

## FF-315(NEO) Crossing Arabia

Platinum Airways has received increased requests for small freight delivery out of our Dubai hub. In order to support this new demand we have acquired a new light aircraft from PJA Aviation. Pilots are to conduct a ferry flight to relocate the aircraft from Cairo, Egypt to our hub in Dubai, United Arab Emirates.

### Suggested Aircraft:

Cessna 172, Pilatus PC-12, Beechcraft King Air or any other mission capable aircraft.
