This issue of WOW! is dedicated to my mother. A beautiful lady , who has enough confidence, love and most of all patience to know there are many roads which all lead to the same place.

I love you mom,

Trina

When I was a little girl , I said to my mother," I love you more than anyone on earth. More than myself, even more than God."
"Someday you will feel differently, Trina." she replied.

I've heard how some people have said that I've changed. That I'm not what I was, how it really is a shame. The thoughts in their heads manifest on their brow, like bad **scars** from ill feelings they themselves arouse. So hateful of anyone that is happy or 'free'. They live all their lives without looking to see the light that has lighted the world. It's funny how people just won't accept change. As if nature itself - they'd prefer re-arranged. So hard to move on when your down in a hole, where there's so little chance to experience soul. I'm grateful to anyone, that is happy or 'free' for giving me hope while I'm looking to see the light that has lighted the world.

WE PLEDGE ALLEGIANCE ALL OUR LIVES

TO THE MAGIC COLOURS RED, BLUE AND WHITE

BUT WE ALL MUST BE GIVEN

THE LIBERTY THAT WE DEFEND

THIS WORLD IS NOT JUST FOR ONE MAN

HISTORY WILL REPEAT AGAIN

IT'S TIME WE LEARNED

THIS WORLD WAS MADE FOR ALL MAN.

ON THE OTHER SIDE OF FEAR, IS JOY...

I would like you all to sit down right now and think of one
judgment - one prejudice you have

I want you to realize that if you took the time to love and
understand , that judgment - that prejudice would cease to be.
People are only afraid of what they don't understand.

FACE YOUR FEARS - FACE YOUR HATE - FACE YOUR PREJUDICE

FACE YOURSELF AND YOU FACE GOD.

That until the philosophy which holds one race surperior and another inferior is finally and permanently discredited and abandoned; That until there is no longer first and second class citizens of any nation; That until the colour of a man's skin is of no more sigificance than the colour of his eyes; That until the basic human rights are guaranteed to all without regard to race; That until that day the dream of everlasting peace and world citizenship and the rule of international morality will remain but in a fleeting illision to be pursued but never attained; And until the ignoble and unhappy regimes that hold our brothers in Angola, in Mozambique and in South Africia in subhuman bondage have been toppled and distroyed; Until bigotry and prejudice and malicious and inhuman self-interest have been replaced by understanding and tolerance and goodwill; Until all stand and speak as free human beings, equal in the eye of Almighty; Until that day we shall not know peace... we know that we shall win, as we are confident in the victory of good over evil.

WOW! It finally happened. Kathy found Soupy!!! For those of you who don't understand, let me explain. You see, our princess has been searching for Soupy Sales since issue #4 of 1979. Our famed "Find Soupy" contest was, unfortunately, never won. Until now! And who but our fair Princess Wow would have the patience to keep looking. "I've said it before, and i'll say it again, it's just like what happened with me and Davy Jones. If you want something to happen bad enough, it will. So watch out, you just may get what you want, so be sure you really want it." This is where the test of time comes in, some desire just can't stand the test. If it's real, waiting for it really doesn't matter. It's called 'separating the men from the boys.' You know what I mean.

It all happened when International Kathy was asked to appear on the new "To Tell The Truth" show. "I recieved a call from New York, asking me if I would let them fly me to New York , put me up for a few days, and appear on the show. Hell yes! I answered. "

So, I.K. grabbed her personal aide and photographer Connie Czerwinski, and together they took off for a week of play in New York, New York a wonderful town. Little did they know who they would meet on the other end...

After arriving in New York, a briefing was arranged for Kathy to meet her imposters. "We went to NBC to show them Kathy's stuff, I of course, documented the whole thing." Connie explains. I.K. continues "When we were led into the 'green room' Soupy was on the monitors. I thought they were just watching an old show. But Connie looked out the veiwing window, and said 'He's here, they're doing it now!' I, of course, was TOTALLY WOWED OUT! FINALLY! I would get to meet him.

"I wasn't sure how to act on the show, I was afraid if I was myself, they would all pick me. (That meant less money.) I even thought if I gave that smile, they'd know who it was for sure! So, I think I came off as being veri serious." No matter, whatever she did, it worked. NO ONE PICKED HER!!!

It wasn't until after the taping that Kathy got to meet Soupy Sales. "At the end of the show, everyone comes back out on stage to mingle. That was when I decided I had to grab him. It was funny, because I was asked to autograph five photos to hand out to all the 'celebrities' on the show. But all I wanted to do was talk to Soupy. I didn't know anyone eles' name anyway. So I walked up to Soupy with the entire stack. Picked his out, and the rest I took home with me!"

