COLUMBUS LOCATIONS

Easton Way and Italian Village — both near major hospital systems.

CPR Certification in columbus, re-engineered for the working clinician.

OUR METHOD

The HeartCode Blended Model

Every course at CPR Cart Columbus runs on the AHA HeartCode® module — a blended-learning path that splits the cognitive coursework (completed online, at your pace) from a short hands-on skill check at one of our Columbus stations. The result: a certified AHA credential earned in a fraction of the time a traditional classroom course demands, with the same universally accepted eCard in your wallet at the end of the day.

01

Online HeartCode Module

Self-paced cognitive coursework from AHA, completed at home on any device.

02

30-Minute Skill Session

Drop into our Columbus station for a fast, hands-on skills verification.

03

Same-Day AHA eCard

Walk out with your official American Heart Association eCard instantly.

STEP 01 Online learning, anywhere.

COURSE CATALOG

Your AHA Course Lineup

Three American Heart Association certifications, all delivered through the HeartCode blended pathway. Pick the level your role demands — or stack all three for full-spectrum readiness.

BLS

Basic Life Support

0.75–1 CEUS

Adult, child, and infant CPR with AED use and choking response — the foundation for every clinical role.

AHA BLS Course available 24/7.

ACLS

Advanced Cardiovascular Life Support

2–3 CEUS

Advanced airway, pharmacology, ECG interpretation, and post-arrest care for high-acuity teams.

AHA ACLS Course for ER and ICU staff.

PALS

Pediatric Advanced Life Support

3.75–5.25 CEUS

Pediatric assessment, respiratory emergencies, and pediatric arrest algorithms for peds and ED teams.

AHA PALS Course for peds clinicians.

All three courses follow the same HeartCode online + 30-min skill session format.

COURSE 01 / 03

Basic Life Support

Our foundational AHA BLS Course covers single- and team-rescuer CPR for adults, children, and infants, plus AED operation and choking relief. The cognitive portion runs online through the HeartCode BLS module, followed by a 30-minute hands-on skill session at our Easton or Italian Village station. Most Columbus clinicians complete the entire credential in under two hours total.

AUDIENCE

Nurses, EMTs, paramedics, medical assistants, clinical faculty.

CEUS AWARDED

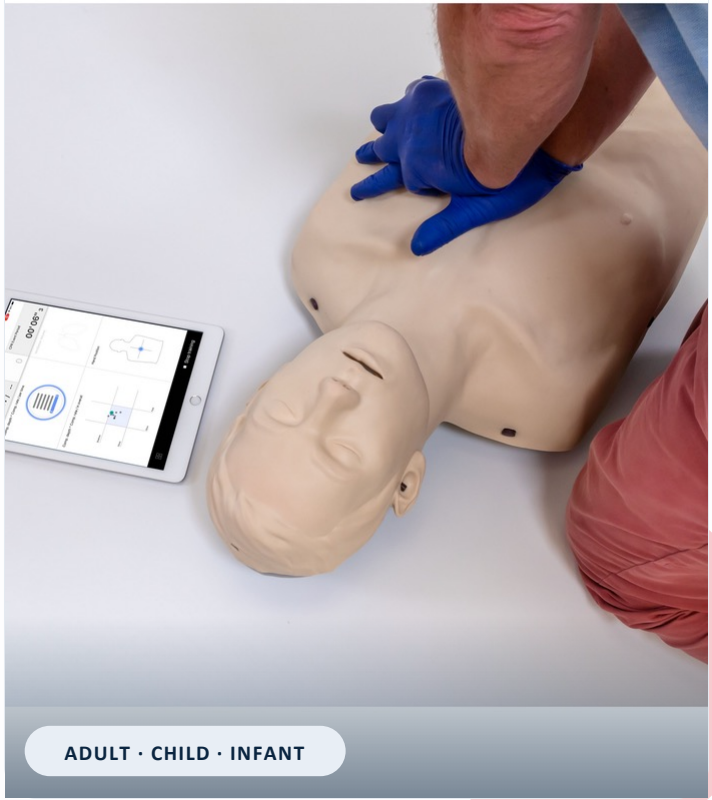

0.75 – 1.0 continuing education units.

SKILL SESSION

Approximately 30 minutes in person.

CREDENTIAL

AHA BLS eCard, issued same day.

COURSE 02 / 03

Advanced Cardiovascular Life Support

The AHA ACLS Course builds on BLS foundations with advanced airway management, IV access, emergency pharmacology, ECG rhythm interpretation, and synchronized cardioversion. Designed for clinicians who lead or participate in adult cardiac arrest response — ER physicians, ICU nurses, paramedics, and rapid-response teams. The HeartCode ACLS module handles cognitive content online; the 30-minute skill session validates megacode performance at our Columbus station.

AUDIENCE
ER physicians, ICU nurses, paramedics, code-team leads.

CEUS AWARDED
2.0 – 3.0 continuing education units.

FOCUS
Rhythm interpretation, pharmacology, megacode leadership.

CREDENTIAL
AHA ACLS eCard, issued same day.

COURSE 03 / 03

Pediatric Advanced Life Support

The AHA PALS Course equips clinicians who respond to pediatric emergencies with systematic pediatric assessment, respiratory and shock management, and pediatric arrest algorithms. HeartCode PALS delivers the cognitive coursework online; our 30-minute skill session verifies your hands-on competency on infant and child manikins. Designed for peds nurses, ED providers, PICU staff, and EMS professionals serving the Columbus pediatric corridor — including teams affiliated with Nationwide Children's Hospital.

AUDIENCE

Peds nurses, ED providers, PICU staff, EMS, school nurses.

CEUS AWARDED

3.75 – 5.25 continuing education units.

FOCUS

Pediatric assessment, respiratory emergencies, arrest algorithms.

CREDENTIAL

AHA PALS eCard, issued same day.

INSTANT CREDENTIAL

Same-Day AHA eCard & CEUs

Finish your skill session and your official American Heart Association eCard is generated on the spot — no waiting on mail, no follow-up emails, no employer-nagging. Every course also awards continuing education units (CEUs) recognized by licensure boards and Columbus healthcare employers, so your CPR Certification in Columbus does double duty as both a job requirement and license-renewal credit.

✓ ISSUING BODY
American Heart Association — official authorized distributor.

▽ CEUS INCLUDED
0.75 to 5.25 CEUs depending on course (BLS / ACLS / PALS).

▭ EMPLOYER ACCEPTANCE
Accepted by every major Columbus hospital and health system.

COLUMBUS, OHIO
