Qty: 1 vial
Buy online: <https://bit.ly/3FYeDxK>

Dec 20, 2021 GP Test P is injectable steroid which contains the hormone Testosterone Propionate in preparations of 100 mg per ML. The Propionate ester is much faster acting (2-3 days) than Enanthate or Cypionate, and thus requires a more frequent injection schedule such as every day or every other day in order to keep blood levels as stable as possible.