Soupy asks "Kathy, do you know who Rula Lenska is?"

Kathy had brought a copy of the June issue of '79 with her. So she had it handy after the show... "I just said 'I'm so happy to finally meet you. I've been looking for you for a long time.' then I showed him the issue, to explain things. He leaned over and gave me a kiss. I'm sure he was flattered. Wouldn't you be if someone were looking for you?"

Afterwards, arrangements were made to meet backstage to have a few more photos taken for WOW! "He is SOOO Soupy!" Kathy & Connie agree. "When he came out of his dressing room, I asked 'Where is White Fang, Soupy?' Holding out his arm, like a paw, he replied 'WREH? OH WREH !!!' He made the trip for me. Totally!"

WILL THE REAL INTERNATIONAL KATHY...

We practiced this part alot before the show.
We had it down pat.

PLEASE STAND UP!

HERE SHE COMES THAT'S KATHY'S CLONE.

It came as no surprise that I won the International Kathy Look-alike contest. I mean, let's face it. I have always looked like Princess Wow! For many years people have been mistaking us for sisters. Some even confuse us! (Sometimes I even get confused...) But I think it's about time I got the recognition I deserve. Especially since I didn't recieve one flower from the Princess during National Secretary Week! The following pictures should prove my ponit that I've looked like I.K. for as long as I can remember...

See for yourselves! After awhile, looking like I.K. wasn't enough. I had to act like her too. Hey, I knew I had a good thing going here! I even started wearing the same clothes and sitiing in the same kind of chairs as Kathy Wow!

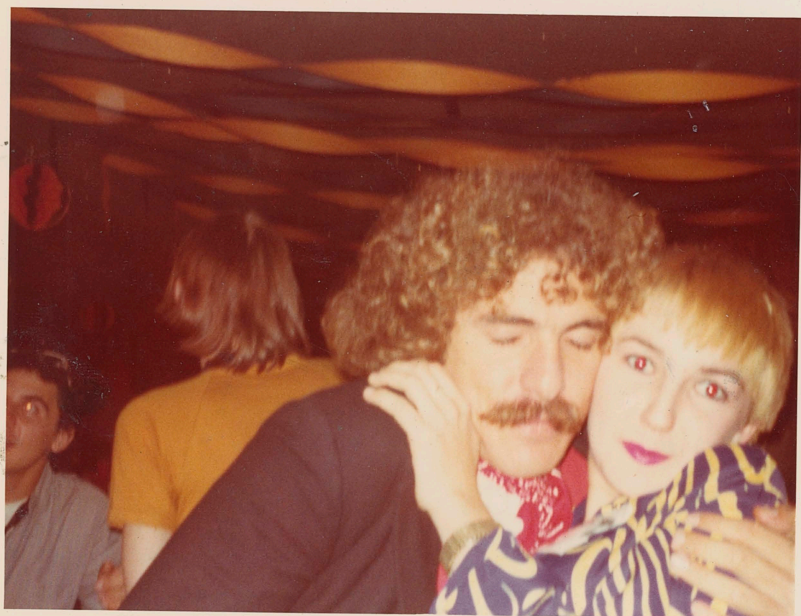

After getting the "Kathy" look down, I started working on her personality traits. Exhibited here is the first I picked up: When International Kathy got high, I got high.

She ate - I ate.

In fact the only time I didn't look like Kathy was when I looked like Mark Mothersbaugh.

But no matter what I tried: clothes, drugs, chairs or men,
what really counts is that International smile.
And I've got it! Toyota.

Who come knock and He shall open

the door's so wide.

Who come seek and ye shall find — ETERNAL LIFE.

Who come ask and it shall be given.

TRUST IN JAH LOVE.

"This is what you shall do: love the earth and sun and the animals, despise riches, give alms to everyone that asks, stand up for the stupid and crazy, devote your income and labor to others, hate tyrants, argue not concerning God, have patience and indulgence toward the people, take off your hat to nothing known or unknown or to any man or number of men, go freely with powerful uneducated persons and with the young and with

the mothers of families, read these leaves in the open air every season of every year of your life, re-examine all you have been told at school or church or in any book, dismiss whatever insults your own soul, and your very flesh shall be a great poem and have the richest fluency not only in its words but in the silent lines of its lips and face and between the lashes of your eyes and in every motion and joint of your body."

Peace, love, and praises make smiles.
