Border Motor Club is one of the most active and friendliest clubs in the region, supporting both local and national motor sport events at all competitive levels. Our members include competitors and officials, as well as general motor sport enthusiasts.

The club was originally formed in 1967, and met at the Harvey Arms, Finningley, then gradually travelled eastwards at other locations, until moving to the new venue for 2013. Past events organised by the club include Multi and Single Venue Stage Rallies, 12 Car Rallies, Autotests, and Autosolos, which current members are actively involved with.

We meet on the first Wednesday of the month at varying locations, mainly the Red Lion at Redbourne however please check our website for more details:
