomite; the lukewarm church knew nothing. Only the called out elected group knew what was going on.

Look back at the days of Noah. So Jesus is telling you, "When we come to that time, something will begin to move."

In the last days, it will be an elected people that will catch it. They will see the Ark. They will understand what is happening. They will recognize the Hour. They

will move into it. Amen. The rest of the world will be caught outside in the denominations, in all their religious traditions, with their church membership, all these kinds of foolishness; man's works. But the real elected Seed, "*The one shall be taken and the other shall remain. The one shall be taken and the other shall remain.*"

"Where Lord?"

"Where the carcase is, there will the eagles be gathered together." [St. Matthew 24:28 -Ed.] Amen.

It will be in that kind of Hour. See? And here we see the anointing to project out the Son of Man's part has come, and the very same Ministry came back in the last days, and God vindicated It. Amen.

The Sodomite church is here, the lukewarm church, all the denominations, they're right here today, with their formal, cold religion. They can't take the Word, but they're full of all kinds of religious works (work like a mule), amen, but they can't take the real Word of God in the Bible. Amen.

And then you have the Sodomites; all the perversion, all kinds of perversion of flesh: lesbianism, homosexuality, all kinds of filth (amen) in the world today. And you will look and see those things, because the demons to bring that part have been loosed too.

The Holy Spirit, to manifest Himself in flesh; to show the Elohim part, has been revealed, amen. The Spirit of God, to call out the Abraham and Sarah part has been manifested. Every part of the Scripture is laying there.

So either... It must have some people playing the Sodom part and they're anointed with that spirit to fulfill that part, because if the days of Sodom are not here, we are not sure we are in the Coming of the Lord, because Jesus said that's a definite sign. And He gave such distinct identification, He said, "Even Lot's wife," He picks out one woman in the whole Bible. He said, "*Remember Lot's wife.*" [St. Luke 17:32 -Ed.] She looked back. See?

And when you watch and you see these things happening, here we are in an Hour where we must come to a place to know that we are in that time and these things are taking place. Amen. And we must be sensitive to know that the longsuffering of God had been waiting all these years, since that rock was thrown up and judgment started on the earth.

Since those UFOs began to appear (what the world calls UFOs), but what the Bride knows are investigating angels of judgment. They're not UFOs. They're not some people out in space somewhere. They're not Martians. It is investigating angels of judgment, like it was in the days of Sodom; they came down there and walked down there. It was angels; they pulled Lot out, quickly (Amen), they appeared to Abraham, showed him a sign that his body is going to be changed, quickly; that the promised son is coming.

In the days of Babel, when the tower was being built and they wanted to go right up into the sky (amen), God came down there into Babylon (the confusion), and confused them. Amen. He said, "Let us go down and see what is happening here." Read it in your Bible. [Genesis 11:1-9 -Ed] God always comes down when it becomes like that. And He comes down; one minute He is here, and one minute He is not there. Like Jesus was. Like those three men that came walking to Abraham; they just appeared and disappeared, amen. That's what was happening, and the world is wondering, "UFOs?"

And then the Devil gives people all kinds of optical illusion to throw them off the Truth. Put a lot people under optical illusions and they come and describe all kinds of things out in the desert, and they see these little green people walking out with two little horns and all kinds of nonsense. That is an illusion from the Devil. There isn't anything like that. Half of the time they're lying; it's their imagination, a lying spirit in the people; a demon trying to throw the people off the Word of God. Amen. Hallelujah. [Congregation says, "Amen!" -Ed.] Amen.

But the real believer (brother) who is watching the Hour, who is watching the Scriptures (amen), who knows that these things are to be happening, they know the time that they are living in. Amen. And then when we see those things happening, we know that we are here. Amen.

Last night we were taking that there with Eve being veiled in the garden of Eden. The Bible in Genesis 2:25 says that they were naked and did not even know it; they were not ashamed. Amen. Then after, Eve got beguiled by the Serpent. And we took that “beguiled” over in 2nd Corinthians 11, where Paul taught that same thing and showed how the Church was going to get defiled from her virginity. Is that correct? [Congregation says, “Amen!” –Ed.] She was going to become a harlot, having more than one husband, when the Day of Christ comes. Amen.

Then he was showing her that she had a flirting spirit upon her (Amen): how she didn’t know how to conduct herself around preachers; these preachers who were preaching another Jesus. She went flirting with them. Oh, she was caught up in the atmosphere, and so and so, and she was having such a nice time. And she was enjoying this and enjoying that and enjoying that. And Paul said, “What is the matter with you? That is a different seed to *this*, and that is a different seed to *this*,” and you are rejoicing in that, the same way you’re rejoicing in this. He said, “Now, something is wrong with you.” He said, “Let me watch you a little closer,” and he focused the ‘binoculars.’ And he said, “Do you know what your spirit is? I will show you exactly what your spirit is.” And he took her spirit and carried it back in the Bible, and he pinned it down in Eve around the Serpent. He said, “That is what your spirit is right there.” Amen. Is that correct? And he showed the Church that. He said, “Because you, the Church, is just like Eve, because She is a type of the Church.”

Then right there, we saw how we came over into the Laodicean church, where we read here tonight, Revelation 3:14. And It says here, the church will be blind again, wretched, naked, miserable and don't know it. And if they don't know it, then that is insanity. Because if you have a blind man, a naked man, a wretched man, miserable and doesn't know it, he is insane. His mental faculties are gone.

And we found there last night (and we were taking that also) how Hollywood and these things stripped the women of their virtues. Amen. And they stripped them of their virtues and made them prostitutes and they don't even know that they are prostitutes: put prostitutes' spirits upon the women and they don't even know that is the spirit upon them today. By presenting themselves and all their flesh being exposed to the men out there on the streets, they will have to answer to God for committing adultery, because they presented themselves in that way, and that kind of spirit came upon them, but the Devil brings it in very subtle, and calls it fashion.

And we were taking... I gave you a little illustration last night, how a woman would not walk down Frederick Street [A street in the capital city of Trinidad -Ed.] in her underwear. She will feel shame, she will be indecently exposed. But she will go on the beach (with more people on the beach than on Frederick Street) and she will have no conviction at all, in what you call a bikini, which is the same underwear, but the Devil gives it a different name, and tells her that it is a swimsuit. And she is so carnal and...

The easiest thing to be deceived is a woman without the Holy Ghost. Amen. Any thinking woman whose mind is filtered, whose thinking is filtered, who has the Holy Spirit (brother), will stop those devils right in their tracks. You say, "How come?" Because the Bride of Christ does it. The Church of the Living God does it, against two hundred million supernatural devils, then

why can't a woman with the Holy Ghost do it also; who is a symbol of that real Church. Amen. See? [Congregation rejoices -Ed.]

And we found that Adam and Eve had no fleshly attraction because they were two spirit beings. We found out, last night, that they were veiled from each other's nakedness. They looked at each other and never knew they were naked because they were two spirit beings; they came from thought, to Word, to flesh. When God put them in flesh, it was only to keep the garden; to dress it and keep it. It was like work clothes. When Adam looked at Eve, he knew that Eve was in those five senses that were given to them to contact their earthly environment, but he also knew that they were a Spirit-son and a Spirit-daughter of the Spirit-God, in a flesh body. And I told you that you are not a body with a spirit in it. You are a Spirit-son and a Spirit-daughter of the Spirit-God, in a flesh body.

So when Adam looked there, the attraction between Adam and Eve, was the God in each other. Amen. When Eve saw Adam walking, she said, "Boy you walk just like God walked when He came down in the evening yesterday. Whenever I see you, I have to keep so straight because it is like I'm seeing God; you are reflecting God." When he looked at Eve he said, "Girl, if God has a Bride, you are reflecting the very Bride of God. If ever God comes in a feminine form, He will be just like you." You see, that was the atmosphere they were in.

And we found out that when we by-passed the Word... We did not come from thought to Word. This is the Word-image of God: "God made man in His *image* and His likeness, and He gave him dominion." That is why when Jesus came, He came walking on the waters, spoke to the tree and the tree dried up. He said, "Peace be still," and the storm ceased. He walked on the water and they marveled. They said, "Man could do that? I thought man has to get a boat if he wants to go in the water. I thought man has to get an axe to chop down a

tree if he wants to kill it. I thought man has to get frightened and go into a hurricane shelter when a storm comes." They said, "How can a man do that? What manner of Man is this?"

And He could have told them, "This is the kind of man you would have been, if you came from thought, to Word, to flesh, but you by-passed the Word and came from thought to flesh."

We came by sex desires. So we were born in sin, shaped in iniquity, and came into the world speaking lies. We were children of wrath by nature. He that is born of flesh is flesh and they that are of flesh cannot please God. Do you see? We came carnal; live in the animal environment; born after the animal law of reproduction. Man was not to be born by sex. That's why you have to be born again because you were born wrong.

But when Jesus came, He by-passed being born by sex. Because, if He was born by sex, He would have been born in sin, He would have come shaped in iniquity, and come into the world speaking lies; He would have needed a savior. But He didn't come to be saved, He came to save. And because He was born that way; because He came to the Word first then to flesh, (He was the expressed Image of the invisible God) amen, and because He came that way, He had dominion over the earth.

But because we by-passed being born that way, we were born under the bondage of the beggarly elements; rather than having dominion over it, we were born under bondage of it. And you live under the bondage of the beggarly elements. Clothing is your god, food is your god, house is your god, and car is your god. Do you see?

It is not you (the Bride) I am talking about. No, it is the people of the world. See. When you are born again, your affections are set on things Above. You labour for meat that perisheth not, where moth and rust doth not corrupt, and where thieves can't break through and

steal. [St. Matthew 6:20 -Ed.] You look to the Unseen. Amen. You walk by faith and not by sight. You look to the Eternal things, not the temporal things, because you know that you came from God and you are going back to God. You are Eternal. You are part of the Creator, expressed in flesh for His Divine purpose in the Age that you are living in. Amen.

We found out that Adam and Eve stood there and came with the Holy Veil because of the way they came. Jesus; the way He came, He came with the Holy Veil. Do you see?

So like us now, we came from thought to flesh, we came by sex desires and we came with the lust veil. So we walk after the lust of the flesh, the pride of life and the lust of the eyes. See? But then God had representation in you (a Seed). Like any good farmer plants...In his garden, he plants seeds inside of there, and he knows there is a law of life in the seed; that's why he waters it. If there was no law of life inside of it, and he never watered it, it is a rotten seed. But he goes and waters that seed. He doesn't go and water the road, he goes and waters the place where he planted the seed. And God knows that He has planted the Seed in you, He comes to you and waters that Seed with the baptism of the Holy Spirit. Then that new Life starts inside of you; Transforming Power. Because in the Seed there is a Power to transform itself.

You take a coconut tree (amen); that great stem, all the branches, the whole, big, long trunk, all the coconuts it has ever borne, and all the stems, were in that one coconut. Amen.

You take a chicken and watch it; all the feathers, the beak, all the eyes, all the intestines; everything was in the egg. When you broke open the egg, you couldn't see it, but it was inside of there. Amen.

