

Outings With Jack

*Kate Manheim
& Jack Smith*

Edited by Elka Krajewska

*One day
I got a phone-call
that Jack was
going
to get married ...
and if I would
be the bride ...*

*and I thought:
oh boy
that sounds weird ...*

and I said yes ...

we got along very well

*I arrived with a gun from,
I think, Richard's collection...
so before I went to lunch
I packed that gun...*

What are we gonna do about our dead camel?

I remember it was very hot on that day

*He stayed with me in
Paris for a few days.
We went to the
Montparnasse cemetery
to see the
Maria Montez
grave*

...

*He was a
big fan*

*I can't
stand
that
woman*

*We went to the Coupole and we had oysters
I LOVE oysters, he did too...*

They are my favorite food!!!

*I thought that Jack was very handsome
But maybe not a lot of people would think that
because of his big nose*

*I remember one particular time
when he appeared with a
beautiful cashmere coat,
he looked really sharp
It was beige, camel color*

He really had it in for Richard

*He hated Richard
He believed that Richard had stolen
his art from him*
