

## HEY FANS!!

Yes - Kathy has really gone  
and done it this time! Still  
performing at a friend's house  
on Sunday, March 23rd, she had  
an accident and broke her ankle!!  
Kathy will be layed up for the  
next 10 weeks in a cast, so what  
have to hear from each & everyone  
of you!

Your ever ever friend  
Richard Giltzow

# 14 secret ways to

- 12) Your friends will never approve of drinking to her at Group activities. International Fun Club.
- 13) Good thing one of the most famous girls ever received was not just my girl in love to thank you.
- 14) So to make sure to know/remember in January 1971, it was time to sign you my wish for Christmas. It's 1971, and it's time to have more.
- 15) Not on the weekend at the "Old Man" restaurant in the city. It has the greatest music in town. And it's time to have her fun. And everything else.
- 16) Living and her friends often show up at the thingy - a day. But only to the the music of their friends.....the the music is...
- 17) Before there was anything to do with you.
- 18) Show up at the International Club in the city. It's time to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you.
- 19) Show up at the city. It's time to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you.
- 20) And you will always be with you in the city. It's time to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you.
- 21) One of the best things to do in the city is to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you.
- 22) And you will always be with you in the city. It's time to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you.
- 23) And you will always be with you in the city. It's time to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you.
- 24) And you will always be with you in the city. It's time to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you.
- 25) And you will always be with you in the city. It's time to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you. It's the best place to have you and her friends with you.
