It's an 11 year old international magazine published by INTERNATIONAL KATHY.

KATHY is a      year old Los Angeles trendsetter who created her own fan club BEFORE becoming famous !!

Well, in KATHY'S own words .....

"I see no reason why you must sit on a game show panel for six months before you become a celebrity. Can you honestly tell me that you knew who those 'celebrities' were BEFORE that game show was aired? Why not become famous simply because you get a kick out of your life?! Famous just for 'being'!! I want to share this life & this energy with the rest of this planet. That's why I'm INTERNATIONAL !!

There is really no difference between my magazine and someone showing a few friends a photograph and telling them about it. Why not tell everyone all at once?! That way, you won't have to repeat the story.
