How Much Does Alaska Airlines Charge for Checked Baggage?

Planning a flight involves more than booking your ticket; understanding luggage charges is equally important for managing your travel budget. Alaska Airlines baggage fees depend on your destination, fare type, loyalty status, and the number of bags you check. Knowing the charges before arriving at the airport can help you avoid unexpected expenses and prepare your luggage properly. For baggage-related travel assistance, you can also call +1-855-867-4428.

What Are Alaska Airlines' Checked Baggage Fees?

Alaska Airlines generally charges a fee for standard checked bags on eligible fares. The amount depends on your itinerary, applicable exemptions, and the number of bags you bring. For many standard domestic itineraries, the first checked bag costs $35 and the second costs $45. Additional bags may have higher charges.

These prices can differ for international routes and certain ticket categories. Passengers should check the applicable charges for their specific reservation before departure because baggage fees and exceptions can change.

Important fee update: The earlier $35 and $45 figures are outdated for new bookings. For North American flights ticketed on or after April 10, 2026, the updated charges are $45 for the first bag and $55 for the second bag.

Checked baggage	Fee (each way)
First checked bag	$45
Second checked bag	$55
Third and additional bags	$200

These are standard charges before any applicable benefits or special exemptions. International routes and travel within Hawaii may have different pricing.

What Is the Standard Baggage Weight Limit?

Understanding the permitted weight and dimensions is essential before packing. A standard checked suitcase can weigh up to 50 pounds (23 kg) and measure up to 62 linear inches, including its length, width, and height.

Oversized or overweight luggage may attract additional charges. For example, bags weighing 51–70 pounds generally incur a $100 additional fee, while bags weighing 71–100 pounds may incur $200. Oversized luggage can also cost an additional $200.

What Is Included in the Economy Baggage Allowance?

Travelers booking economy or Saver fares should understand that a checked suitcase is generally not included for standard North American travel. Passengers can still bring

one carry-on bag and one personal item without paying an additional cabin baggage charge.

The **Alaska airlines baggage fees economy** passengers pay depend on the number of checked suitcases, their dimensions, and applicable exemptions. First Class passengers generally receive two complimentary checked bags, subject to the airline's allowance.

What Is the Carry-On Baggage Allowance?

The Alaska airlines carry on baggage policy allows passengers to bring one carry-on suitcase and one personal item, such as a purse, briefcase, or laptop bag.

The maximum carry-on suitcase dimensions are 22 x 14 x 9 inches, including wheels and handles. Personal items must fit underneath the seat in front of you. Remember that restricted liquids and prohibited items must follow airport security regulations.

How do I avoid baggage fees on Alaska Airlines?

Passengers can reduce or avoid luggage expenses by understanding available airline benefits before booking. Consider these practical options:

- **Use eligible airline credit cards:** Certain Atmos Rewards Visa cardholders qualify for a complimentary first checked bag when applicable conditions are met.
- **Check loyalty benefits:** Eligible Atmos Rewards members receive free baggage allowances depending on their membership tier.
- **Explore First Class:** Eligible First Class tickets include two complimentary checked bags.
- **Use Club 49 benefits:** Eligible Alaska residents can receive additional baggage benefits when traveling within or to and from Alaska.
- **Pack strategically:** Use your free cabin allowance to carry essentials and avoid checking unnecessary luggage.

Always verify your eligibility and reservation conditions before departure because benefits have specific requirements.