It is the same way in that Seed; that attribute of God, that soul, because you are body, spirit and soul. You don't believe with your body, you don't believe with your

spirit. Your spirit is reasoning, conscious, memory, affections and imagination. You imagine with your spirit, you don't imagine with your body. You don't remember with your body, you remember with your spirit. If you don't have the sense of memory you are in trouble. Amen. See? You would put your hand in fire and get burned, then put it back tomorrow and get burned again. But because of the sense of memory, that experience is recorded in your subconscious mind. So next time you see fire, you know to not put your hand inside of it. The sense of memory is to save you from that. And all that's in the memory bank is stored up in the subconscious mind. See? So here it is, the spirit is those senses.

And then also, inside of there is the soul, and that's the part that comes from God. Amen. Either it is part of God or part of the Devil. If it is part of God inside of there, then it means to say, that is Eternal Life, because God is Eternal. Then you say, "Brother, we had Eternal Life even before we got the Holy Ghost?" Yes sir! Amen. And the Holy Spirit comes looking for those who have that Eternal Life, to water it and bring that Life into manifestation; to kill that old, carnal mammal nature that came by sex.

When you were born by sex, you came with an old, carnal, worldly, mammal nature and you lust after the things of the world because you were born of flesh, but inside of there was representation, that one day God will strike that, knowing He put a Seed inside of there to fulfill part of the Word for that Age. So you came here for a purpose. See?

So when God comes to that place, and that time comes, God quickens you and when that Seed is quickened, there is no way of stopping you from receiving a revelation of the Word. Because when that Seed is quickened, It awakens a consciousness to recognize that you are part of this Scripture here, and then you begin to live under the inspiration of that

prophecy that is written inside of here, to identify all God's Seed that He planted in that Day. In each Age had its own Seed: Paul and Peter and all the saints back there in the first Age; that was the Seed in the Age. Luther and them in that Age; that was the Seed in that Age. Wesley and them in one Age.

But in these last days, God has His Seeds in this Age too, and the Holy Spirit is coming to these. These are the only ones who could be re-born. These are the only ones who would come forth with the Scriptural identification and the Bible evidence that they are really born of God; that they have Eternal Life inside of them.

That's why you could have faith, because that soul is either faith or unbelief. You don't believe with your body; you see, taste, smell, hear and touch with your body. You don't believe with your spirit; that is reasoning, consciousness, memory, affections and imagination. But your soul is faith or unbelief. So if that soul is not quickened by the baptism of the Holy Spirit, you are like a blind man (a man who was born blind) trying to describe a rainbow. You've never seen one yet; you're trying to contact it by imagination. And a man who is not born of God is trying to relate to the Word of God by memory; he learned the Scriptures, he learned things about God; he is trying to illustrate what he learnt by his imagination. But faith will bring you in contact with God Himself, the Person. That's the only sense you could contact God by. And your faith is a Super Sense to believe things that you can't see, hear, taste, touch, smell or reason at all. Your faith could believe it.

You received your senses by your birth. It is because of your first birth (your natural birth) you came with see, taste, hear, smell and touch. Those senses were given to you by your first birth. Now your second Birth is to give you another sense also. See? Now, if you drink hot tea, then you taste it and your tongue declares it to be hot, nobody could convince you that that tea is cold,

because you've learnt to believe what your senses declare to be so. If you see me preaching tonight with a white shirt and brown pants (standing up preaching in the service), then somebody told you that I didn't preach last night, and you were in the service here and saw me, nobody could tell you differently because your eye gate (your sense of sight) contacted me, the sense of hearing contacted me; and you believe you saw and heard me because you believe what your senses declared to be so.

Well it is the same way, when that sense of faith contacts the unseen (contacts God), nobody could shake that away from you. And by faith Noah (amen) knew that judgment was coming. By faith Moses knew that judgment was coming. They contacted it by faith. By faith Jesus knew, "Destroy this Temple; I will raise it in three days' time." He was the Messiah. Amen.

And that's where the believer... From the time that sense is given to the believer, they live in that sense. These other senses don't cease to function, but they just don't live in these other senses. That's why sometimes you see and try to show them, "Look here. Look here. Look it here," but they are not studying what is seen with your natural eye, they are trying to show you something they see with another eye. That's what is happening. Because they're in another Realm.

That's where Adam and Eve were. They were in that world of Perfect Faith. They lived in a world of Perfect Faith like Jesus lived in a world of Perfect Faith, and became odd to the other people. The way they lived, and walked and talked, and the things they fellowshiped on, were different.

And people say, "What happened? Is it only God, God, God, day and night. It's only God you all know?" Yes! [Congregation rejoices -Ed.] It is another sense; another world. That's what makes you Spiritual astronauts: you go above the little airplanes flying around in denomination, you go above these little motor cars driving up and down; you go straight to the Unknown. Hallelujah. You

are all down in the Millennium. You're all down in the New City. Hallelujah! Amen!

You could already see the sleeping saints...I could almost hear the Trumpet; see the dead in Christ rising. Hallelujah! Faith takes you there; transports you there. Amen. You see it in the Word of God; you believe it to be the Truth. Amen. Nothing could shake you away. No amount of devils could prevail against that, because your faith is in contact with it.

Faith is the substance of things hoped for... [Hebrews 11:1 -Ed.] And if a man hopes for something that he sees, why does he yet hope for it? Romans 8. [Romans 8:24 -Ed.] Amen. Hope that is seen is not hope. *Faith is the substance of things hoped for...* So you are hoping for it but you are not seeing it with the physical eye ...*the evidence of things not seen*. You are not seeing it with the eye, but you have the evidence of it inside of you already. Because every promise in this Bible is laying inside of that Seed inside of you; it is laying in that soul. And when the Holy Spirit waters that soul, Transforming Power will produce every promise in its season.

Just like the seed brings forth the leaves in one season, the branch in one season, the leaves in one season, the flower in one season, the fruit in one season. All the leaves, fruits and flowers don't come at the same time. Amen.

But in that seed, everything is in there, and when it is being revealed to you, that's the substance already in you, to produce the Promise. Do you want to see the Third Pull and greater works? It is already inside of you. Hallelujah. Amen. Transforming Power... As the righteousness of God is being revealed, from faith unto faith; a baptism of revelation after baptism of revelation, is transforming you inside of there. It is lifting your life to a higher level, where you are being lifted in the Power of God. You're in Heavenly Places. You're conscious that you are under the Blood, subject to every promise. Amen.

Recognize what part of the Word you are; greater than Joshua and Moses, under the blood of bulls and goats, because you are under the Blood of Jesus Christ; the Word, the Mystery for the Age you are living in. You know *that* representation in you and *that* Word... One is the Word written for the Hour and one is the Word predestinated for the Hour. Amen. Nothing could shake you away from it.

And you walk in there and you live in there and that is why Jesus could say, "Now is My hour come. No man could touch Me, My hour is not yet come." That's why He said, "There are certain things concerning Me that must yet be fulfilled." That is why He said, "Go and get the donkey, this part is going to be fulfilled now." That is why He could walk into the temple and say, "The Spirit of the Lord is upon Me." He knew every junction because He was the manifestation of the Word. The Word was in a written form, but He was living out every part of the Word in Its season. Amen. Hallelujah.

I'm just recapping a little bit there.

So, the Holy Veil. Amen. When a person is veiled with the Holy Veil, the Word of God is in their heart and they cannot sin against God. Amen. They can't sin because they are veiled, "I hide Thy Word in my heart; I will not sin against Thee"—because why? Your eyes see through your heart, and when the Word is in your heart, your eye will see through the Word. Amen.

Then you could recognize the Devil at every one of his tricks. Then you don't judge things after the outward appearance that comes in beauty to deceive. Because Satan uses outward appearance to catch your five senses, but the sixth Sense makes you see beyond that. No glamour will paralyze your faith.

Moses looked through the same window that Pharaoh looked through; one was veiled and one was not veiled. Hallelujah. Abraham saw the same Sodom, saw the same green grass and plenty of water, and Lot looked at it and his faith got paralyzed, and he ran down after

what his eyes could see and his hands could hold. But Abraham saw the Fire of God hanging over there, because he was veiled to that outward beauty; that couldn't trap him. He was an Eagle, Amen. He wasn't a chicken like Lot. Lot was a penny, Abraham was a silver dollar. Hallelujah. All are in God's pocket. Amen! Hallelujah! [Congregation rejoices -Ed.] Glory to God in the highest! Amen!

When that Word is in your heart, and your eyes are seeing through that Word, amen, you could see the wolf in sheep's clothing. When the wolf comes disguised in the sheep's clothing, you could see the wolf. Amen. What is the wolf? That motive, that objective, that thought, that intent, that spirit behind what is being presented. You just don't go on what is being presented, you catch the spirit behind it that's pushing it; see what nature that spirit is of. Your eyes see it, you recognize the Devil at his tricks. It is an old wolf coming in sheep's clothing; looking like sheep, but it is an old wolf. You say, "Get away from there wolf." Amen. Hallelujah. You take the staff and beat him on his head. Hallelujah. Run him out of town. Amen. Hallelujah. You are safe in God's pavilion. See.

But the lust veil only sees worldly beauty. The lust veil doesn't see character. The lust veil has an appetite for sixteen elements. Hallelujah. The lust veil has an appetite for 'thirty-seven cents', hallelujah, which will get old and wrinkled, and in three days' time, if it dies, worms will be crawling out of it. The lust veil has an appetite for that; flesh! Amen. That is what the lust veil wants. Amen. It only sees the outward appearance.

Like Samuel ran up there. God sent him but he was so motivated by fear, "Suppose they see me Lord. Saul and they will kill me if I go down there." He said, "I will disguise myself and go down as if I am going to make a sacrifice." He was still trembling, you know. The boys came and lined up and he was going to throw the oil quickly, because he wanted to throw the oil and run out

of town. Do you see? Saul was looking to kill him. See? So he just wanted to anoint anyone. From the time he did so, God said, "Wait. Don't look after the outward appearance." Amen. See?

The lust veil only sees the outward appearance. It sees what the Devil wants you to see. The Prophet said that Satan will work every scheme he could, to make you see something the wrong way. He will pluck out your Spiritual eyesight, and make you walk after the intellectual sense of things, and not the sense of the Holy Spirit leading you.

"Well I was in this church a long time, so I think I will stay because, after all, you're not supposed to be running from church to church." Run for your life if the Word is contrary! [Congregation shouts, "Amen!" -Ed.] Amen. Hallelujah! If that man is a feeder of chickens, get out of there. A lot of sissified men (if you asked me) without backbone. Man worship; because man's person is established in their hearts. Seeing all kinds of contrary things and sitting down there afterwards. Seeing all kinds of funny things going left and right, back and forth, uncertain all the time. No man died for you; Almighty God became flesh and died for you. You don't have to be a man's pleaser. If you have faith, you will please God; if you have reasoning, you will please man. If you were there a long time—why didn't you stay in the denomination for a long time? Why did you come out? Amen! You came out because you saw more Light. When you see more Light, keep walking in the Light. [Congregation rejoices -Ed.] This is not the Hour to play. Amen. My! Amen!

With the lust veil upon the people, they are blind to the things that they do, as being sin. See? They are blind to it being sin, because it is fashionable. They study, "Well, if the majority is doing it. If so and so is spiritual, and they didn't move, so what am I moving for?" You tell God that; present that to Him at the end

of your journey. You might hear, "Depart from Me, you worker of iniquity." Amen.

