Questions about how to use the GENOTROPIN PEN 12? Call the Pfizer Bridge Program toll-free at (800) 645-1280 Manufactured by: Ypsomed AG Burgdorf, Switzerland Caution: Federal law restricts this device to sale by or on the order of a physician. LAB-0224-6. Revised October 2008. Title:

Genotropin Pen® 12

Genotropin is one of the best-selling growth hormones but sales suffered in the first three quarters of 2006 with a decrease of 3%, giving sales of only \$586m. This was put down to the emergence of new competition in the marketplace in the form of the latest Sandoz product Omnitrope (somatropin).

Pfizer Genotropin Pens are designed for adults who seek a high level of quality and convenience for administering Somatropin. Genotropin price can be a more affordable one if a patient selects the vial and syringe option. Pfizer Genotropin Pens are FDA-Approved for the deliver of HGH drug medications. Genotropin by Pfizer, a USA based company, makes up 23% of the world market.. Genotropin for Sale. Genotropin HGH is one of the most sought-after HGH injections for sale currently. The Genotropin MiniQuick pen is popular among people using human growth hormones to enhance muscle bulk and bone growth. Its application ranges from simple growth.
