IN A LIVING HELL!!

International Kathy returned from San Francisco early November, after a three day trip which lasted ten days too many! The trip, originally planned as a surprise visit to see SKIN perform at the Mabuhay Gardens, turned into eight days of being terribly ill in bed waiting for the International Falcon to be repaired in Gilroy (we never heard of it either!), after the wheel (not just the tire) collapsed on the way back to los angeles. WOW!! Thanks again Felix Chamberlain for saving our lives that night in hell!

INTERNATIONAL KATHI CREATES A "SCENT OF WOW!!"

Yes, its true! I.K. will be putting out her very own perfume, obviously called "eau de wow". It will come in turquoise (perhaps lavender) viles with three pink rings around it representing WOW! Look for it in your fave store soon. That is as soon as International Kathie finds out how to bottle a sense of WOW!!

LETS ALL GO INTERNATIONAL

I.K.F.C.H. has recieved the International theme song from Mark with the dreadlocks, entitled "LETS ALL GO INTERNATIONAL" Would love a copy of the lyrics, mark! Thanks again for the song. YEAH!!!!

INTERNATIONAL BACK ISSUES

Do not worry. If you've misplaced an issue or two of your bi-monthly piles. Or your looking for the PERFECT christmas gift (though a membership is better) you can now send for any back issue that you want. Just send 60¢ per pile! TA!

INTERNATIONAL KATHY

GOES TO A VERI SPECIAL DANCE !!!

International Kathy attended her first High School dance early December. It was held at Diane Leichman Senior High School for the Mentally Retarded.

What first got you interested in working with retarded children?

When i was young i had a friend with a younger brother who was handicapped in many ways. He was very mistreated by everyone. I used to take him out, play with him and teach him stuff. I really loved him and he really loved me. I think I was one of the only people he trusted.

How long have you been doing this?

Off and on for two years. But i just started Substitute Aiding about a month ago! I just love hanging out with them.

thats the main reason I do it.

Why?

Because theres so much I learn from them. They are some of the greatest people i have ever met. Their whole outlook on life, whether or not they are cognizant of it, is wonderful.

What is that?

They are so affectionate. So loving. Their whole life is love!

The minute they
meet you, one of
the first things
they say to you
is "I love you!"
and they mean it!
then they walk away
and it matters not
if they ever see you
again. They live
TOTALLY for the moment.
And they live
only to love because
that's all they know.
They have no inhib-
itions about sex or
their emotions. They
do what ever feels
good to them. I think
they're great!

What happens to
them when they be-
come 21?

Unless their parents
are willing to take
care of them, most
of them get instit-
utionalized!

Any last words?
Just that I think
we could all learn
a lesson on life
from these kids.
And that is to
thank God we are
what we are. And
realize we only
have today so go
for as much as you
can. Live and love
to the fullest.
Today, Tomorrow &
Always.....