Do you know why people are in that condition? They don't read, they don't pray, they don't listen to the tapes of the Prophet anymore, so they don't know if the man is preaching the Word, or not. Their ears are trained to a church voice, so that's all they know. But the day you start to read the Word, and pray, and dig deep in the Spirit, and listen to what the Prophet said, you will realize how much falsehood and error you are hearing; how many wrong spirits you are under. Hallelujah!

Let me leave that. I don't want to preach last night's message. I would not start today. Amen. Ok. I have a little thought upon my heart, The insanity in the mind Age... tonight. As we continue on from being veiled from the evils of this evil Age to **INSANITY IN THE MIND AGE**. Amen.

Now watch. We have been dealing with a lot of the spiritual conditions of the people in the last days, as was spoken of in the Bible. Revelation 3:4-20 especially, we have been taking that out; 2nd Timothy 3, where it shows that the church world is going to come into such a condition. And in 2nd Peter and Isaiah 60, the Book of Jude and many other Scriptures, it is talking about the darkness; gross darkness.

And tonight, we are reading about the children of darkness and the children of Light, which I want to strike and show that Light and darkness are here at the same time. One is being transformed and one is being deformed. One is becoming drunk; one is becoming sober. One is going insane; one is being renewed in the spirit of the mind and coming back to the Mind of Christ. One is in Hell and one is in Heaven. One is dead and one is alive. One is a lover of pleasure more than a lover of God. One has the love of the Truth and is blind to the things of the world. Amen. Two sets of children in the New Testament: children of disobedience and

children of obedience. Children of the Devil and children of God. Amen.

So notice here. We see it is prophesied that the world is to go completely insane. And these are the things that we are dealing with now. We have been taking the opening of the Seven last Vials, and the Lord has come and so graciously opened up those Seven last Vials for us here; showing us exactly where they happen, how they pour out, where it is going to take place, what time it is going to happen, who is going to have that ministry; showing us that it is not connected to Moses and Elijah, but it is after that, in that little space of time, just after Moses and Elijah and before the battle of Armageddon...before the Millennium rather. Right inside of there, when Christ comes back and the battle that started in Heaven, between Michael and Lucifer ends up on the earth. Amen.

While we were there in Michael (attributes inside of Him), and we fought those Angelic wars there, here we came back at His side expressed in flesh. Amen. We are glorified, He is glorified. Amen. And we all are coming back there, in that time, just before we rule the nations with a Rod of iron.

But notice something. This is the generation that is going to be there, because there is no more generation after this generation. When that Door swings shut here, the people that didn't go up in the Rapture will be going through... Amen. God knows who will give their life and God knows the rest who will end up in the great winepress of the wrath of God; who will end up as the supper of the great God in the Day of vengeance—God alone knows. Amen. But the people that you see in the streets, the people you see on your jobs, the people you see on television, the people that you see in your schools; the people that you see walking the streets are the ones who will face the wrath of God.

It is prophesied all through the Old Testament; coming right down for this very Hour in the New

Testament also. And here we see it has come down to the time when... This is the generation. Because all of those people there (let's say for instance) who killed those sixty-eight million Christians, are not alive, they are dead. But the system is still there, their children are there, and the spirit that was in them is upon their children.

All the Apostles who preached the Gospel and wrote twenty-eight chapters of Acts, are not here; they are asleep in Christ. But the Spirit that was in them is here, and their children are here. Amen. So the things that were spoken of them, we will inherit it. The things that were spoken of the other people, their children will inherit that. Alright. One is going to be glorified and one is going through destruction. Amen. It is all winding up, and this is the generation that sees it.

When the Book comes down and is opened up, and the Message is being preached (In this Day, the Light is coming forth, revealing all these mysterious Things in the Bible), then you are catching an understanding, if you are ordained to receive it. Amen.

And the only reason you are here is because you are not insignificant. You may be insignificant to the society, to the people in Trinidad, in the upper class and different things, but in the mind of God, you are not insignificant because God flashed the Light across you and that is why you are here tonight. All the upper class and all the other people are not here. But because God was thinking about you, the Message came to you. So God is giving you the understanding of what is happening. See?

I want to chase down a couple Scriptures quickly because my time is almost gone. Isaiah 59. I want to chase down a few Scriptures here just to lay out the darkness so you could have in your mind what I am speaking about when I am speaking about the darkness. Isaiah 59, reading from verse 16.

Now you find those Scriptures quickly. By now you should know that Bible back and forth. You will not need any Bible to read in the Millennium, you know; and all through Eternity you will be the Word. So right now you should already know It, because you only have a few more days to spend with It.

Isaiah 59 verse 16,

*16 And he saw that there was no man,
and wondered that there was no
intercessor:*

He was already leaving the Sanctuary.

*...therefore his arm brought salvation unto
him; and his righteousness, it sustained
him.*

*17 For he put on righteousness as a
breastplate, and an helmet of salvation upon
his head; and he put on the garments of
vengeance for clothing,...*

There was no intercessor, but there was One being clothed now with garments of vengeance. Watch the change of the clothing there now.

...and was clad with zeal as a cloak.

*18 According to their deeds, accordingly he
will repay, fury to his adversaries,
recompense to his enemies; to the islands he
will repay recompense.*

The Bible said, "And they were not, they fled." [Revelation 16:20 -Ed.] Disappeared into the sea. Amen.

*19 So shall they fear the name of the Lord
from the west,*

At the setting of the sun. Evening Time; West.

*...and his glory from the rising of the sun.
When the enemy shall come in like a flood,
the Spirit of the Lord shall lift up a standard
against him.*

Now get this here. This is a direct prophecy. This Scripture is applied many times. Many times we apply this Scripture saying, "The Enemy comes in like a flood,

God will raise up a Standard.” Somebody gives you a little trouble, you say, “God will raise up Standard when the Enemy comes like a flood.” We apply it all over, and that’s alright. But it is a prophecy speaking about a certain time when He is changing garments. “When the enemy will come like... *shall* (future tense) come in like a flood.” Alright. When He is putting on those garments of vengeance; which we are in that time. Amen.

When His glory shall be from the West, they shall fear His Name. “The Name of My God, the Name of the City of My God, and My New Name,” shall be revealed [Revelation 3:12 -Ed.]. At the West, “It shall be Light in the Evening Time.” [Zechariah 14:7 -Ed.] When that Light comes and shines upon the White Rock and reveals the threefold Secret of God’s Name, which is His threefold Mystery of Redemption. Amen. When Redemption is going to be revealed; then they will begin to fear that Name. Then the righteous will run into that mighty Tower (that Name) and be safe. [Proverbs 18:10 -Ed.] All right!

We could chase all those Scriptures you know, but I am just giving you that here. Okay. And the Bible says, “And the Spirit shall lift up a Standard in that Day too.”

Now watch. We know according to Revelation 9, out of the Euphrates river came forth two hundred million supernatural devils (loosed) upon the earth. Okay. Now the Enemy shall come like a flood, when that king and his army begins to ride. But the Spirit of God shall raise a Standard also when that Hour comes. Okay.

²⁰ And the Redeemer shall come to Zion,

Do you see what we are talking about? Redemption! The Redeemer—no Intercessor, but a Redeemer now. Intercessor was the Church Ages. But the Seals is Redemption, between Priest and King; when He is Supreme Judge getting ready for the Day of vengeance; when He is gathering His redeemed subjects. Amen.

*²⁰ And the Redeemer shall come to Zion,
and unto them that turn from transgression
in Jacob, saith the Lord*

21 As for me, this is my covenant with them, saith the LORD; My spirit that is upon thee, and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed, saith the Lord, from henceforth and for ever.

[Isaiah 60:1 -Ed.]

1 Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee.

When the Redeemer comes and the Enemy comes, One is Light and one is darkness, coming at the same time. But *that* Enemy comes in like a flood.

2 For, behold, the darkness shall cover the earth, and gross darkness the people: but the Lord shall arise upon thee, and his glory shall be seen upon thee.

When the Redeemer comes to Zion. Amen. See?

Notice. When was that fulfilled? If we didn't have a Prophet in this generation, we would surely be confused. Now, how could it have Light and darkness at the same time? Gross darkness over the earth and Light to the people. Amen.

Do you want to find another Scripture to see that?

Let's turn to Isaiah 21. I think that is it. (I'm calling from my faith now.) Isaiah 21, verses 11 and 12. (Oh God, help me. Do quickly, turn in your Bibles quickly.)

[Bro.Vin laughs -Ed.]

Isaiah 21, verses 11 and 12.

11 The burden of Dumah. He calleth to me out of Seir, Watchman, what of the night? Watchman, what of the night?

12 The watchman said, The morning cometh, and also the night: if ye will inquire, inquire ye: return, come.

Night and day at the same time. The morning cometh and also the night. Light and darkness at the same time. Amen. And that is when the day is breaking (Amen); at

daybreak. The darkest time is just before dawn. That watchman was the same watchman on the tower over in the city. And he is there telling time by the stars. Is that correct? They did not have any clock or watches in those days. So he told time by the stars, and at certain times in the night, the watchman will give a call to the city to let them know that everything was alright, at such and such a time.

When it comes to the daybreak, he sees a star come out; the morning star. There is a star that comes out the brightest just at dawn (at the breaking of the day); it is the morning star. And when he sees that morning star comes out, he announces that the night and the morning are coming together. What is happening? That morning star... The reason it is shining brighter than all the other stars, is because the sun is coming up.

Now, right now, the place is dark. Okay? Here, the place is very dark right now. This morning it was not like this. The sun rose this morning and was here all through the day and the place was very bright, but this evening when the sun set, darkness came. Now, this darkness will go all through the night until tomorrow morning, but when the sun rises tomorrow morning, maybe about six o'clock, the whole place will become bright again, but this darkness will hang over into the new day. It will go through... The end of this day will finish about twelve; it will go over into tomorrow.

Tomorrow will have the darkness from this evening (Today's darkness will be there tomorrow), and as the sun begins to come out and rise, it begins to push the darkness back to clear the day. But before the day is fully clear, the morning star is in such a position, it is reflecting the light of the coming sun. While the sun is not yet visible, the morning star, being so bright, is saying, "The sun is coming; he is on his way," by being so bright; reflecting the light of the coming sun.

And that is the reason it is getting so dark, because the darkness is being pushed to one side now; to be

pushed back, to bring on a clear Day. See? So here it is: Light and darkness.

Now we were speaking yesterday about the end of the Sixth Day, which was the sixth one thousand year back in Eden when they were naked and knew it not; they were veiled. And in the evening time... We are in the sixth one thousand year again: The first two thousand years, God destroyed the earth in the days of Noah; the second two thousand years, Christ came; the third two thousand years, we are here. What is actually happening here now... Here is the darkness. It is getting so dark now—because why? we are in the breaking of another Day again. As Peter said, “You have the Word of prophecy; a more sure Word of prophecy by which you do take heed, as a light that shineth out of a dark place until the Day dawn, and the Daystar ariseth in your hearts.” 2nd Peter 1, verses 19-21. See?

So *that* Word that we have here, the prophetic Word, is a Light. When Jesus came, He said “I am the Light of the world; any man that followeth Me will not walk in darkness.” [John 8:12 -Ed.] He did not mean that at night time, if you see Him, you will not stumble where you are going. He meant spiritual darkness. He was the Light of the world, because the natural sun is the physical light of this earth, the source of physical light for this earth, which is a type of Christ. And the moon reflects the sunlight, in the absence of the sun, in the night time.

