

## About Life Prints

Life Print Keepsakes are created by using a combination of traditional jewelry techniques, modern technology and your loved one's fingerprint. By offering a physical **HEIRLOOM** touch to a loved one's life, they are created from two-dimensional ink prints that are then replicated onto bronze, .925 sterling silver, 14k yellow gold, or 14k white gold. All of the designs can be custom engraved.

The Life Print Keepsakes produce a high quality family heirloom that will memorialize your loved one. The Life Print **LASTING** Keepsake pendants with cavities not only have a lasting Life Print inlay but they also can hold a small portion of cremated remains, a lock of hair, or even dried ceremonial flowers.

Many families choose to have Life Prints made for the entire family and close friends. Since there are so many designs to choose from, the Life Print **UNIQUE** Memorial Keepsakes are accommodating to all. The various and unique custom combinations allow for a beautiful, personal, and lasting connection to the ones we love.

## The Fallen Limb

*A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes we're together again."*

Life Prints are a Beautiful Way for the Entire Family to Honor and Celebrate the Life of their Loved Ones.