Now, watch something. So here in the Scripture, It shows that there is going to come a period of time, in a prophecy, when gross darkness will be upon the people, but there will be a Light-coming time for the believer also. While the whole world will be plunged into darkness, Light will be breaking forth for a few people. The Morning Star coming out, because Jesus said, “I am the bright and Morning Star.” [Revelation 22:16 -Ed.] Is that correct?

Then He promised them in Revelation Chapter 2, (in the Thyatira Church Age) “I will give you the Morning

Star.” But the morning star comes at the breaking of the day, and we are at the breaking of the Day and the Morning Star has come, through the revealing of the Son of Man.

He came in three Sons’ names: Son of Man on the earth, He was a Prophet; Son of God through the Seven Church Ages; and in the Millennium, He will be Son of David. But He promised between the Church Ages and the Millennium, that He will come back as Son of Man. St. Luke 17:30 (In the last days), as it was in the days of Sodom, so shall it be in the day when the Son of Man is being revealed. And we are in that Day; we see the Sodomites’ condition, we see lukewarm Lot, we see Abraham’s group; we see the Son of Man. The Morning Star has come to tell us, “It is the breaking of a new Day.” We are between the Church Ages and the Millennium. We are in a space of time where it is lapping over, where He has left the Sanctuary and He has come down to gather His redeemed subjects. He has opened the Seven Sealed Book, and Seven Thunders have uttered Their voices to gather the Bride together.

And the promise is, “As I overcame and set on My Father’s Throne, so if you overcome, you will sit with Me in My Throne.” [Revelation 3:21 –Ed.] He has left His Father’s Throne to take His own Throne. And between leaving His Father’s Throne and taking His own Throne, He is gathering His redeemed subjects. And we know that we are in the breaking of the Day. We know that something is happening. That is why it is so dark; gross darkness is upon the people. Do you see?

Now, what is that darkness? What exactly is that darkness? Now I want to show you that that darkness is when the Enemy comes in like a flood; that is what brings the darkness. It is when those demonic forces are loosed upon the earth to become incarnate in the people who rejected the Word, and a spirit of lawlessness takes over and then you get gross darkness. Because, when the Enemy comes in like a flood then gross darkness is

upon the people, but when the Redeemer comes, then it is Light coming time for the believers. When? When He leaves the Sanctuary, He's cladding Himself with garments of vengeance. We have been proving that back and forth this week; that we're in that time.

Okay! Let's take another one here quickly. My! 2nd Peter, Chapter 2. I took this with some of you the other night, but I just want to get these out quickly. We don't have the time to spend upon those Scriptures. I just want to lay that in so that everybody could see it, so you could know what is the 'darkness' that we are speaking of, so you could understand the Light, and you could bring out the insanity; how the people are going into insanity. And they will never admit it, because they knoweth it not. They wouldn't even know that they are in that condition, but you who are renewed in the Spirit, in your mind, know that they are insane. They don't know they are insane; you know they are insane, because you are reflecting what the Life is. You know the Hour; you know the Time. Okay! 2nd Peter, Chapter 2 quickly. [2nd Peter 2:1-17 -Ed.]

¹ But there were false prophets also among the people, even as there shall be ...

Future tense. Now, this is future tense. Watch it here. All of this is speaking about the End Time.

...false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction.

² And many shall follow their pernicious ways; by reason of whom the way of truth [the revealed Word] shall be evil spoken of.

³ And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their [destruction] damnation slumbereth not.

⁴ For if God...

Now he is making an illustration. He is talking about the false prophets but he begins to relate it to the angels in Heaven, because these false prophets are angels too. Satan transformed his angels as ministers of light. [2nd Corinthians 11:14-15 -Ed.] Is that correct? We took that last night.

⁴ For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness.

Now, that is not chains of iron; that is chains of darkness. We are on "the darkness." I am bringing out the darkness here for you. The darkness; demon powers are what we are speaking about.

..to be reserved unto judgment;

⁵And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly;

⁶ And turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly;

⁷ And delivered just Lot, vexed with the filthy conversation of the wicked:

⁸ (For that righteous man dwelling among them, in seeing and hearing, vexed his righteous soul from day to day with their unlawful deeds;)

Now, look at what it did here. He is talking about these false prophets in these last days, and he gives you three illustrations right away. He said, "Look at the first one. Look at how God didn't spare those angels who sinned in Heaven; He cast them down to hell." He said, "Look at how God didn't spare the old world that rejected Noah's message." He said, "Look at how God turned over Sodom and Gomorrah, who rejected the message down there, also." Do you see? And he said,

“Look at how God delivered Lot, how He delivered Noah, and look at the other angels up in Heaven.” Do you see? So he gave you three illustrations of God destroying people for their sins. He said,

⁹ The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished:

¹⁰ But chiefly them that walk after the flesh in the lust of uncleanness, and despise government. Presumptuous are they, selfwilled, [self willed], they are not afraid to speak evil of dignities.

Here, he gave you an illustration. Now he is identifying this spirit in these false prophets who will come in the last days. So he gave you three examples there: about the angels in Heaven, Noah and the old world, and Sodom and Gomorrah. And Noah and Sodom are types of this Day. “As it was in the days of Noah, so shall it be. As it was in the days of Sodom, so shall it be.” So this is expressly speaking of this Hour. So filter your thinking; draw it through this Word, tonight.

¹¹ Whereas angels...

Now he said, “Look at the spirits now; they speak evil of dignities, they are self-willed; they are not afraid.”

¹¹ Whereas angels, which are greater in power and might, bring not railing accusation against them before the Lord.

He said, “Angels can’t bring any kind of accusation like that against these.”

¹² But these, as natural brute beasts, made to be taken and destroyed, speak evil of the things that they understand not; and shall utterly perish in their own corruption;

¹³ And shall receive the reward of unrighteousness, as they that count it pleasure to riot in the day time. Spots they are and blemishes,

And you sisters know that; who have the little spots and blemishes on their faces, brother; they will take a barrel of cream to cream it out. Alright. So the Church must not have any spot, or wrinkles. Nobody likes spots; they want to get rid of those spots. Right? So he said, "They are spots." Amen.

...reveling with their own deceivings while they feast with you;

¹⁴ Having eyes full of adultery, and that cannot cease from sin; beguiling unstable souls; an heart they have exercised with covetous practices; cursed children:

¹⁵ Which have forsaken the right way,

The Revealed Word. Cursed children. Does it have something like cursed children?

...and are gone astray, following the way of Balaam

Do you know what the way of Balaam was? He tried to make a market out of his gift. Do you know what the error of Balaam was? He tried to curse what God blessed. Do you know what the doctrine of Balaam was? He caused them to commit fornication. Three things there, but this one is just speaking about the way of Balaam.

...the son of Bosor, who loved the wages of unrighteousness;

Do you know where Balaam lived? On the Euphrates river. That is a fact. I will pick-up that for you one of these days. I saw it, I followed it out and it is correct. I can't call the Scriptures right now, it will go into something else, but I'm just telling you that. He lived on the Euphrates River. [Numbers 22:5 -Ed.] Amen.

¹⁶ But was rebuked for his iniquity: the dumb ass speaking with man's voice forbad the madness of the prophet.

Madness! Forsaken the right way; the Revealed Word. Warned by God. Crossed the line of that Word, because he was caught up in a spirit, (You will find it here now);

because he loved the wages of unrighteousness, which was the money. In the soul, he had a taste for money just like the rich young ruler. So even though he had known the Scripture; God had spoken to him (God spoke to him through the donkey), yet the love for the wages numbed his faculties, that he still went contrary; he went into a spirit of madness. He was so possessed and obsessed (See?), that he just broke the barrier of the Word.

17 These are wells without water, clouds that are carried with a tempest; to whom the mist of [what?] darkness is reserved for ever.

Do you see what we are speaking about? What is this mist of darkness? when it shall come upon the people in the last days; when they will be in those chains of that darkness.

Let us pick up Jude quickly.

You see, I gave you the prophecy of the darkness upon the people, and that was identified by a Prophet, when the Pope went to Jerusalem, and those demons from the Euphrates river were loosed in the ecclesiastical realm. Alright? Two hundred million demons were loosed to come against the Bride; that is what I'm on. But I'm showing you now, what the darkness is, that was loosed upon those people there; when gross darkness comes upon the people in the last days, and Light for the believer. Paul was watching back at the prophecy there, in 1st Thessalonians, speaking about the last days, and he said, "Children of darkness. Children of Light."

Jude, verse 3.

3 Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith

Only one Lord, one faith, and one baptism.

...which was once delivered unto the saints.

⁴ For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ.

⁵ I will therefore put you in remembrance, though ye once knew this, how that the Lord, having saved the people out of the land of Egypt, afterward destroyed them that believed not.

Unbelief in the Promise. Look at Hebrews 3; they did not mix the Word with faith in those that heard it. That is why he said, "Let us fear, lest there is a promise left you of entering into that rest, you come short of it."

⁶ And the angels which kept not their first estate,

We come back to the angels again. Now remember this. I will just quote it at random for you, *Christ Is The Mystery Of God Revealed*. [1963-0728 -Ed.] He said, "The angels that did not keep their first estate." What angels? Luther, Wesley, Pentecost. Because the Angel (the Messenger to the Age) brought the Word to the Age. He said, "When the Messenger brought the Word for the Age, and the Messenger went off the scene, the people never stayed in the state that the Messenger placed them in." They never stayed with the Word that the Messenger placed them in. He called them out of a system and brought them into a higher level. They never stayed there. They fell from that estate. He said, "And what happened? Fallen angels got into it." Alright? So that is what I am talking about: the angels that sinned were cast down into hell. And where is hell today? Created on the earth. Hell is created on the earth.

So the angels who did not keep their first estate (the angels today), after that Seventh Angel came and

brought the Light, (amen) showed us the way of righteousness, showed us the way of God, showed us the way of Truth, that we should walk in It. "Take earnest heed to the Things that you have seen and heard lest at any time we should let Them slip." That is what I am speaking about. Who called us out of Egypt... to destroy the people afterwards. All 1984, destroying them, destroying them, destroying them; spiritual death striking them. Churches drying up, because of their unbelief; wouldn't move on in Truth.

Remember we took that the other night on *The Great Winepress*, [1984-1002 *The Great Winepress Of The Wrath Of God* -Ed.]: how they stoned those servants when they came. He said, "Then I will send My Son." All right. We are in *The Vials* you know. But I want to get the insanity of the Age; that is why I am taking this here.

6 And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness.

Here we pick that up again; everlasting chains under darkness.

...unto the judgment of the great day.

7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication,

That is spiritual fornication with the Word.

...and going after strange flesh,

Man running after man. Man's person being established in people's hearts. Women preachers with the spirit of lesbianism. Alright. Man taking man for their leader and rejecting that great, Mighty Angel Who is here.

...are set forth for an example, suffering the vengeance of eternal fire.

8 Likewise also these filthy dreamers...

They are walking by their imagination; daydreaming. Little denominational conceptions in their minds, "Oh,

God is a nice God.” They dreamt that up somewhere, because they are asleep. They are of the night and they are sleeping, so they are dreamers. But you are of the day and you walk in the Light. You are not of the night. Let us not sleep, let us watch. The sleepers are filthy dreamers; they dreamt this and they dreamt that. Bring your dreams to the Urim Thummim. Hallelujah. If the Urim Thummim don’t light up, then watch that dream.

...and speak evil of dignities. [Again.]

⁹ Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.

He said, “Michael, the Archangel didn’t even accuse Satan; and these are walking about, using their mouths to slander people and saying all kinds of different things.” He said, “And the Angel (the Archangel) wouldn’t even do it.” See?

¹⁰ But these speak evil of those things which they know not: but what they know naturally, as brute beasts, in those things they corrupt themselves.

¹¹ Woe unto them! For they have gone in the way of Cain,

What is the way of Cain? God said, “Sin lieth at the door. The next time you’re going to sin wilfully. Do like your brother and I’ll receive it.” [Genesis 4:7 –Ed.] He wouldn’t do it. He had a rebellious spirit. What happened? He sinned wilfully and crossed the line. Alright. He went out of the Presence of God and began to build cities. There he met his wife, in the land of Nod. Alright.

...ran greedily after the error of Balaam

What is the error of Balaam? He tried to curse what God blessed. We’ll pick up the way of Balaam just now; watch the error of Balaam now.

...for reward, and perished in the gainsaying of Core.

Korah rose up, influenced many, denied official authority, and the earth opened and swallowed them up. And Bro. Branham said, "What's that earth today? The world. Worldliness took them over." Yes!

¹² These are spots in your [Love] feasts of charity, when they feast with you, feeding themselves without fear: clouds they are without water, carried about of winds; trees whose fruit withered, without fruit,

Harvest time; coming up with withered fruit.

...twice dead,

Amen. Spiritual death (the second death) already took them. The last plague; spiritual death, because they are not under the Token. Having trampled the Blood; counted It an unholy thing that sanctified them. Amen.

... plucked up by the roots;

Make sure they never grow anymore or hinder anybody anymore.

¹³ Raging waves of the sea, foaming out their own shame; wandering stars,

Wonder if this is right; wonder if that is right, because they are given over to a reprobate mind. Gone over to an insane mind. Reprobate concerning *the* faith; the Mind of Christ, the Divine revelation in the Bride. Okay.

...to whom is reserved [what?] the blackness of darkness for ever.

What is it? Demon powers that are to be loose and become incarnate in the people who reject the Word. They might have been afflicted by demons in their flesh, because they were born in this flesh; they are under this curse (See?) and susceptible to sickness and all kinds of diseases. They might have been obsessed by demons; being tormented, and having to fight day and night because the battleground is in the mind. But for demons to become incarnate, then, that is when they reject the Word; when they trample the Blood, they cross the line, and there is no more mercy. Their names

are blotted out of the Book Of Life, then demons become incarnate to bring them down to the supper of the great God [Revelation 19:17 -Ed.]; to the great winepress of the wrath of God. [Revelation 14:19 -Ed.] They become rotten seeds, who perish on the journey.

But there is a people who is being transformed back; changing from Glory unto Glory, until they behold the Glory of the Lord as in a mirror; until they see face to face and they are known as they were known. [2nd Corinthians 3:18 -Ed.] Because they are predestinated to be conformed into the Image of Jesus Christ [Romans 8:29 -Ed.]; until this mortal, changes around that Word-image, that is formed inside of them. Amen. It is all going to happen in this Age.

Ephesians 5. Quickly. My! [Ephesians 5:8-17 -Ed.]

(I didn't know that this was going to take so long. Like I'll have to bring you back tomorrow or what? I think I'd better keep you a little longer tonight and let you stay home tomorrow. So you bear with me and let's try to do it quickly and we will make up as much time as we can. We will redeem the time.)

Ephesians 5, verse 8. Okay, watch this now. Look at where these things happen now. Now you started out as darkness. Watch how the Scripture opens here. You had a chance to become Light. That is why it is so important to receive the Gospel. Chapter 5, verse 8.

⁸ For ye were [once] sometimes darkness, but now are ye light in the Lord: walk as children of light:

⁹ (For the fruit of the Spirit is in all goodness and righteousness and truth;)

¹⁰ Proving what is acceptable unto the Lord.

¹¹ And have no fellowship with the unfruitful works of darkness,

Which you were once: walked after the course of this world, after the prince of the power of the air; children

of wrath by nature; lovers of pleasure more than lovers of God.

...but rather reprove them.

¹² For it is a shame even to speak of those things which are done of them in secret.

¹³ But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light.

¹⁴ Wherefore he saith, Awake thou that sleepest, and arise from the dead,

Dead in sins and trespasses, [Ephesians 2:1 -Ed.] and the only thing to raise you from the dead is the Voice of the Archangel, "Lazarus, come forth!" [John 11:43 -Ed.]

...and Christ shall give thee light.

¹⁵ See then that ye walk circumspectly, not as fools, but as wise,

¹⁶ Redeeming the time, because the days are evil.

And you have no need that I write unto you about the times and the seasons, brethren. You of yourselves know that the Lord will descend from Heaven with a Shout; and what Hour that will be. It will be like a thief in the night. [1st Thessalonians 4:16 and 5:1-2 -Ed.] It will be a time when those that are appointed unto wrath will be gathered together to Armageddon, but those that are going in the Rapture will be gathered together also.

¹⁷ Wherefore be ye not unwise, but understanding what the will of the Lord is.

Amen.

1st Peter 2: 8-10. 1st Peter, Chapter 2.

⁹ But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should show forth the praises of him who hath called you out of darkness...

Laodicea, that went blackout; the blackout Age, when all darkness is being gathered together. Just when the Morning Star comes out to say, "Good morning," He came to call you out. When the Redeemer came to Zion,

to get those whose names are in the Book of Redemption. You were called out of darkness—into what? His marvelous Light. “It shall be Light at the evening time.” [Zechariah 14:7 –Ed.] “From the West, they shall fear My Name.” [Isaiah 59:19 –Ed.]

*¹⁰ Who in times past were not a people,
but are now the people of God: who had not
obtained mercy, but now have obtained
mercy.*

Mercy was sent by a Prophet, and when mercy is spurned, then the wrath of God (judgment) comes. When the Seven Seals were opened and the Blood of Jesus Christ was released; that was mercy. Amen.

St. John Chapter 3. Amen. (We are getting through this portion quickly; that is good.) Verse 18.

¹⁸ He that believeth on him...

Who is “Him”? Revelation 10:1. “Him” Who is amongst us; the Revealed Word.

...is not condemned:

He, Who has the Seven Stars in His right hand; with the opened Book in His hand.

*...but he that believeth not is condemned
already, because he hath not believed in the
name...*

From the West they will fear My Name, when the Redeemer comes.

*...of the only begotten Son of God. [The
Redeemer]*

*¹⁹ And this is the condemnation, that light
[when the Light comes] is come into the
world, and men loved darkness rather than
light,*

Which you were sometime. You were once darkness, but God called you out of it. But some did not want to come out of the darkness at all; they wanted to stay in the darkness, because they love their evil works. They love the fleshly things.

*...men loved darkness rather than light,
because their deeds were evil.*

*²⁰ For every one that doeth evil hateth the
light, neither cometh to the light, lest his
deeds should be reprov'd.*

Whatever reprov's and makes manifest, is Light.

*²¹ But he that doeth truth cometh to the
light, that his deeds may be made manifest,
that they are wrought in God.*

St. John 1, verse 3.

*³ All things were made by him; and
without him was not anything made that
was made.*

*⁴ In him was life; and the life was the light
of men.*

*⁵ And the light shineth in darkness; and
the darkness comprehended [or overcame] it
not.*

What was the Light? "In Him was Life and His Life was the Light of men." You were once darkness, but now are you Light. How did you become Light? When you got His Life in you. Then, what is the darkness? The old nature. How did that old nature come? The Serpent got to you before Adam got to you. Before Christ got to you, the Serpent got to you. You came from thought to flesh before you came from thought to the Word, because the Serpent got to you first. You came with the carnal fleshly nature, before you came with the Divine nature. But you were supposed to come to the Divine nature first (come to Word first), and then come to flesh. But you by-passed Word and came to flesh.

And he was what? Transformed as an angel of light. He came preaching another gospel, and that seed produced that nature inside of you, and that nature inside of you was a lie that he told. It was an act of adultery. It was an illegitimate birth. Though it was religious, it was darkness because it was inspired by the Devil.

Then Christ... God had to get to Mary first (before Joseph) for Redemption. Amen. When Joseph came, Mary was already filled... with Child from the Holy Ghost. Alright? God had to get there first for Redemption, because the Serpent got to Eve before Adam; and we were born by sex, born in sin, and trapped. Okay. So watch. That darkness; that nature there, had to be taken away first.

So here it comes now. In the last Age, gross darkness, which is the demonic forces; the rulers of the darkness of this world (Because, Ephesians 6 tells you about the rulers of the darkness of this world), and their unfruitful works of darkness, which the children of disobedience (as we read) loved darkness rather than Light—because why? their deeds are evil.

Like Cain; Cain killed Abel because his works were evil. What was his evil works? He didn't rightly divide his sacrifice. He killed Abel because he didn't rightly divide his sacrifice.

Look at the Nicolaitans, God said, "You hate them because their deeds are evil." [Revelation 2:6 -Ed.] What were their evil deeds? They were trying to put the people in bondage; they were trying to establish their person in the hearts of the people. And God told the church, "You hate what I hate" – the deeds of the Nicolaitans. They were conquering the laity: Man was taking the place of the Holy Spirit, human government was being established; the church was being spotted with humanism, instead of the Holy Spirit leading the church; and being governed by the Word. See?

And then the ten spies, he said, "They brought an evil report." They said, "We couldn't take the land," when they came to the promise. [Numbers 13:31-32 -Ed.] It was given, it was vindicated (the message was proven), it was the time of the promise; and their unbelief in the promise was an evil report that they spread as an influence, and sprayed the people with unbelief.

Luke 6 says, "An evil man, out of an evil heart, brings forth his evil treasure. And a good man, out of the good treasure of his heart, (the abundance of the heart) the mouth speaketh." [Luke 6:45 -Ed.] And we have this Treasure in earthen vessels [2nd Corinthians 4:7 -Ed.]; this great Secret that was in the back part of God's mind was put in the heart of the Bride.

And out of that good Treasure (that good man's heart), he bringeth forth... Out of the abundance of the heart, the mouth is speaking, teaching, and ministering an entrance abundantly into the Everlasting Kingdom, to make them children of Light; to call them out of darkness and bring them into the marvelous Light, that they could become children of Light.

Because, demon powers (that are loosed) are pressing many into formality (into lukewarmness), and they have a form of godliness.

Even in the Message they've come to now, they have a form of godliness and deny the Power. They believe the historical part of the Message, and deny the present-tense part. They believe the Mechanics part, and deny the Dynamics part. They deny that the Power is here that can deliver them now. They sit there and don't believe that God could deliver them. And all... He is as great as He ever was, tonight. He is only resting between revivals. The Blood is as fresh as It ever was. The Holy Ghost is as great as It ever was. [Congregation says, "Amen" -Ed.]

He was in the boat taking a rest, and they were busily trying to do this and do that; what they could've done for their own selves. "Well, I'll go and fast. Well, I'll go and pray. Well, I'll go and cry. Well, I'll go and do this." Go! Wake Jesus! All they had to say was, "Jesus," and He awoke. He was just taking a nap in the boat. He said, "Peace be still." [Mark 4:39 -Ed.] They were trying to bale out water; busily doing this, and busily doing the other. Do you see?

Now watch. They go to church, they believe the Message, but they are lukewarm; they are formal, with

no Power in their lives. They have a form of godliness... Godliness is to be like Jesus. "Well, yes brother." They learn all the nice fundamental things in the Message. "Yes brother. God bless. Keep pressing the battle, brother. Brother, yes brother." They know all the Message terminology. They know all the key words: Thunder, and Cloud, and Seals, and Ages, and Voices, and Lamps. They know all these things, so they sound revealed. Amen. See?

So watch. So all these things now, (we see) are prophesied that the world will go into insanity. Now the thing is: Has it come to that? (I'm going to nail down the message here now.) Has it come to that type of condition? The Light has come. There is no more Light promised to the Church. The Evening Light is here. The gross darkness had been identified when the Pope went to Jerusalem. (I don't have time to pick it up, out of the *Feast Of Trumpets* [1964-0719 -Ed.] when the moon was blacked out.) And what was it? It was those supernatural devils that were loosed upon those dictators, were now being loosed in the ecclesiastical realm, to gather the churches together to take them to Armageddon; to bring a Squeeze upon the Bride. It is the same devils that were upon Hitler [Adolf Hitler: Dictator of Germany 1933-1945 -Ed.] and Eichmann, [Otto Adolf Eichmann; one of the major organizers of the Holocaust -Ed.] and all of them. Hitler and Eichmann are dead, but where are the devils that were upon them? They're loosed upon those religious men.

Now, when those Things were opened in the Book of Revelation, and that Book was still sealed to the world, here was the Holy Spirit to the real elected Bride, opening up these Things and giving them out to the Bride. And She was being taught: what these mysterious Things are; where they took place, because a Prophet was sent to reveal that Book of Revelation, and in his sounding, all these Mysteries were being made plain. And the elected Bride was foreordained to hear that Voice. "My sheep will hear My voice," [St. John

10:27 -Ed.] in every Age. The Spirit speaking to the Church. They heard the Voice, and they recognized the Scriptures being identified; they saw the Son of Man being revealed, they saw the Church in Laodicea, they saw Israel in their homeland, they saw the world in Sodom, they saw the Bride being gathered together; they saw the demons loosed. They saw all these conditions coming on the earth. *Modern Events Being Made Clear By Vindicated Prophecy*. [1965-1206 -Ed.]

You see, it was only modern events to people; it was only news on the radio, and in the papers. But when the Prophet identified it as prophecy being fulfilled, then we saw what time we were living in, and what stage we were at, in the program of God, for this Day. Oh my!

(Now if you get anything tonight, this is what I want you to get.) This is my inspiration to preach these things here. It is coming out of *Leadership* [1965-1207 -Ed.]; the leadership of Eternal Life. It is coming out of the prayer that was in the heart of the Prophet.

As I told you some nights ago, all these Things are in the Message. *The Vials* were dropped off in the Message there. The Holy Spirit knew where It was; He went and picked It back up and revealed It. Here in *Leadership* [1965-1207 -Ed.] (the second-to-last message the Prophet preached before he went off the scene) he was telling them... He took the title *Leadership*, and the subject, *Follow Me*. Amen. Is that correct? He said, "What is the leadership of God? To follow the vindicated Word of God for the Hour." And here the Word was being vindicated in a Prophet. He said, "Follow me," amen, because he was following the Rock; the Dove was leading the Eagle. Amen. Hallelujah. So here he said,

Father, we want to be like Moses. [In his prayer on pages 48 to 50].

He said,

We want to be led by Your Holy Son, Jesus Christ, [we are closing with this] to Eternal Life. Give It to our hearts tonight, Lord. Tear out the old stony heart; place into us

the new heart, the heart of flesh, the heart that You can talk to and deal with, [that] and we will not be haughty or different. May the Holy Spirit never leave, Lord. May It come and ordain this people. Speak to them; tear up their stony wills, and put in the will of God. Save every one, Father. Give us of Thy love. Get us to a place, Lord..

And all... while I am preaching these messages I am trying to get you to that place.

Get us to a place, Lord, that we'll get away from all the emotional part, to the real solid part of... the heart-felt part, the deepness of the Spirit, the riches of God, the Kingdom of the Spirit in our hearts. Grant it, O Great Leader, great Holy Spirit, before You take Your flight into the skies with Your Church.

O God let me go, Lord. Don't leave me behind, Jesus. Let me go with You, Father. I don't want to stay here on this earth to watch these tribulations coming on. I don't want to stay here in this insanity. I don't want to stand here when hideous sights... the people losing their mind. We look at man, trying to act like beasts and look like beasts; and the women trying to look like animals, with the paints on their face. Knowing that these things are predicted to happen, [Amen] that the thing will, they'll go so insane till locust will raise up with hair like women to haunt the women;

Where did that raise up? Has it come already? That was loosed under that Sixth Trumpet. Is that correct? After World War II, watch them increase in science, watch women begin to cut off their hair, watch them begin to get "women's liberation", watch them being permitted to vote—to do what? To bring Jezebel into the White House. Through the women's vote, a Catholic president was voted in, to fulfill the Scripture, when Elijah was there. When did that happen? After World War II.

... and teeth like lions, and things that You've said, the mental condition of the people will be completely gone.

We see it in the making right now, Lord. Help us! Restore us to the sane mind of Christ Jesus our Lord.

He said,

We love You. And we want our dispositions... our change to come into us, that we can be Your children, feel Your Spirit moving in our hearts, Lord, tendering us and bringing us to the realization of this insane age that we're living in.

Is the Holy Spirit doing that to you? Bringing you to a realization of this insane Age that you are living in. All these hideous things coming on: how they are coming on upon the people, how they creep up upon the people; they don't know it. They think it is fashion. The world is gone; it is caught up into that web of Hollywood. Darkness has pressed them, perverting the man; perverting women. They don't know the cause for it. They are trying to devise programs; different things to try to contain it, to organize the people and try to make them more peaceable. But they fail to realize that those things which are happening, are the fulfillment of what the Prophet spoke, for rejecting a Message that God sent in this generation. They don't know it.

Grant it, God. When we see young women so caught up in the web of the Devil, young men, perverted minds, children, dope addicts, cigarette smoking, drinking, immoral, Satan's Eden.

Satan's Eden, where they are veiled, and naked and don't know it. Sinning and blind to their sin. Like Adam and Eve were veiled and naked, and didn't know it, in God's Eden. But in the Evening Time, (in the sixth day, in the Evening Time) in Satan's Eden, God came down, met some of His children like that, and what did He do? He ripped that veil off of them. He tore it away from them, and over Blood, a Message was preached. Is that correct?

A Shepherd (amen) with a Rod, came hunting His sheep in the Evening Time. The blind had followed the blind, and they were in the ditch. And the Shepherd left

the ninety and nine... He left the ninety and nine to come for the last one. He found them veiled with a lust veil; their own fig leaves, their own education, and science, and civilization, and all these things, that they tried to produce a veil like God's own, but that could not hide them from their nakedness; that could not produce a person like God had under the Holy Veil, so He ripped it off. Amen. The Holy Spirit came back through the Word to veil their minds again (Amen); to drop over them and shut them in the Secret Place, so that they could recognize the Devil at every one of his tricks. Amen. See?

...bringing us to the realization of this insane age that we're living in... When we see young women so caught up in the web of the Devil, young men, perverted minds, children, dope addicts, cigarette smoking, drinking, immoral, Satan's Eden.

He said,

God, it taken You [take] six thousand years, according to the Bible, to build an Eden.

Do you see how this inspiration is? Do you see where his thoughts were? His thoughts were in *that* Satan's Eden, back there and here; when those hideous things were going to come out. I'm trying to show you, that is how the Message is being preached; that is exactly where his thoughts were.

He said,

...it taken You [take] six thousand years, according to the Bible, to build an Eden. And You put Your son and his wife in there (his bride), to rule over it. And Satan come around and perverted it; he's got six thousand years, and he's built his own intellectual Eden through science, and education, and so-called intelligence, and he's built it into a mess of death.

O God, take us back to Eden again, Lord, where there's no death, where there's no sorrow. Grant it, Lord. We stand humbly, waiting for the second Adam to come for His Bride. Make us part of Him, Father. We pray in Jesus' Name.

He said,

Do you realize what I'm trying to tell you?... Can you see the insanity of the age? Look how it's gone, there's no... [not] even reasons among the people no more. It's gone! Even [the] leaders...

These hideous sights that's coming upon the earth. You can see how people's moving right into it. It's an insanity. But when that thing strikes, the Church will be gone.

Now bring us back to Life, spiritually [speaking]; bring us back into realization of Eternal Life...

What is the transformation? To come back to the realization of Eternal Life; the Word that you were in the beginning. That Word could only feed on the Word. *God's Power to Transform*, page 38. [1965-0911 -Ed.] Hear it; another prayer again.

God, transform us today, by Your power, by the renewing of our mind, to turn from the meager elements of this world now, unto the Word of God. And may we be renewed by the transforming power...upon the Seed that's in our heart...

Because the only way you could be redeemed, is that Seed coming back into the Image of the Word. Your flesh can't do it. Your spirit can't do it. But the Transforming Power is in that Seed, because that Seed is God's thought. And a thought expressed is the Word, and if you were not a thought, you cannot be the Word. And you fell from the Word in the beginning, so, to be redeemed, you have to come back to the Word. And the only Thing to bring you back to the Word is that Seed with Transforming Power within you.

So God is not dealing with your flesh, and He is not dealing with your spirit, He is dealing with that soul; the inside of the inside. When that man is changed, you are a Christian. That is God's son and that is God's daughter; that Seed inside of you. That is the Eternal Life. That is the man who spits out the world, (Hallelujah!), who pulls the eyes in subjection, and who

pulls the feet in subjection. That's the man who pulls the body into obedience to the Word that he is, because that soul is part of the Word; Eternal Life. Amen.

That old nature was darkness, but that Seed..., "The life I now live, I live by the faith of the son of God." [Galatians 2:20 ¶-Ed.] Amen. The Life of God in me, to make me the Light to the world, and to make you a child of Light. Amen. He said,

...that we [could] believe, unto creatures called sons and daughters of God. This is my prayer to You, [and] for the people, ...Amen.

...the thinking man's Filter here. [When] You see yourself doing something that's contrary to this Word, move from it, right quick. Amen. Because, there is a Filter that keeps death away from you...

The only Thing that could pass through the Word is the Holy Spirit. And that Seed is the Word; It is God's thoughts expressed in a physical body. Your mother and father could produce a body that came by sex; your father had a sperm, and your mother had an egg. They came together in holy union and they produced a body after nine months, but that body is not you; that is an earthly tabernacle and if it be dissolved, you have a Heavenly one waiting. But your mother and father could not produce a soul; they could only produce a body. And the soul is you; *that* came from God. Amen.

So won't you wake up tonight, children, to that realization? See the insane Age, see why those people are going out into that darkness, and why they are caught up in that web. Amen.

Can I get five more minutes? [Congregation says, "Amen." -Ed.] Amen.

This is the good part; I don't want to leave it out. *And Knoweth It Not*, pages 22 and 23. [1965-0815 -Ed.]

Now watch the Spirit, following [this now]. There'll come a time...

Now, we are dealing with insanity in the insane Age. (I will have to pick it up next time; the part where we

take the mind of Christ.) My thought is, while the Bride is in the Bride Age; which is the mind of Christ (the Age of the mind of Christ), where She becomes one with the Headstone, She is taken up into that place, where She is surrounded by Perfect Love, the Token, the atmosphere of the Love and Power of God around you; living in a world of Perfect Faith. Amen. Transformed back, as you cross the chasm, formed back into the Word-image. Then, there is a people in Laodicea, in the darkness, that is drunken: insanity. So here is one... one in Hell and one in Heaven and the great chasm is there (amen); a separated people. Enter into the Secret Place where death is forbidden to strike. Over there, death will have to strike that, because they are not in the covenant of God.

Listen here,

Now watch the Spirit, following it. There'll come a time, in the Name of the Lord, that people will go completely insane. The Bible says so. They'll scream and holler; great hideous things in their imaginary mind. The radio...

Get this now,

The radios and things, our television programs, are producing it.

Now what is radio and television? Can anybody tell me? Fourth dimension. All right? That connects the two worlds. We live in three dimensions. Then there is the fourth dimension: radio and television. Then there is hell —fallen angels.

"Above here," he said, "Angelic beings." "Below," he said, "has demon spirits. Higher above that, is the Throne of God. Lower down is the throne of the Devil. And in-between here, is the stream of humans." Alright? Fourth dimension, that we can't see, but we are in contact with it through radio and television.

They have the film on a reel in Maraval, [A town in Trinidad -Ed.] in Television House [A Trinidad and Tobago media house -Ed.], and people have a set in their homes, and they tune it to a frequency, and that transmits a picture that their

receiving sets pick up. That set picks up the unseen and manifests it visible, so we can contact it with the five senses, because you are subjected to your five senses. See?

You can't see the unseen here (to see the angels, and all these things that are passing) because this body is limited to five senses. If you come out of this body, you will see it. See? But this body is limited to five senses.

So here it is now, science has discovered that there is a dimension there, and that shows that everything that is going on is being photographed. They could bring and set up their cameras tonight; while I'm preaching here, and you're sitting right there, people in China could sit down and partake of this service, live. That is how they have live Boxing and live... The Olympics is live; from quite in Los Angeles, people could see it. It comes by satellite and these things. Okay.

Now watch. The Devil now, uses that fourth dimension to empty out Hell into these three dimensions. He transmits what is in Hell through the fourth dimension into these three dimensions. It comes through the television, it comes through all the cinemas, all the different pictures; it comes through these things. It comes through the radio (all the rock music); it comes through these things. And that becomes the influence for the people who live in these three dimensions.

Because we live in three dimensions: light, matter and time. Then the fourth dimension is radio and television. The fifth dimension is the place where the people who died outside of Christ go. The sixth dimension is where they who died in Christ go, and the Seventh Dimension is where God is. See?

So that empties itself out through the fourth dimension, and radio and television are producing these things, because the Devil is using radio and television to program the minds of the people. It is stripping the women by all these fallen angels taking up a body

(possessing an individual), and making that individual a celebrity. She becomes an idol, then she becomes worshipped, then she becomes a pattern and an example for all other young women. And she might have a sex demon, some sex symbol or something. She might cut her hair a certain way, and wear a certain type of clothes. Do you understand what I am saying? The personality of those demons that are incarnated in flesh, and the image being projected through the fourth dimension, that's influencing the people here, is being established in the hearts of these people.

Then also, all these mysterious things; locusts with tails like scorpions, and all these horrible looking things, that the Devil can come out with. Alright? Like that bat with the long hair, that came out of Nelly Sanders. All these prehistoric things; he is bringing them out (see?), and it is coming through the fourth dimension, because the fourth dimension is where the whole world is tuned into.

People have become addicted to the television and the radio. They feel that without it... They can't live without it. Do you see what is happening?

I was telling you the last time, about all these pictures that they are bringing with all this violence, all these sex pictures they're bringing out, all these hate pictures they're bringing out; all these kinds of occult pictures they're beginning to bring. And they begin to water the people with that, and sow these seeds in their subconscious minds. And they begin to replace the children's toys: give them little snakes, give them little (reptiles) crocodiles as toys. *E.T.* [A Science fiction film -Ed.] and all kinds of different things, to disorient the little children. And all this *Sesame Street* [TV show for children -Ed.], and 'Cookie Monster' [Sesame Street puppet character -Ed.] and 'The Count' [Sesame Street puppet character -Ed.] and all these people jumping out of the basement, and all kinds of funny things; and programming the people. And then,

all this *Acid Rock*, and all these kinds of different shows that they bring out as entertainment.

And people now... what people do now, they're shut up in their basement (See?); a lot of people now, for fear and panic, when those things begin to produce crime like they never saw before. Because all these great, old demons, who were upon those people who killed and slaughtered and these things; when these men become producers, and renowned men; television producers, "This big film producer. This great man," he goes and screens out people, and gets them to act (to portray) a picture, but he has certain thoughts he wants to connect to the people; to transmit to the people. So he goes and brings out all these great big mastermind plans for robbery and you know all this kind of... Because it is demons who anoint people to do those things. So when they put it out there now, they are teaching the people these things on the screen; because of the way it is dramatized, it is to have an effect upon them.

That is why you will see, "Screenplay by so-and-so." They will get some great man in some symphony, to play a certain type of music and bring a certain type of drama, to play on the emotions and senses of the people and put them into an atmosphere, that they can come out shaking from the picture. Do you see? Whether it is a horror [Movie -Ed.], or whether it is to make them laugh. Whether it is a jokey picture to make them laugh for two hours; they are laughing, they are laughing, they can't stop laughing. They are home, and they remember the joke and they are laughing. They go back and see the picture about four or five times, just to keep on laughing. And they are thinking that it is a good entertainment.

Let me show you the Devil in operation, and what's going on in this Age. This is the Age, but in the world they call it entertainment and pleasure. Let me tell you something, it was in the Laodicean Age that television

and all these things were invented, because it had to fulfill the Scriptures, in this Age. To bring on the insanity of the world, these inventions had to come. To bring that kind of panic and fear in people; it is in this Age, they invented these kinds of weapons.

Long ago it was a man on a horse who was a swordsman or something. Today you don't have to send an army out; you press a button and 'blow up' [bomb -Ed.] the whole place.

Let me tell you something. Look recently, we were reading in the papers (somewhere there), that some people in Tokyo (or somewhere there), the people had... the Russians had sent out some kind of talk that they were going to 'blow up' [bomb -Ed.] America, and these things. And afterwards, the President made a joke (he is a joker); he said, "In five minutes we are going to 'blow up' [bomb -Ed.] Russia and we are going to start, (you know) sending out the missiles and these things."

Brother, that got those Russians vexed, but a lot of people found that was good humor. Okay. So the Russians sent out something; they sent it out decoded or maybe in a code that they knew that they could break. They are on their big frequency picking up every voice that is coming through. So they picked that up and they broke it down. When they broke it down, they realized it was a signal saying that they are going to 'blow up' [bomb -Ed.] the place. Do you know what happened? It alerted all the people. People started to alert all their bases, and everybody got in a whole atmosphere. In half an hour they realized that nothing was going on. So they played it back upon them, saying, "Don't make those kinds of jokes," in other words. But look at the kind of fear that generated. It had people in a neurotic condition.

Because in this Age, they moved from horse and buggy to astronaut. Until, man is walking in space without any ties to the mothership; that is where they've reached. The changes have been so rapid that the

human being cannot cope with it, and that is only the changes in the scientific realms. But fashions, houses, cars, and everything is changing; every year it is changing. Music is changing. Dances are changing. Food is changing. Everything is changing.

And what the Devil is doing, has the people in a whole momentum; making them nervous wrecks. And the hybrid food is rotting their brain cells, that they could hardly keep themselves together; so they are only feeding on tranquilizers, and pep pills, and all kinds of different things; all kinds of health food to try to hold themselves together.

What is producing that? Look in the Word tonight.

Radio and television is the fourth dimension that Science discovered, and that is the dimension the world receives their entertainment through. And it is through the fourth dimension, hell flows and empties itself out, until hell itself is here, in these three dimensions.

Everybody you see going down the road; either they are reflecting the fifth dimension or they are reflecting from above. You are influenced from one of those realms. And it is one in a million, reflecting from Heaven.

Look at the Hour we are living in. Laodicea becomes an extension of the fifth dimension; the Age where the channel is opened up. A way (an outlet) was devised for what was in hell to empty itself out and fill here. The people don't have to go to hell to get into that condition; they get into that condition while they are alive in their bodies, right here: dead in their souls, incarnate, being gathered together for the Supper of the great God; taken down to Armageddon.

I had something to read, but I will leave it back for another time: showing that those metropolis cities... There was an article out of National Geographic, Time Magazine, recently with all those big cities: Los Angeles, New York City, Tokyo, Japan, Calcutta, Kenya, Nigeria, all those different places, Paris—different places it was

showing you. It was showing you that each one of them had between ten to twenty million people, and the conditions. And I wanted to read some things there, about what they were talking about; how catastrophic it is. Legions of rats, people don't have running water, the kinds of things that are going on, on the earth, in some of these places. The subways, the under world, prostitution. When it starts to give you statistics like that, it makes your head spin, to see the Hour.

And when all these things are hatching out and you are seeing... Look, Bro. Branham saw two/three people with make-up (Spanish people), chatting, coming up the escalator, and he almost fainted. What about if he sees these punk rock kids and them today? He might get a heart attack. Do you see?

And all this crime that has begun to move and things. Recently, everybody began to get burglar proof, burglar proof, burglar proof. They said that the people who died and got burnt up here were because of the burglar proof; they couldn't come out. Well that is what they said, but just to show you too. (That doesn't have to be the only reason, but whatever it was, that is their business.) What I'm talking about is to show you fear (for fear), because of the condition of the people out in the streets. See?

The place is no longer safe to live in, so what people do, they think it is safe to lock up themselves in their apartment. If you go in those big cities like New York and all those different places, people have three/four locks on their door, little peep holes on the outside. You press a button, and you have to say who you are (identify yourself) before you come into the building. That is not to keep the people in; that is to keep those spirits out. That is for fear, the kind of spirits that are loose in the place.

And how they got so, it is what they took in through the fourth dimension. It deformed them, and produced (on earth) a creature like the demon down there. All

these things become a programming center for brainwashing the people, so they sit down and lock themselves up in a room, and they get television twenty four hours a day.

If you want religious demons to put upon those who love religion, they are getting that twenty four hours a day. All kinds of queers and perverts are big preachers. And women with their hair dyed blue, bobbed; their face painted up, (this is no joke this is the truth) and they cry, "I thank God that He gave mummy a washing machine." Do you see? And you wonder what is going on? And you say, "Like these people are crazy," and the kind of atmosphere they are in; everybody happy, you know.

Like Oral Roberts used to have this great big thing, (you know) and he had this great big school, and this great, big, City of Faith. I went there in Tulsa, and I saw it. They had all these girls, who were supposed to be like evangelists, playing netball, and they were in their little shorts, and their little vest, and they were playing netball and different things. And they said well they are going to win all those who love netball. Then there were the boys who played baseball; they were going to win, all those who love baseball. Do you see? And that is the psychology. Then there was a hospital, a big hospital. They said, "Well, (hear him) God is going to fill it up. God is going to fill it up, to make it a success." Why would God full up a hospital with sick people? You should be praying for God to heal the people. See? Now that is to show you... And these are the things that took over the minds of the people.

Then, there are all those kinds of sex demons day and night: playboy channels and different things, and those people there; they get filled up with that spirit. Then, there are others who like the other types of entertainment. Then there are reruns for those who work shifts and miss it, so they can catch some when they come back in the night. Do you see? When they

think they are safe, because they are getting their entertainment indoors, and they don't have to go outside amongst all those demons outside; while they are indoors they are creating... they are hatching out the monsters, inside. Because they failed to realize, it is the very television, and these things that are hatching out and producing that kind of people. So they lock-up themselves for entertainment, thinking they are safe when they lock their three/four locks on their doors, then they open up themselves and get brainwashed with that. You see a woman with her nice long hair come out with her hair chopped off, and dyed.

Like we were in Antigua there... right in Antigua (Princes Town [A Southern town in Trinidad -Ed.] is brighter than their main town) and inside of there, this girl had red hair (a colored sister)... red hair, a long, golden finger nail, and some funny colored lipstick. I said, "My! What is going on?" Do you see? And they are normal, because they are projecting the image of something else that already got a hold of the subconscious mind. Because it comes through that fourth dimension.

All the toys are being designed to get a hold of the children's minds. See? All these things are happening to bring this kind of people.

Remember, those are the people who go to church, you know. The Holy Spirit was telling those Pentecostals, "Shoot your televisions out of your house!" So if the Pentecostals were the highest who had it, you could imagine the Methodist, the Baptist, the Catholics, and all of them. Do you understand what I'm saying? So that is the religious world we are talking about: the insanity in the church pew! Do you see how it is coming?

All these horror movies. Long ago people used to wake up and tell you, "Stay up with me to see Barnabas from *Dark Shadows*" [T.V. series 1966-1971 -Ed.], (you know) and all these horror pictures that came out. And they brought out all these kinds of funny monsters. (I can't even call

the name of it right now, I saw it written in the papers somewhere.) See? They have the *Jedi* and all these *Star Wars* [An American outer space movie -Ed.] and all these strange creatures they are bringing out. Do you see? And these things are being projected into the people's hearts.

And hear what he said,

The radios and things, our television programs, are producing it. ...[and] There'll be such things as ants raise up on the earth, that will be as high as fourteen trees; and there will be a bird will fly across the earth, with wings four or five miles across; and people seeing them, they'll scream and holler, and cry for mercy. But it'll be the Plagues. Wait till I preach on those Plagues opening up.

And He said there'll be hideous sights upon the earth. "Locusts with hair like women," long hair, to haunt those women that cut their hair. "Teeth like lion; stingers in their tails, like scorpions; they would torment men, months." Just wait till we get in to opening them Plagues and Seals, and them Seven Thunders, watch what takes place. Oh, brother, you better get to Goshen while there's time to get to Goshen. Don't pay any attention to this outside."

And the "outside" he is talking about is this outward flesh; this spirit that gets enchanted with these things. Because he said, "Stay... Live in that third realm on the inside where you could be transformed back by the renewing of your mind into the Image of God; come back to the Word you by-passed"

Amen. I will leave the rest. I will just wear out your patience if I continue. Amen. I will pick up the rest maybe Sunday morning, the Lord's willing.

But to see those hideous things, where they are coming, and God came back to veil the people with the Word Veil, the Holy Spirit; so they could see the evil of this evil Age. They will not be ignorant of the devices of the Enemy. They will see how he is producing these things, because they will be restored to the sane mind

of Christ; when the whole world (church members; religious people) is being plunged into insanity—children of darkness.

I wanted to get that for you and show you that from the time those Seven Seals opened, Laodicea went into darkness. Before the Seals is darkness and after the Seals is Light. And many came up to the Seventh Seal and stopped, and that is right where the Lord has come down to take His people out. And they stopped short right there, but the Seventh Seal brings the Bride over, that She could be restored to the sane mind of Christ; that she could be transformed back into the Image of the Word, to go up in the Rapture. While She is coming into the Mind Age... because the Eye Age is the prophetic seeing Age where the Light came to open up the Mysteries, and She saw it and recognized Her Day and Her Message. And then She entered into the Age of the mind (the Mind of Christ), where the Mind that was in Christ is now being put into the heart of the Bride. And She has the Mind of Christ, and She knows what He wants done with the Word; because She is the feminine part in another body being revealed.

And as the Mind that was in Christ made Jesus know that He was the second Adam veiled again, standing there with dominion again: He walked on the water, He spoke to the tree; "Peace be still!" So that Mind in the second Eve, when It comes back and She is veiled again and that Mind is in the Bride...[A blank spot on recording -Ed.] ...Same works, same Spirit, same Word. She is bone of His bone, flesh of His flesh, faith of His faith, virtue of His virtue. She is Him. And while She is standing there, going back to Eden, marching back to Eden, here people are in hell: demon-possessed, incarnated, deformed (not transformed); deformed, taken down to Armageddon to be thrown into God's wine press, where the blood could fill God's vat until it overflows; where their flesh would be fed to the fowls of the air in the Supper of the great

God, in the day of His vengeance; right now upon the face of the earth.

Recognize what is happening. Don't be caught up in the delusion. Don't be caught up in the influence of the world. You see the Truth, God has awakened you. Realize what is really happening. It is to lift you up higher; take you up into a realm where you will be shut away; hidden in the Hiding Place. Where that Veil will drop around you, and shut you in the Presence of the Shekinah Glory, and you are shut away from the world. The evil and the plagues of this world cannot touch you. Amen. You could have sweet communion, and fellowship with the Holy Spirit.

If you are being enticed, influenced; if it looks attractive to you (the world outside looks attractive to you), then come and buy of Him eyesalve because you are being deceived. Your faith is already paralyzed; you can't see the fire of God's wrath hanging over this generation. The righteous will walk out on the ashes of the wicked. Let it not be your ashes, tonight. If you stay out there, it will be. But may you enter in.

Why did the Holy Spirit gather us together, revealing all these deep secret Things, bringing It out to get you ready so you could become Christ; you could become the Word? Because that is what you have to become, to go in the Rapture. Not 'Pentecostal rapture'; that kind of nonsense out there (No!), but to become a son of God, in the Image and likeness of Almighty God; to become the Word, (the living Word) made manifest; a written epistle read of all men.

Let us all stand to our feet.

Let's sing *Turn Your Eyes Upon Jesus*, [Song #188 Songs That Live -Ed.] *look full in His wonderful face , and may the things of this world grow strangely dim in the Light of His glory and His grace.*

Every head bowed, every eye closed. Every heart reverent before Him.

VERSE

O soul, are you weary and troubled?

No light in the darkness you see.

...in the darkness...

Gross darkness upon the people, upon this earth.
But there is Light tonight.

There's light...

It's for a look at the Saviour,

And life more abundant and free.

And life more abundant and free!

Let us lift our hands and worship Him.

Turn your eyes; your spiritual eyes tonight.

CHORUS

Turn your eyes

Don't be veiled by lust, but be veiled by the Holy Spirit
tonight.

Look full in His wonderful face;

Look full in His wonderful face;

And the things of earth.

And the things of earth will grow strangely dim

Oh in the Light of His glory and grace.

In the light of His glory and grace.

Oh sing it: "Through death into life everlasting." That
is the only way you could go.

VERSE

Through death into life everlasting

He passed, and we follow Him there;

He passed, and we follow Him there;

Won't you follow Him tonight, friend?

Over us sin no more hath dominion,

Over us sin no more hath dominion,

You don't have to be a slave to sin. He could take that
slave belt off of you tonight; break those chains, and
open the prison doors.

For more than conquerors we are!

Turn your eyes upon Jesus tonight.

CHORUS

Turn your eyes upon Jesus,

Oh look full in His wonderful face; face to face tonight.

Look full in His wonderful face

Oh Hallelujah! Thank you Jesus! Hallelujah! Amen!

And the things of earth...

And the things of earth will grow strangely dim

In the light.

In the light of His glory and grace.

His Word shall not fail you, He promised; have faith in that Word tonight.

VERSE

His Word shall not fail you, He promised;

Believe Him, and all will be well;

Believe Him, and all will be well;

Oh, then go to a world that is dying; that's a ministry. Who will go for us? Be a prepared servant tonight.

Then go to a world that is dying,

His perfect salvation to tell!

His perfect salvation to tell!

Every heart singing, everyone reverently, prayerfully. Turn your eyes upon Jesus tonight friend. Look away from this world. Look unto Him the Author and Finisher of your faith. Look and live, tonight. Look away to Jesus. Don't look back like Lot's wife.

CHORUS

Turn your eyes upon Jesus

Look full...

Get in the cleft of the rock like Moses

...in His wonderful face;

And the things of earth will grow strangely dim

In the light of His glory and grace.

Amen. As you remain with your heads bowed and your eyes closed, we just want to call our Bro. Alvin Joseph to come and pray with us; ask God's blessing upon the people and dismissal tonight. Everyone just pray in your heart tonight. God has spoken to you, and you have seen the Light. The Spirit of God had spoken expressly tonight, holding us back a little bit, but speaking to us directly and personally as an individual. Then make your calling and election sure. Work out your salvation with fear and trembling. If you will hear His voice today, harden not your heart. [Bro. Alvin Joseph prays -Ed.]

Could the church say, "Amen?" [Congregation says, "Amen."-Ed.]

I think we have a baptismal service on Sunday (Sunday morning after service), so all those who need to be baptized, just remember to walk with your clothes and different things. After service we will go out to the place of baptism and have a baptismal service.

If there is anyone here tonight who would like to be baptized in Christian baptism according to the Bible, in the Name of the Lord Jesus Christ... If you have not been baptized in the Name of the Lord Jesus Christ, then you have not been Scripturally baptized. If you have been baptized in titles of Father, Son and Holy Ghost, there wasn't anybody in the Bible ever baptized that way. The Bible says that whatever you do in Word and in deed, do it in the Name of the Lord Jesus Christ. Father, Son and Holy Ghost are not names, they are titles. The Bible said, "In the Name (singular) of the Father, Son and Holy Spirit," which is the Lord Jesus Christ.

So if you want to be baptized, one of the deacons will be glad to see you and to talk to you.

On Sunday morning we will have the baptismal service. There were a few people already (last night), who decided they would like to be baptized and have their

sins remitted in water baptism. We will do that on Sunday morning.

As you have your seat, let's just sing, *Where He Leads Me I Will Follow*. [Song #452 Songs That Live -Ed.] Let's be obedient children; walk in the Light of His Word.

CHORUS

*Where He leads me I will follow,
Where He leads me I will follow,
Where He leads me tonight
Where He leads me I will follow,
I'll go with Him
I'll go with Him, with Him all the way.*

VERSE

*He will give me grace and glory,
He will give me grace and glory,
He will give me grace and glory,
And go with me, with me all the way.*
